...and the Tenka-ichi Martial Arts

...and the Tenka-ichi Martial Arts
competition has fallen into chaos

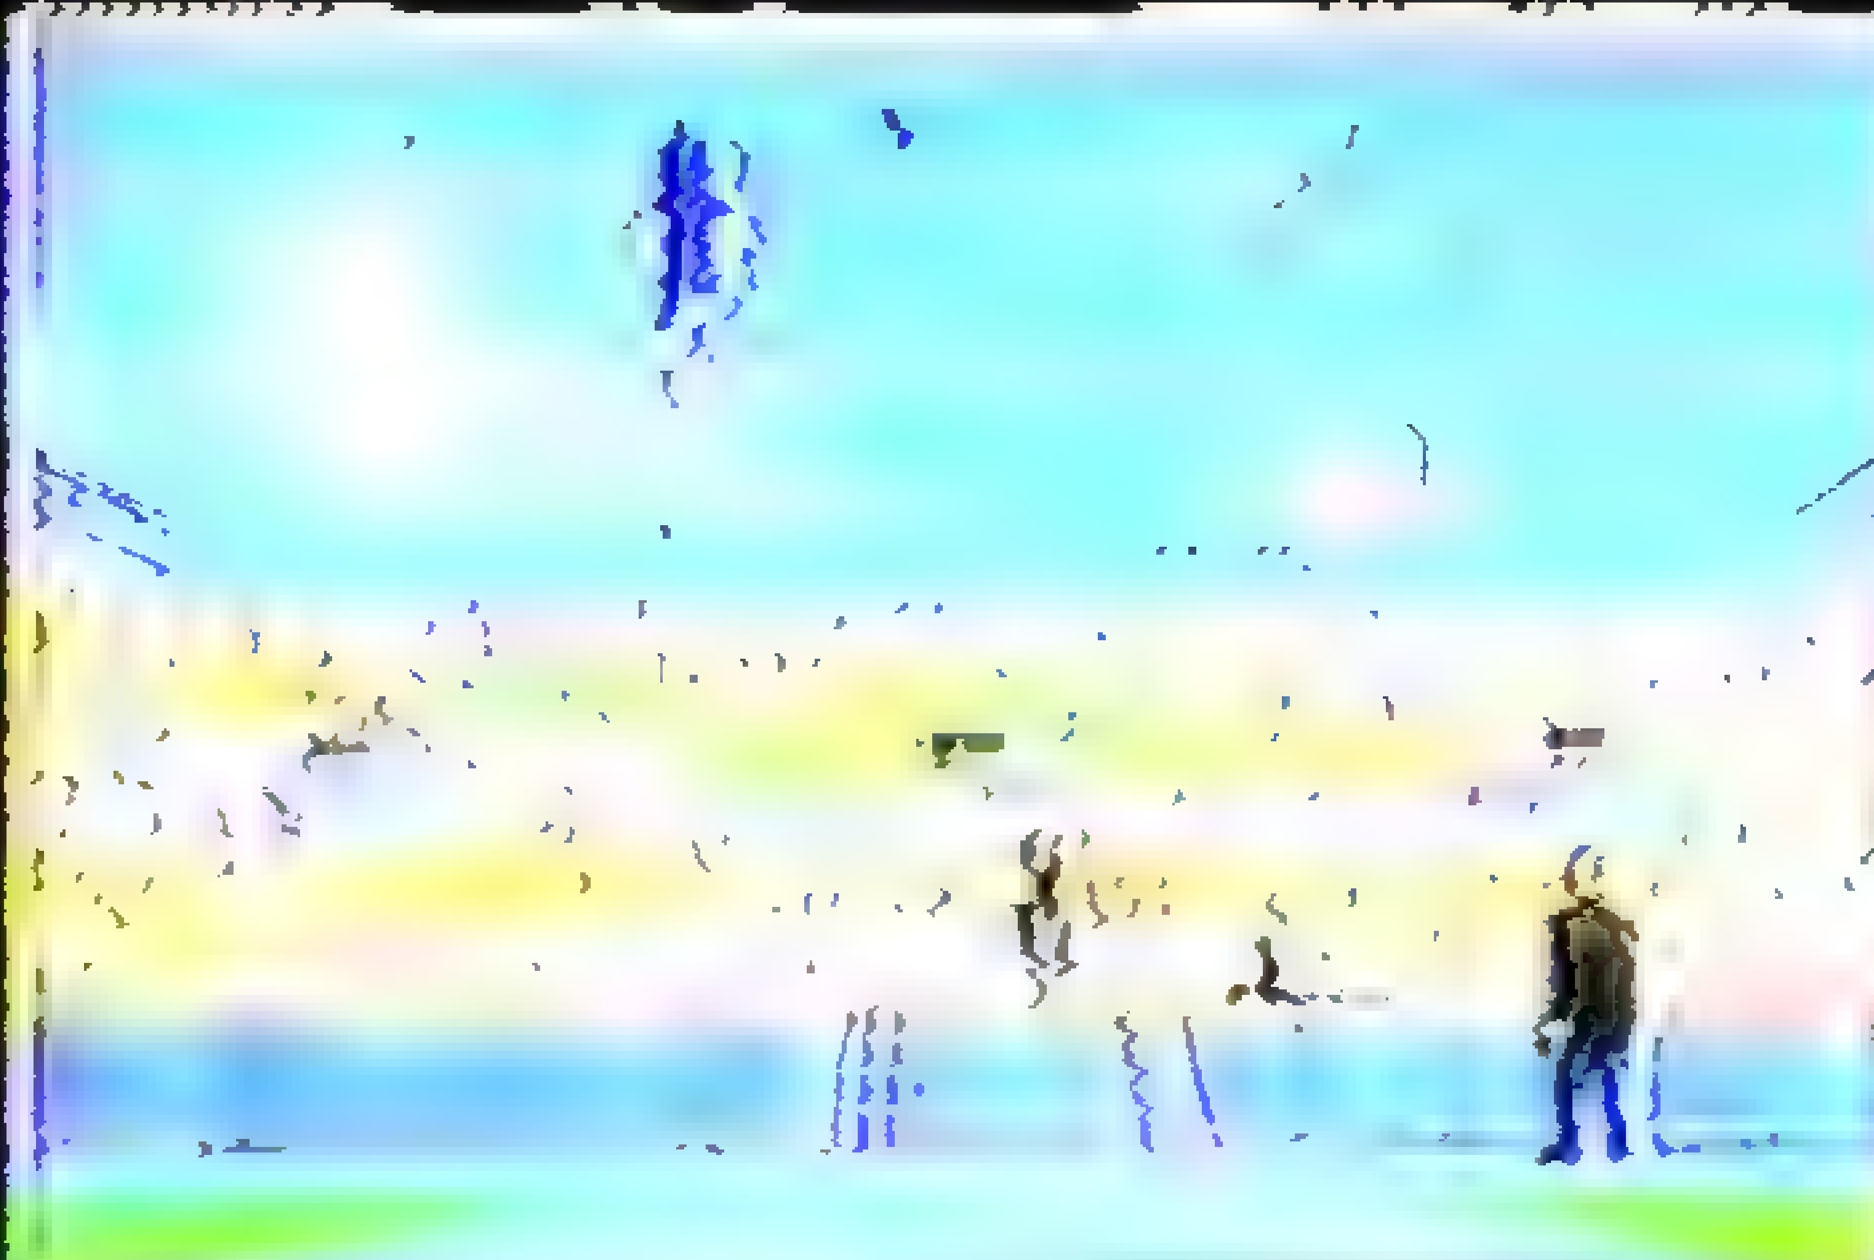

That was a lot easier than I expected.

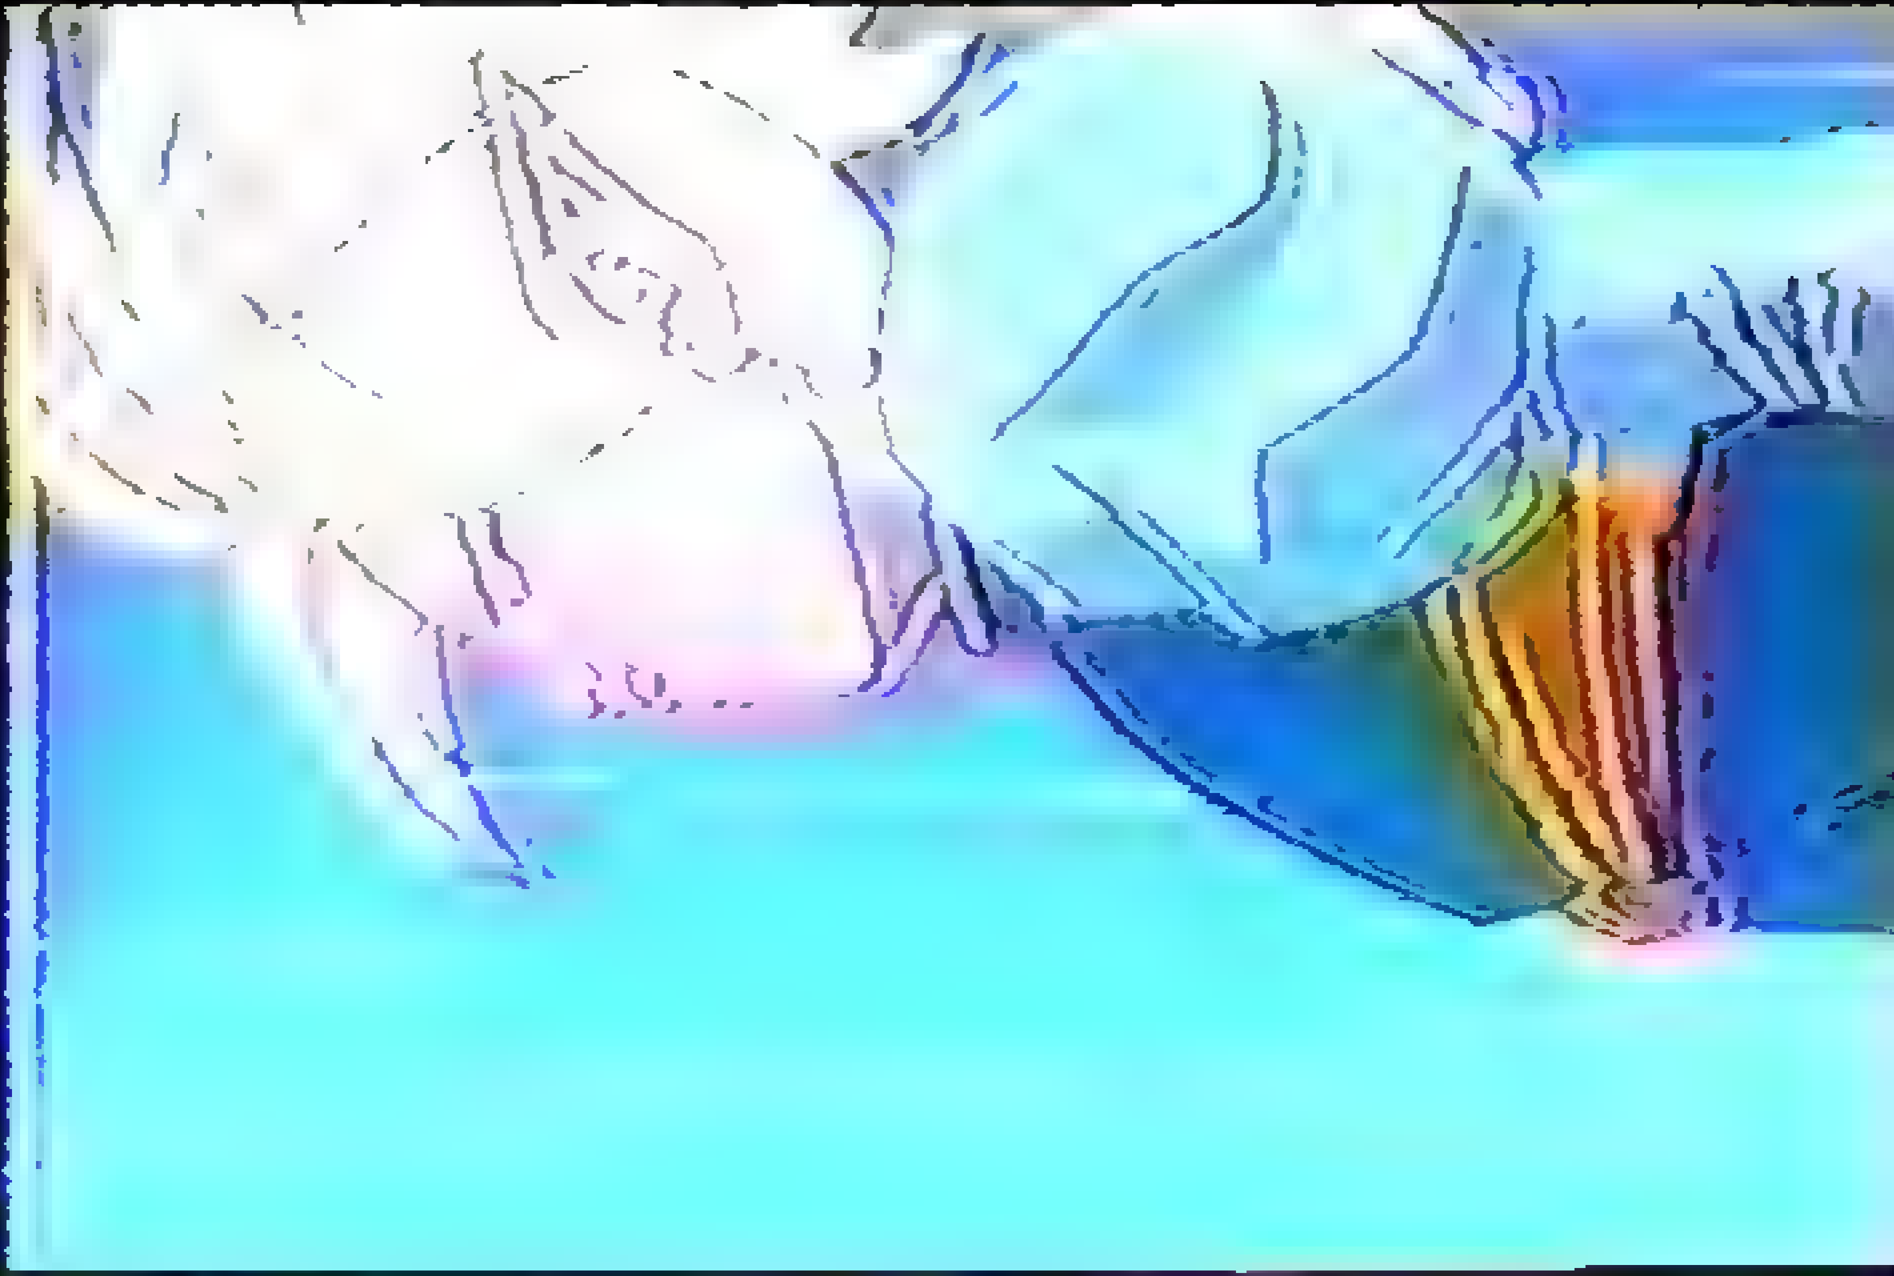

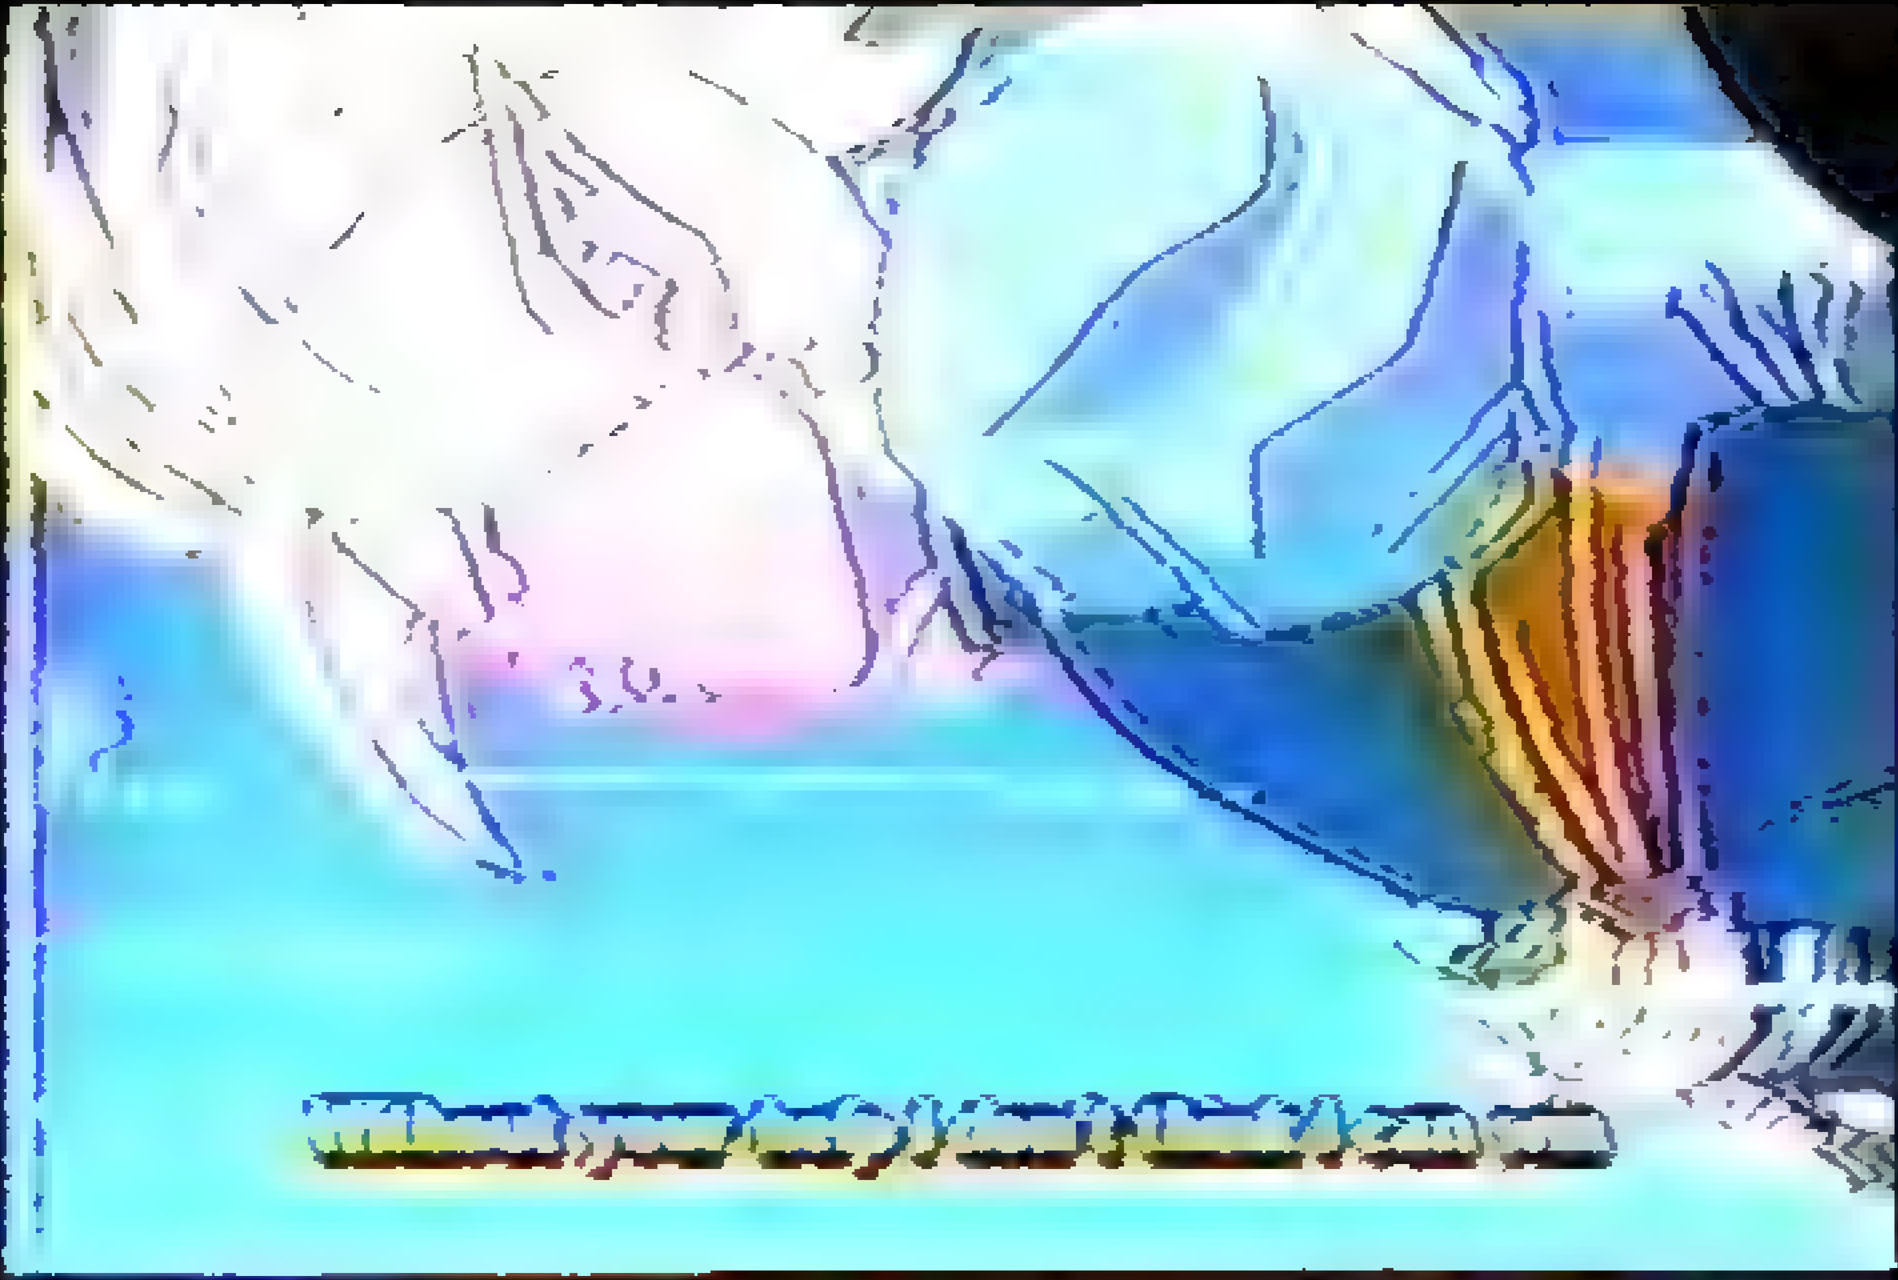

I thought you would come

You mean you can't beat those two?

You mean you can't beat these two?

No, these two are merely servants...

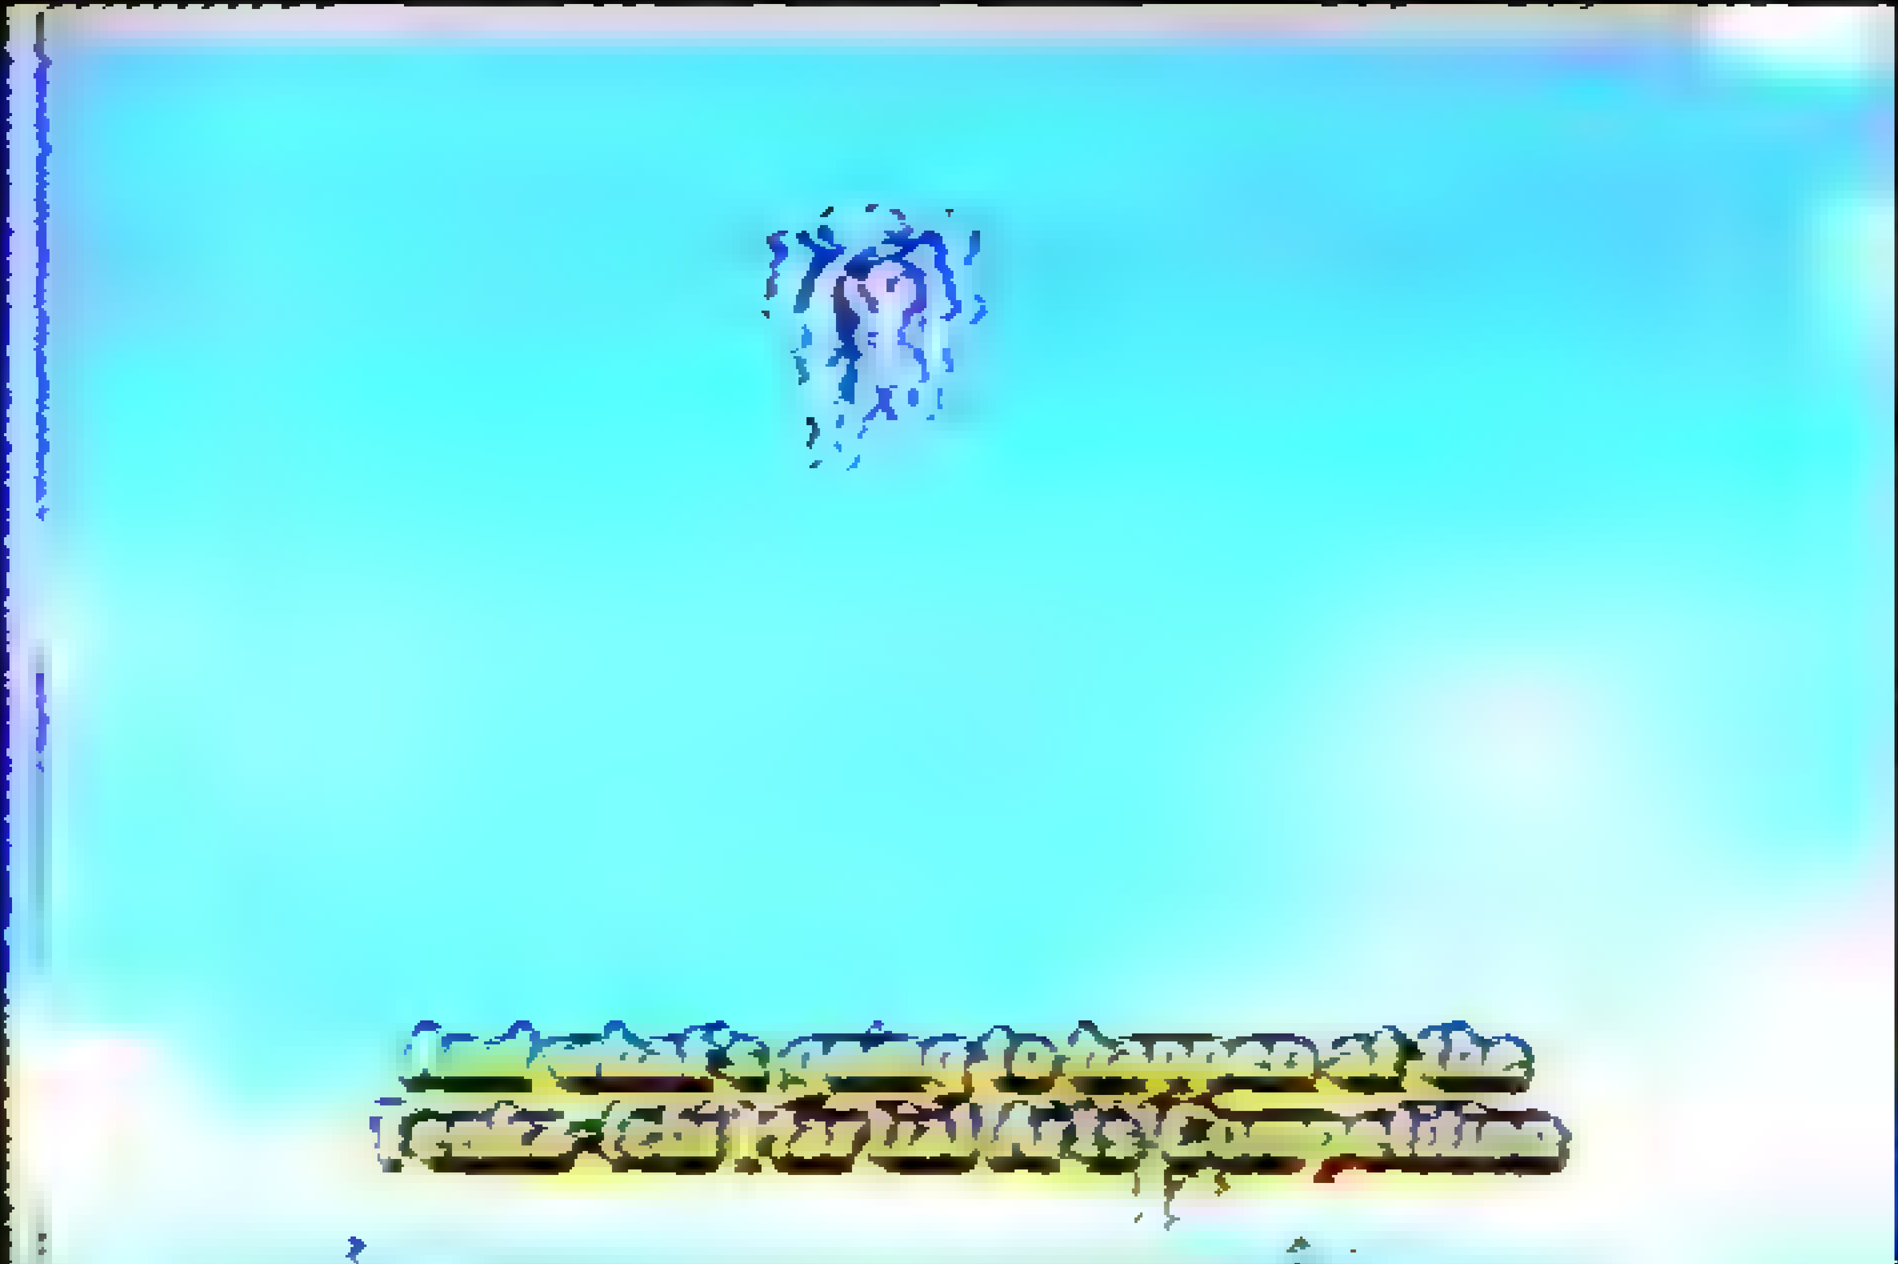

what's going to happen at the
Martial Arts Competition

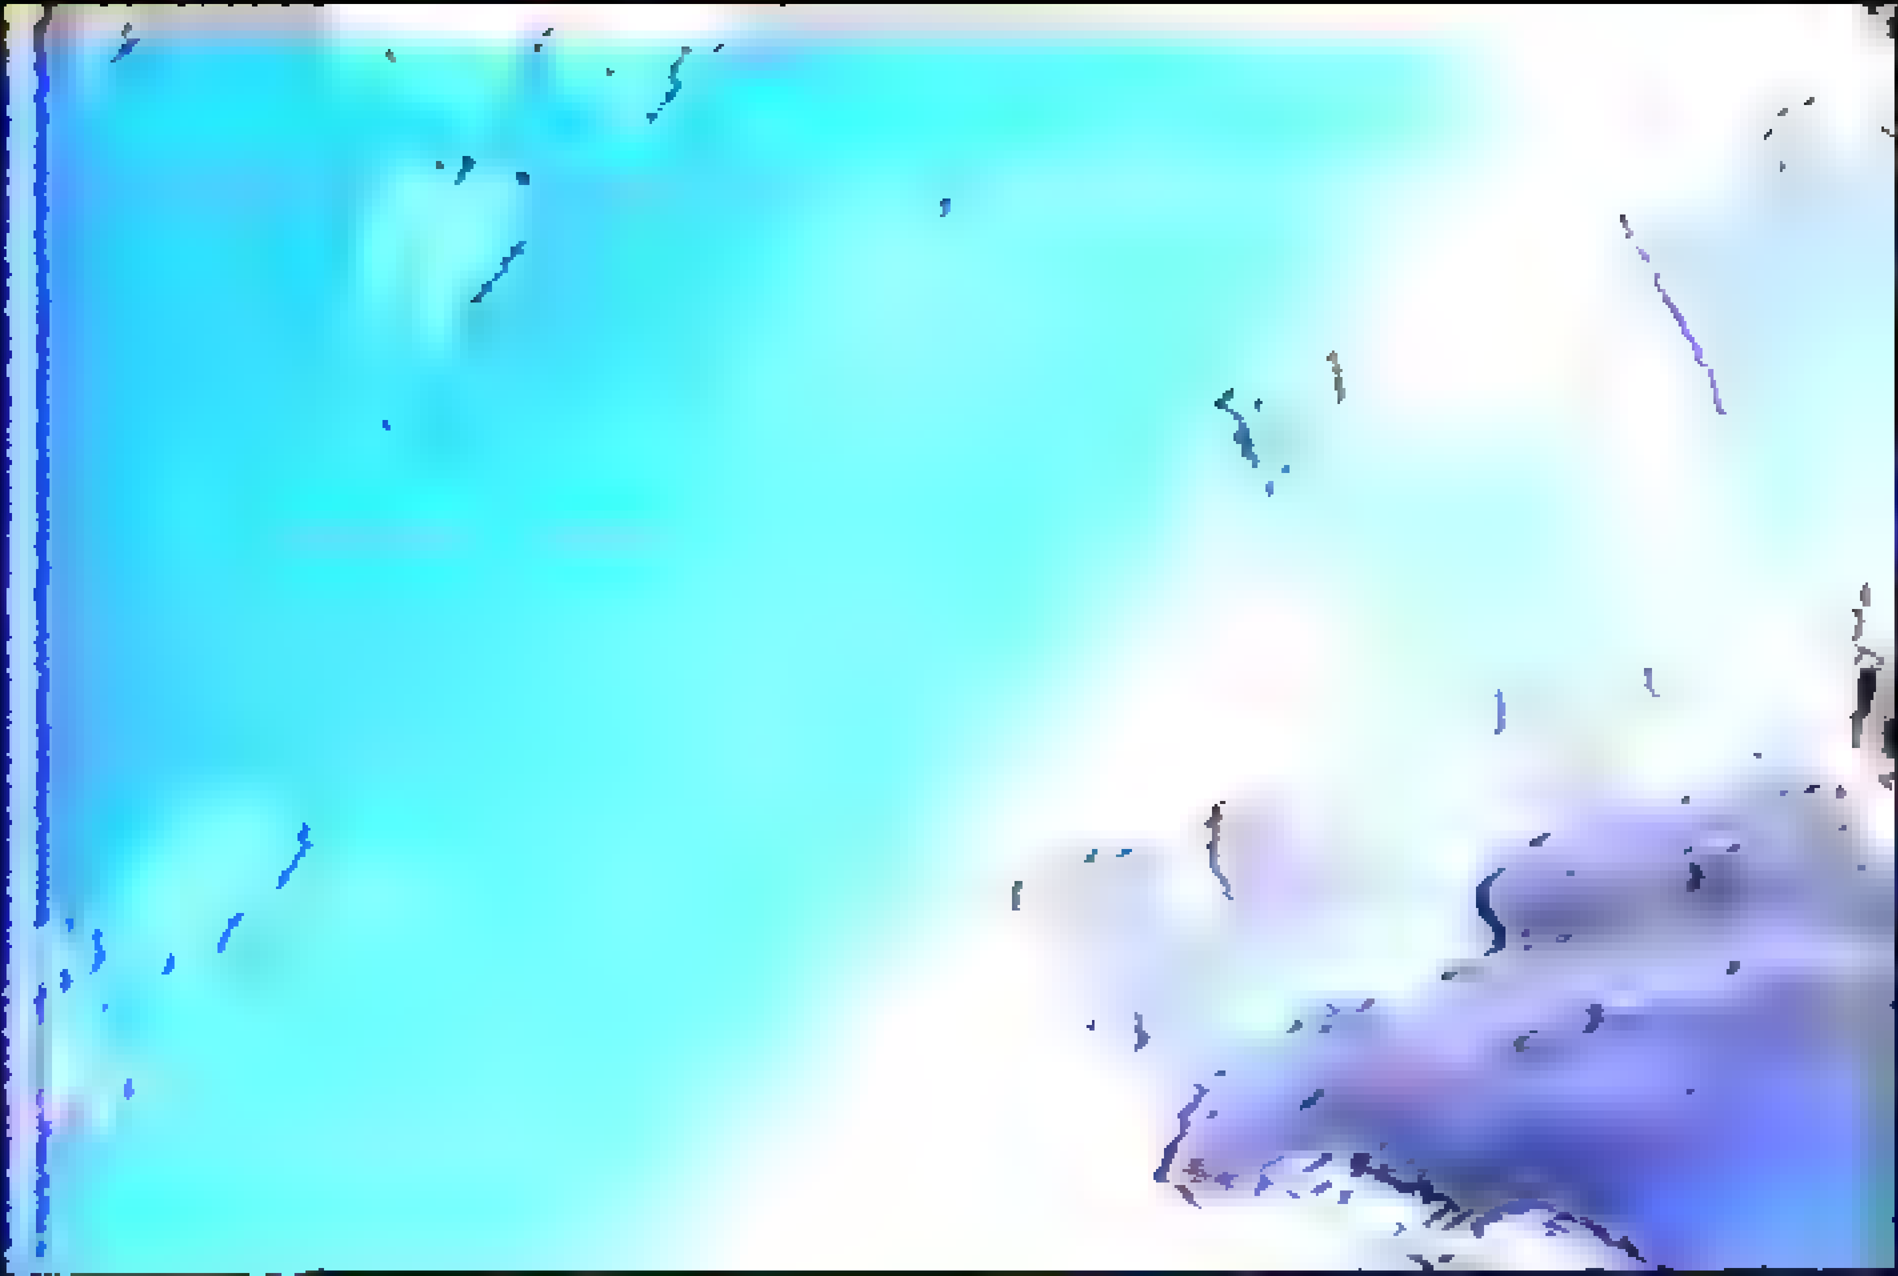

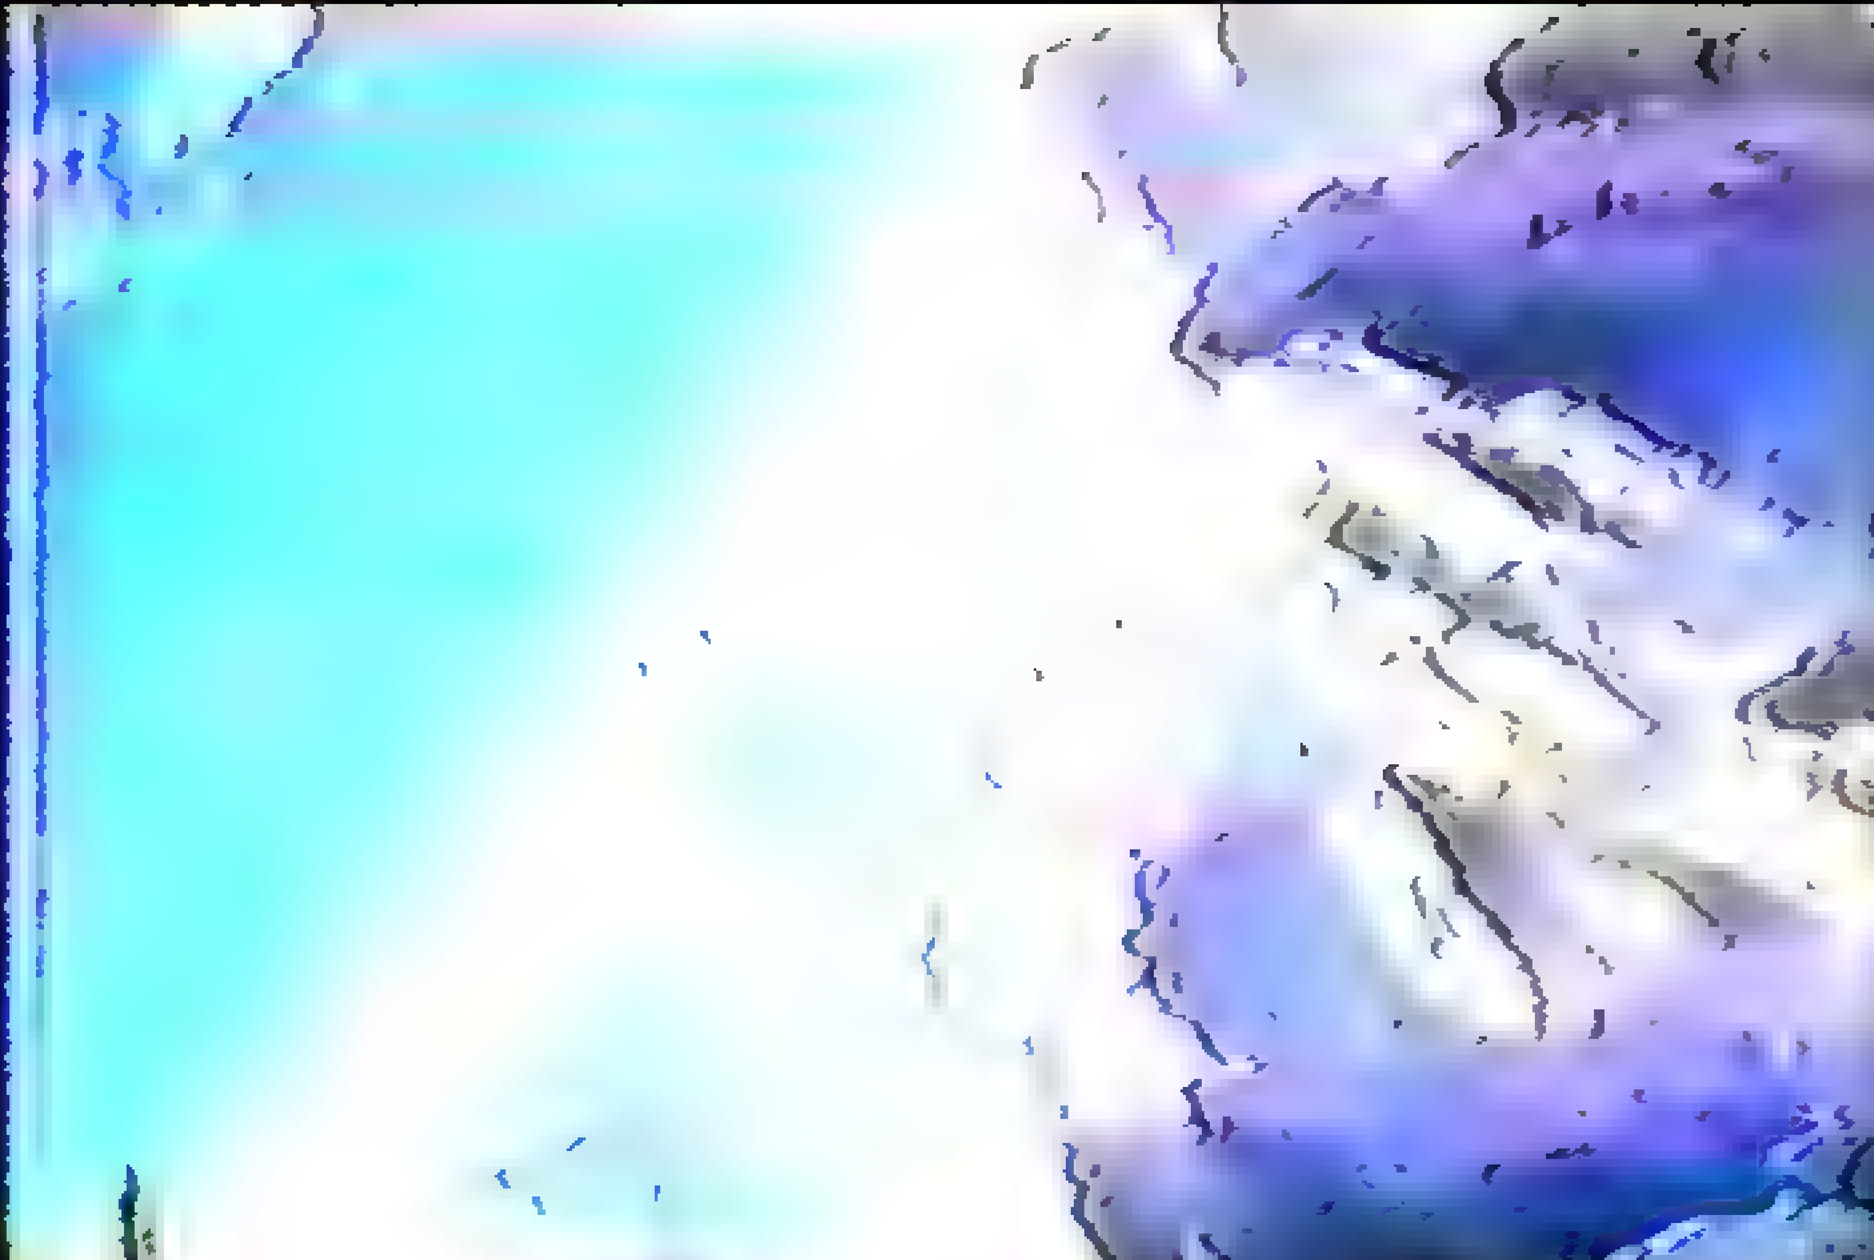

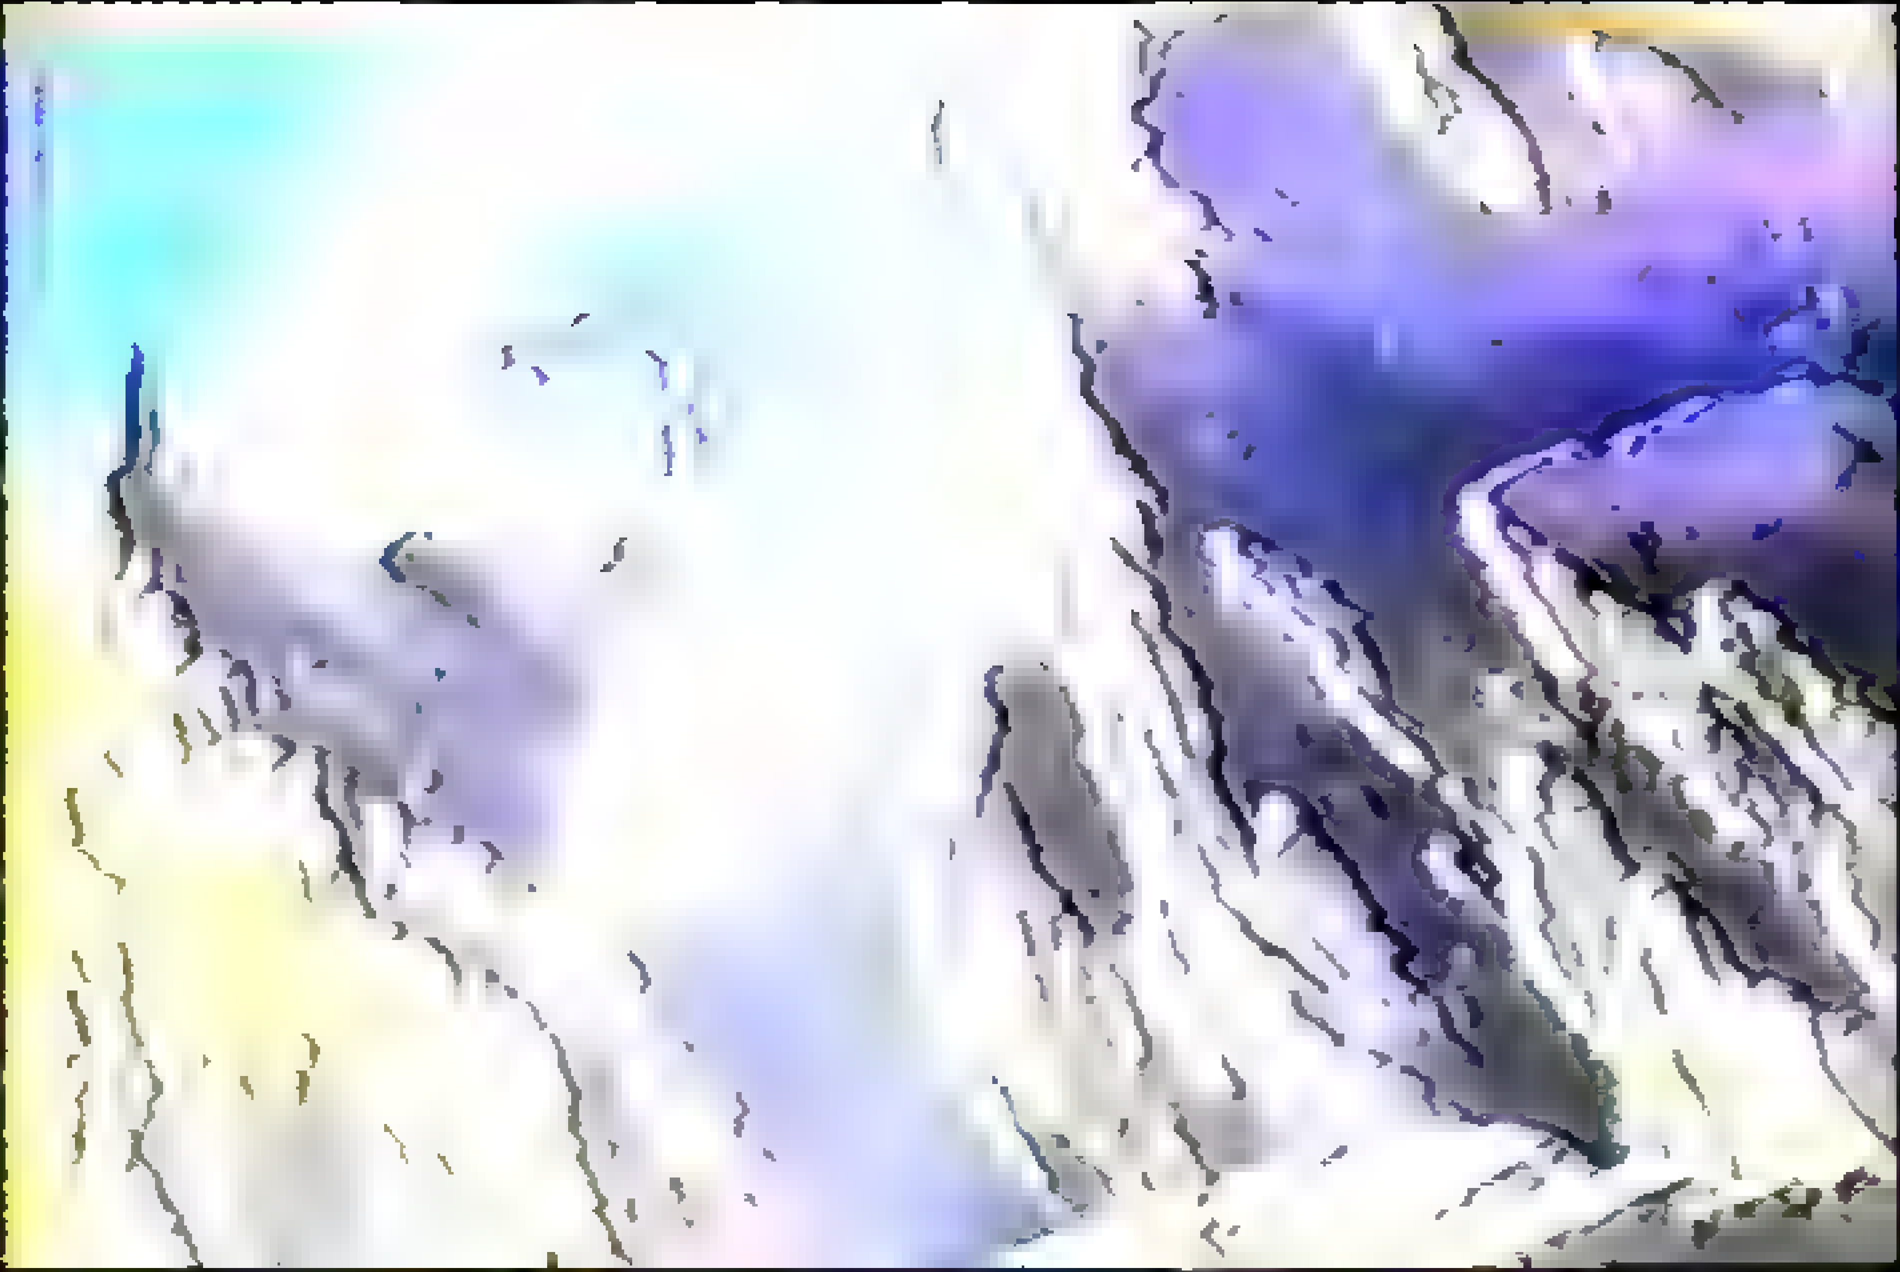

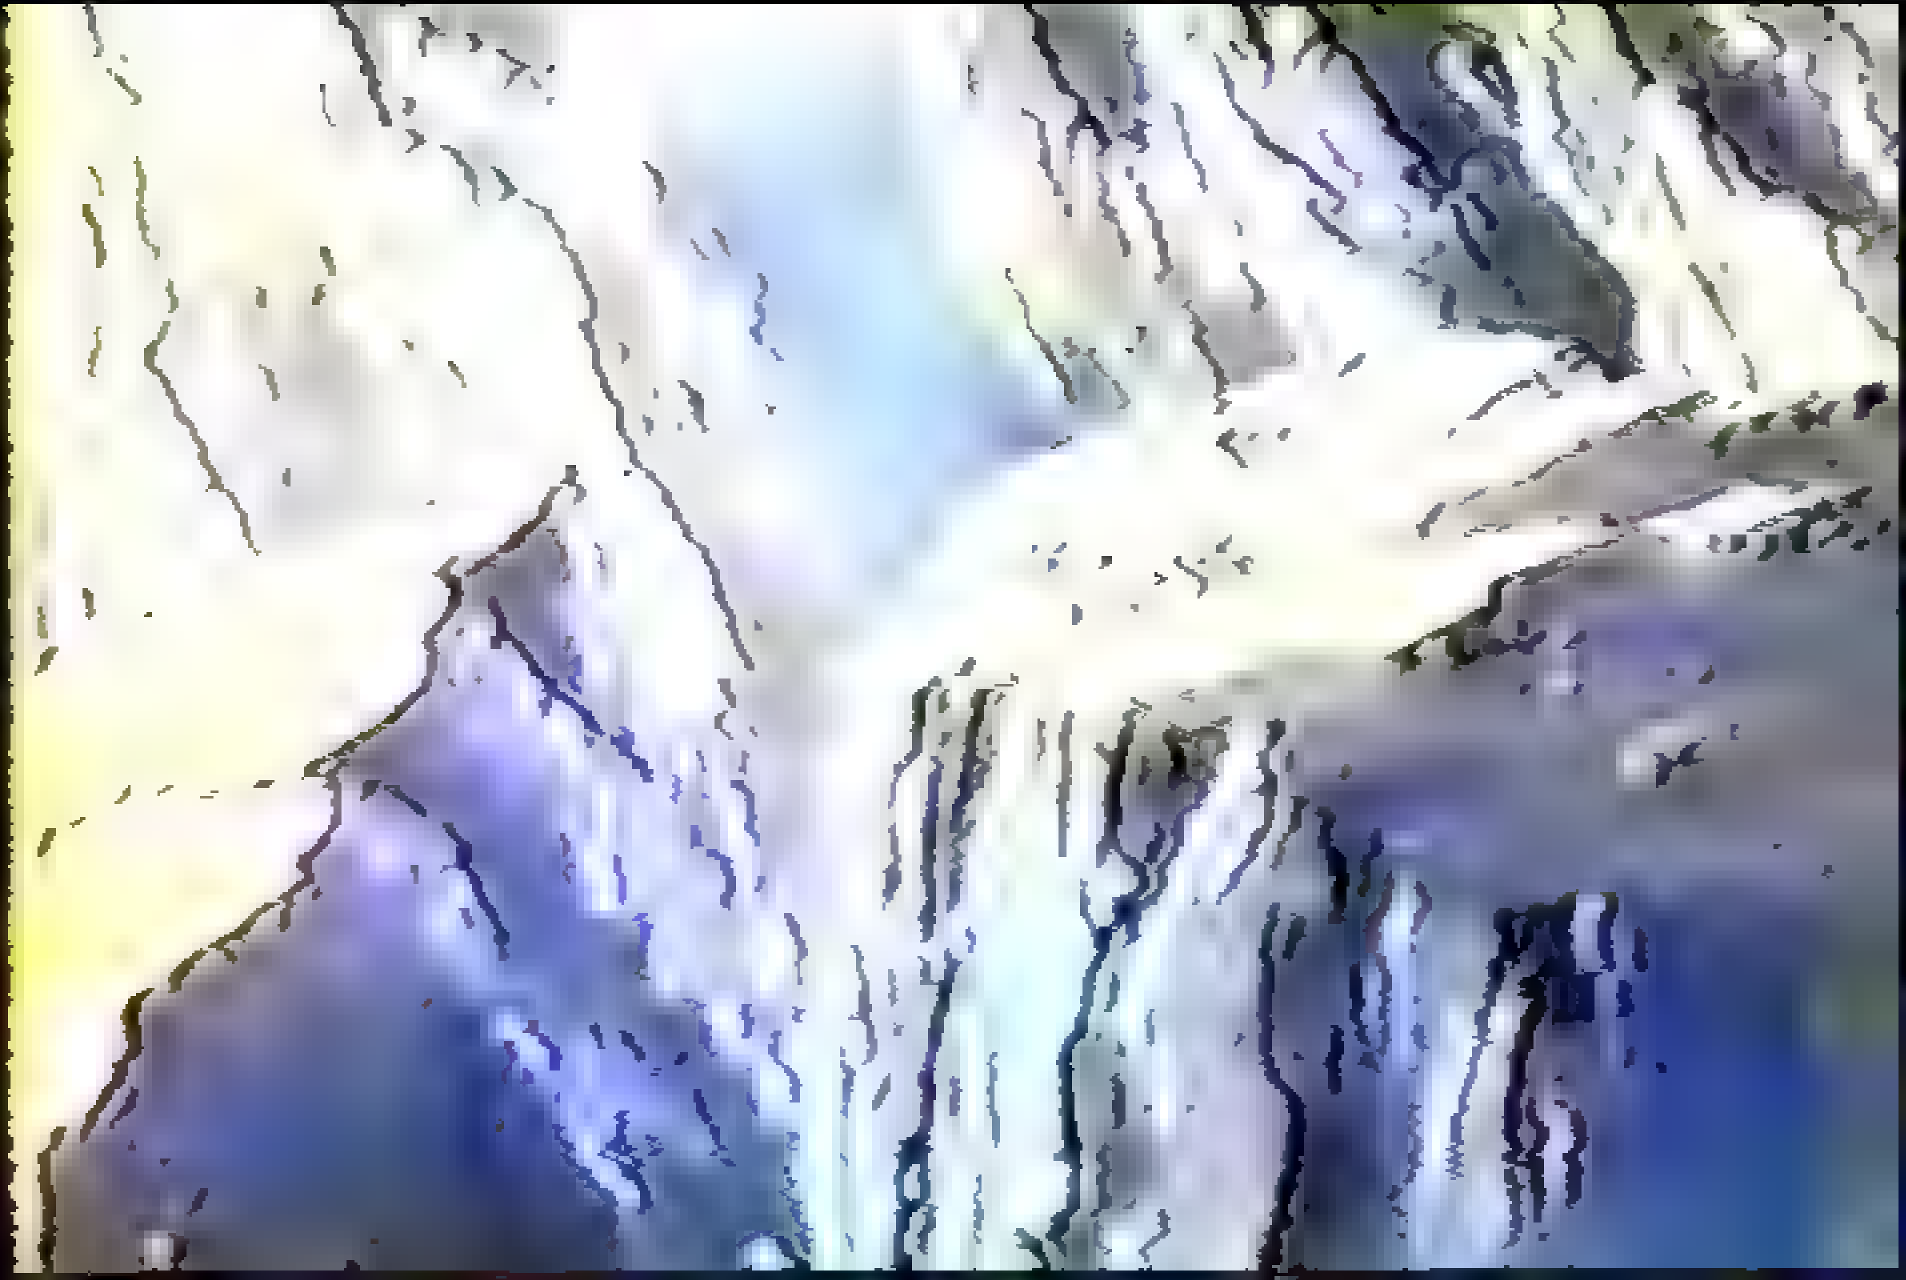

黒幕登場!!

The Appearance of Darkness
The Evil Magician Babi Dee!

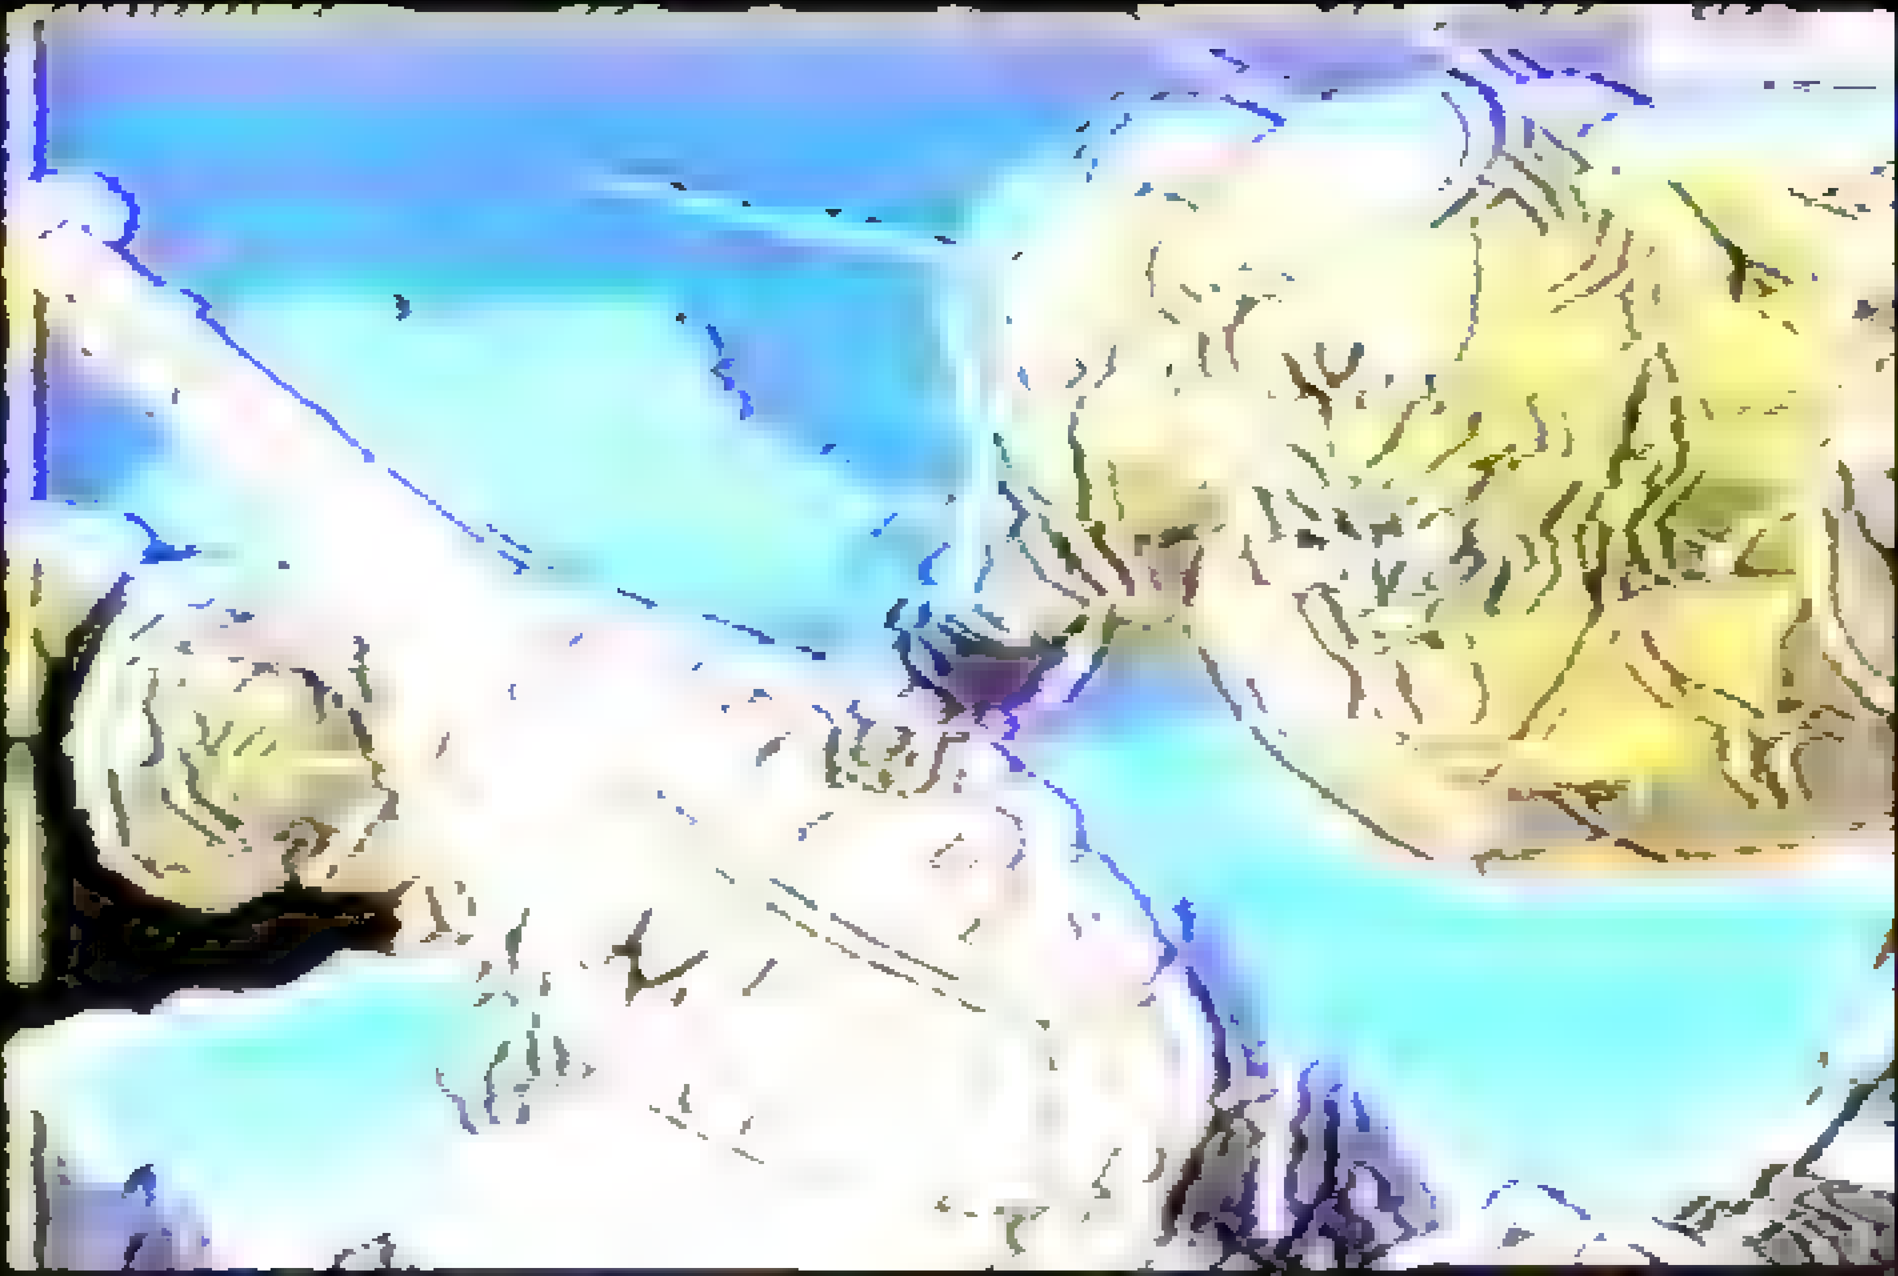

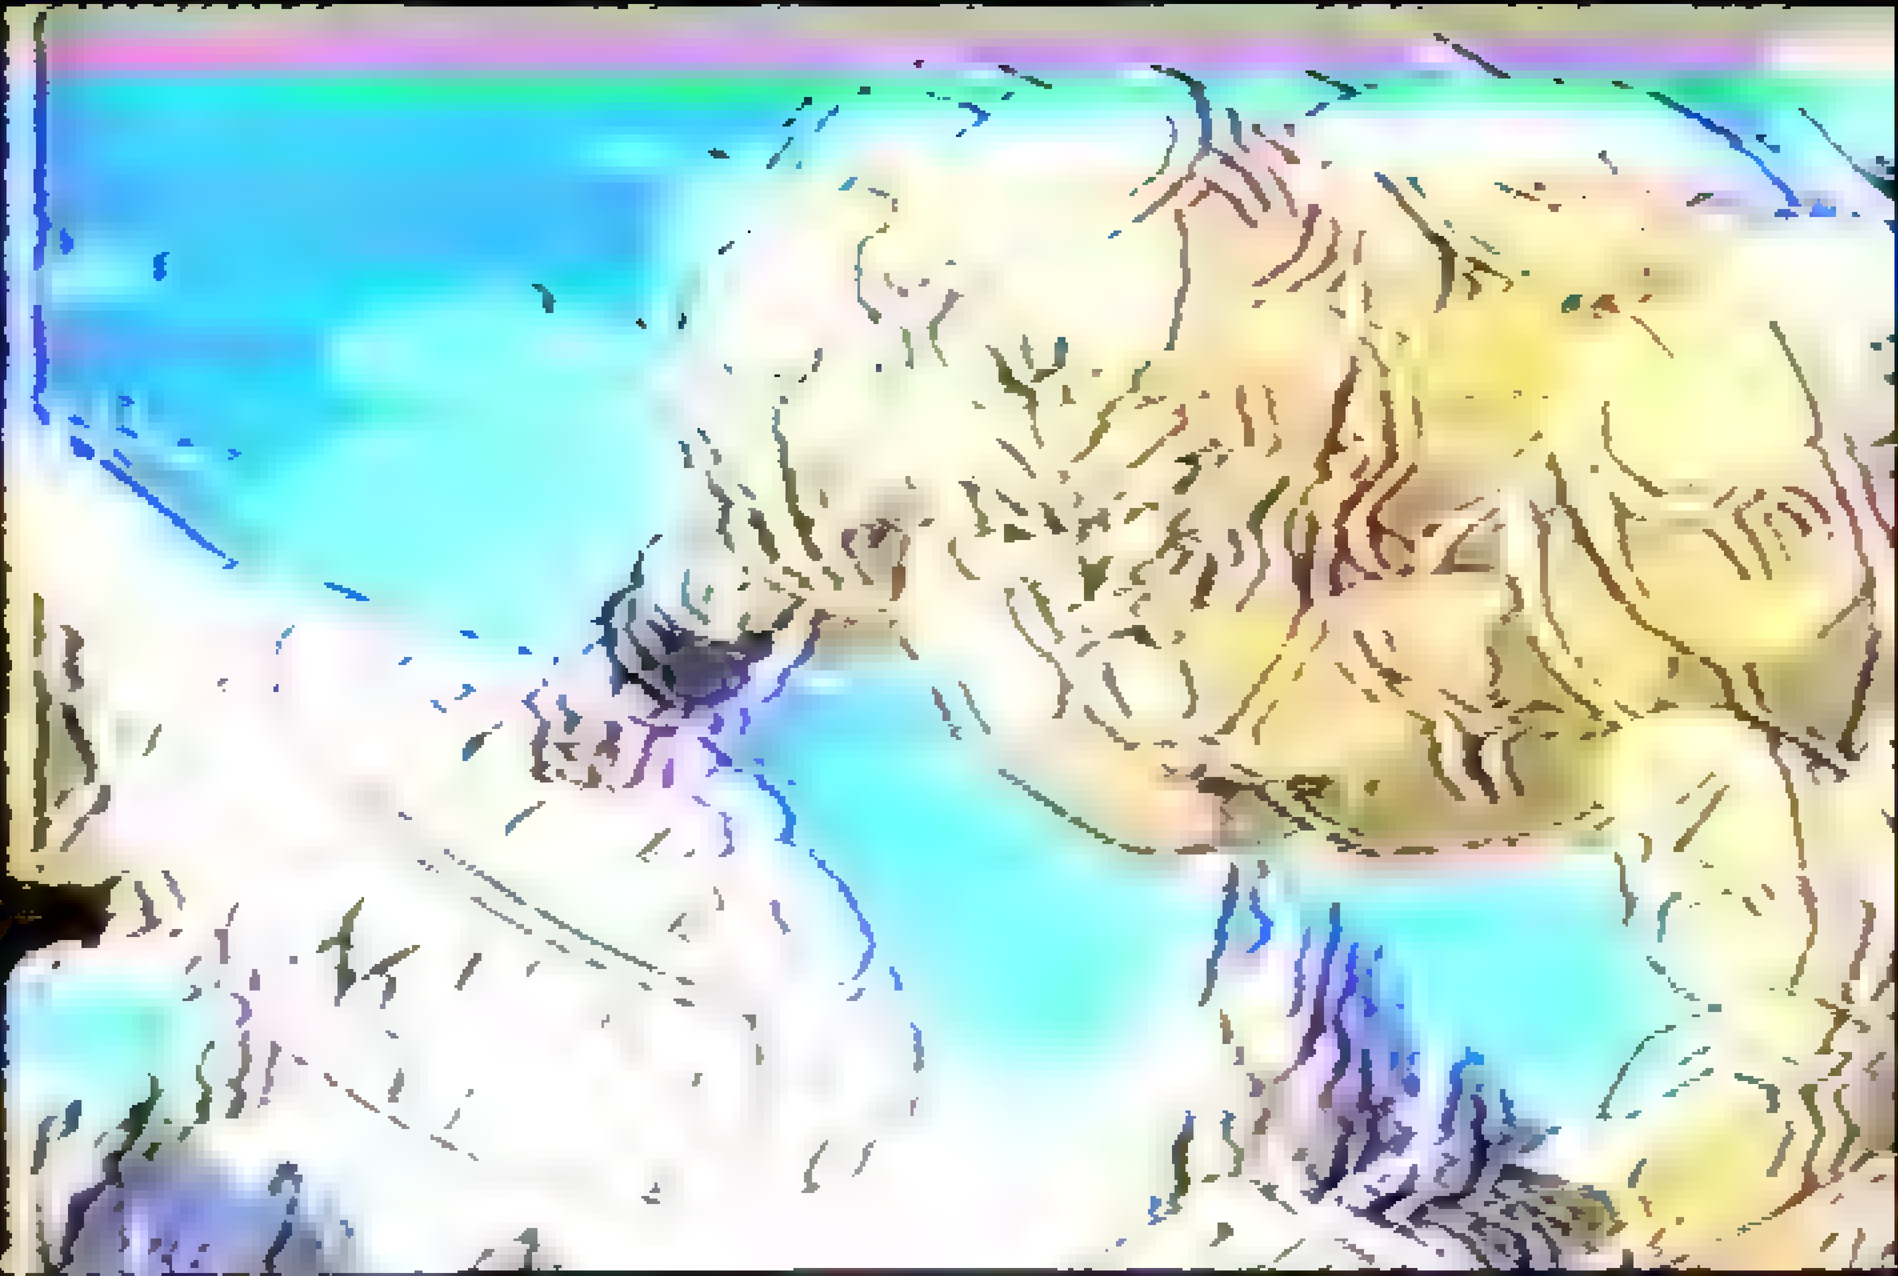

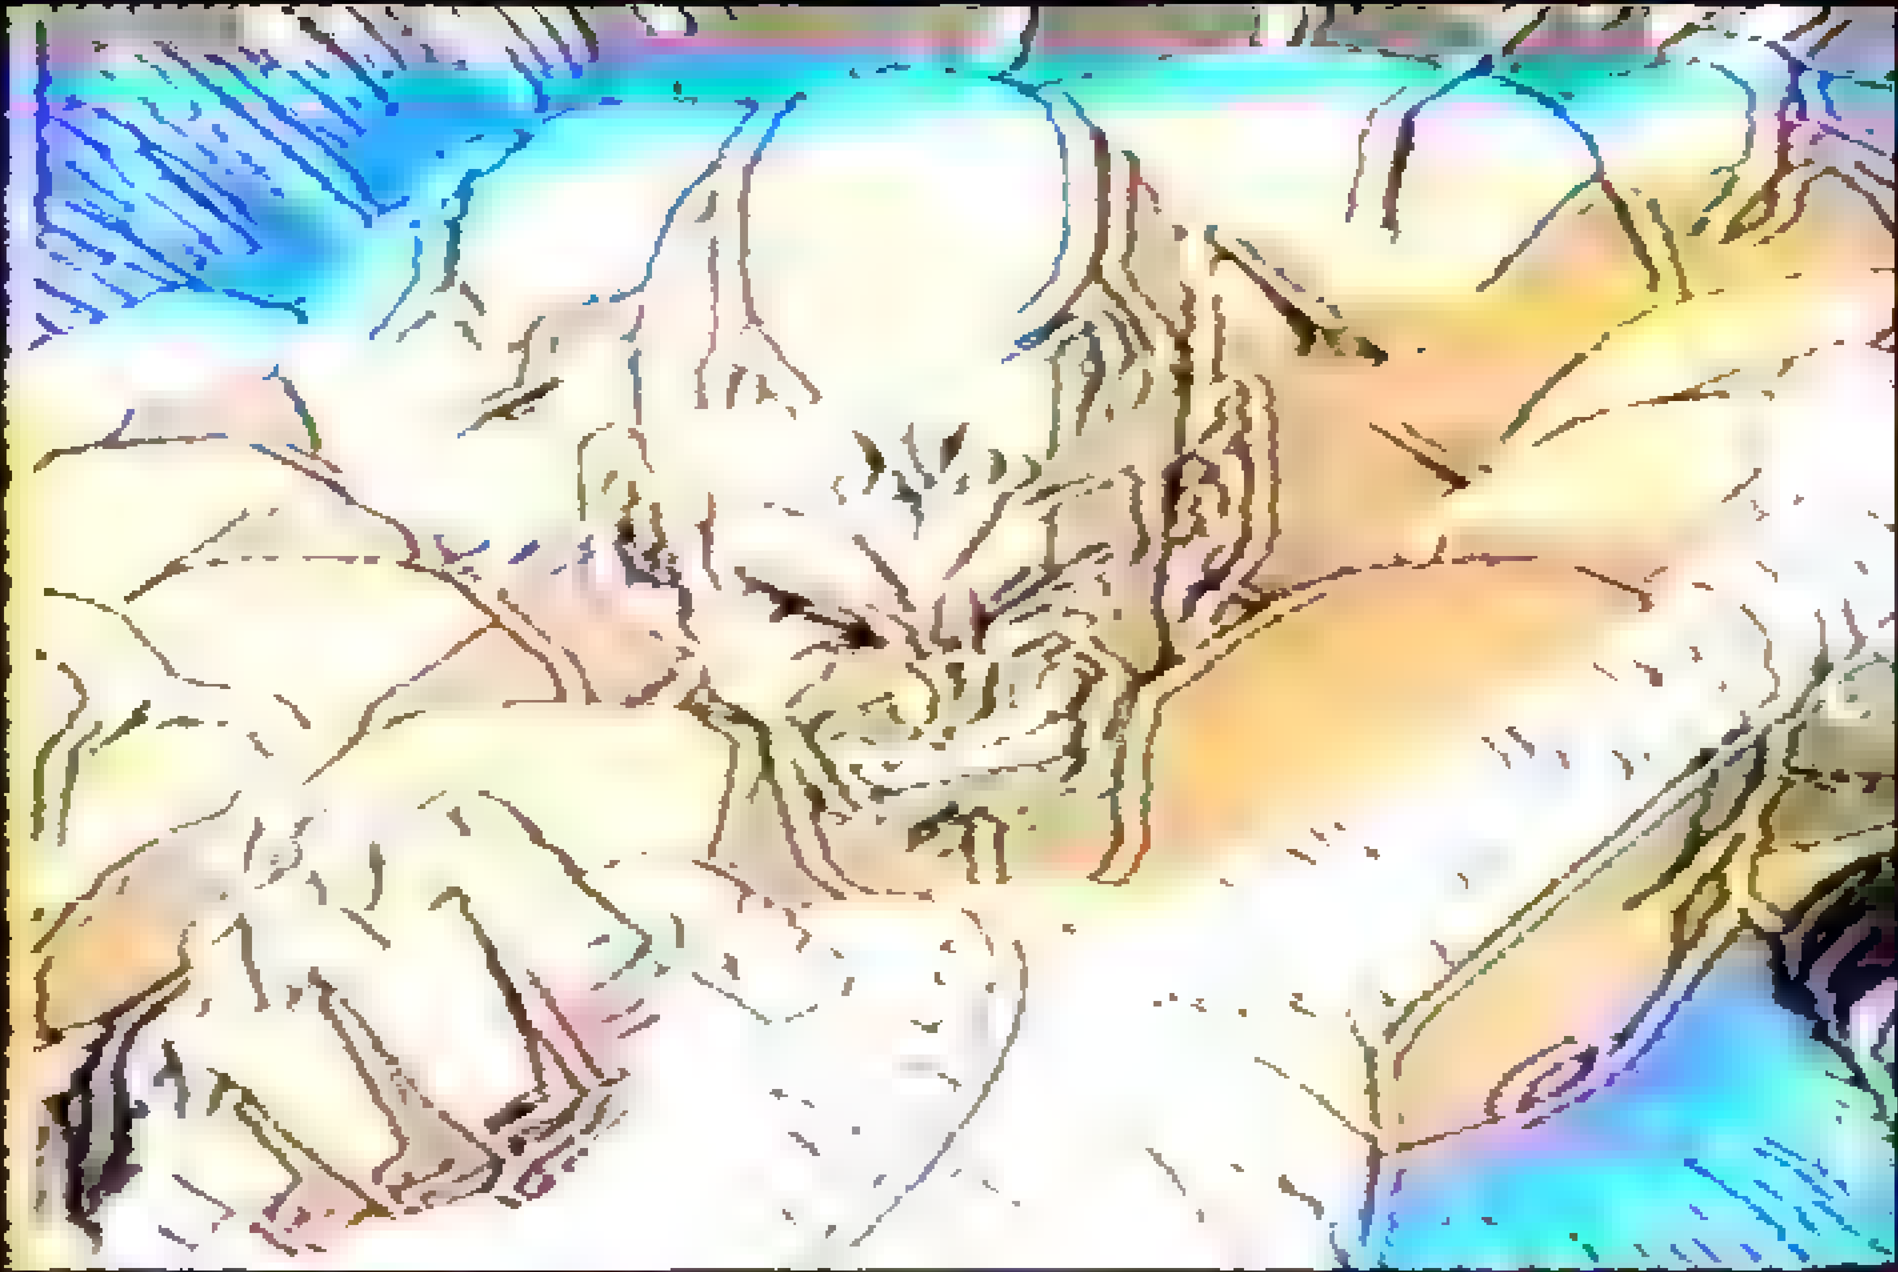

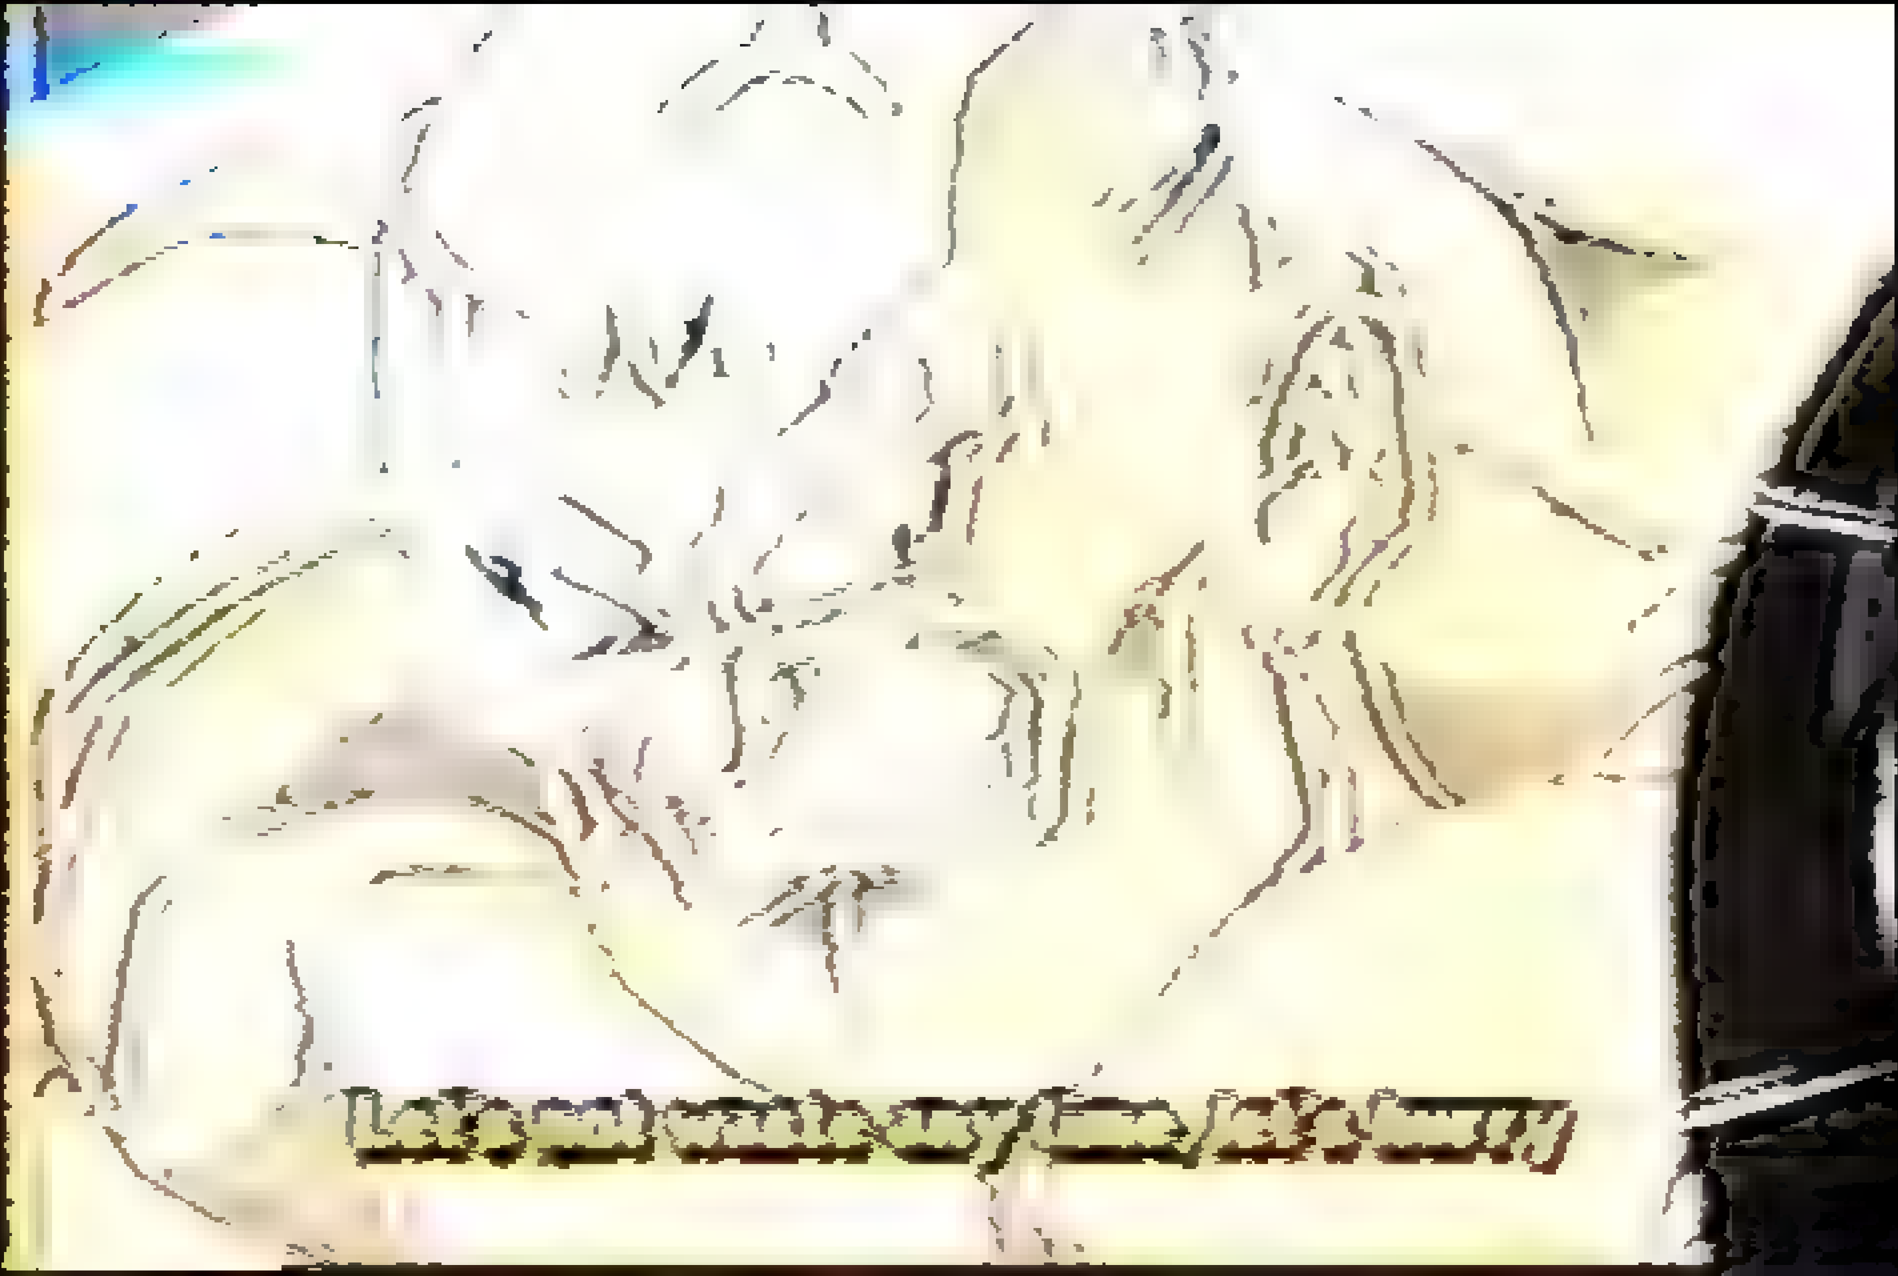

This much energy should
make Lord Babi Dee happy

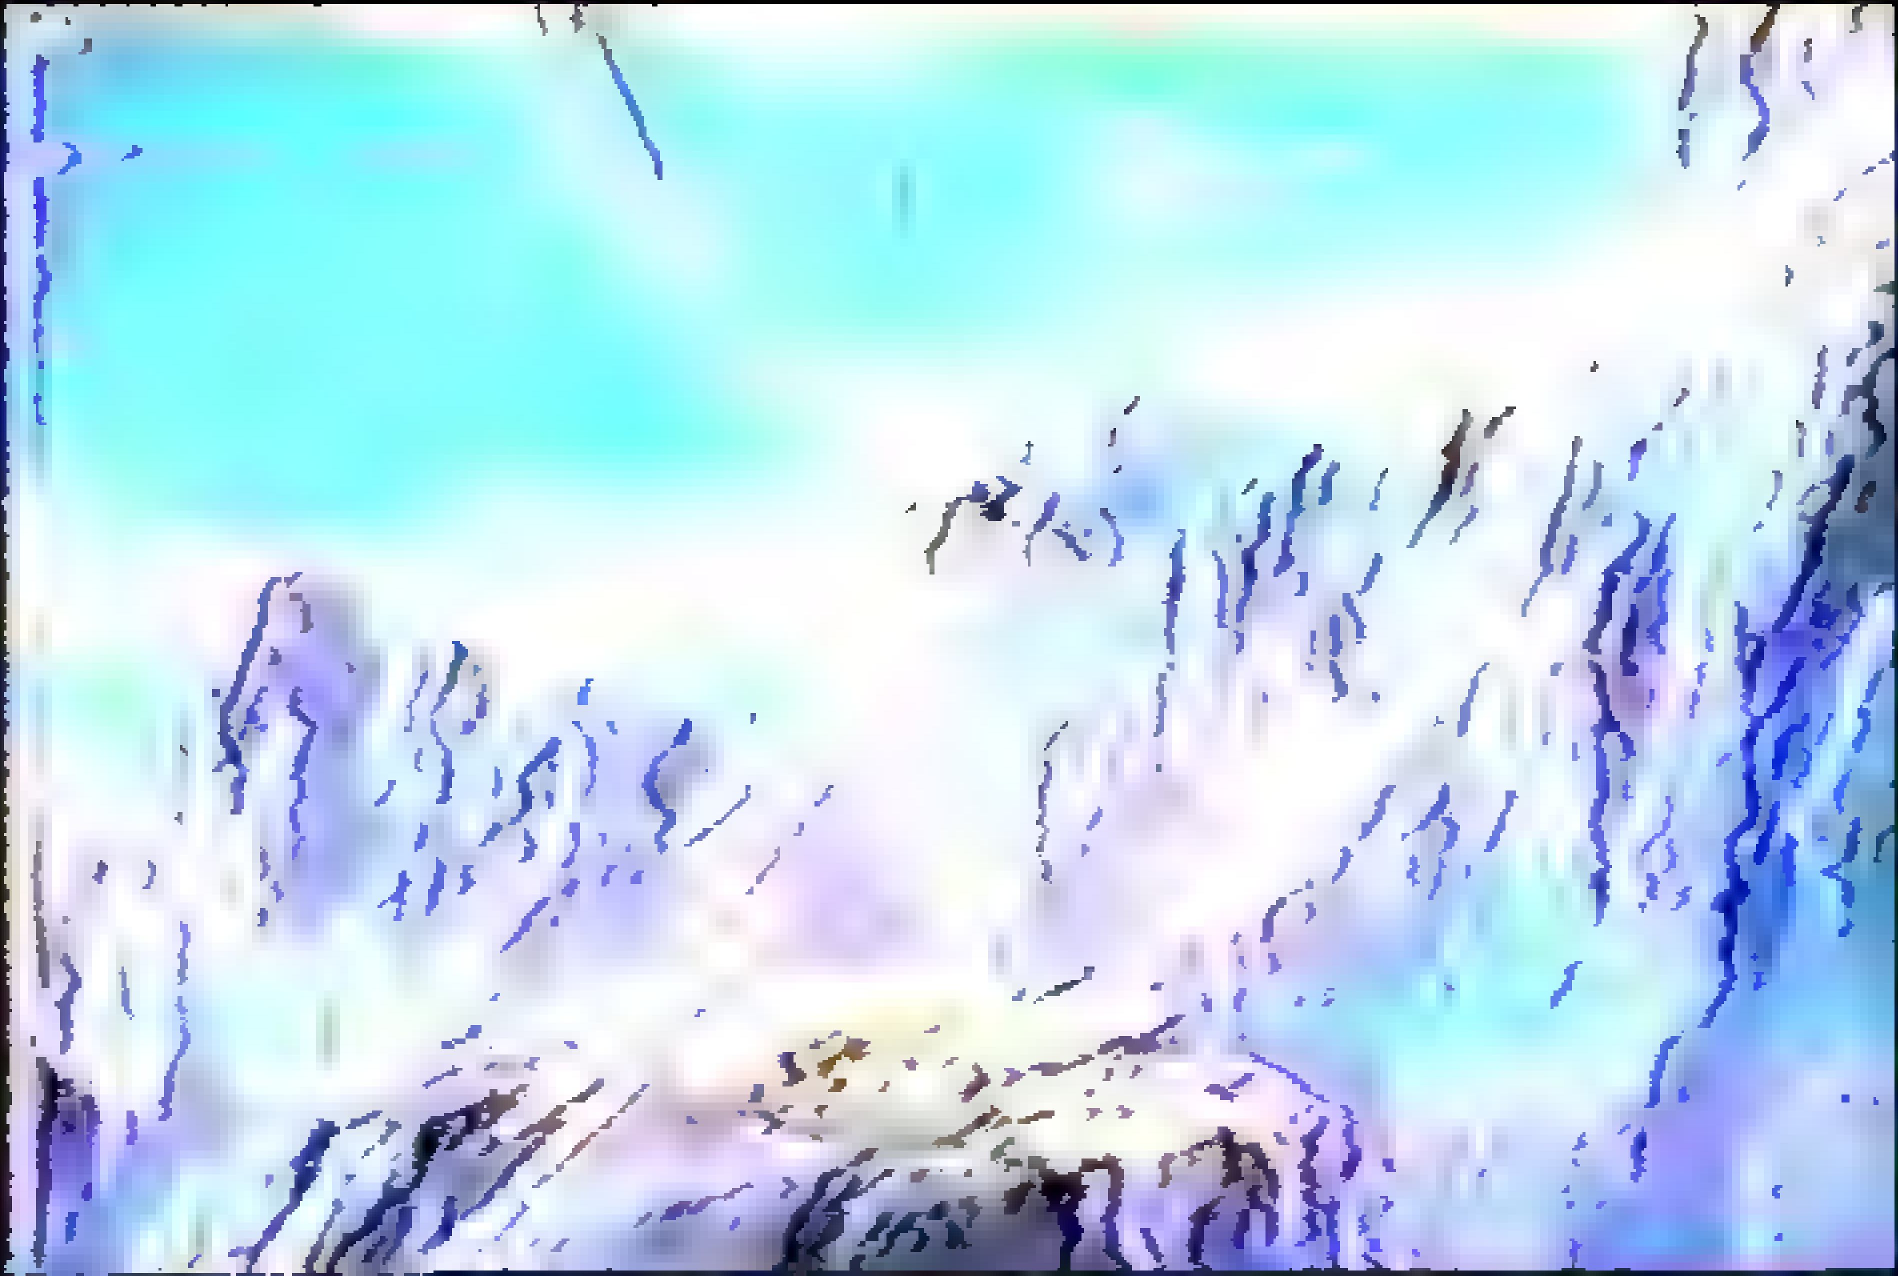

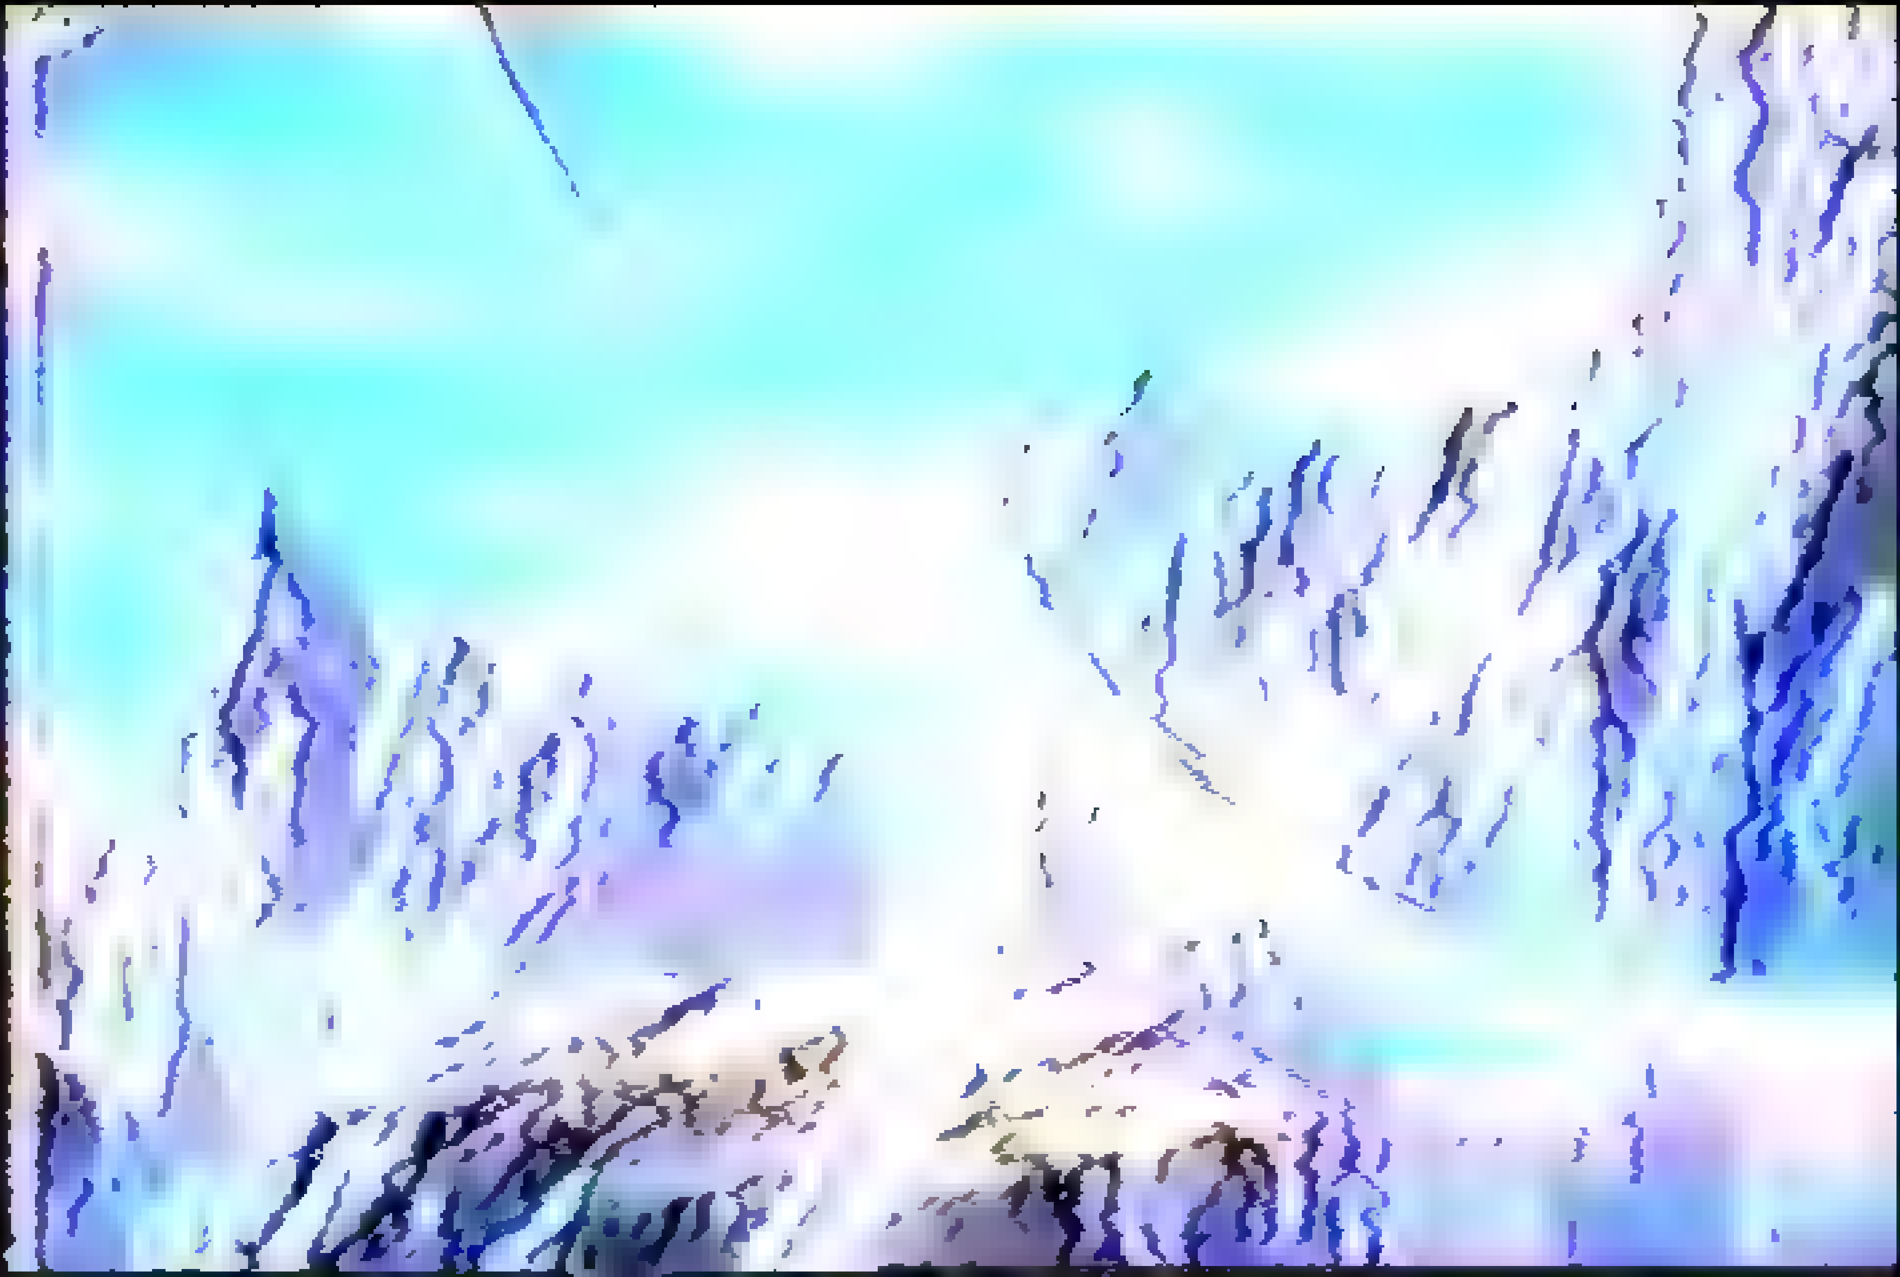

Let's not waste any time, let's hurry!

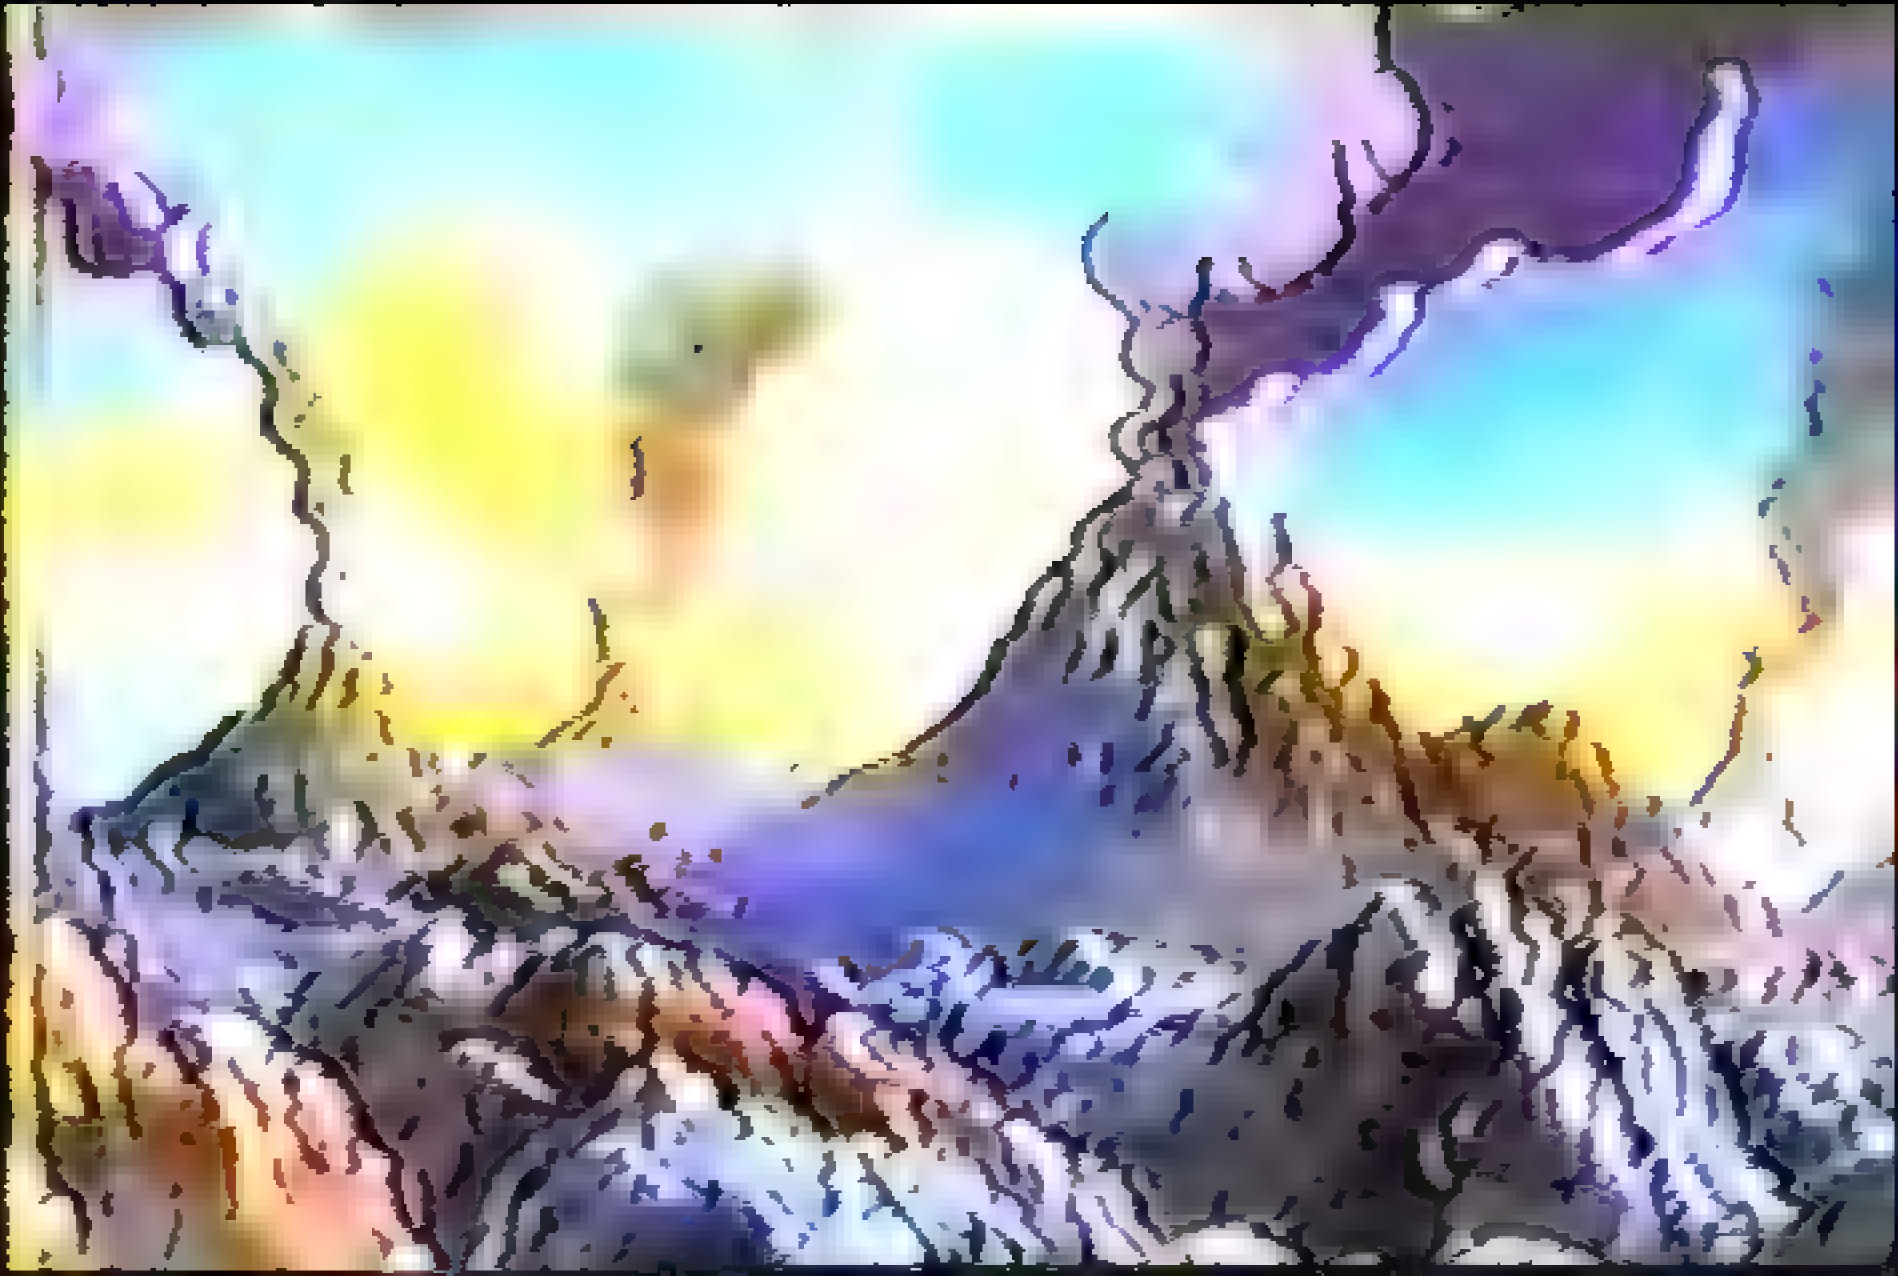

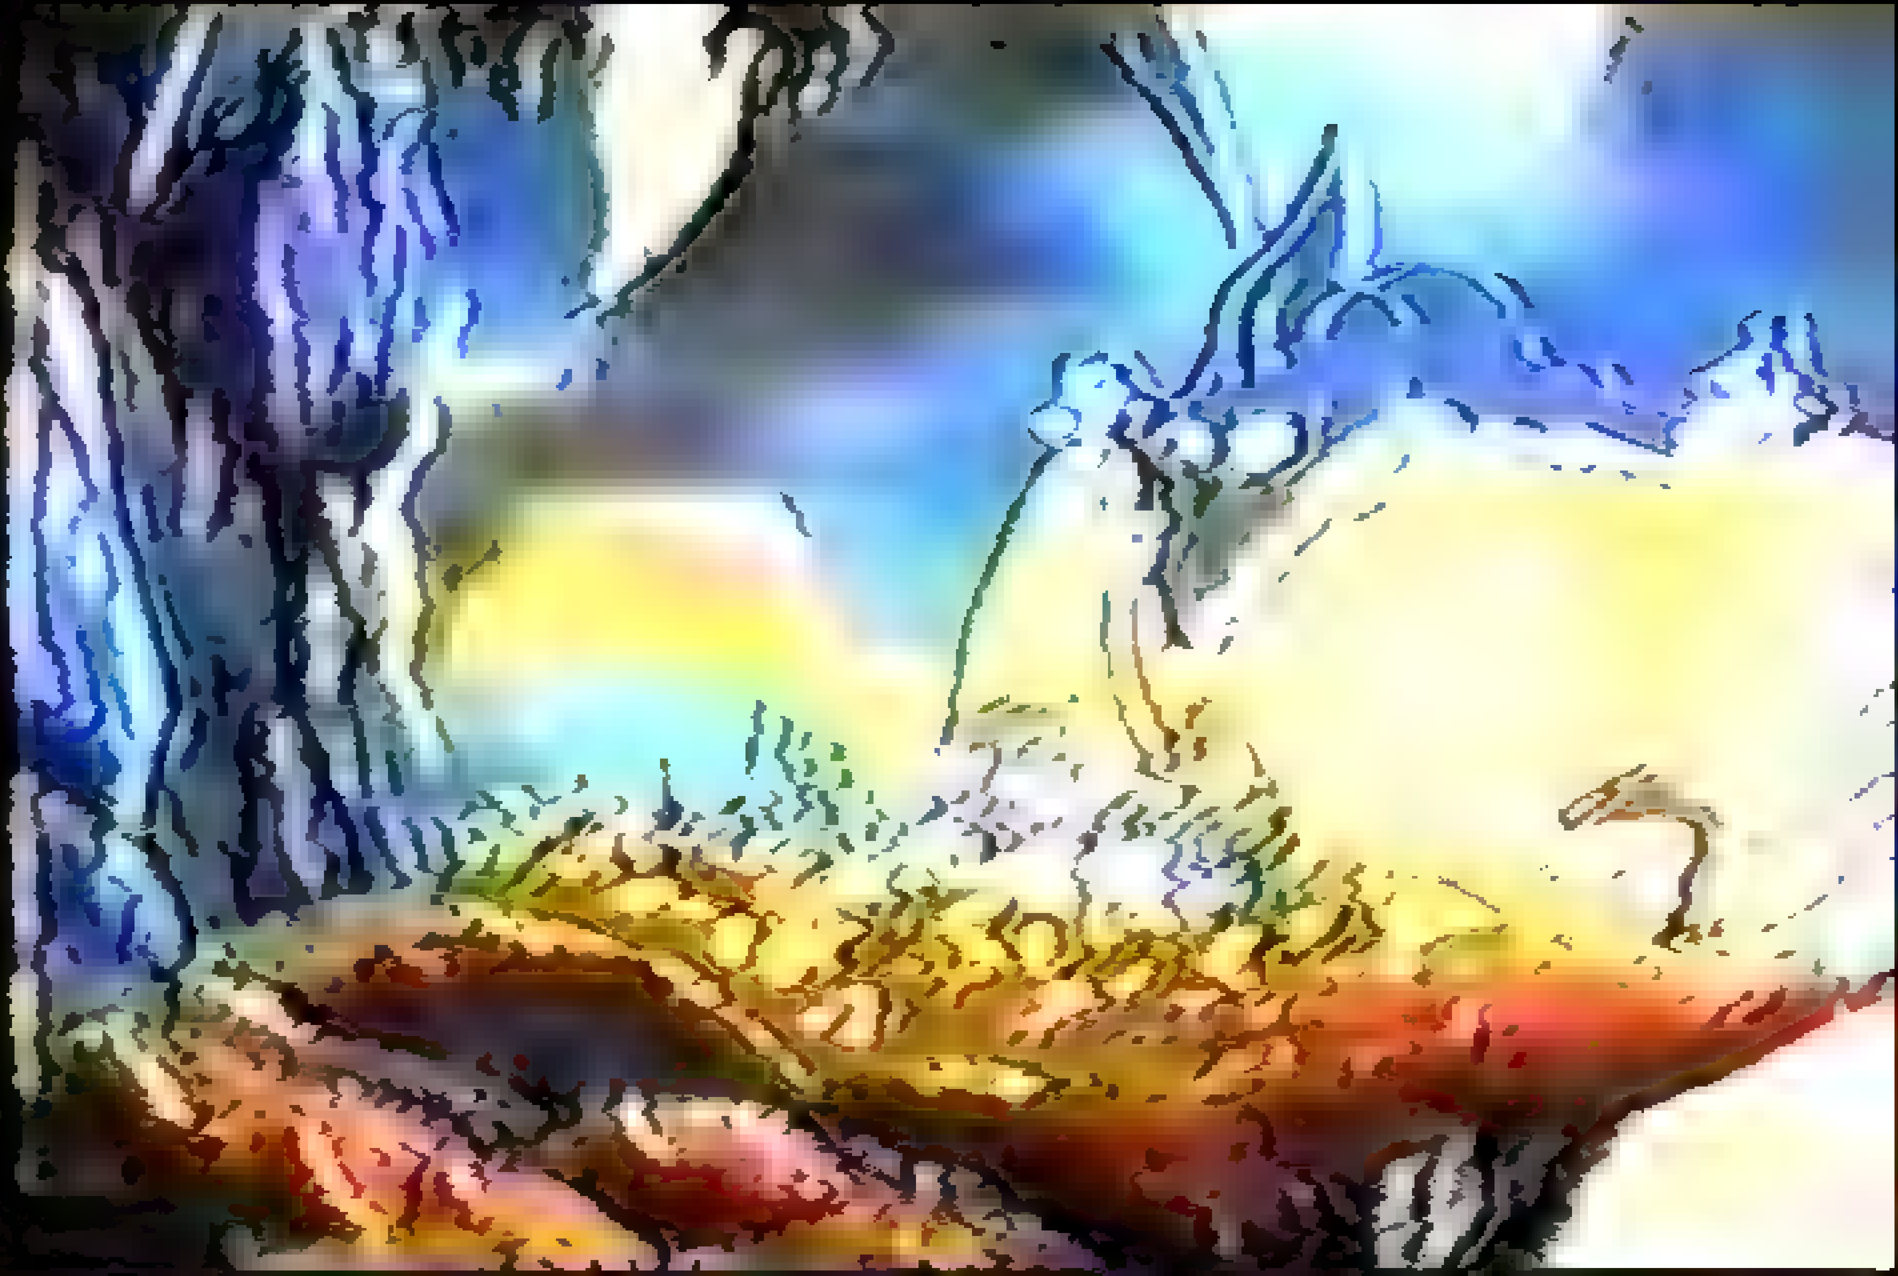

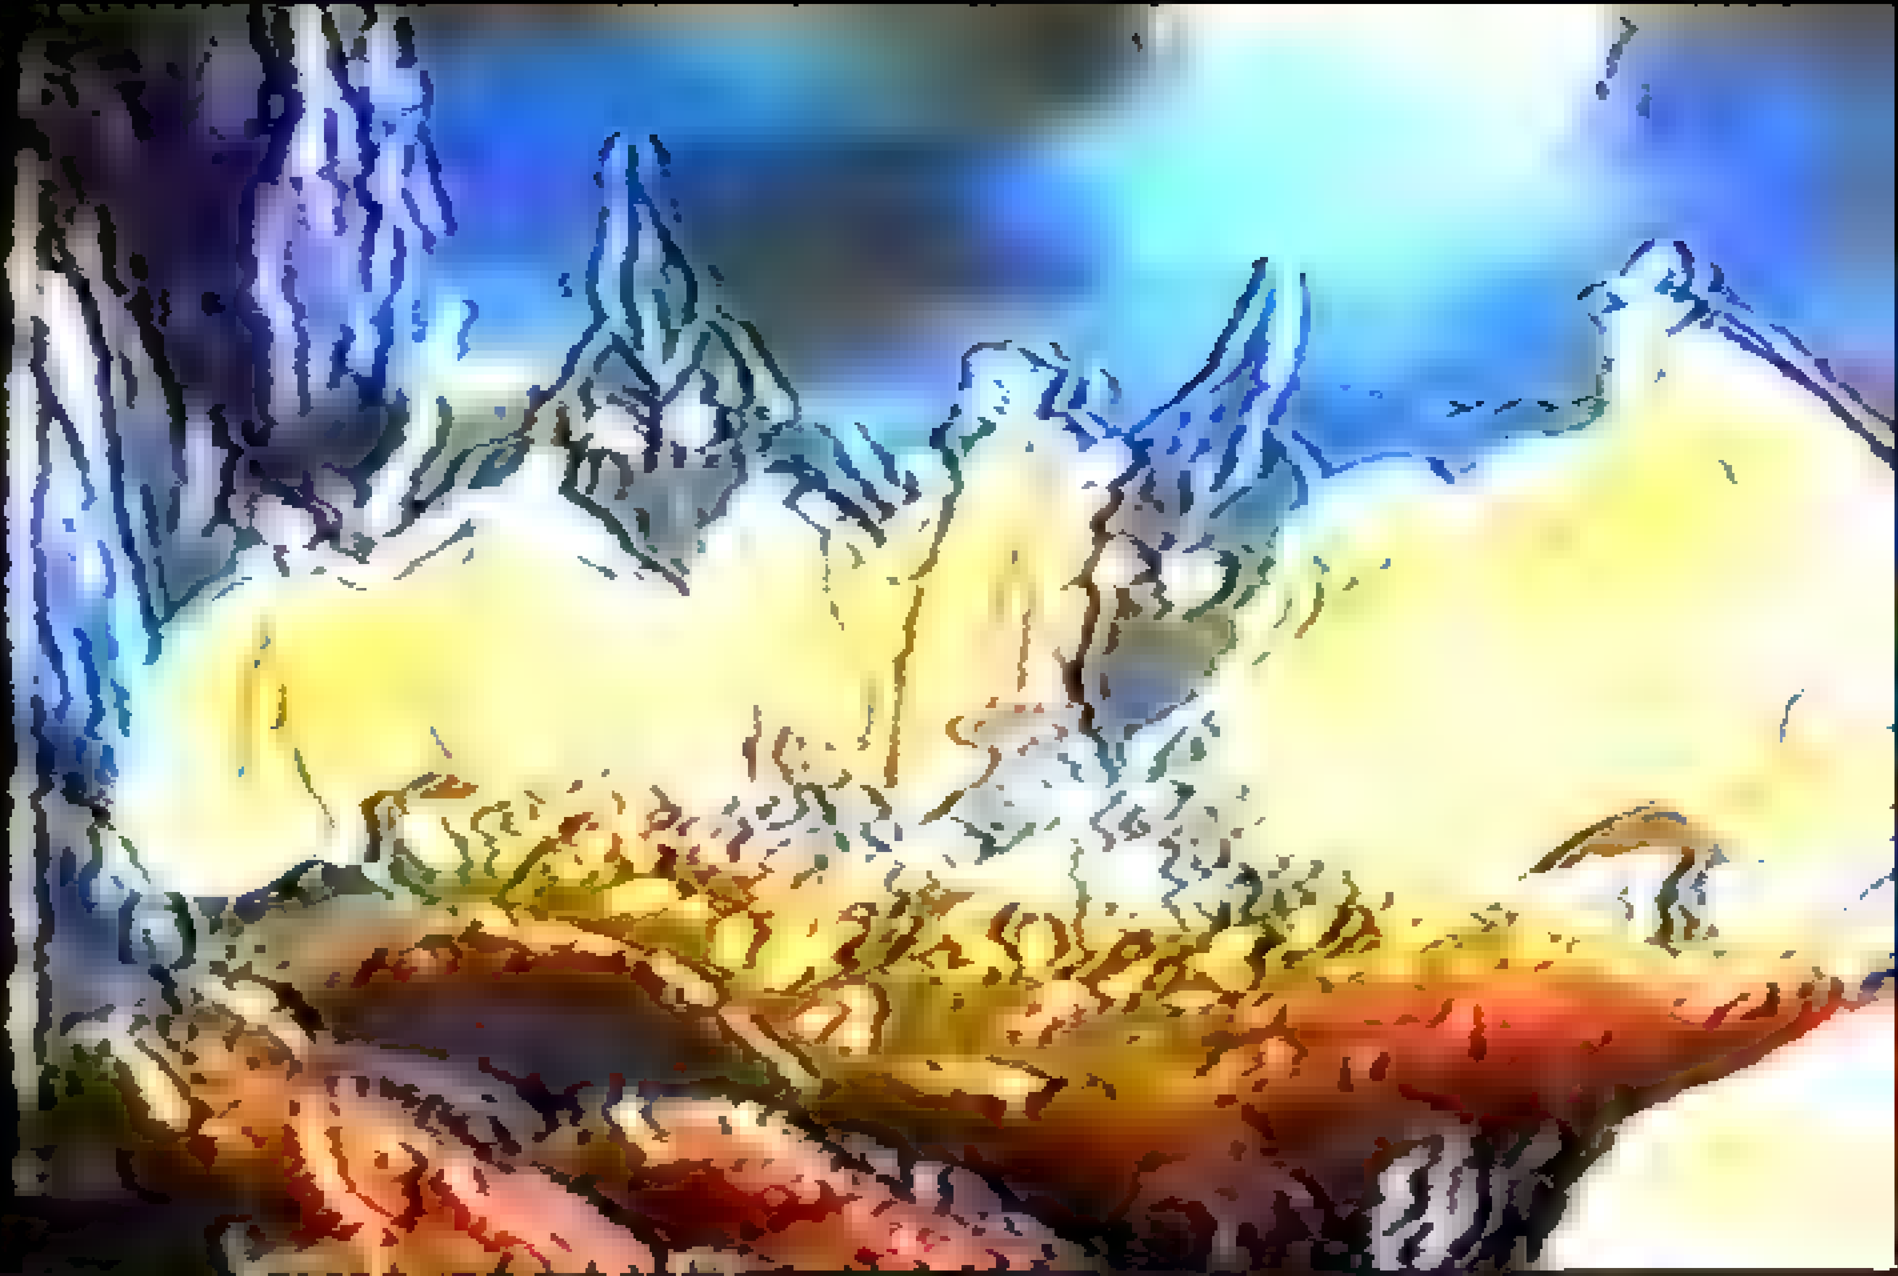

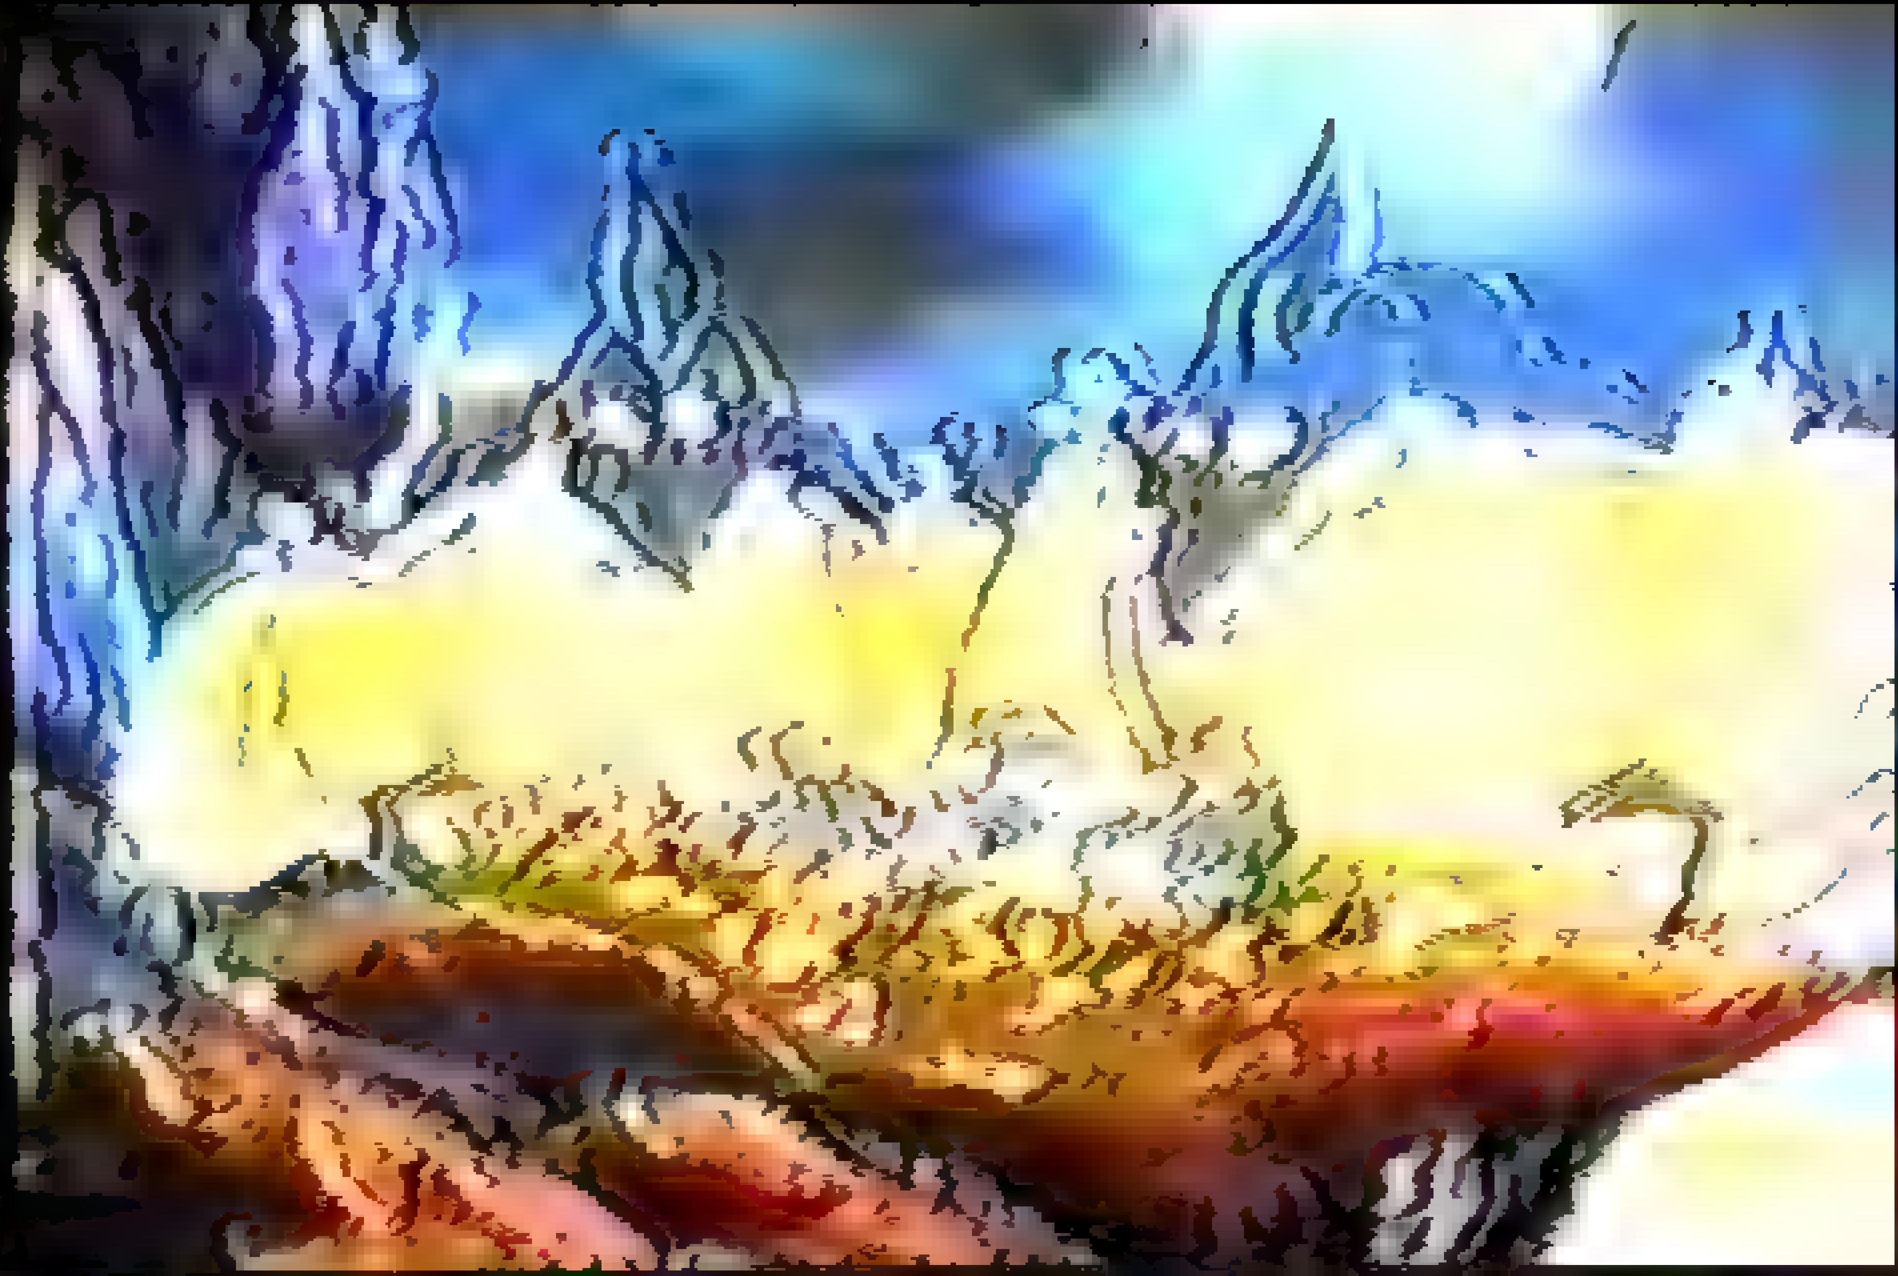

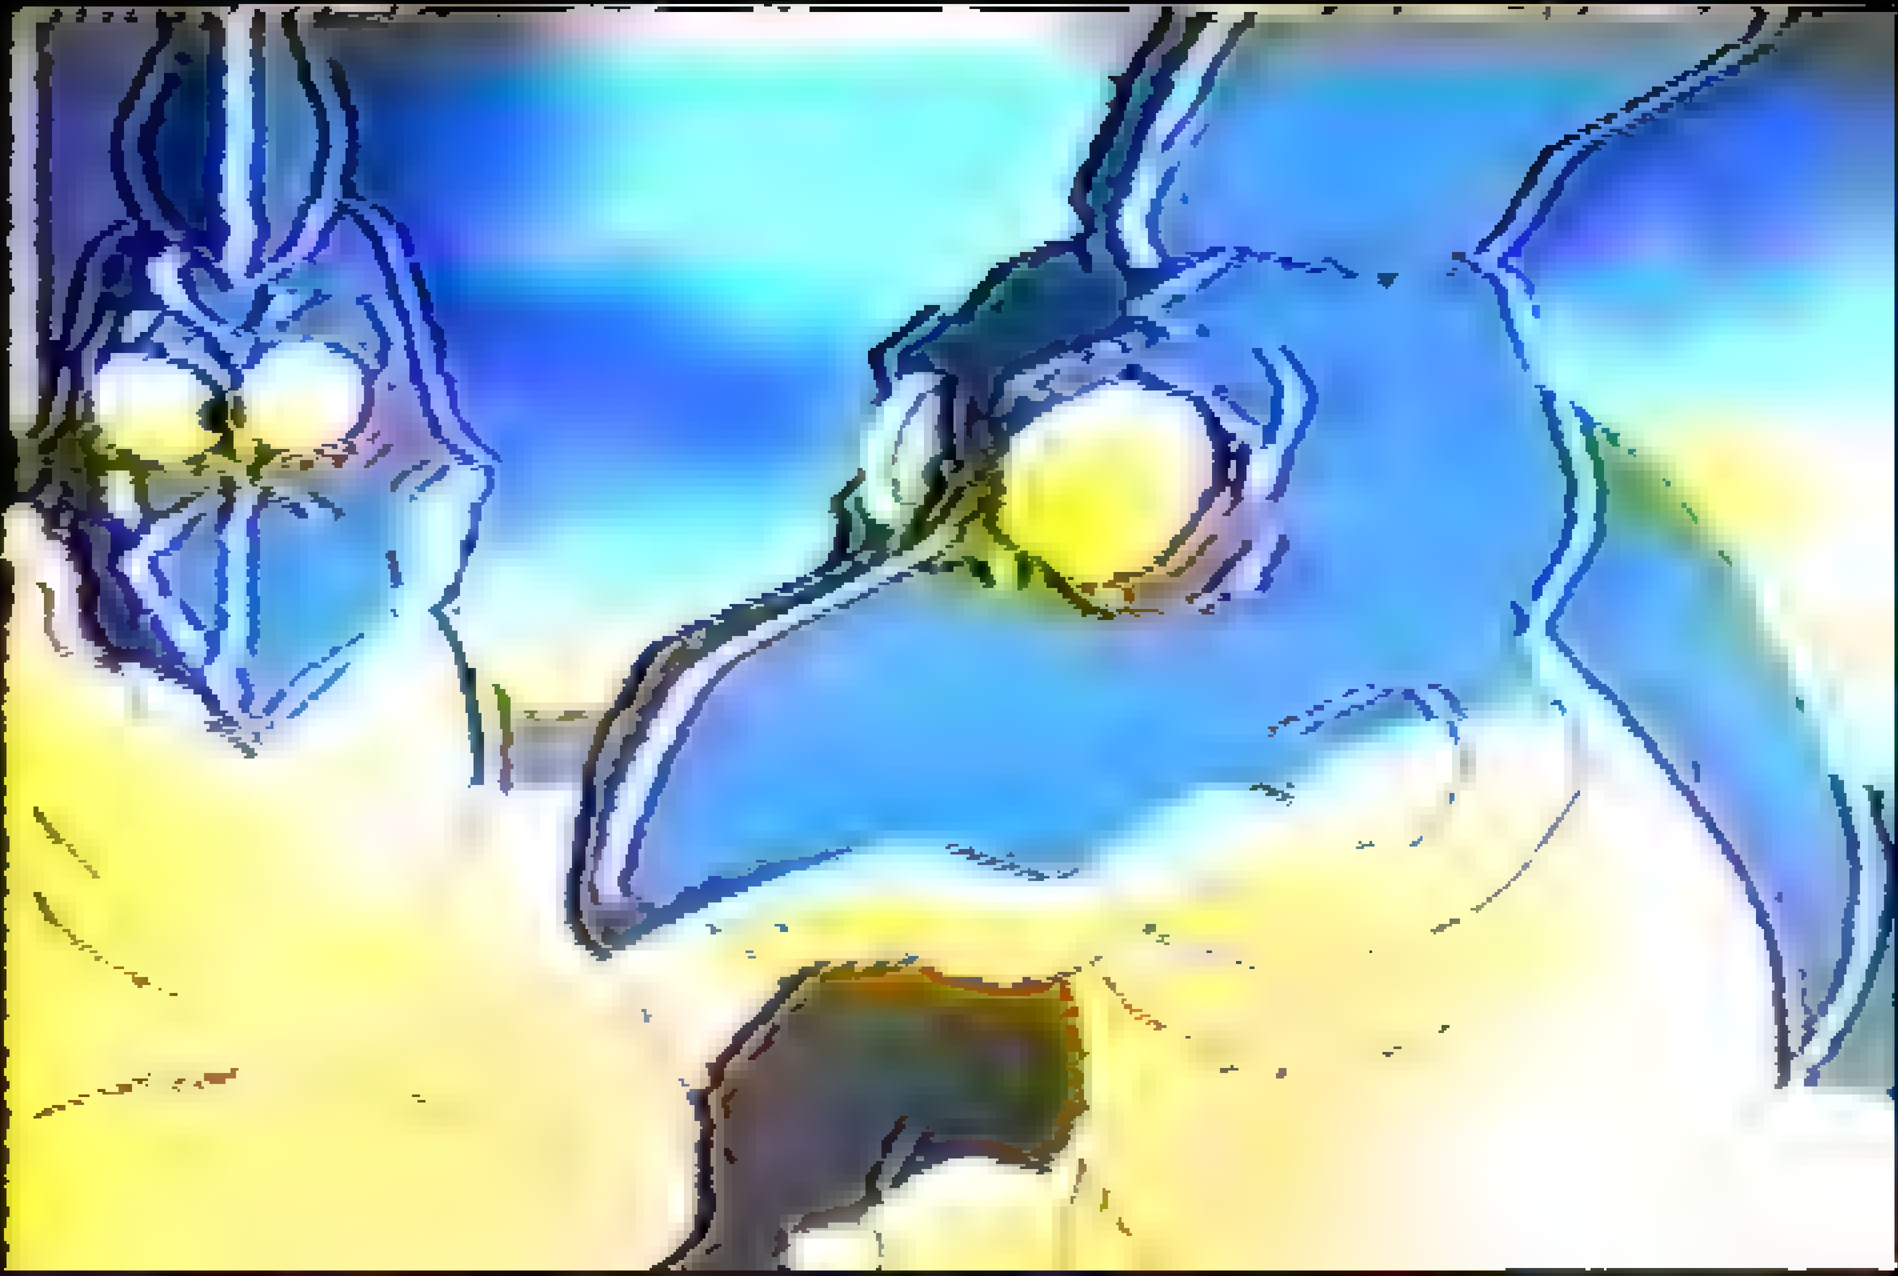

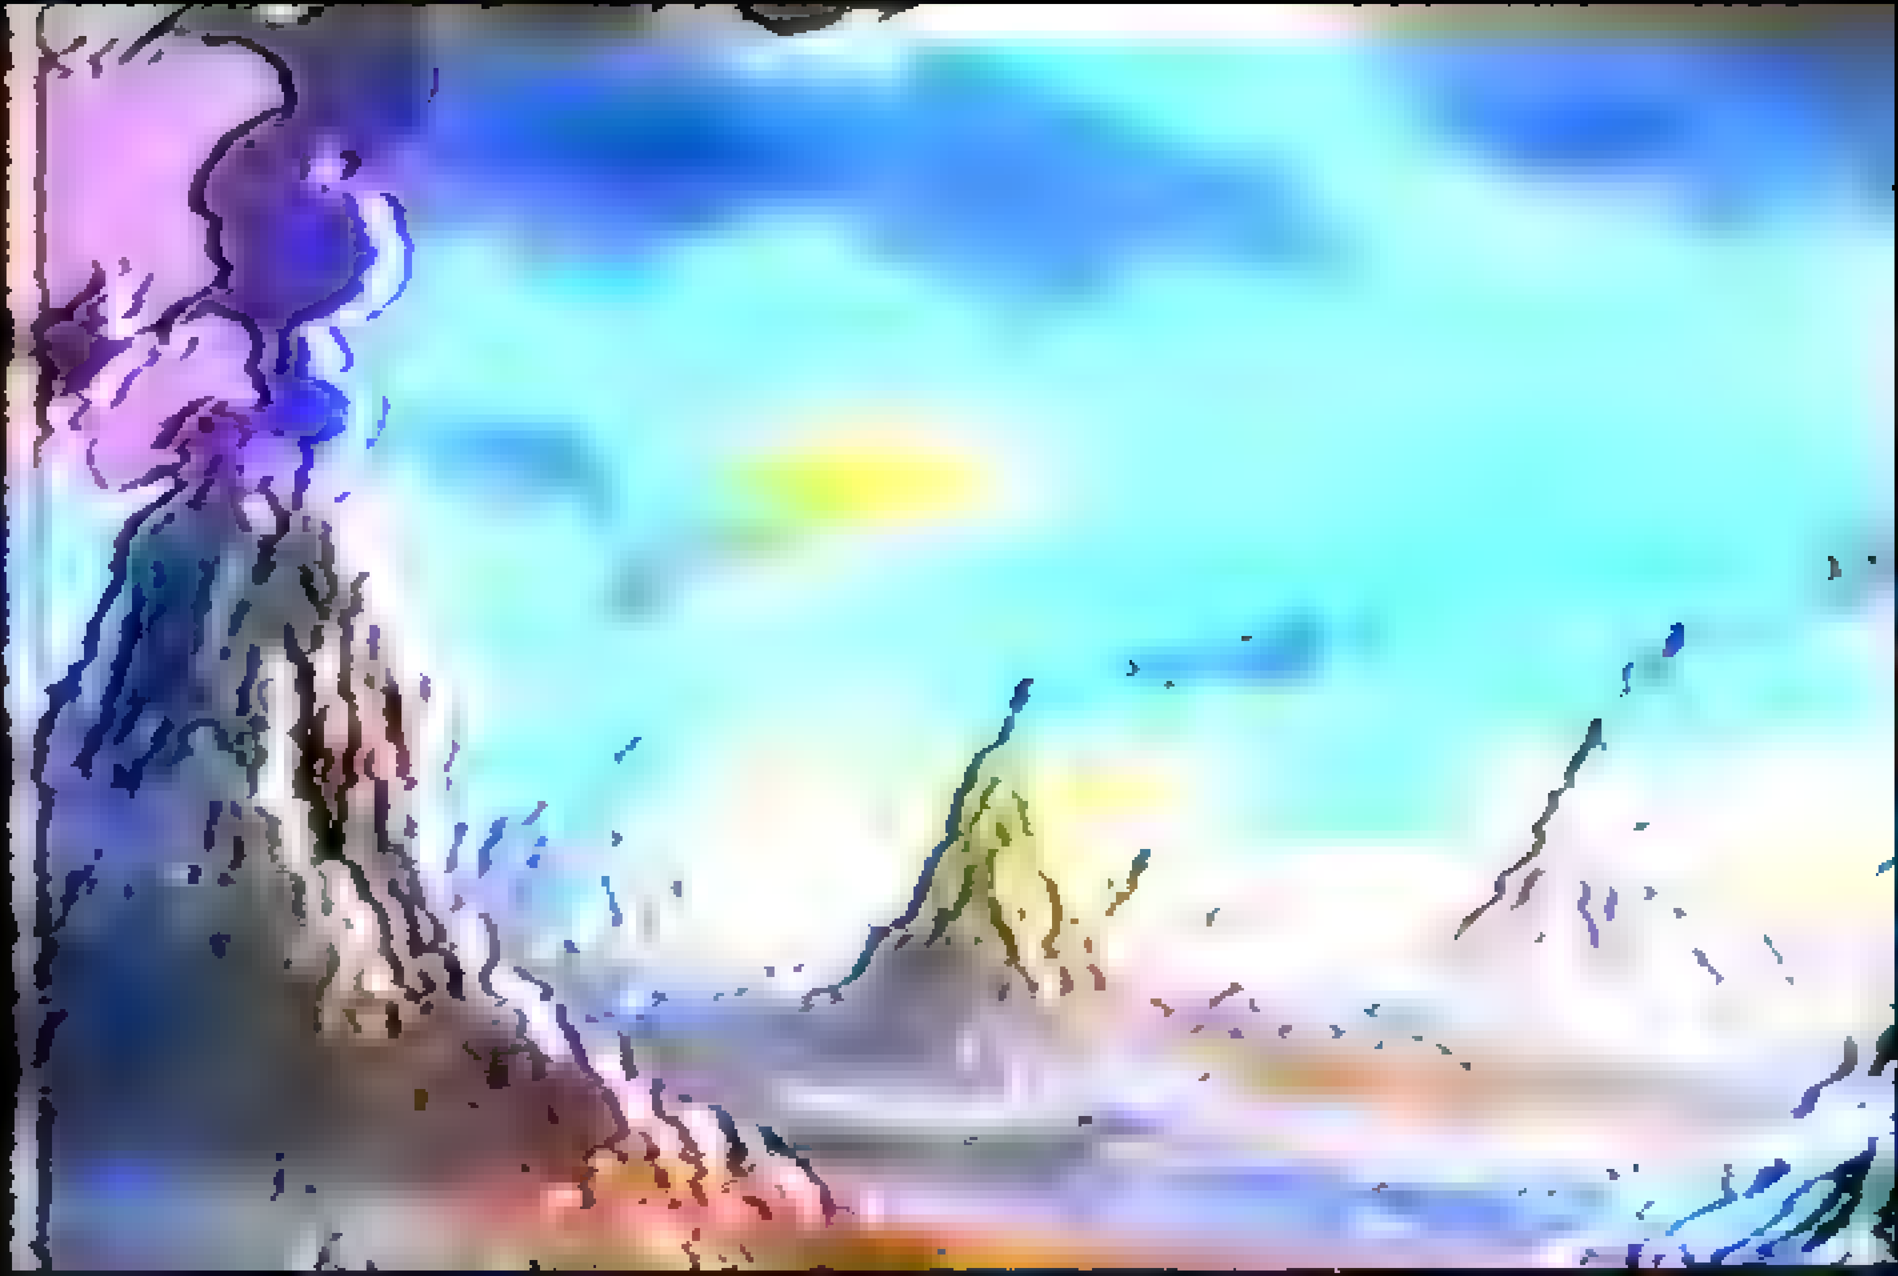

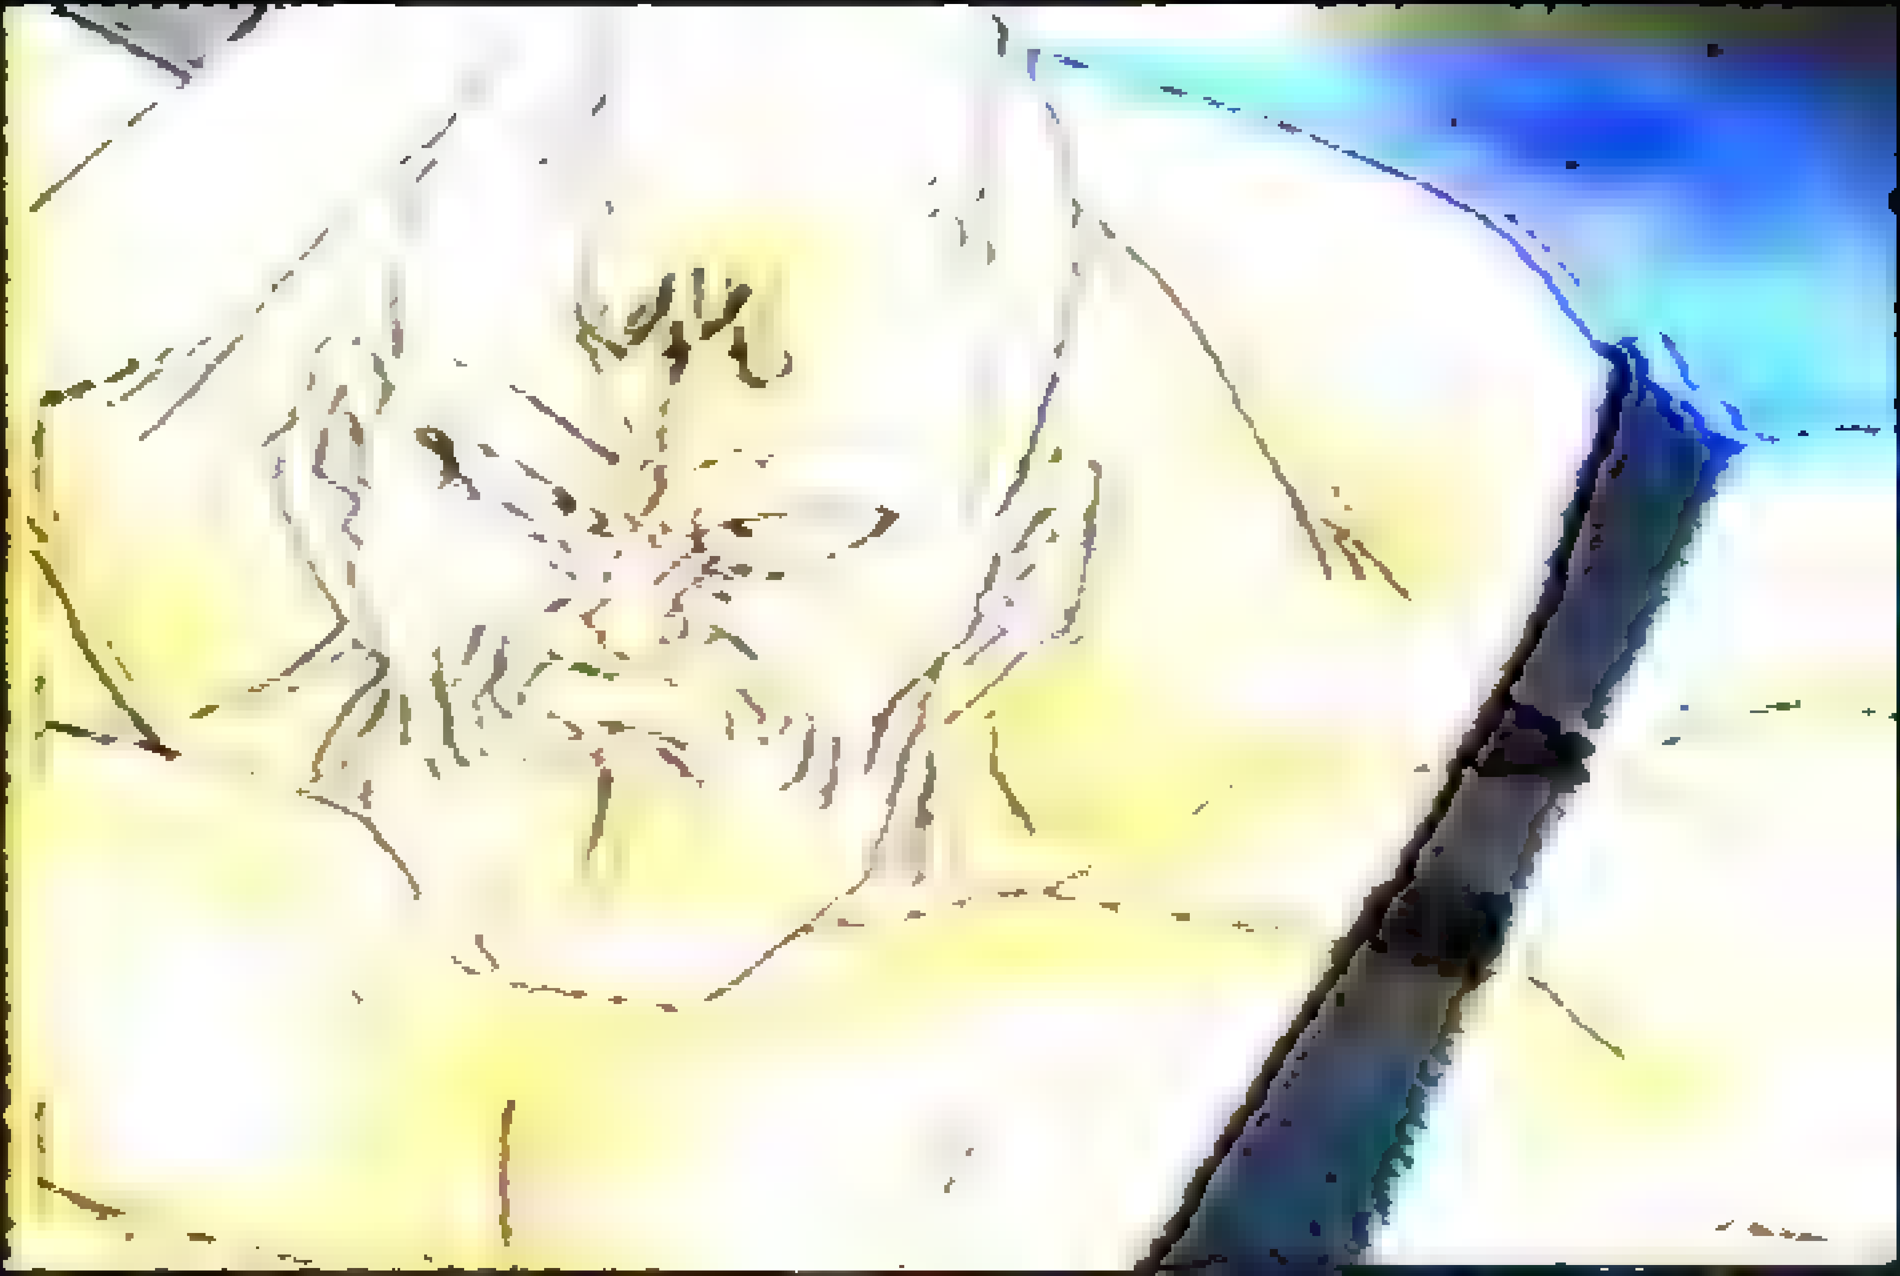

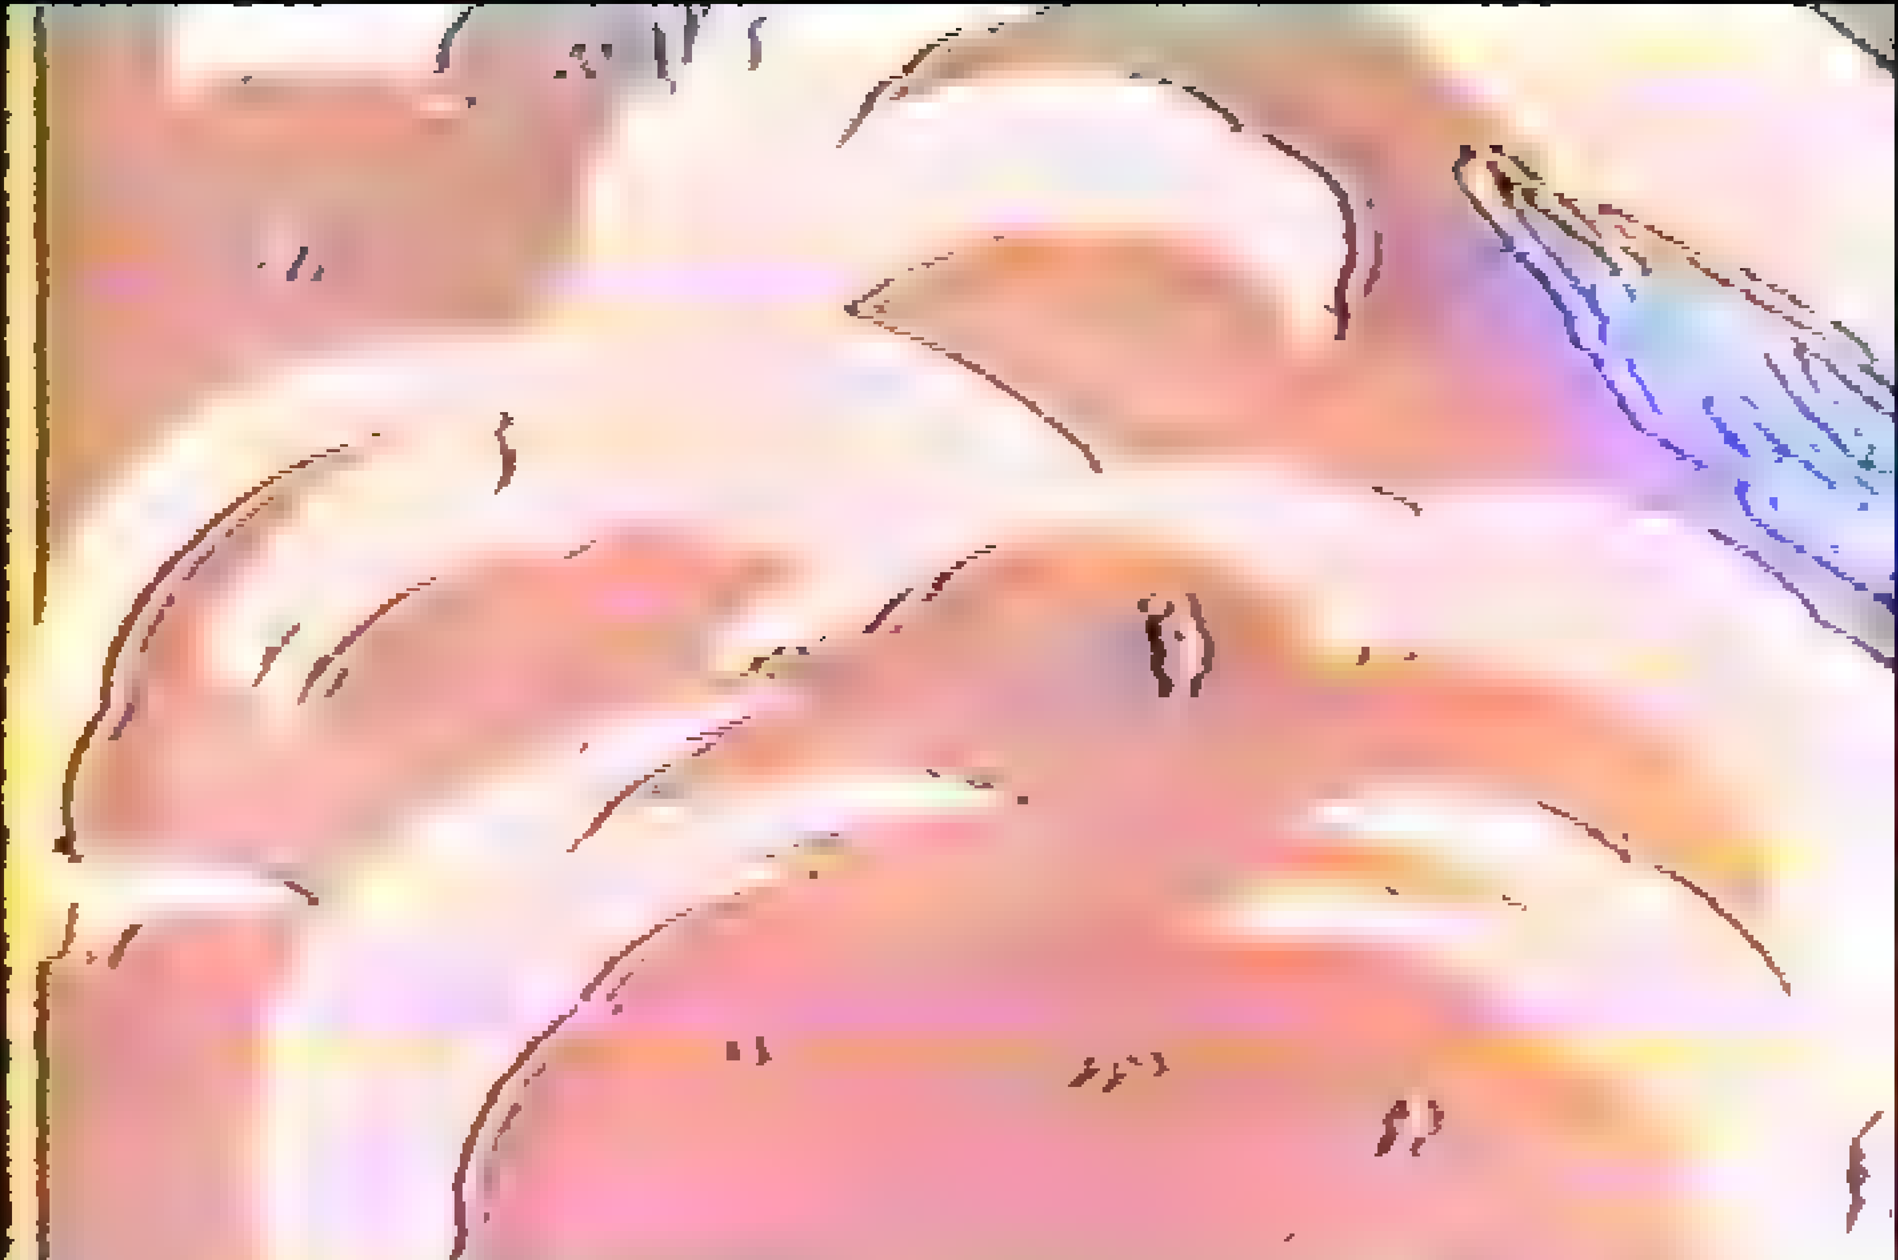

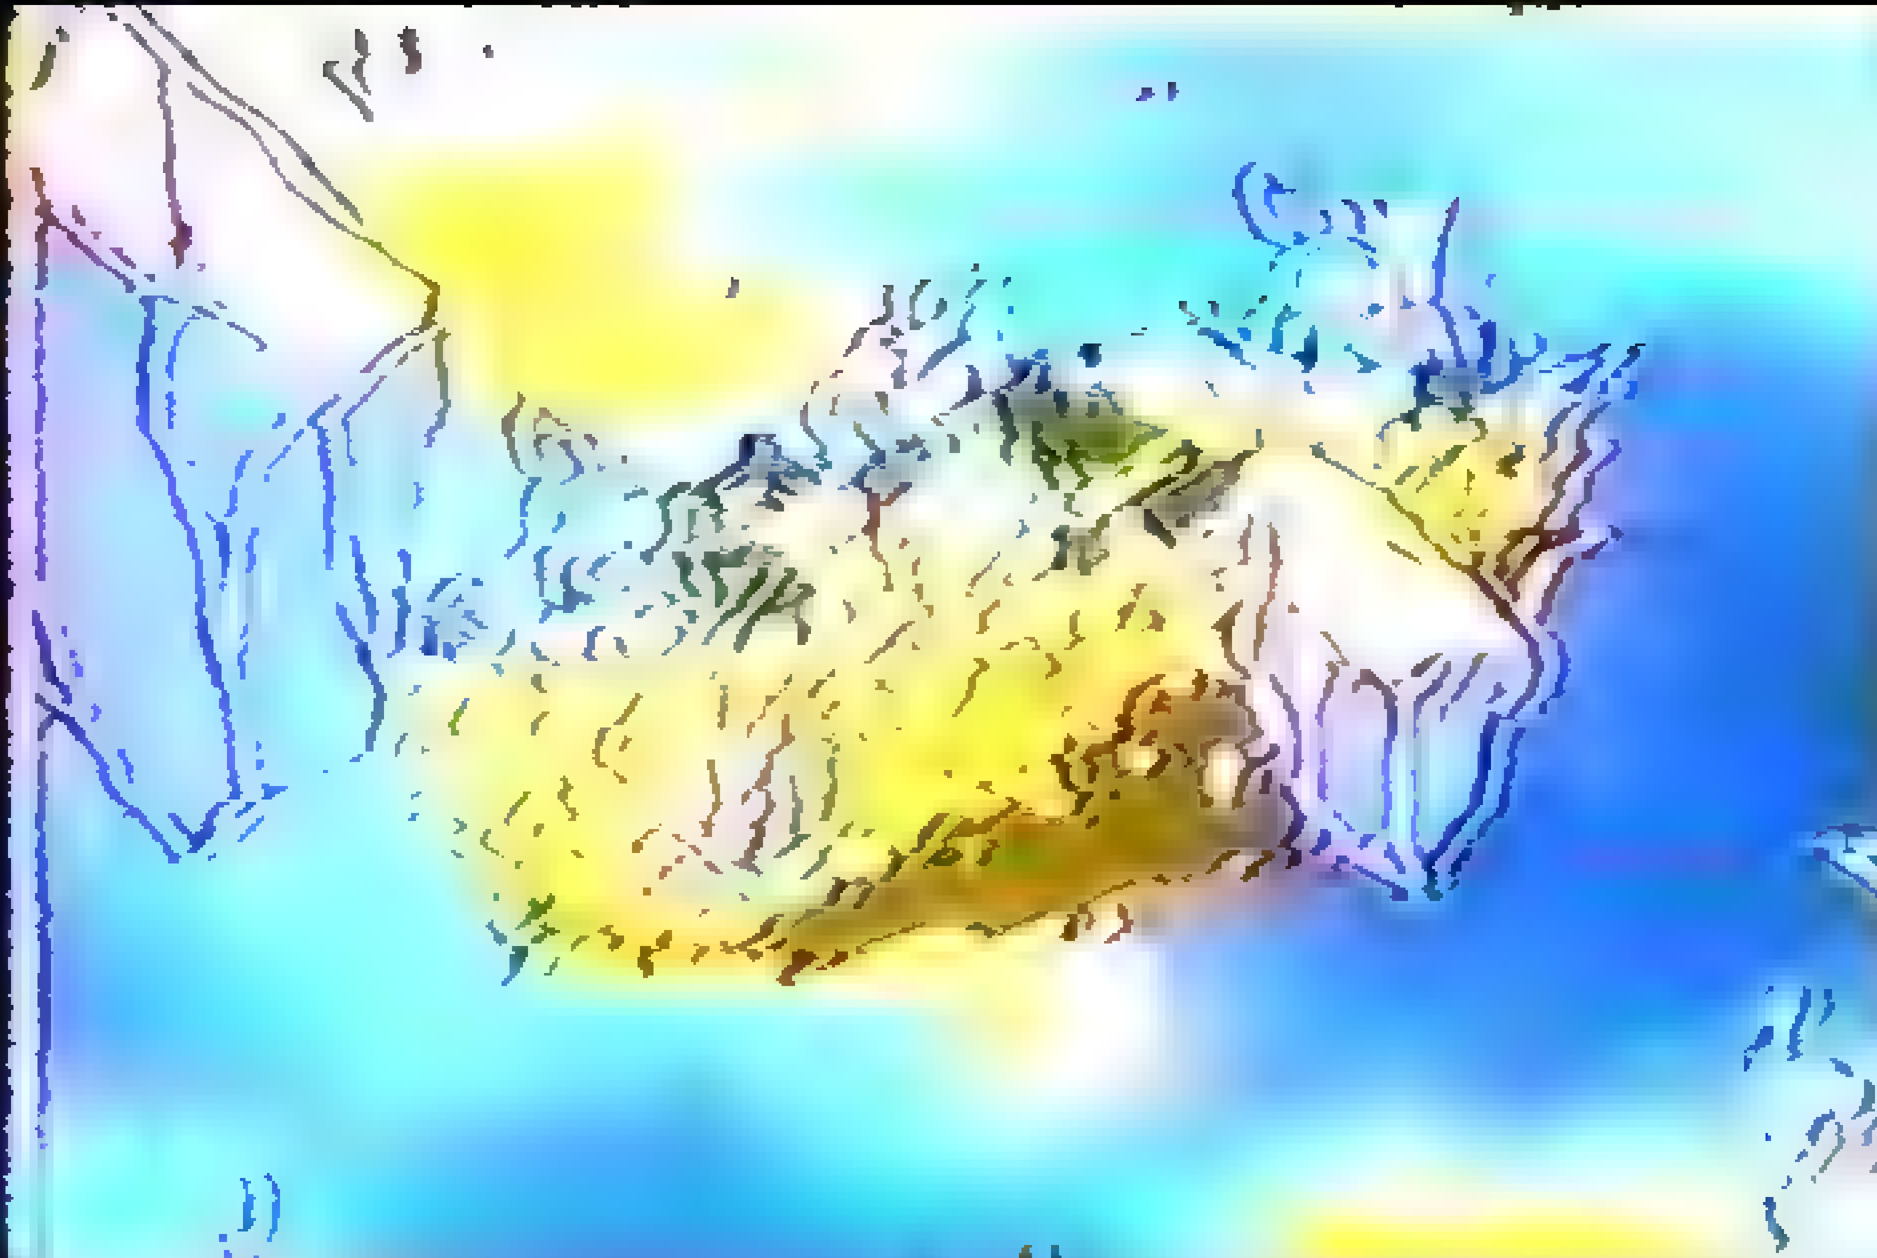

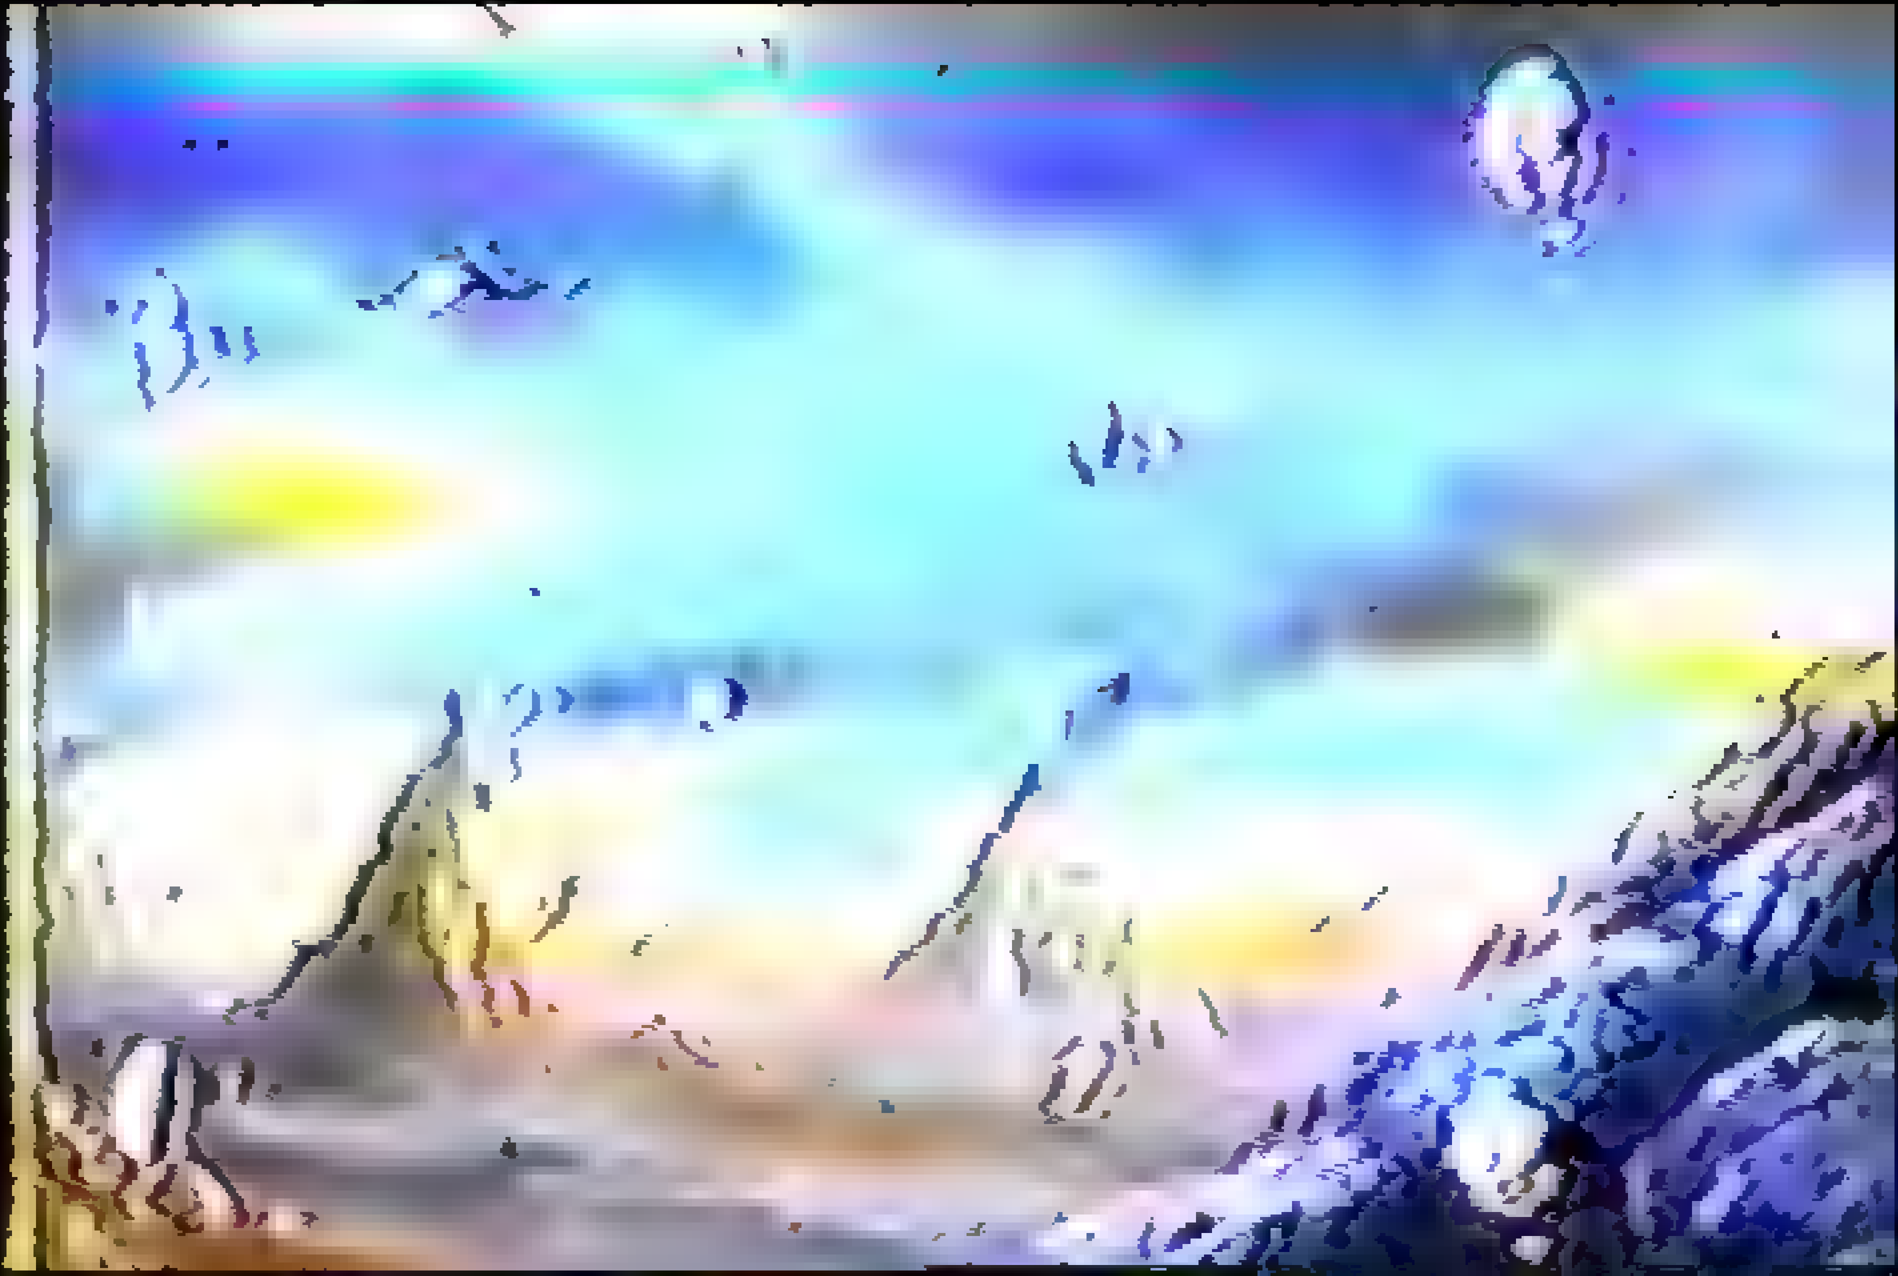

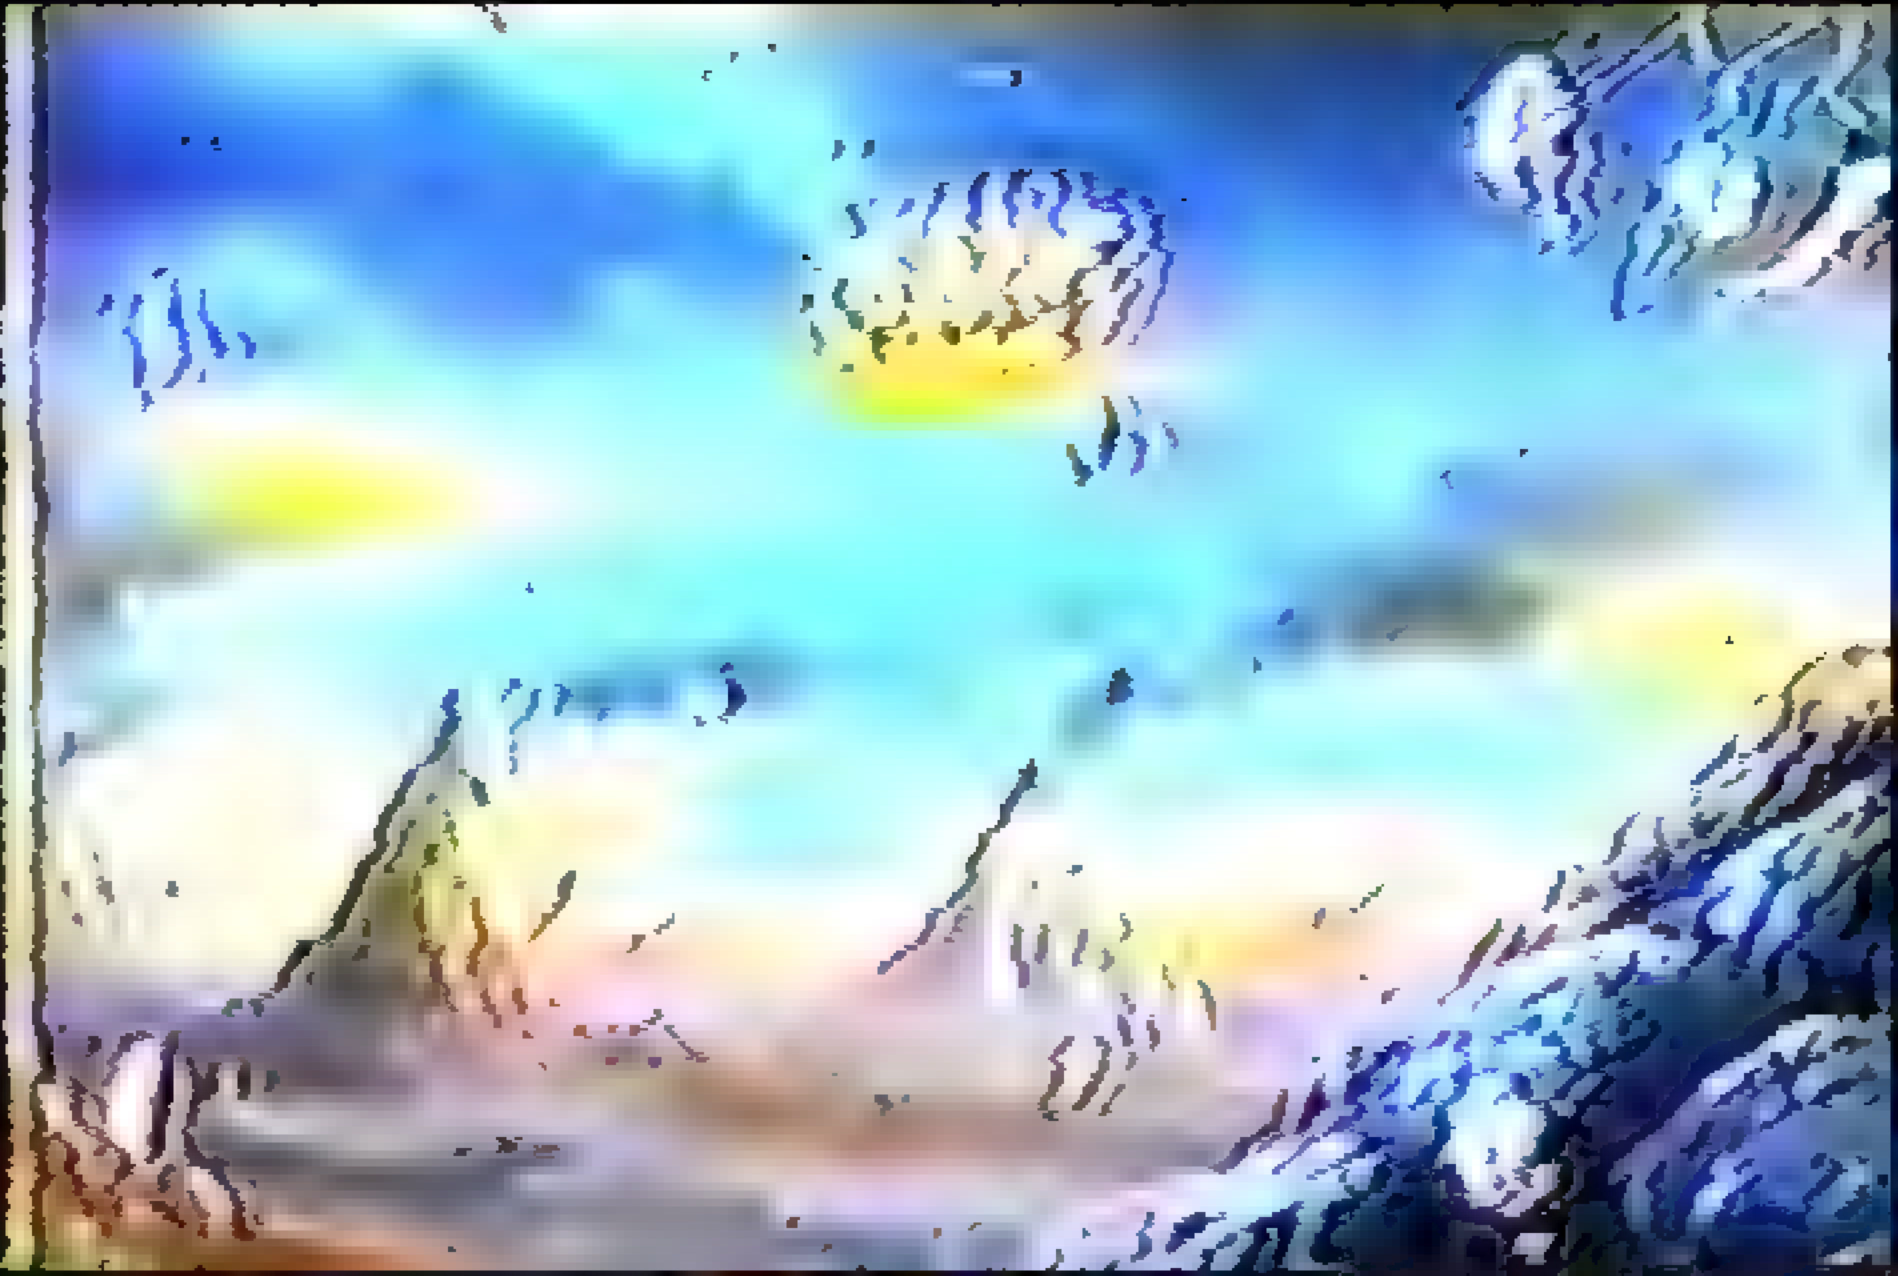

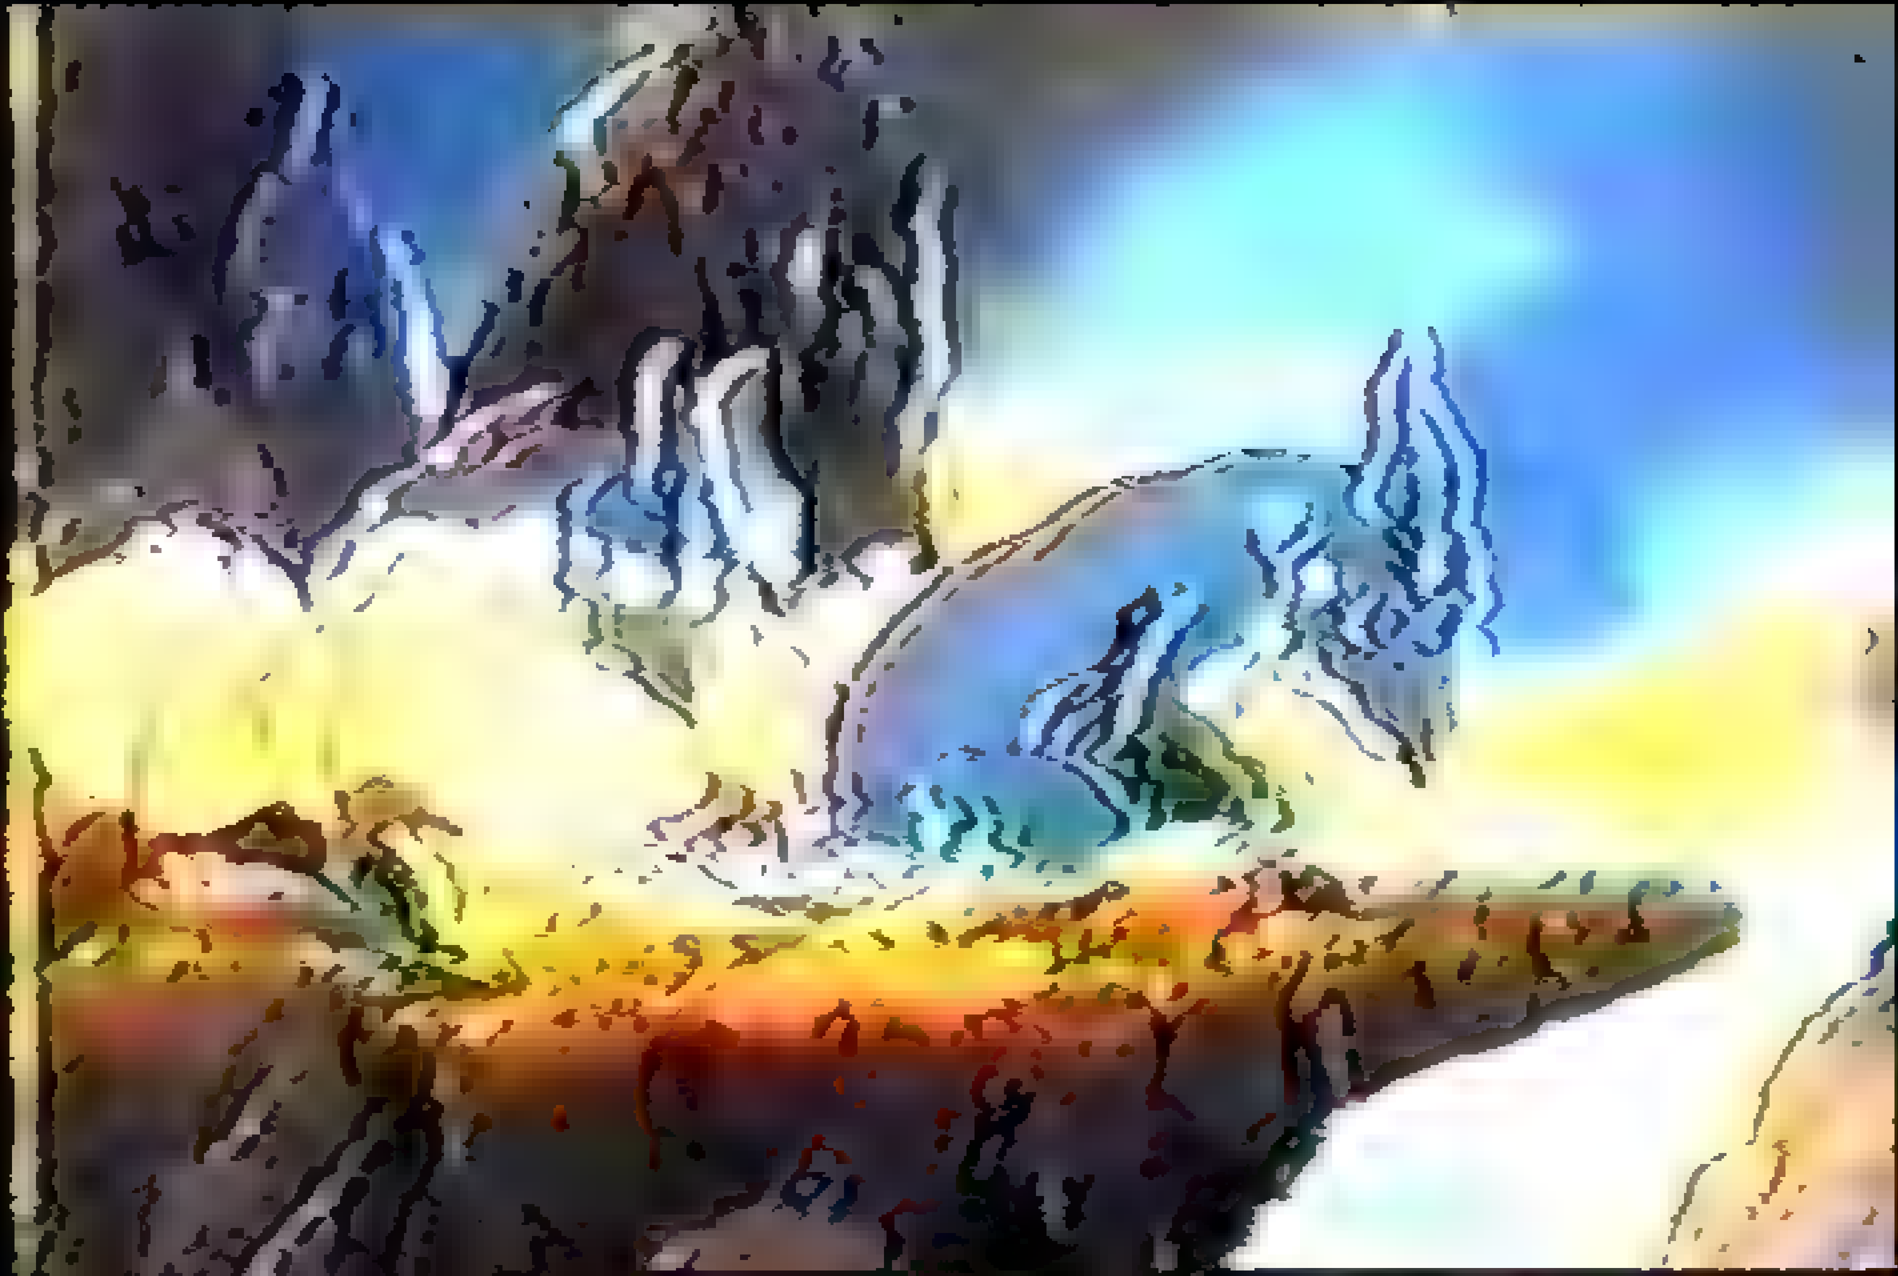

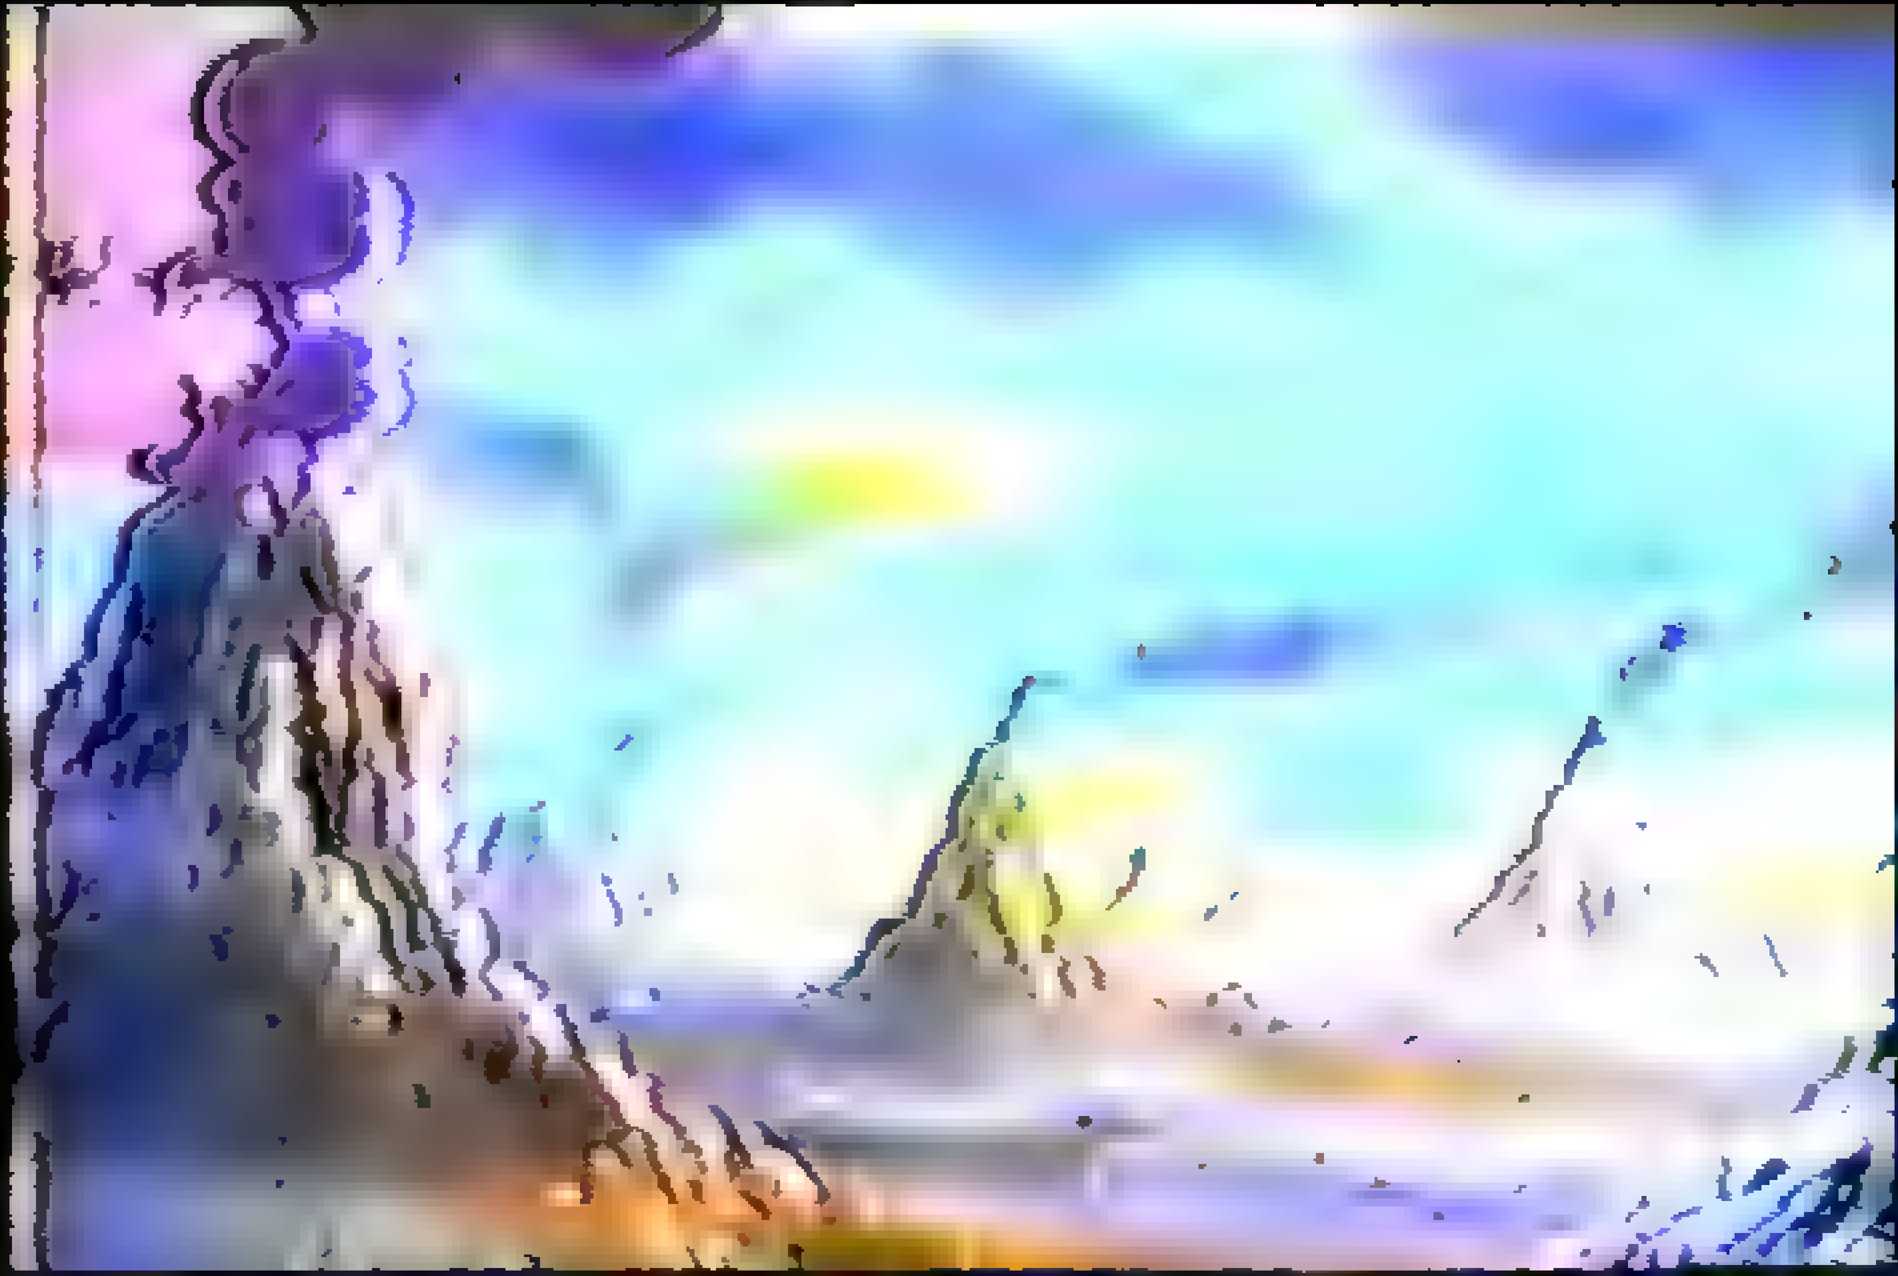

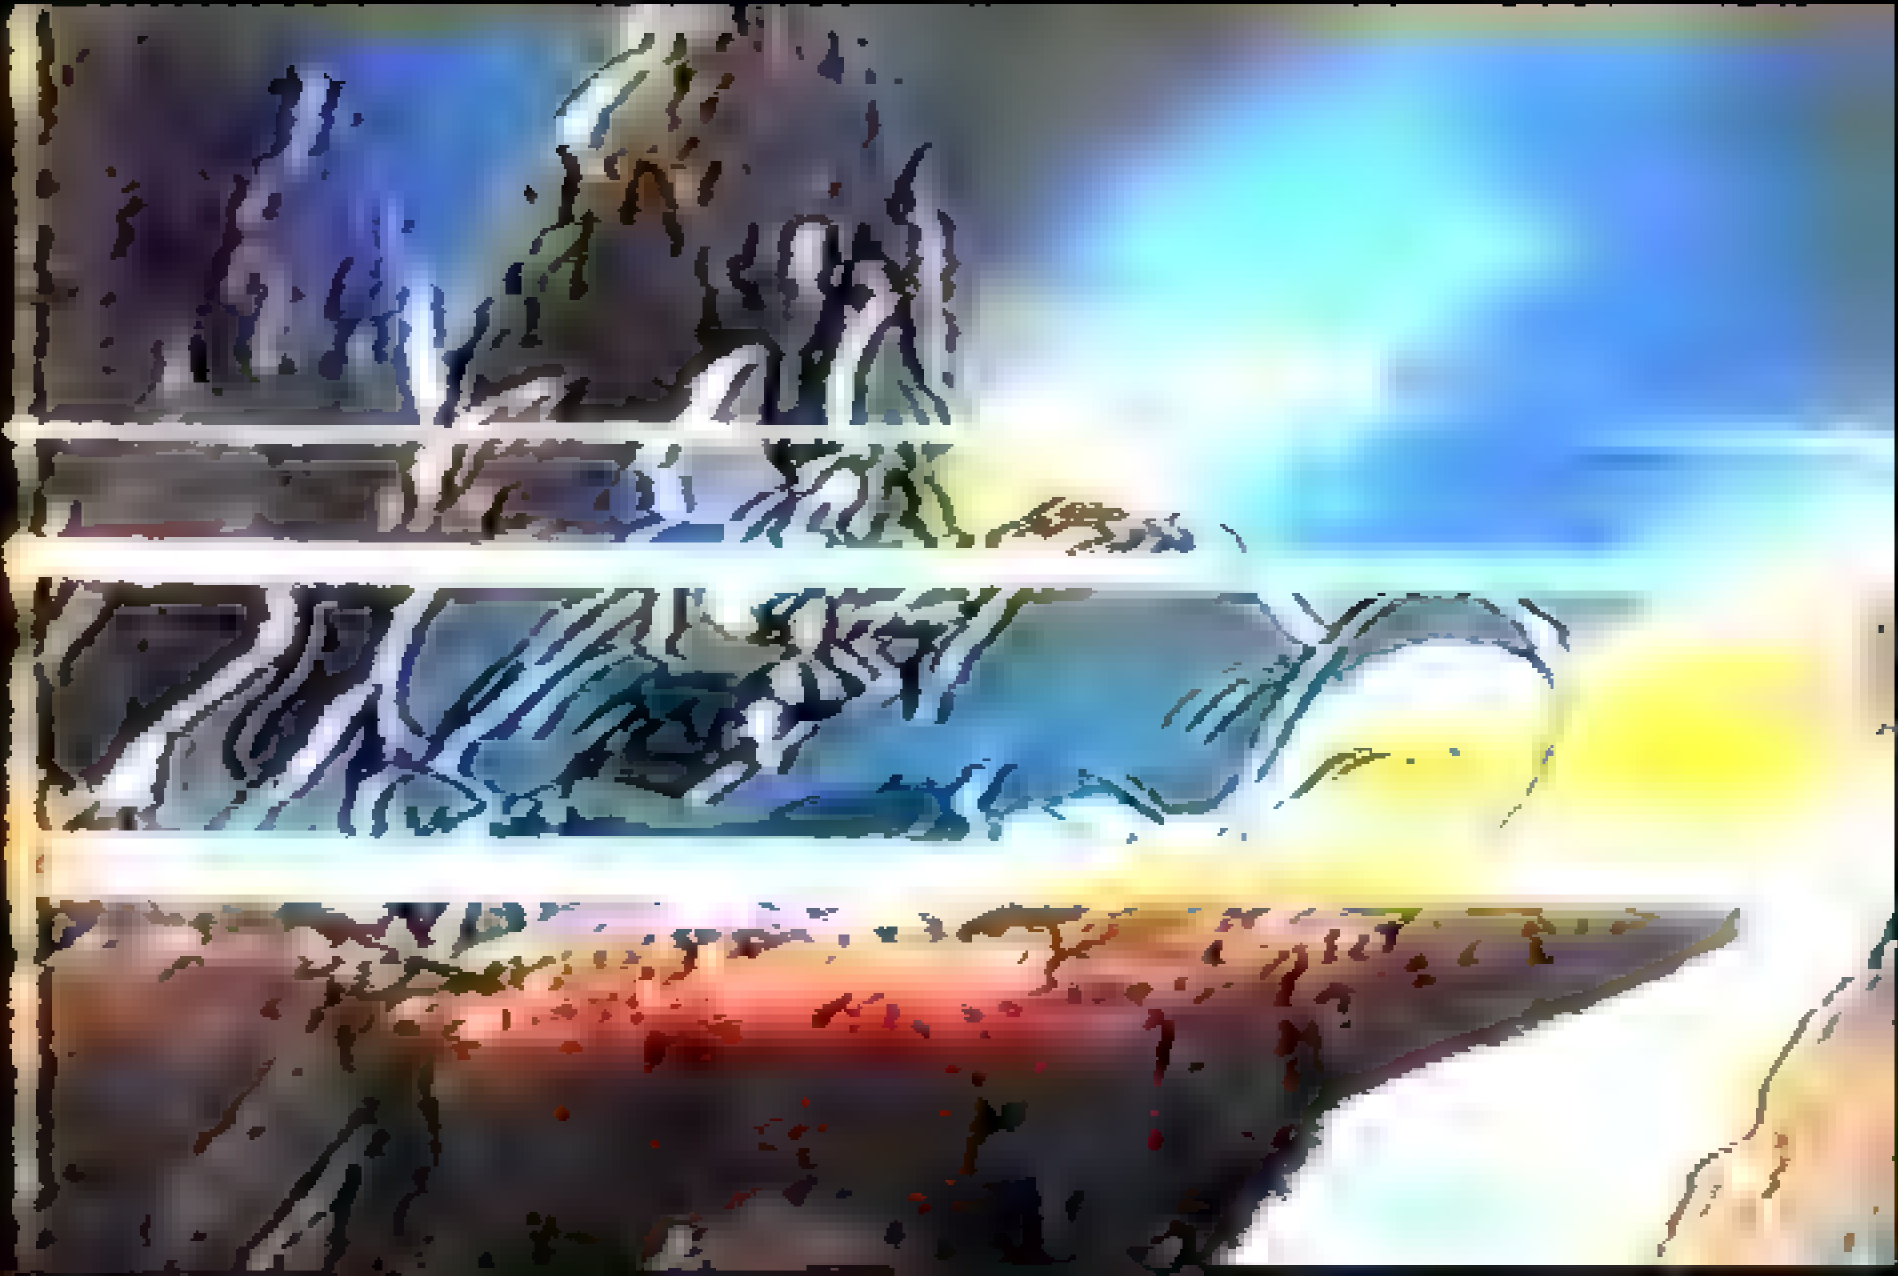

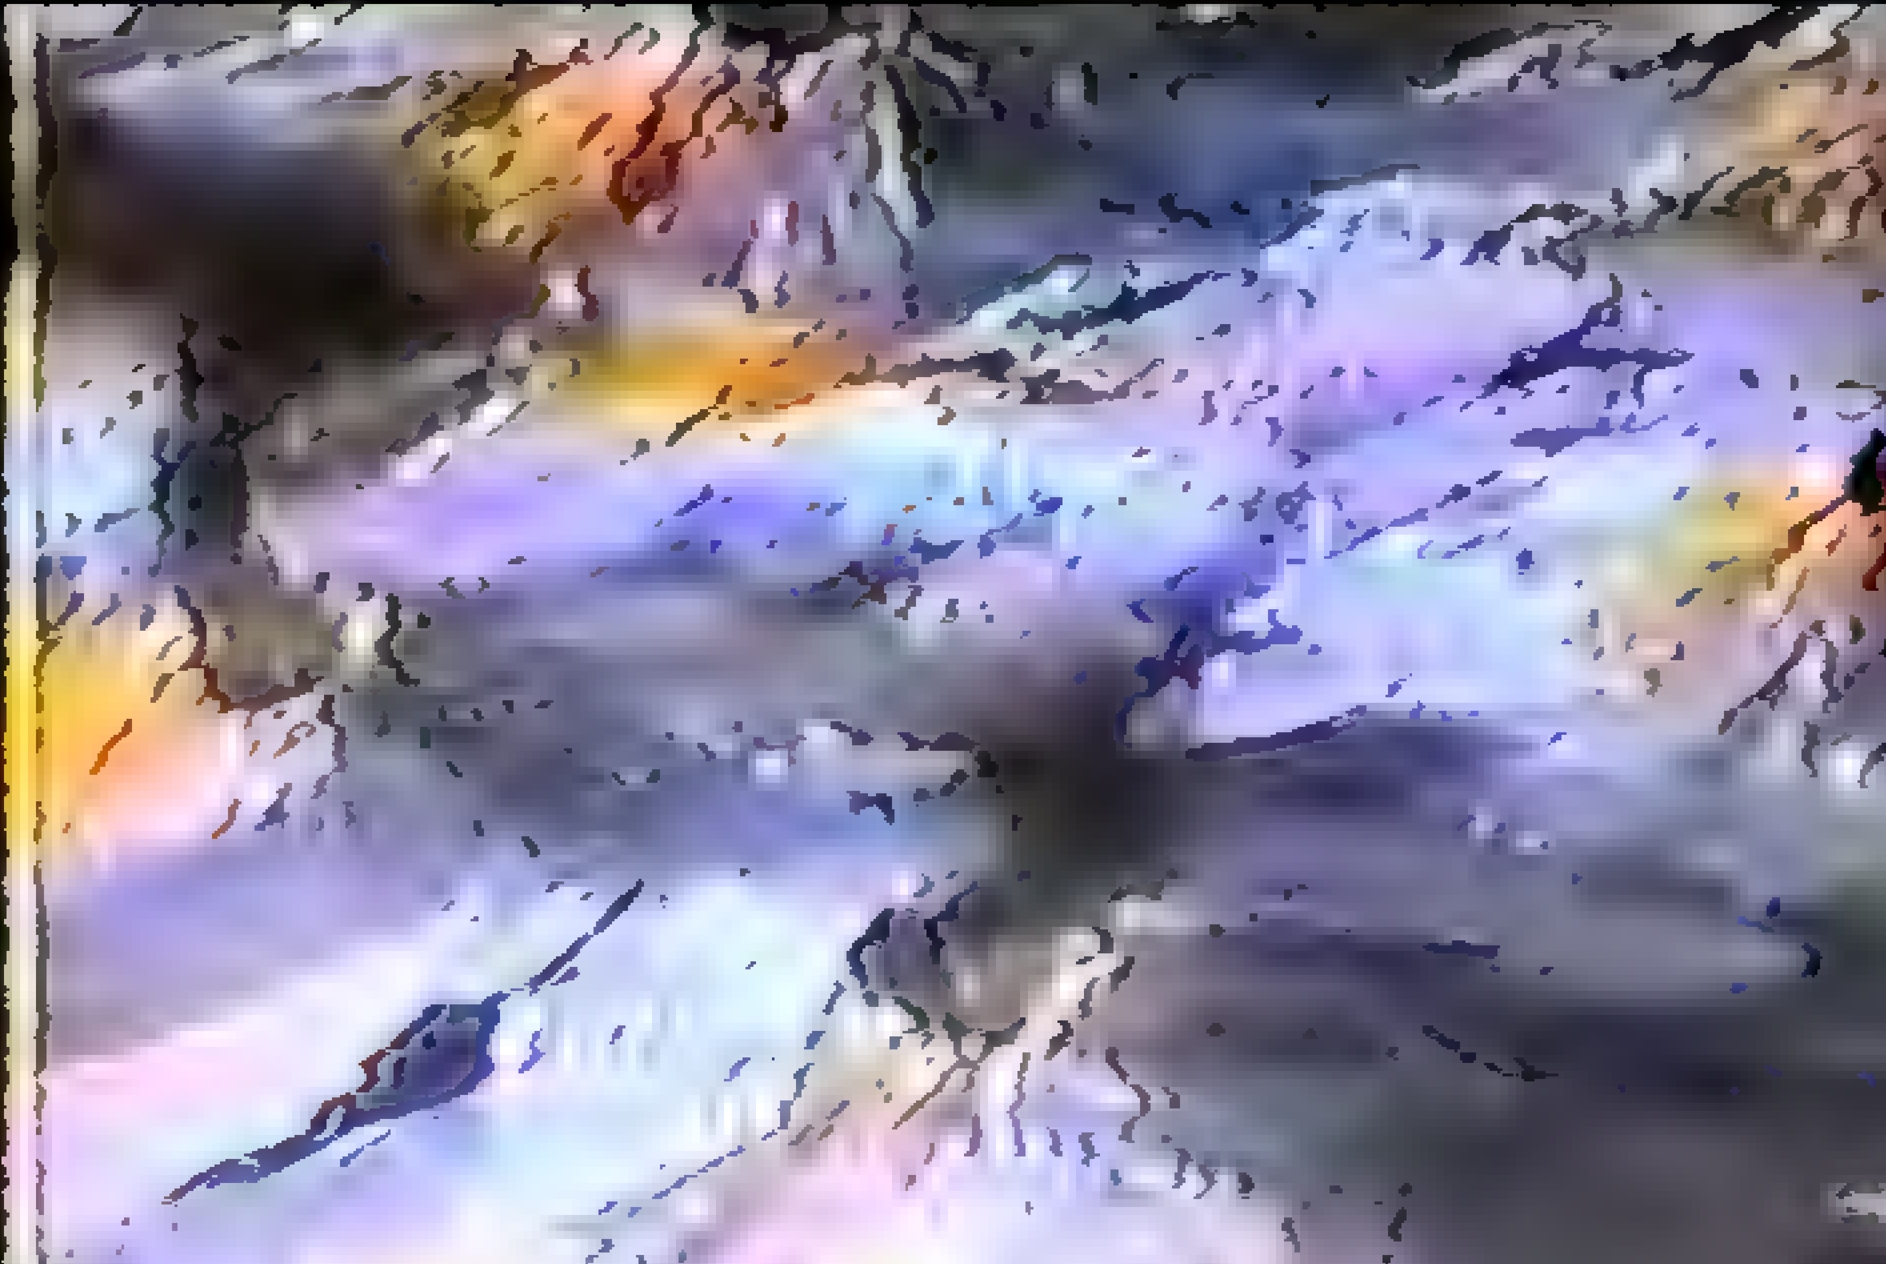

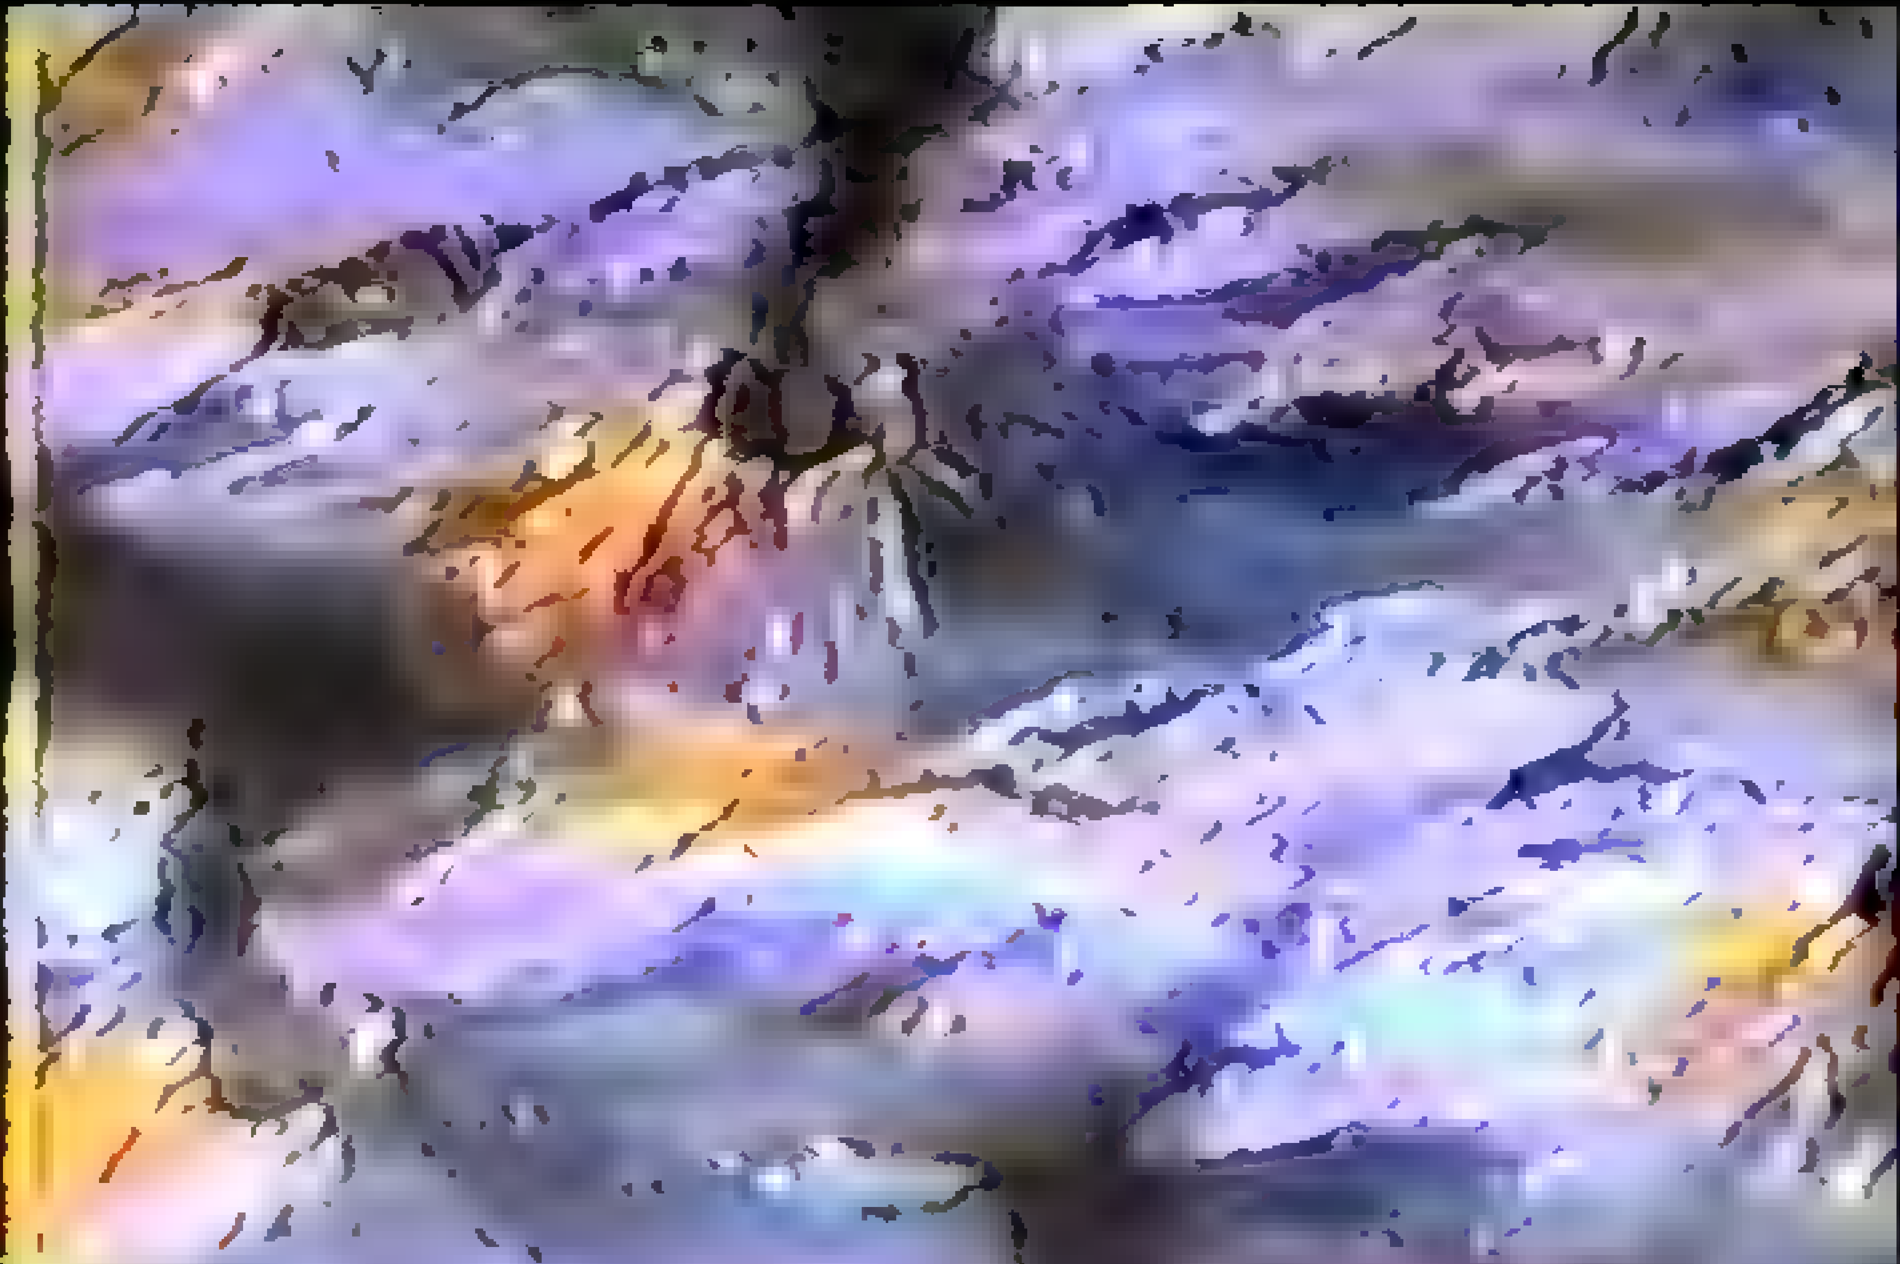

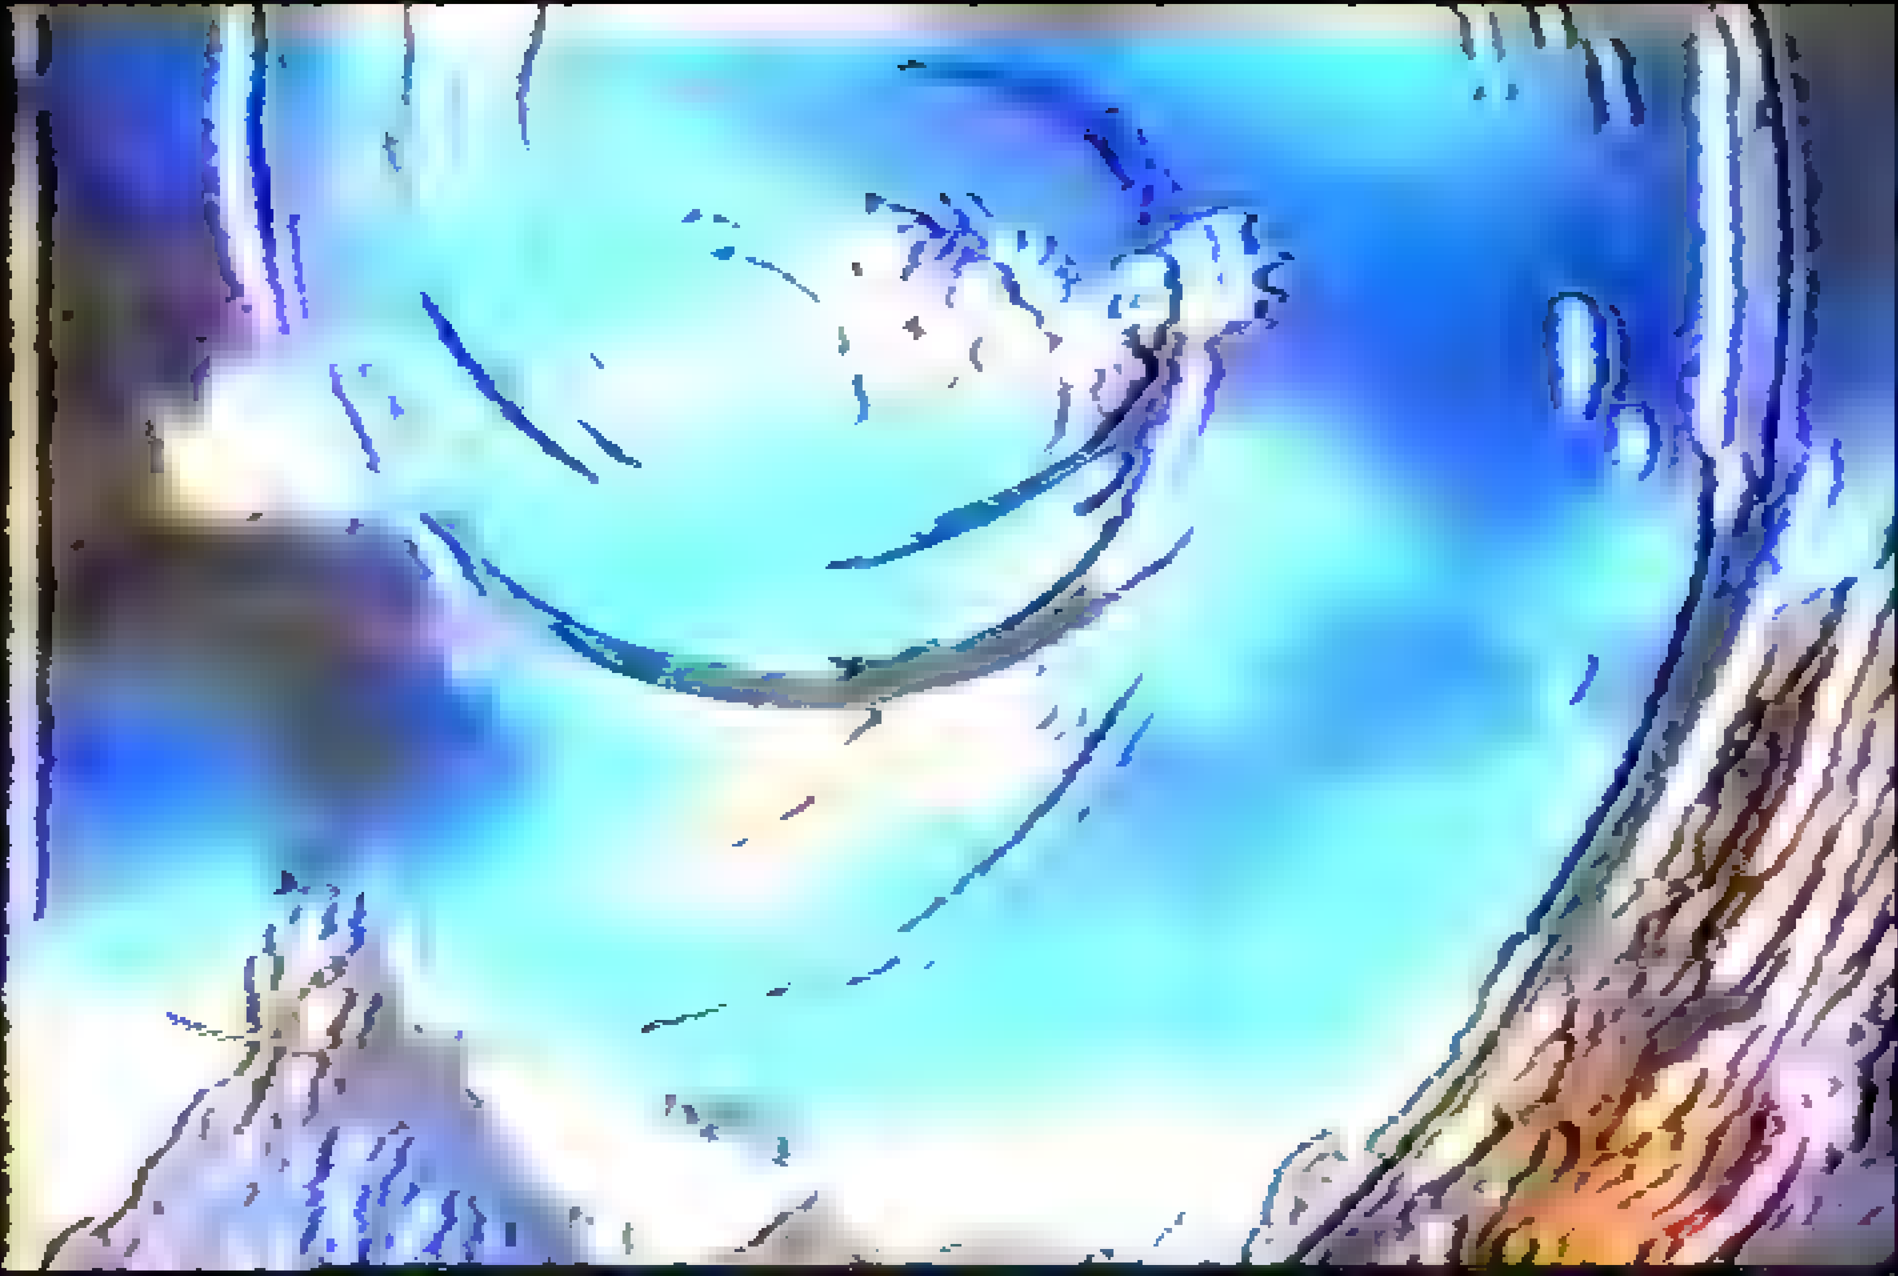

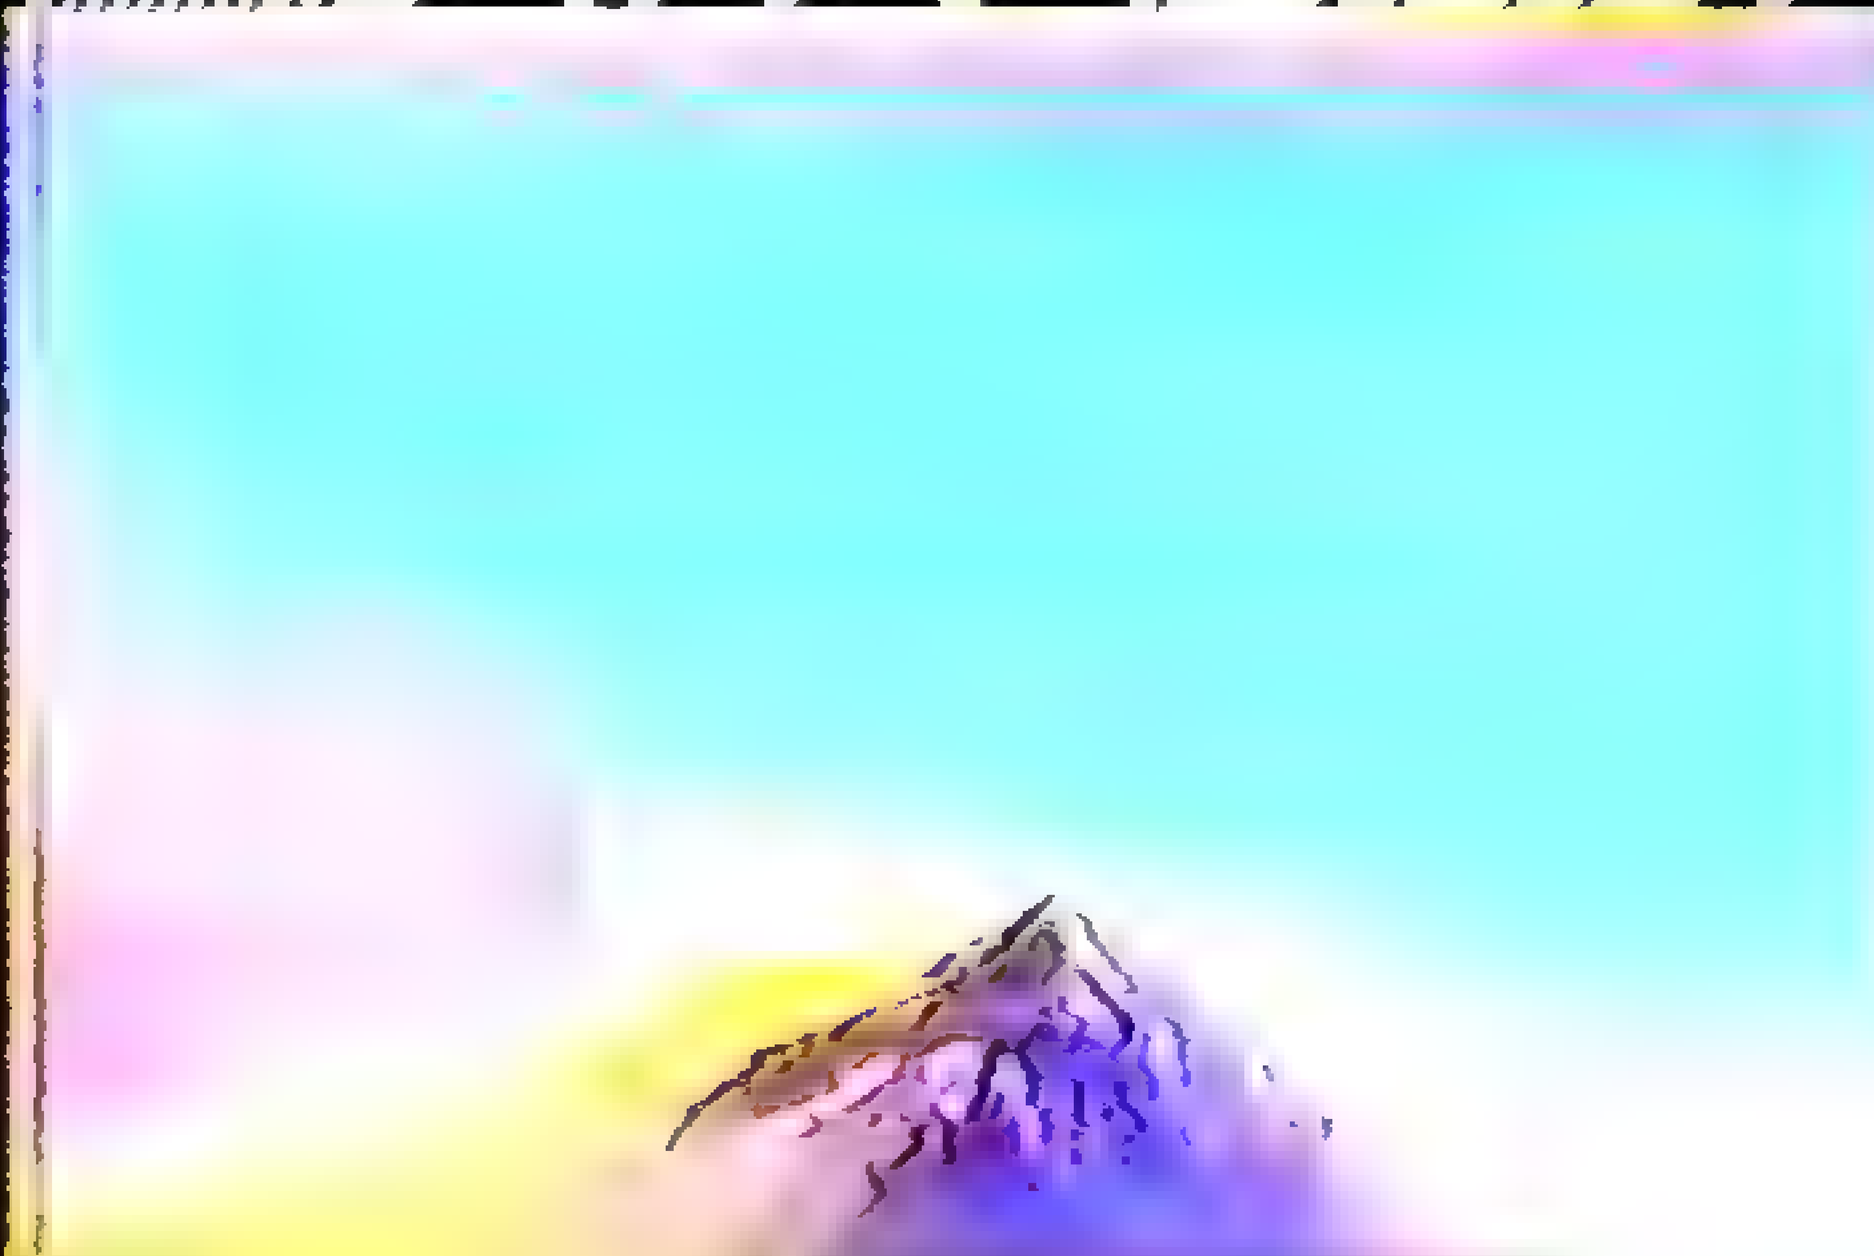

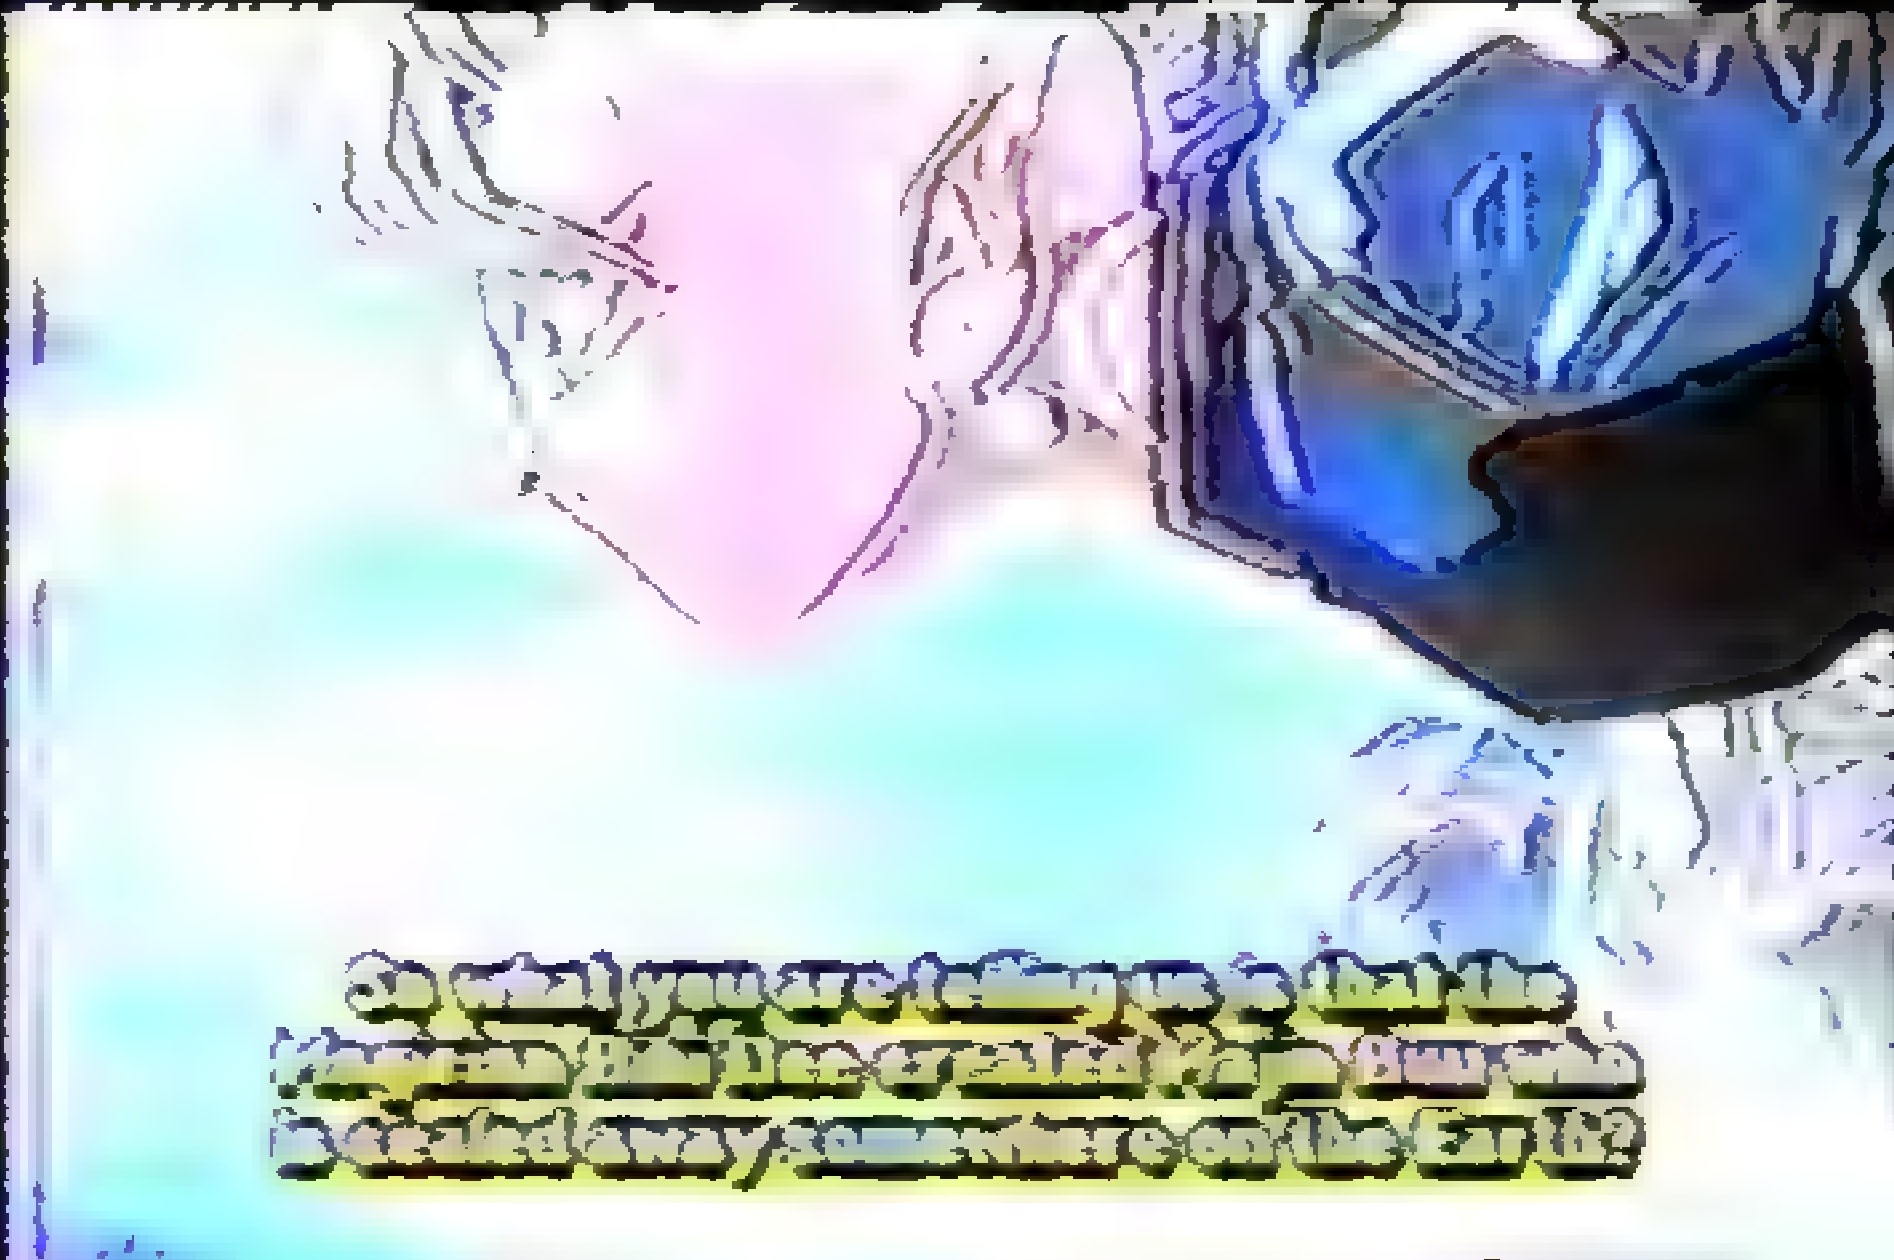

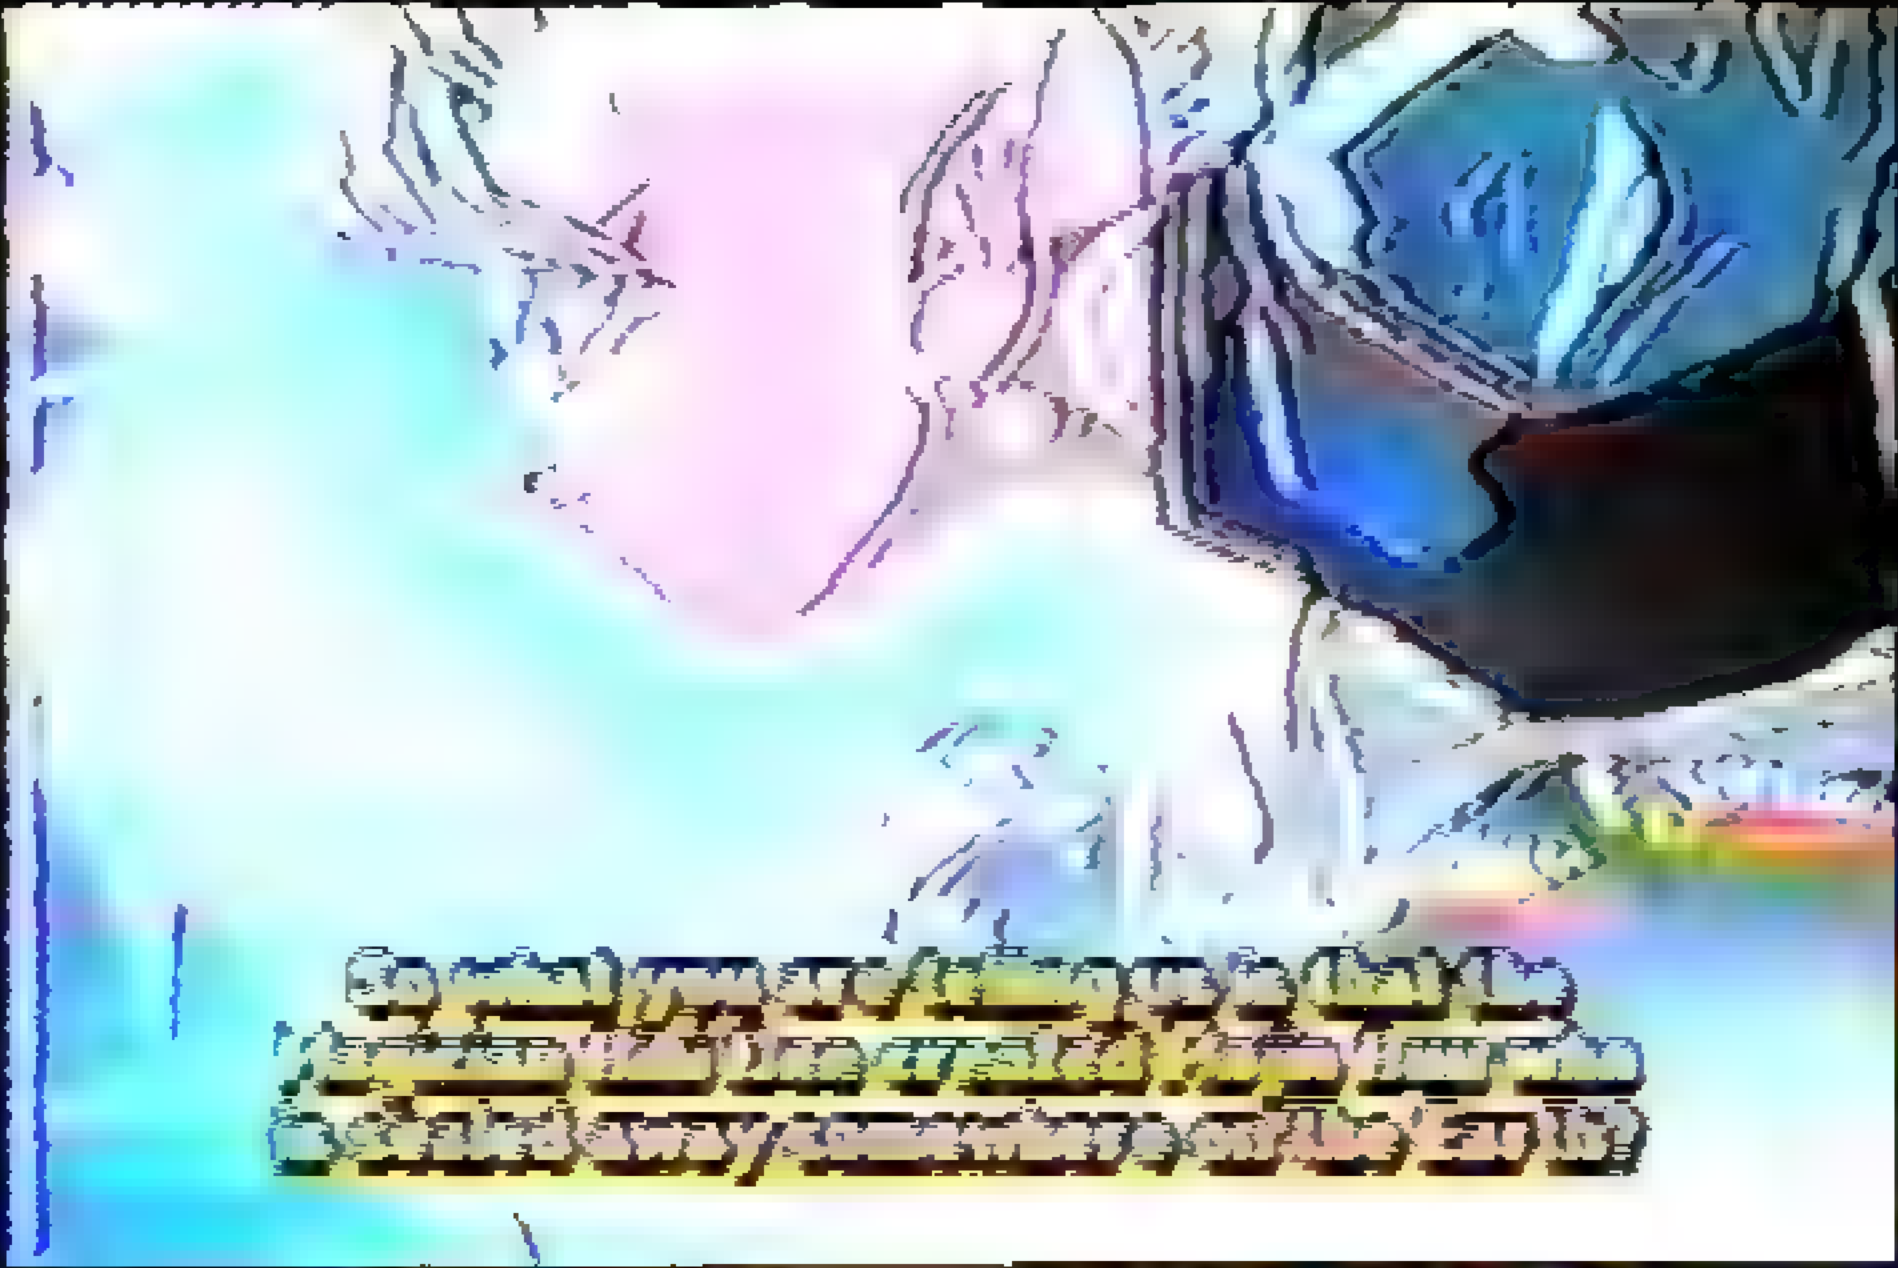

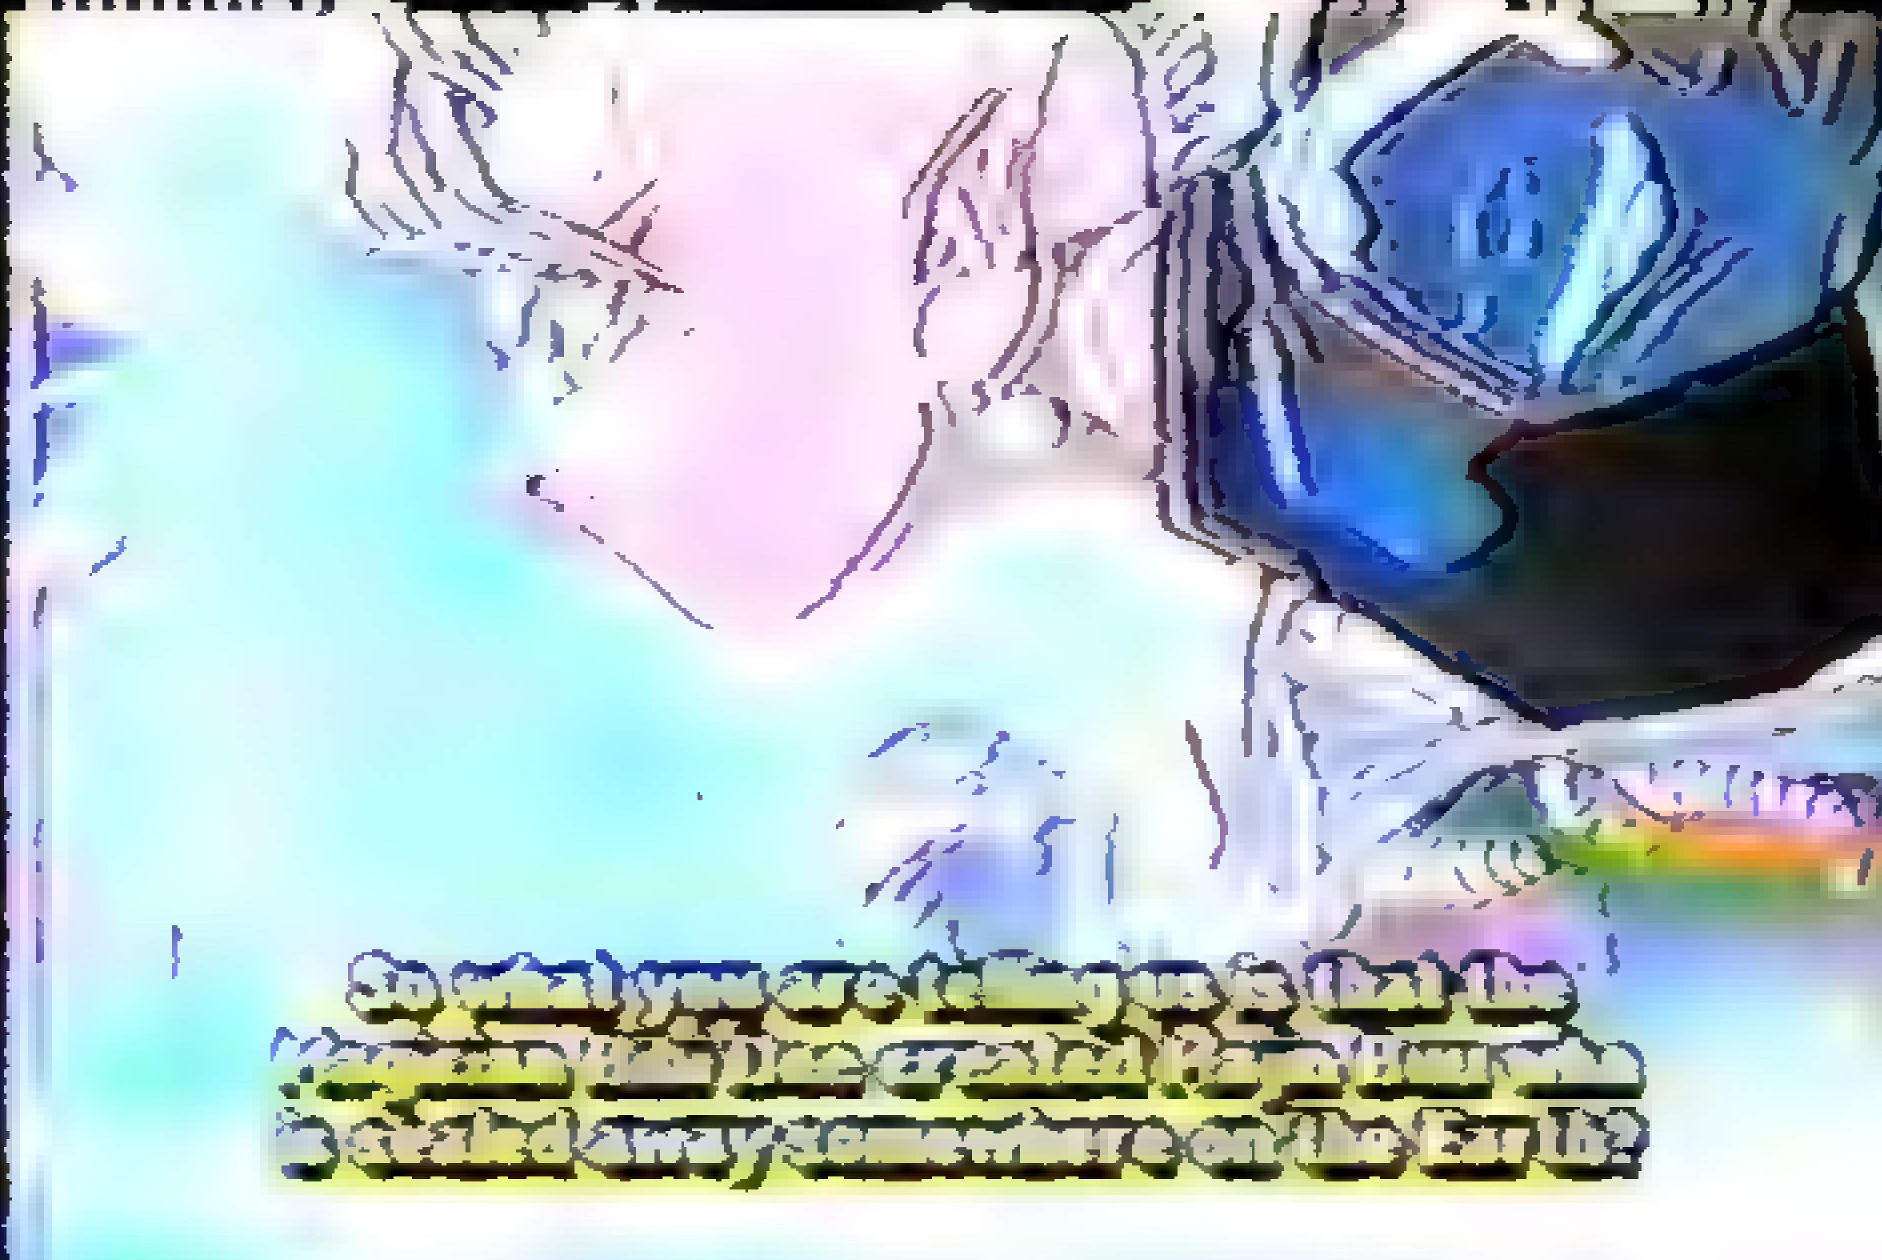

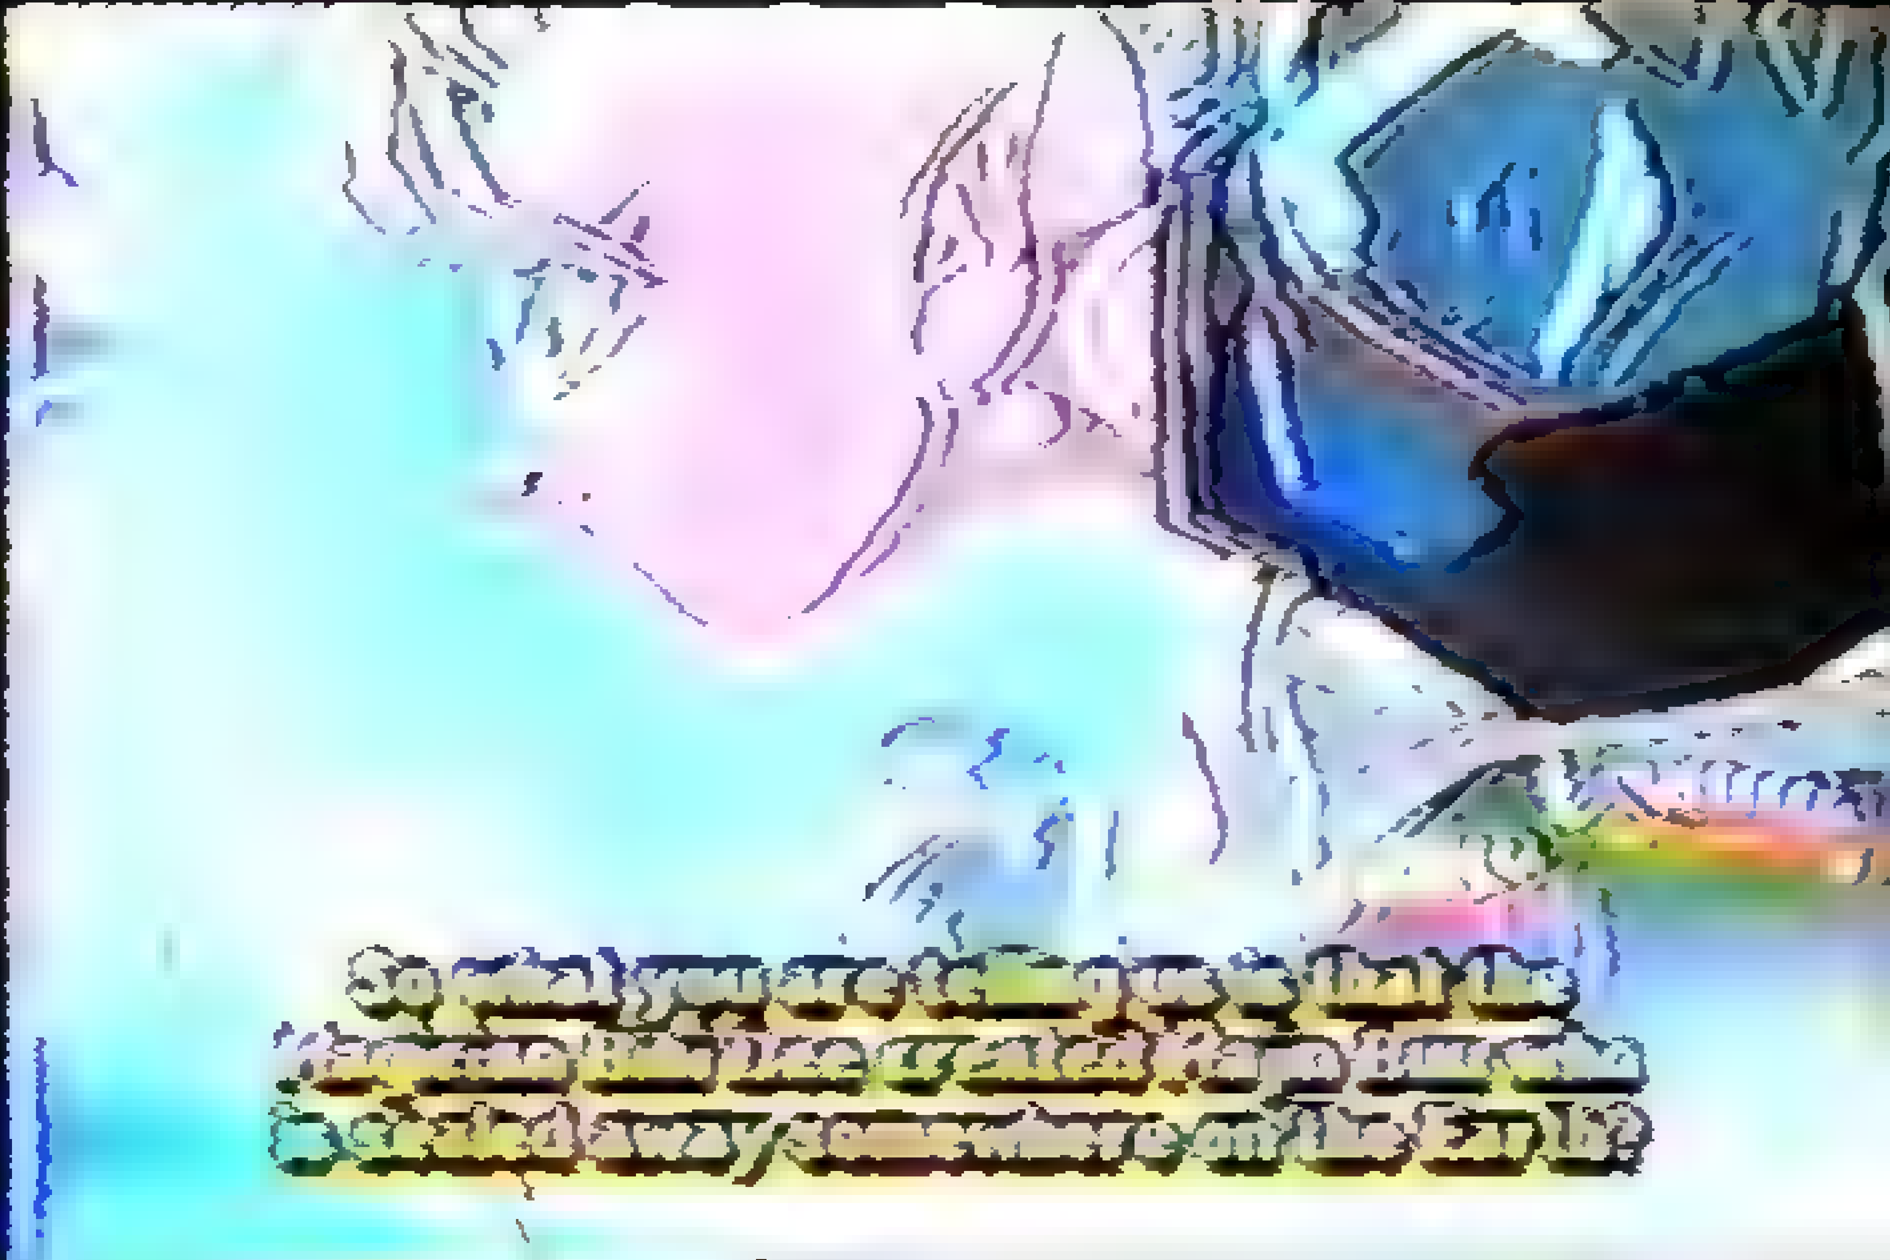

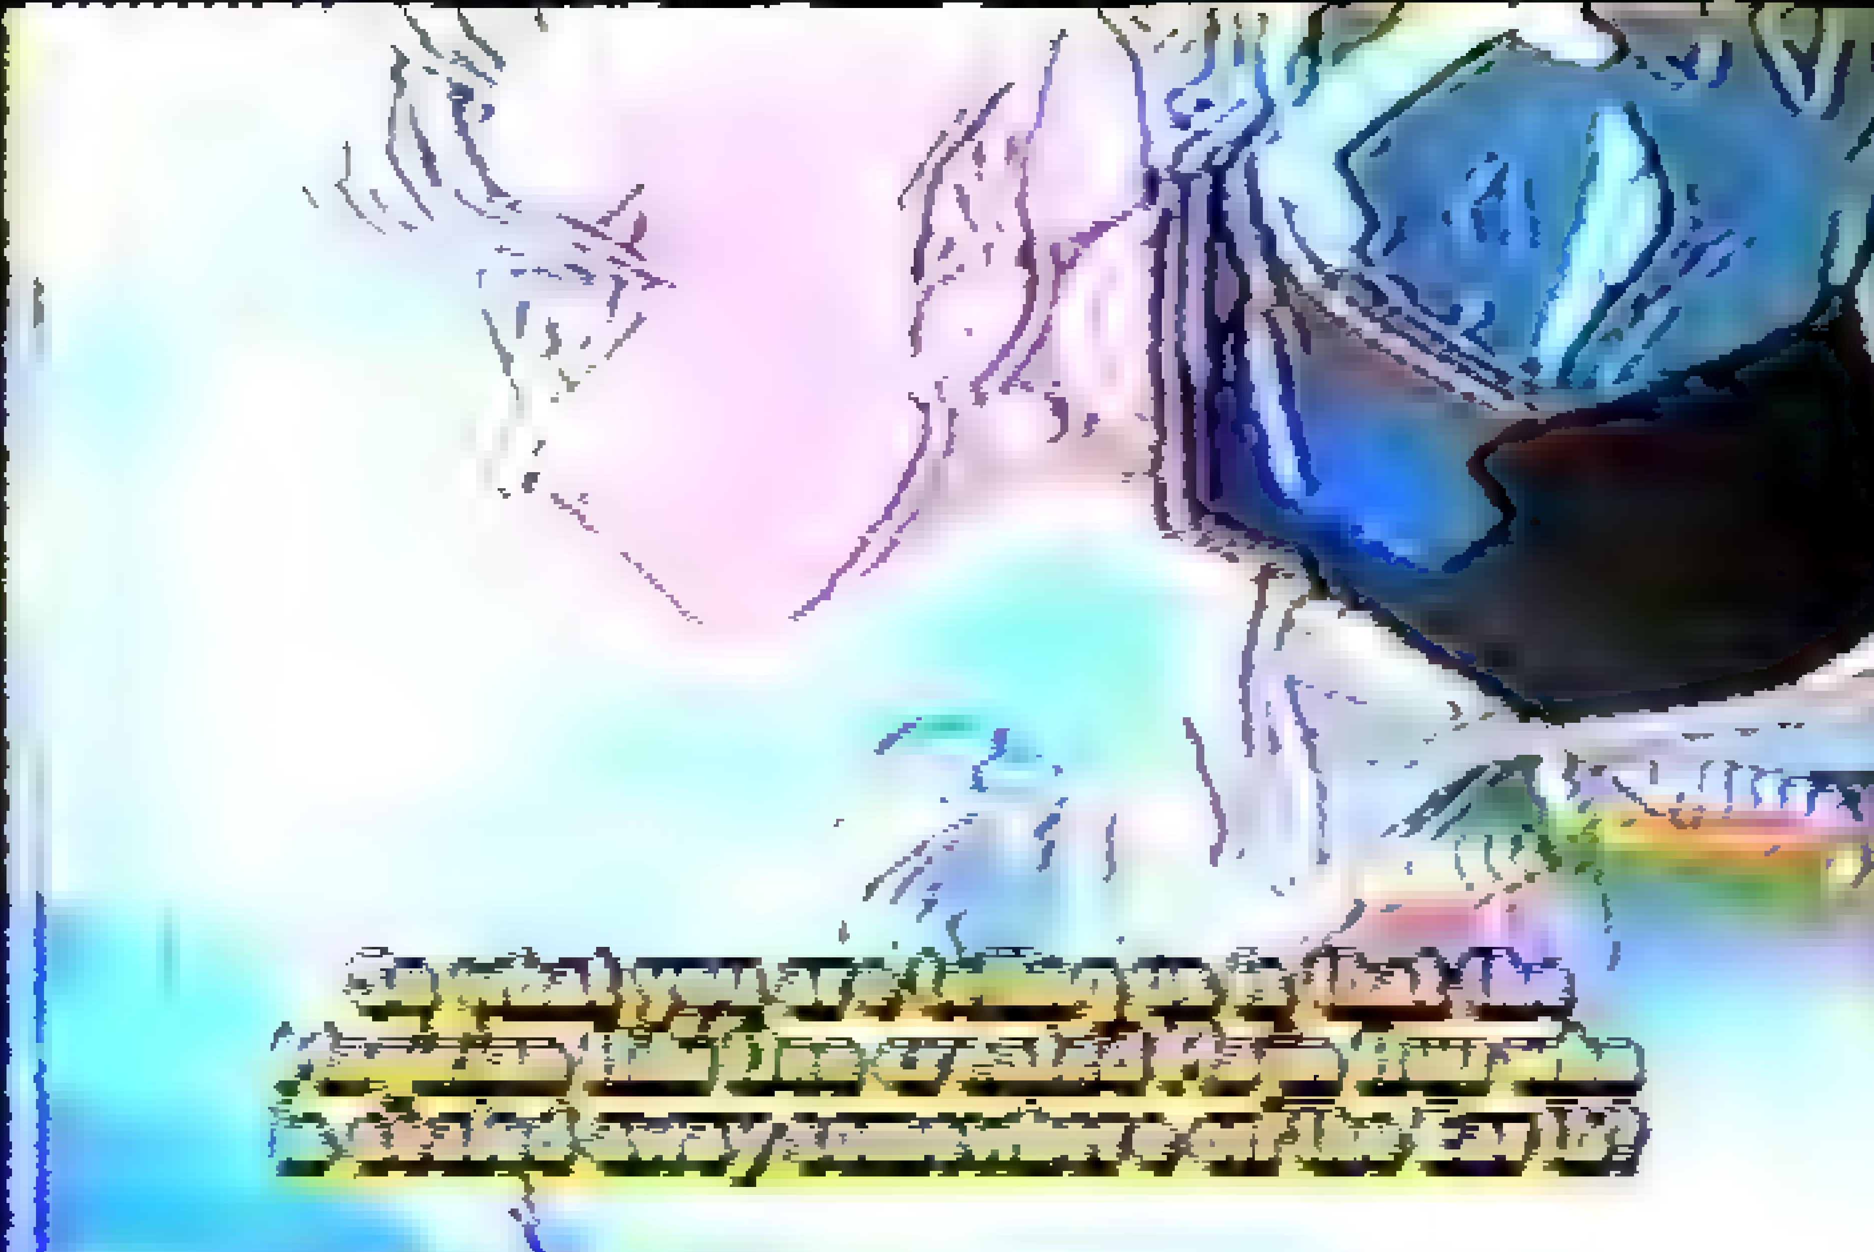

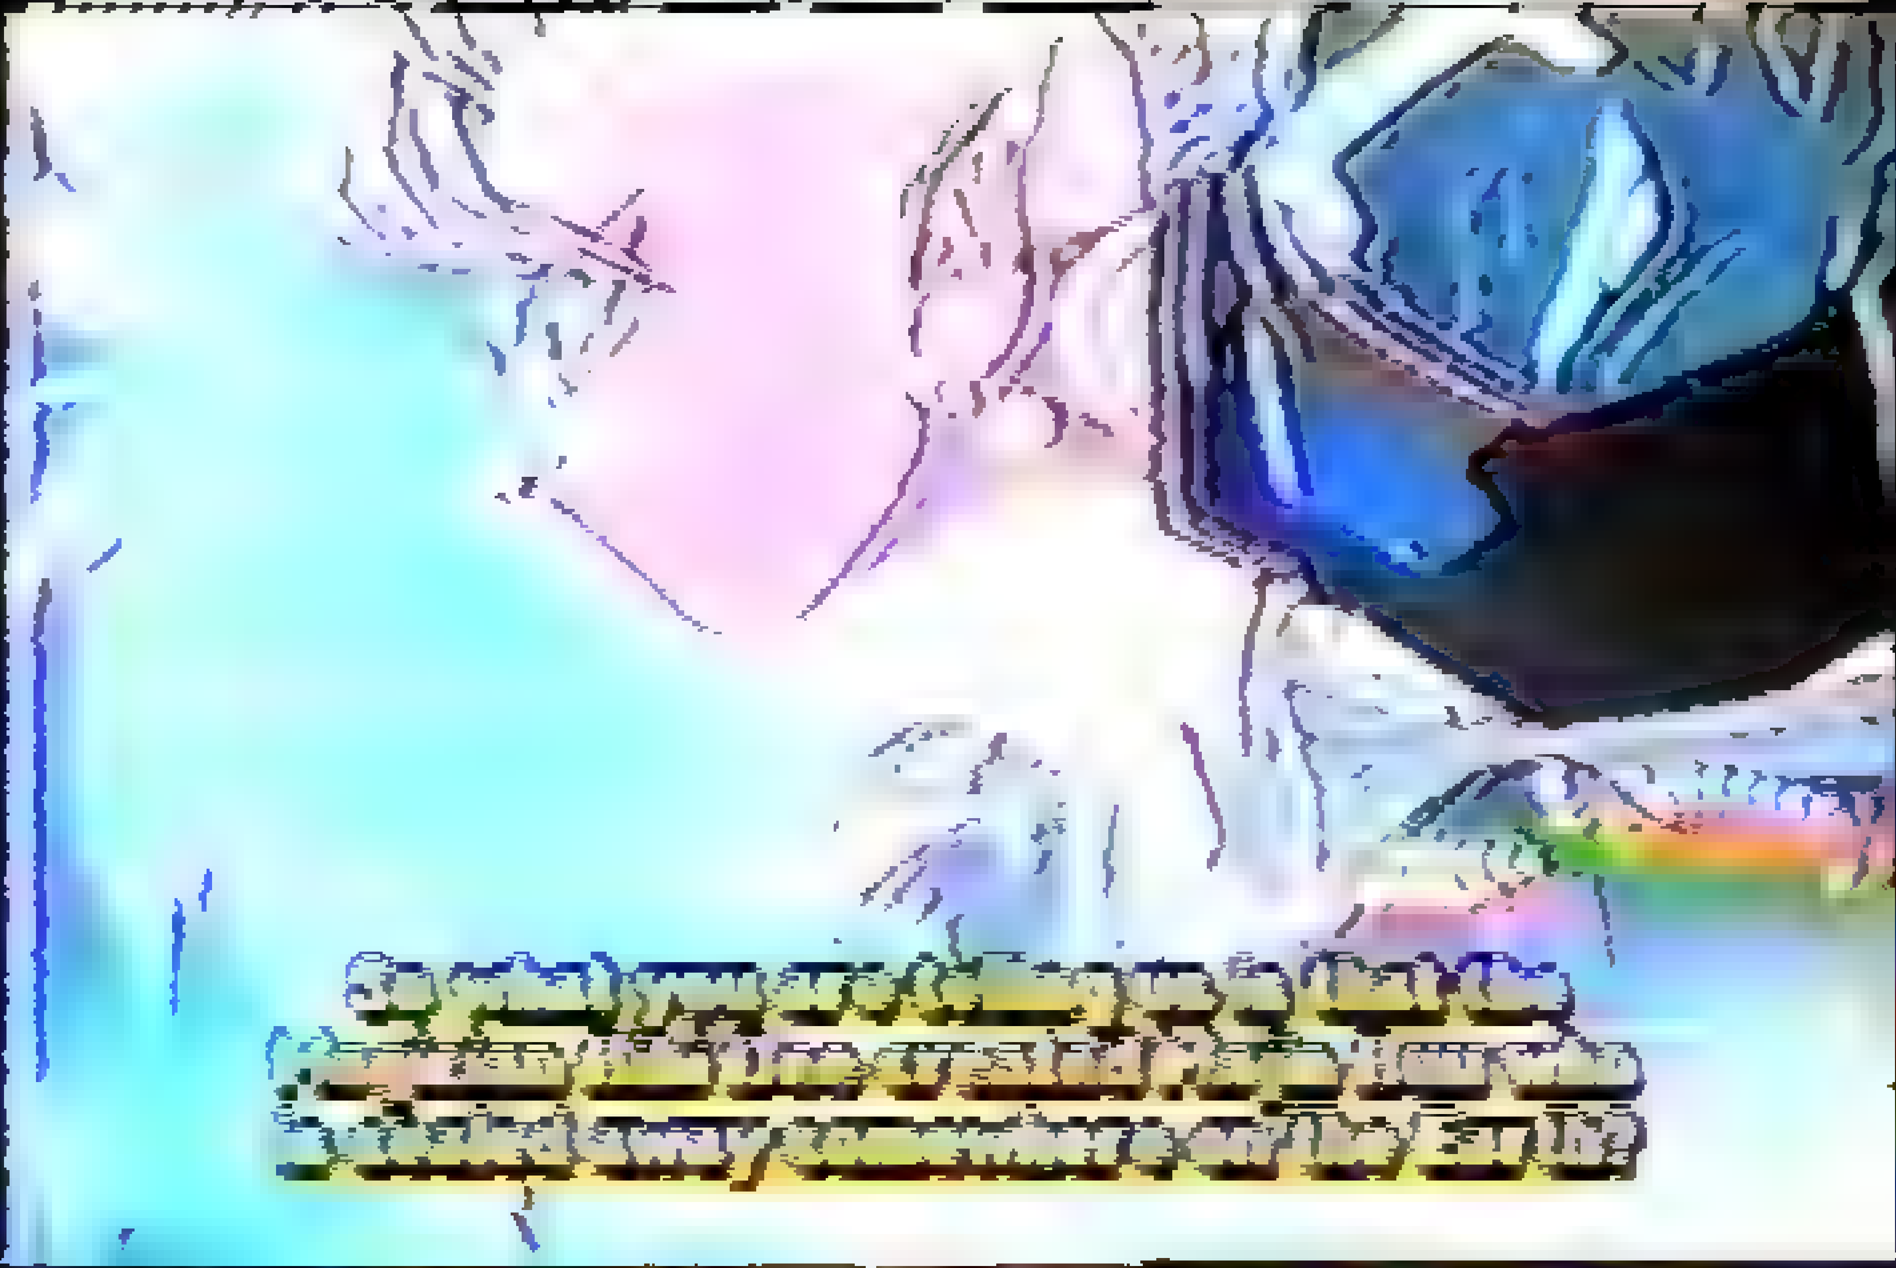

So what you are telling us is that the
is sealed away somewhere on the Earth?

So what you are telling us is that the
is sealed away somewhere on the Earth?

So what you are telling us is that the
is stashed away somewhere on the Earth?

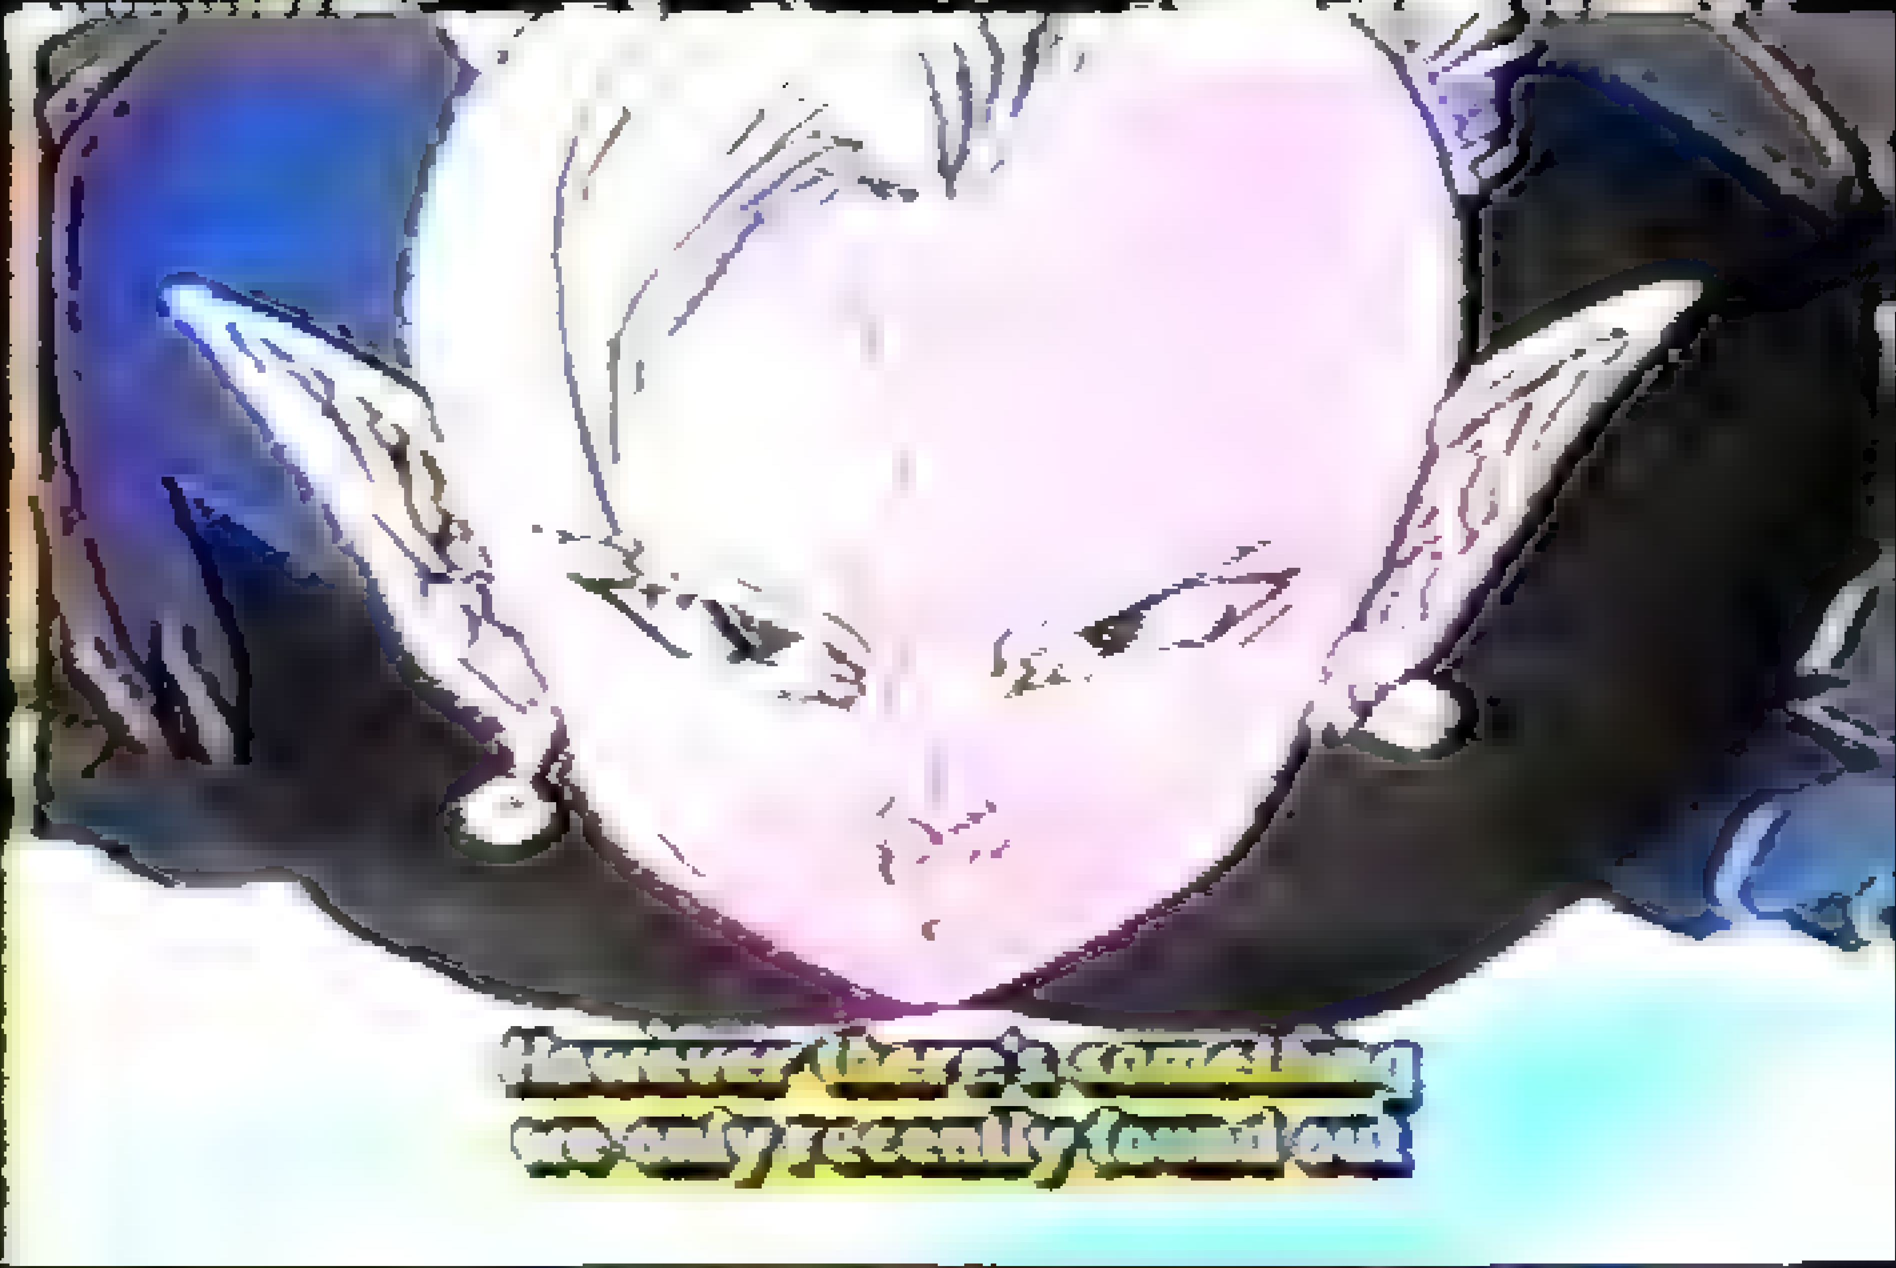

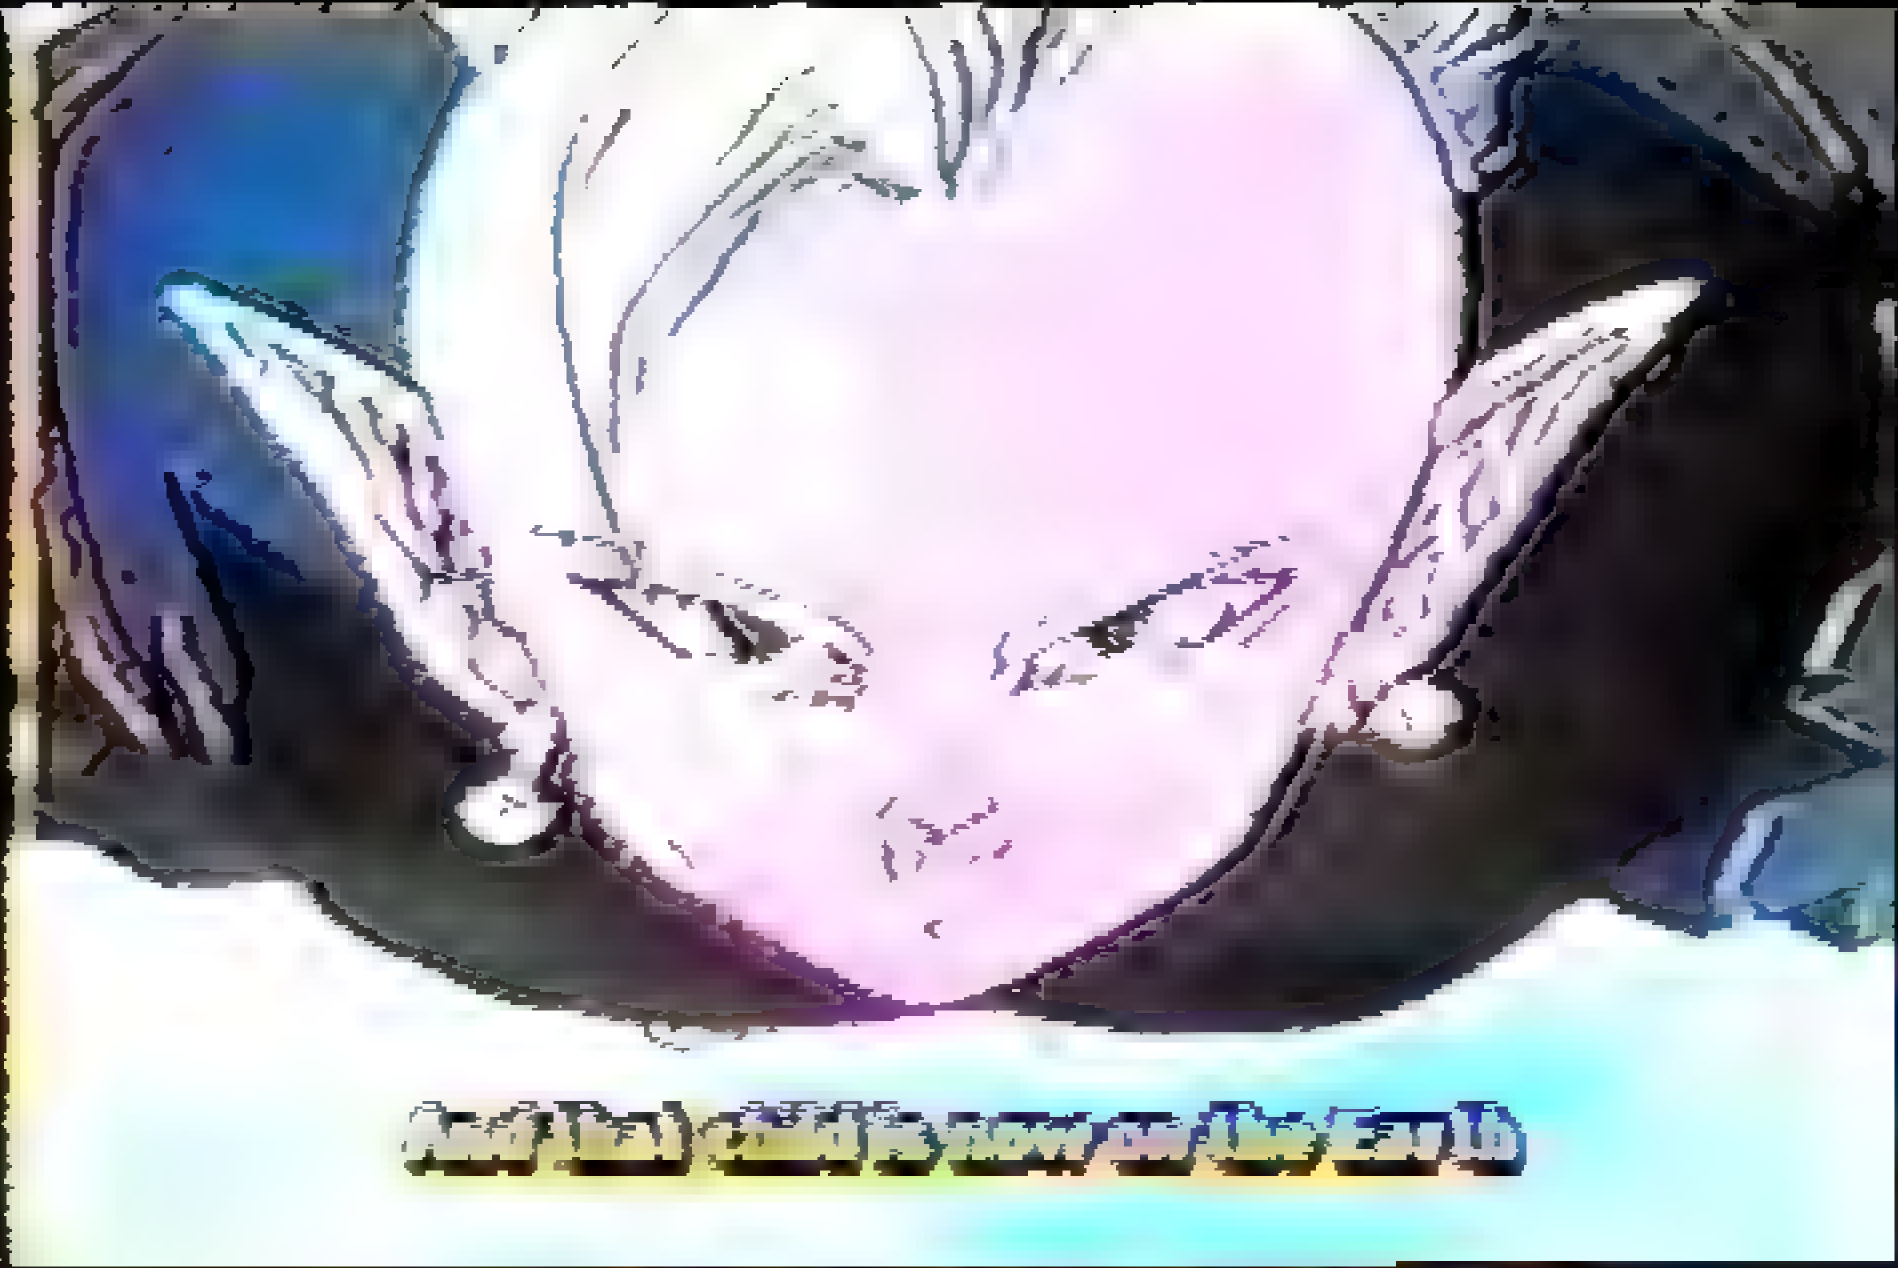

The only one who could
release the seal was Bibi Dee

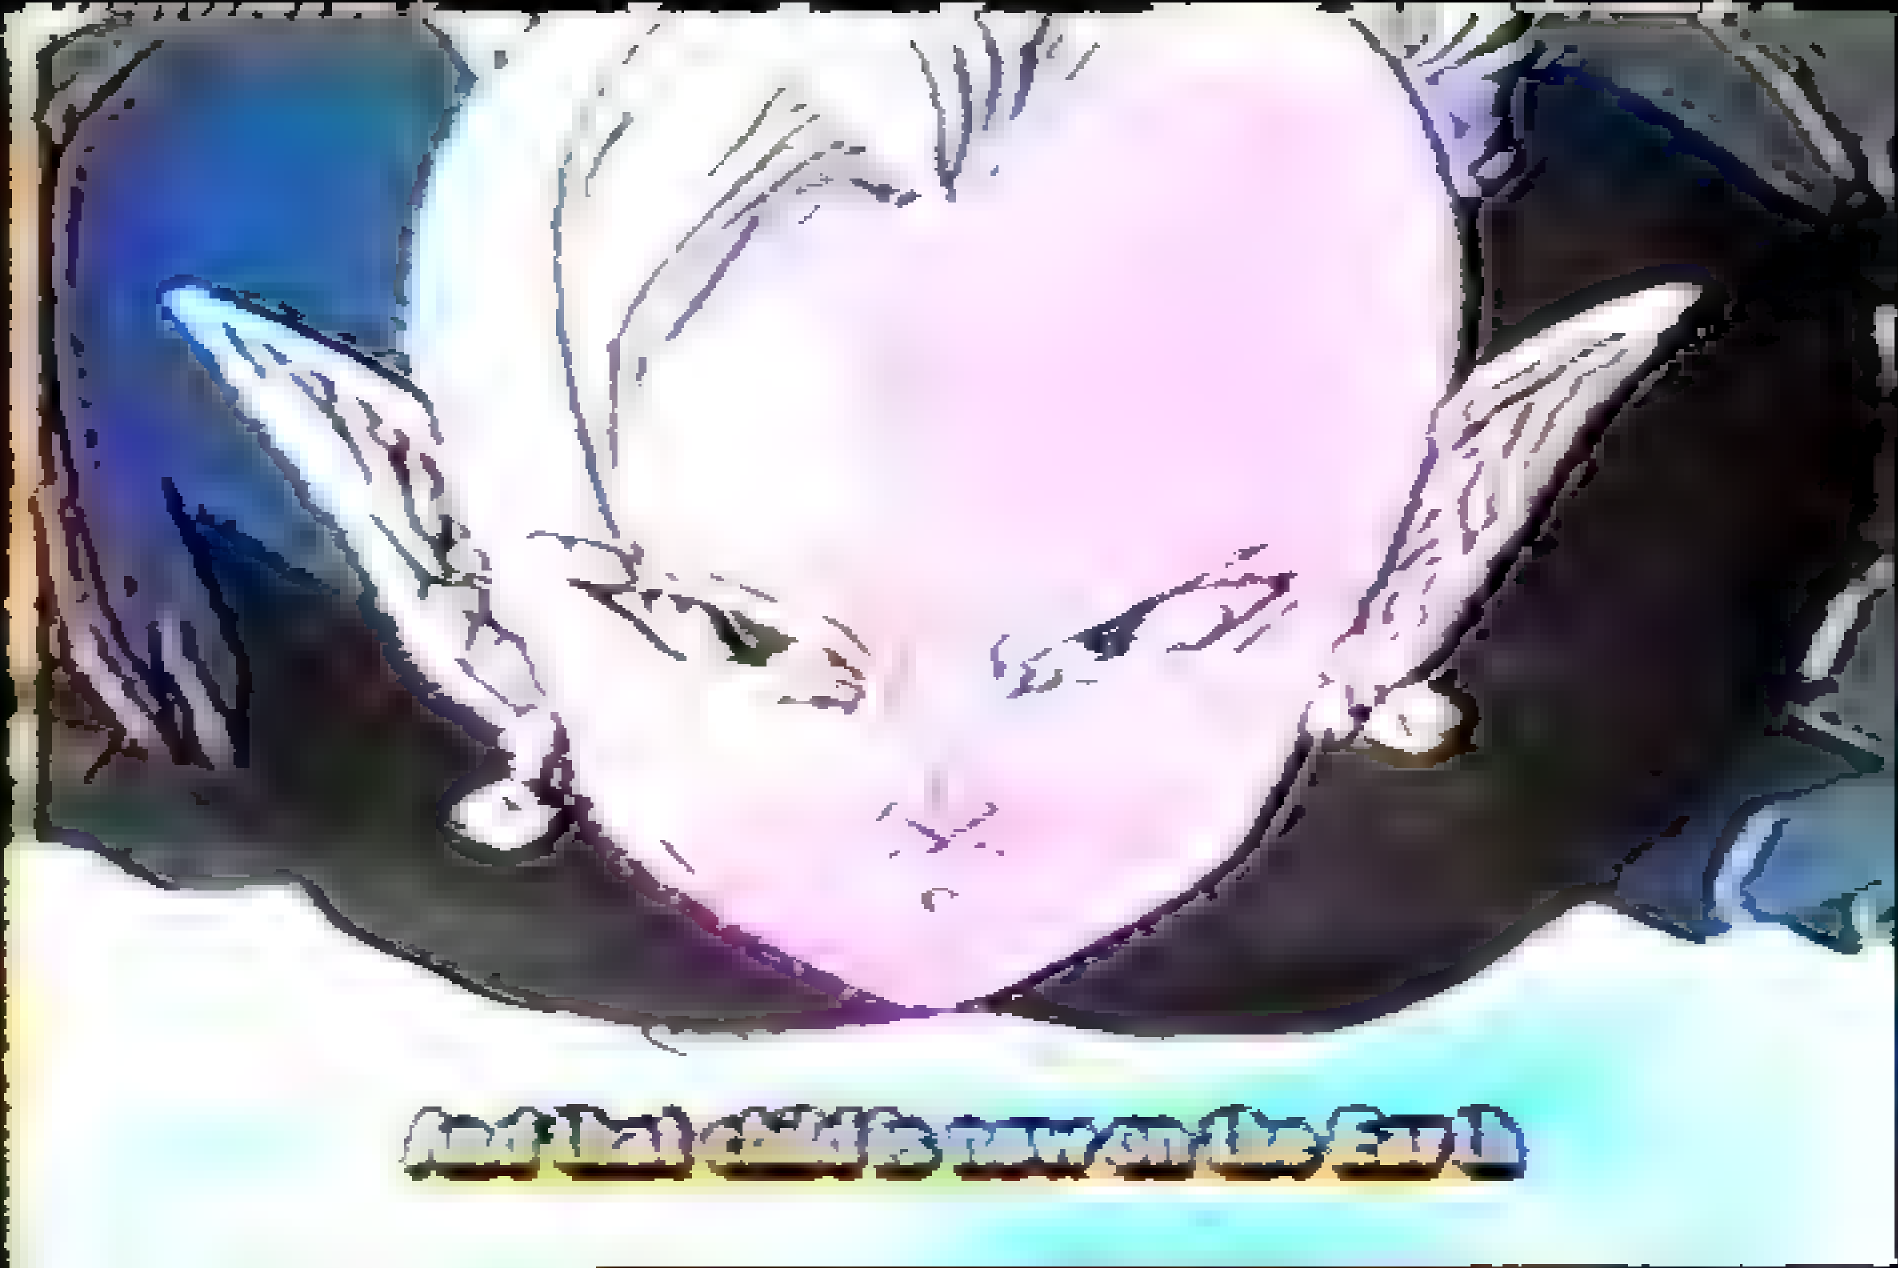

The only one who could
release the seal was Bibi Dee

So we let down our guard

However, there's something
we only recently found out

However, here's something
we only recently found out

And that child is now on the Earth

And that child is now on the Earth

I don't know about all this

I don't know about all this
talk of Magicians and Majins

I don't know about all this
talk of Magicians and Mojos

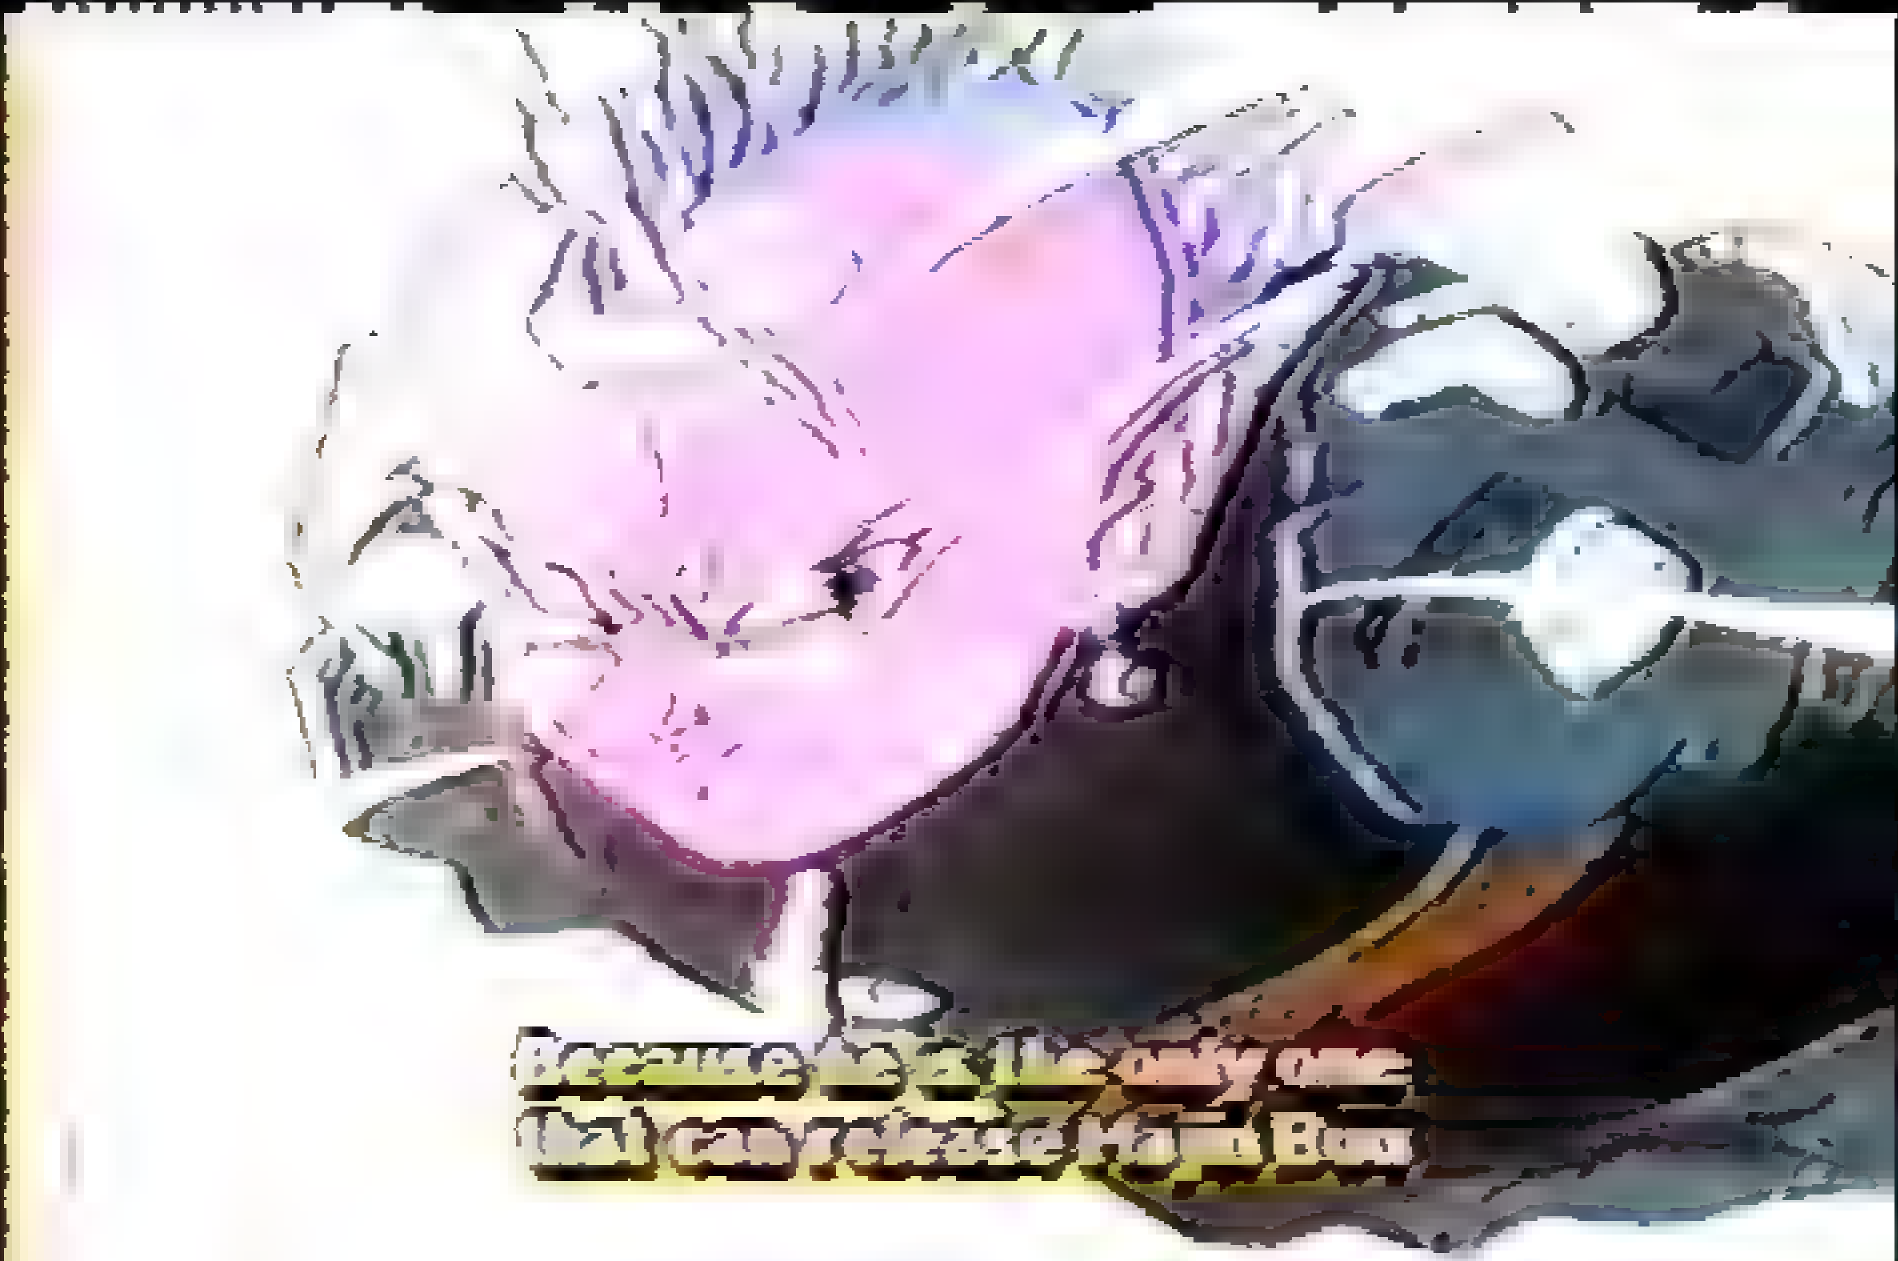

In other words all we have to do is to
keep him from resurrecting Majin Buu

But to do that we have to
defeat the Magician Babi Dee

Because he is the only one
that can release Majin Buu

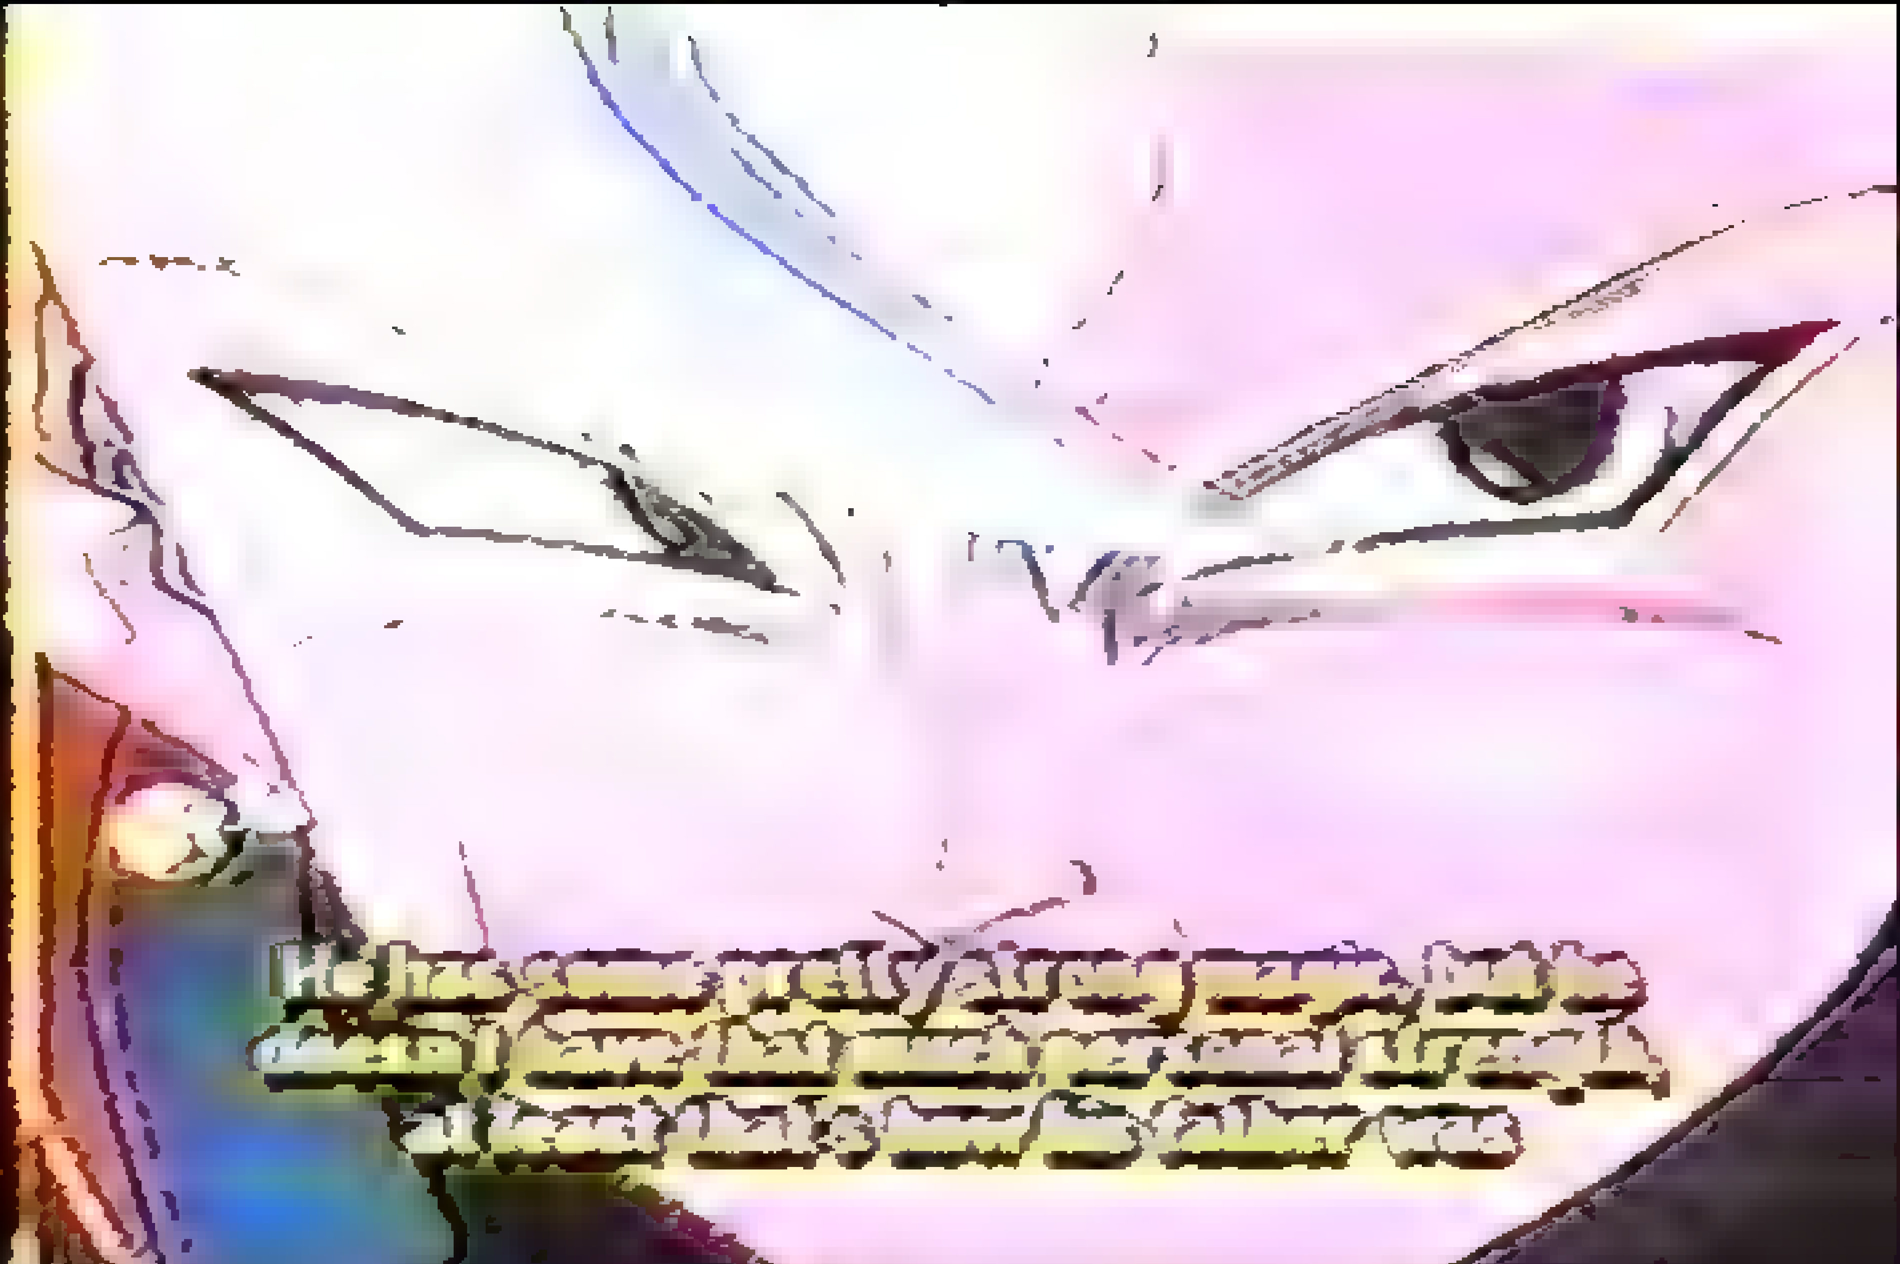

he is the only one
can release

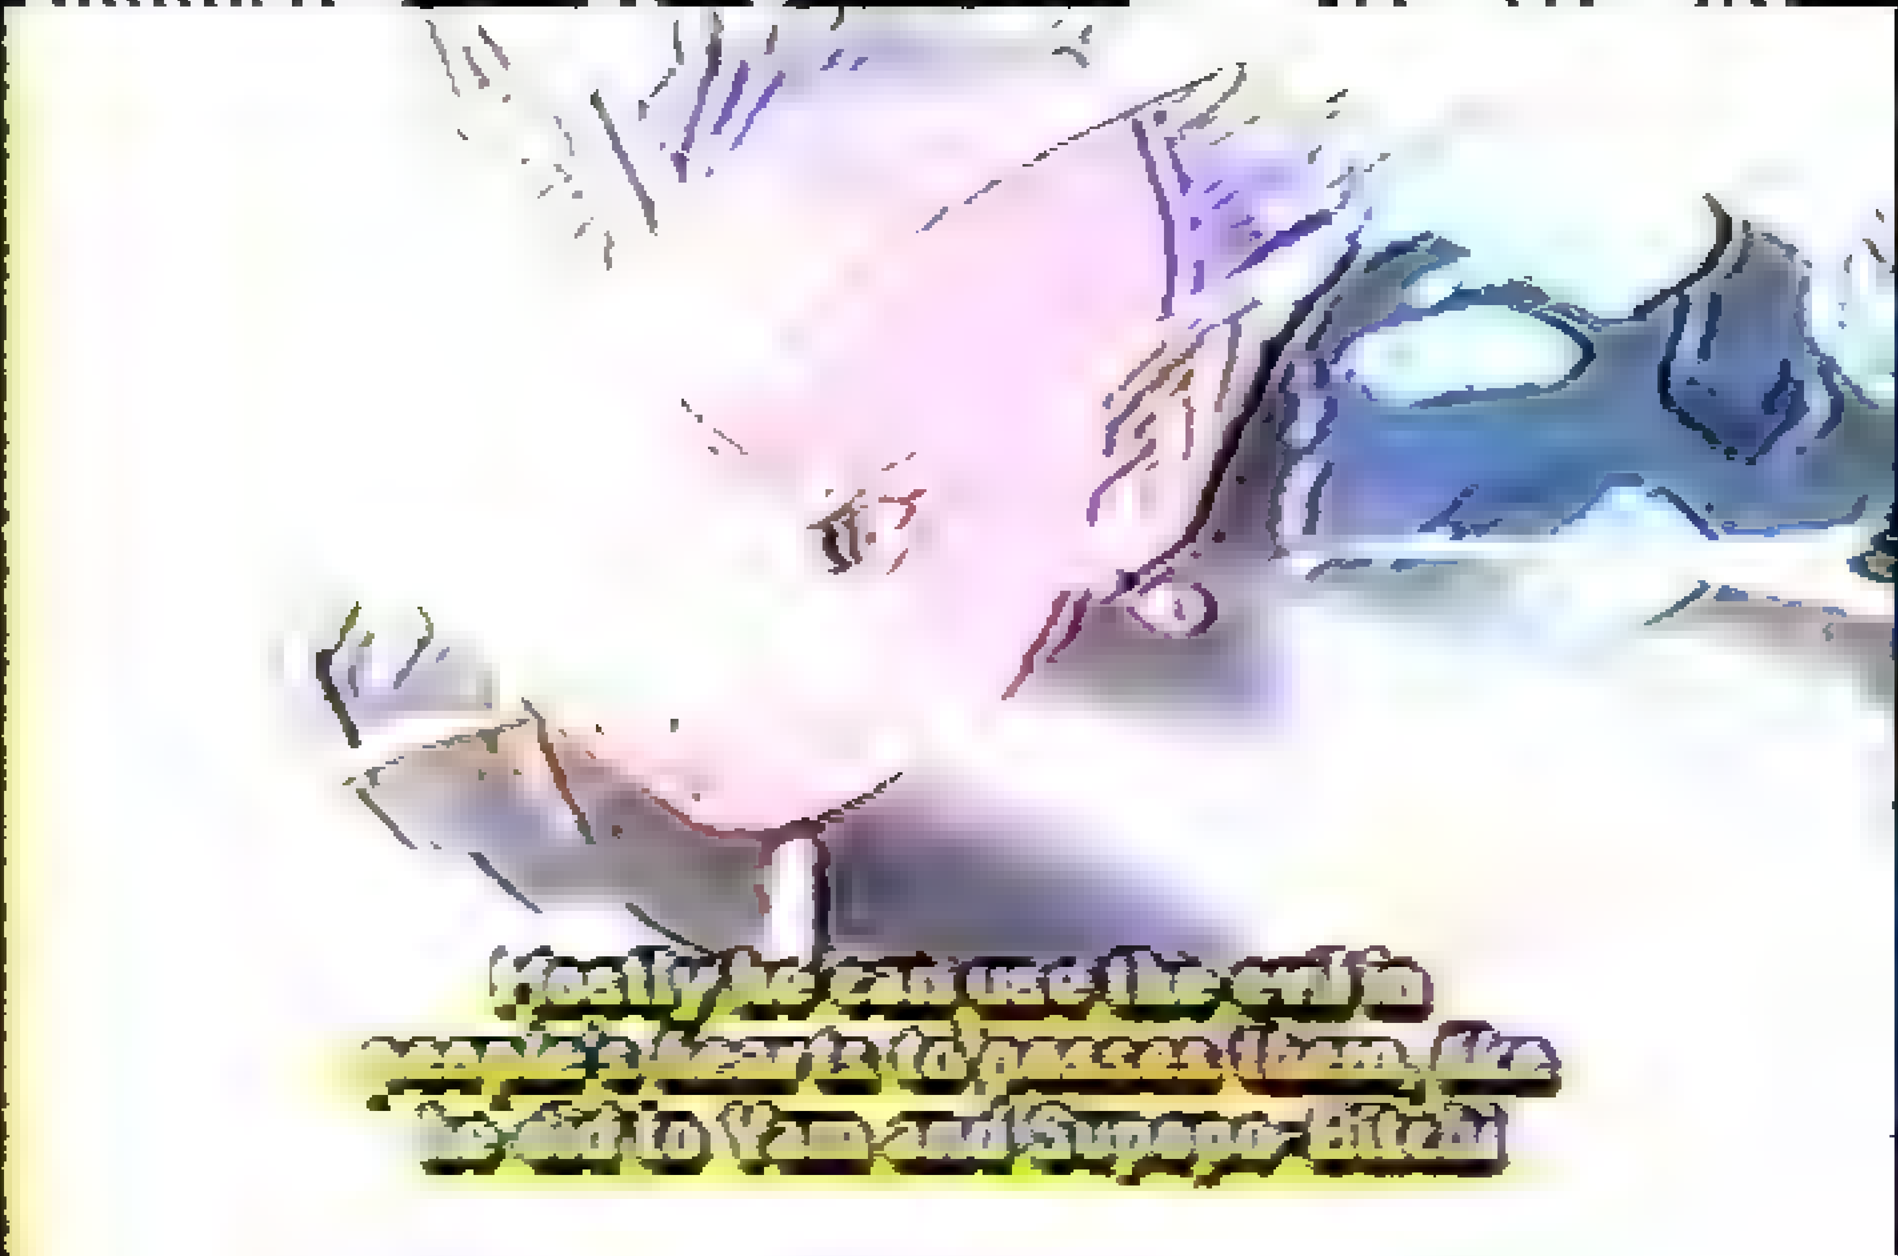

He has some pretty strong magic, but he
at least that's how his father was

He has some pretty strong magic, but he
doesn't have that much personal strength,
at least that's how his father was

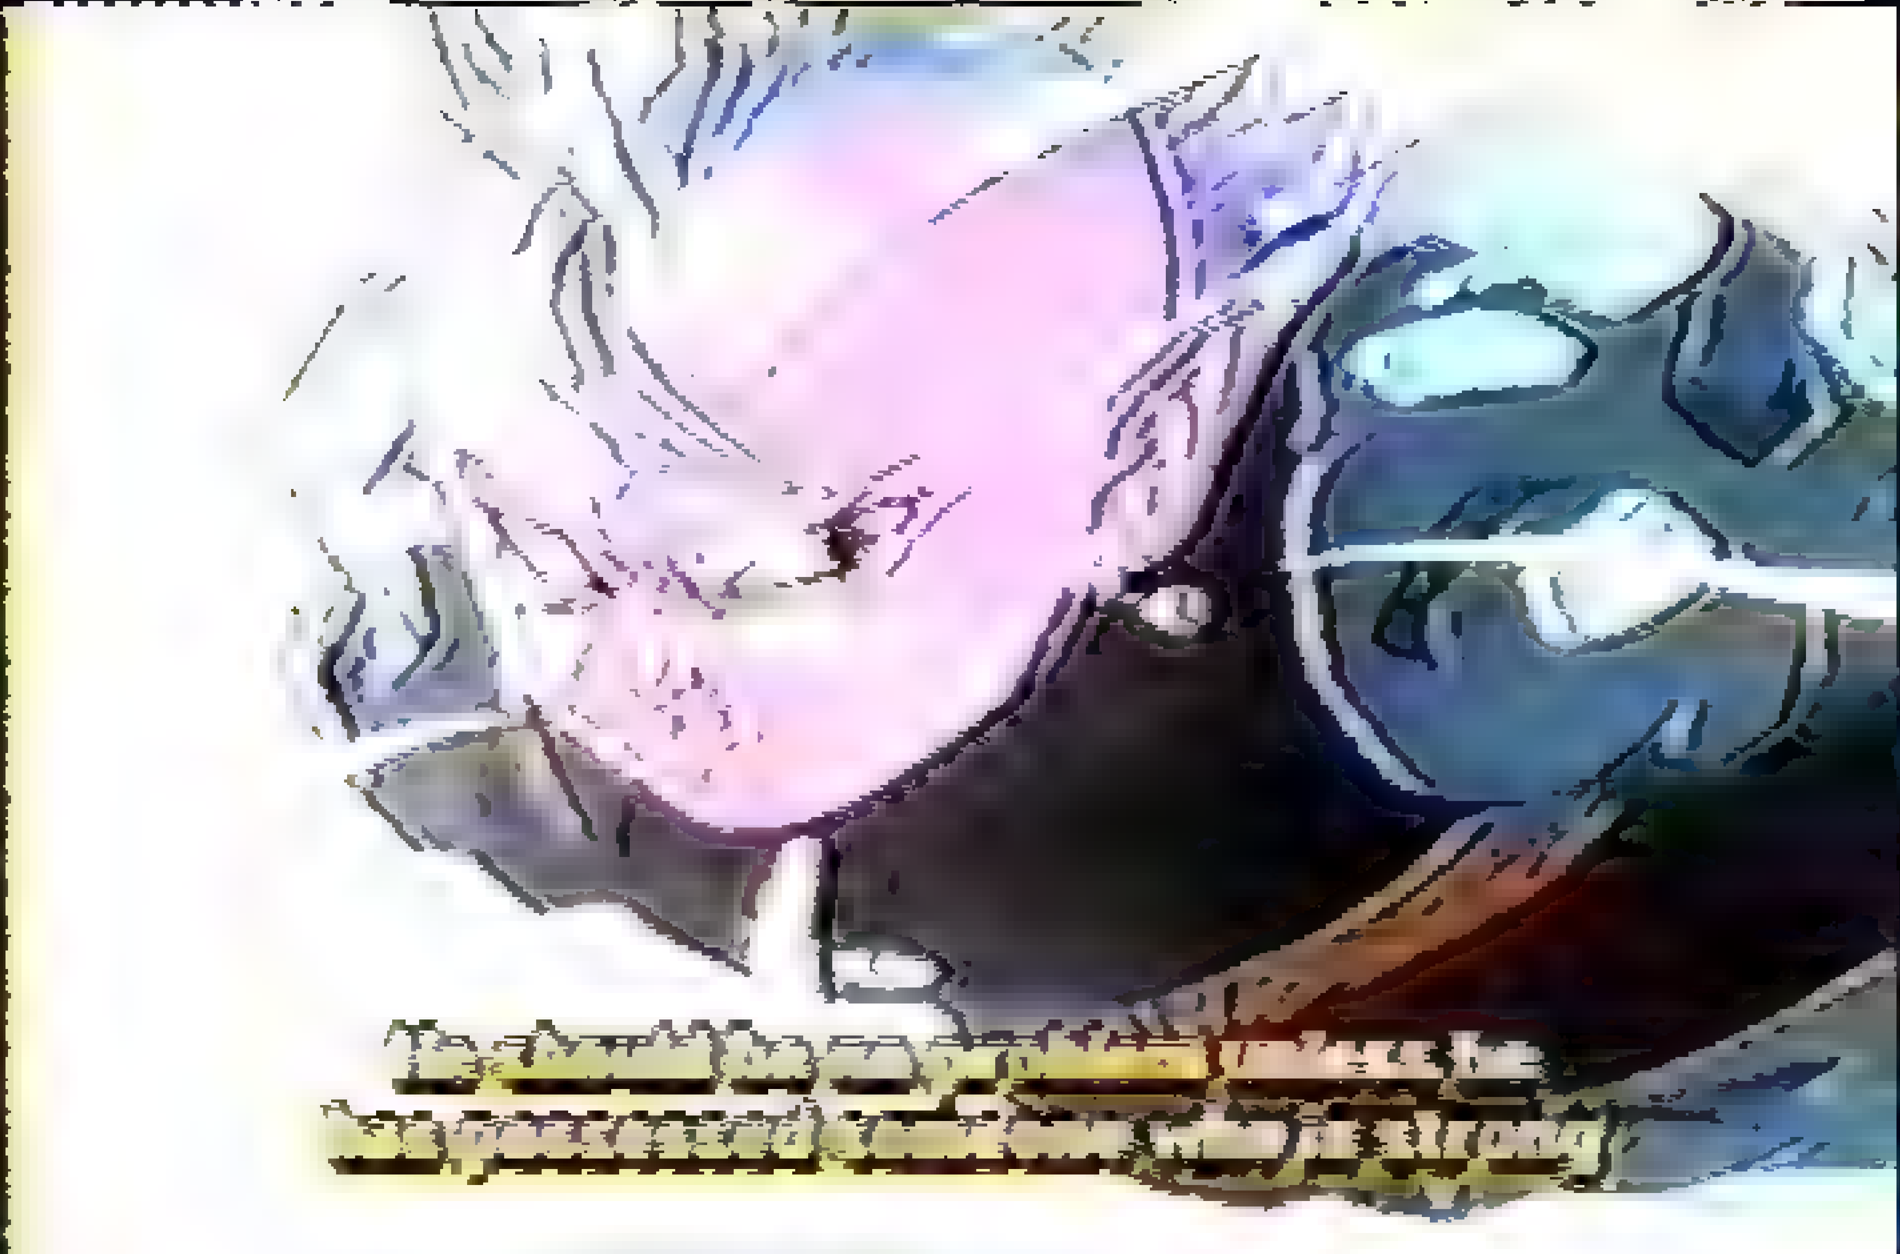

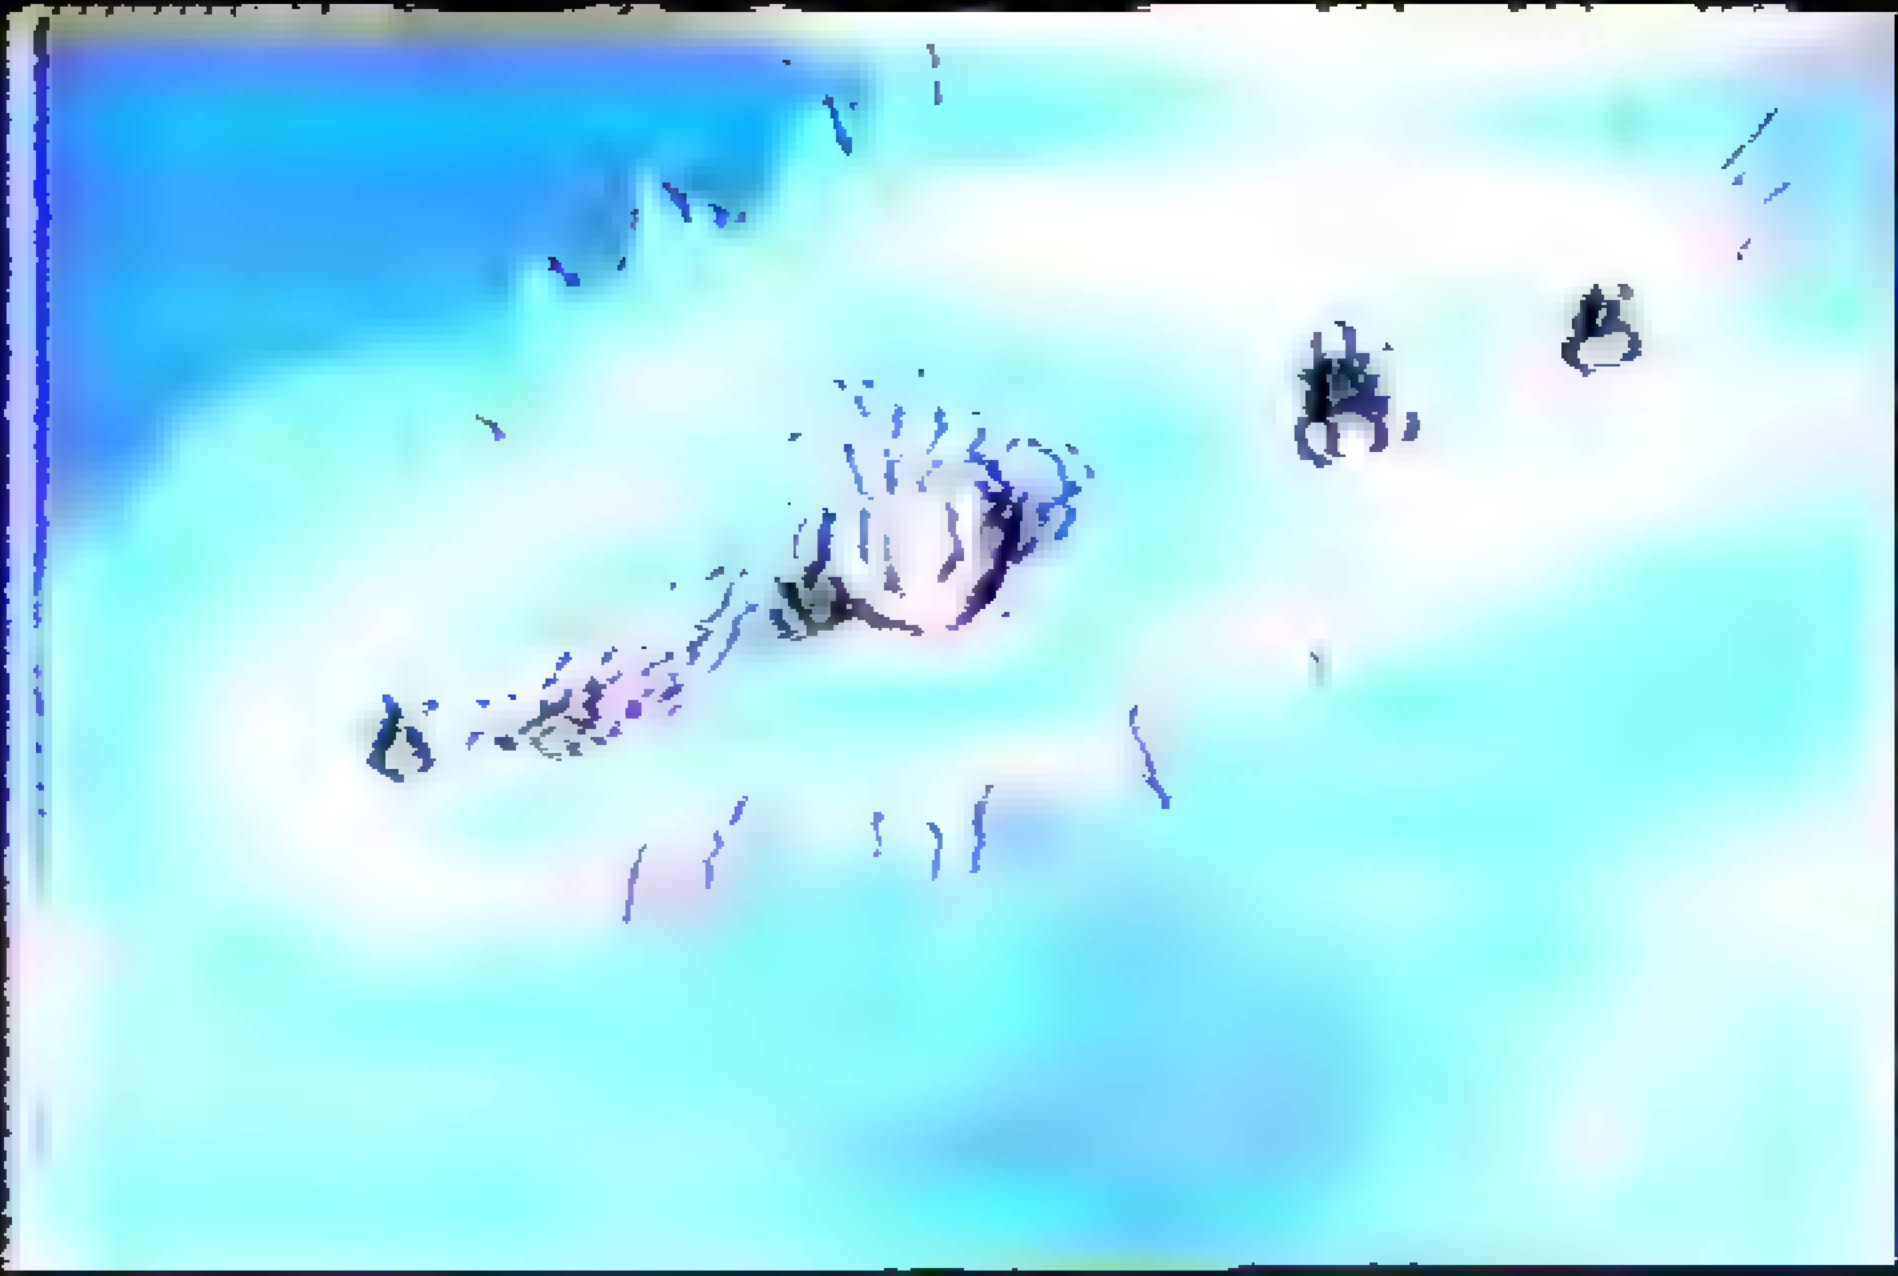

Mostly he can use the evil in
people's hearts to possess them, like
he did to Yam and Supopo

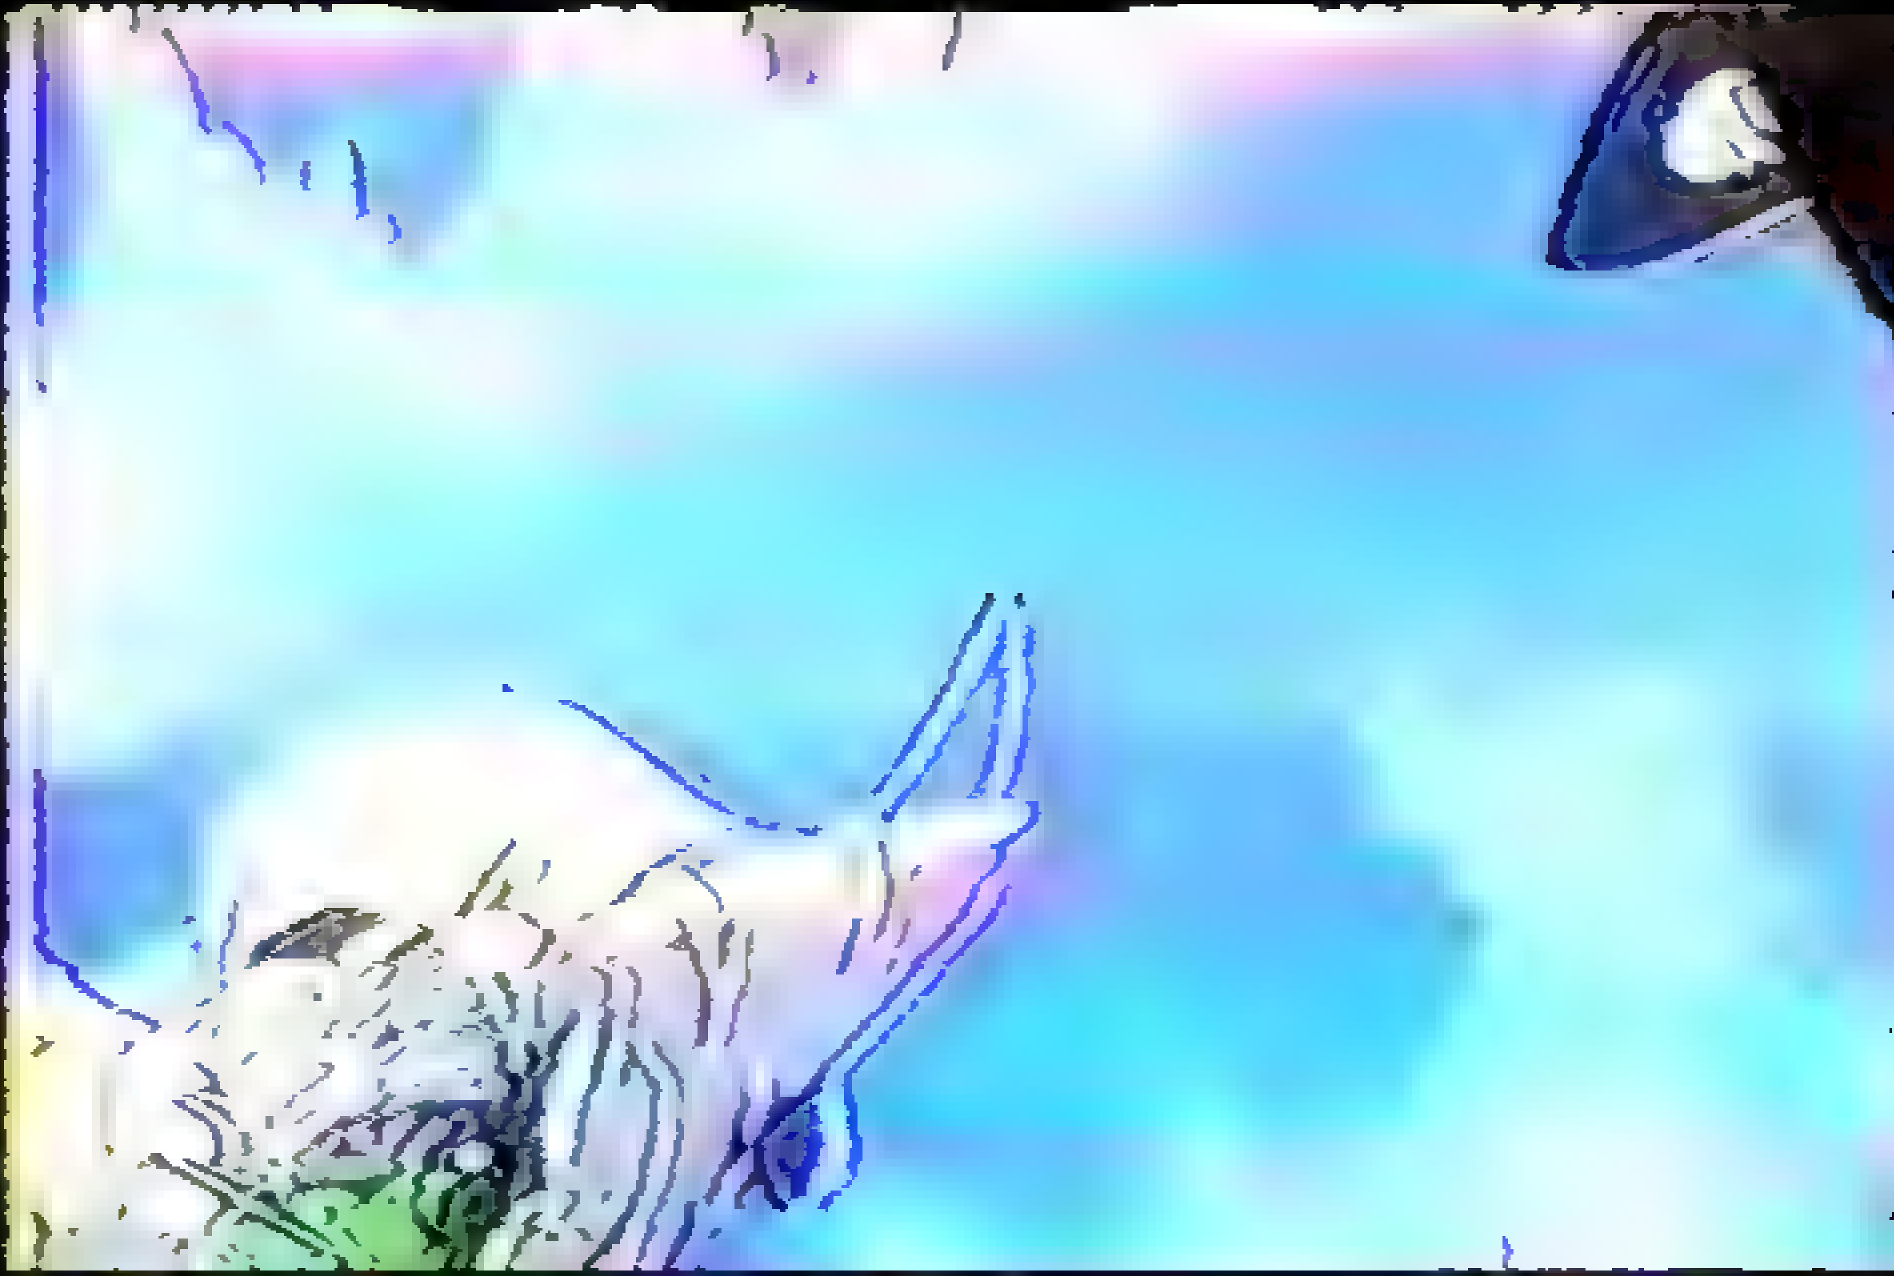

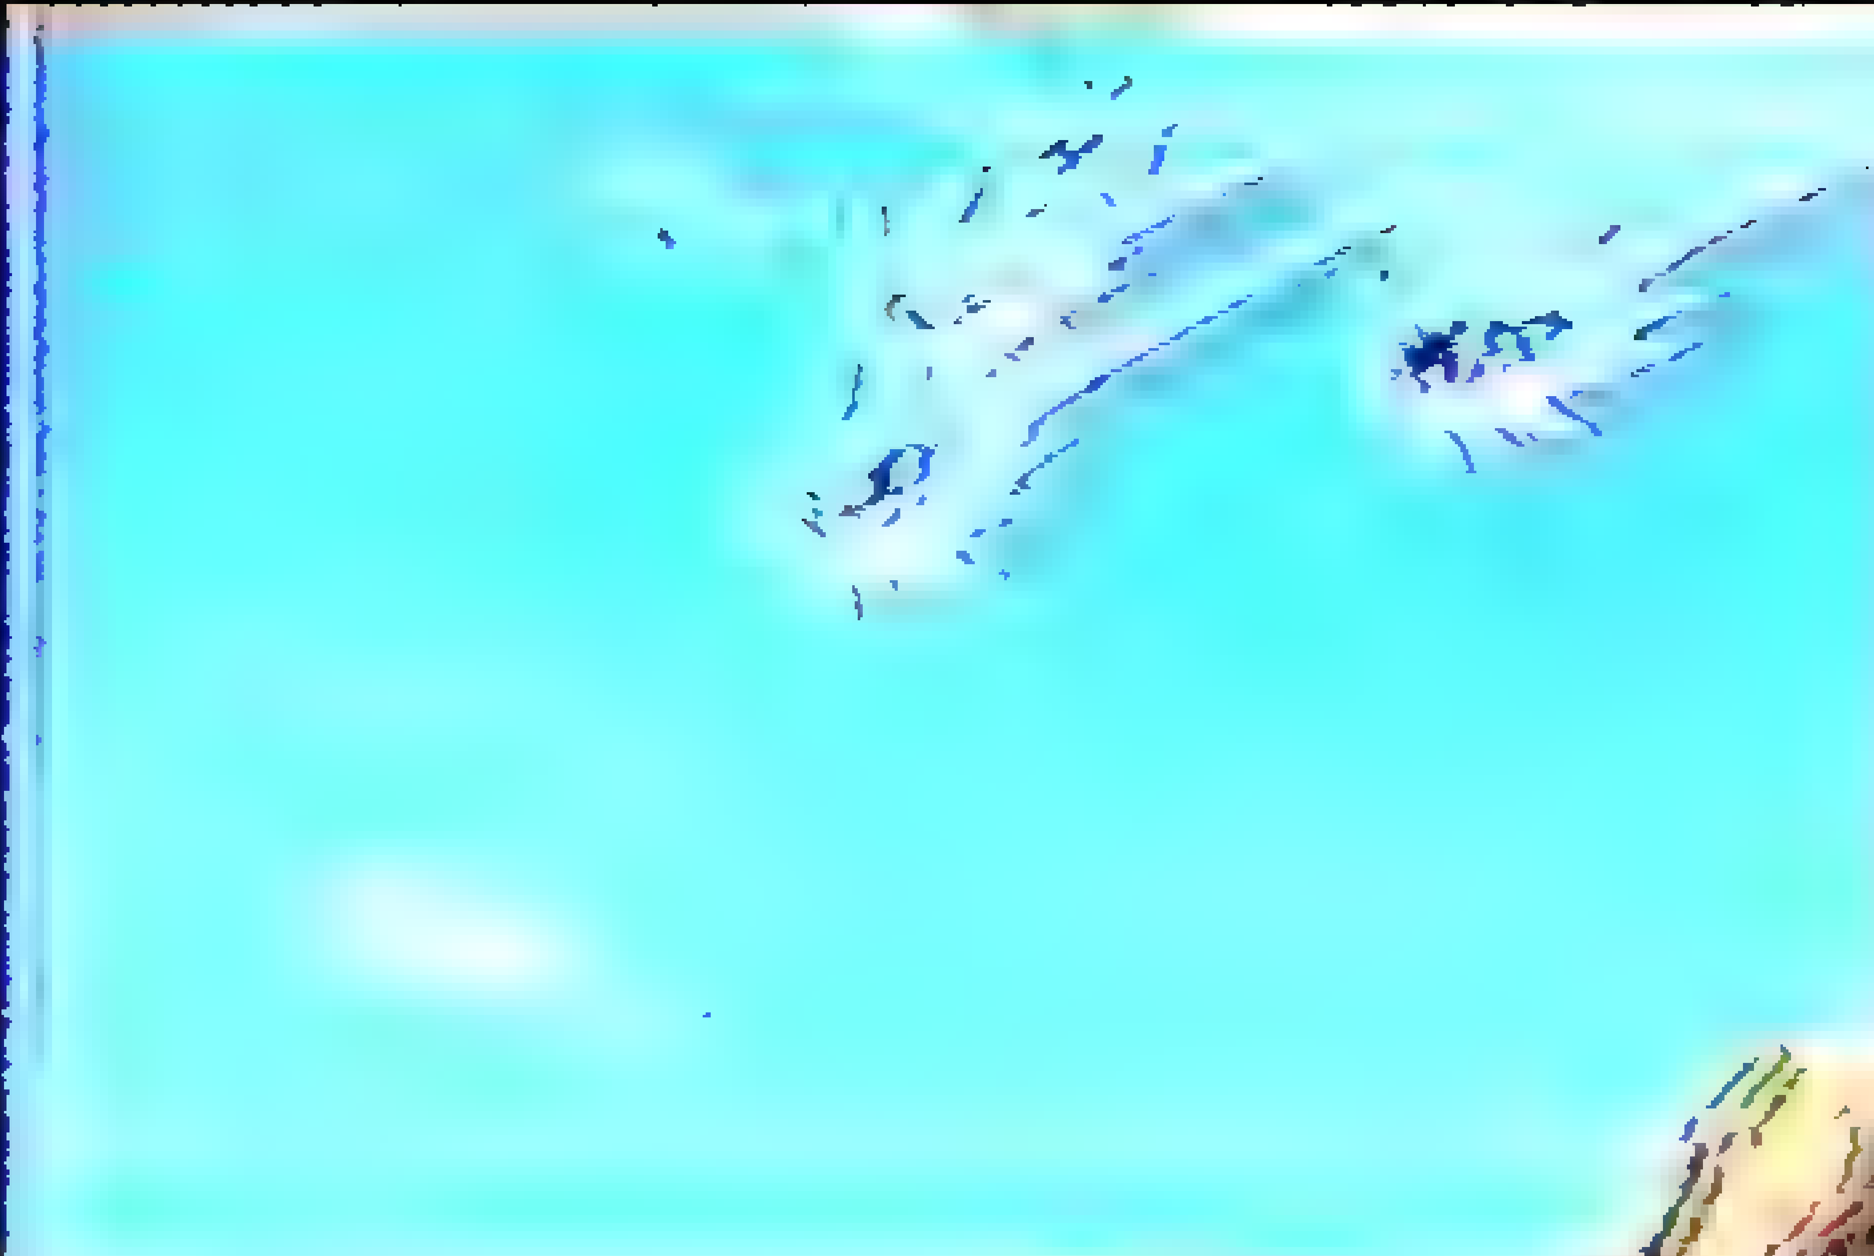

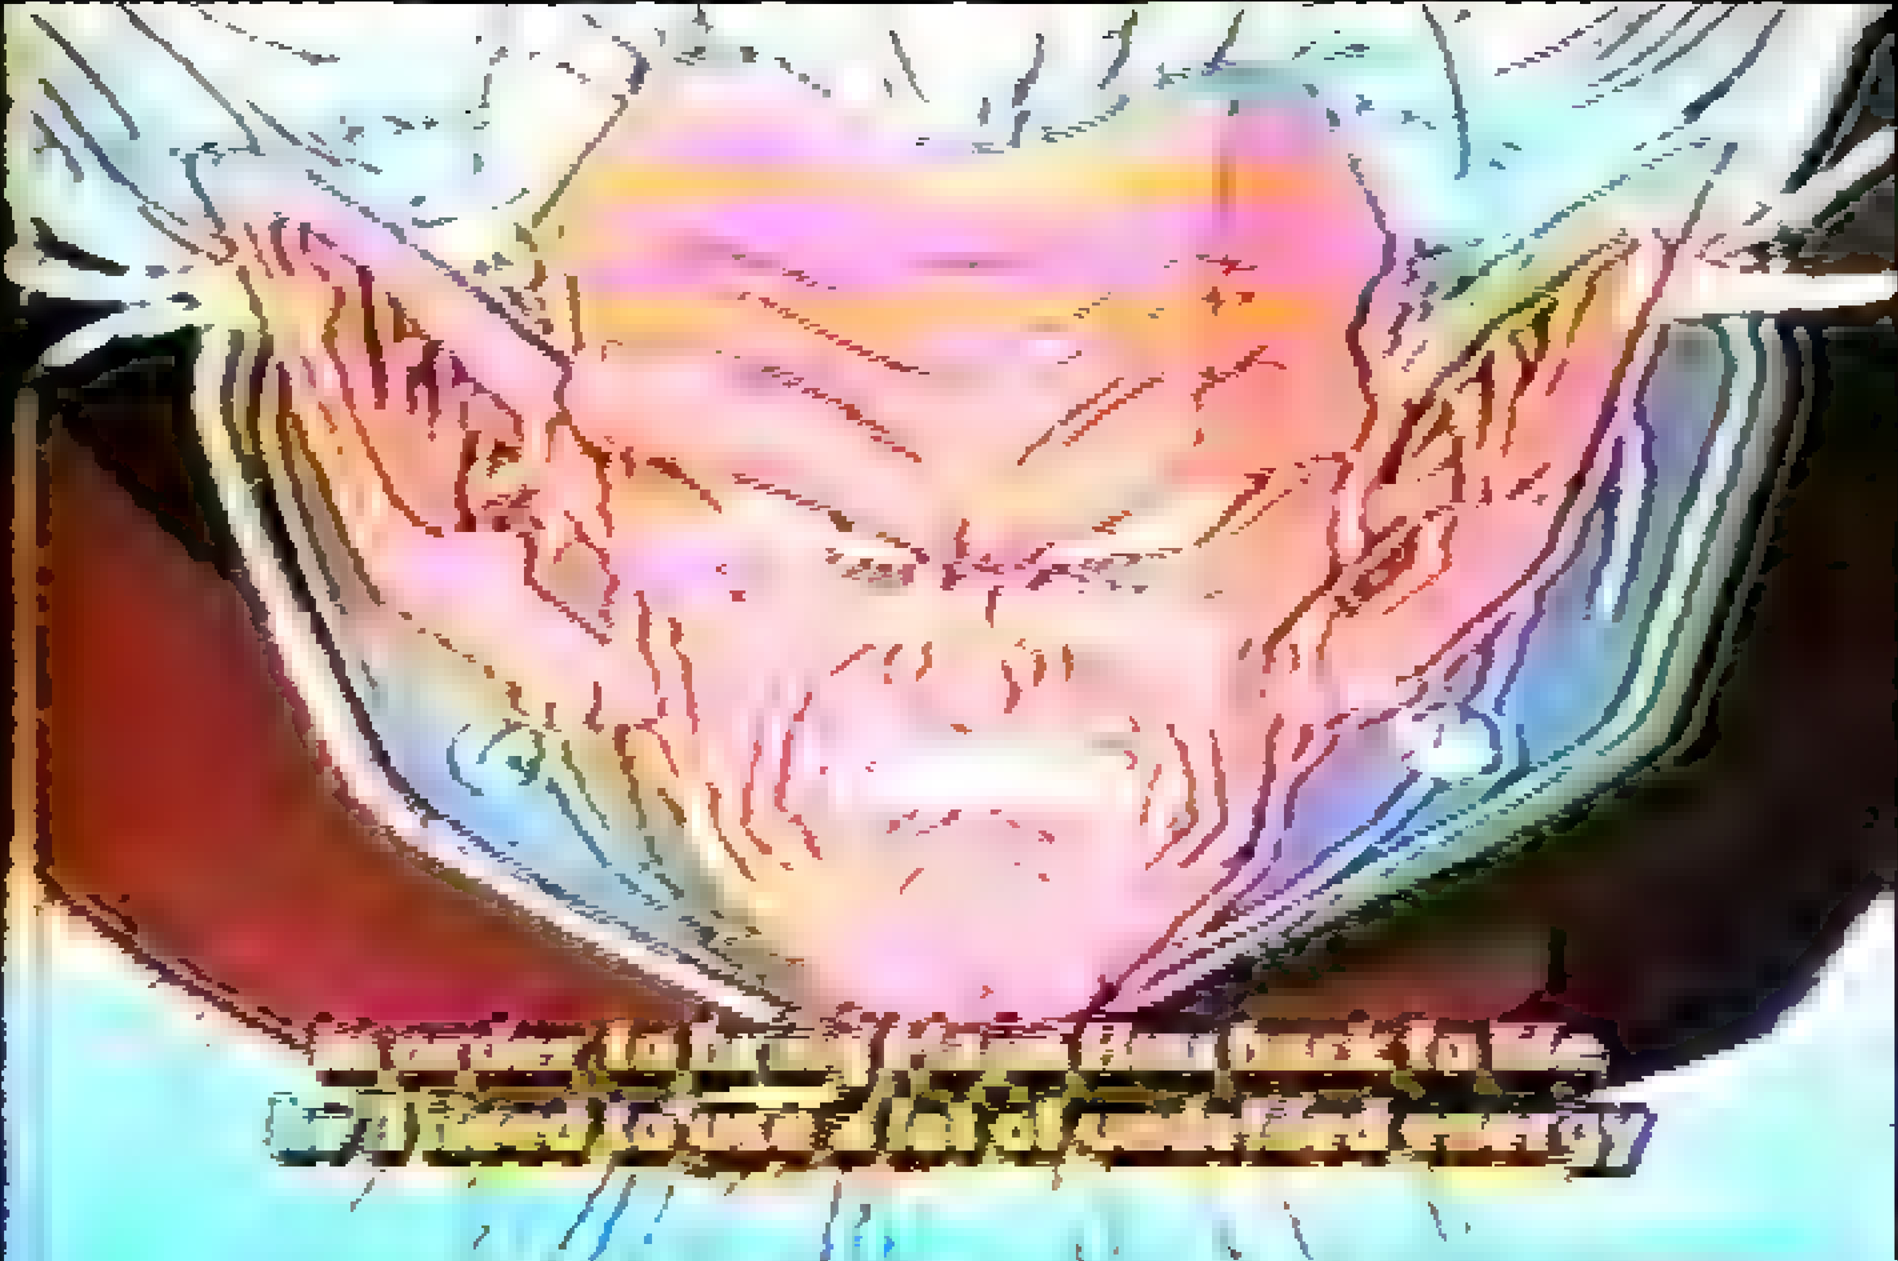

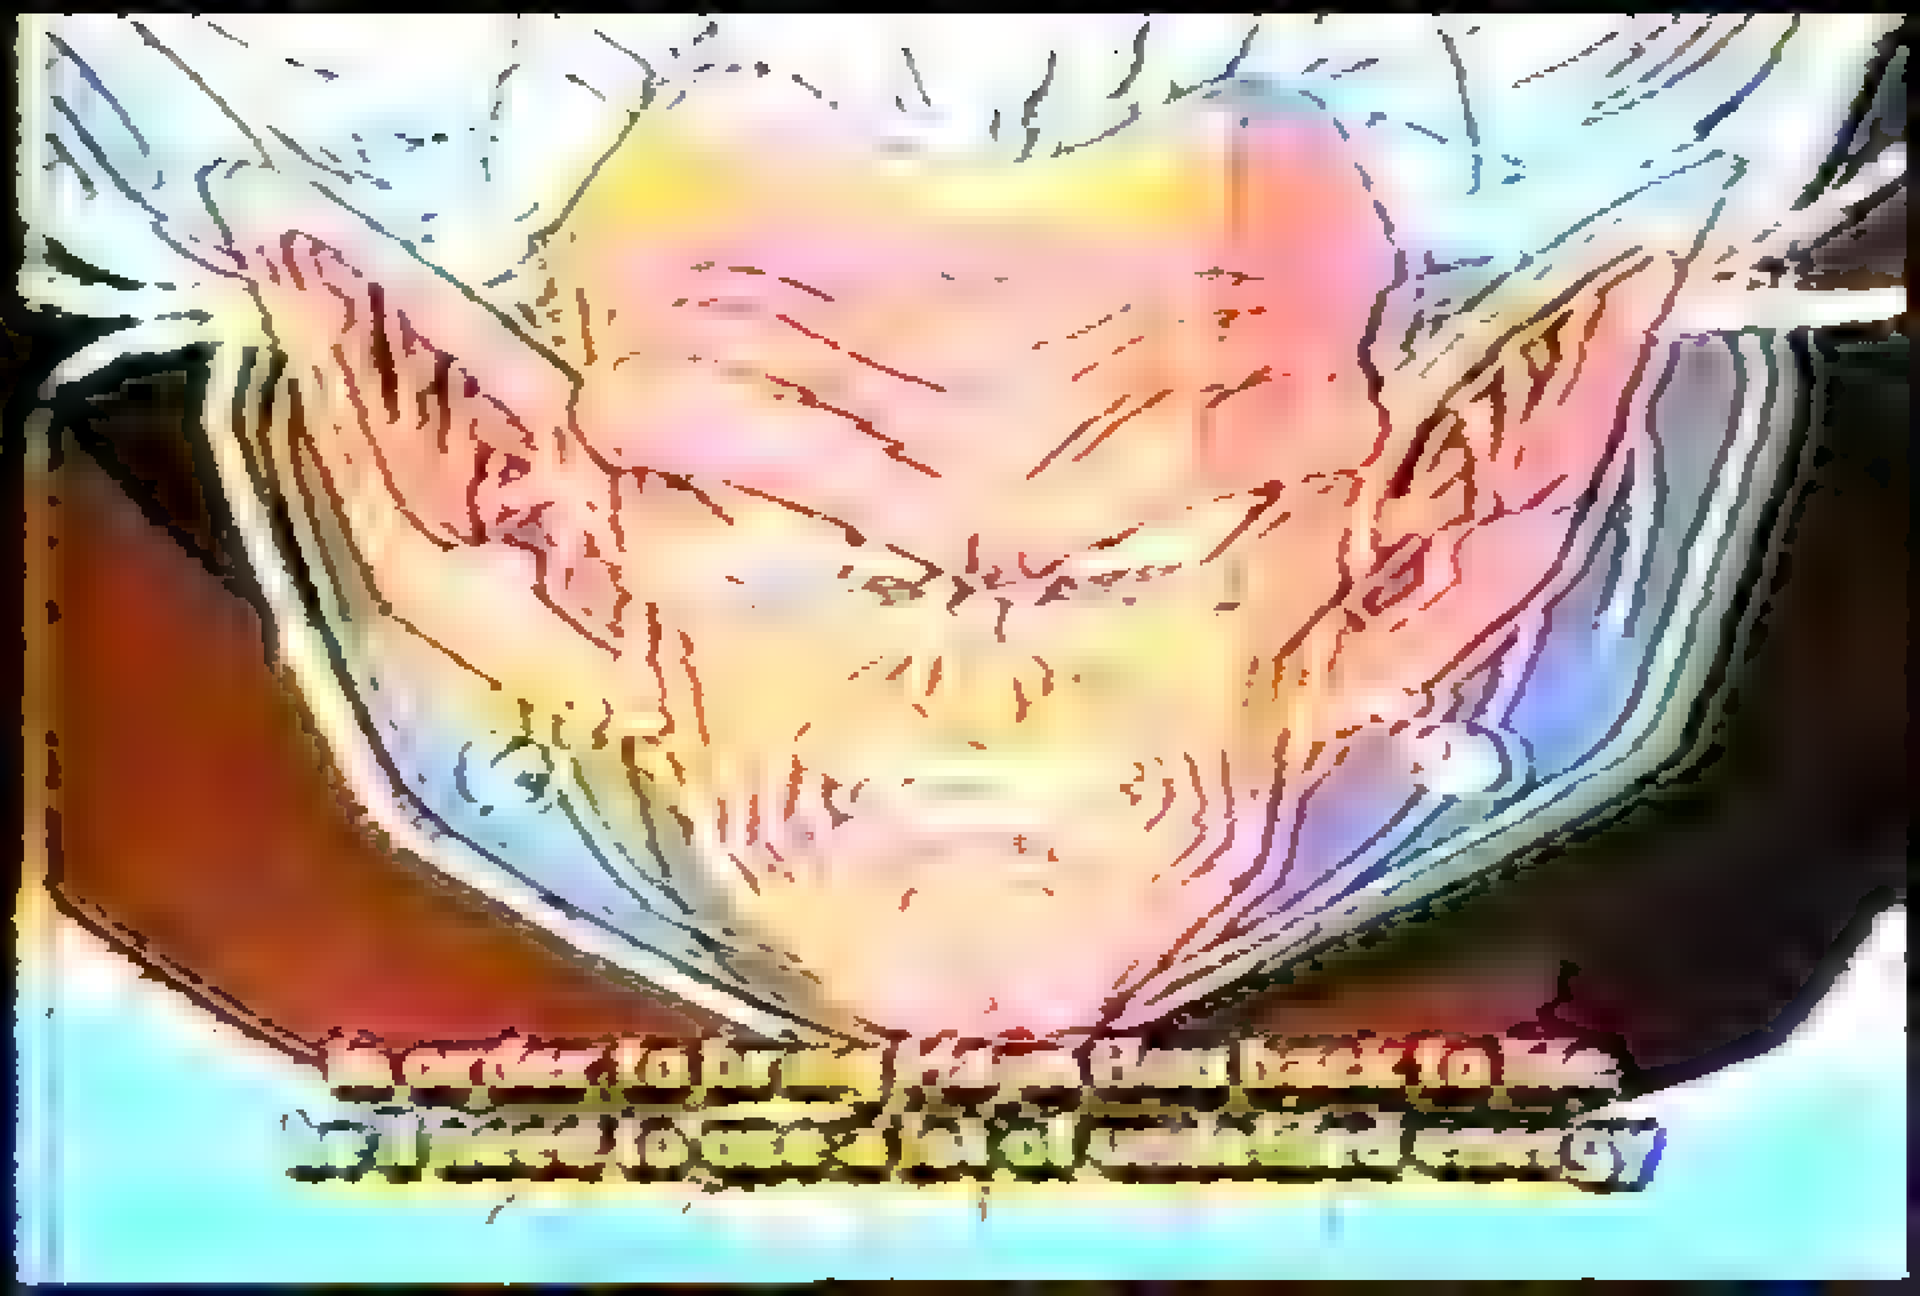

So why did Yamu and Spopovich come to the Martial Arts Competition?

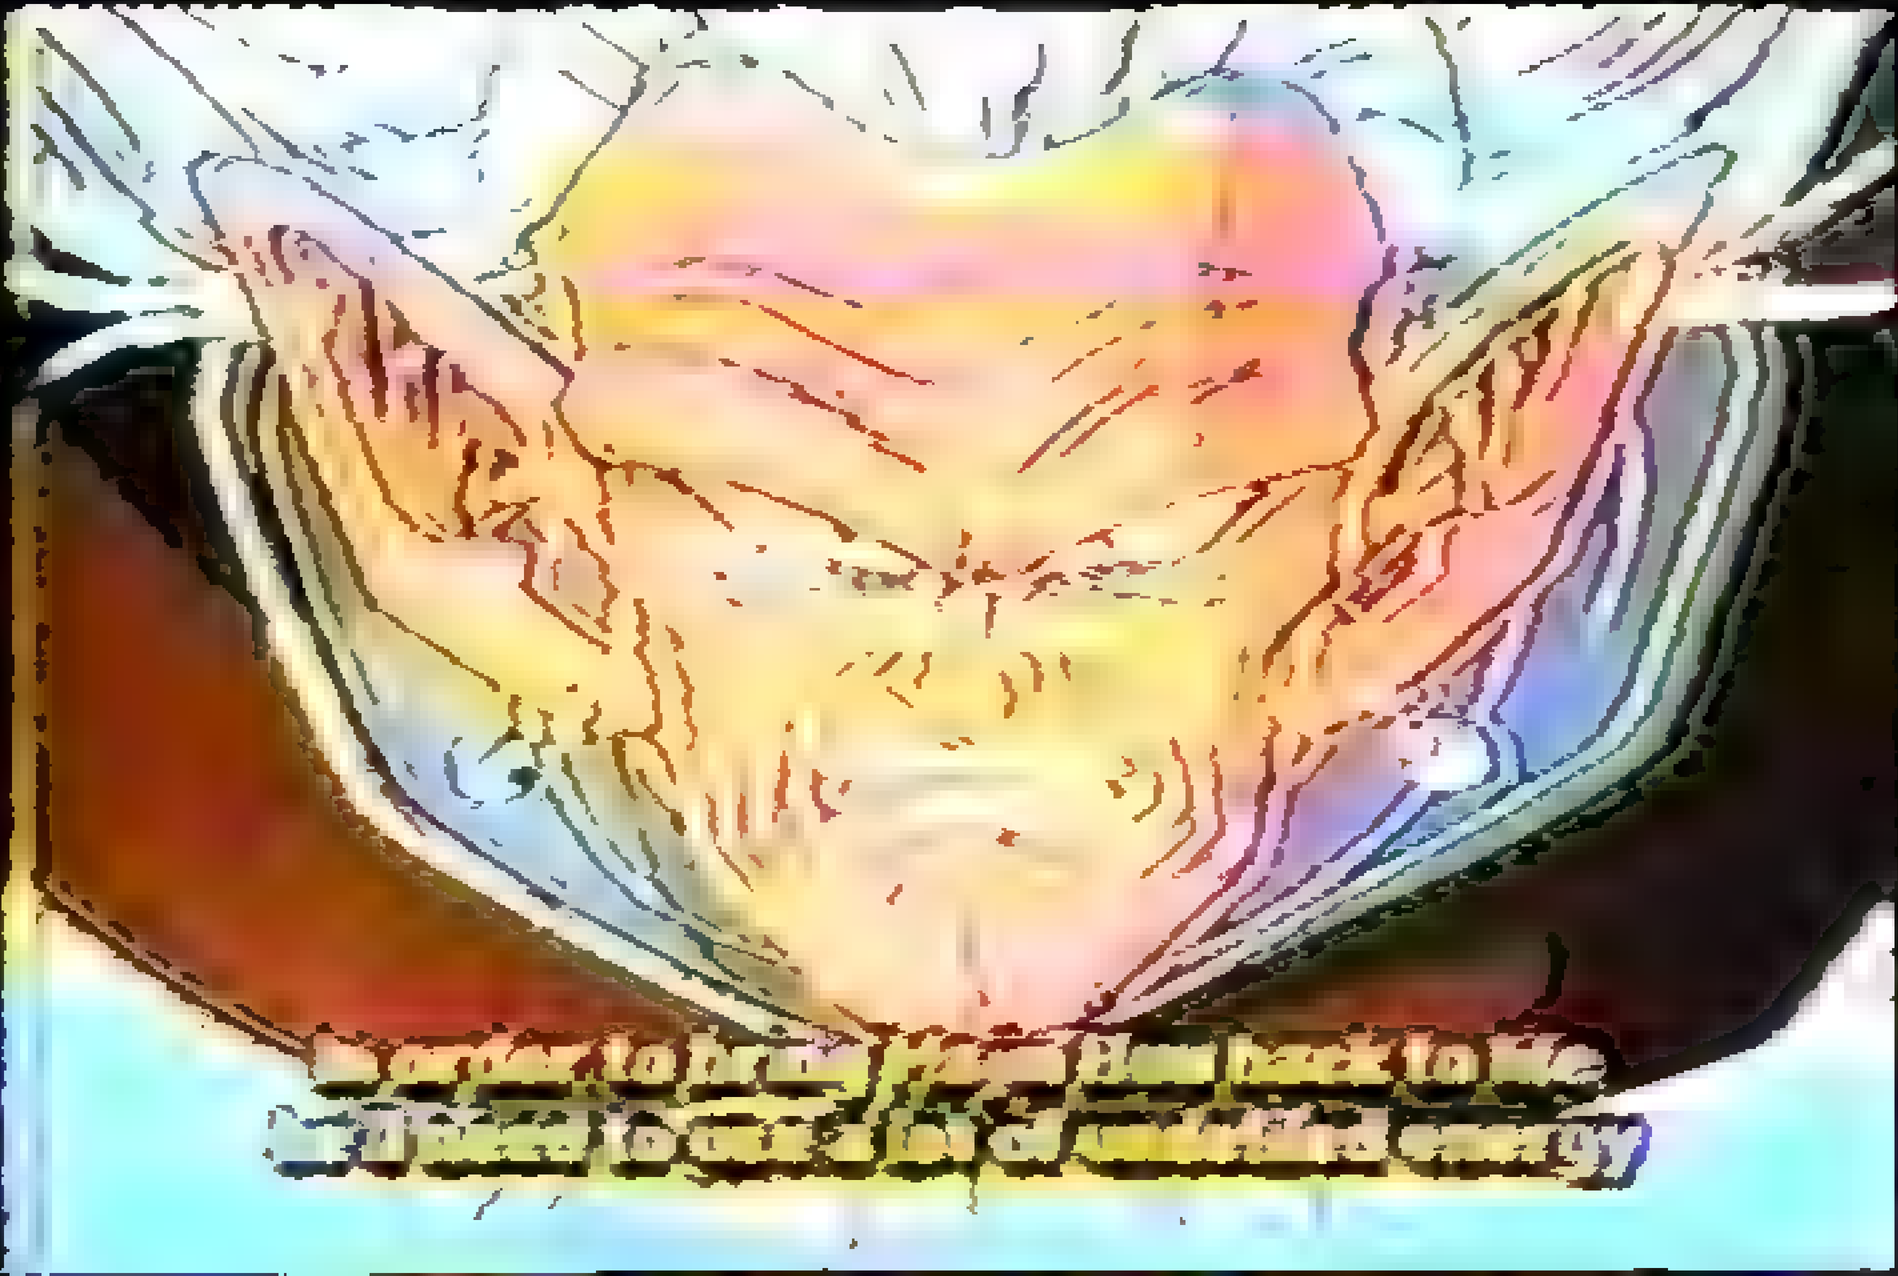

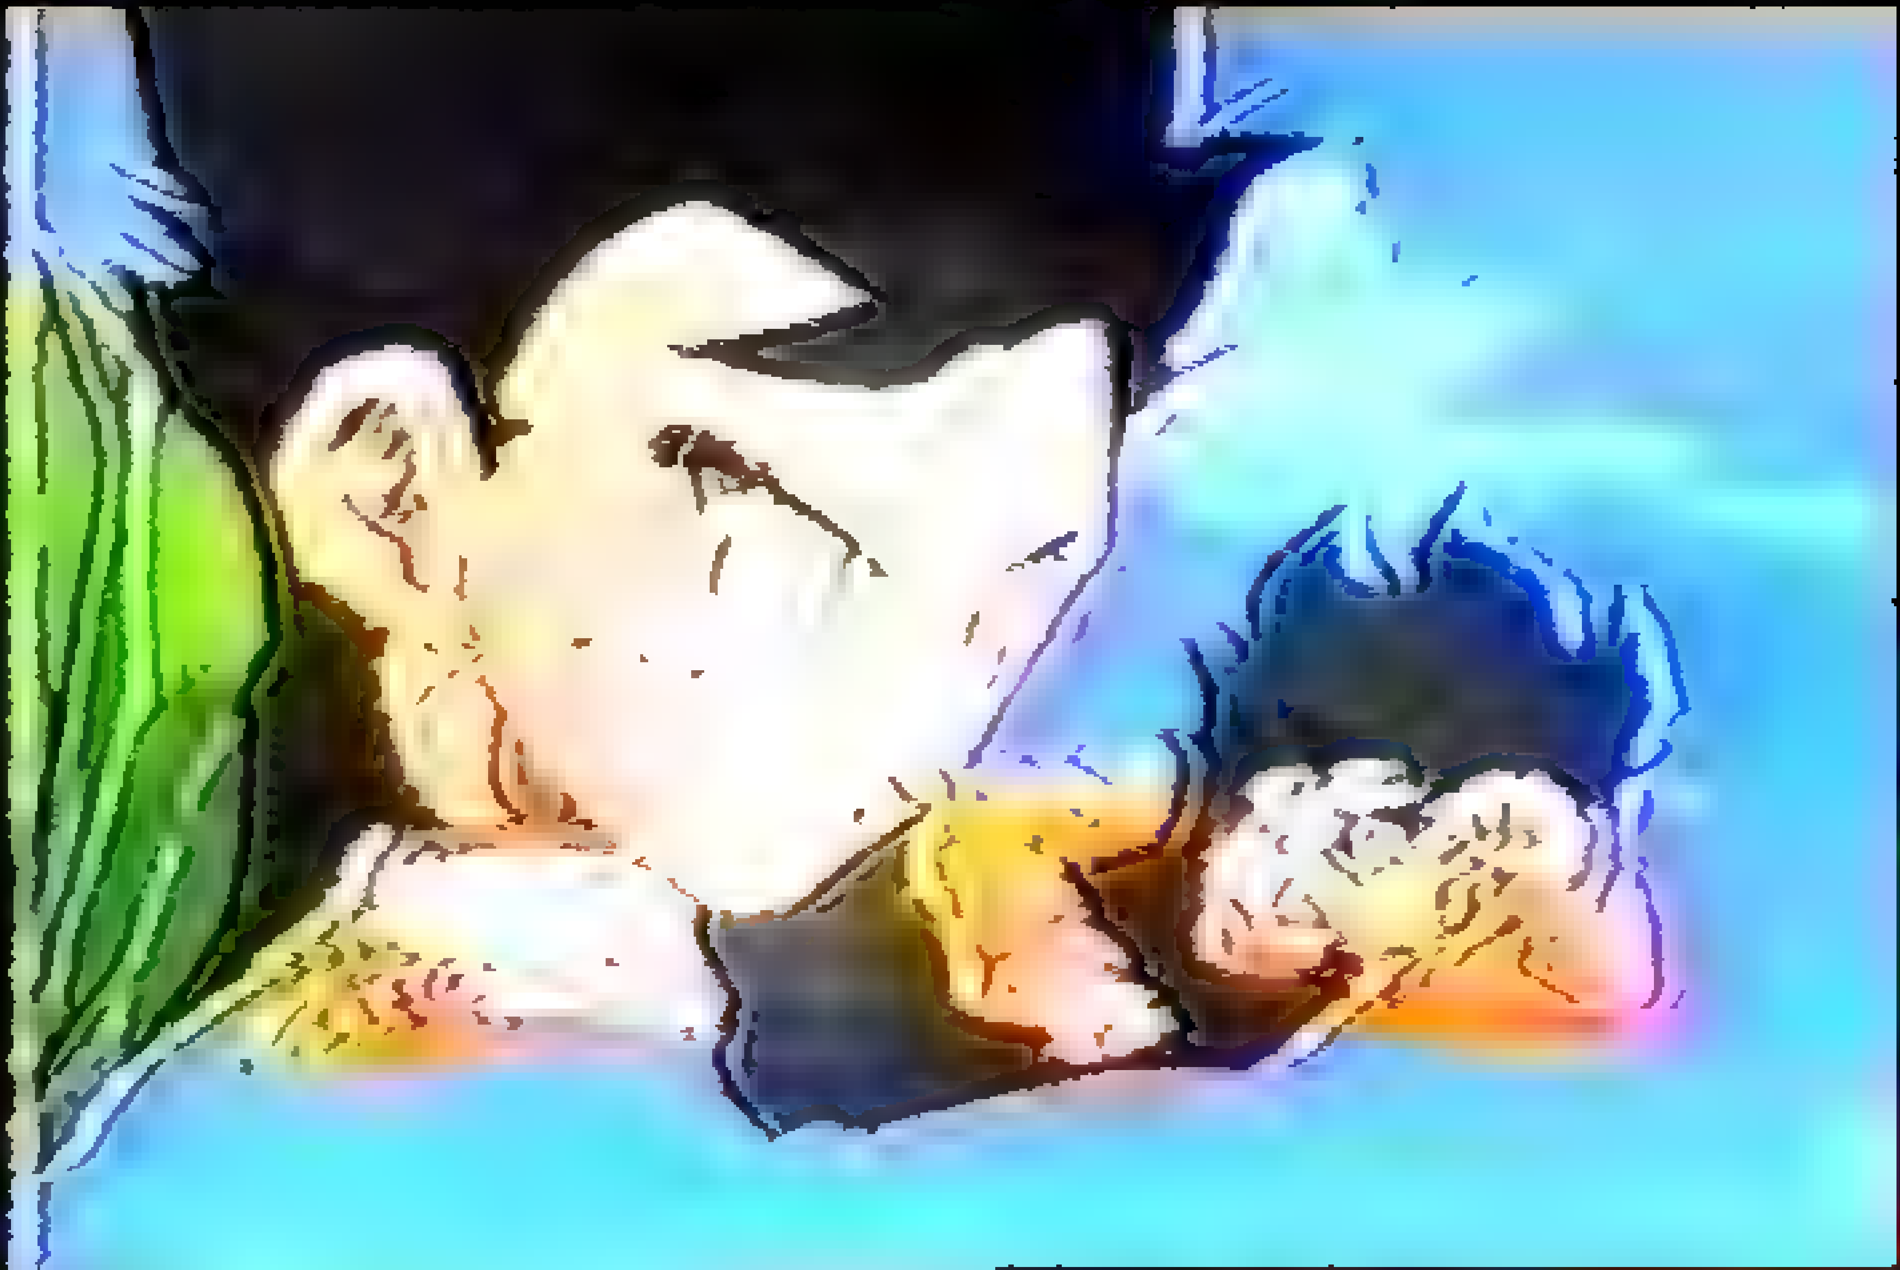

What did they do to me?

What did they do to me?

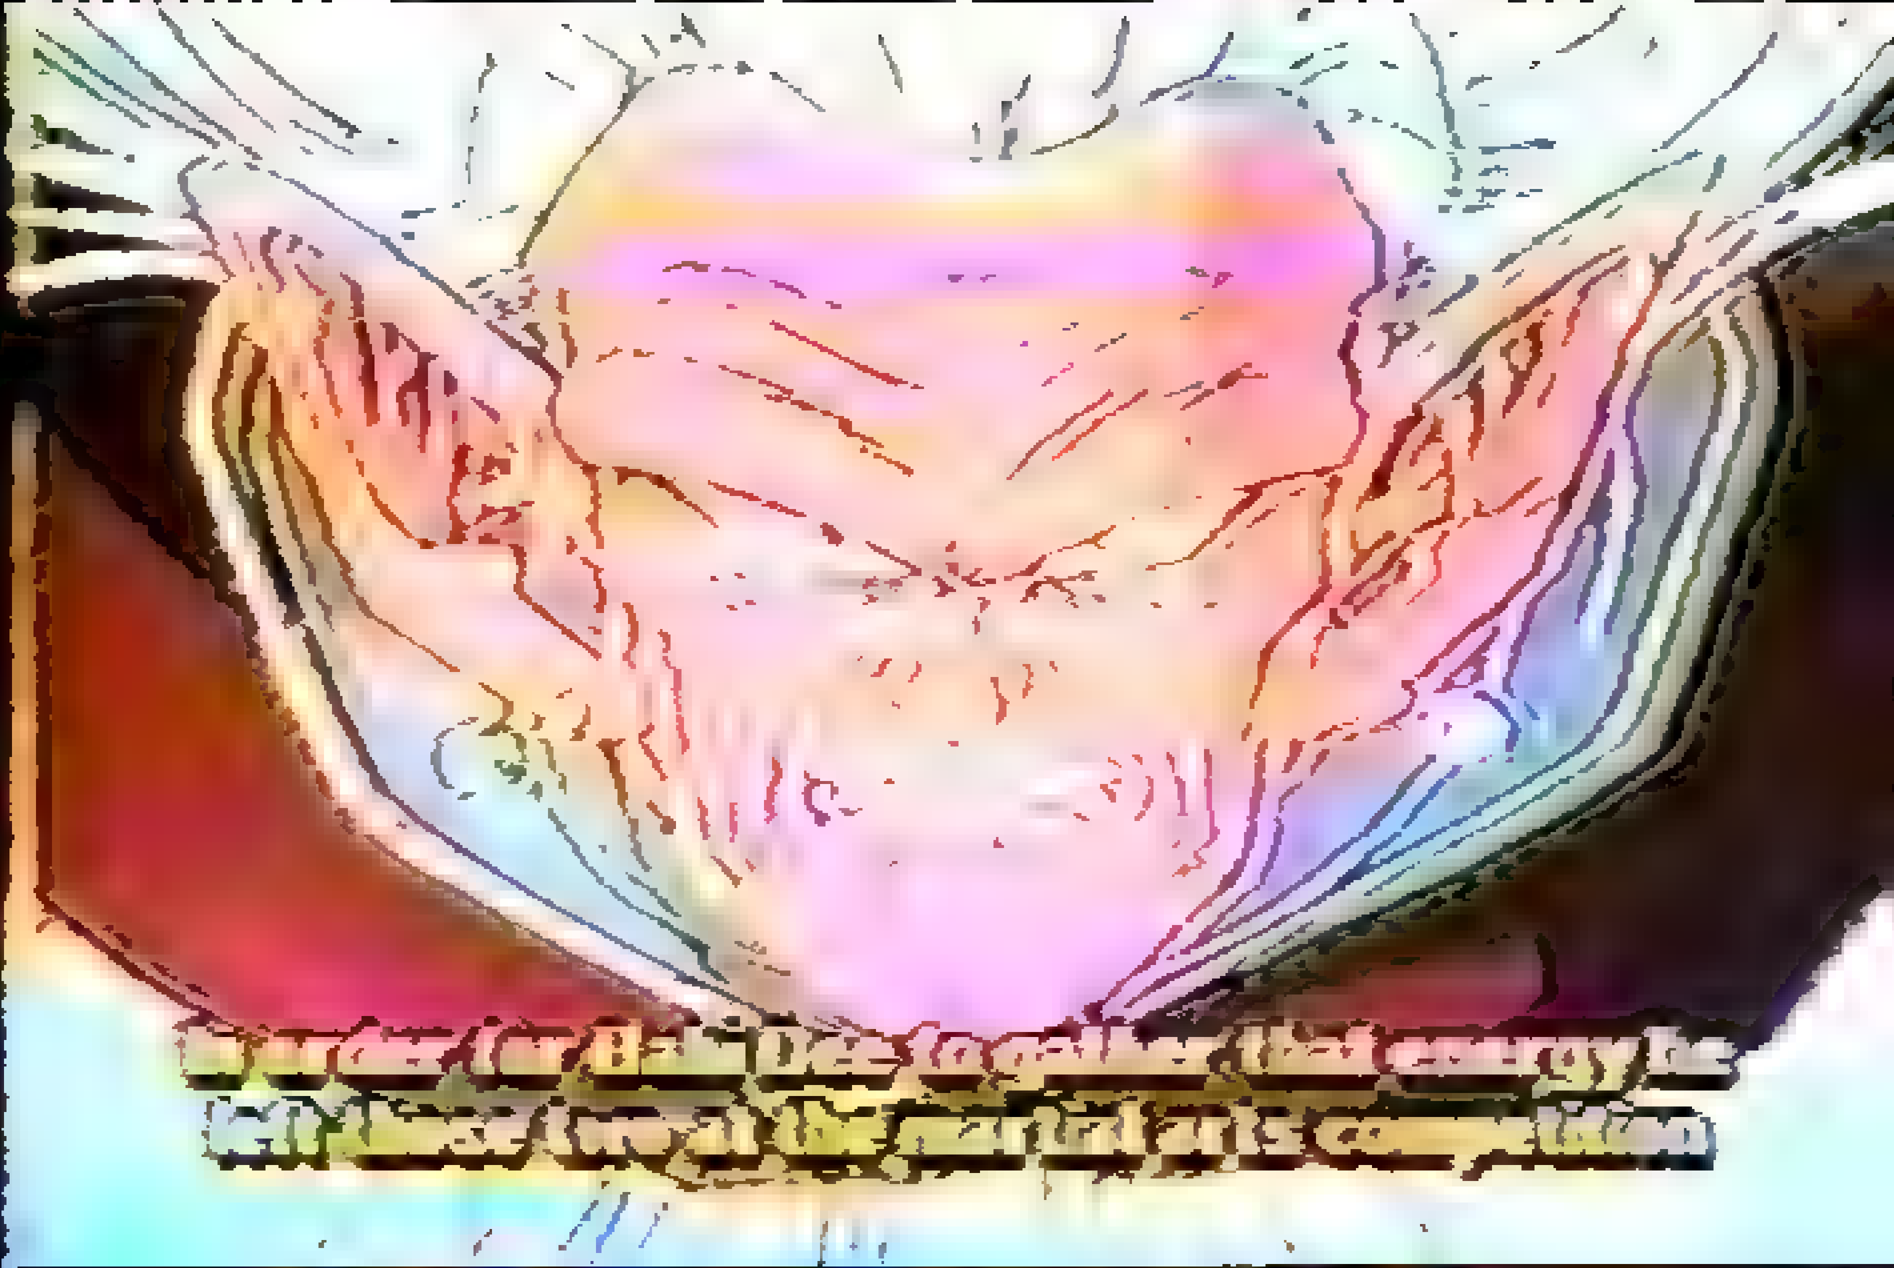

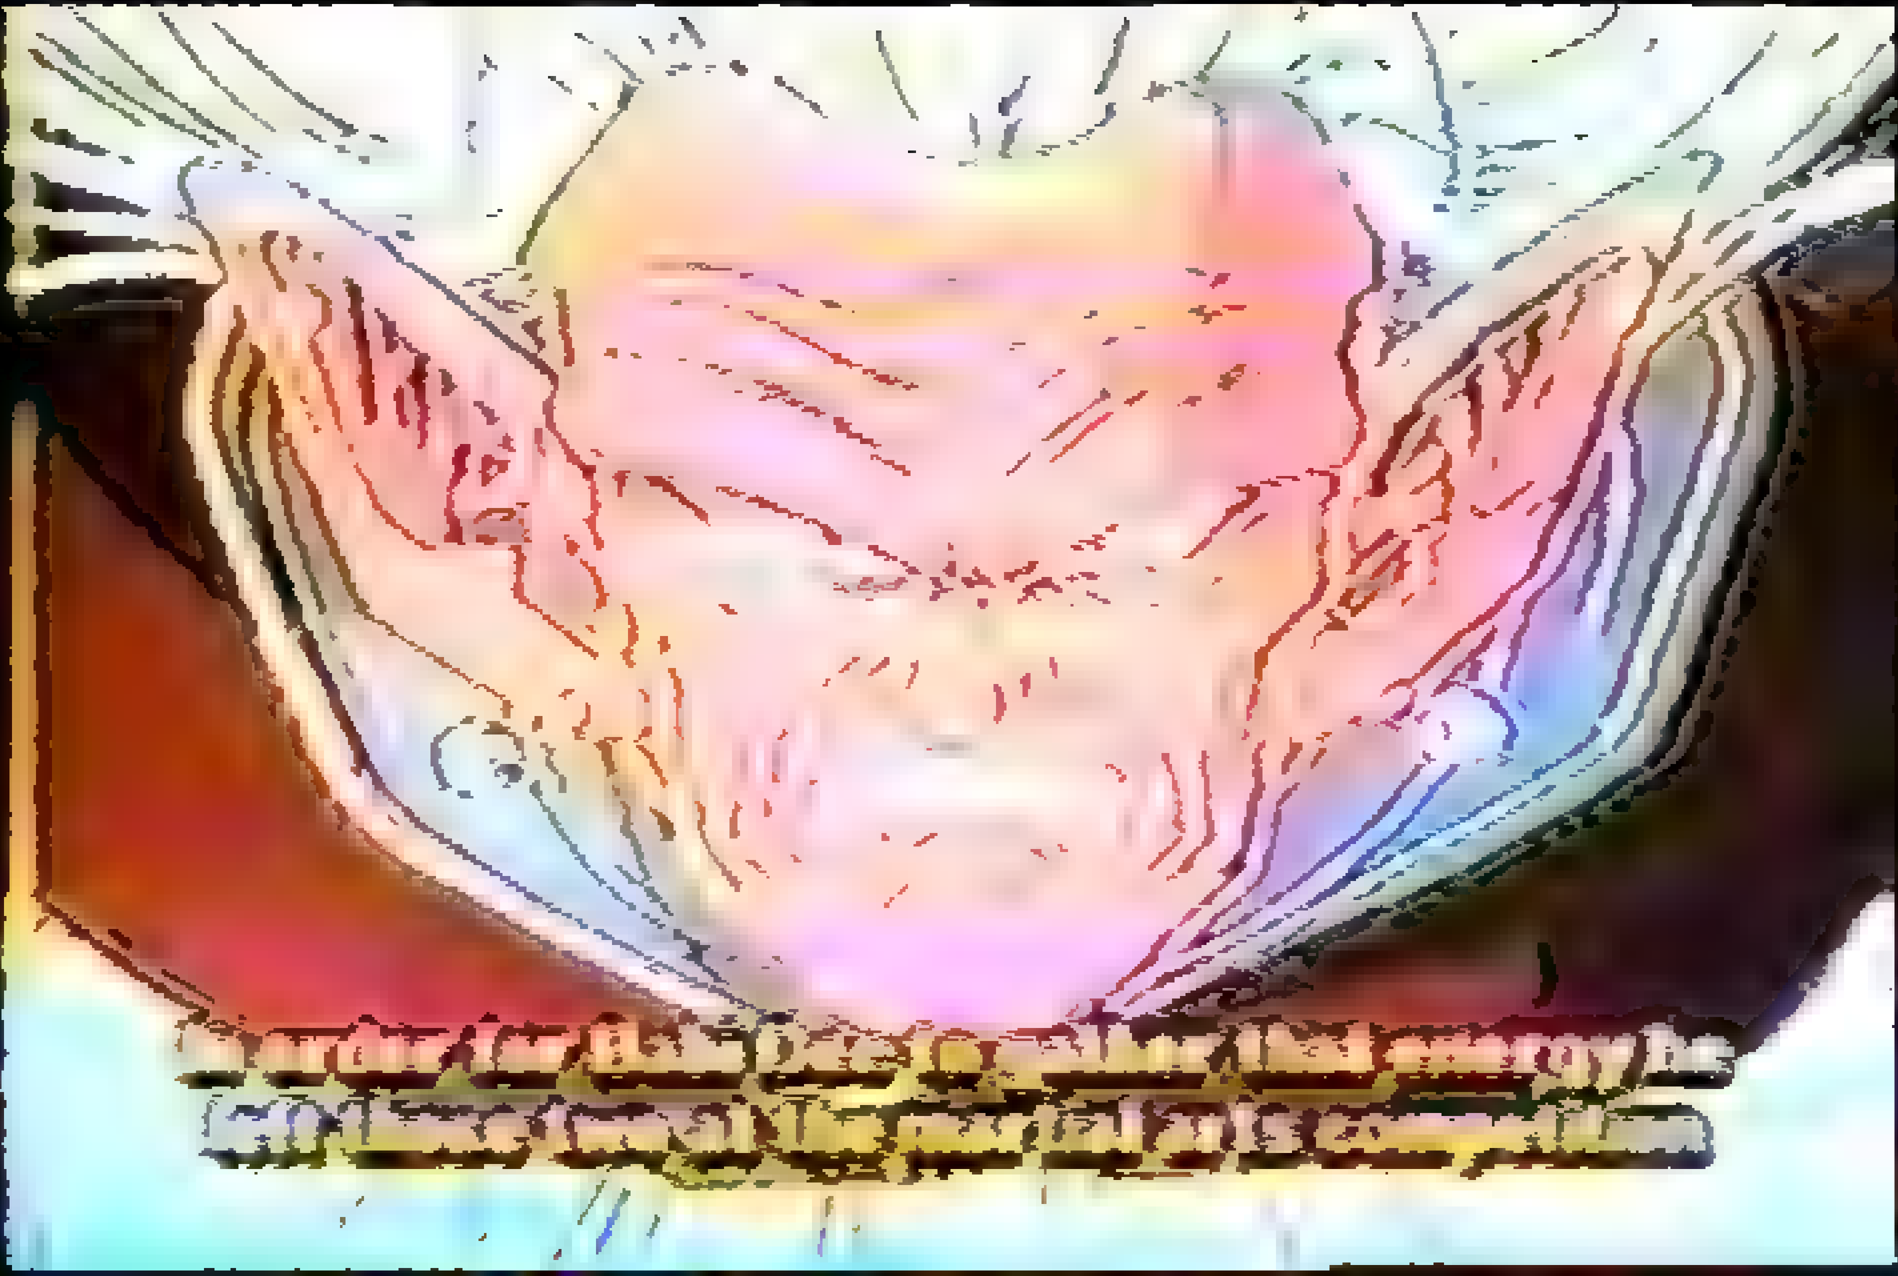

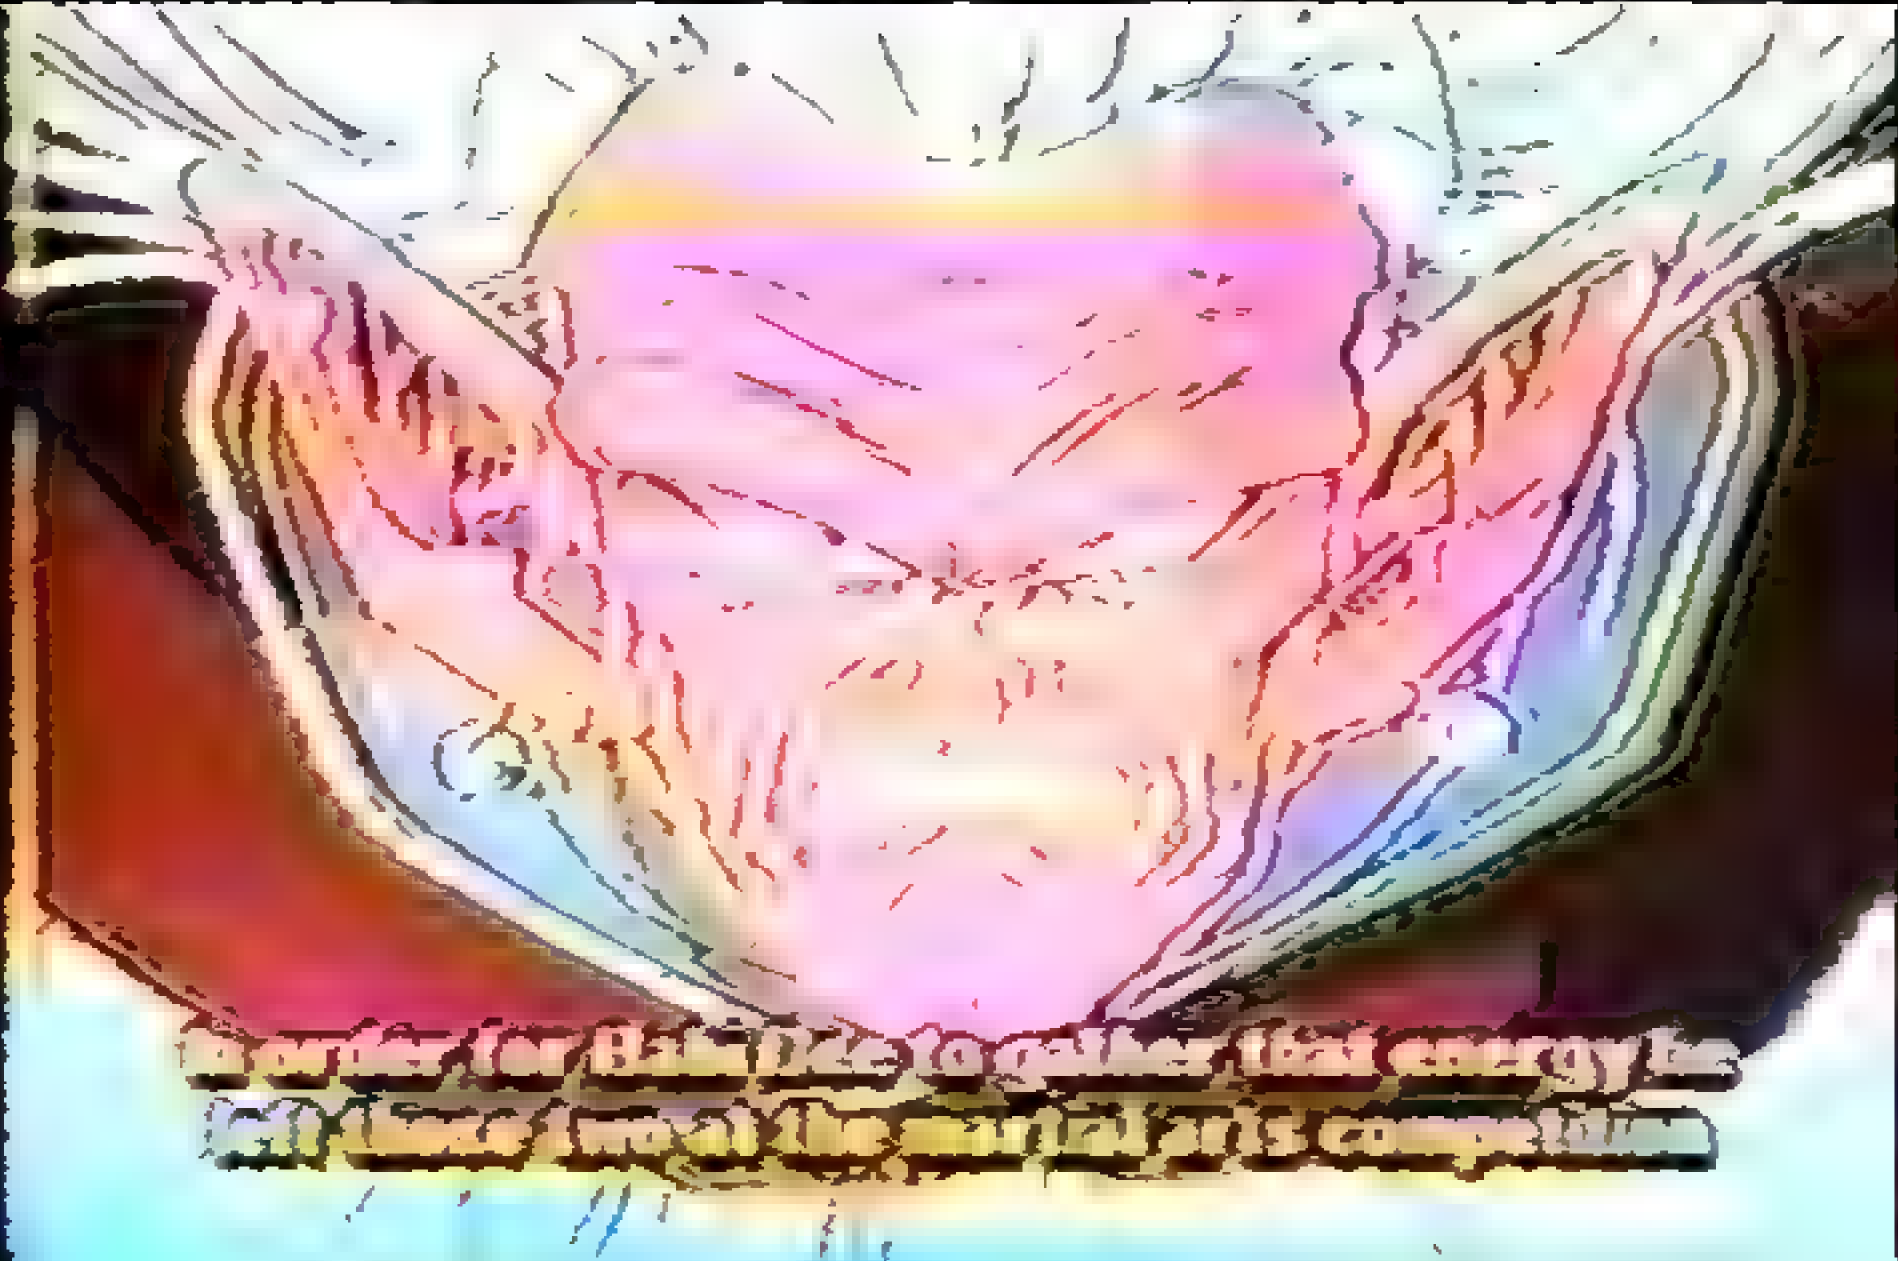

In order for Babi Dee to gather that energy he
at the martial arts competition

the perfect target

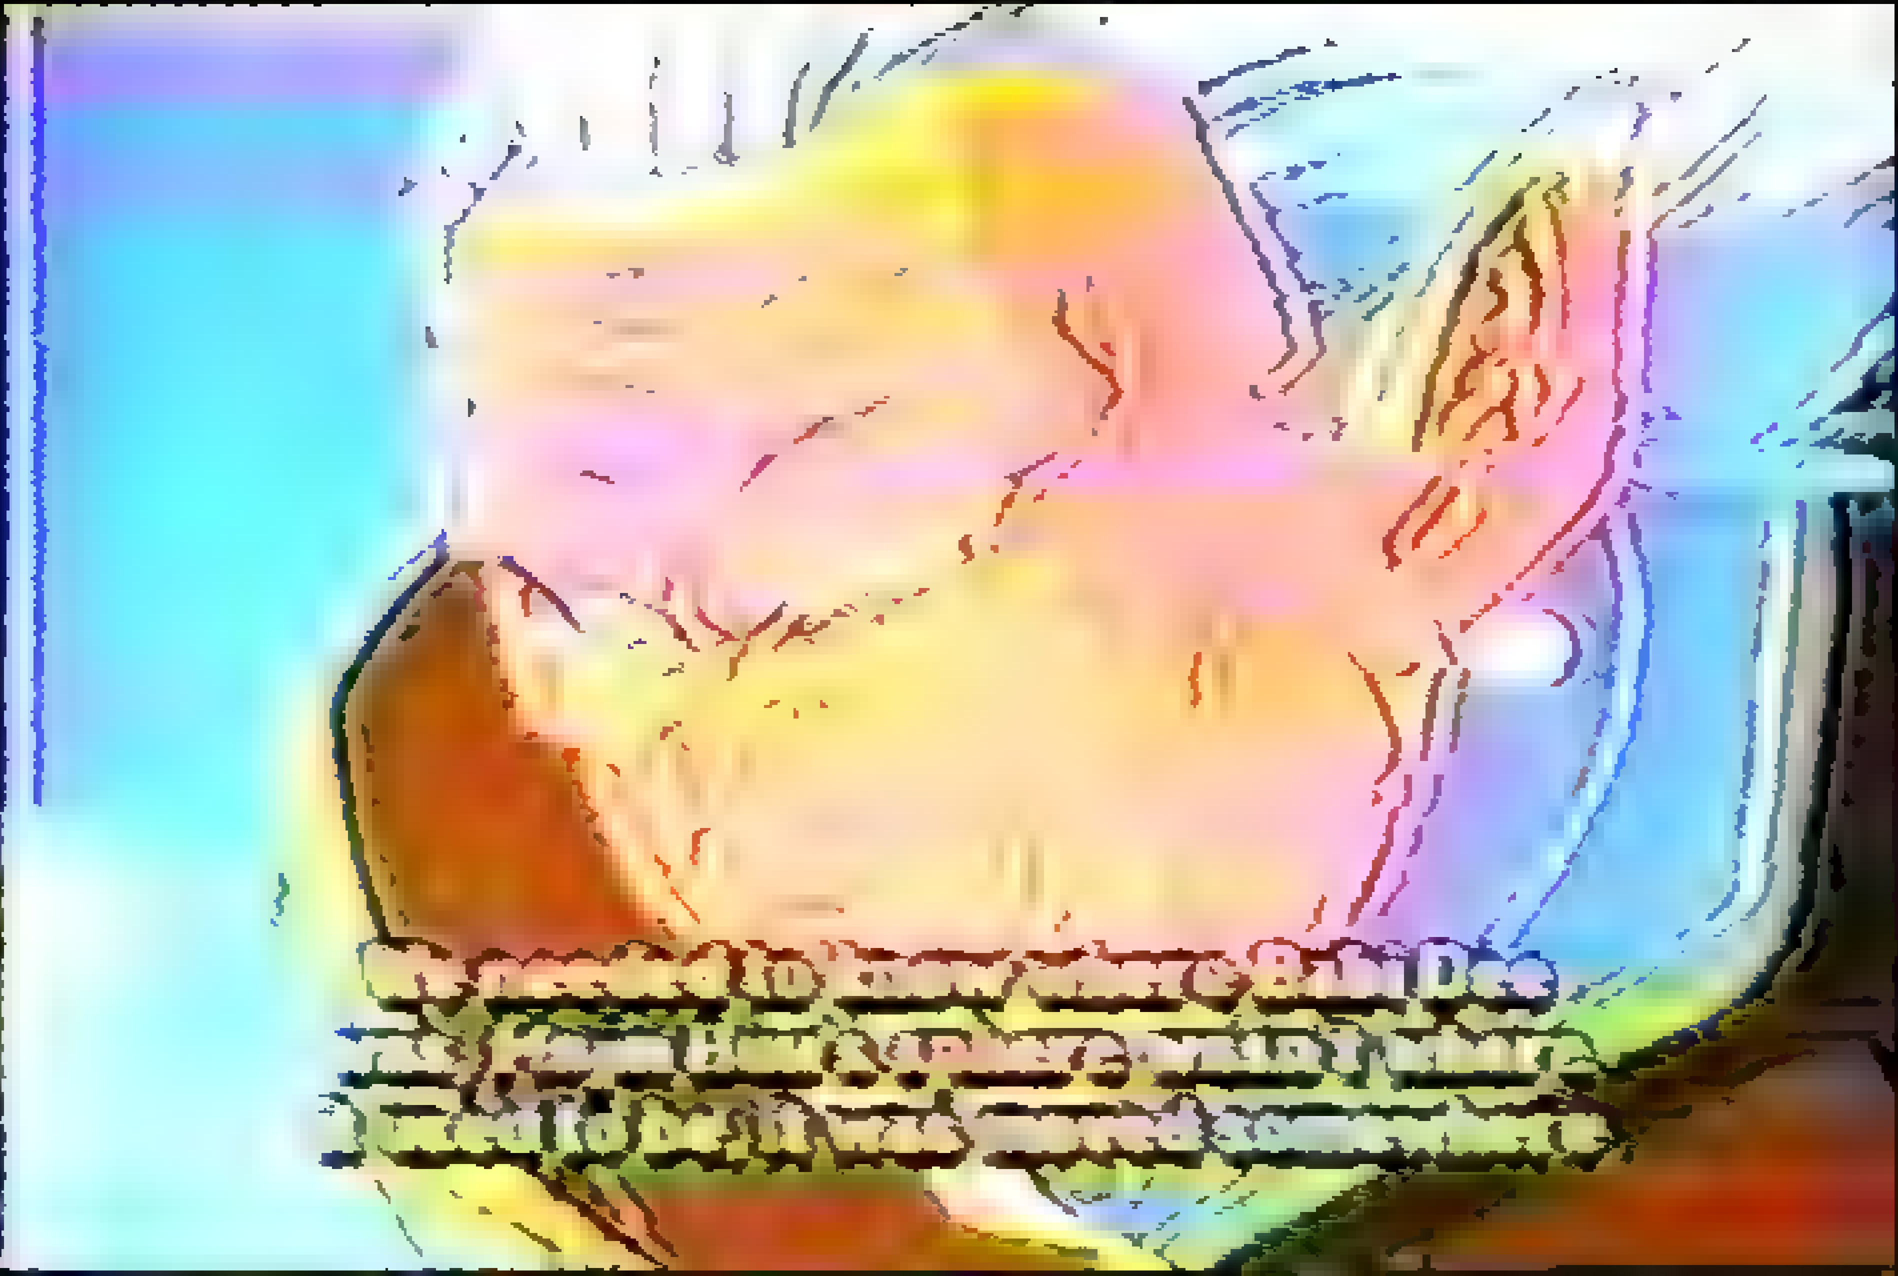

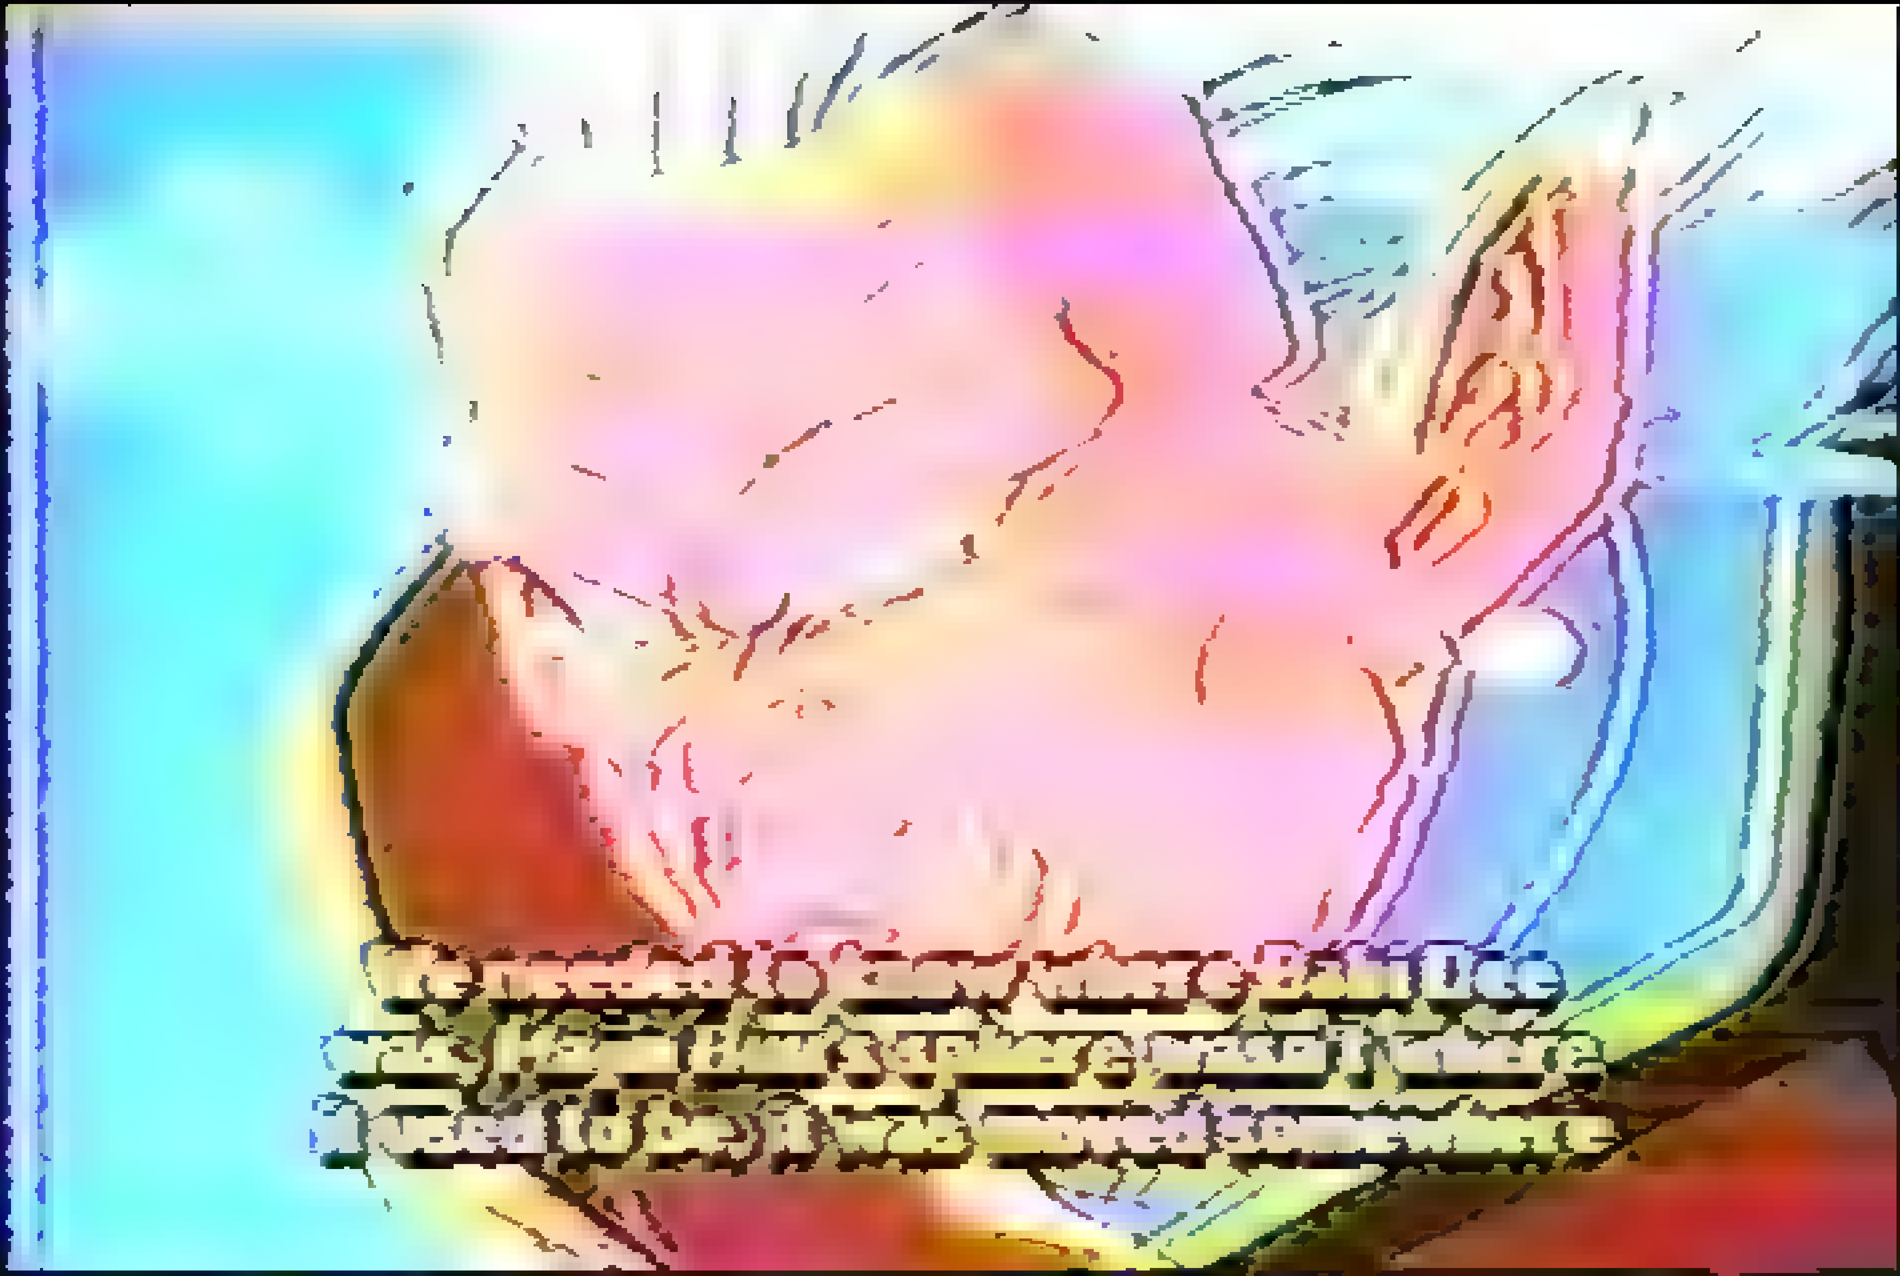

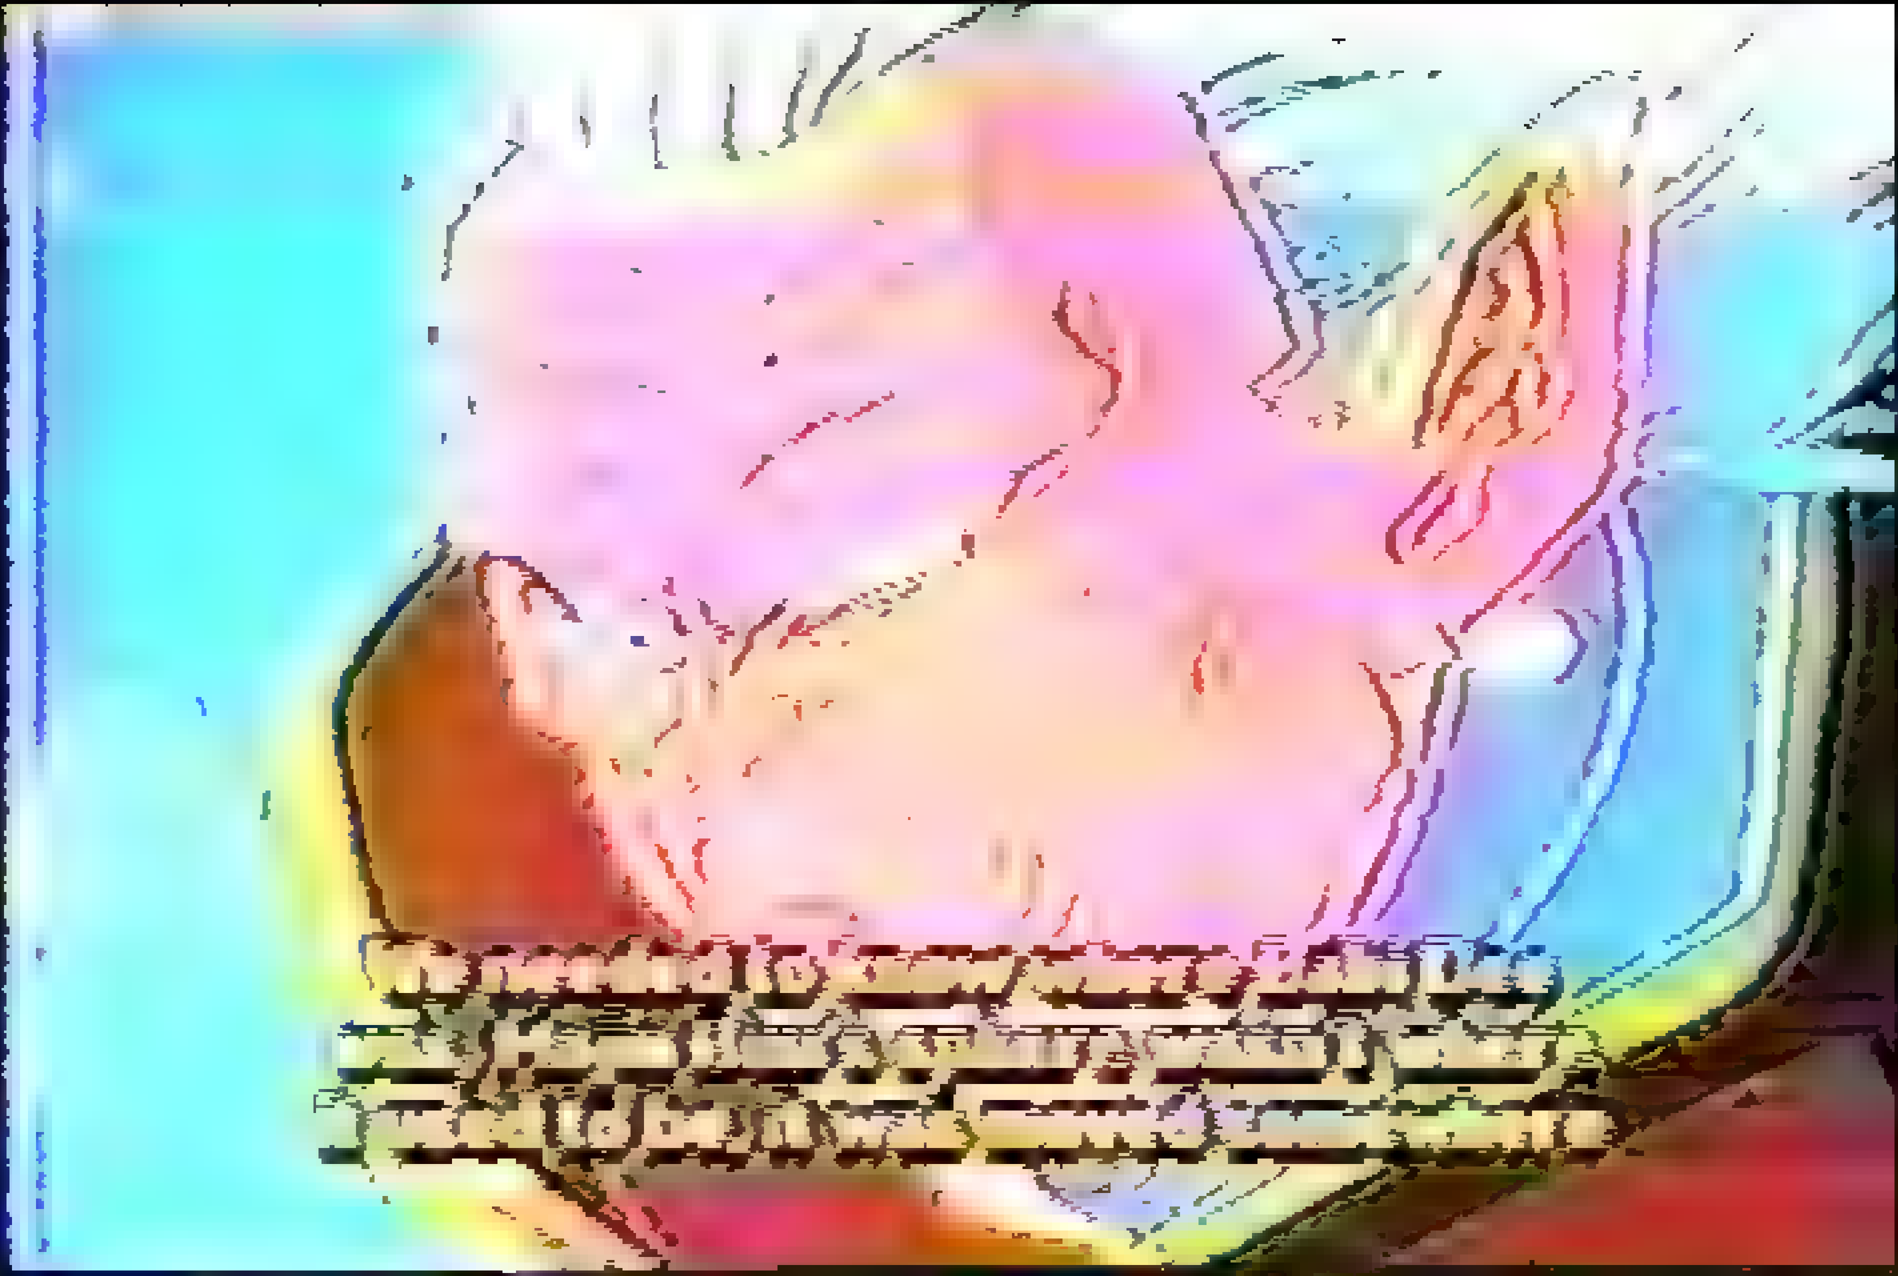

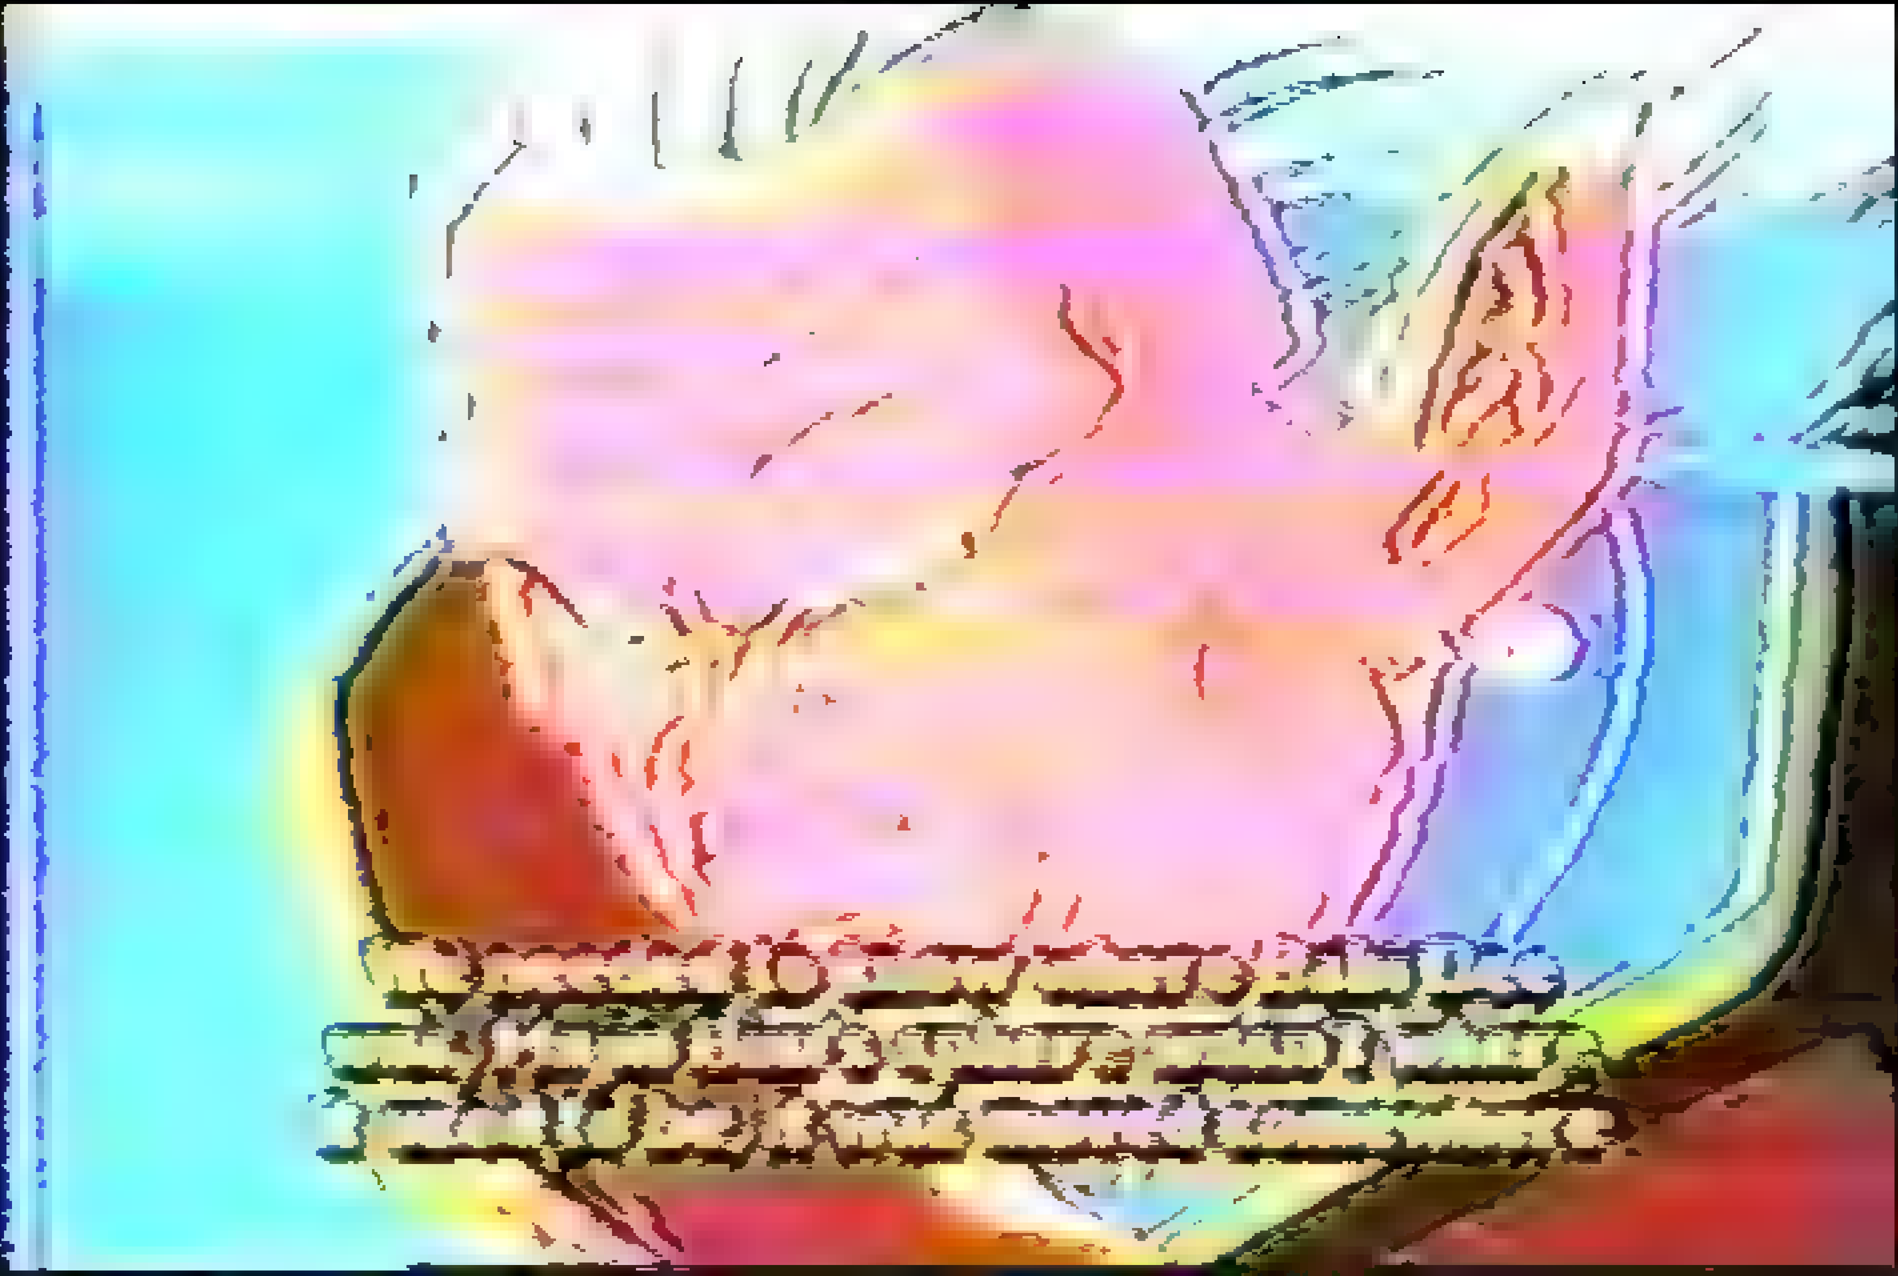

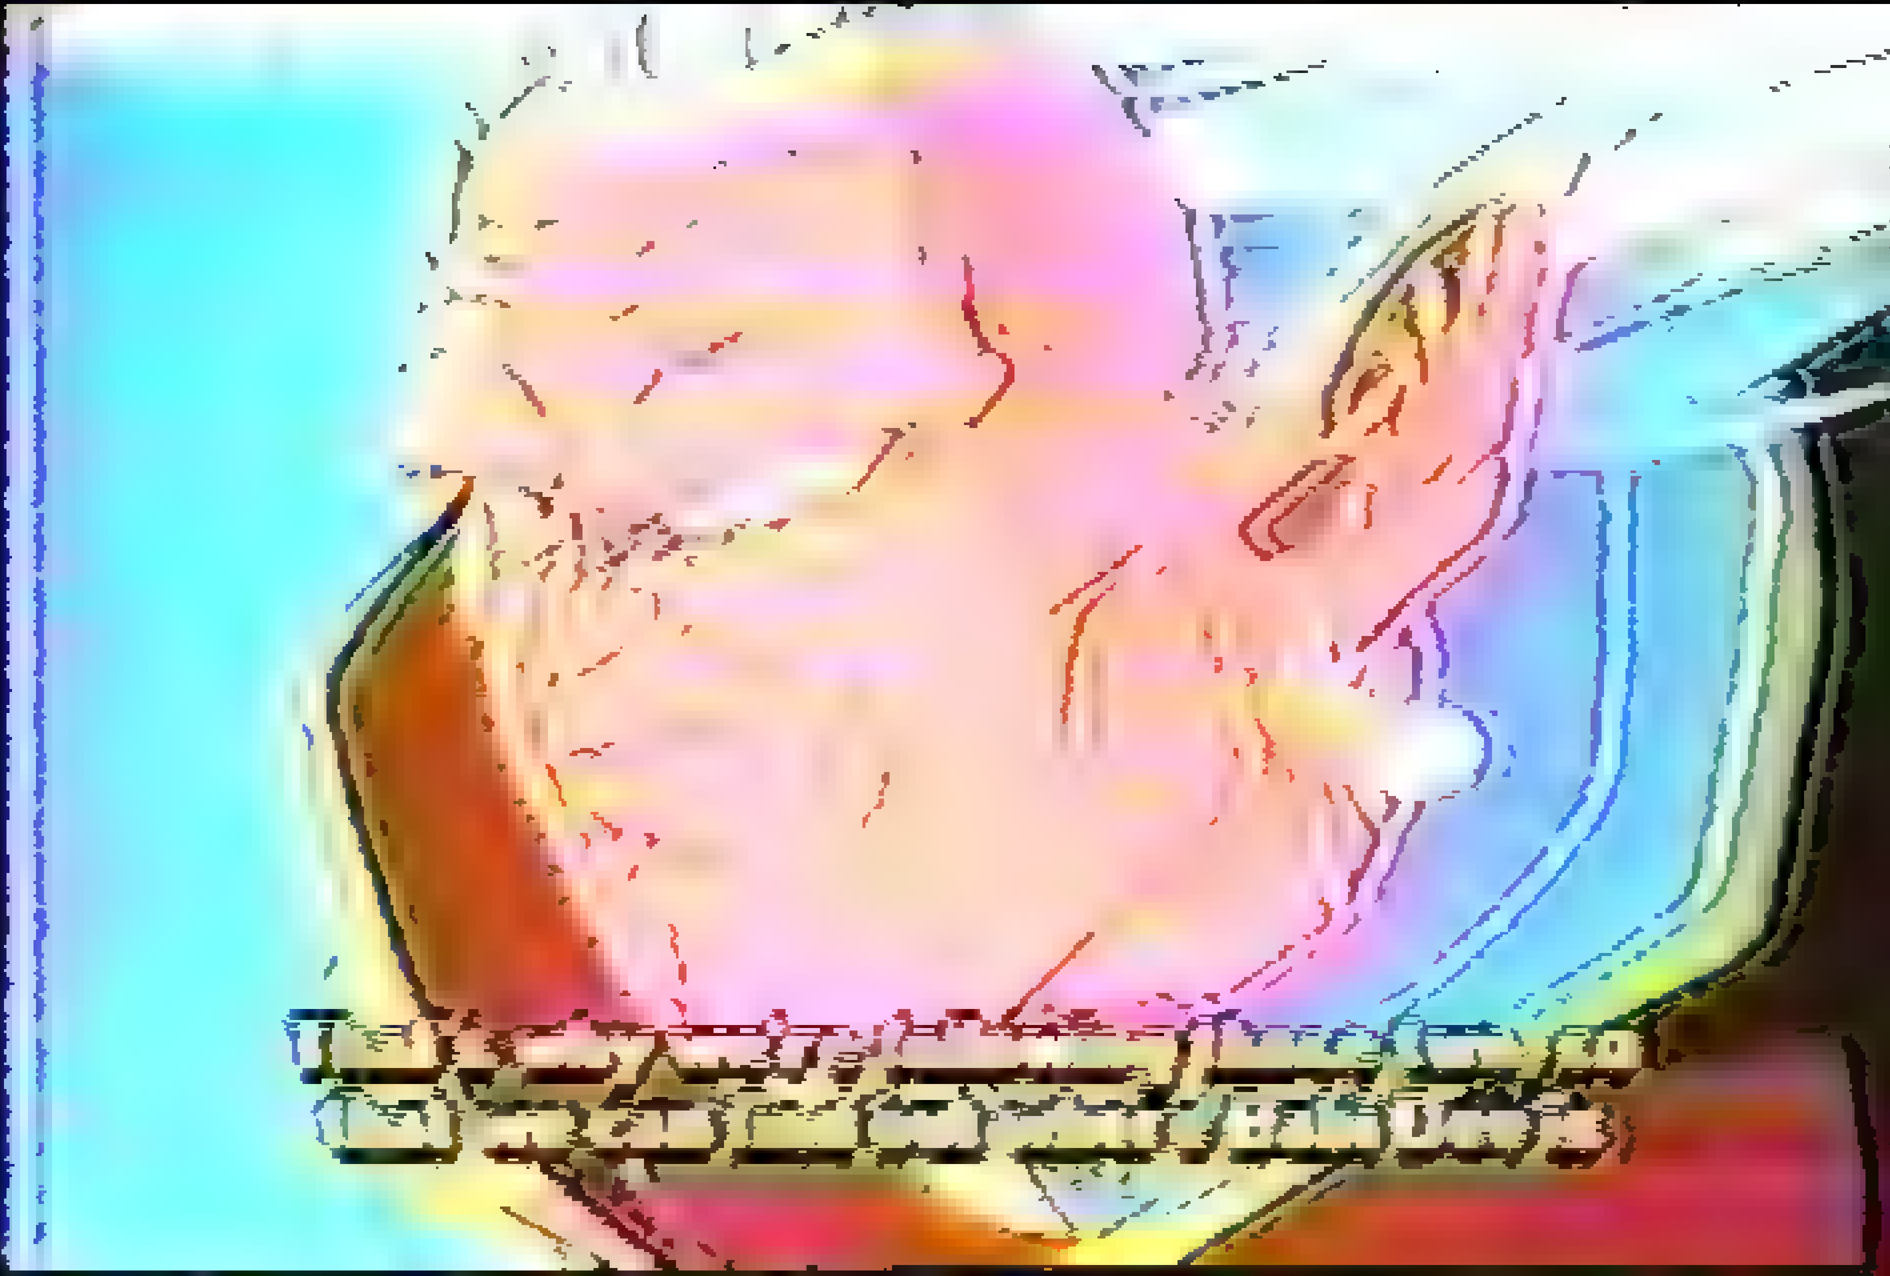

We needed to know where Babi Dee
was, Majin Buu's sphere wasn't where
it used to be, it was moved somewhere.

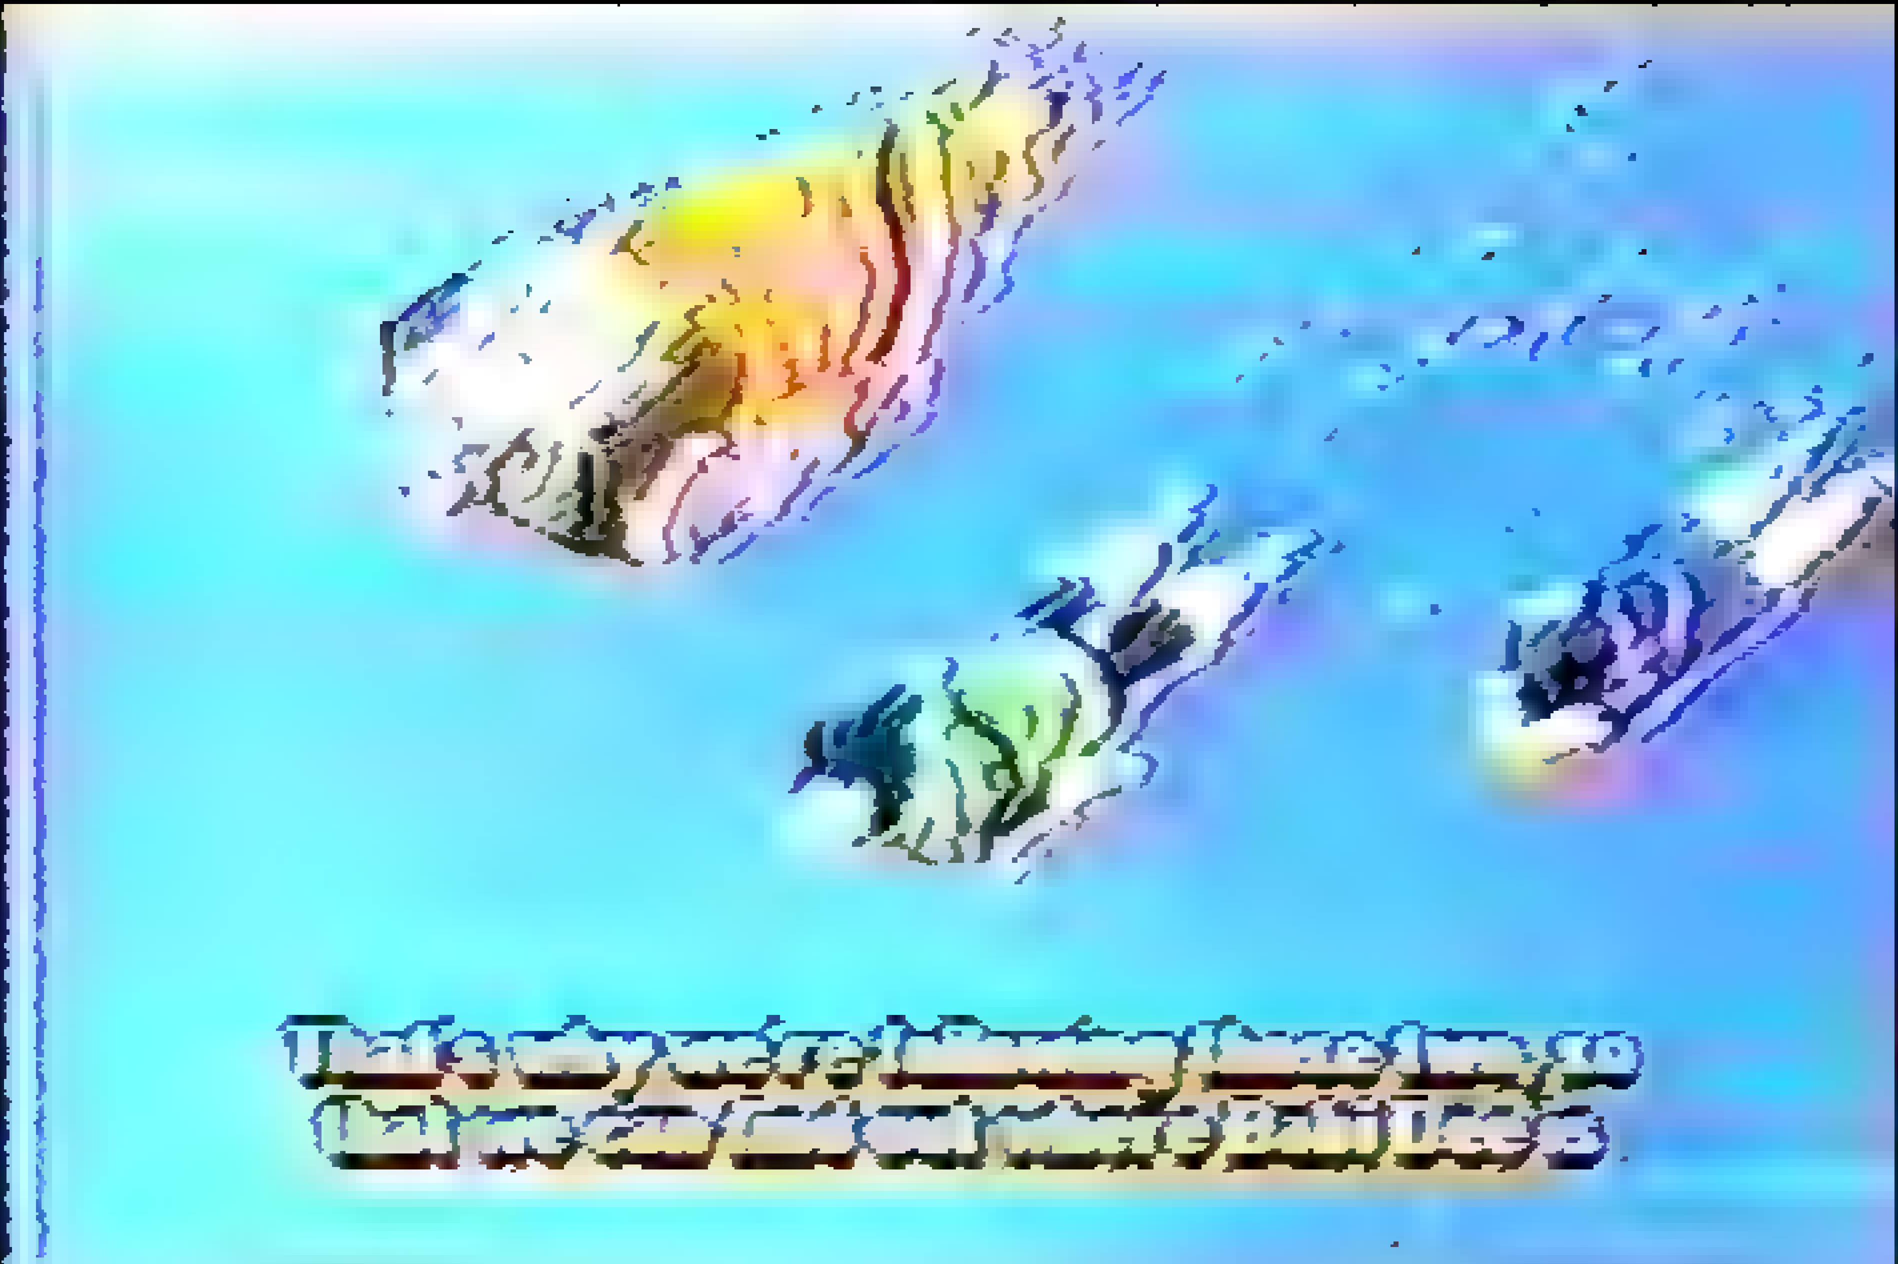

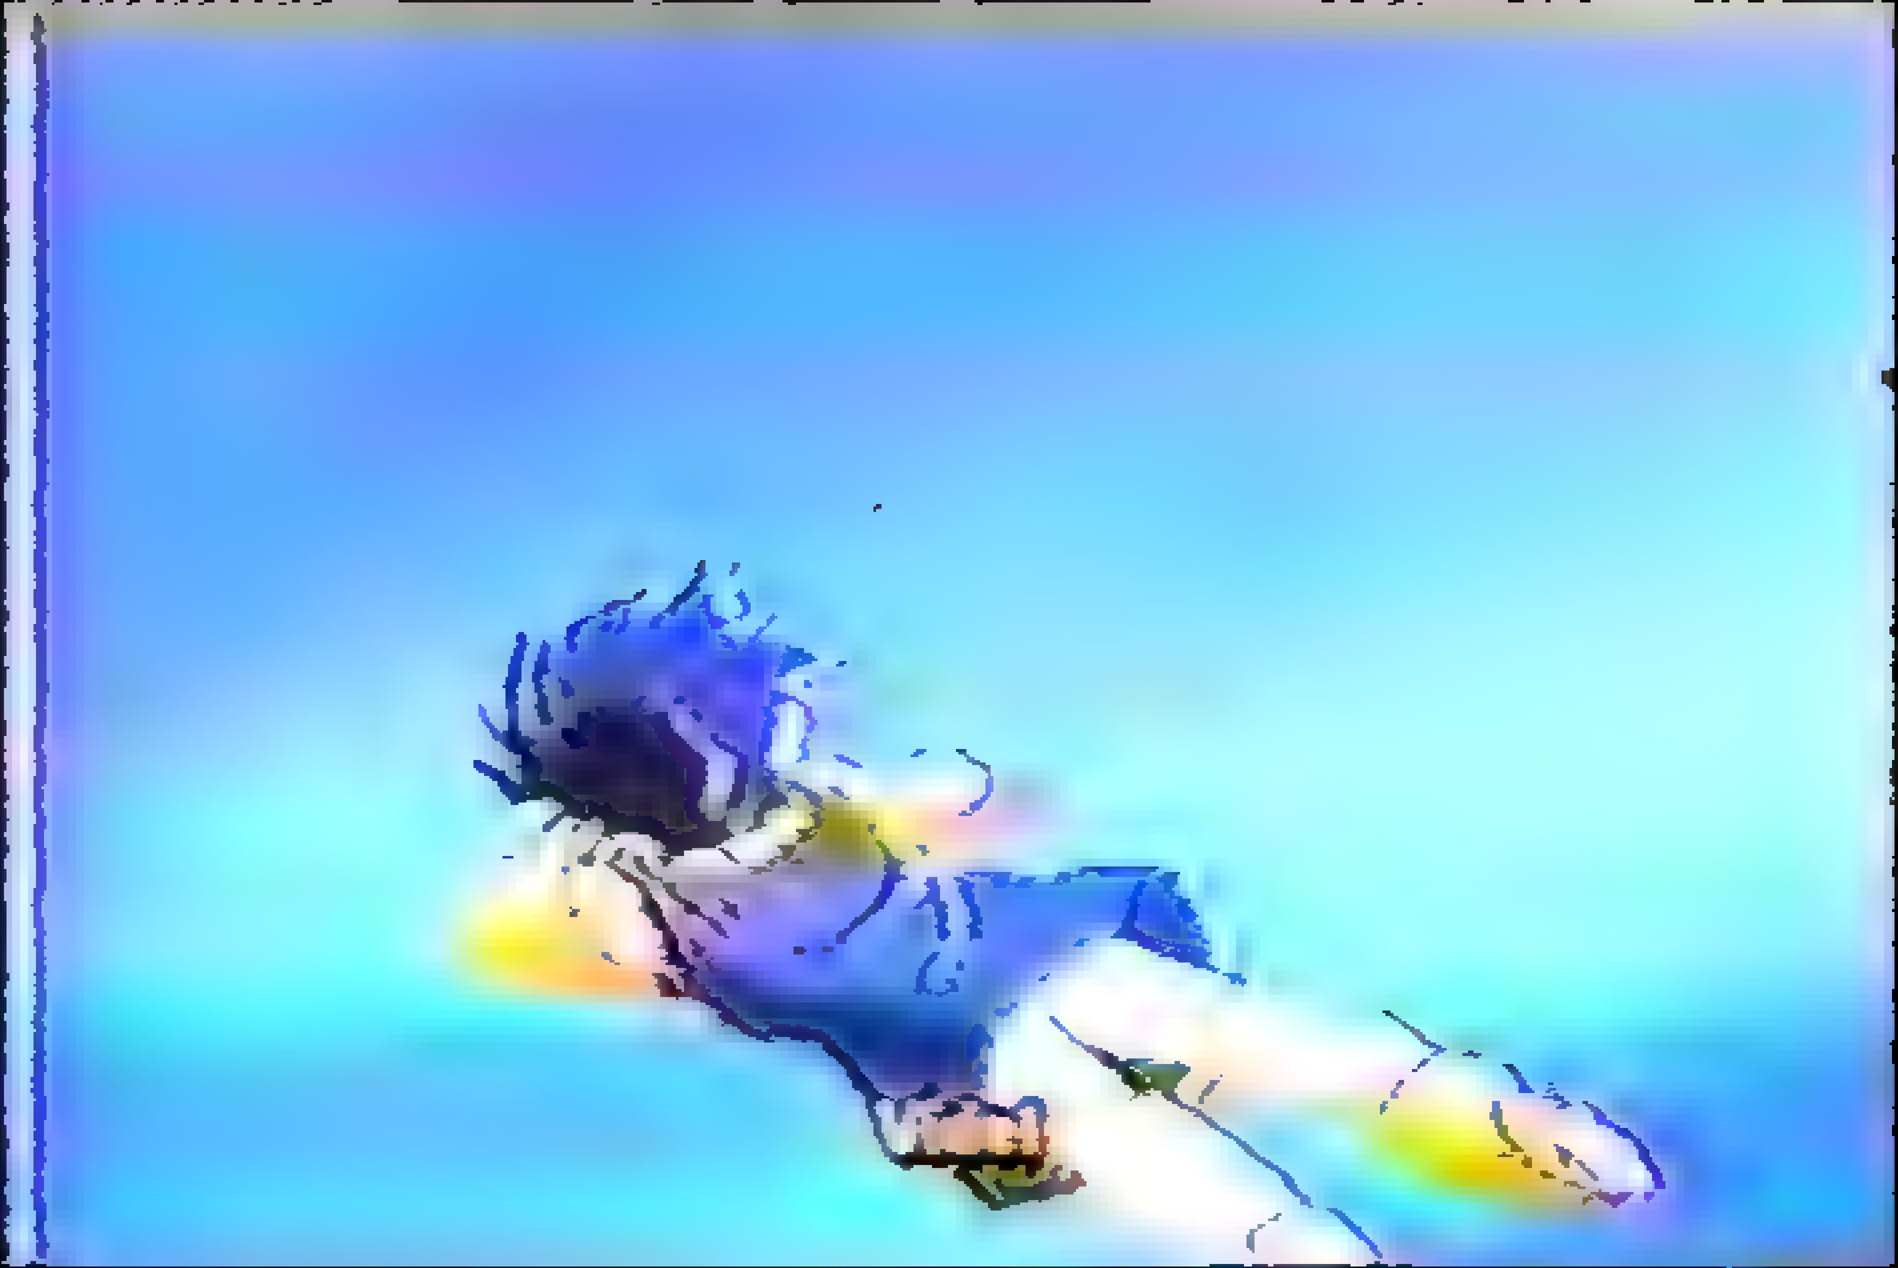

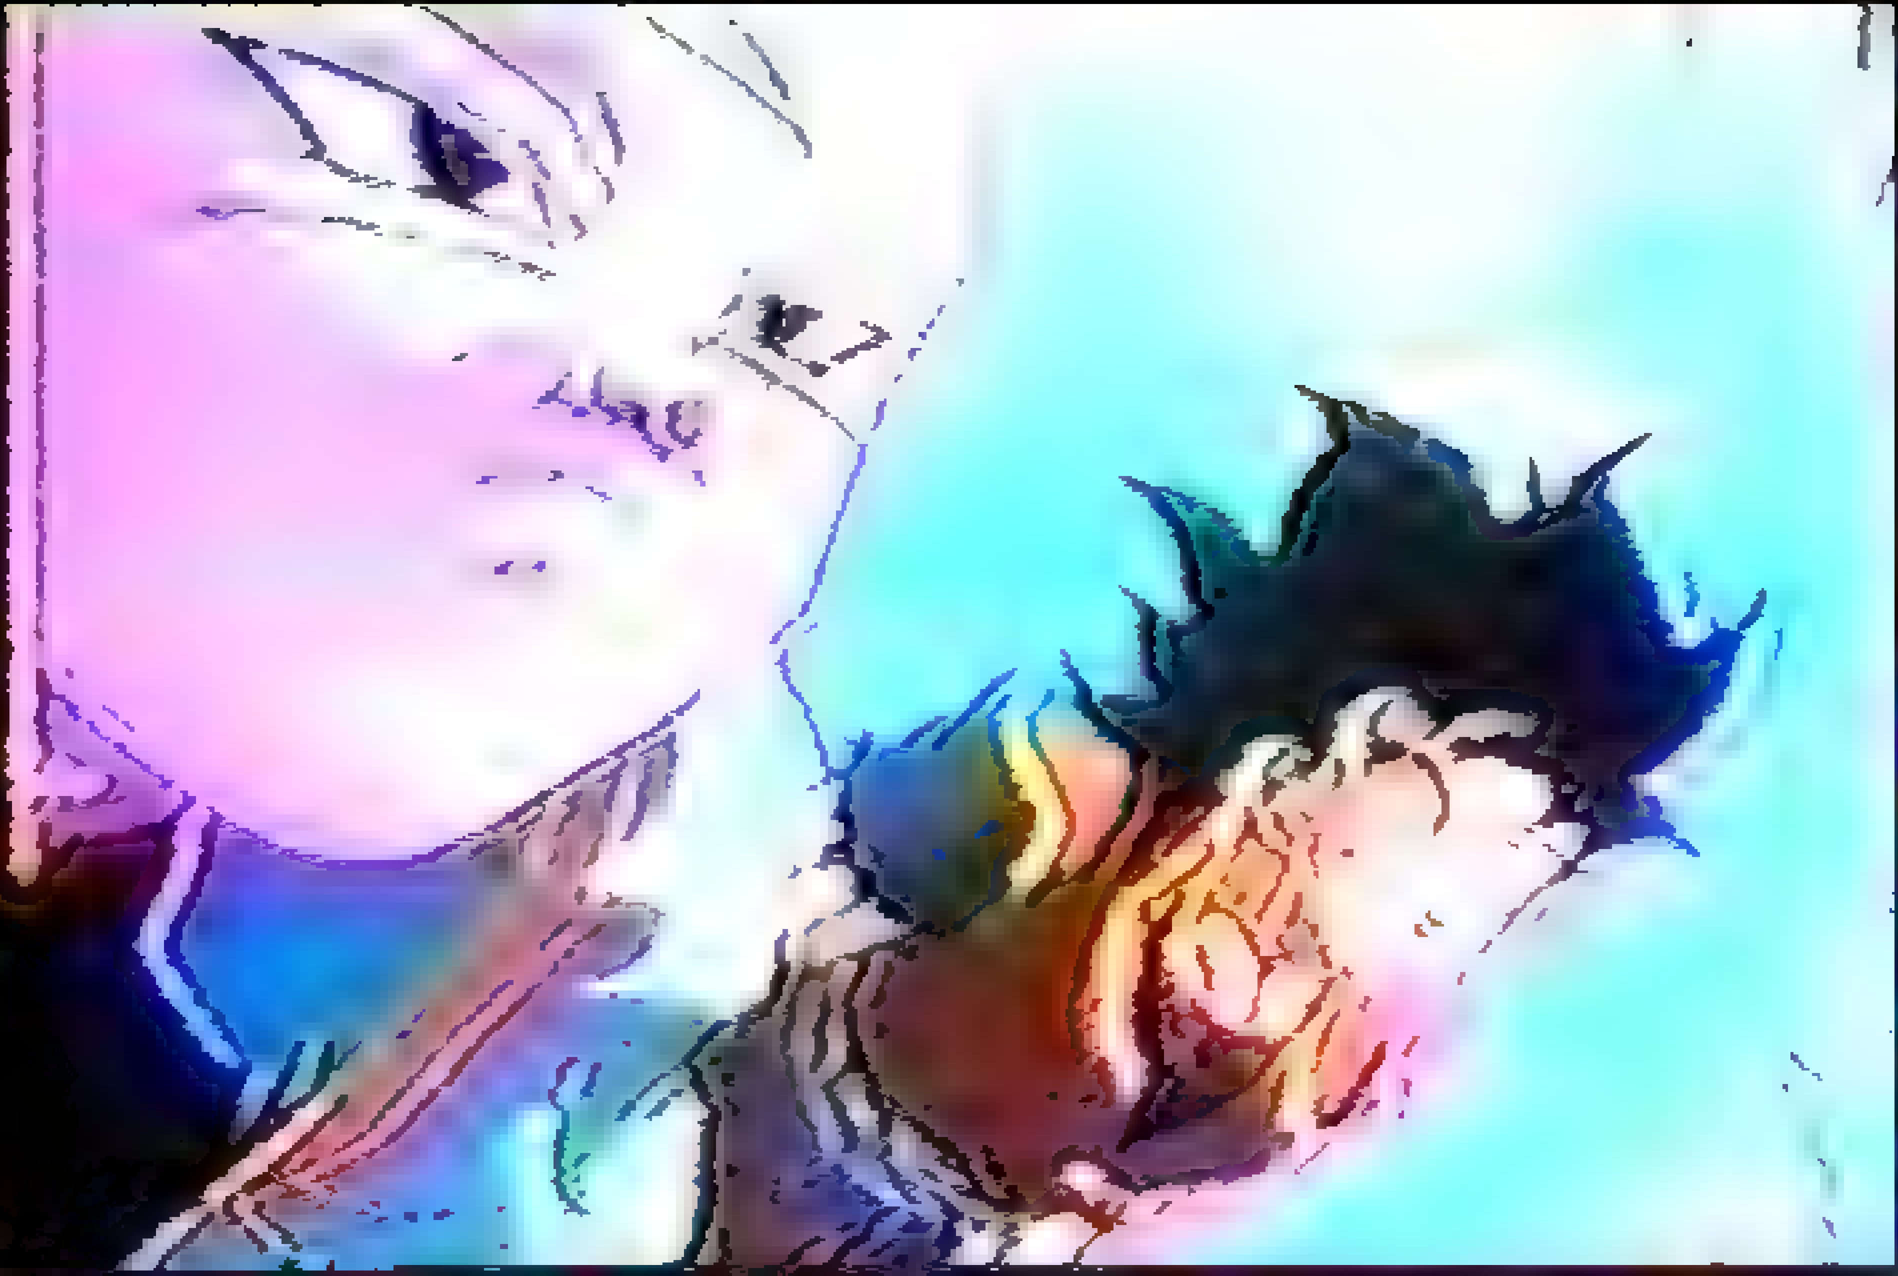

Are you okay?

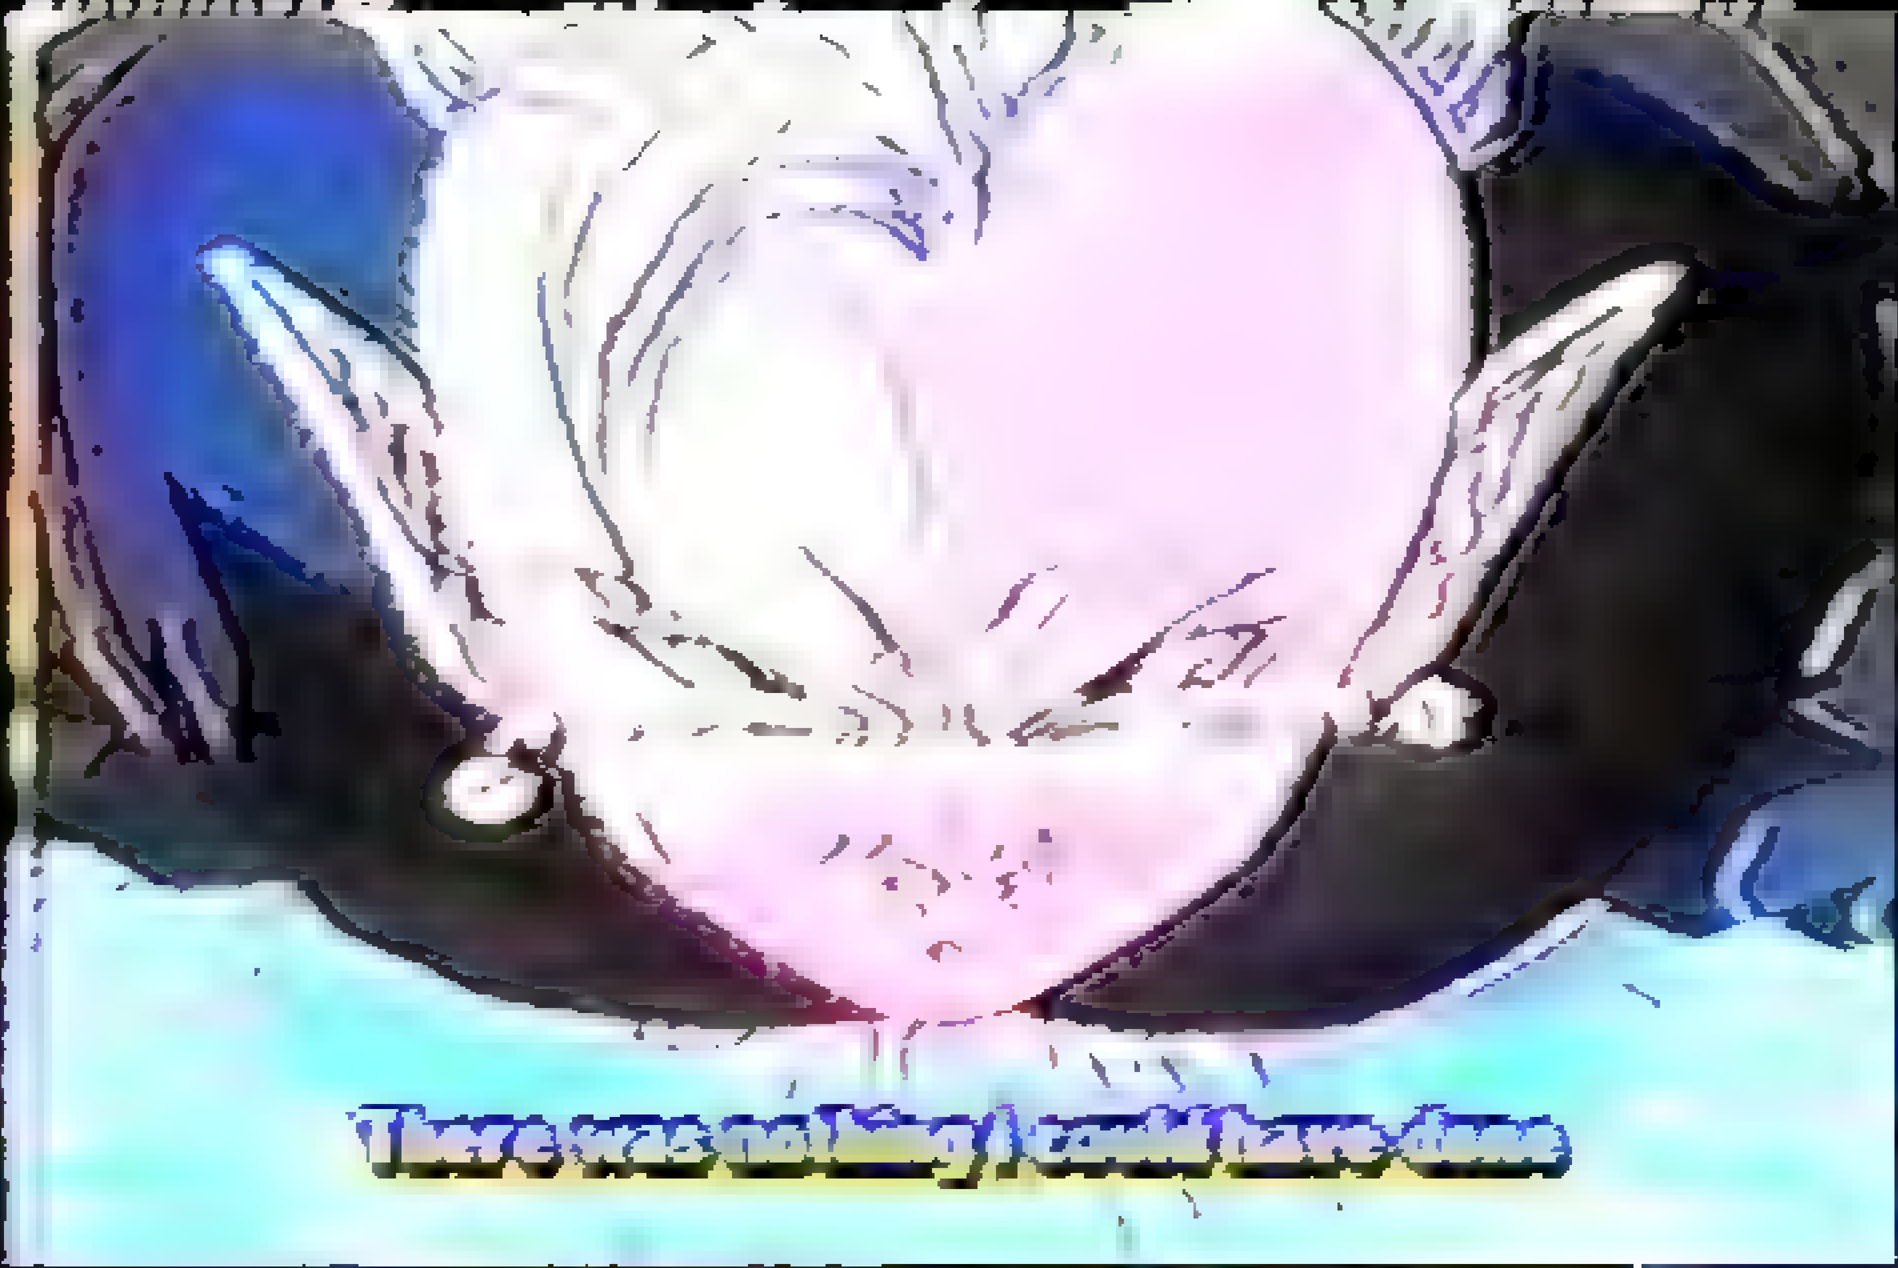

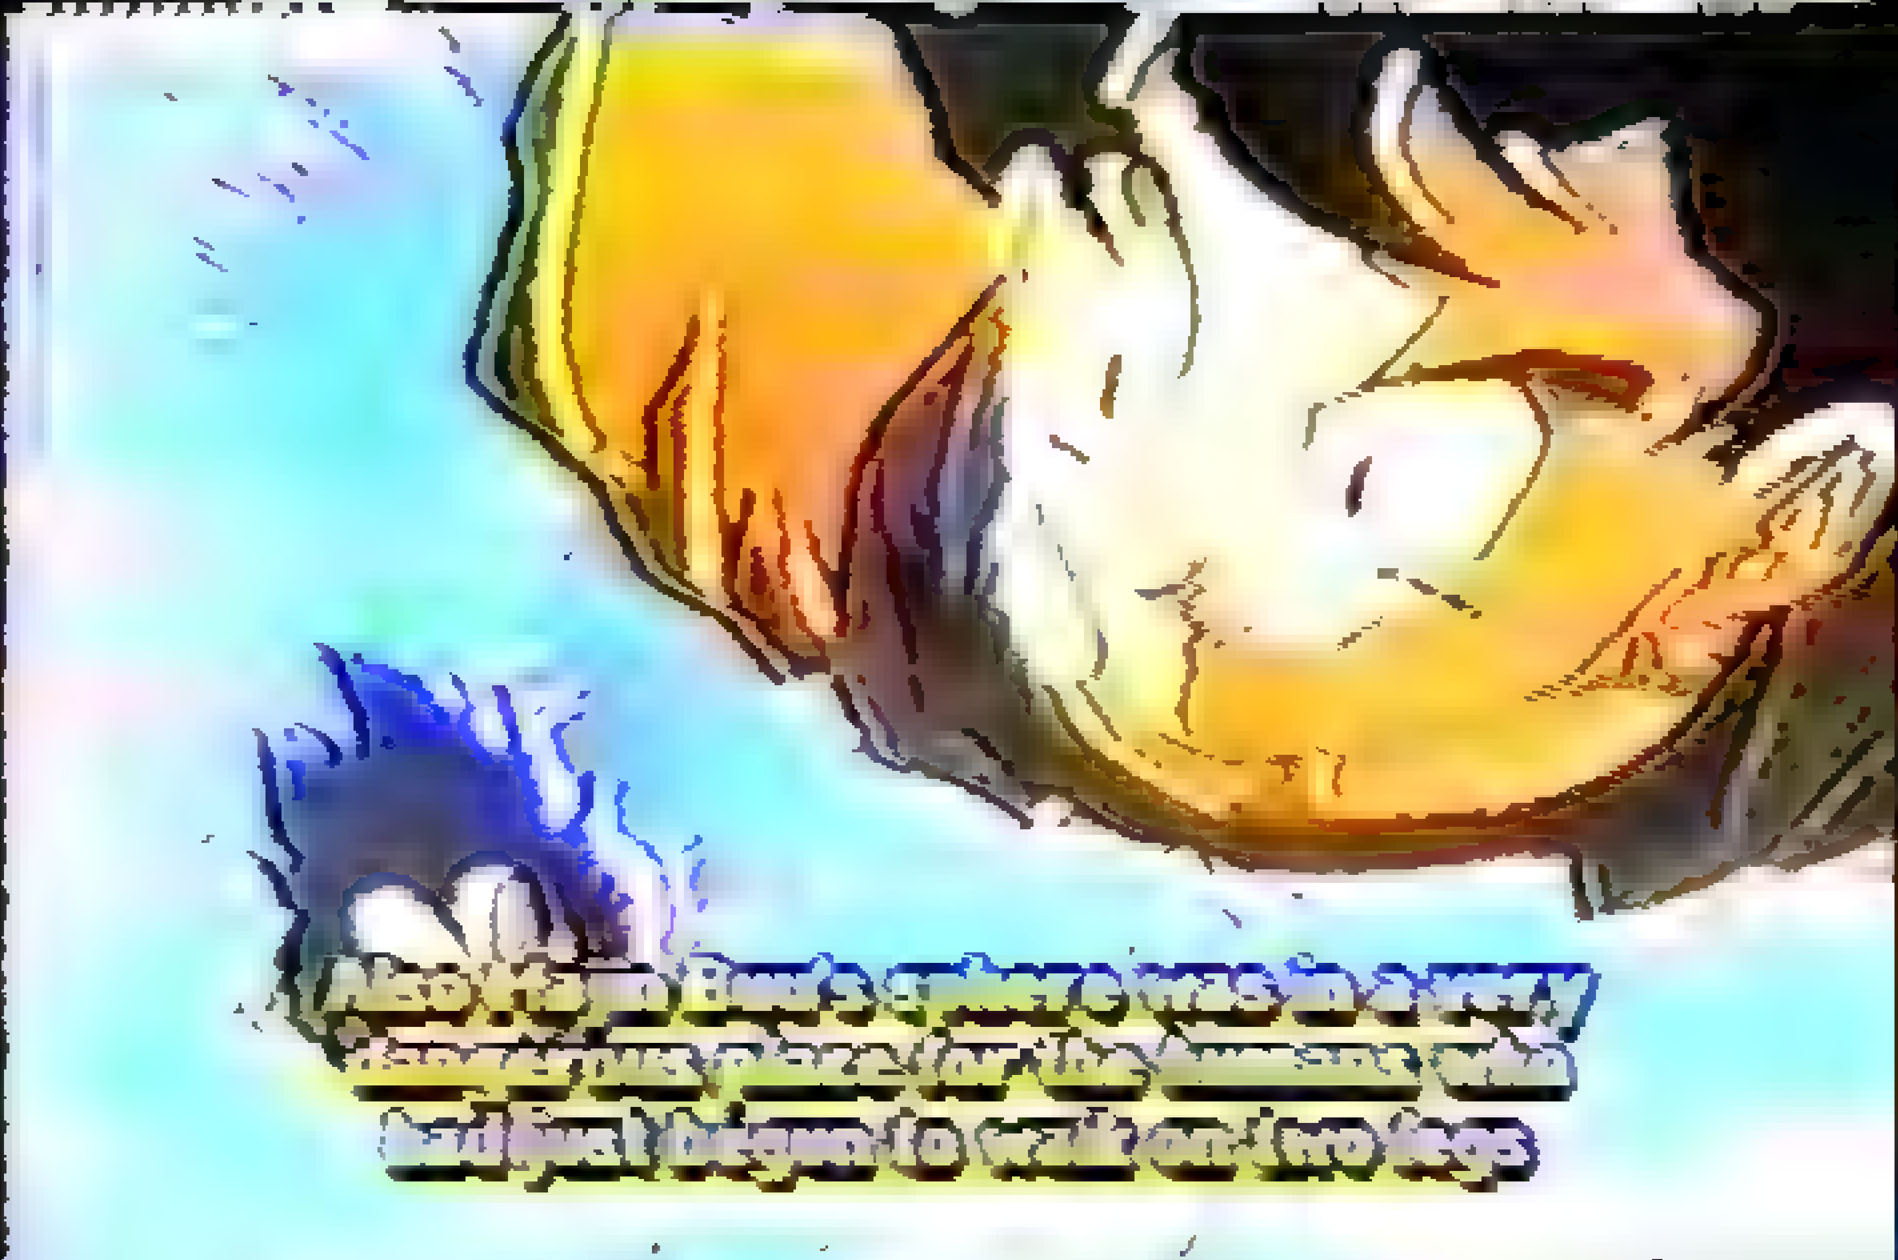

If he's that dangerous, why didn't you do anything when you defeated Babi Dee's father?

There was nothing I could have done

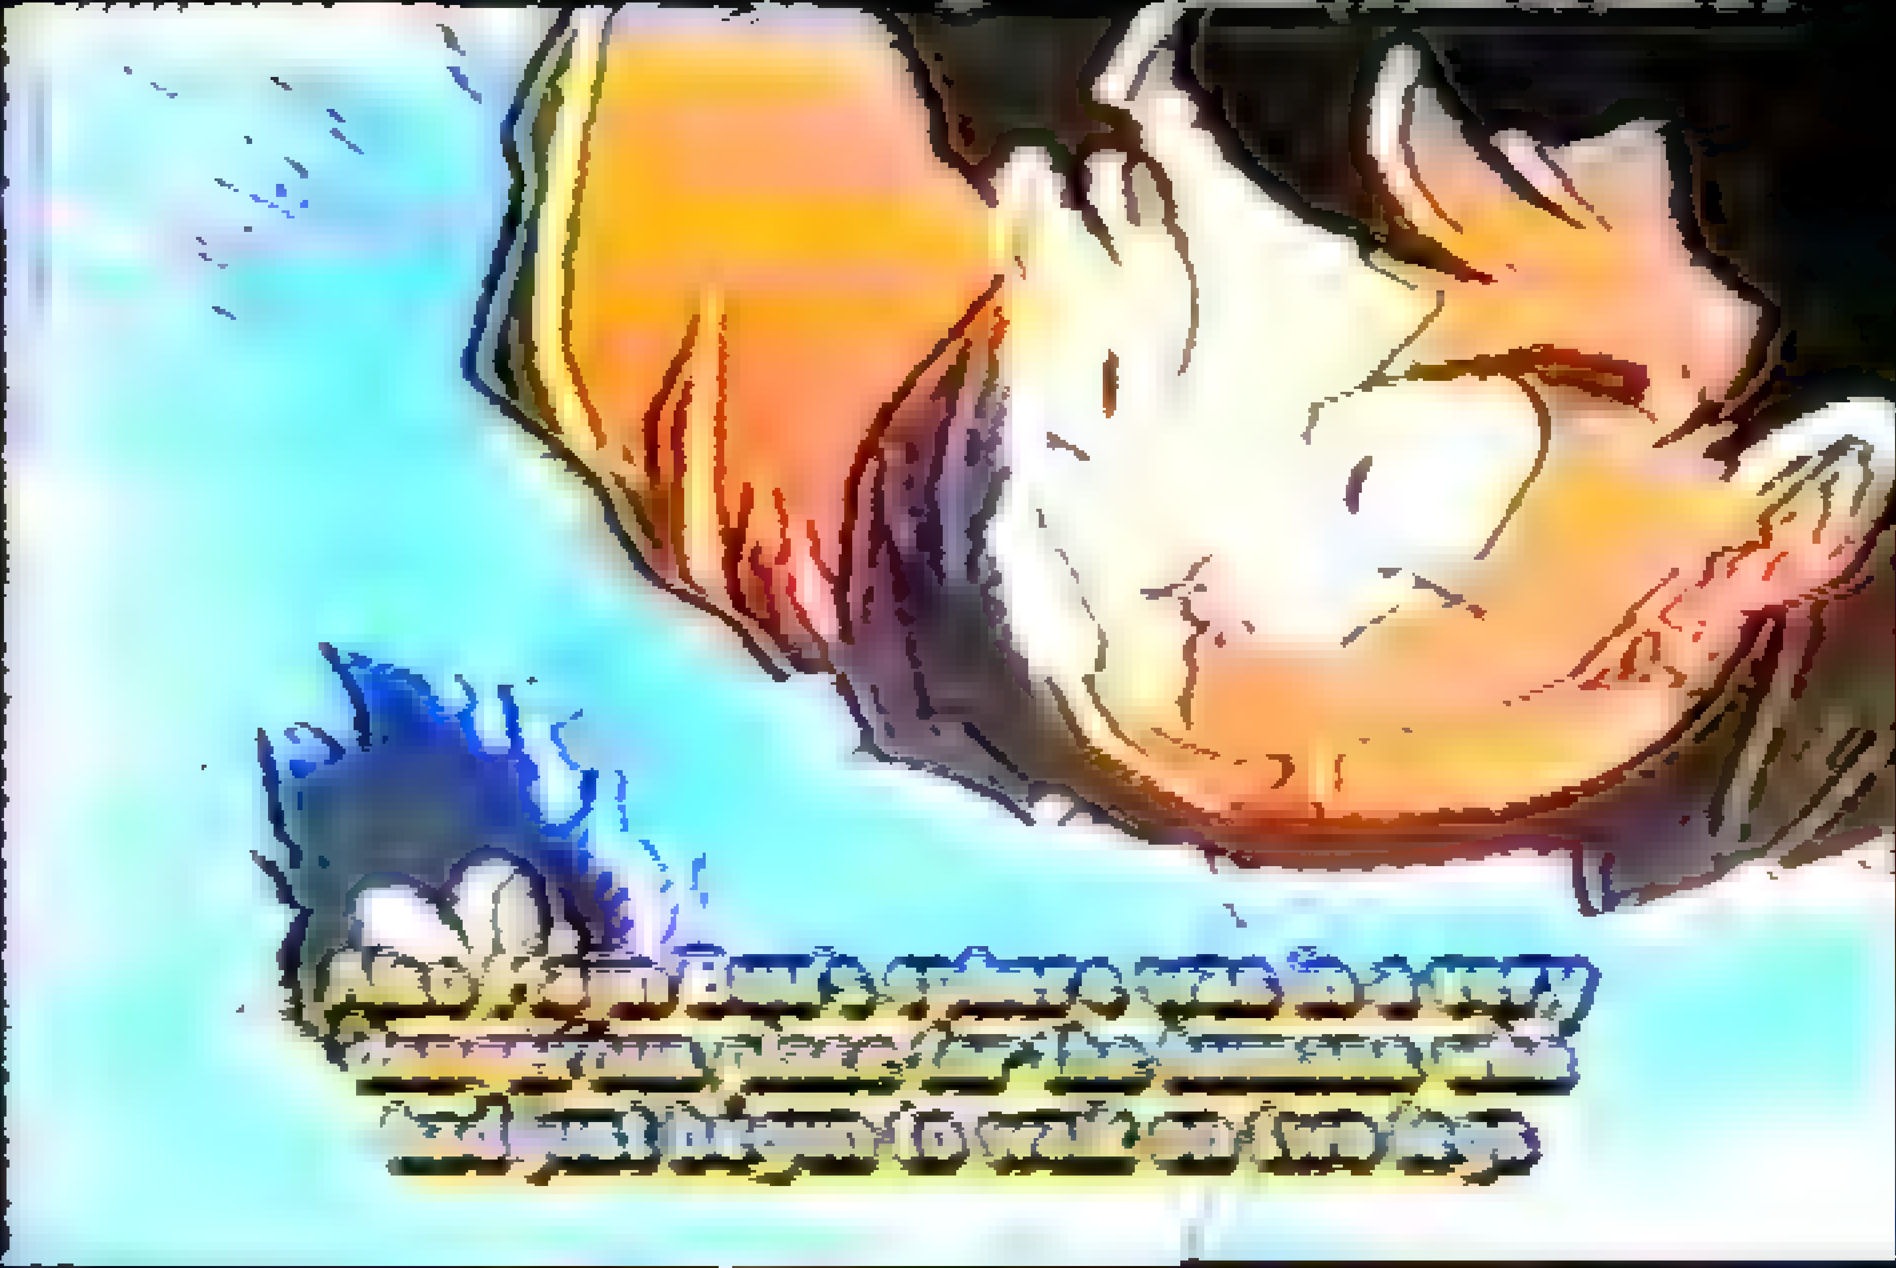

There was nothing I could have done

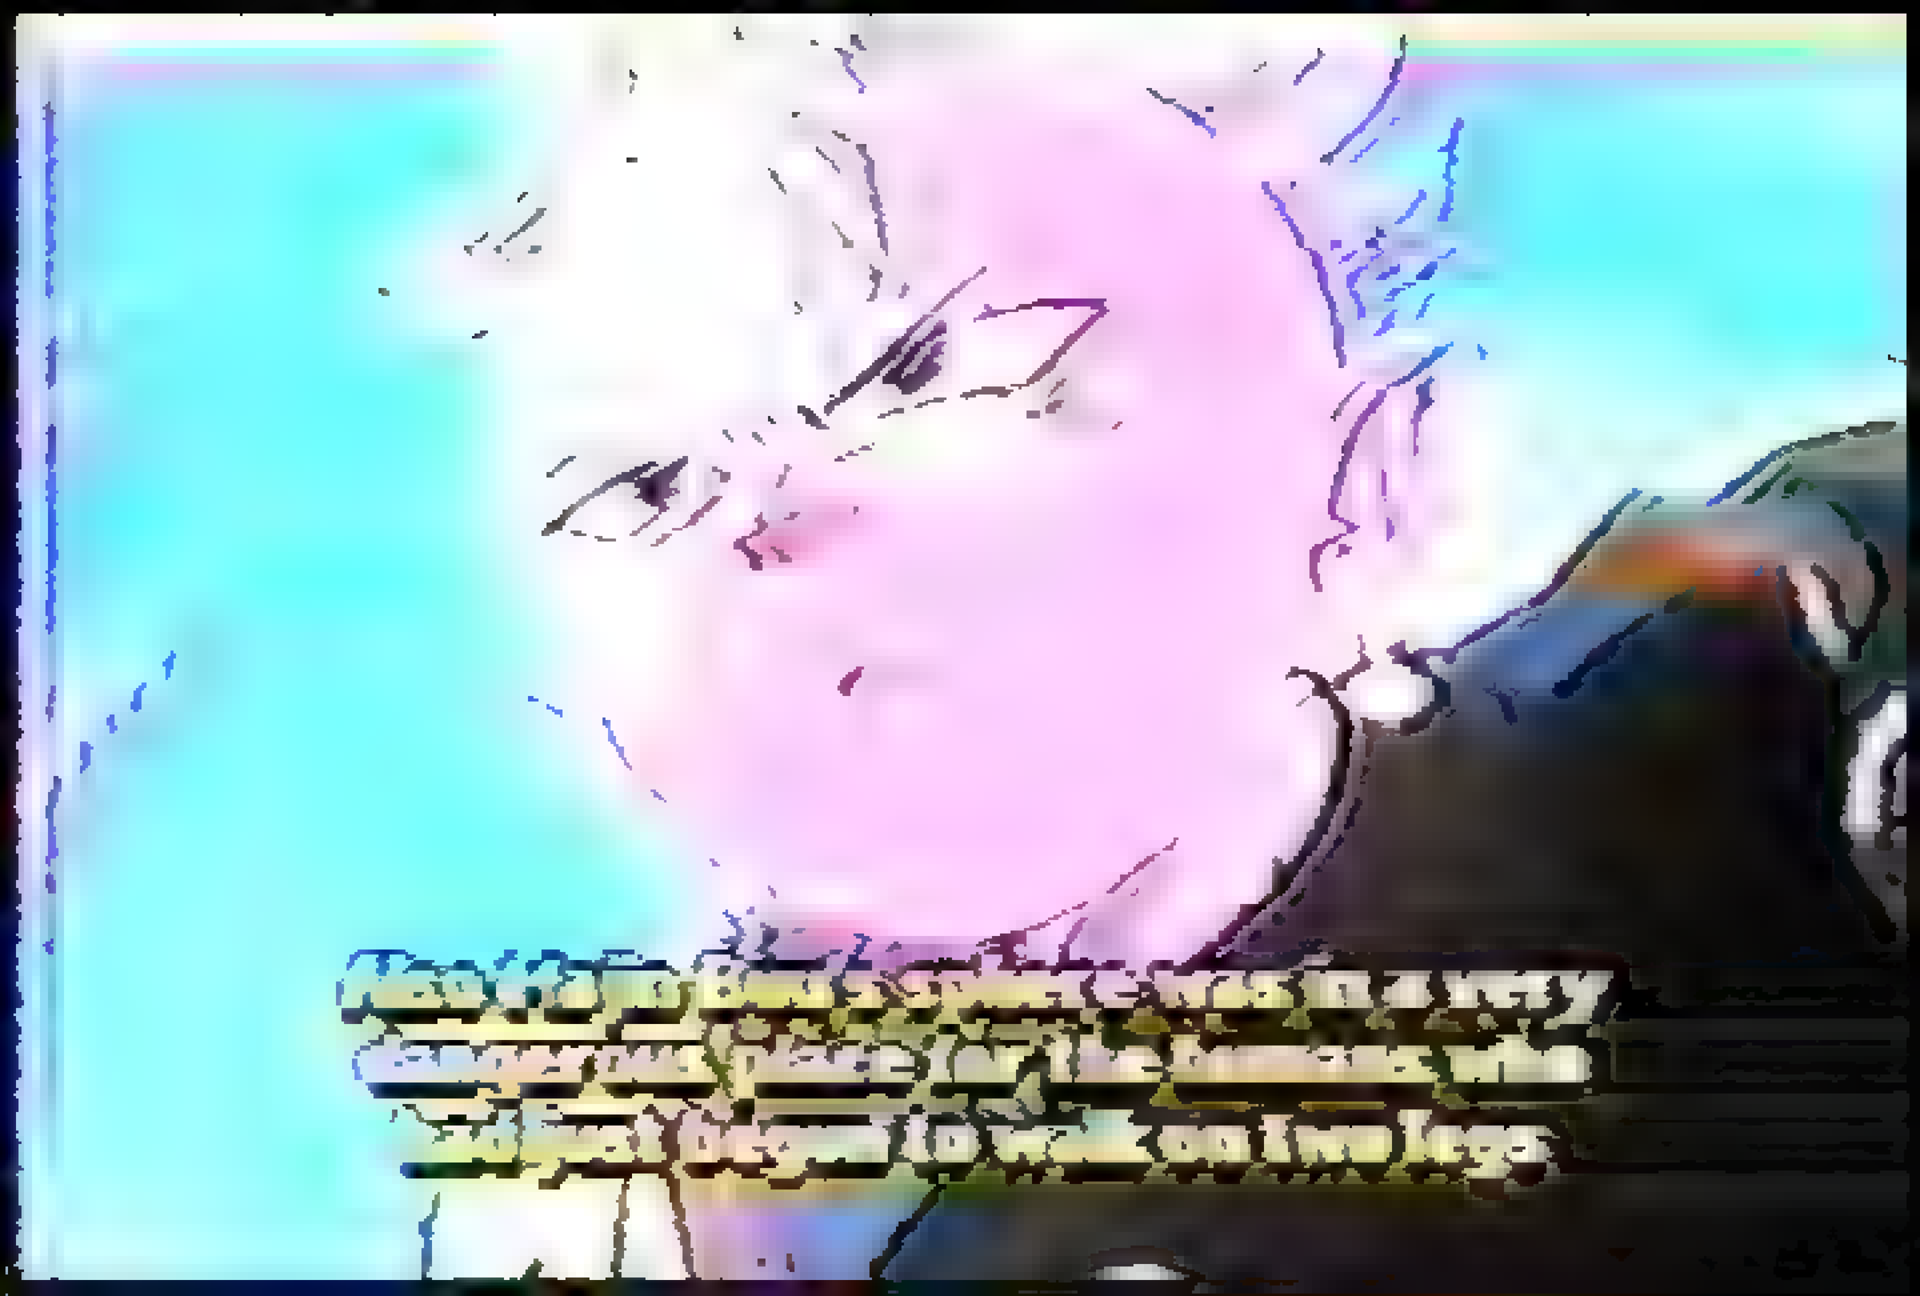

There was nothing I could have done

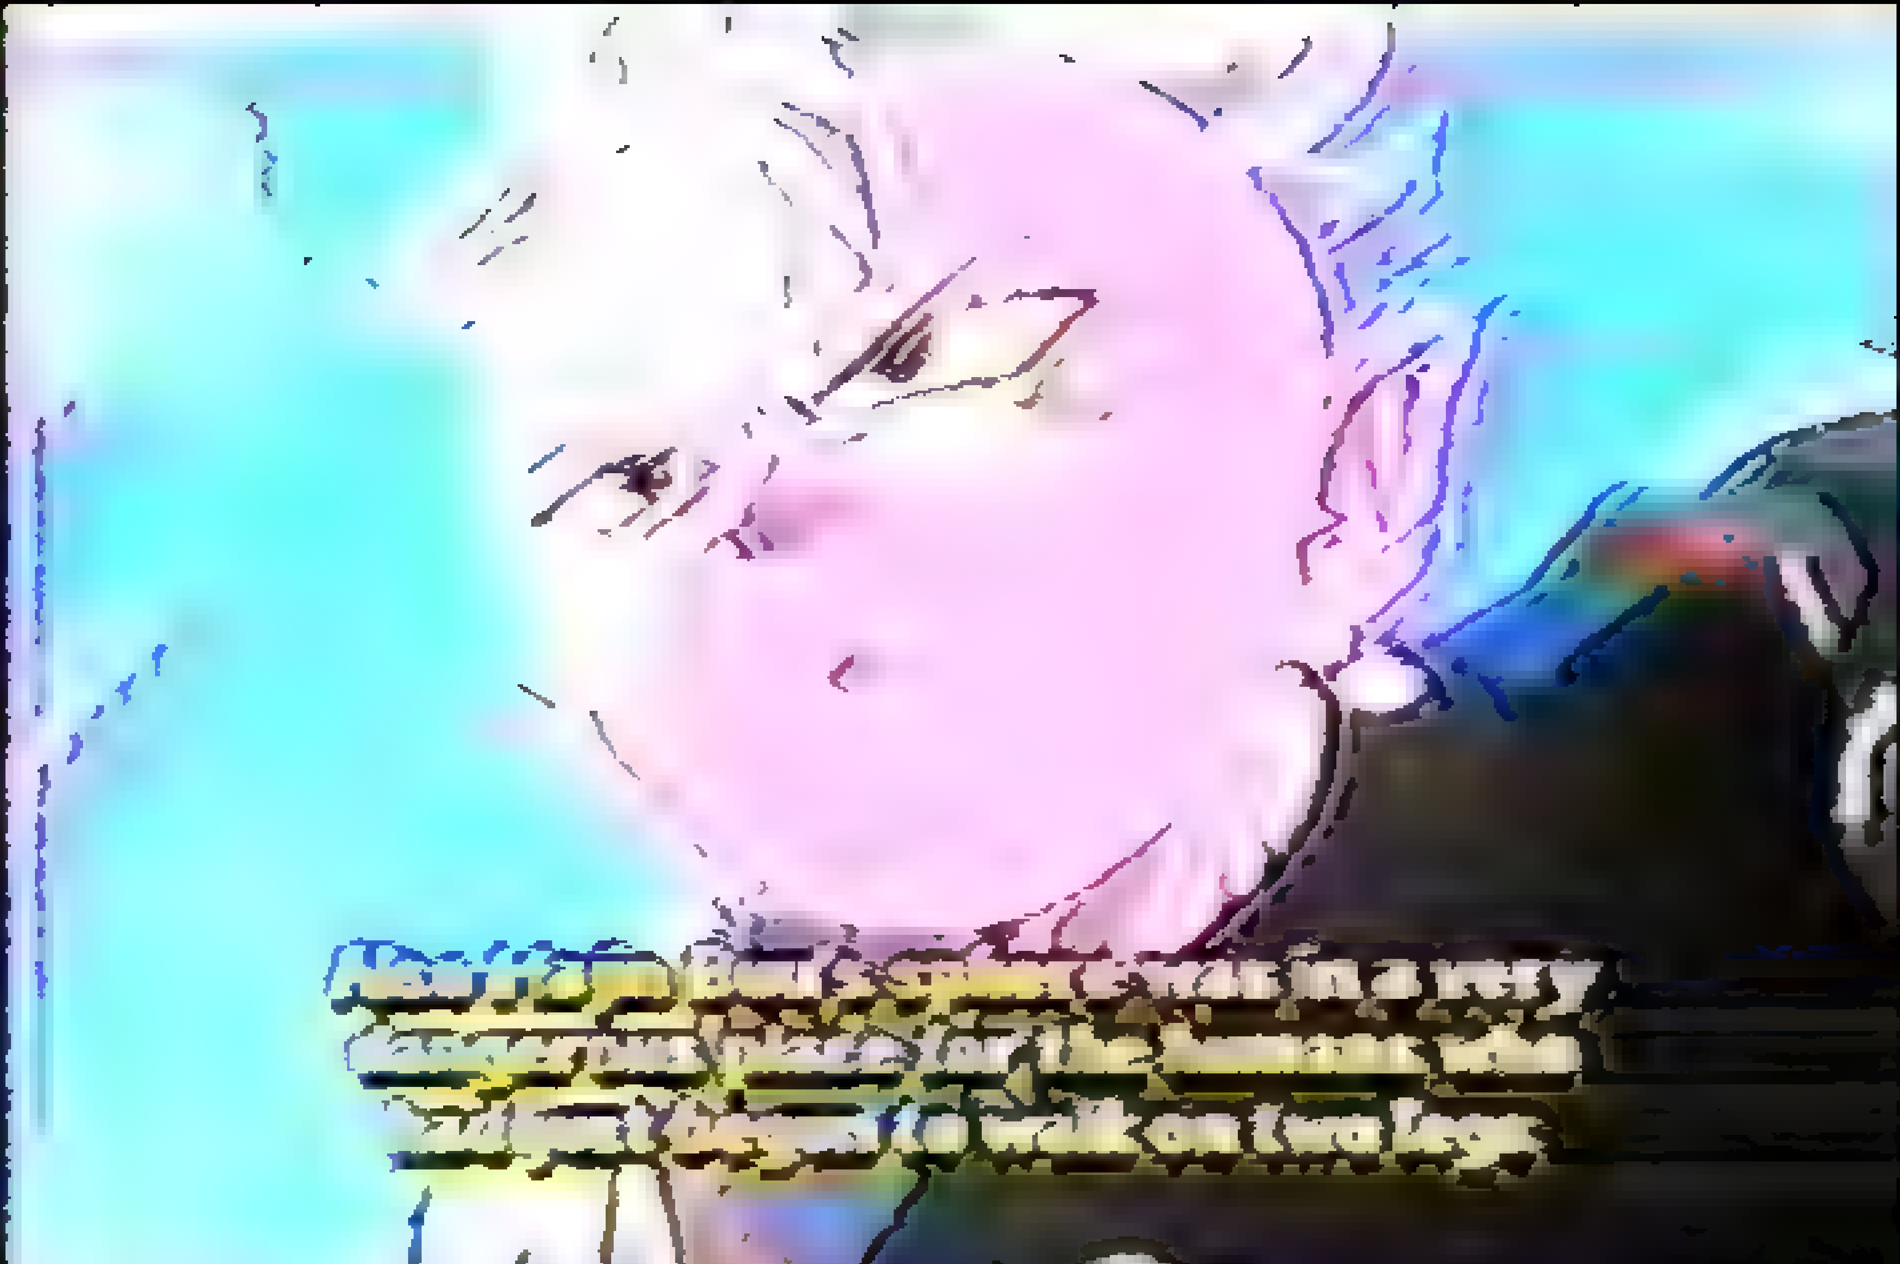

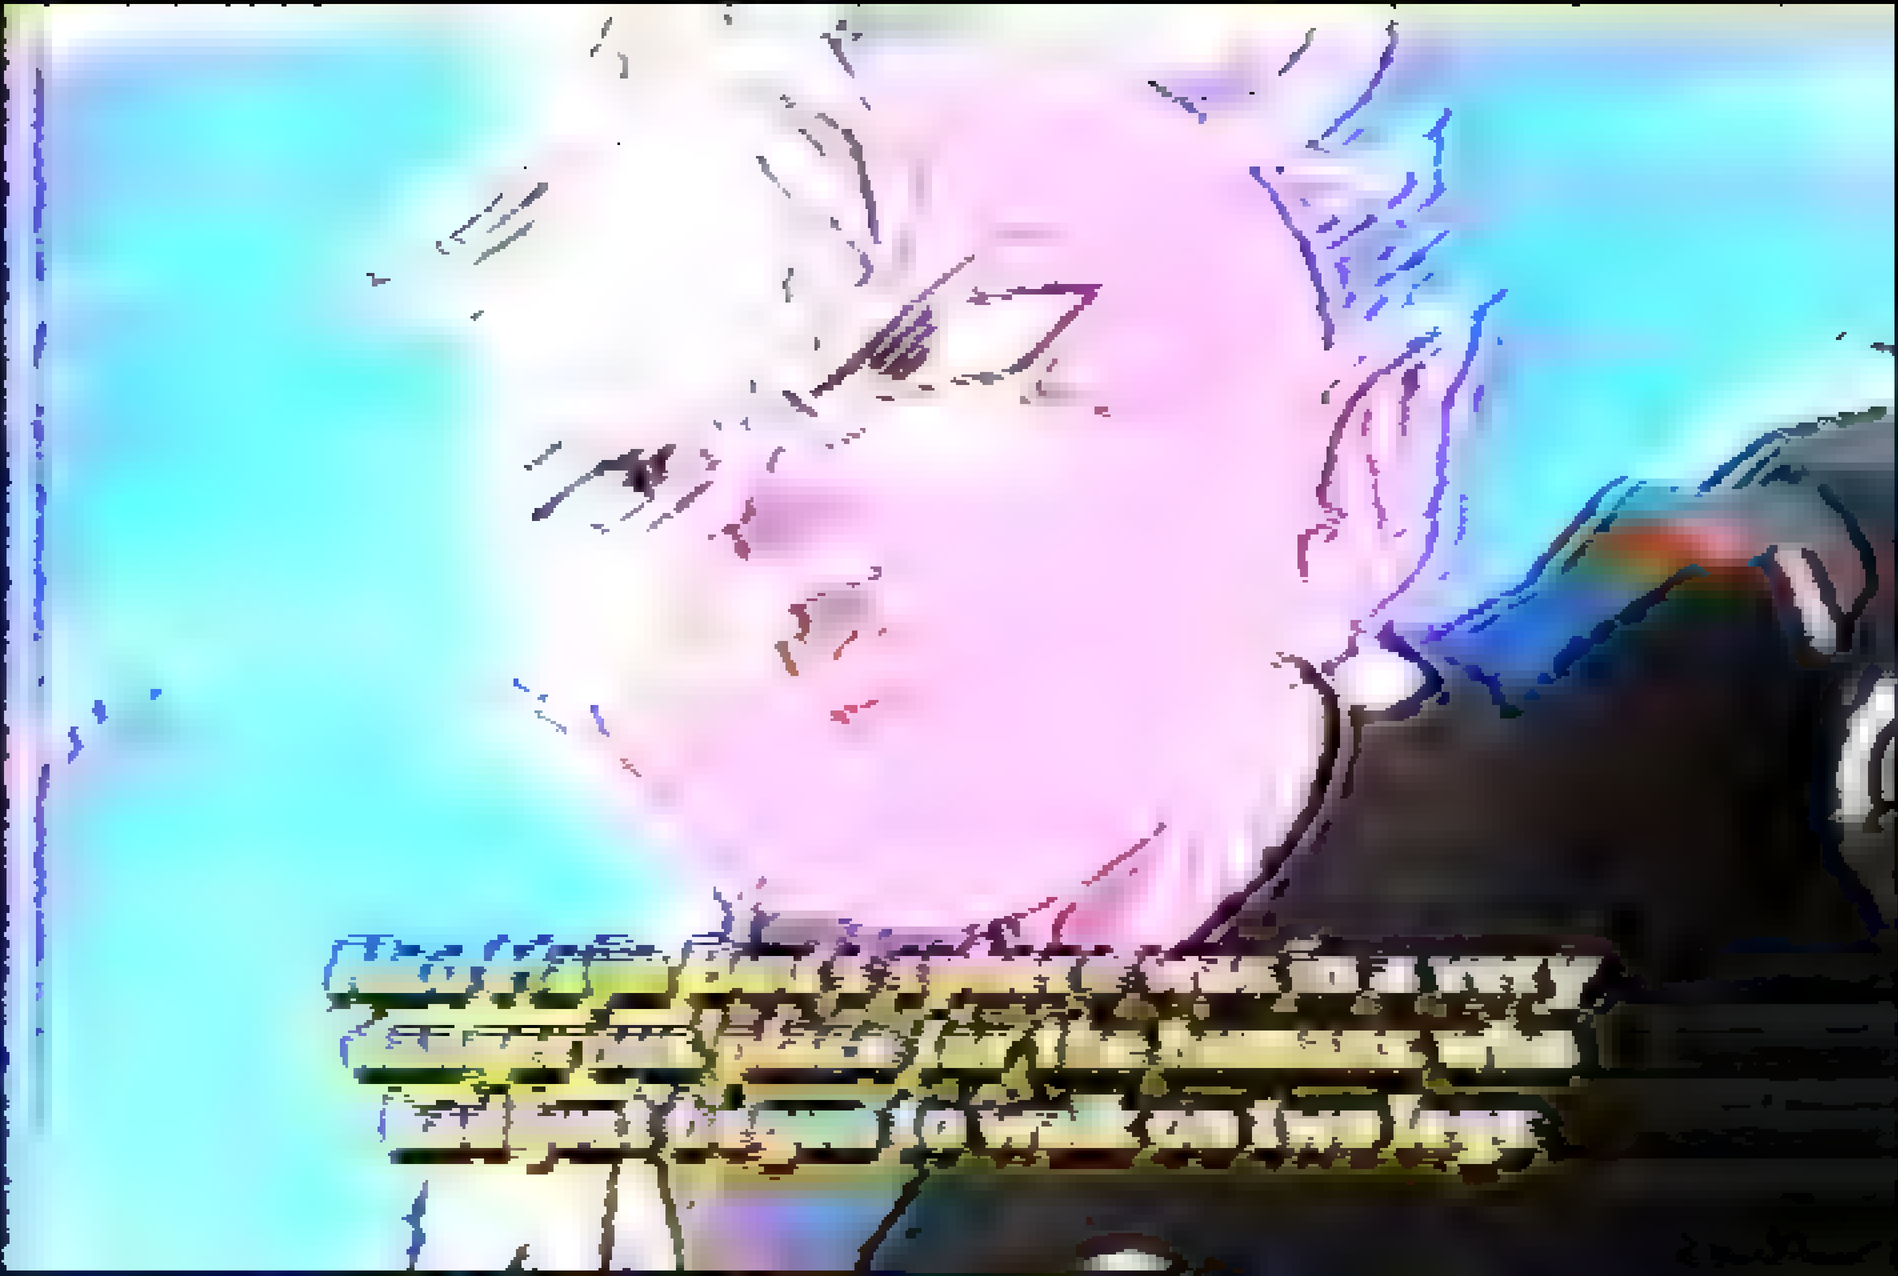

Also Majin Buu's sphere was in a very
dangerous place for the humans who
had just begun to walk on two legs

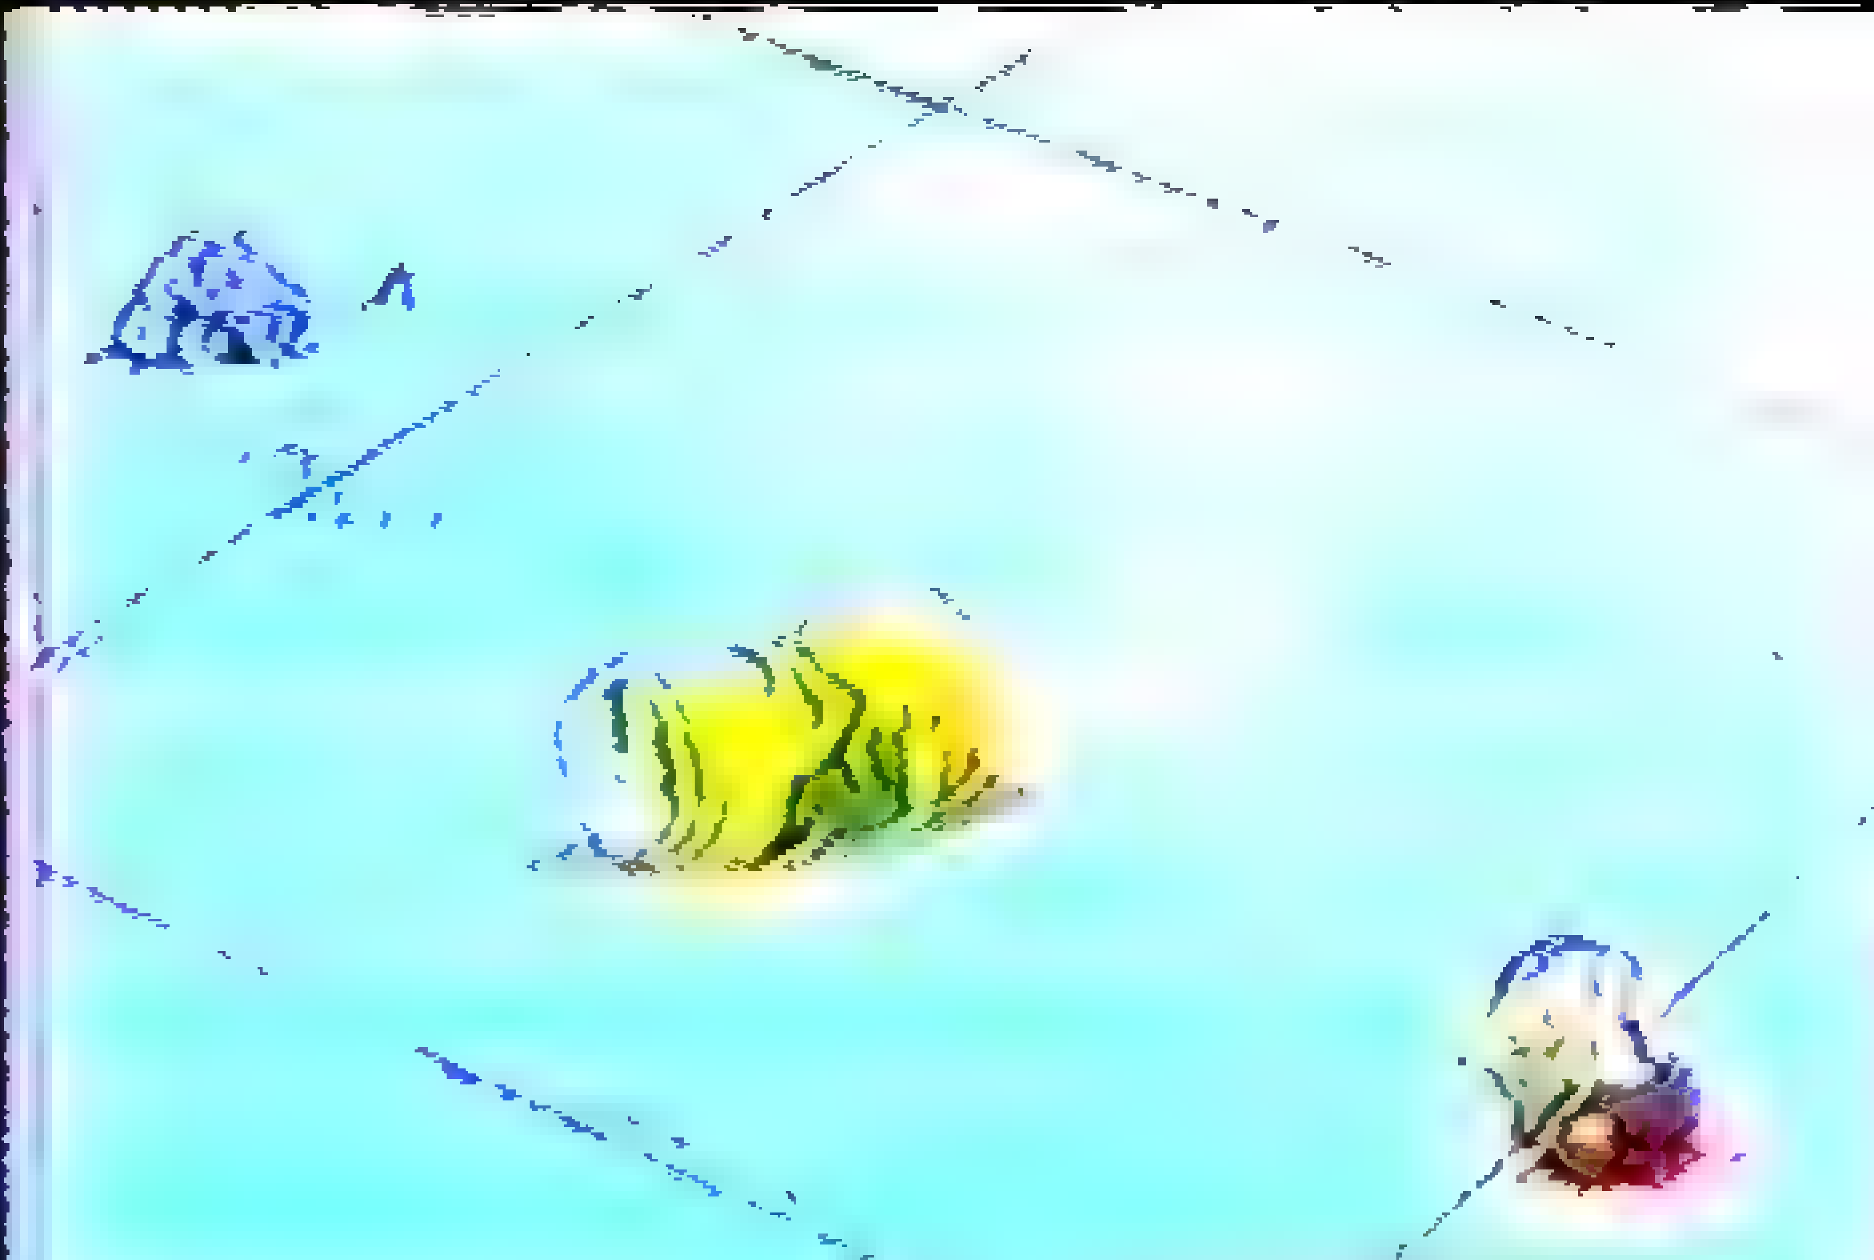

dangerous place for the humans who
had just begun to walk on two legs

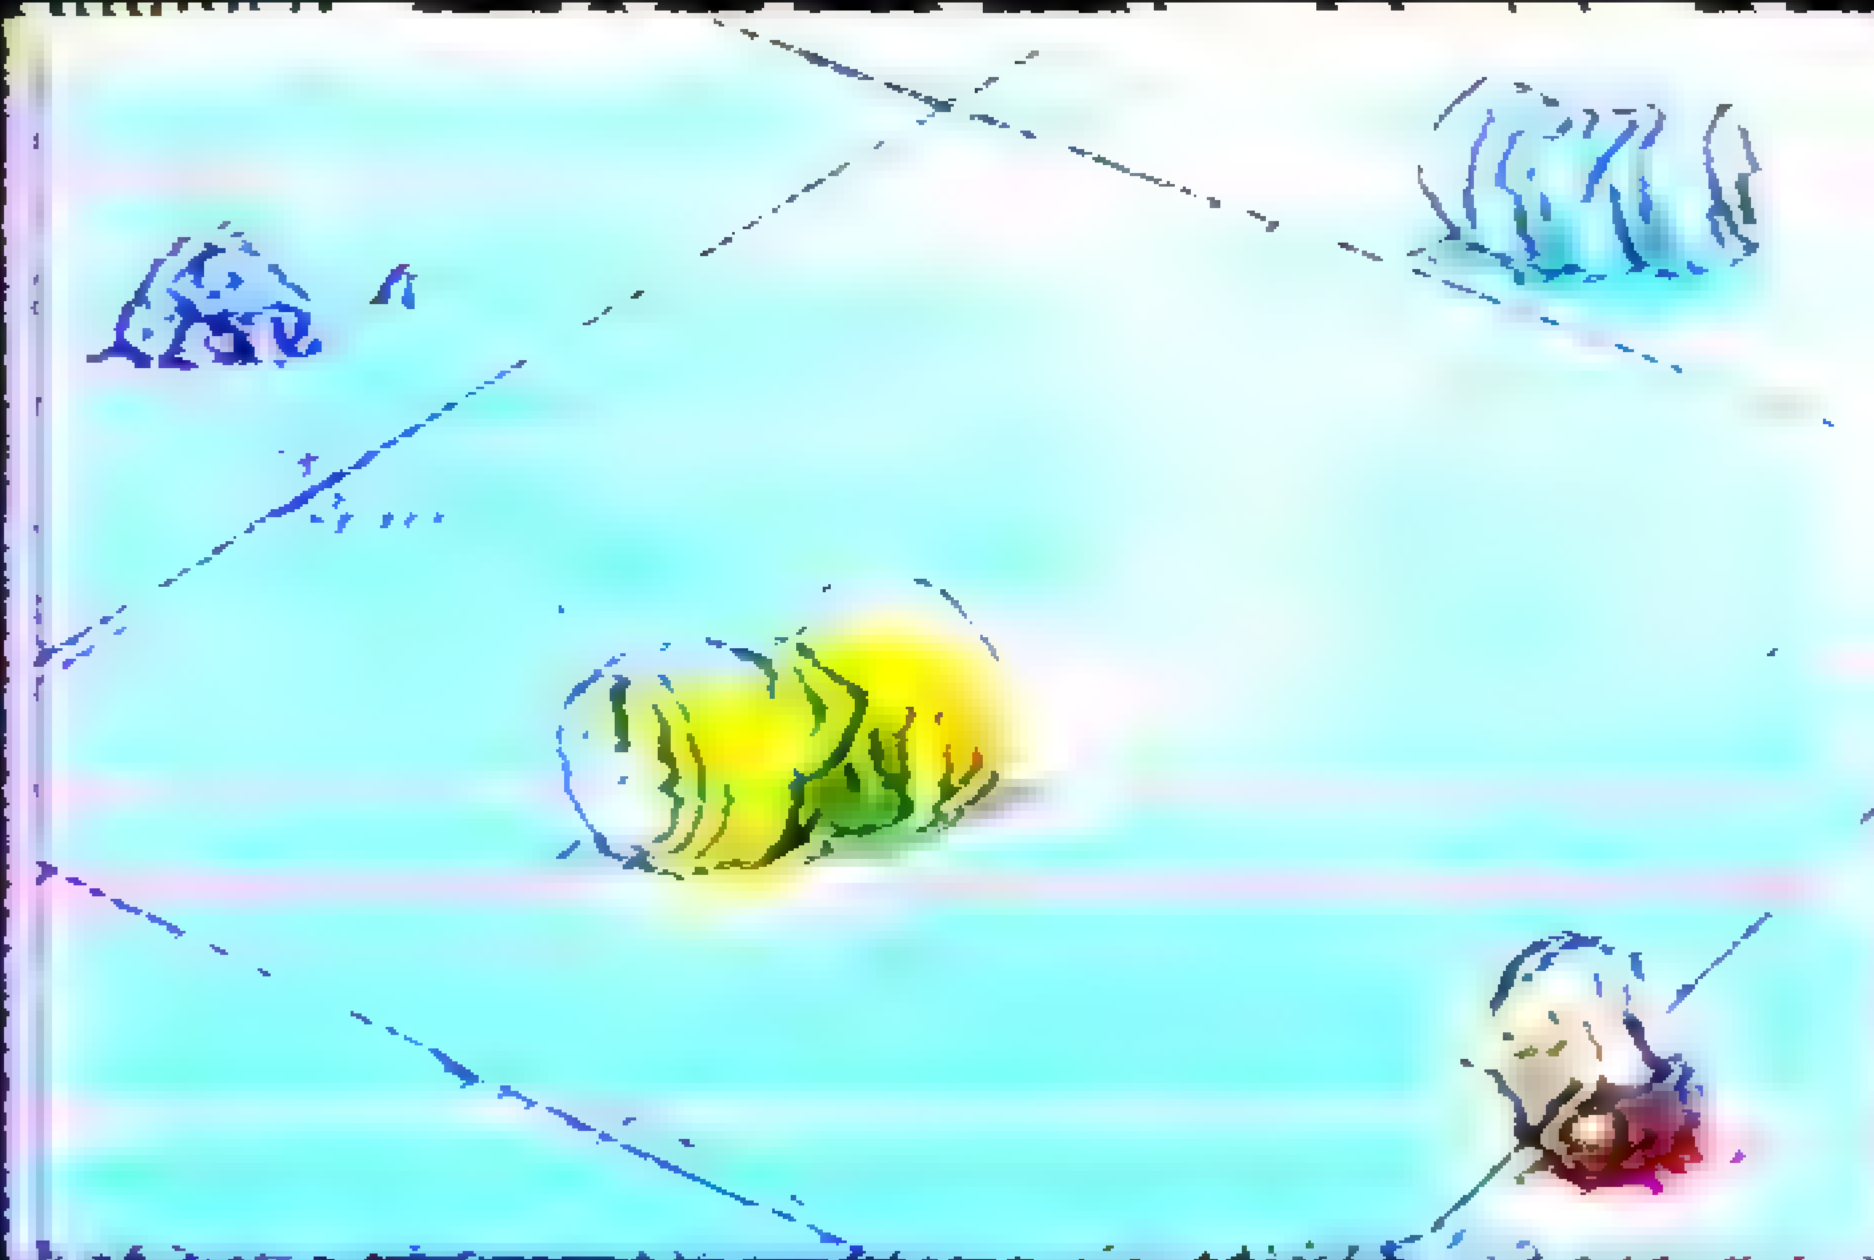

was in a very
dangerous place for the humans who
had just begun to walk on two legs.

was in a very

What happened to the Competition?

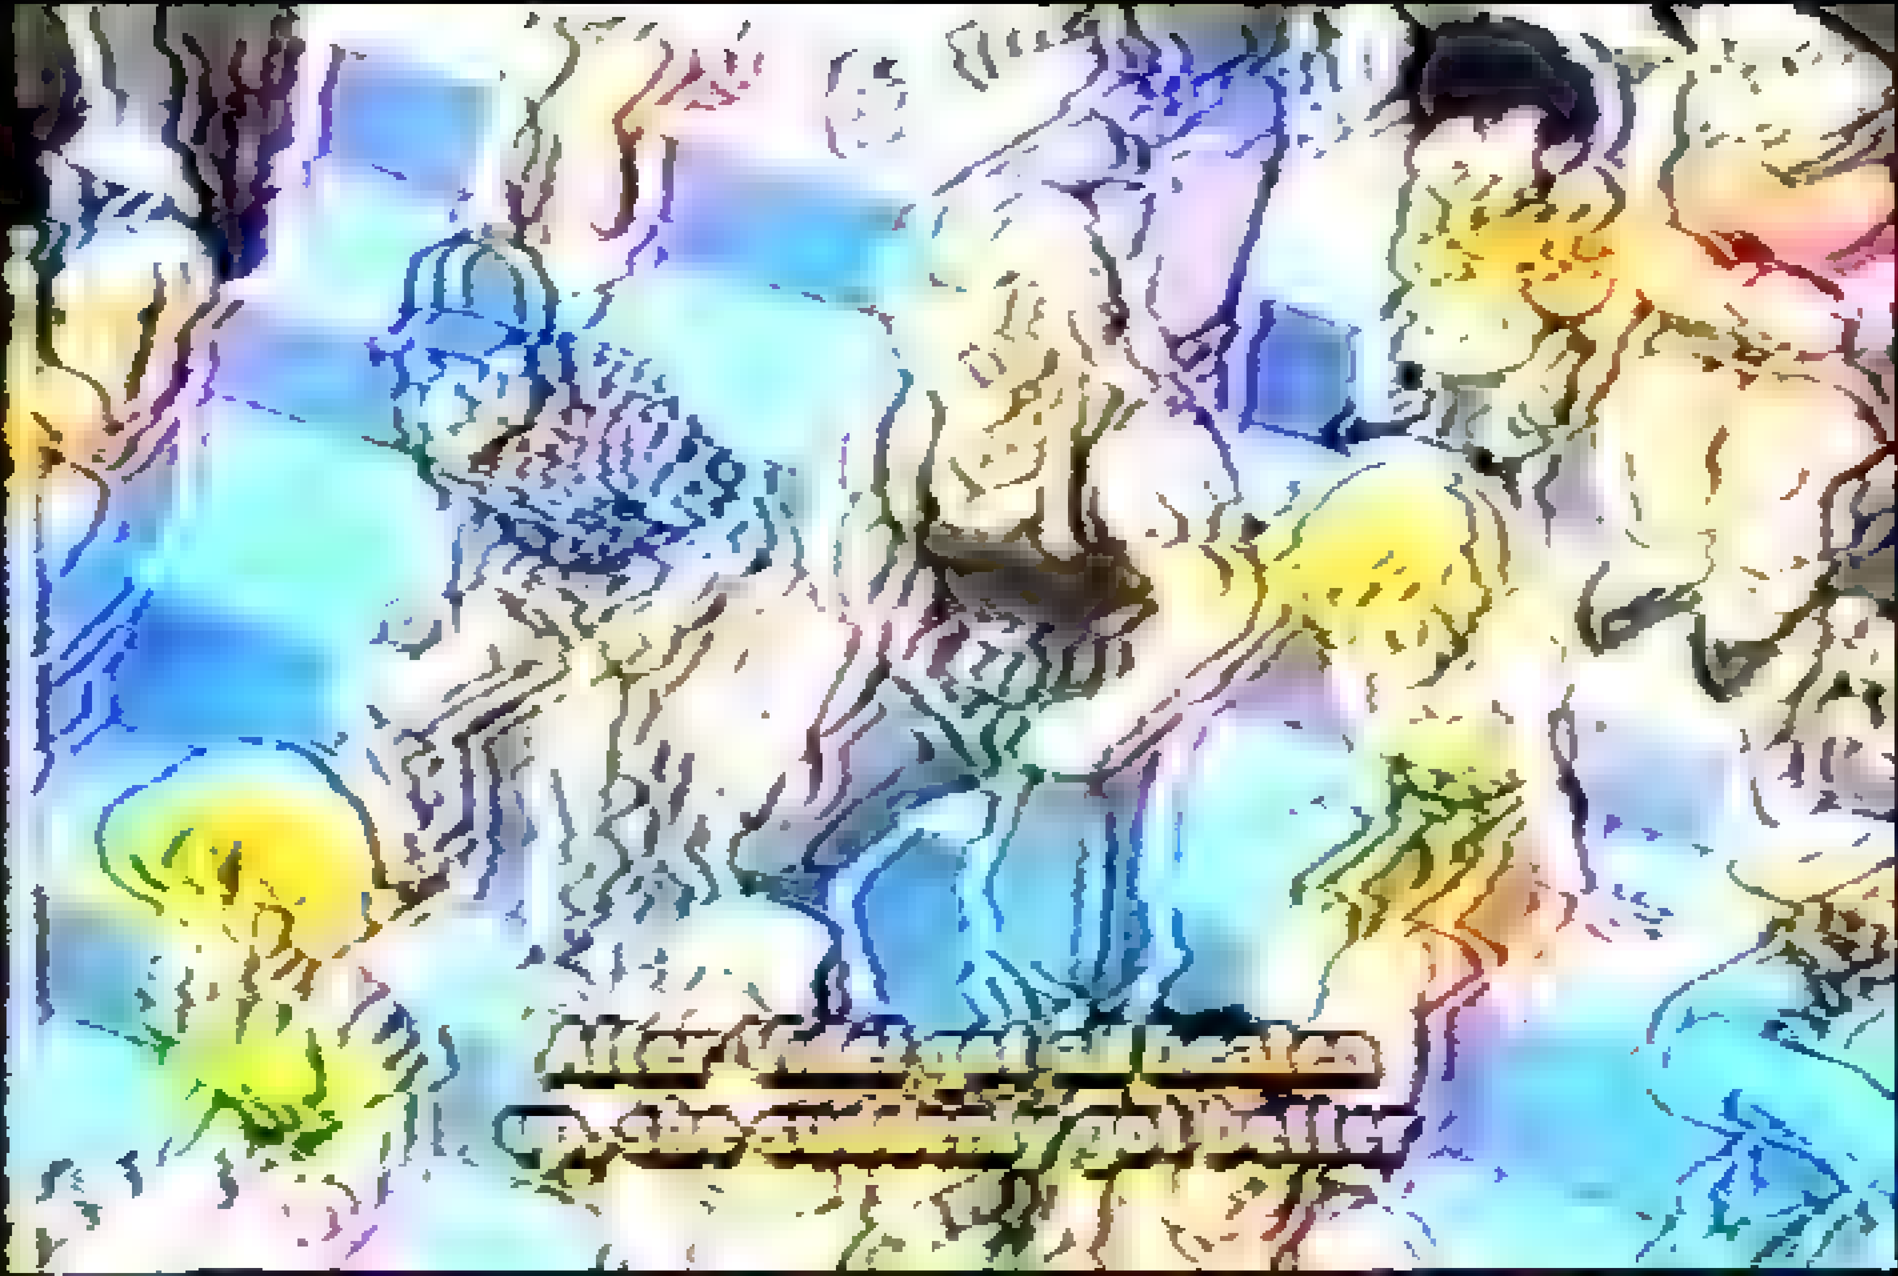

What's going on here?

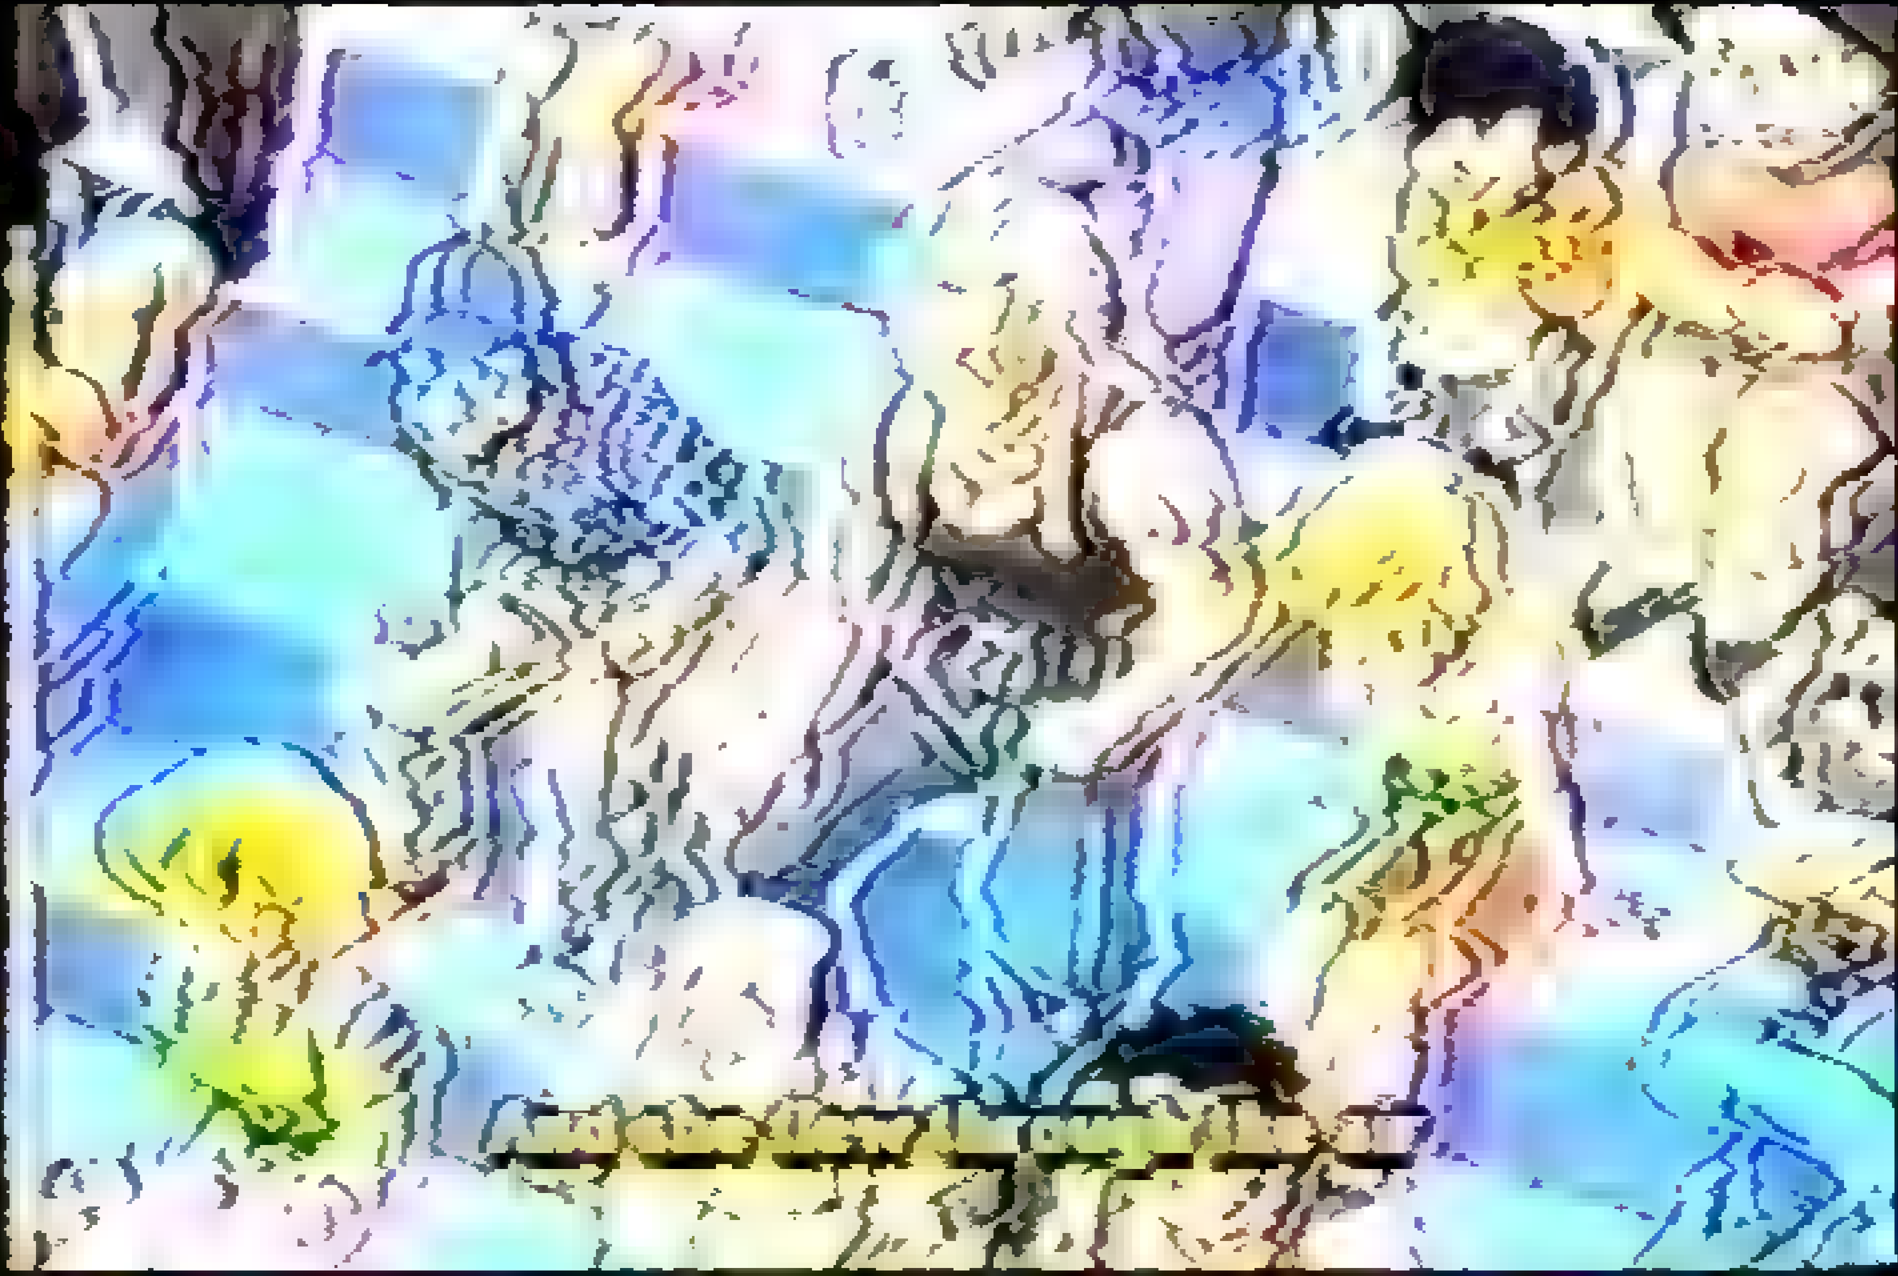

After … beaten
up the … got better

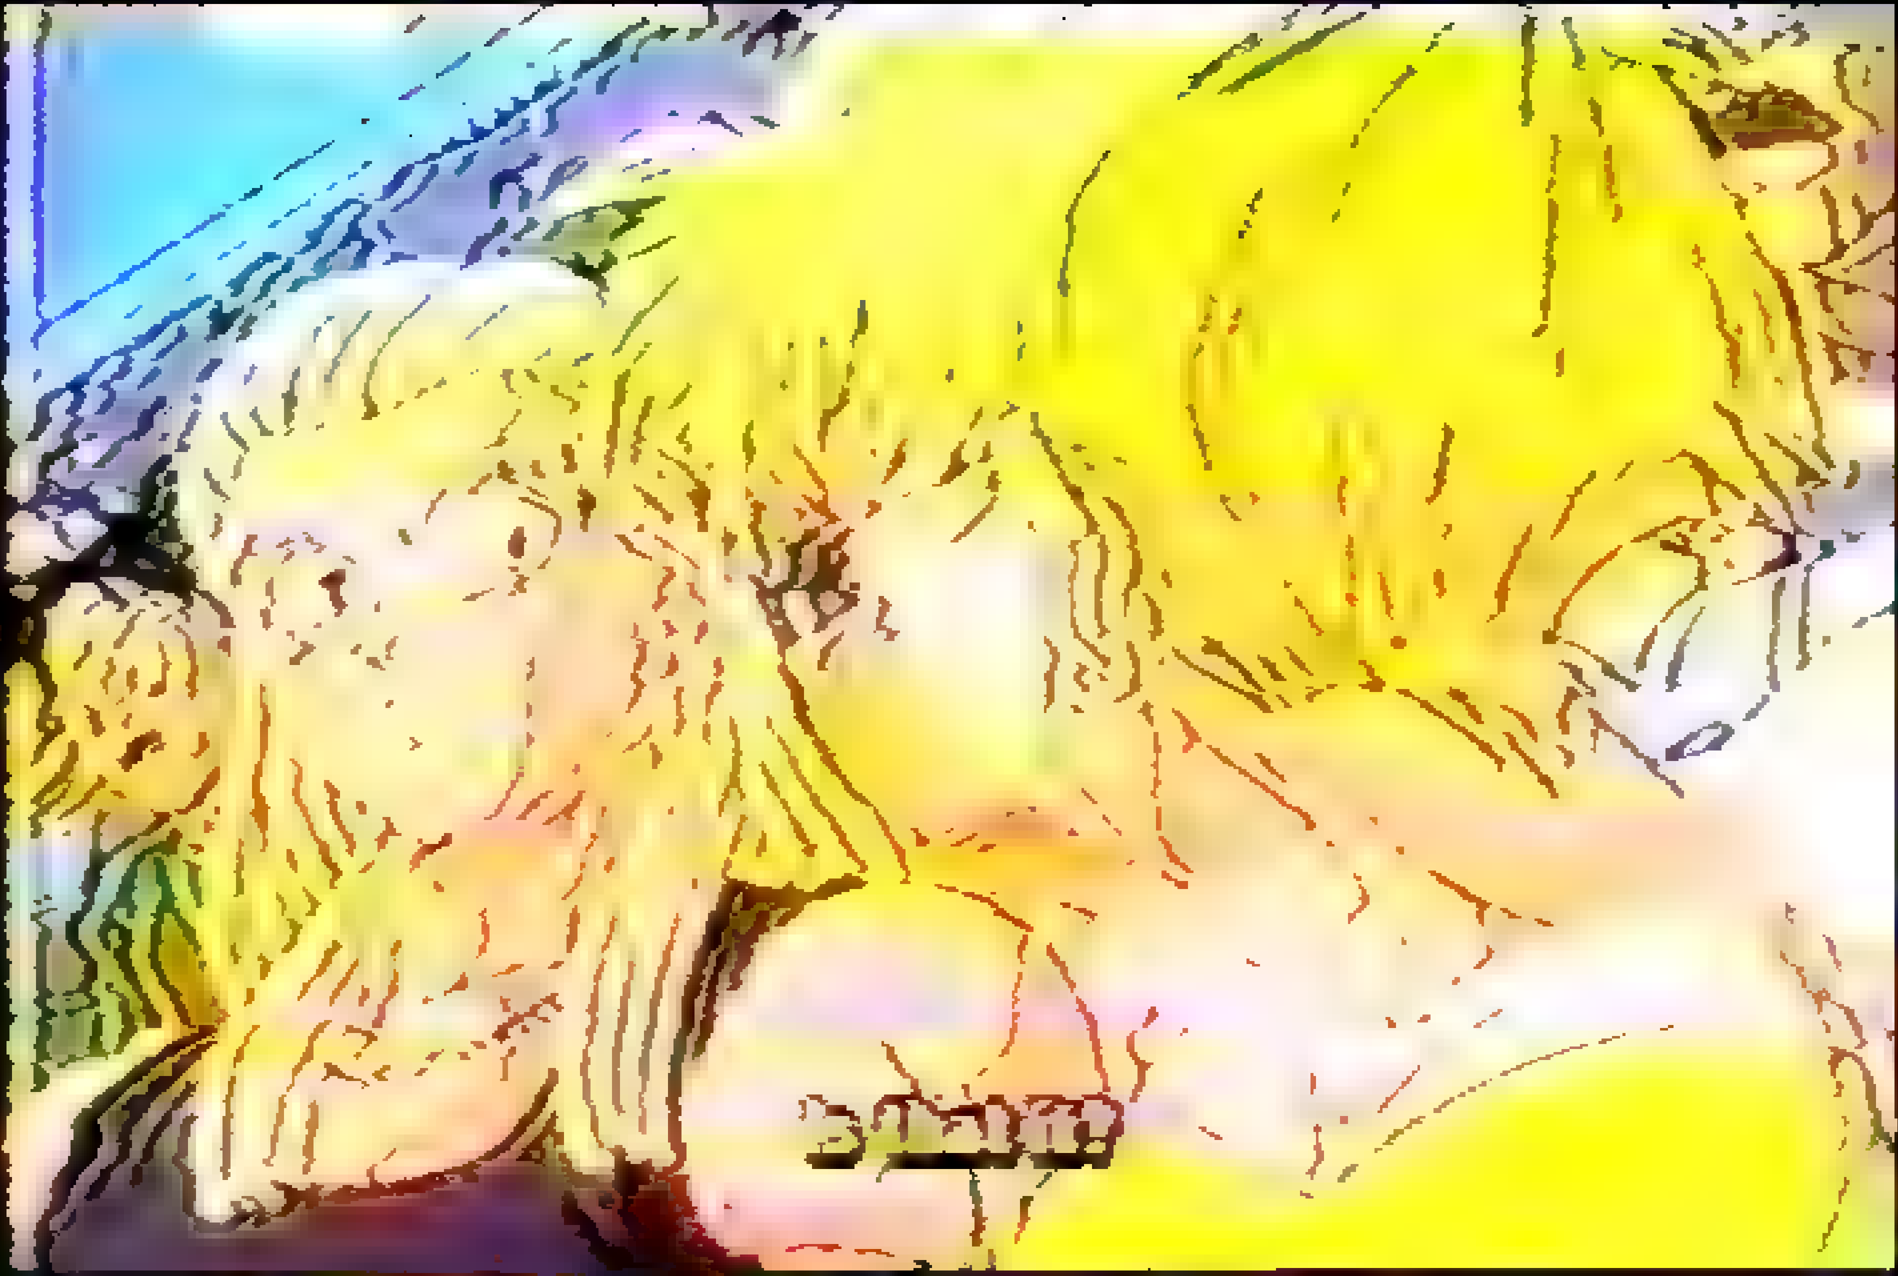

You're right. It would be a trick

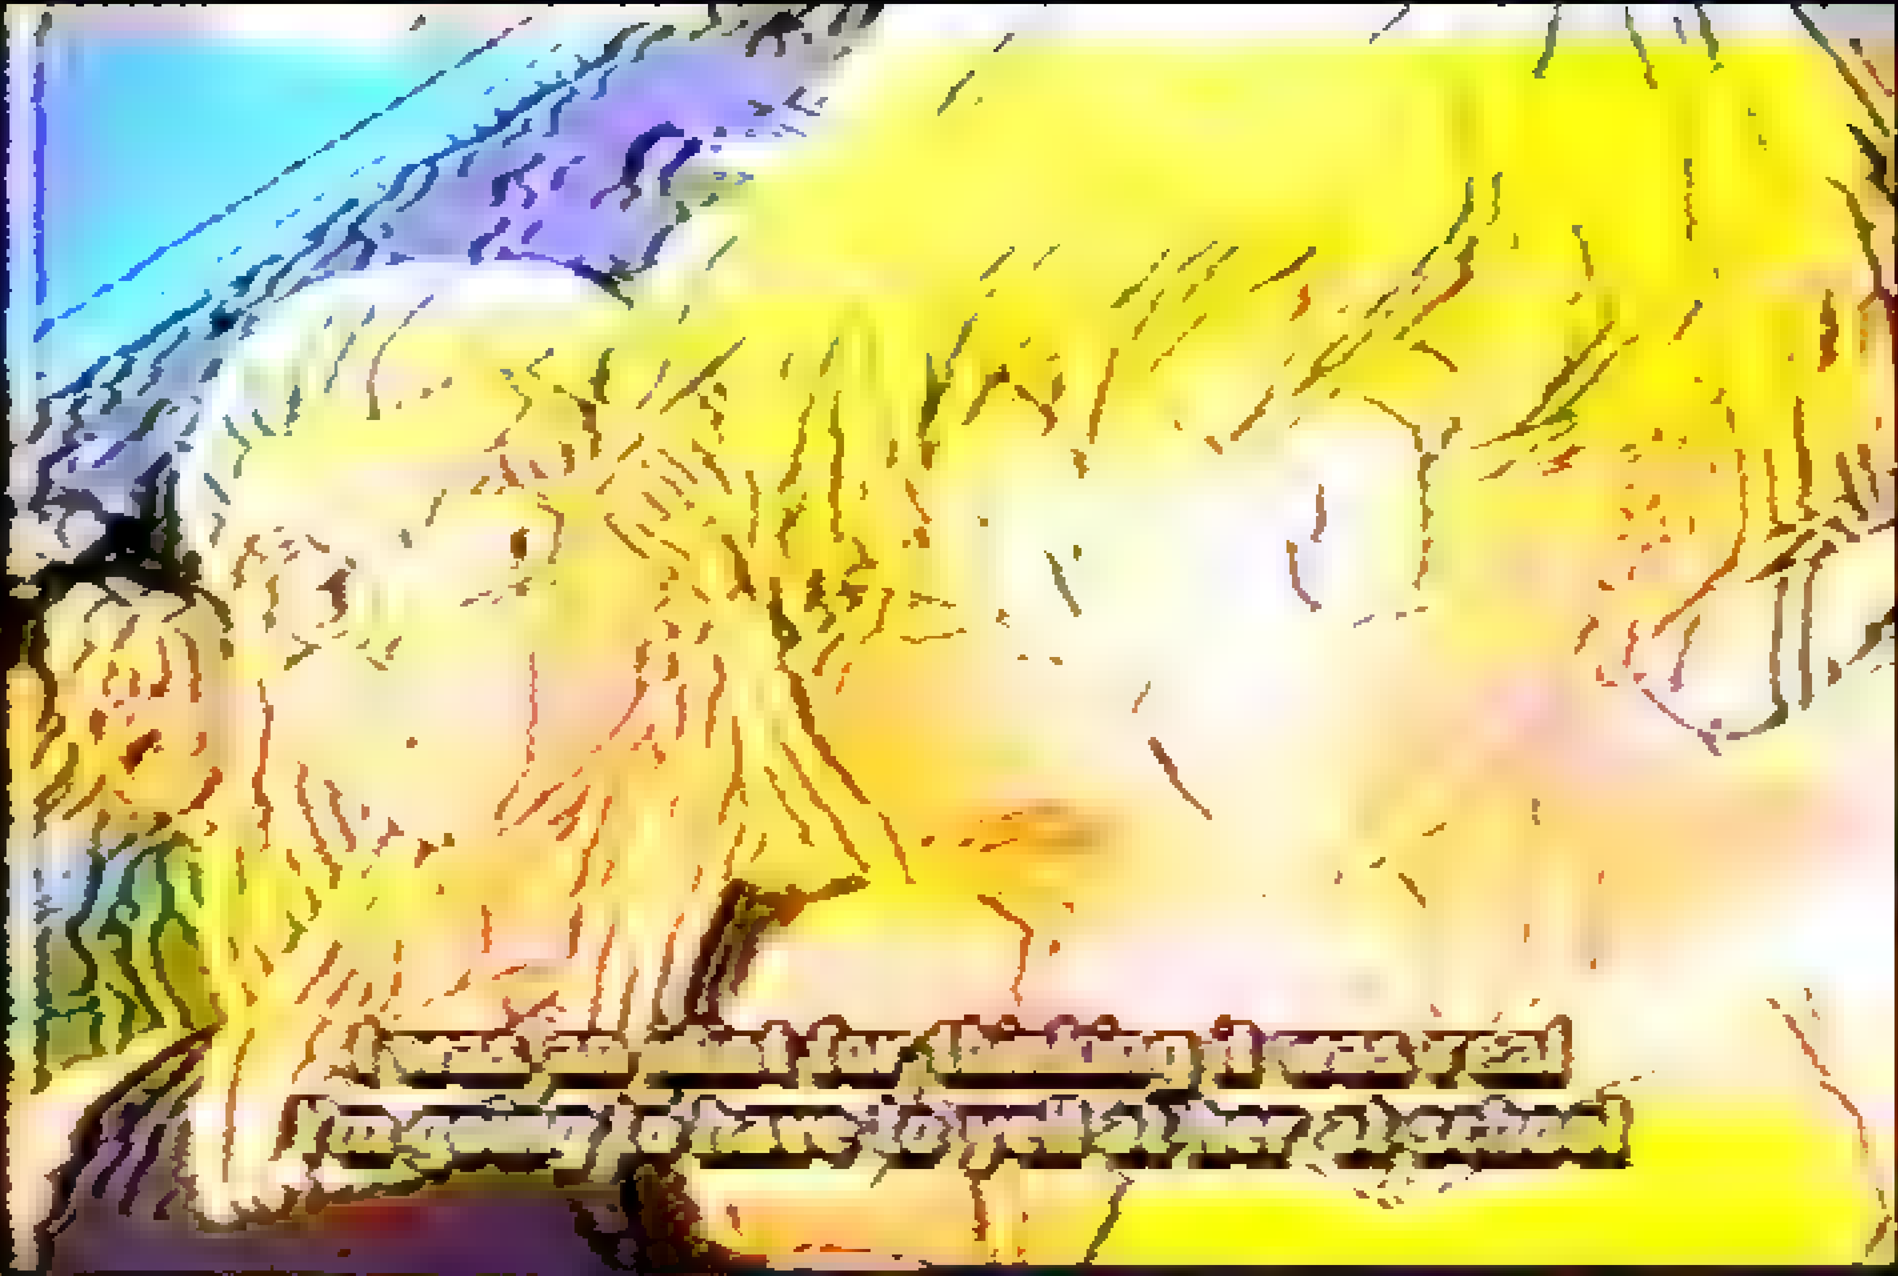

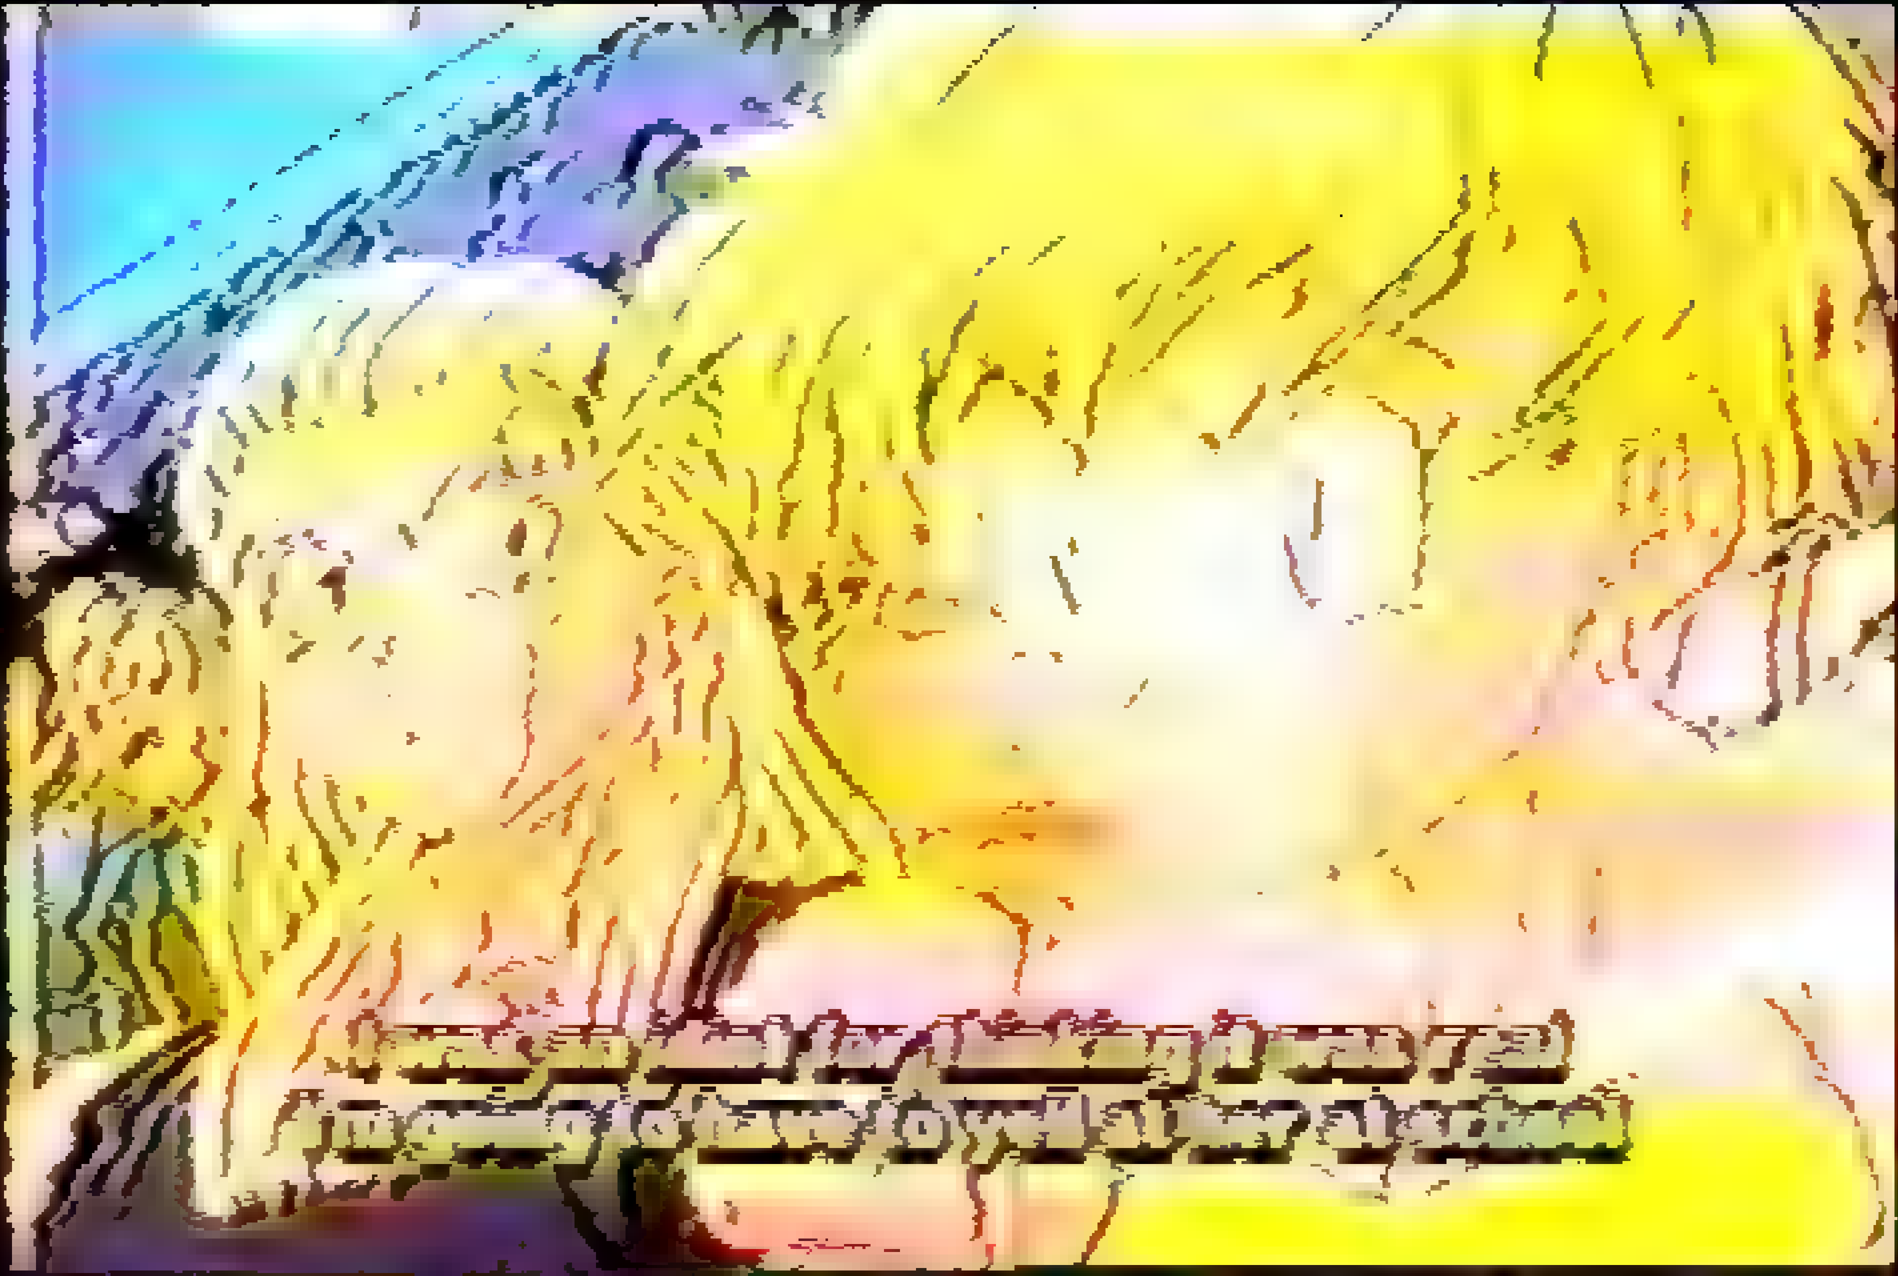

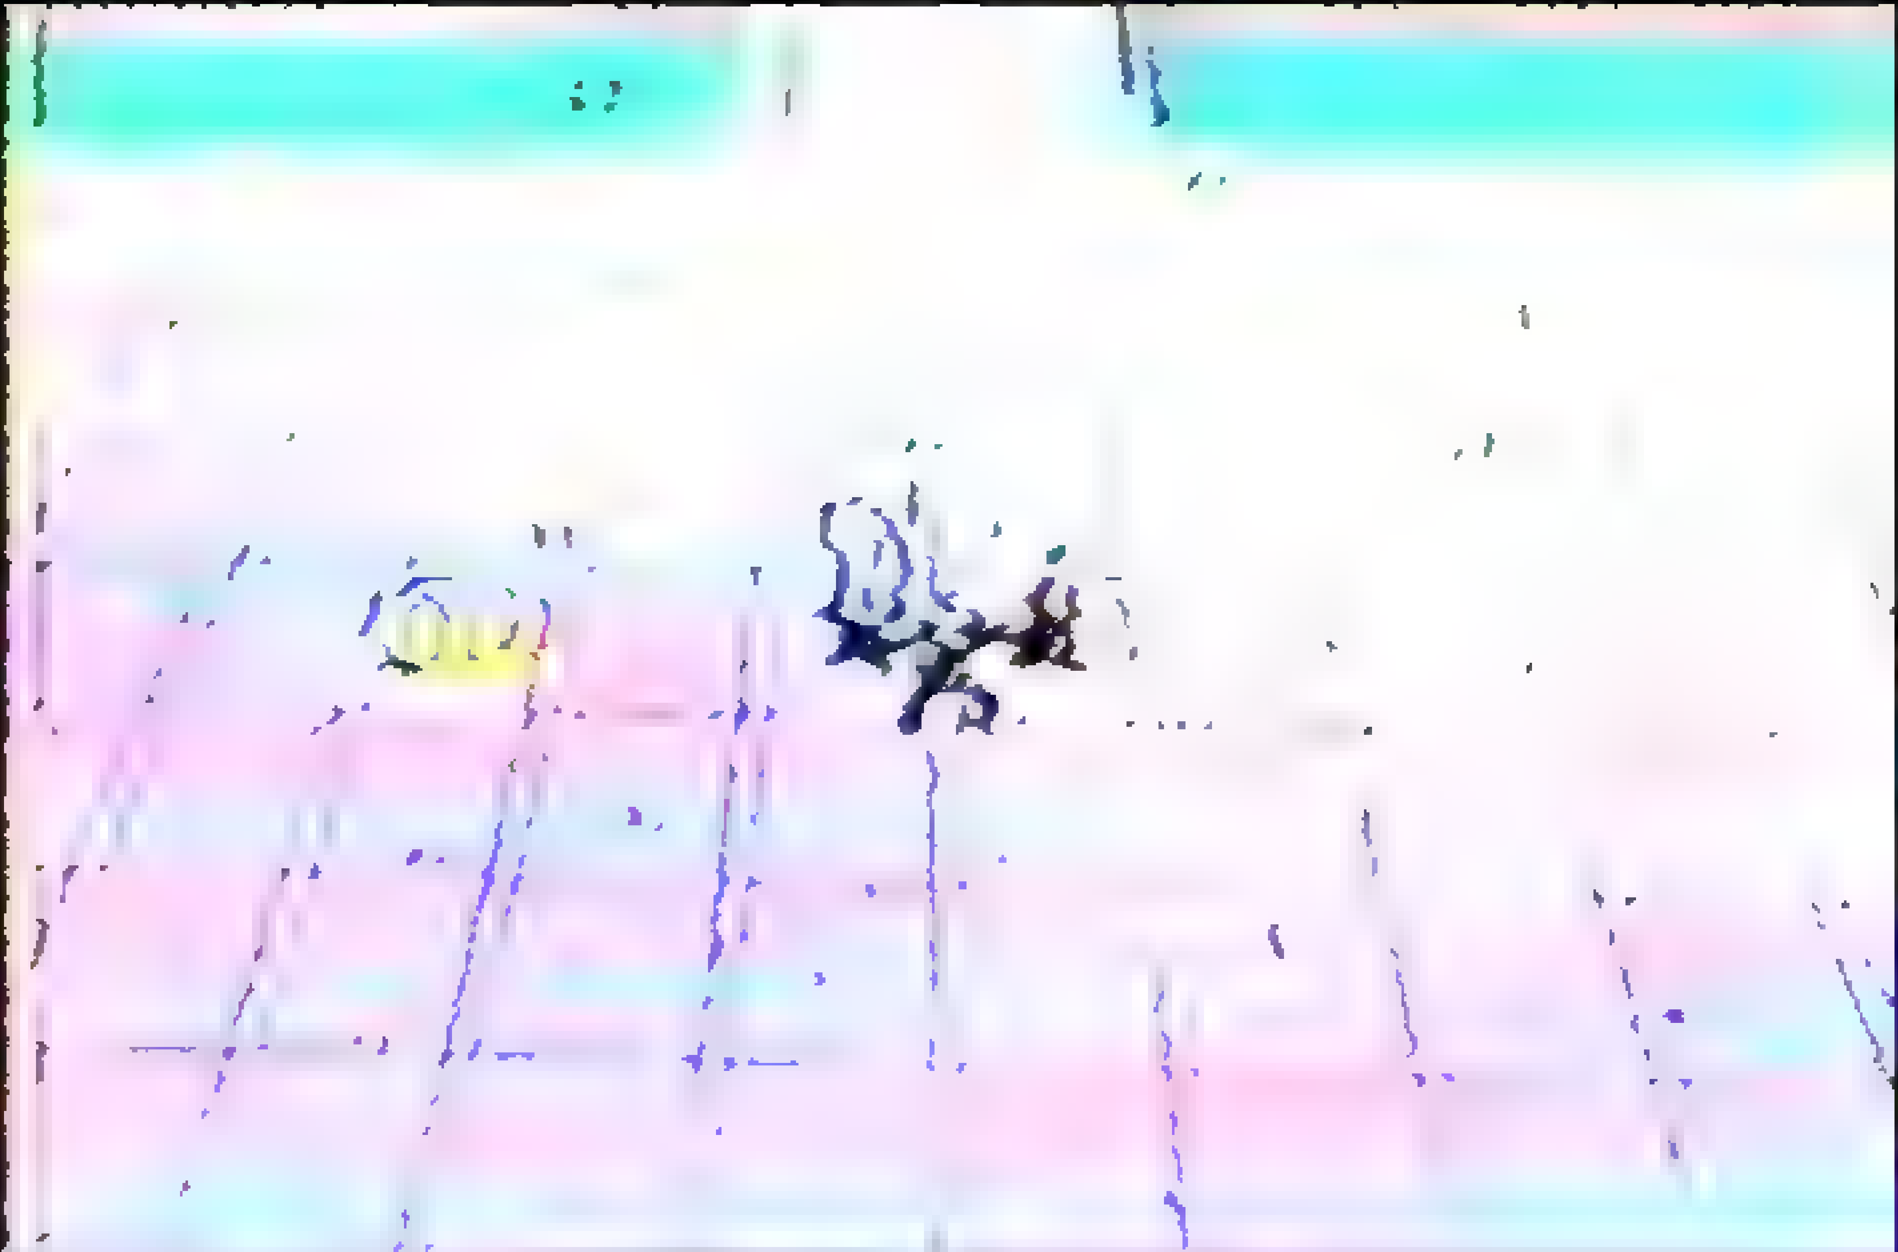

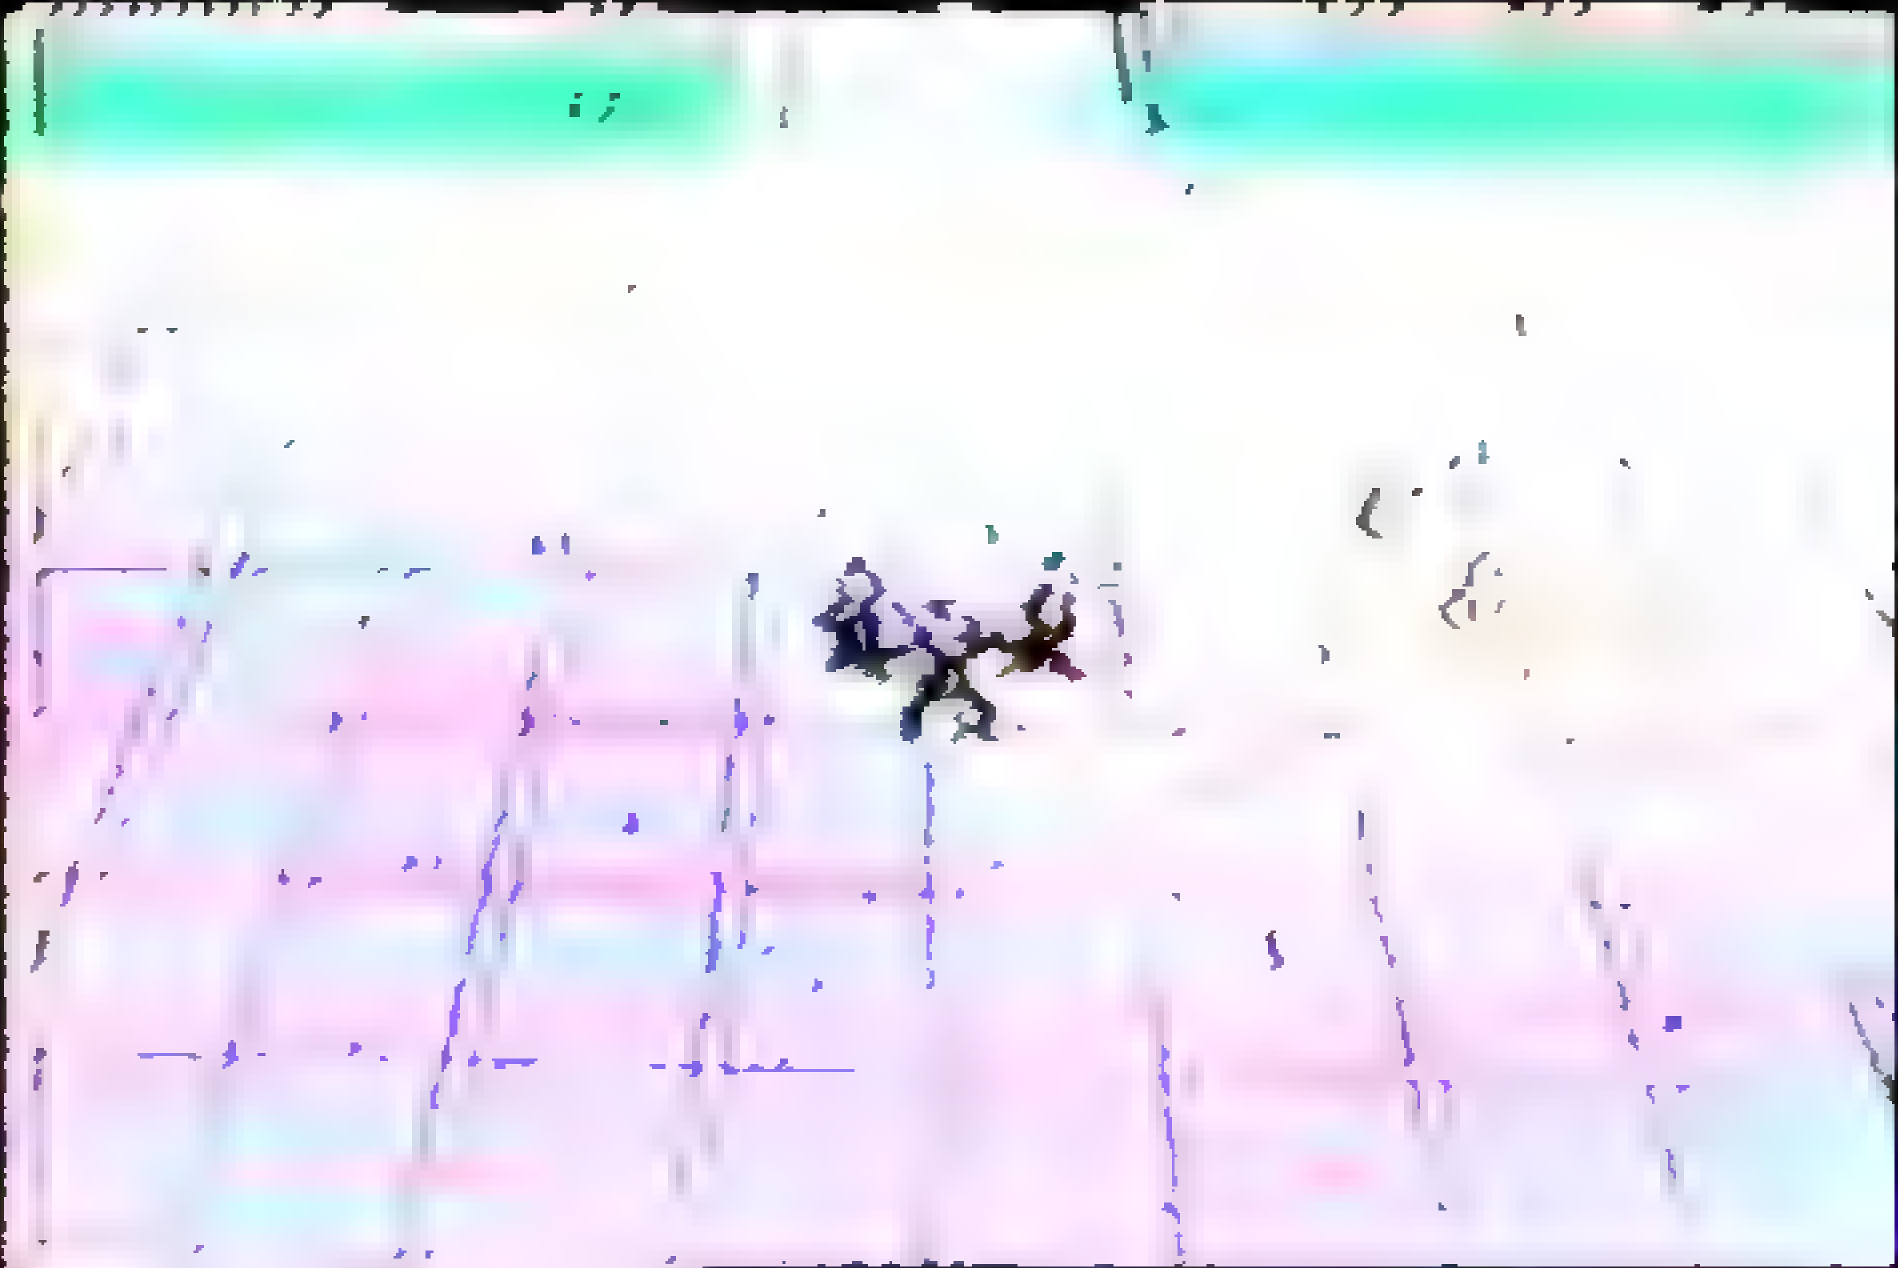

Everyone's sneaky, using tricks...

I'm going to have to yell at her at school

I was an idiot for thinking it was real
I'm going to have to yell at her at school

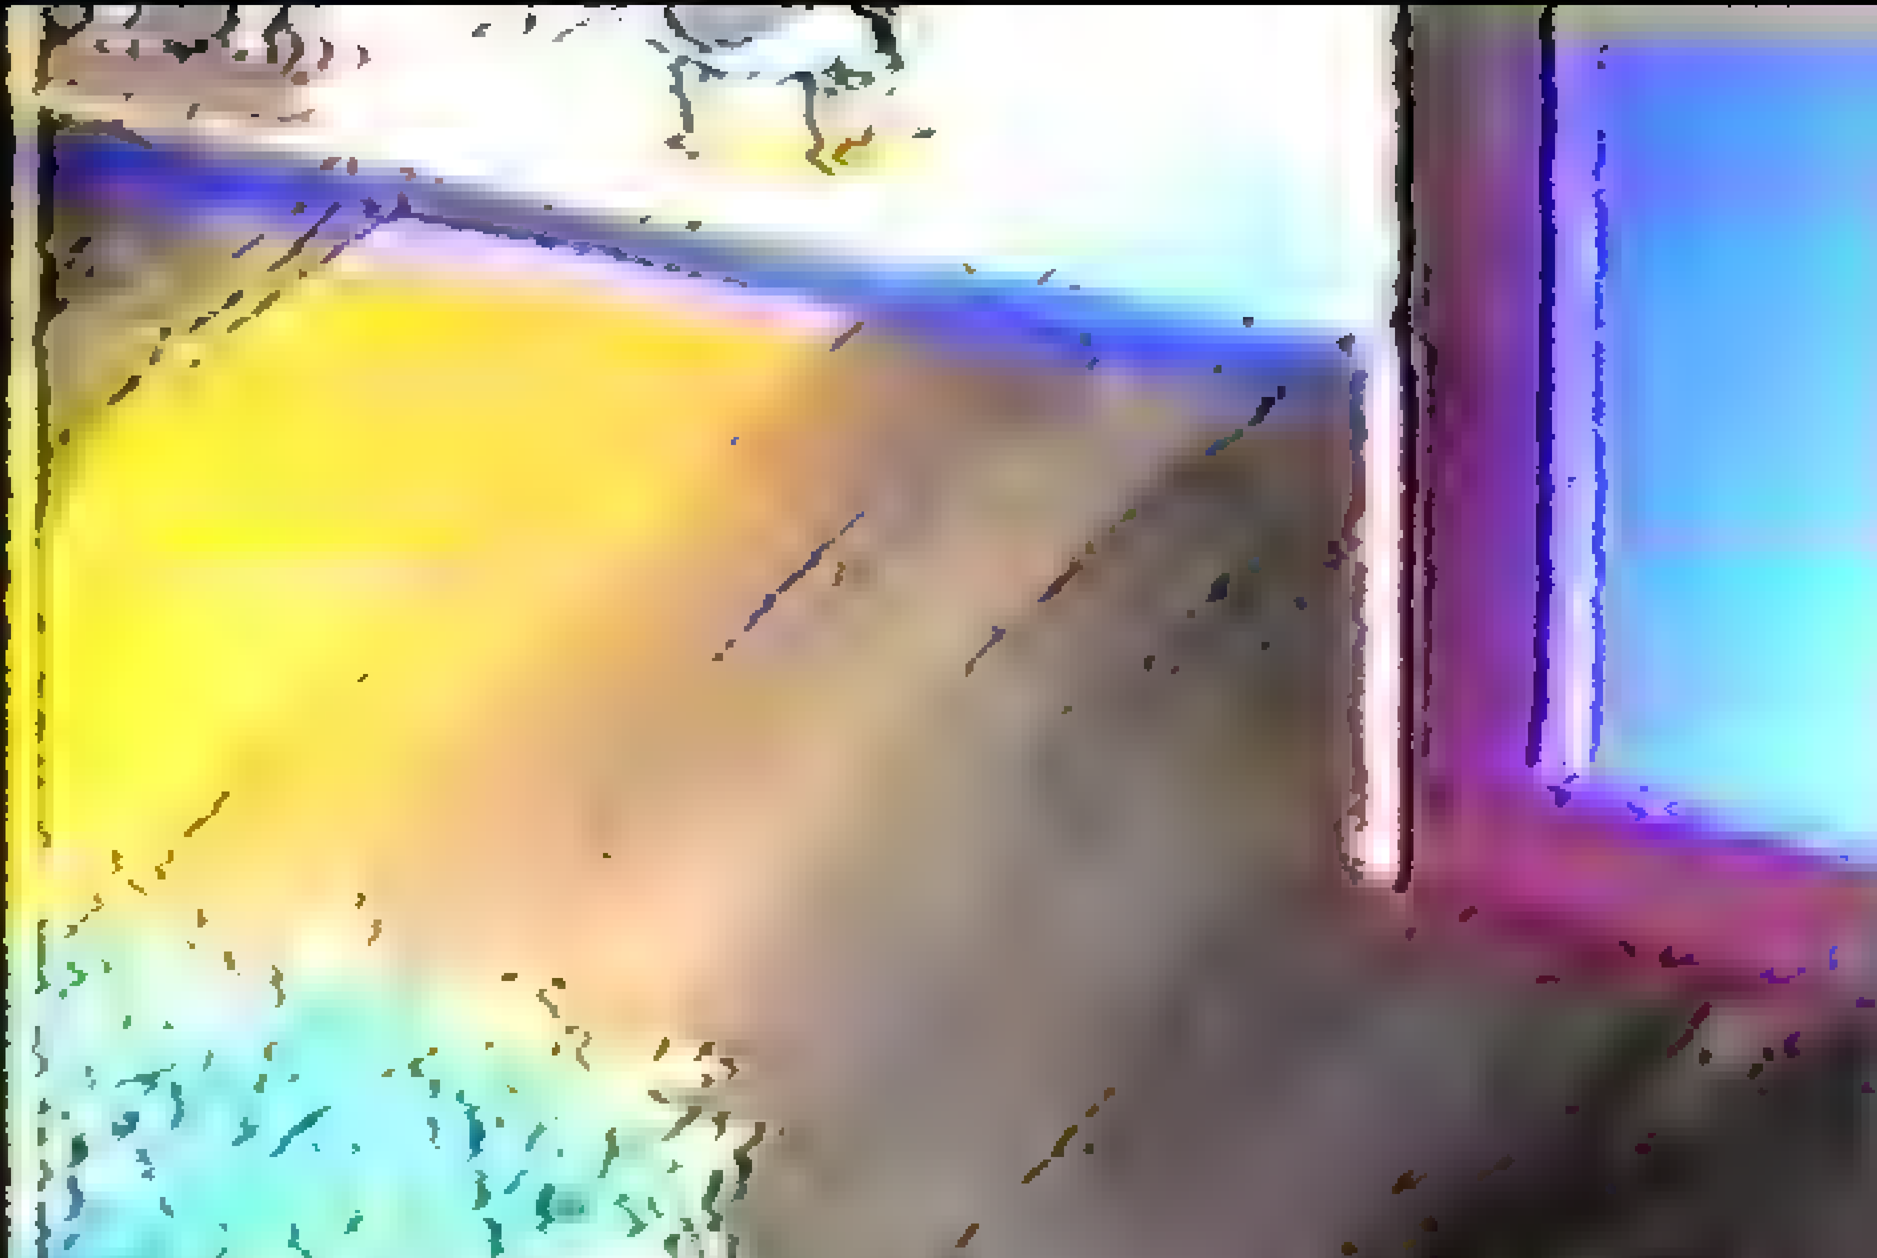

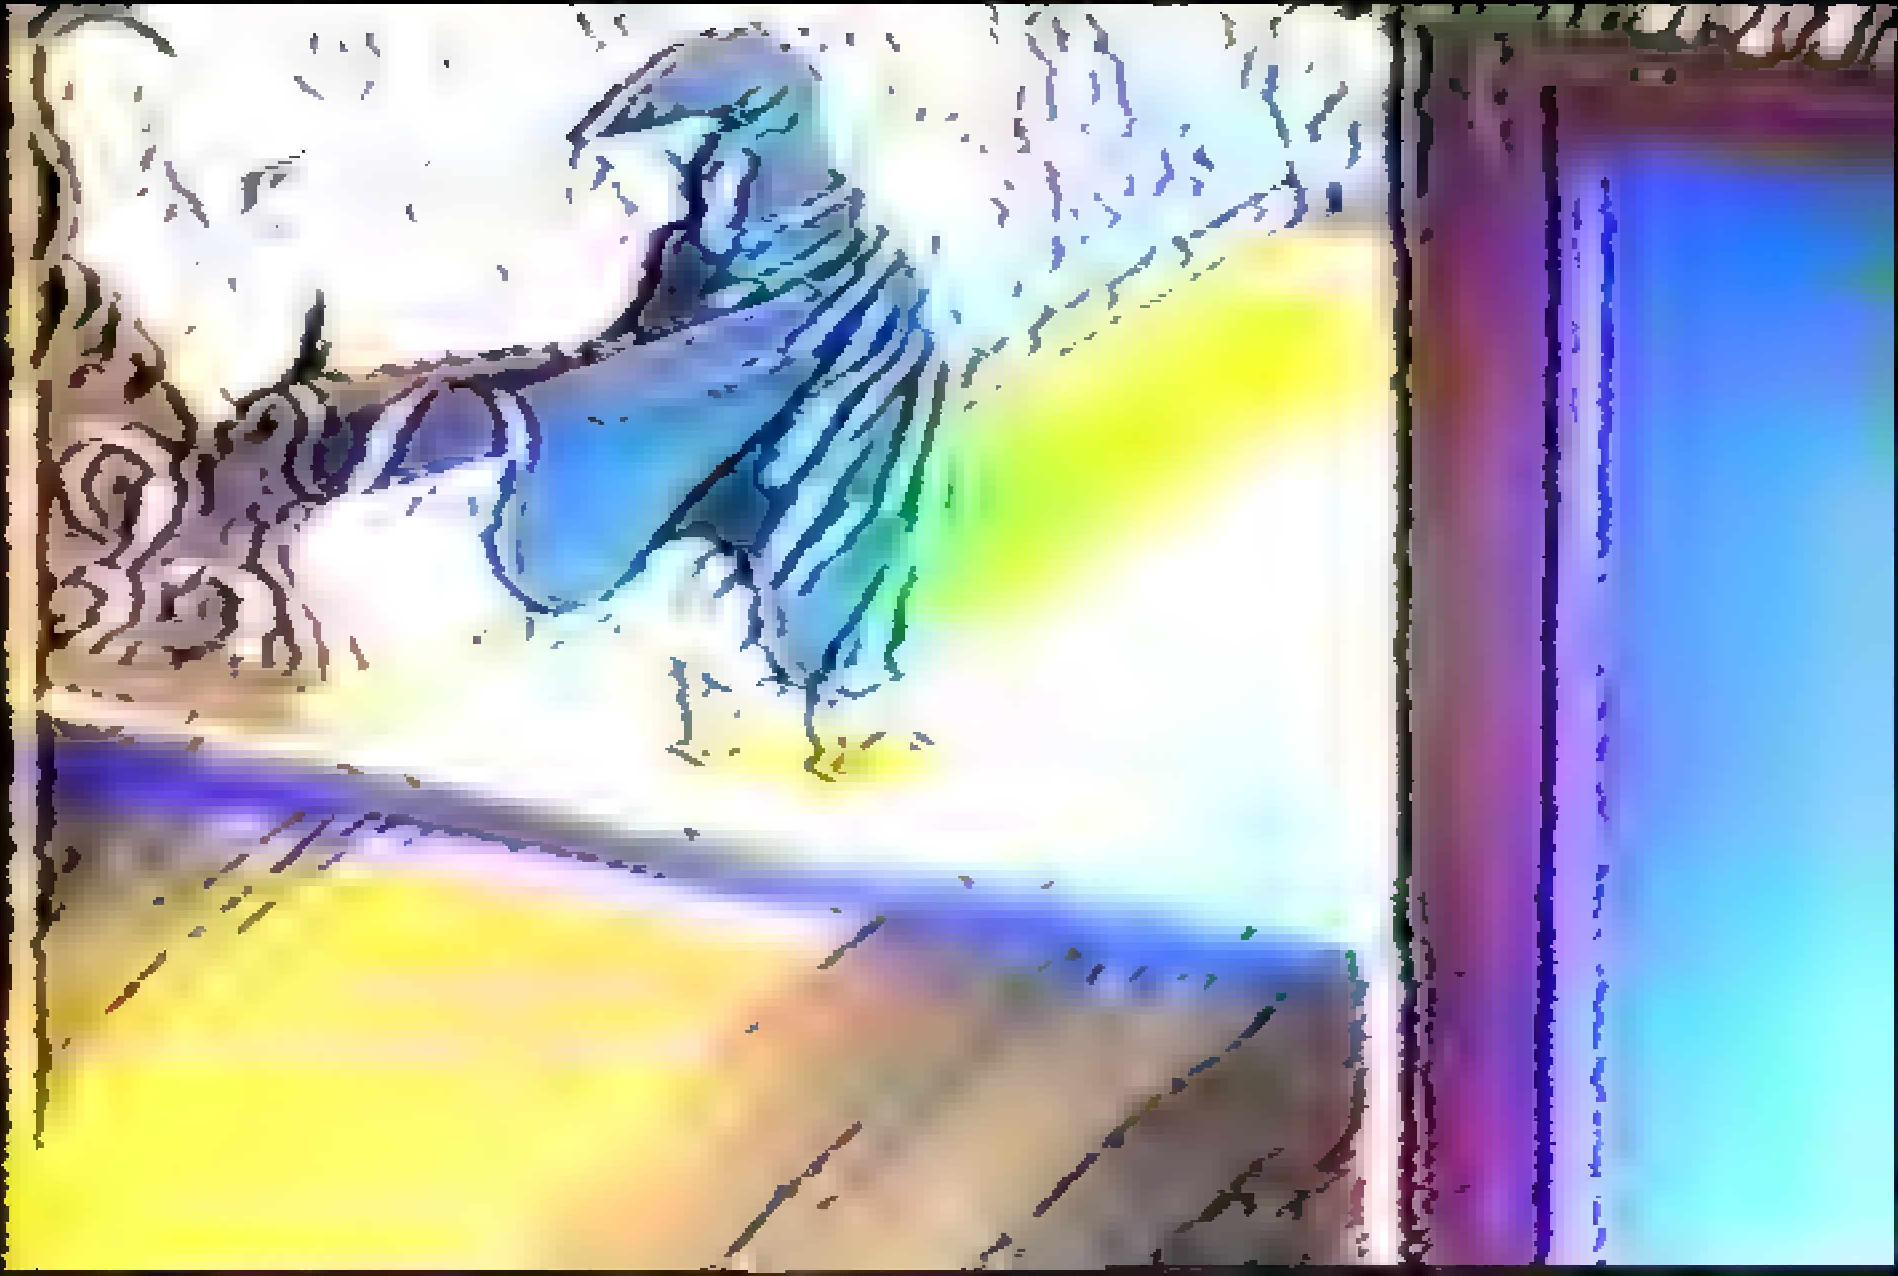

Hurry up and start!

We came here to watch a fight!!

Please stop throwing stuff! Please!

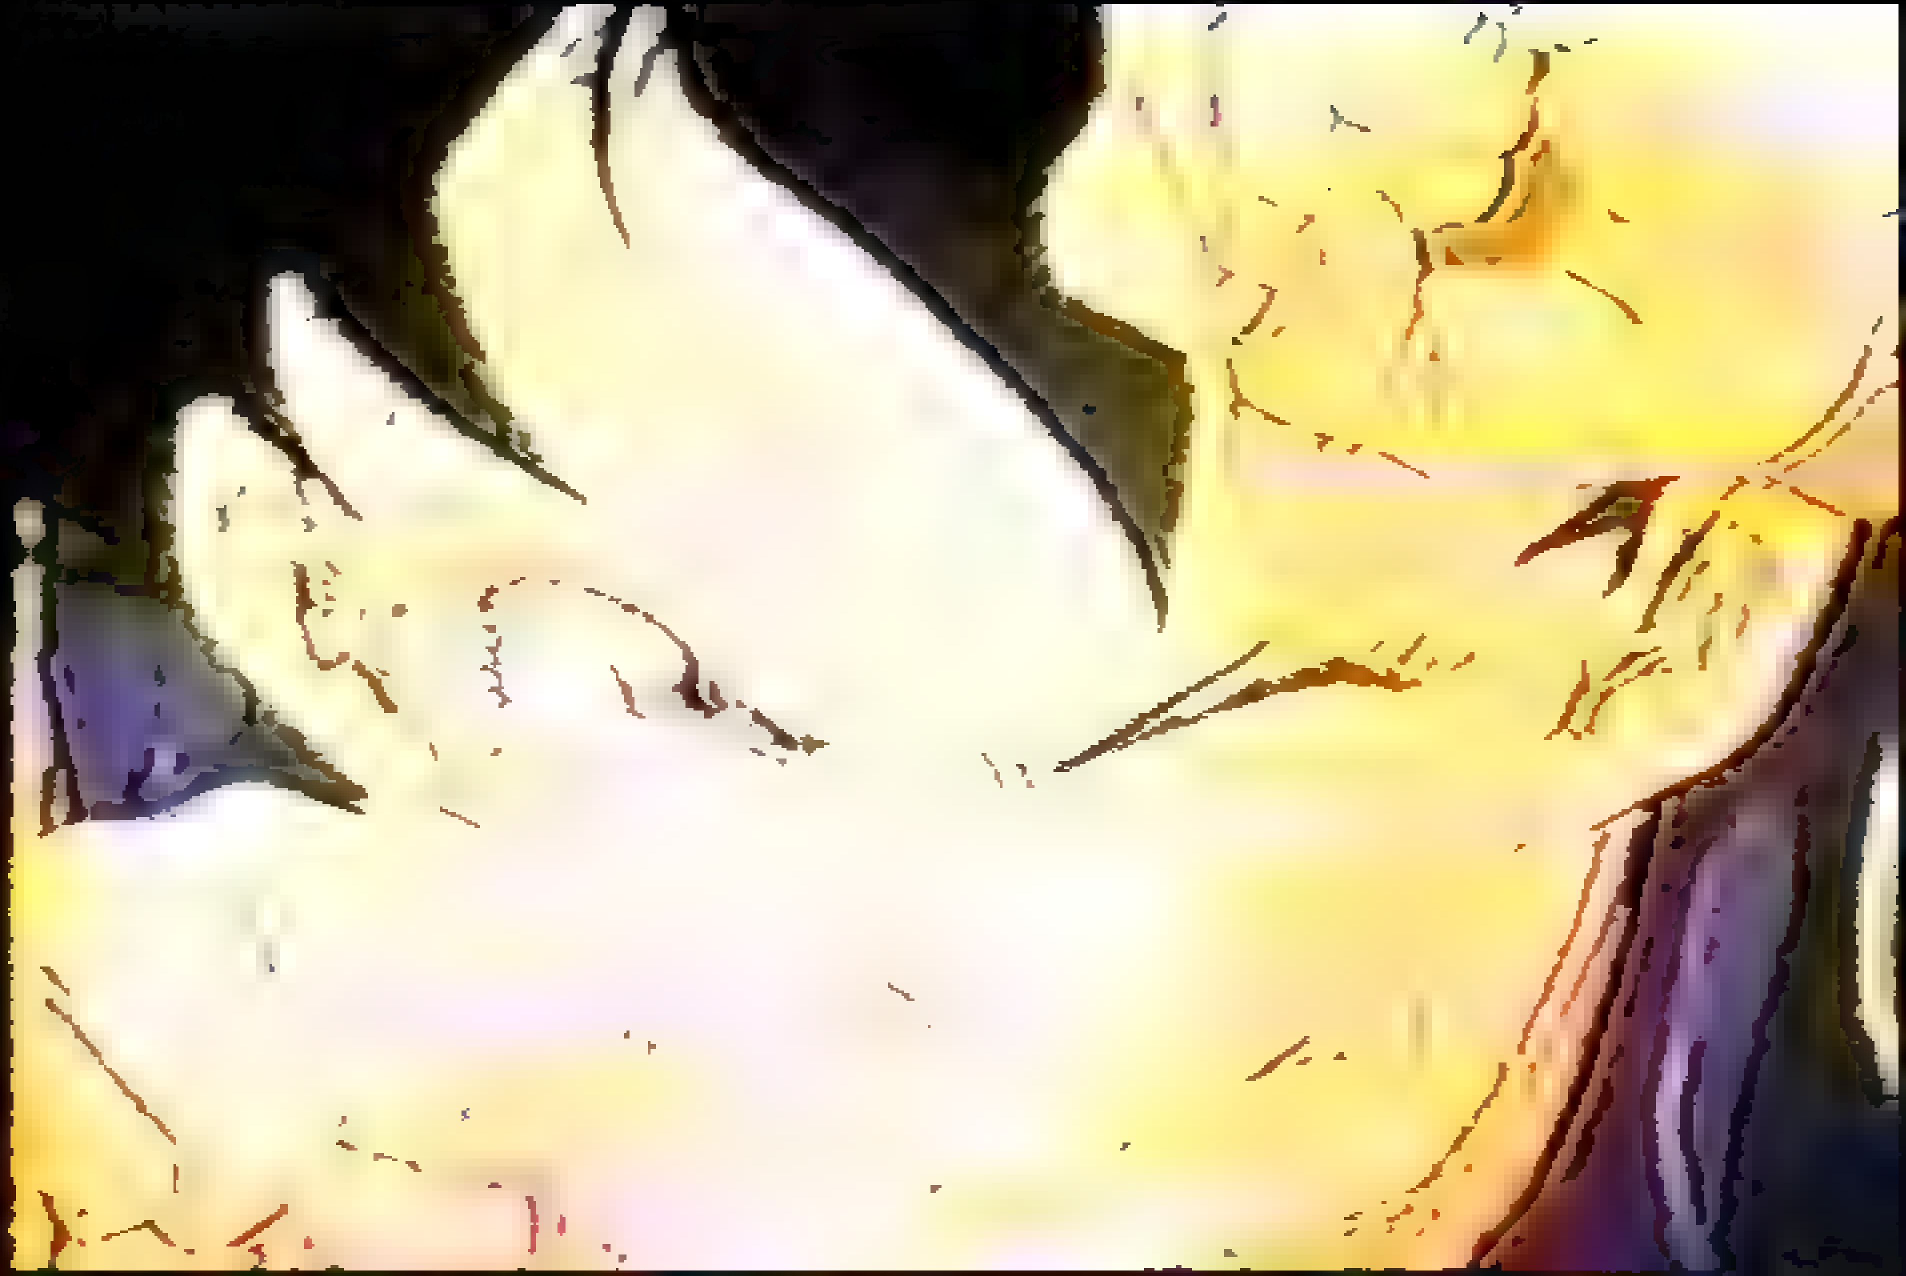

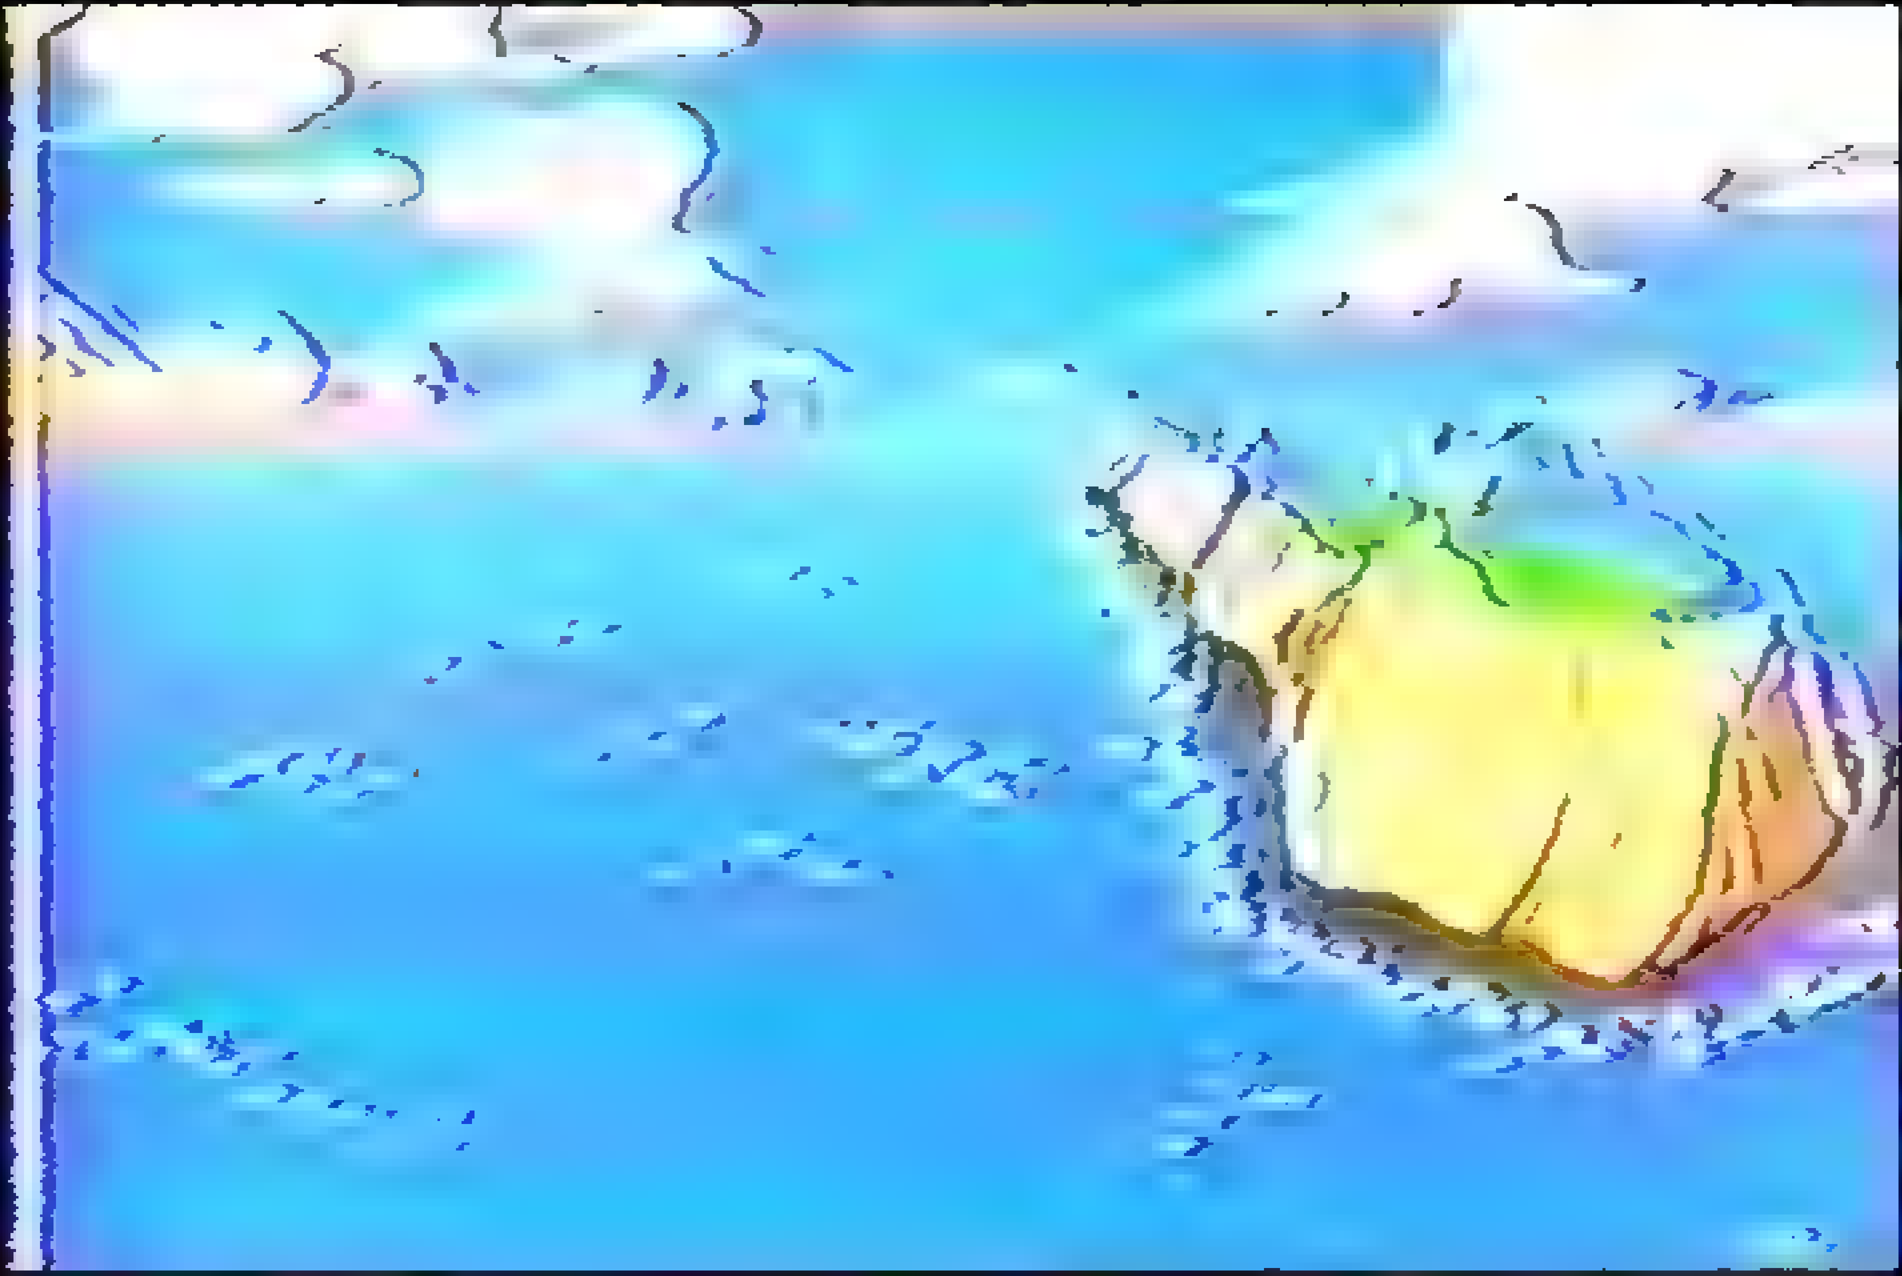

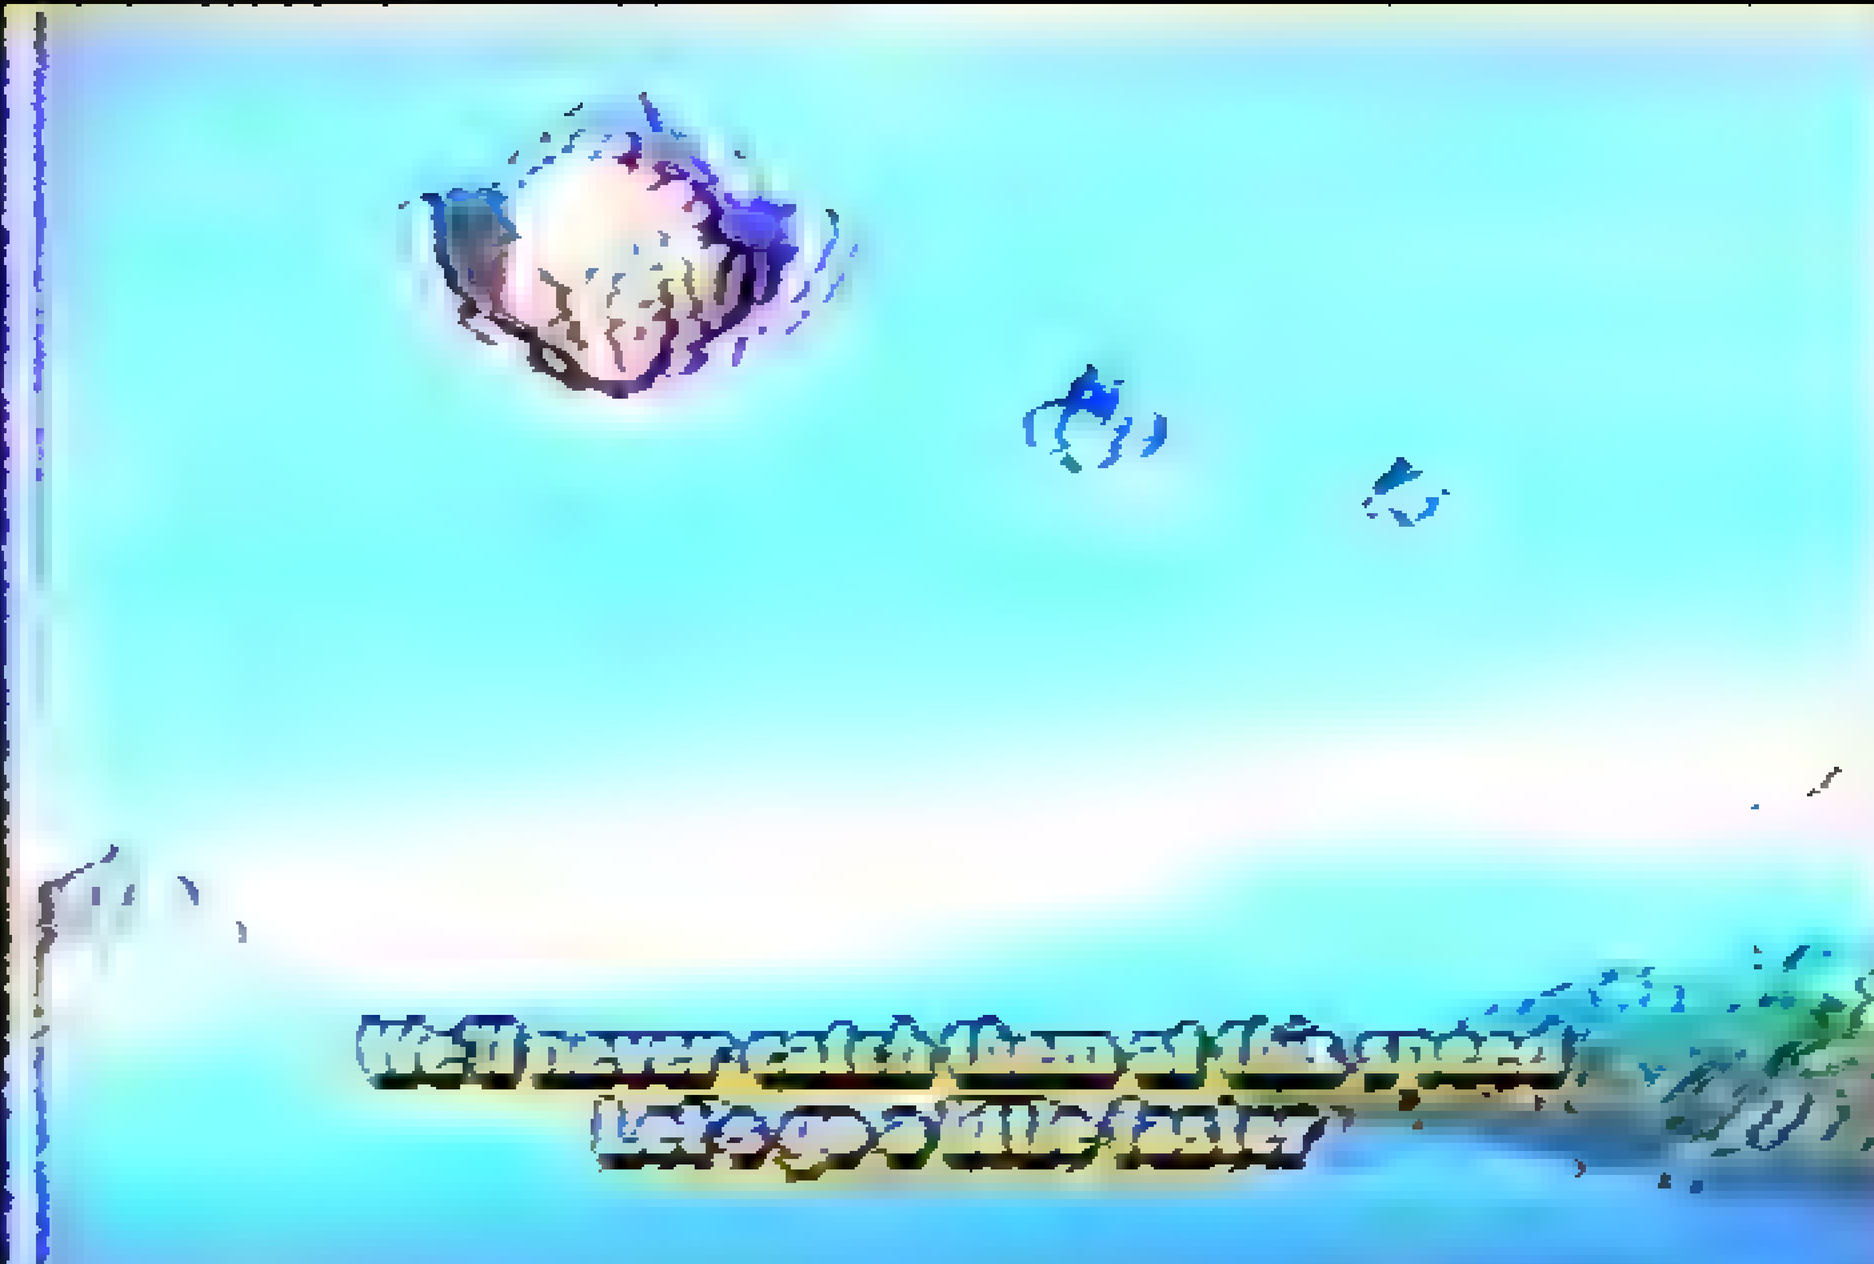

We'll never catch them at this speed
Let's go a little faster

We'll never catch them at this speed
Let's go a little faster

We'll never catch them at this speed!
Let's go a little faster

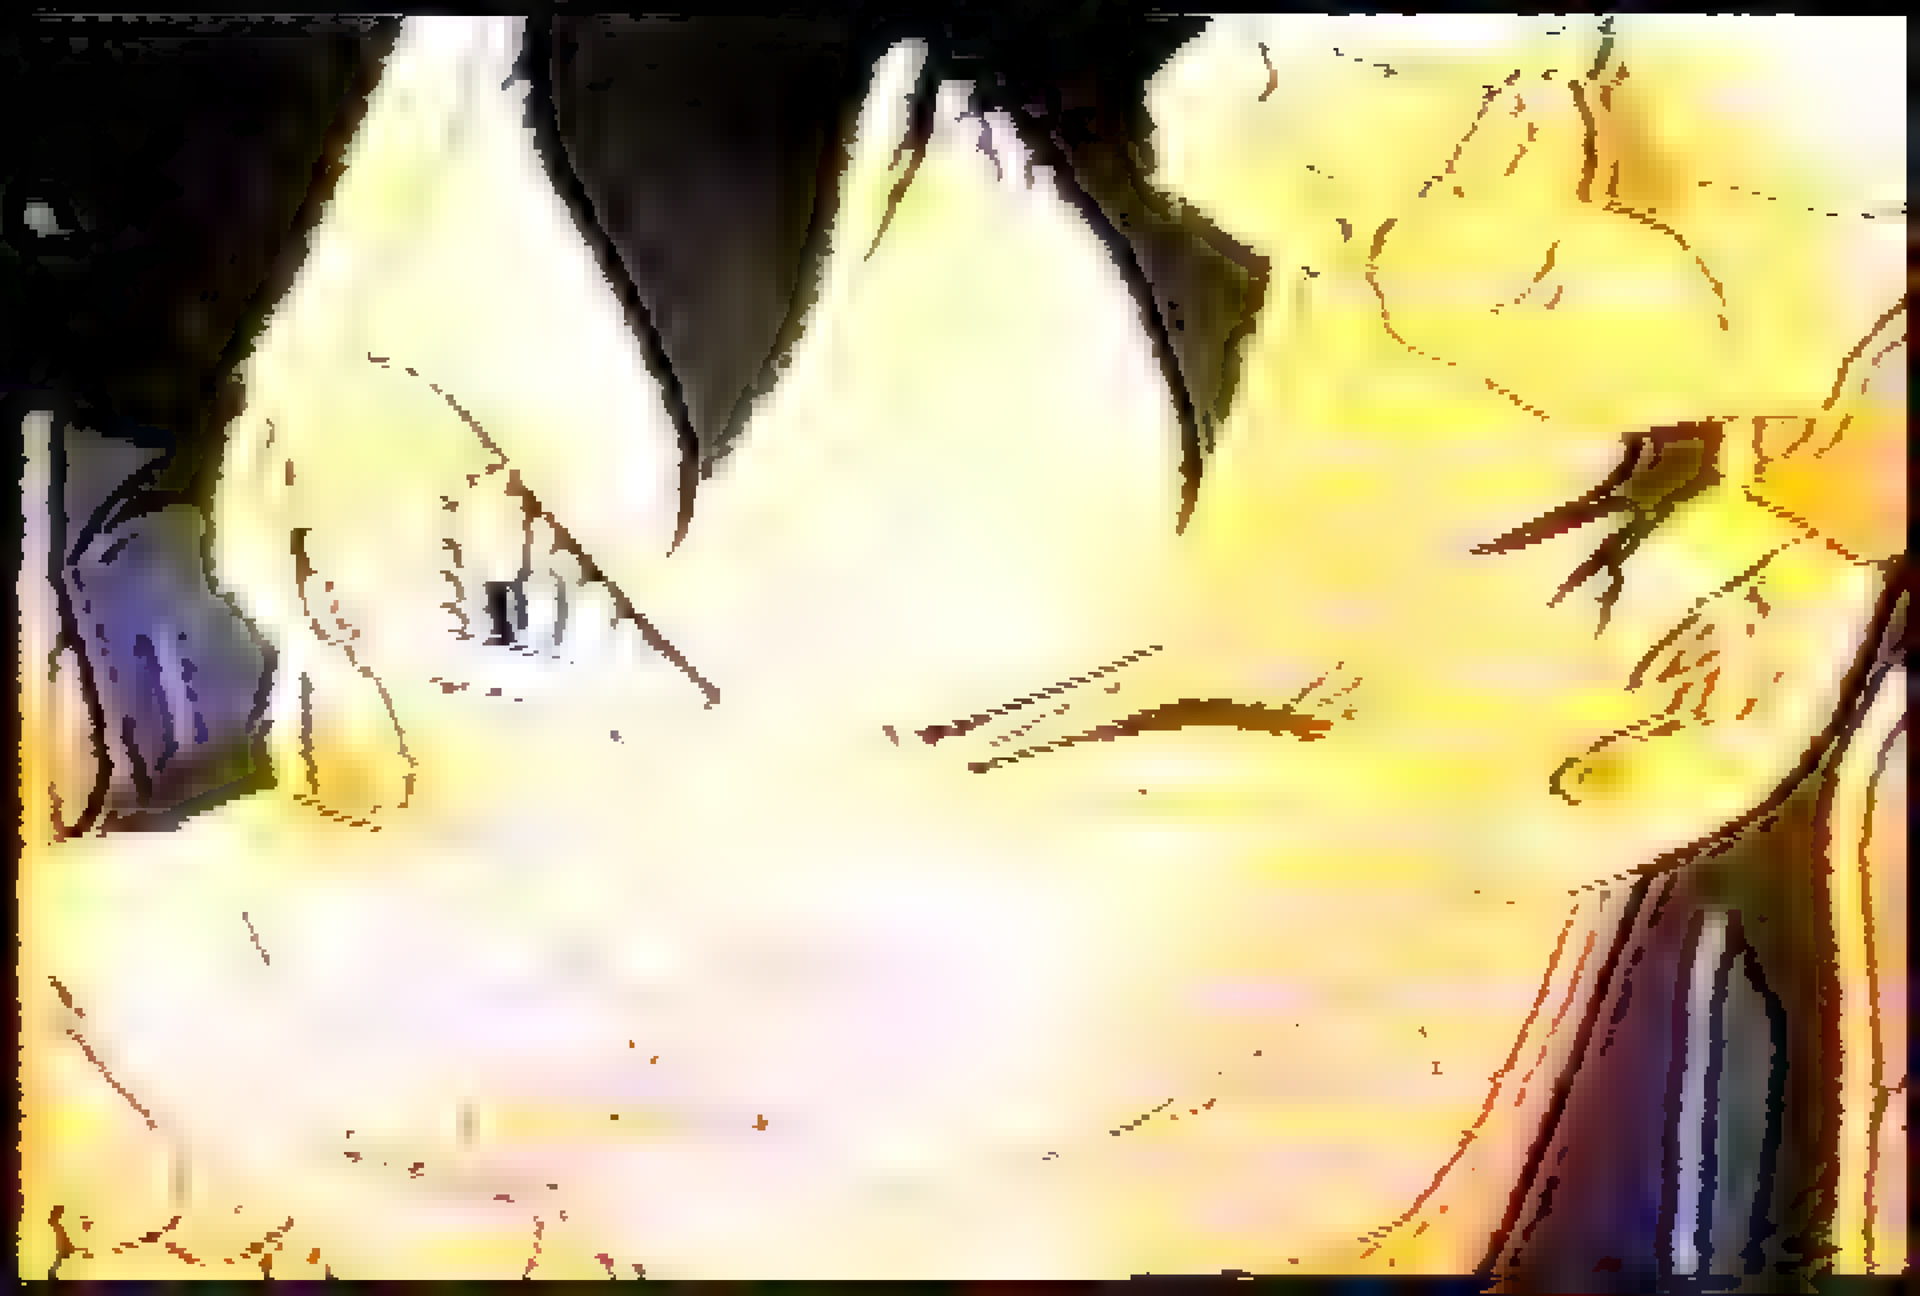

Wait just a second

You shouldn't push yourself too hard

OHK

I can't go any faster than this!

I'm going too fast... I can
barely keep my eyes open...

I'd probably only get in the way

You got here fast

You got here fast

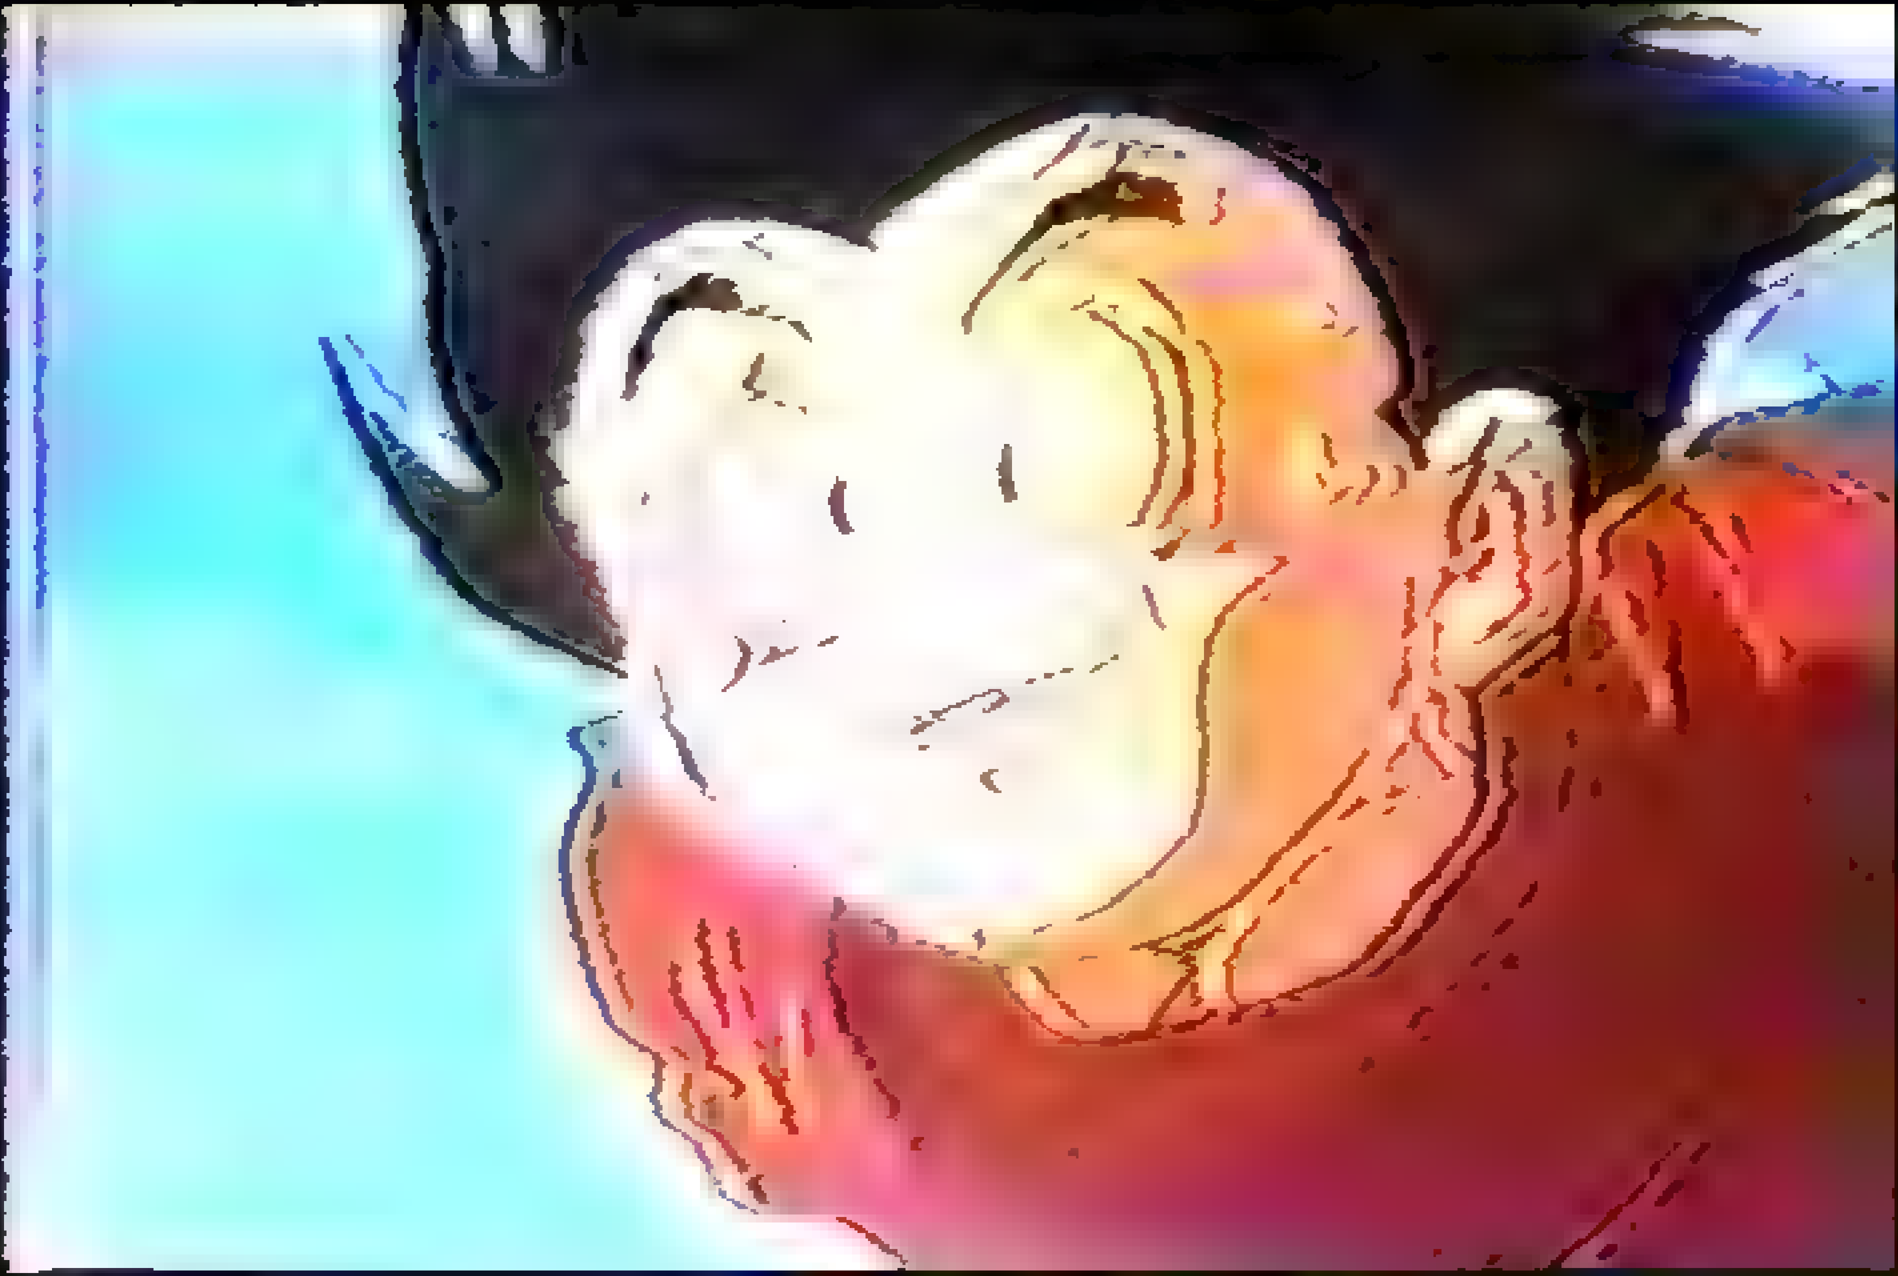

Did you hear the story

This enemy looks really dangerous!

It looks like we'll finally
really be able to cut loose!

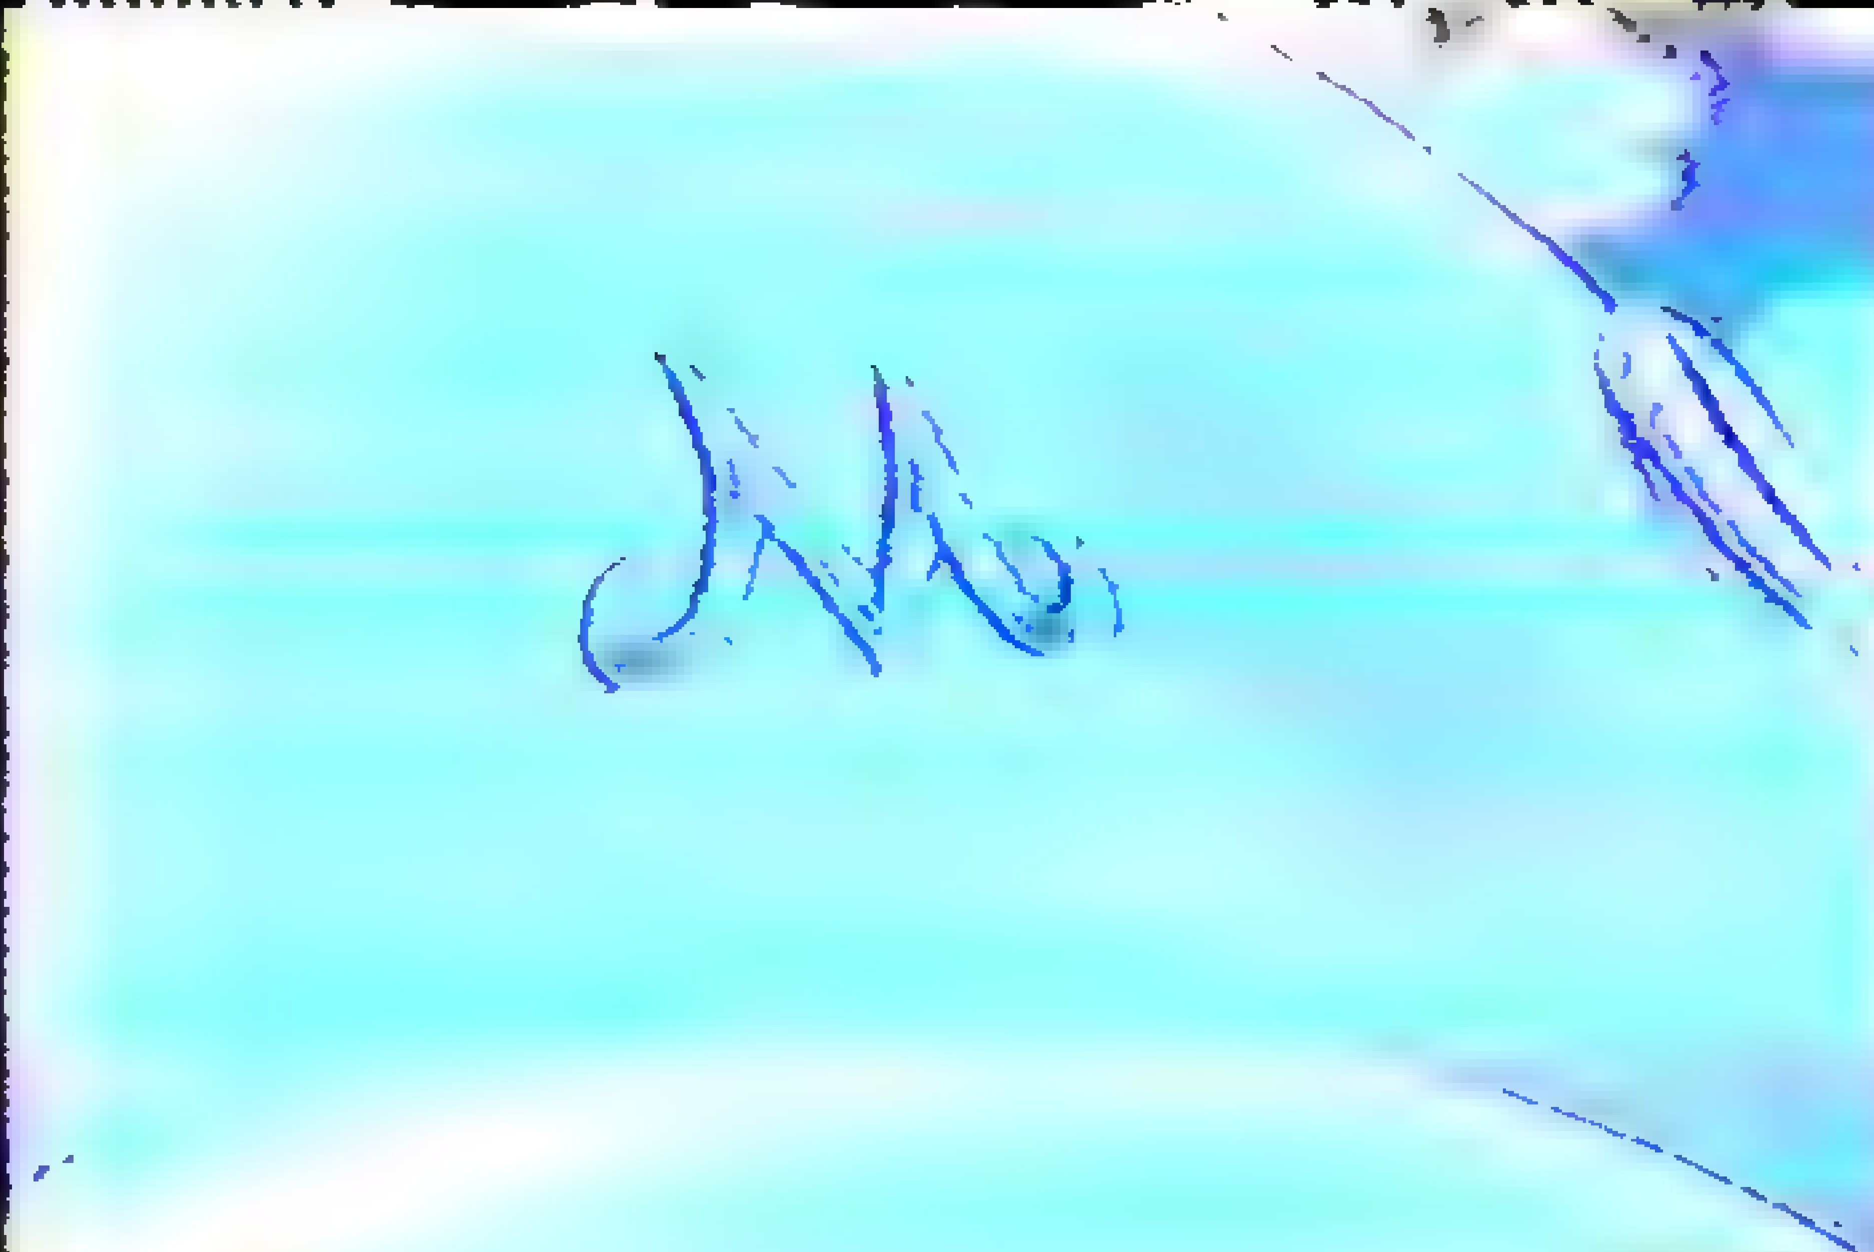

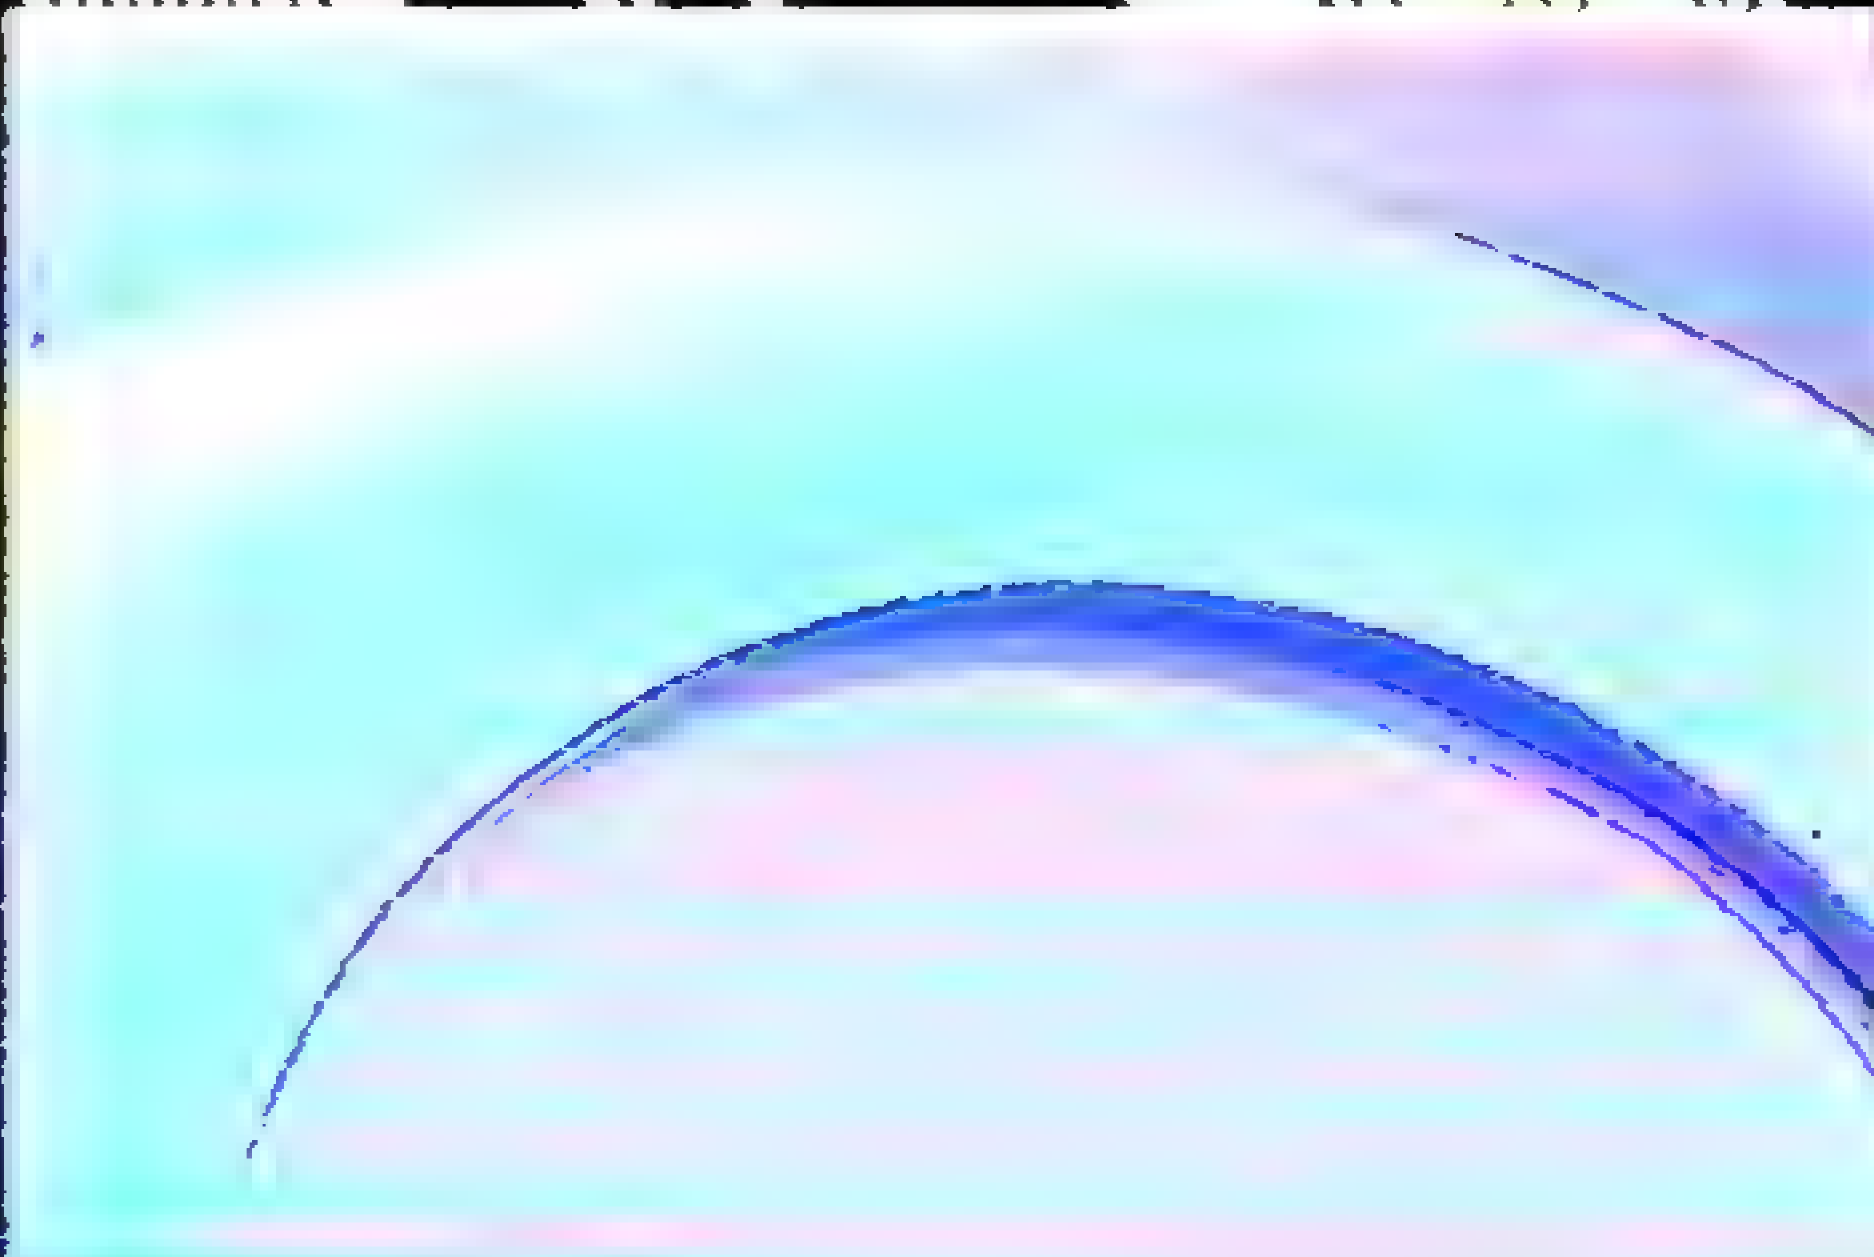

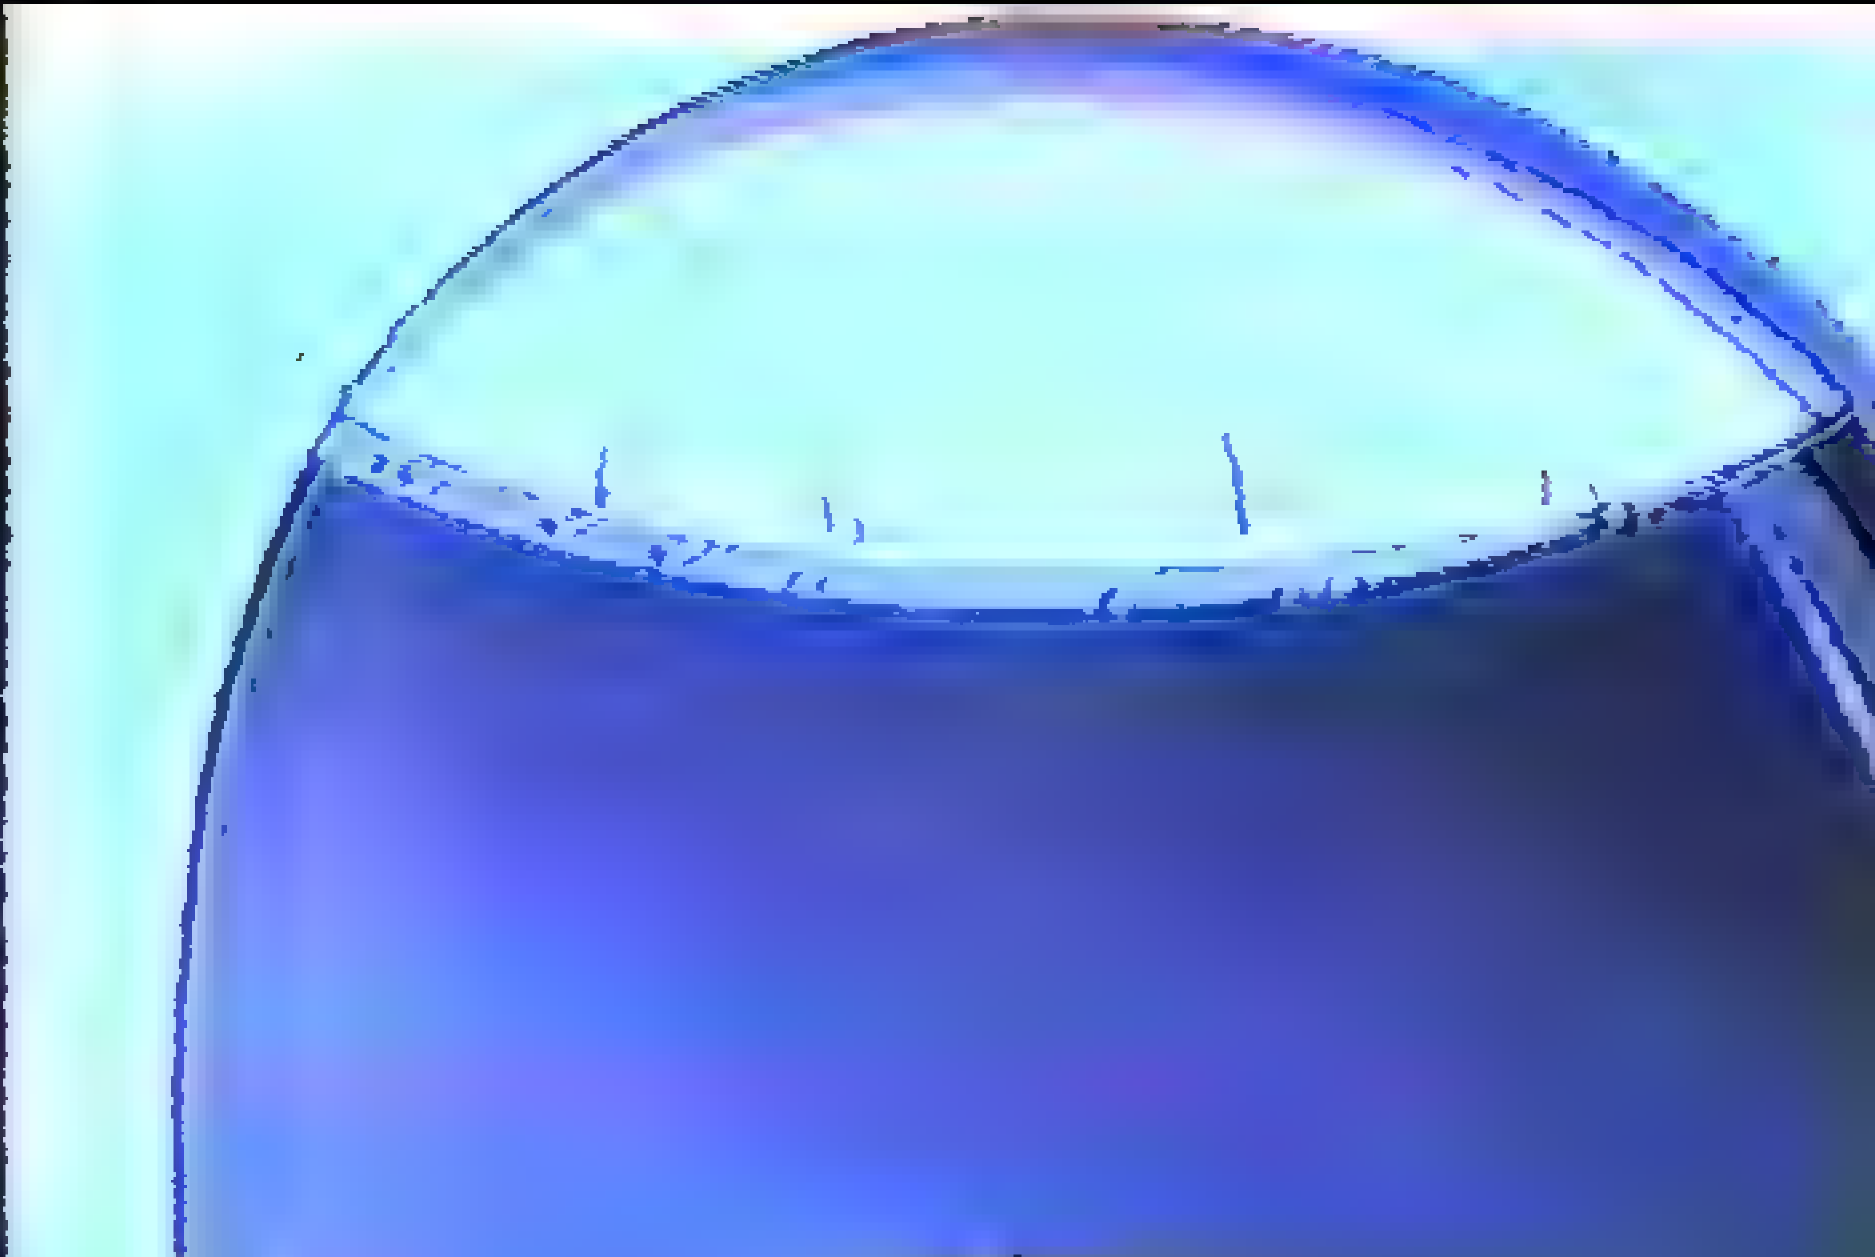

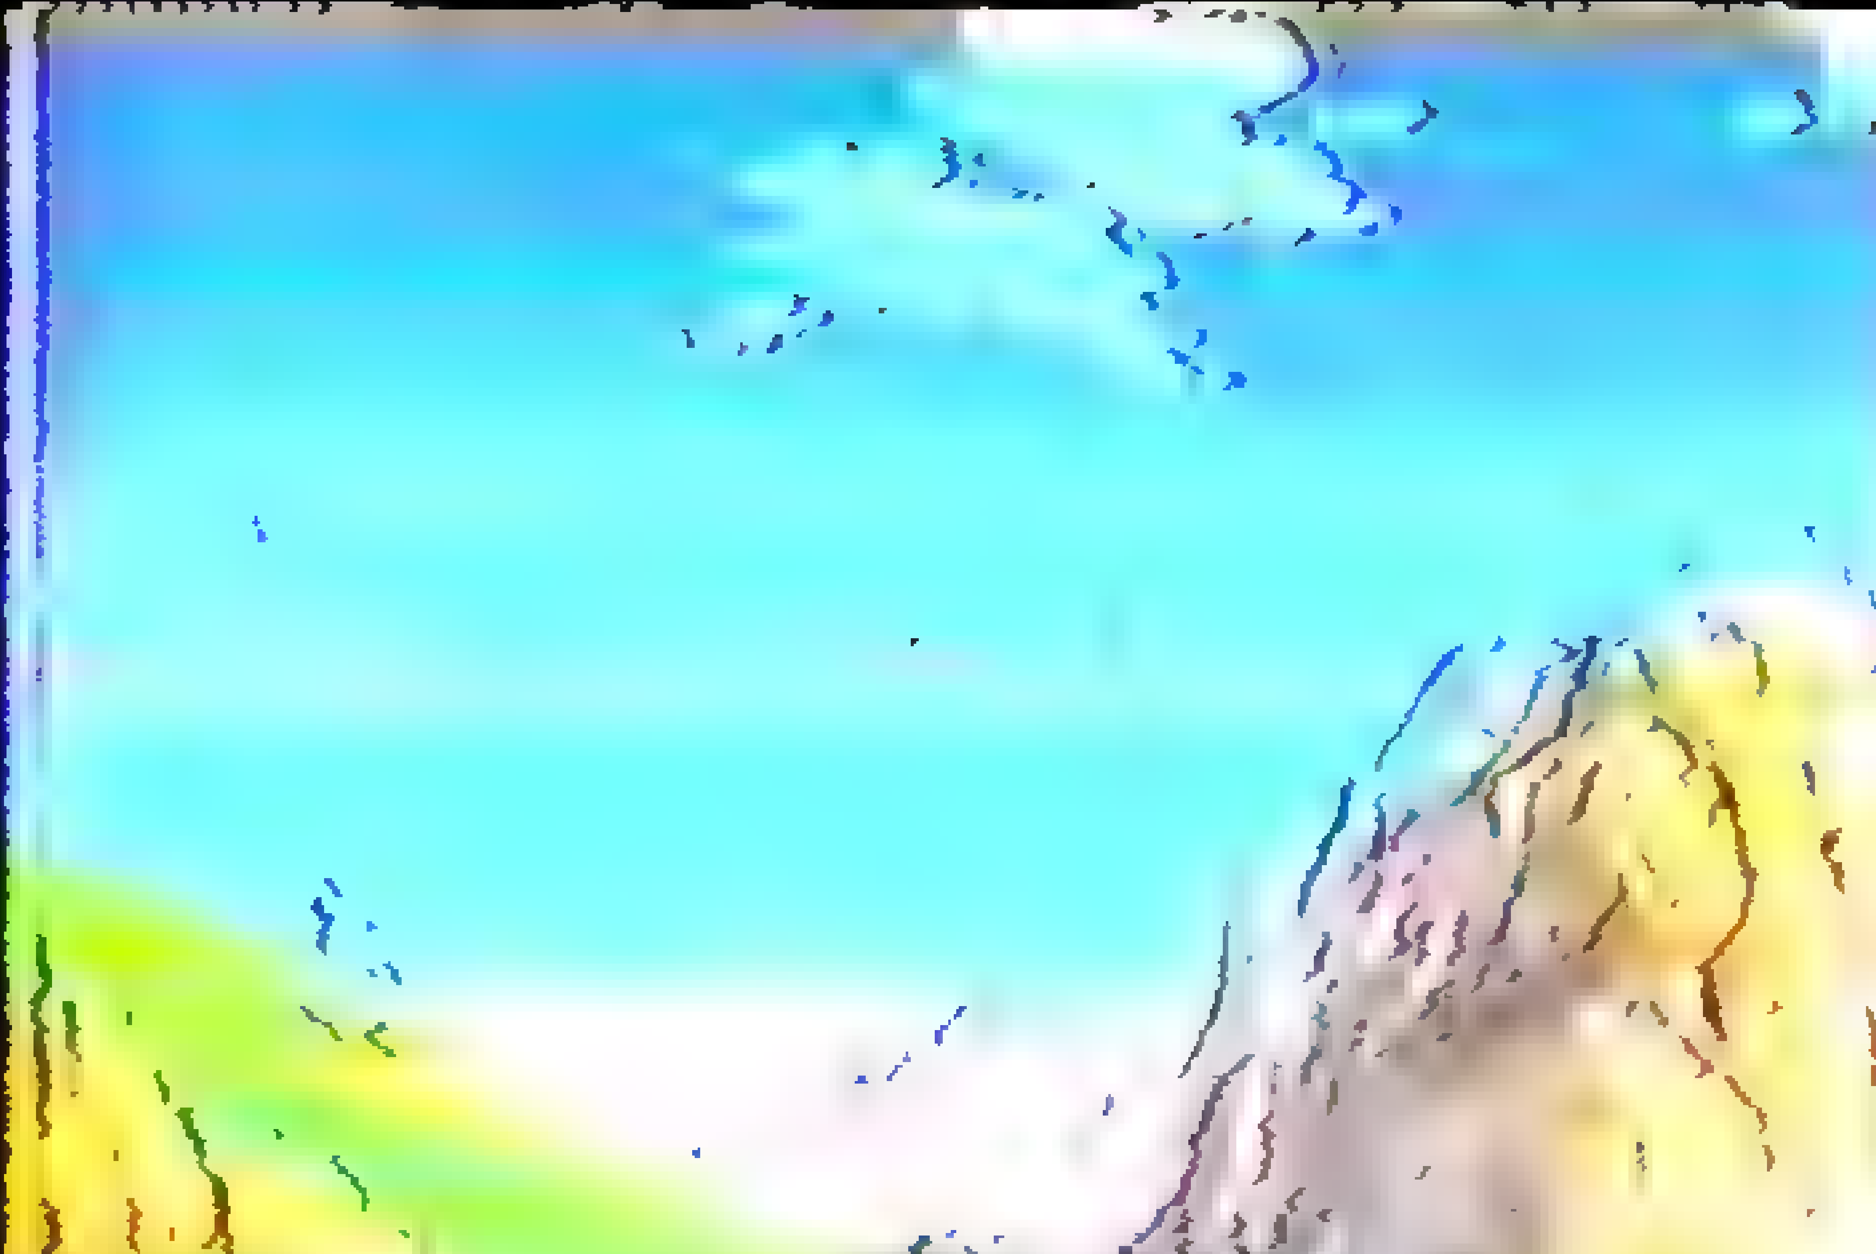

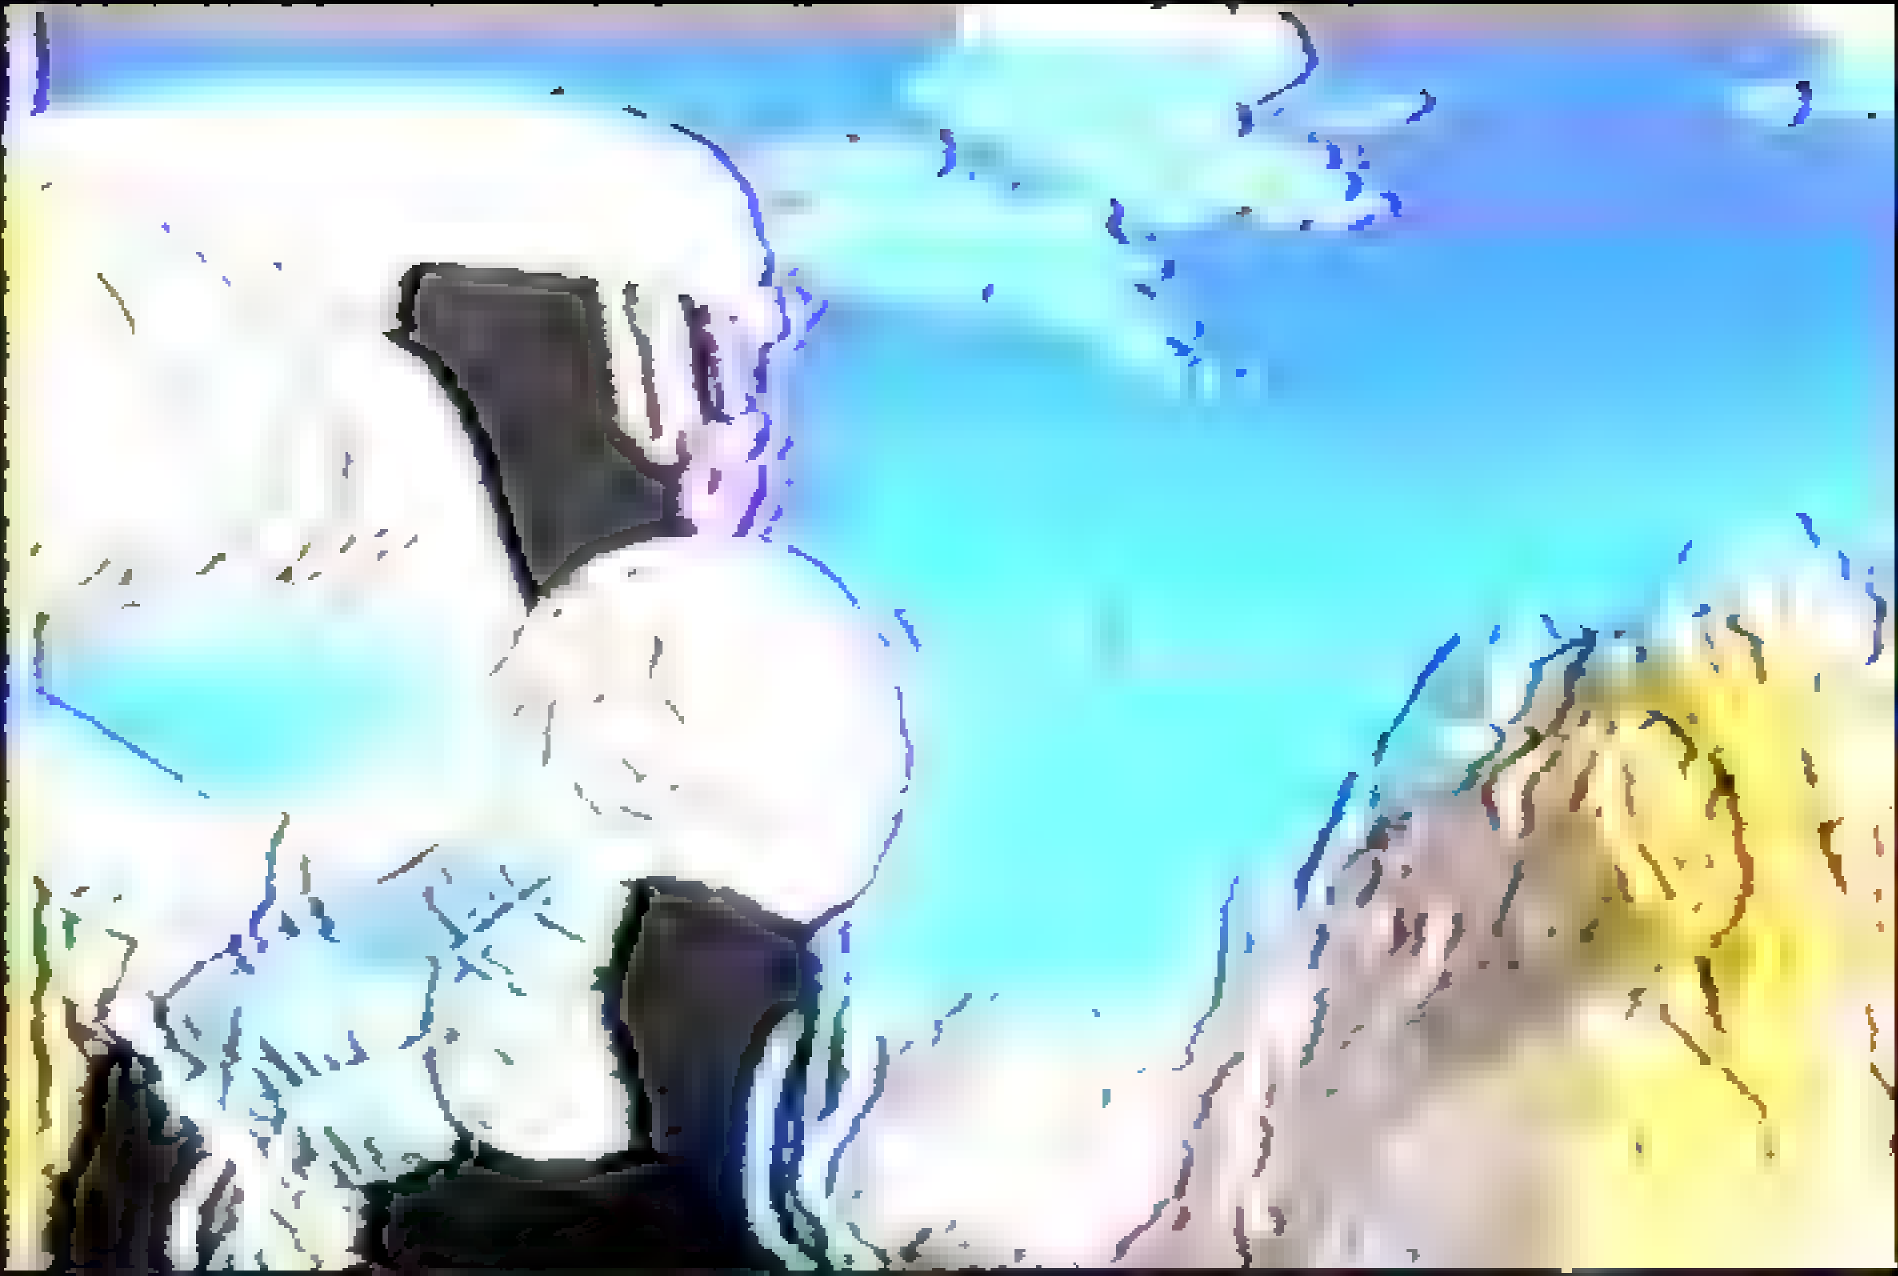

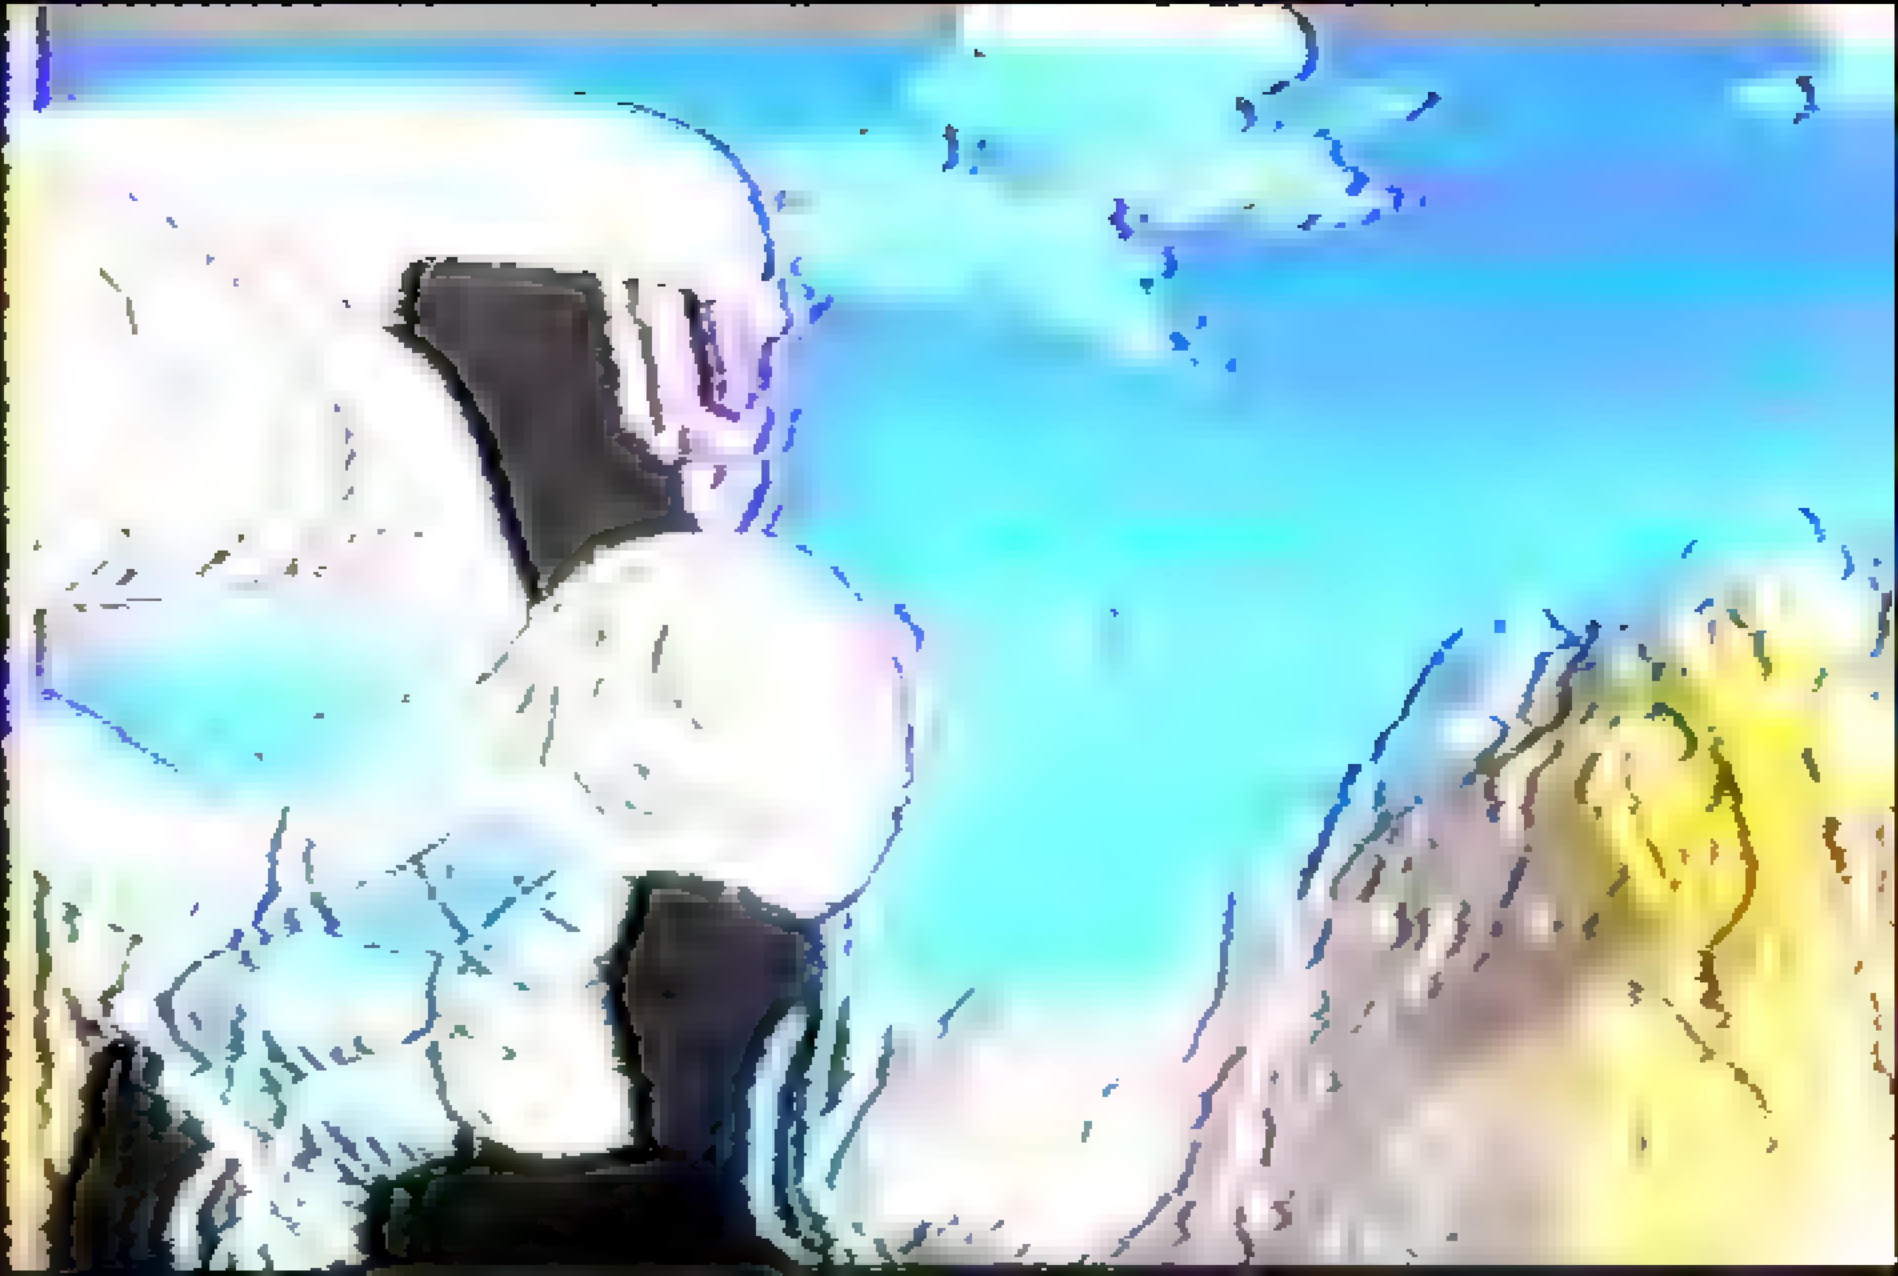

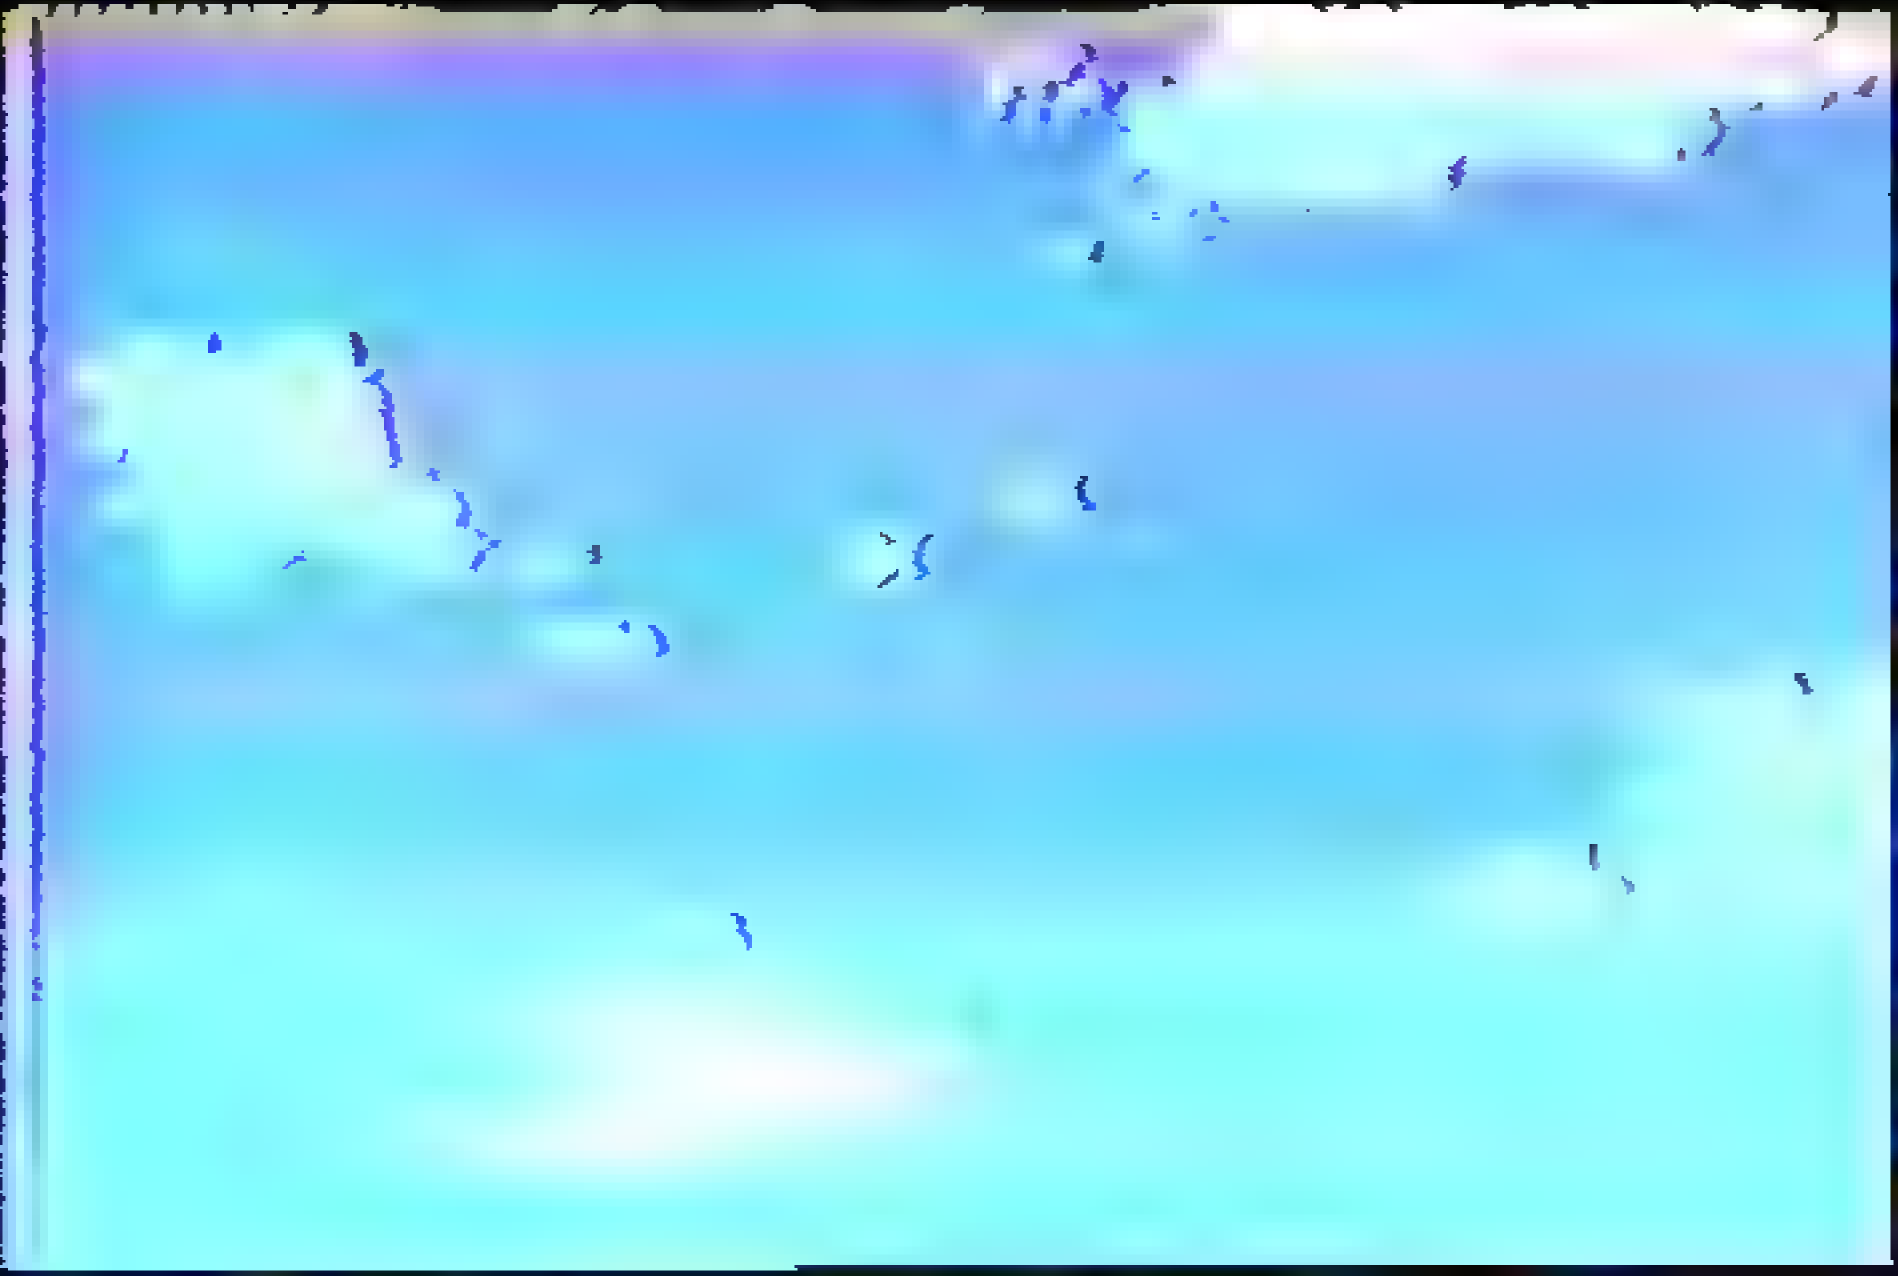

Here they are

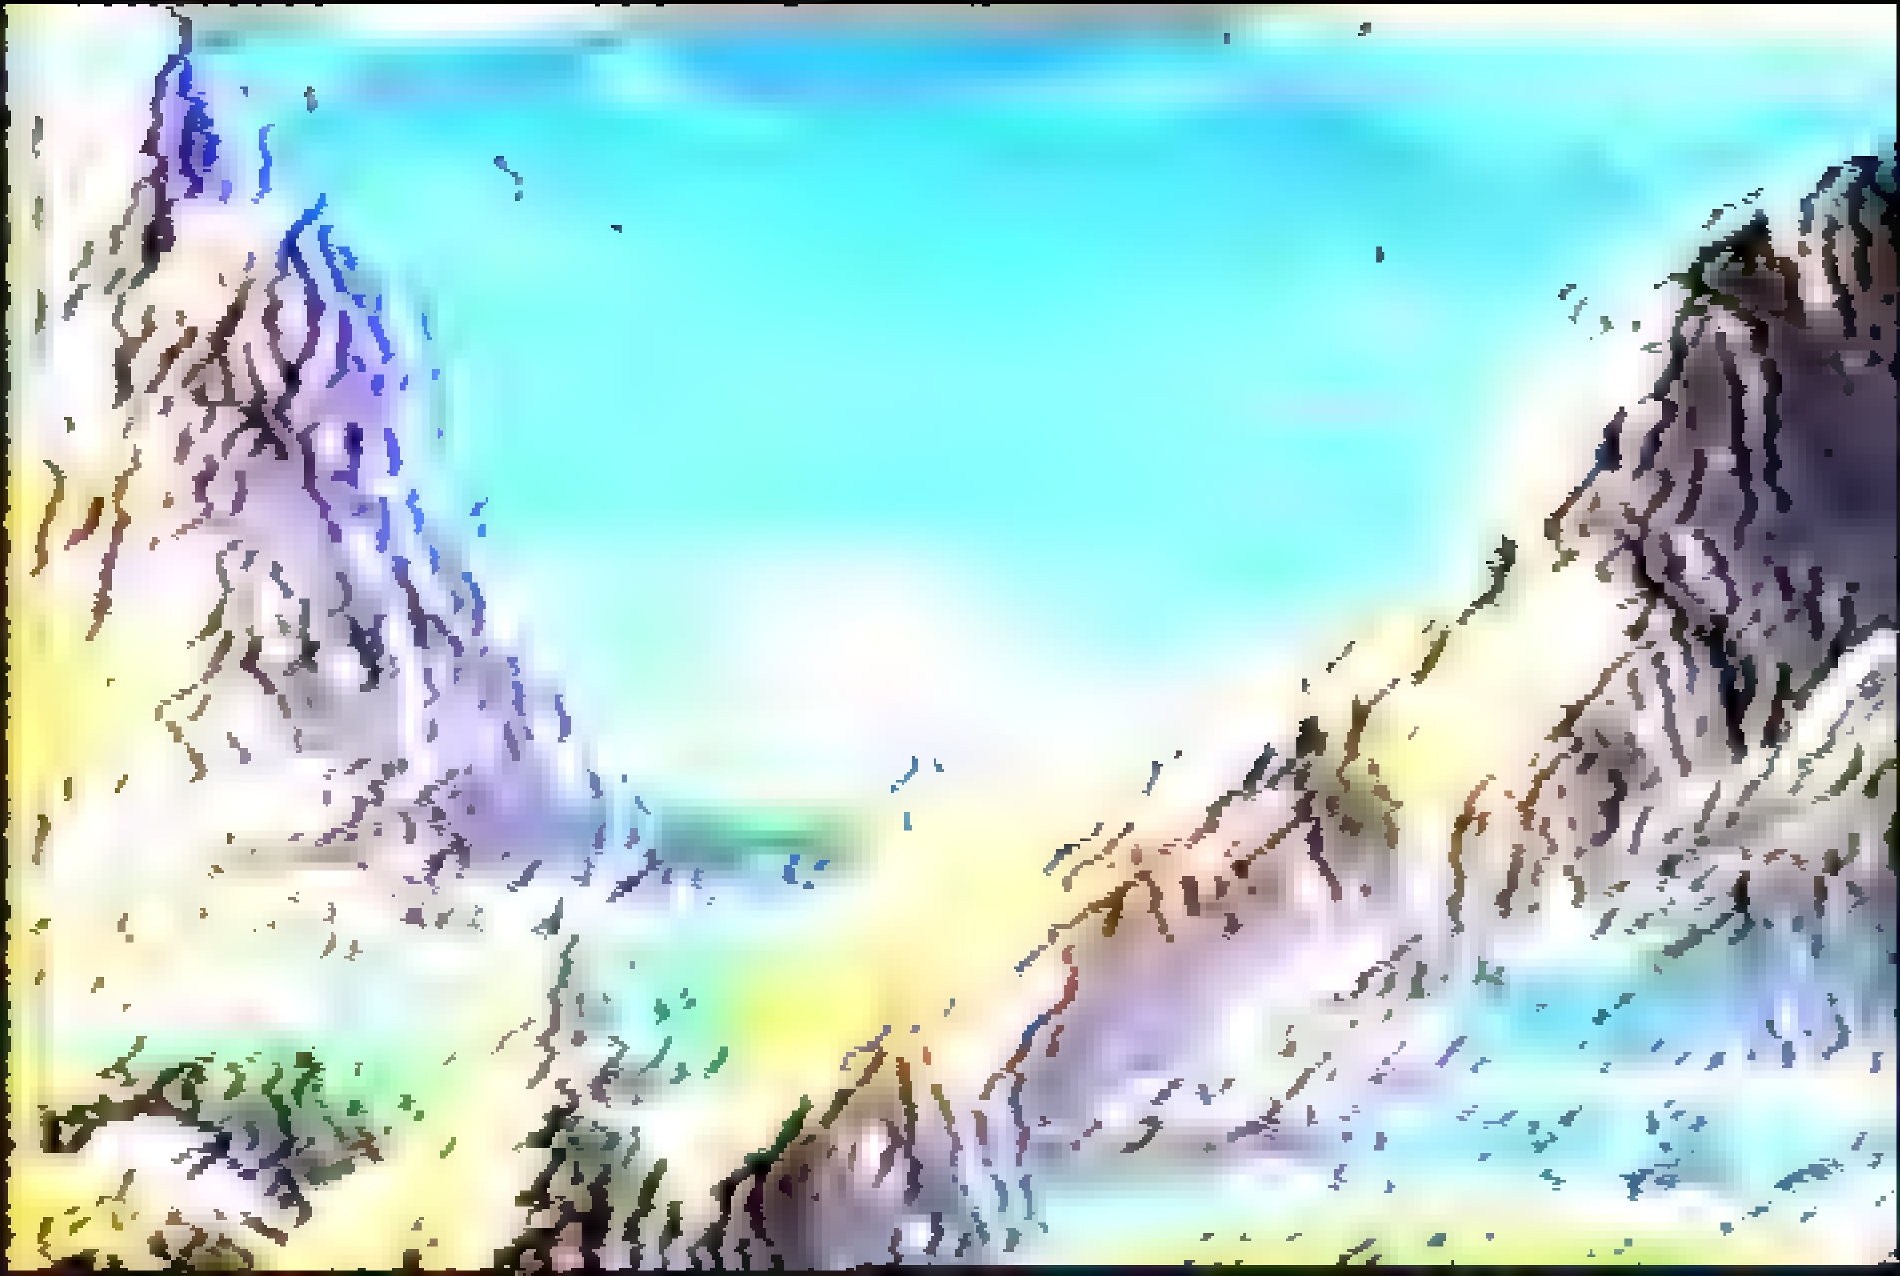

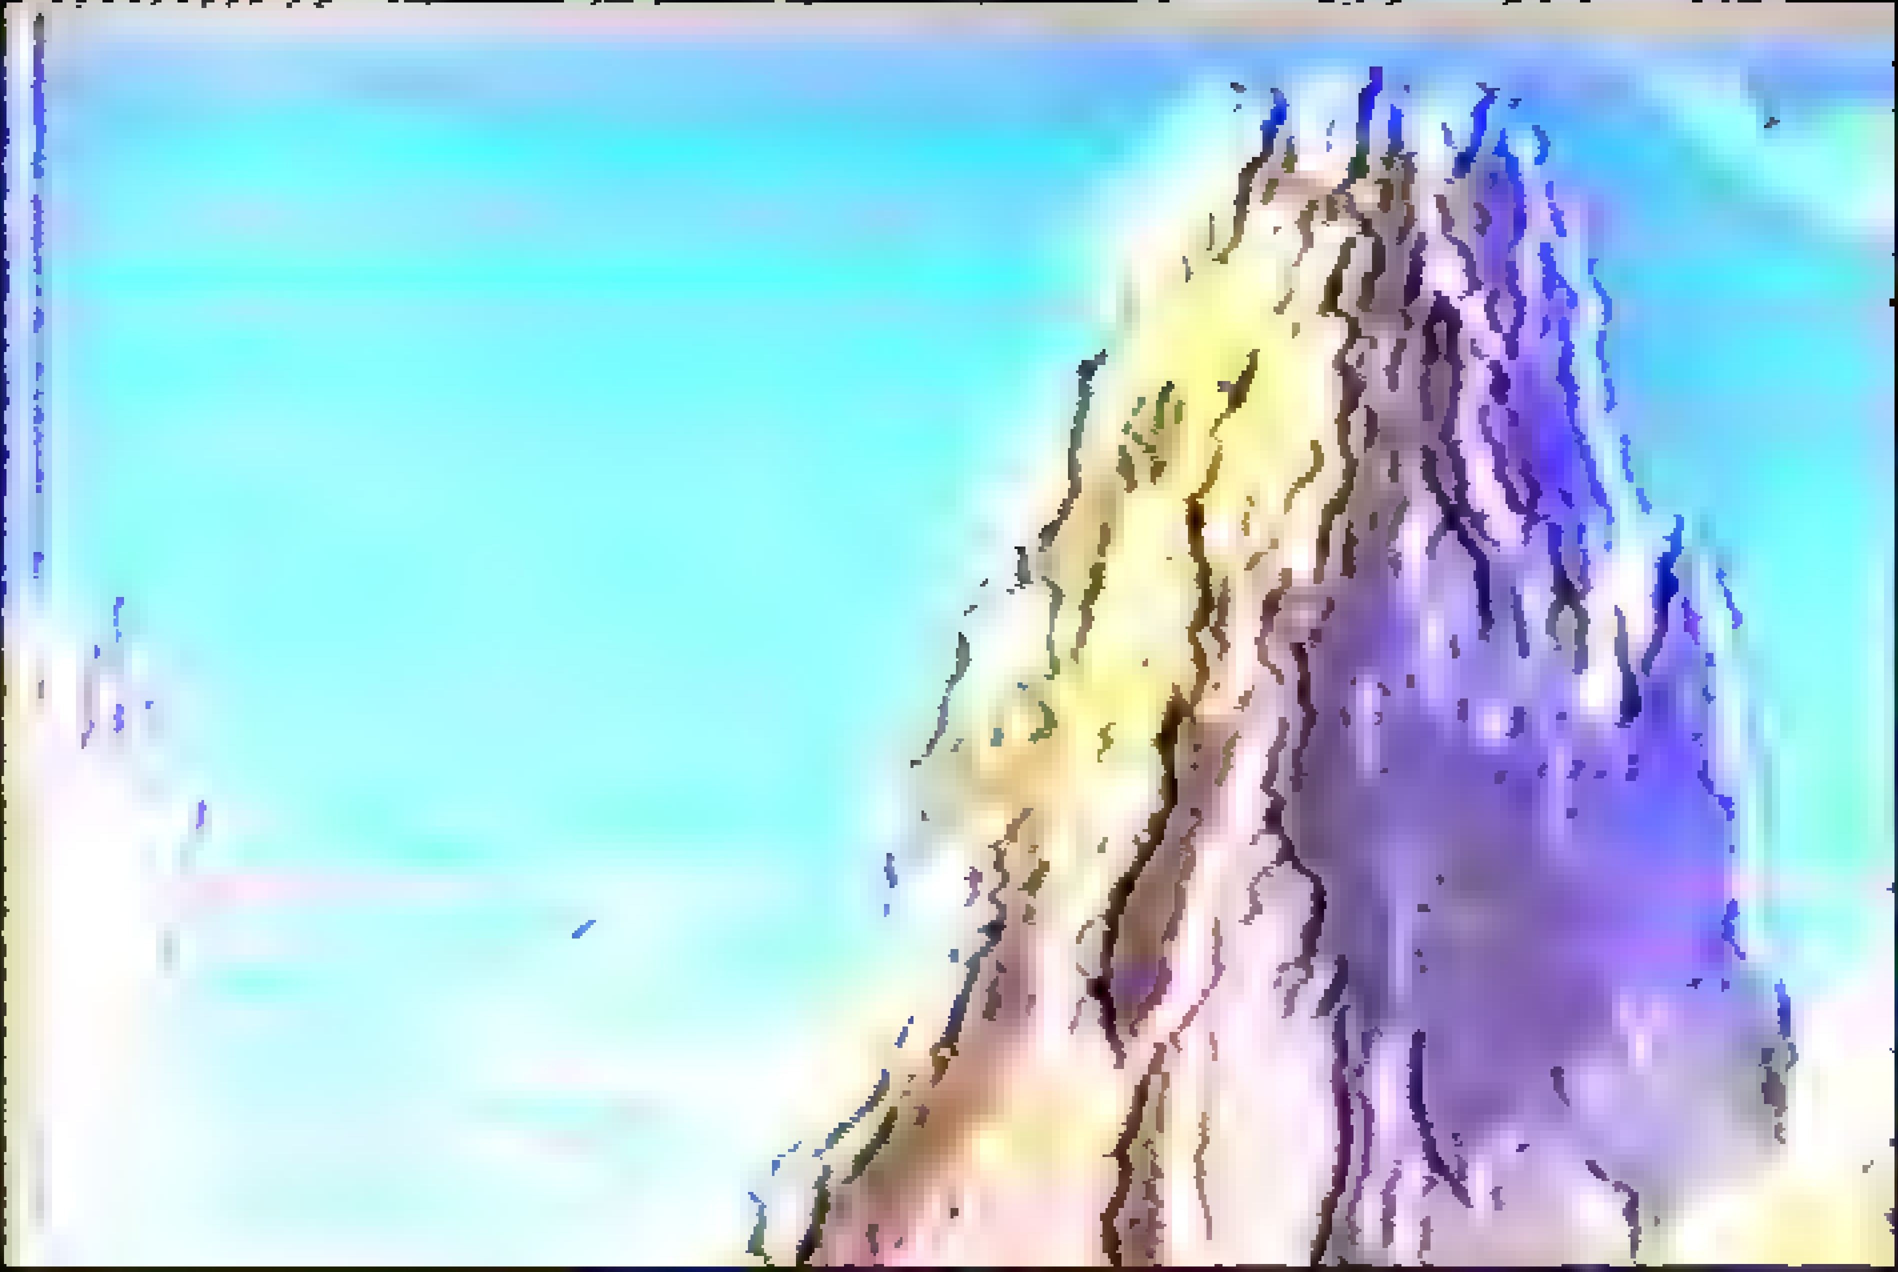

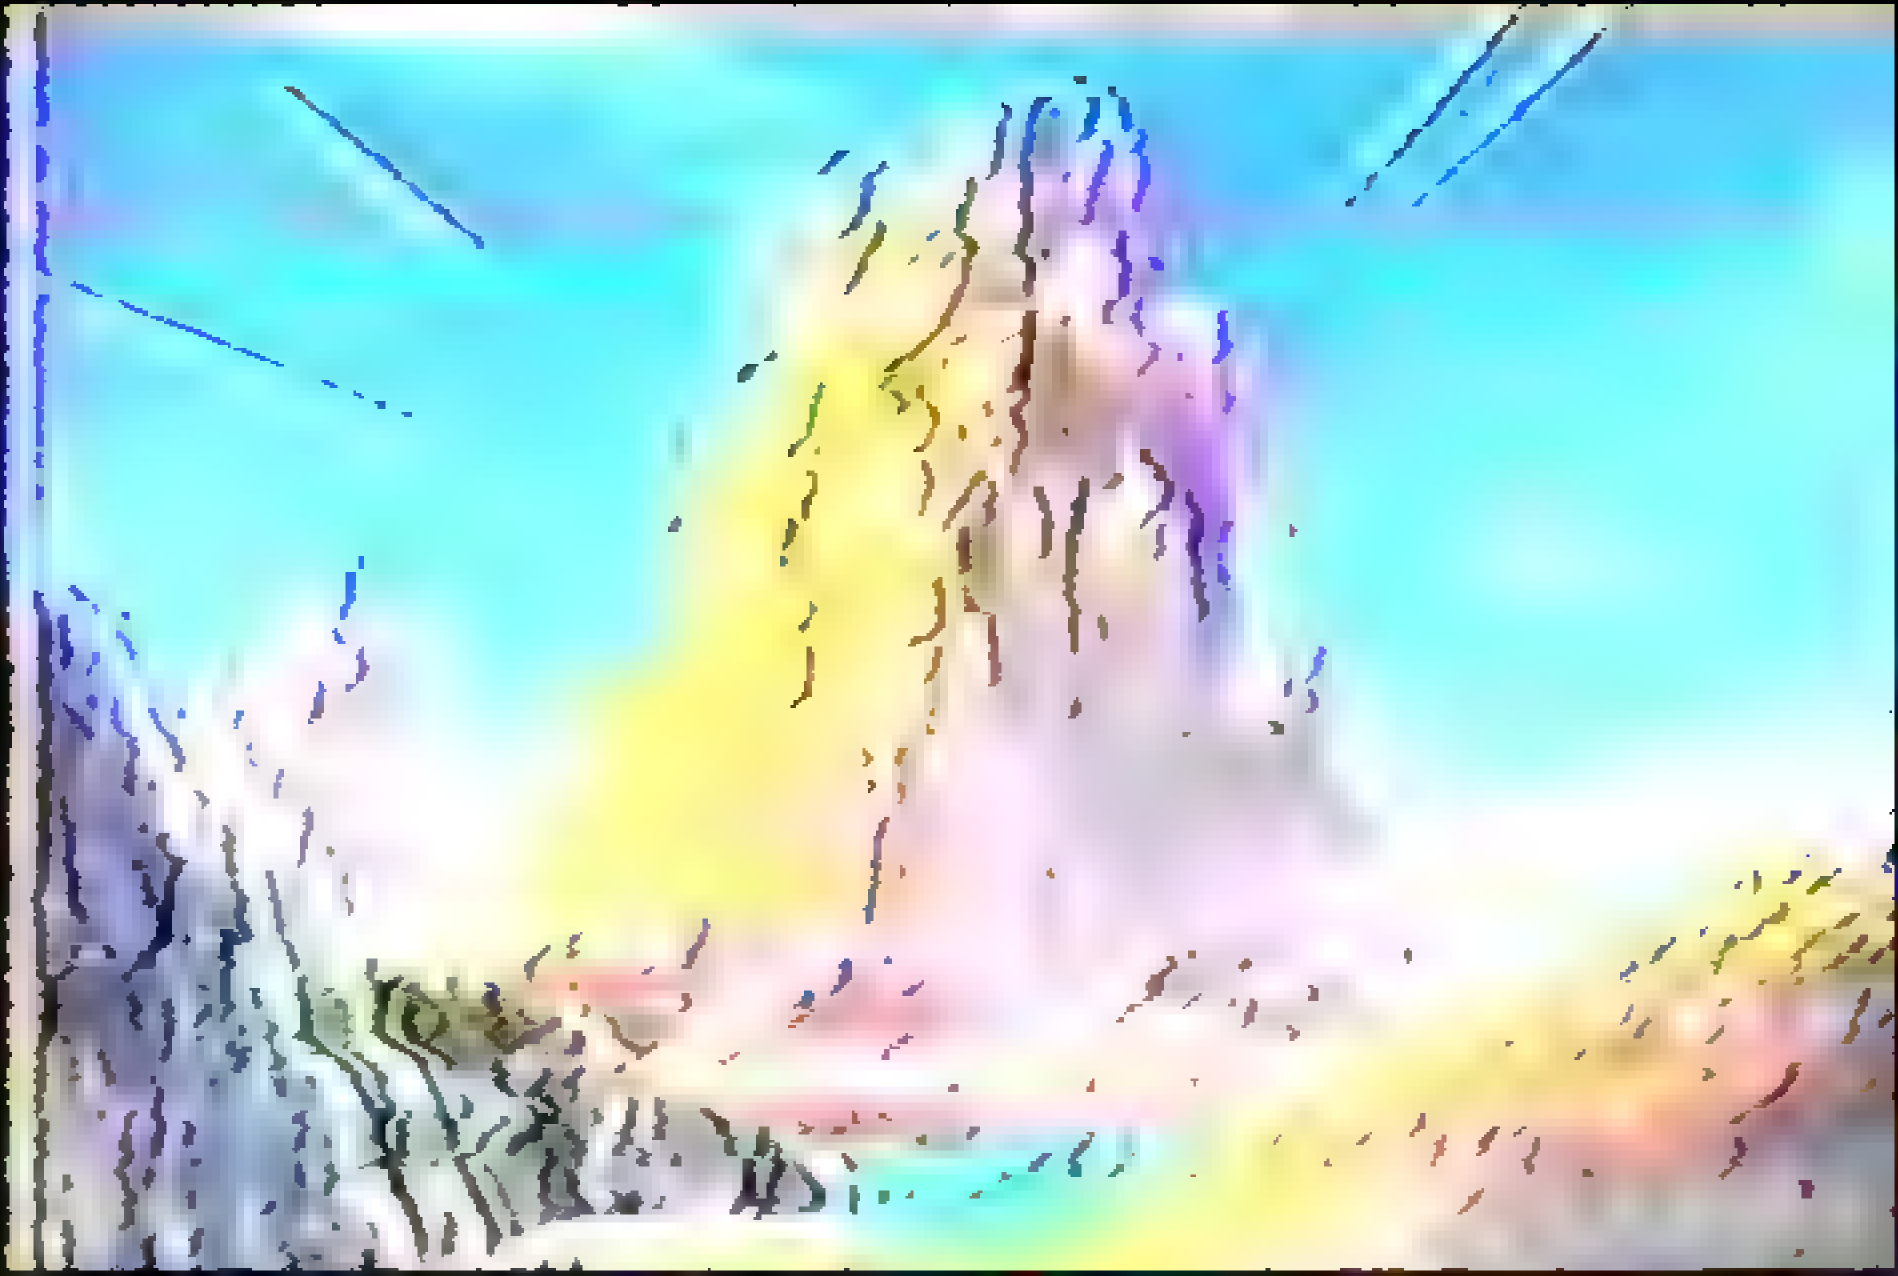

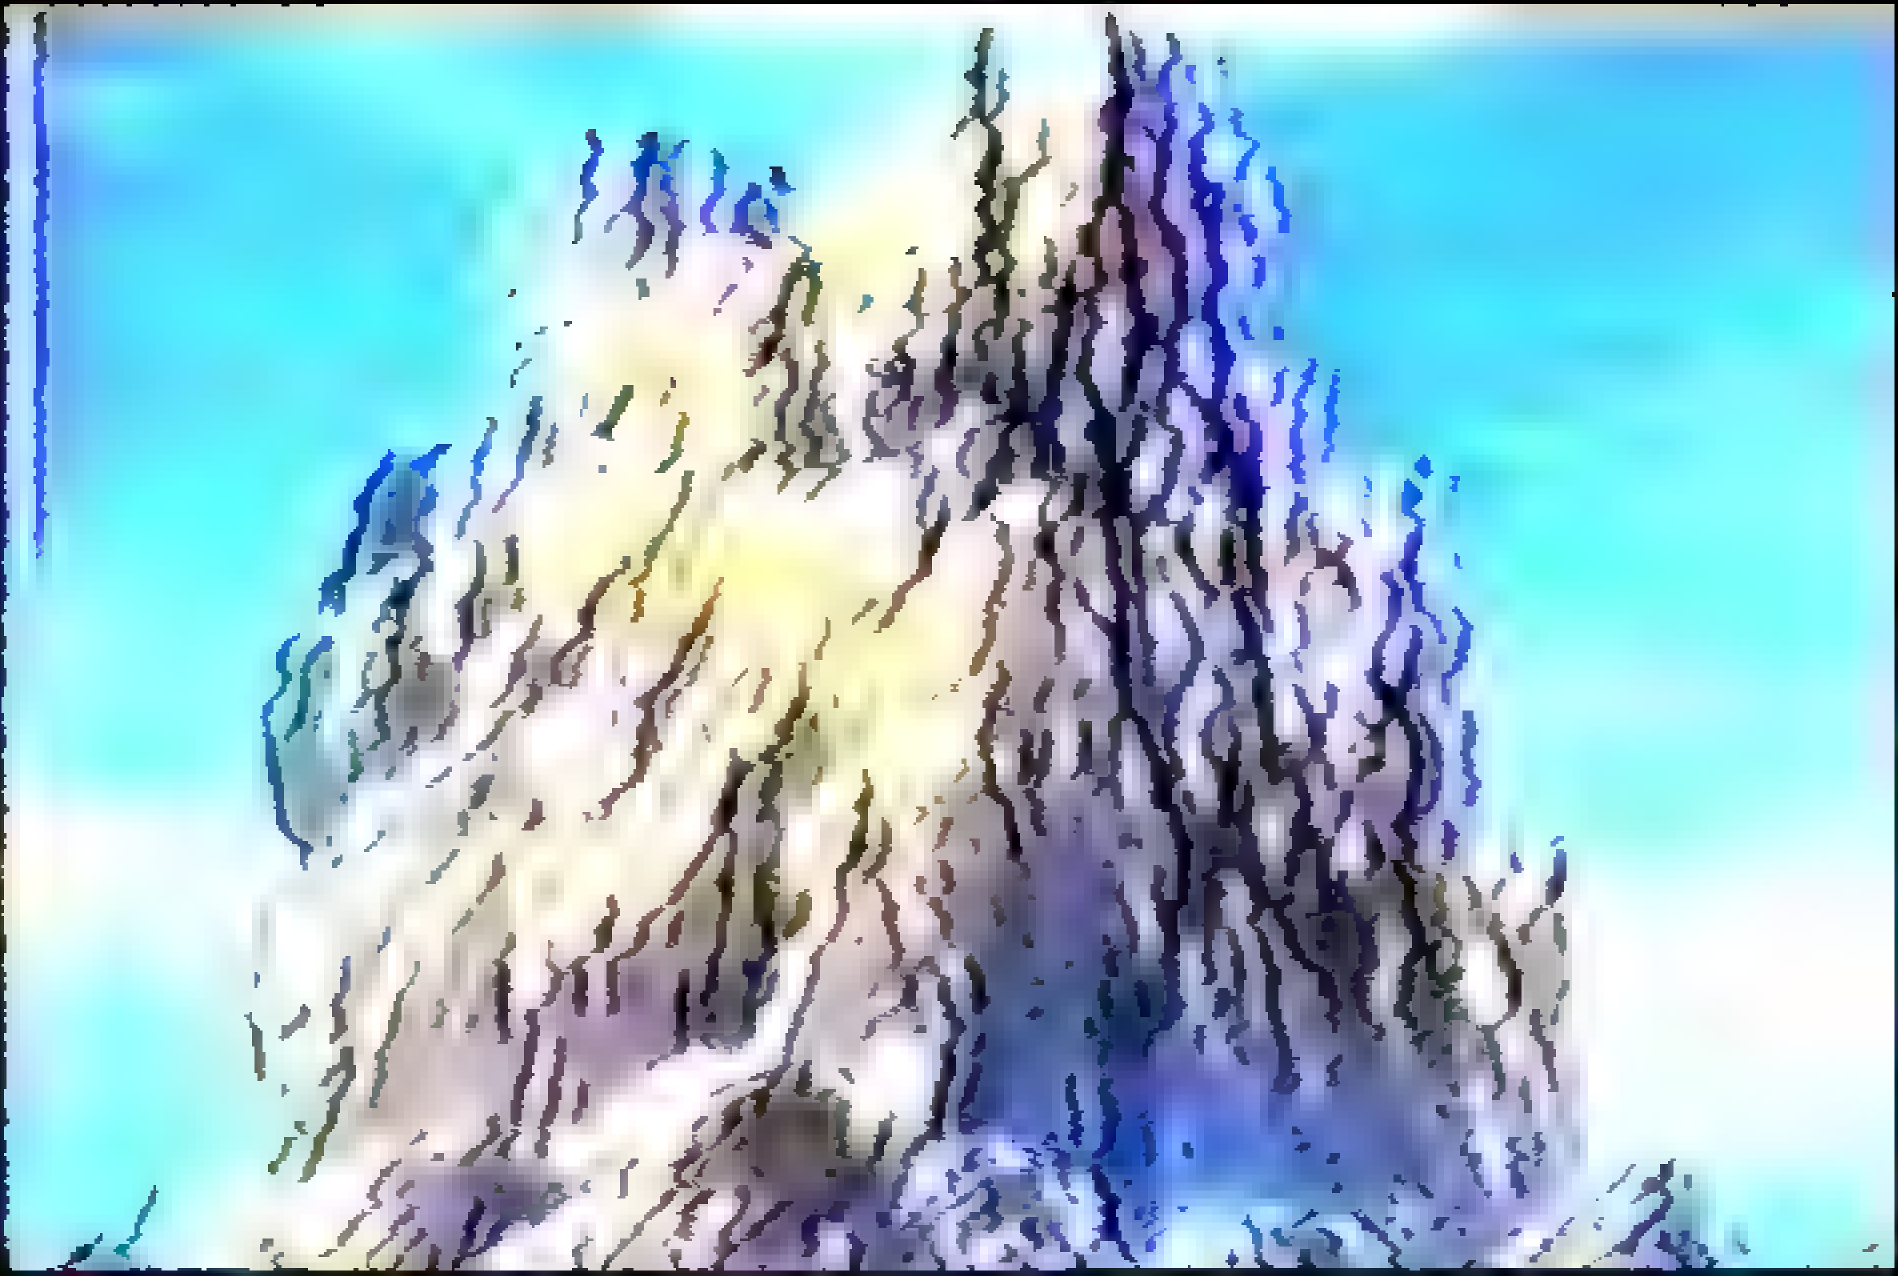

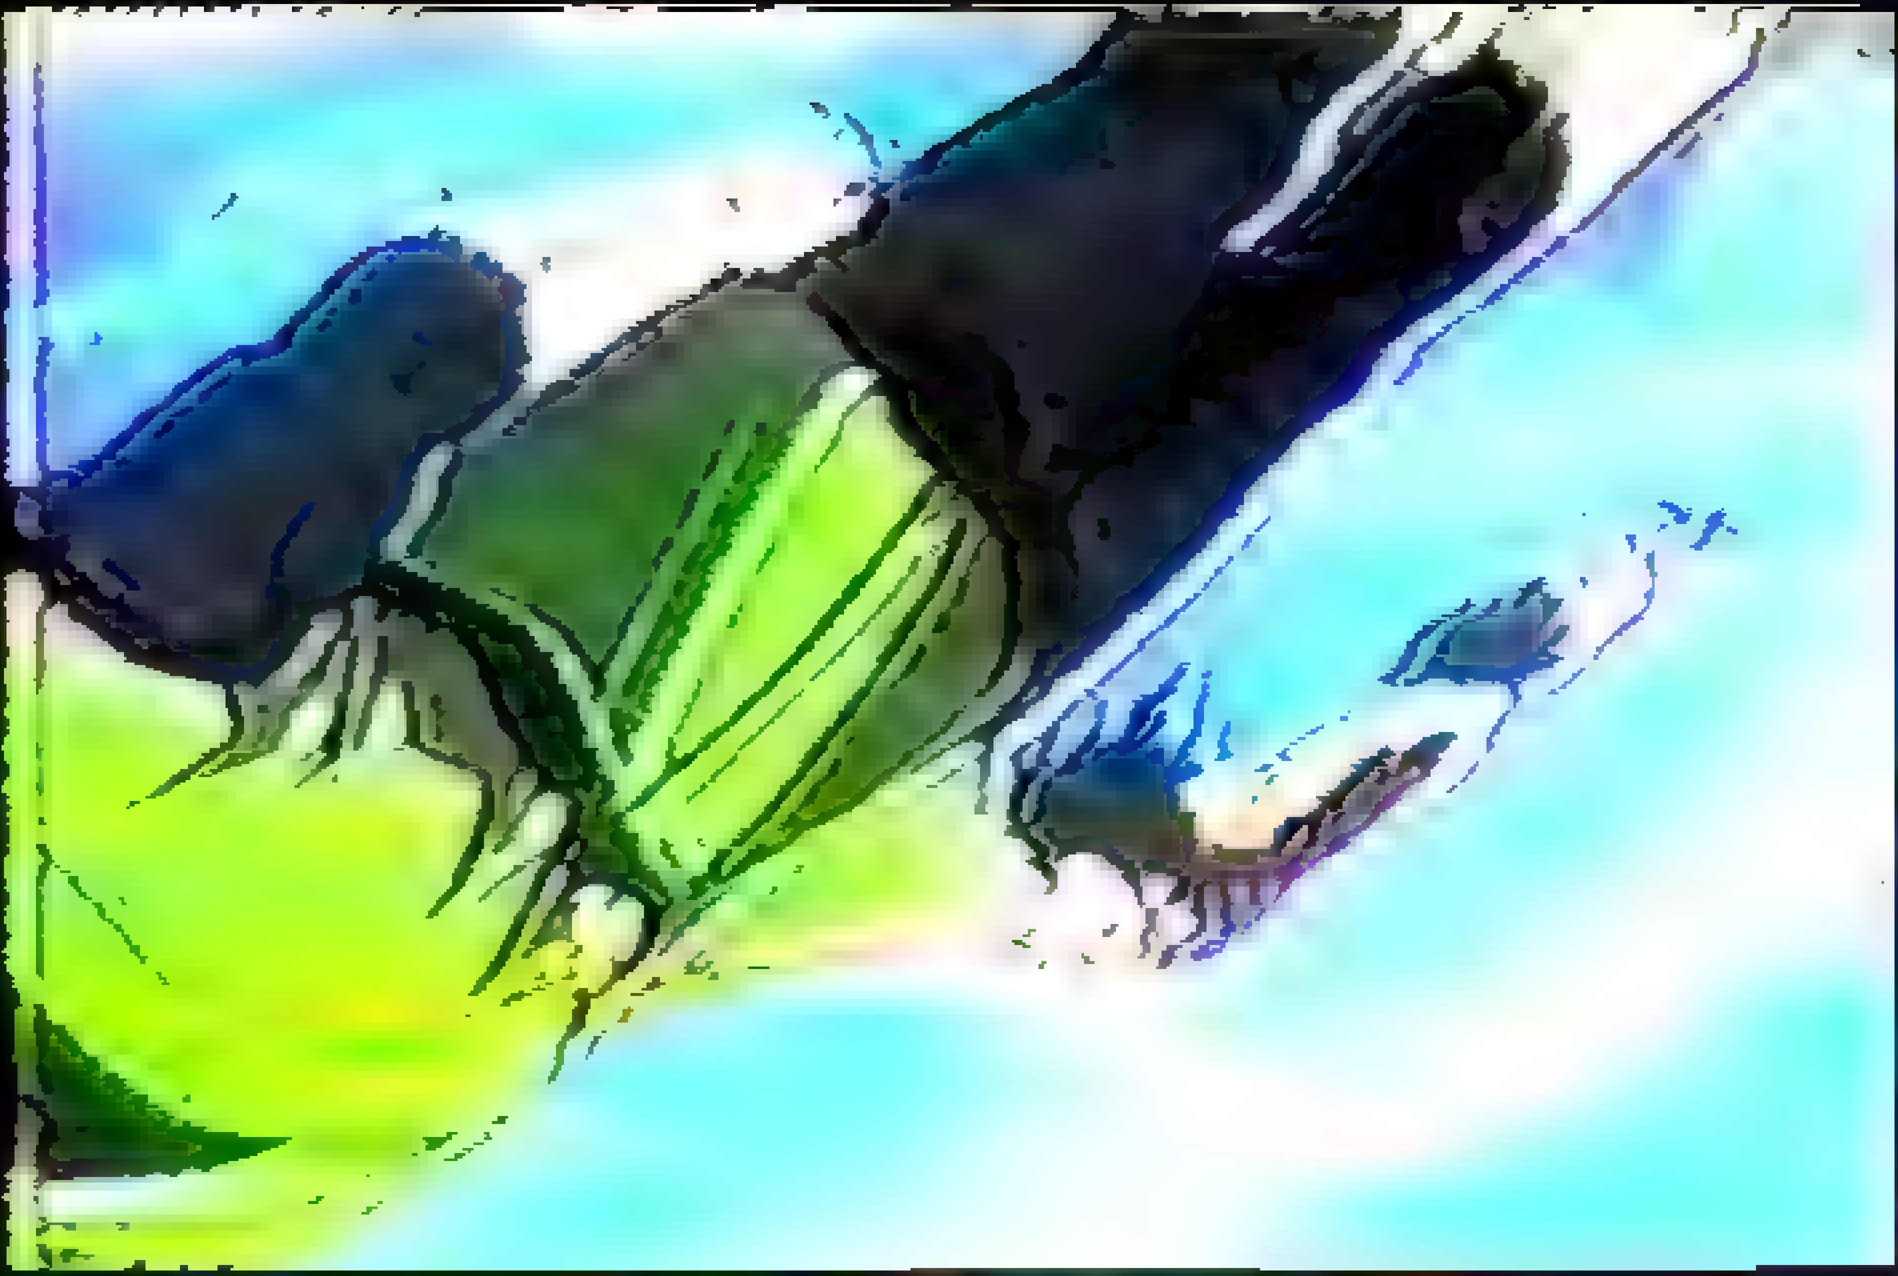

That's odd, we already searched this area

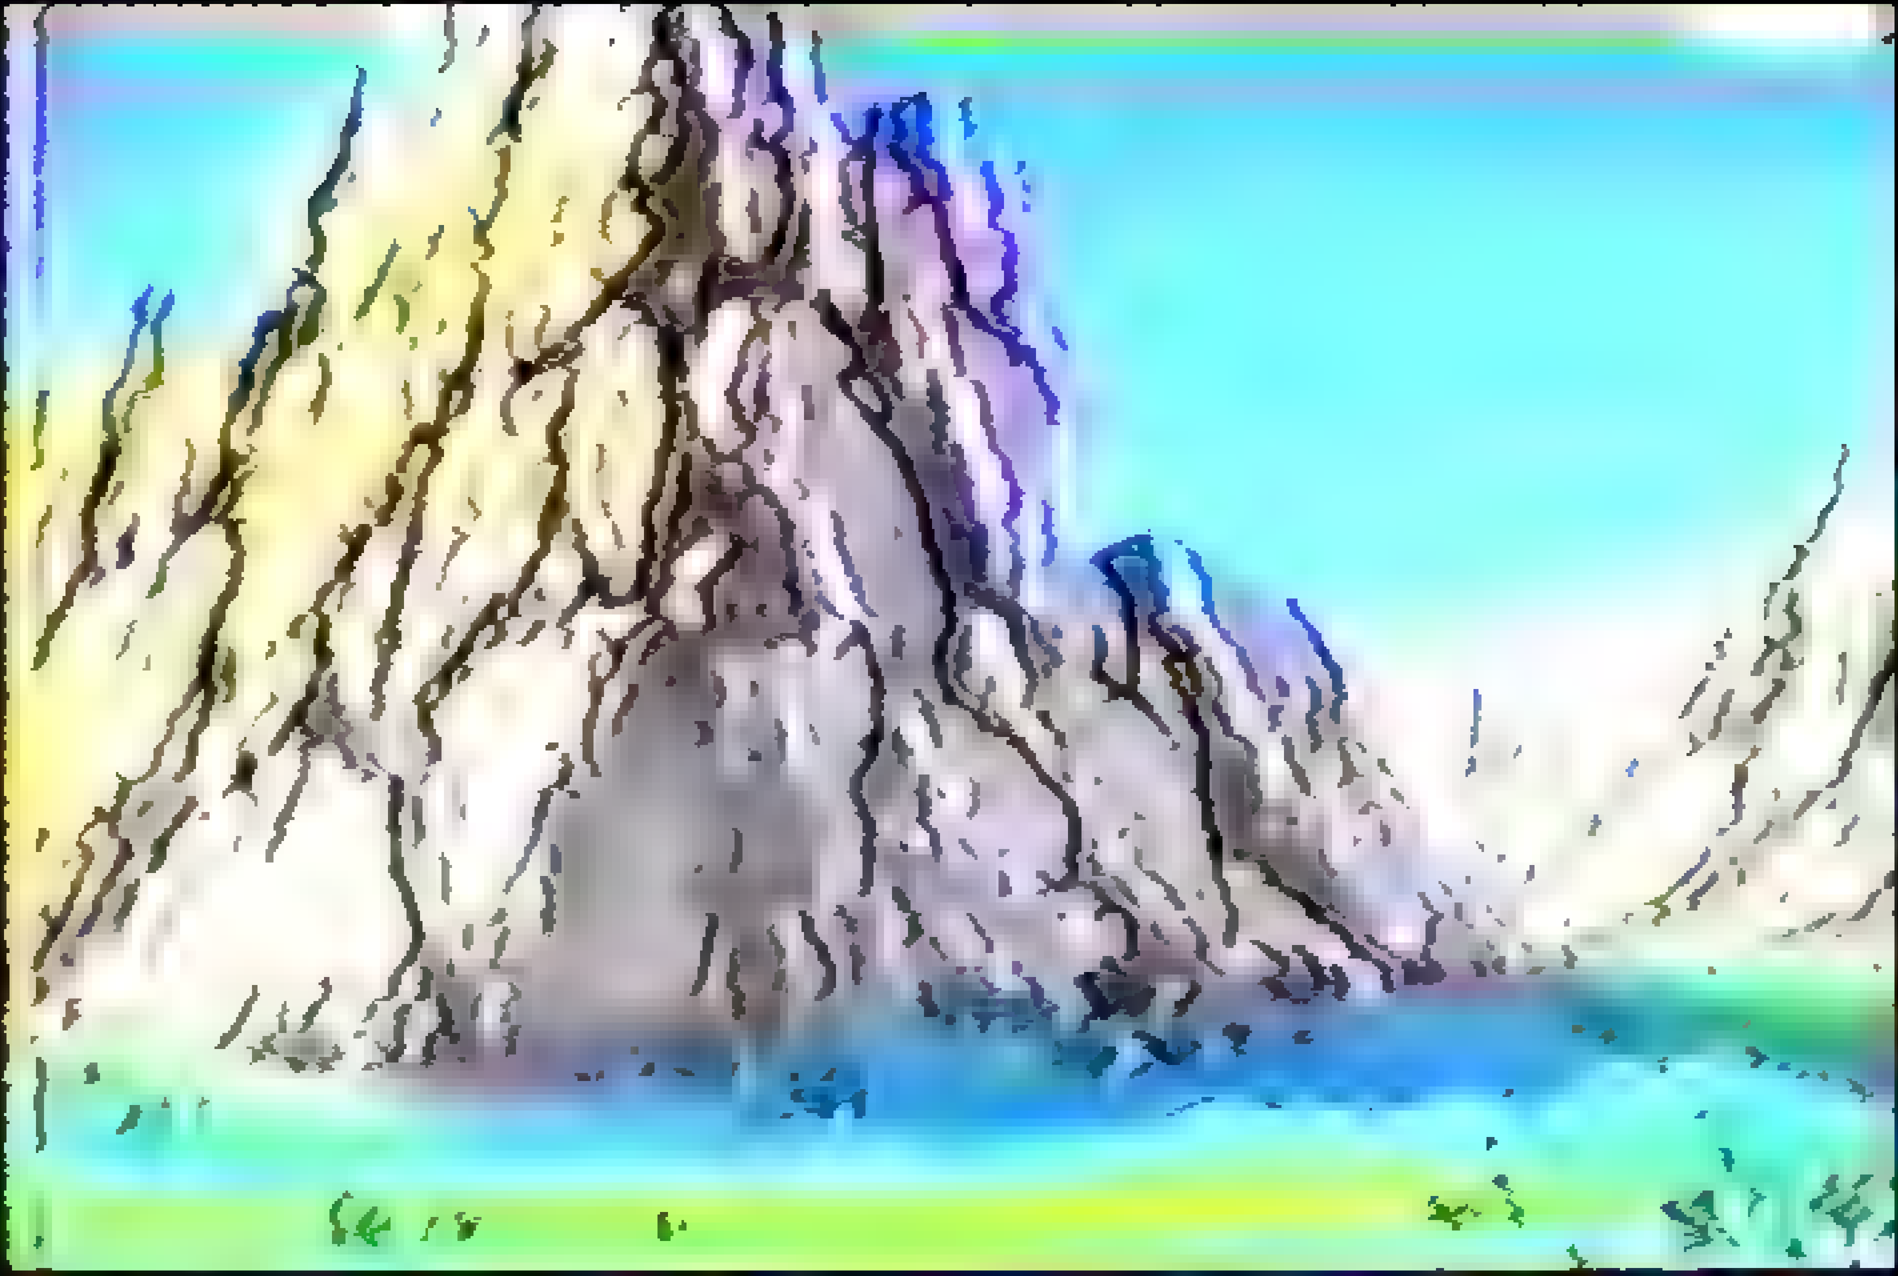

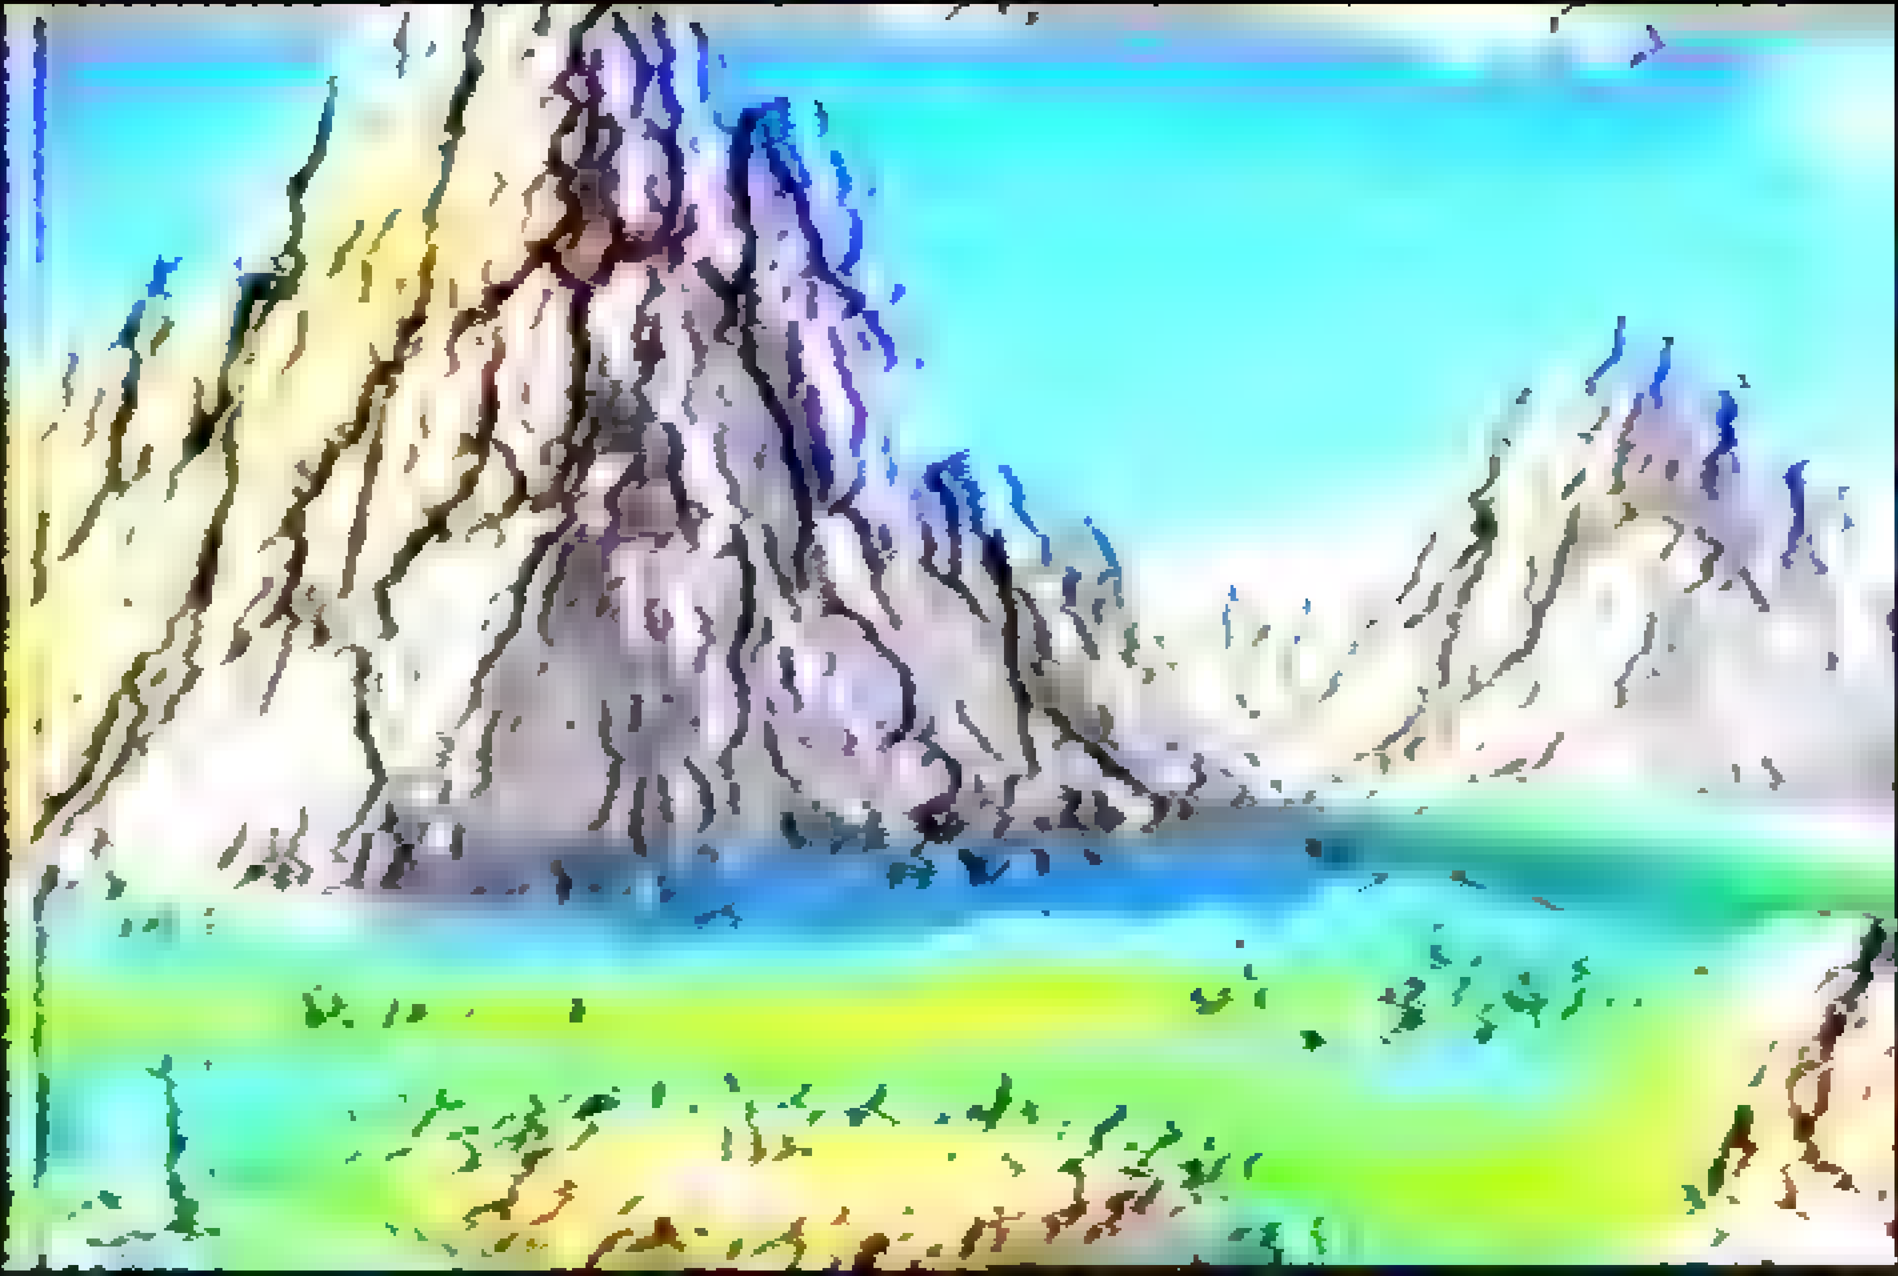

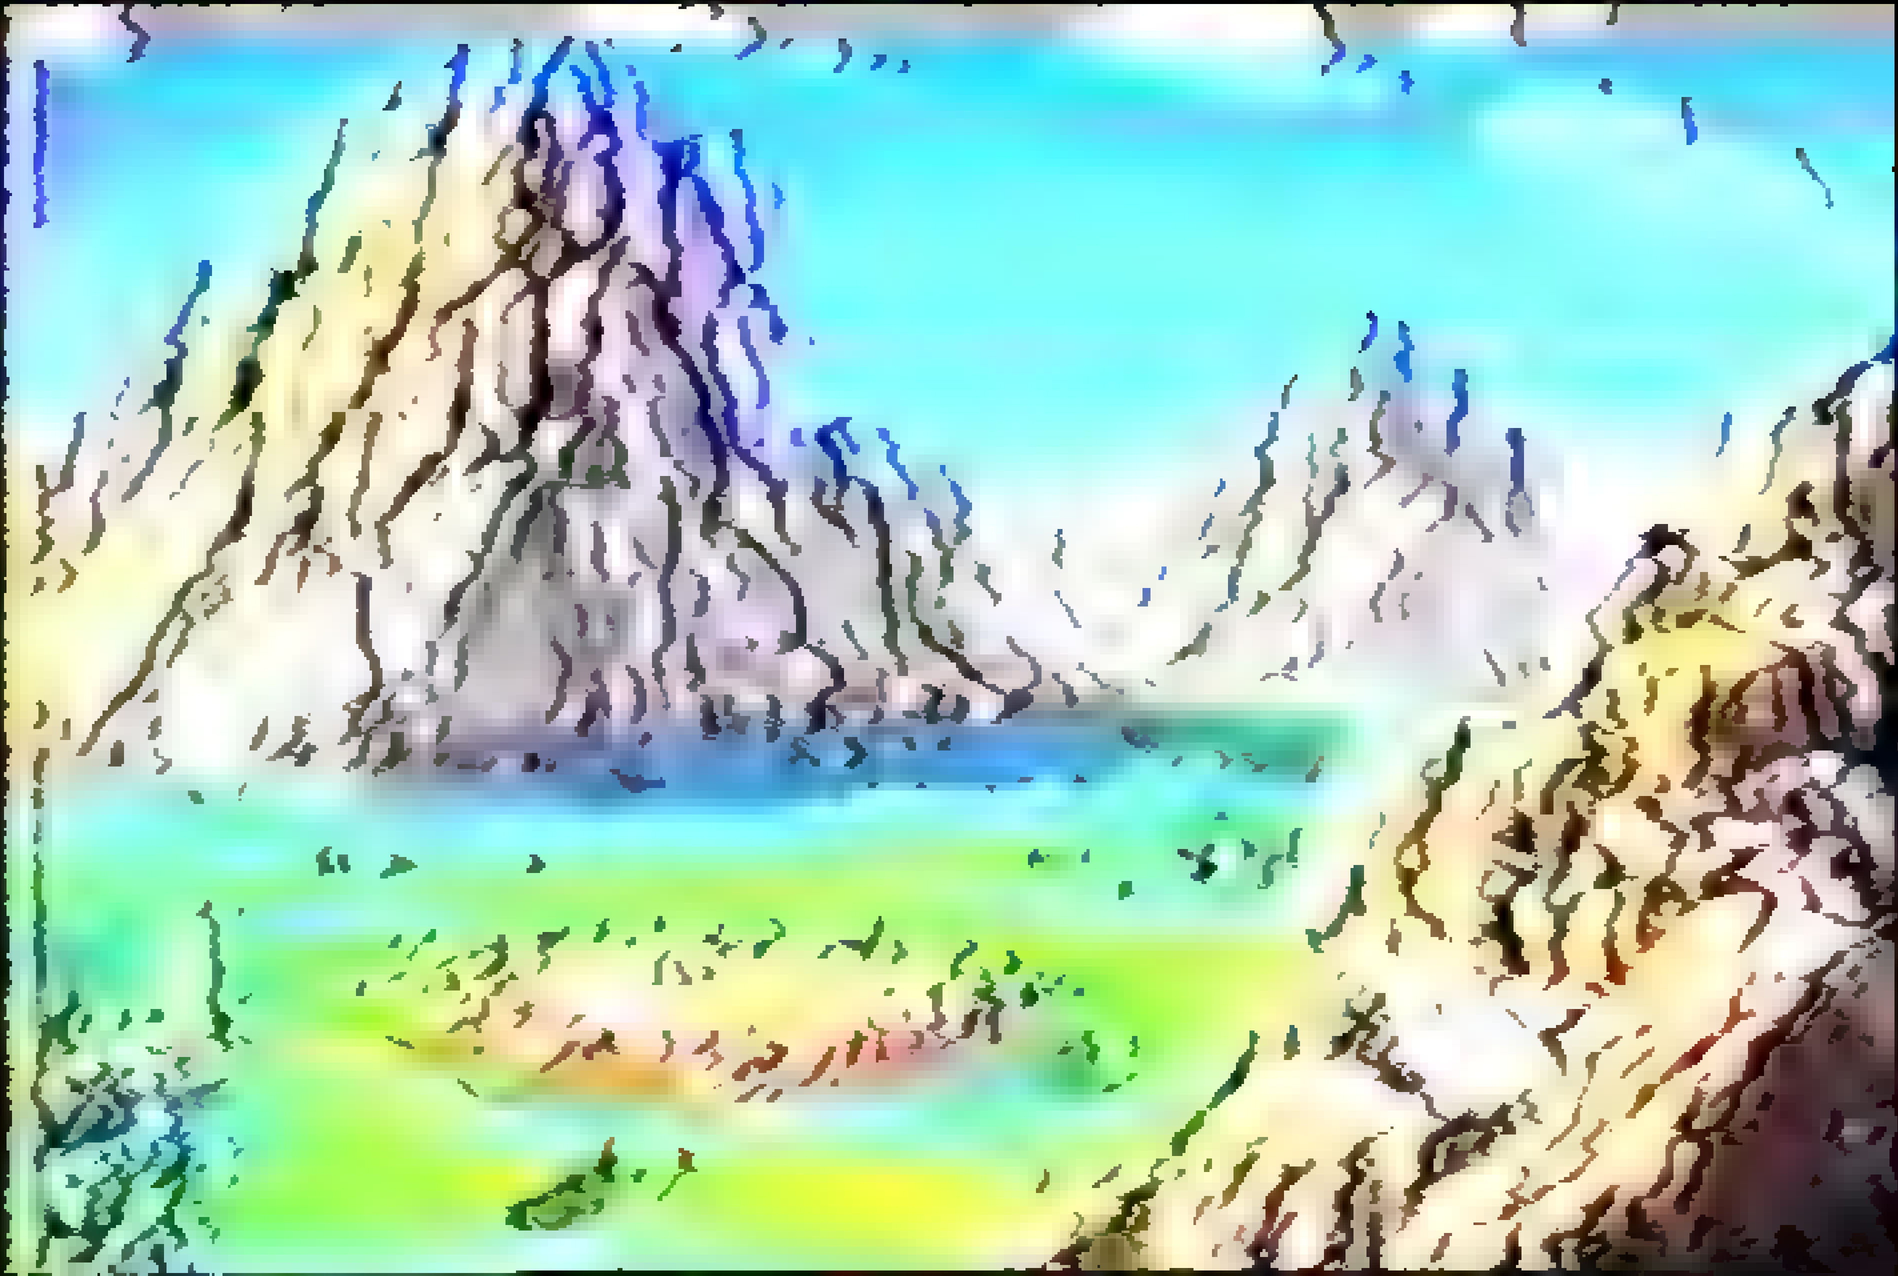

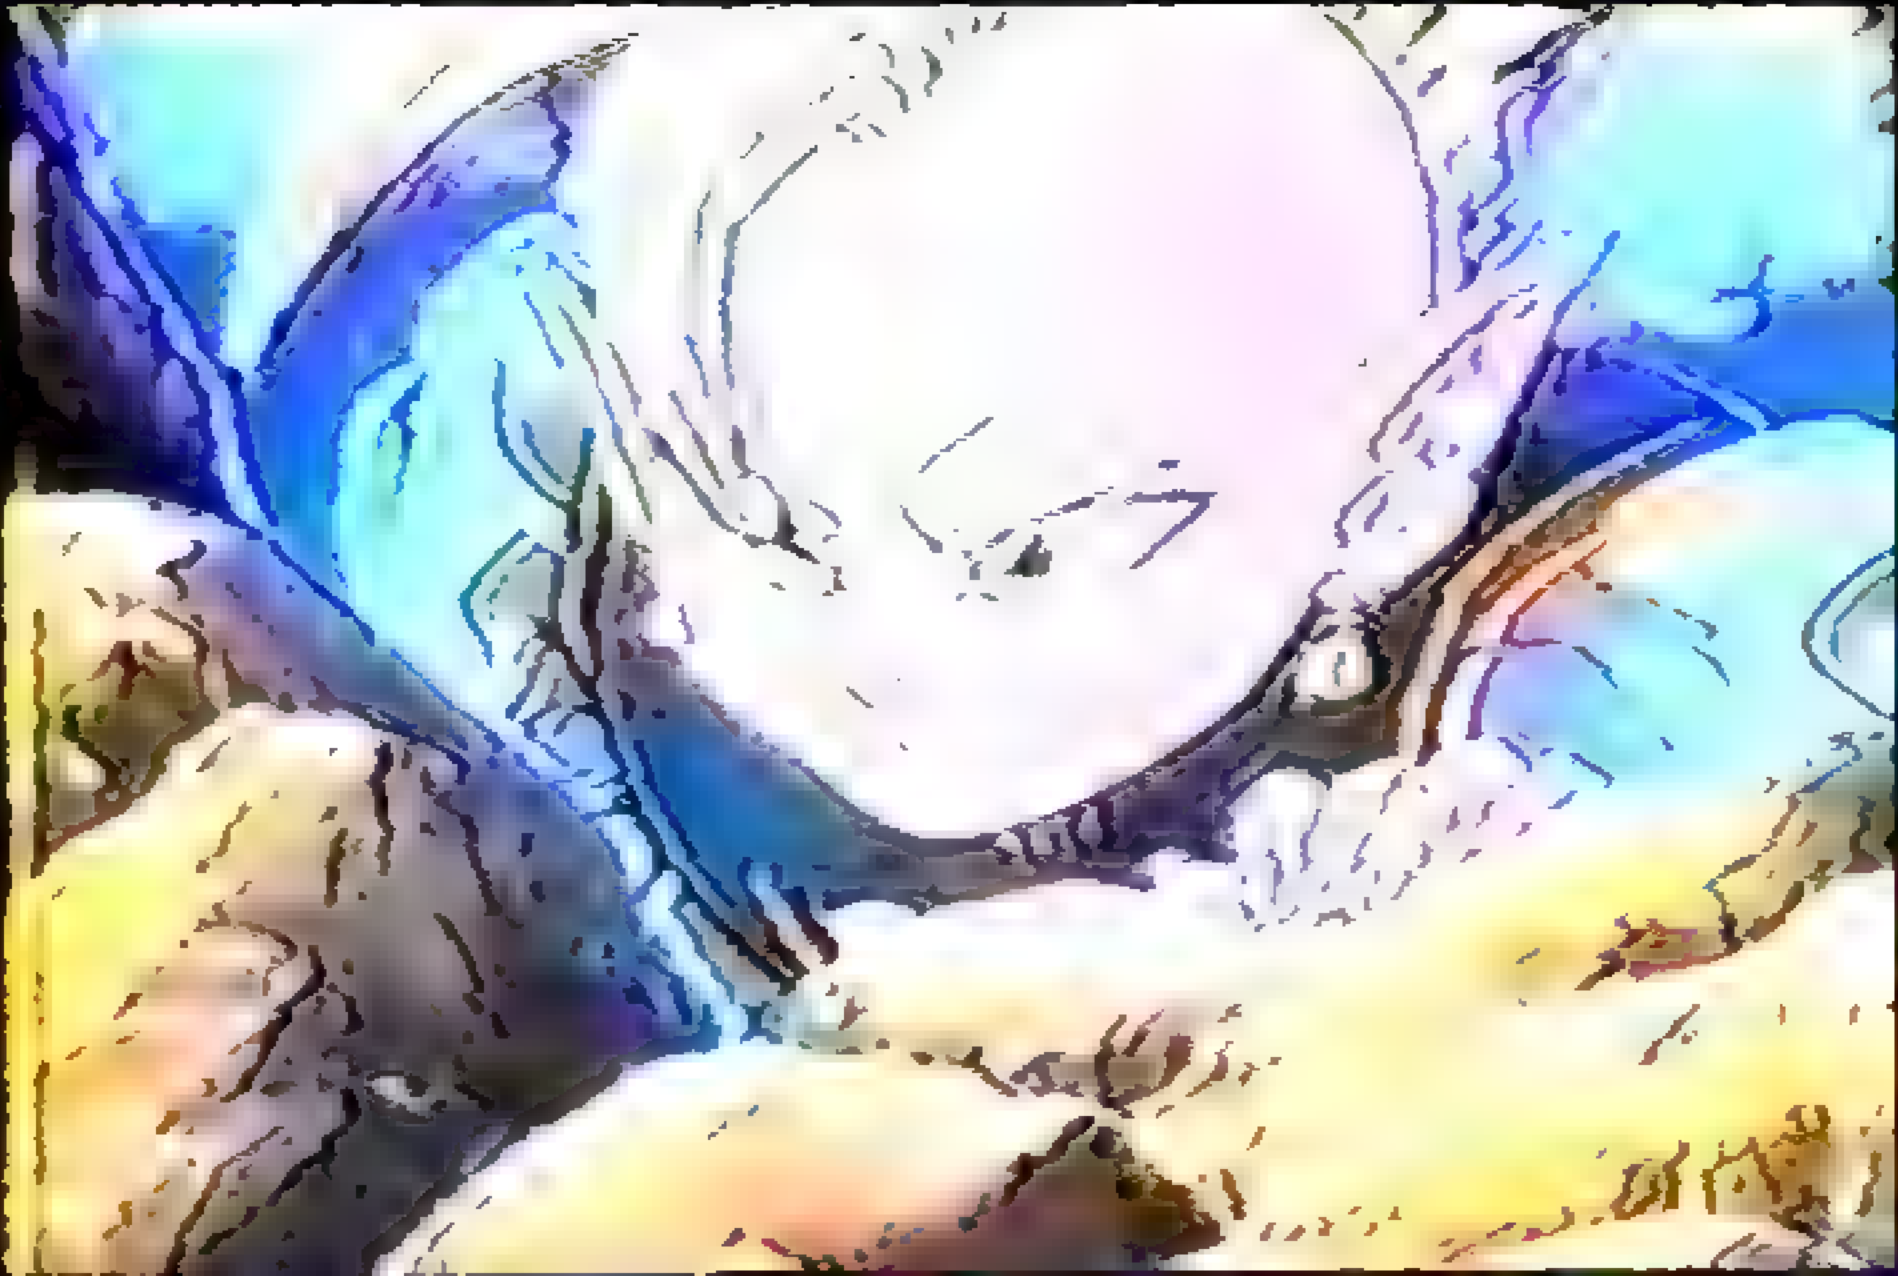

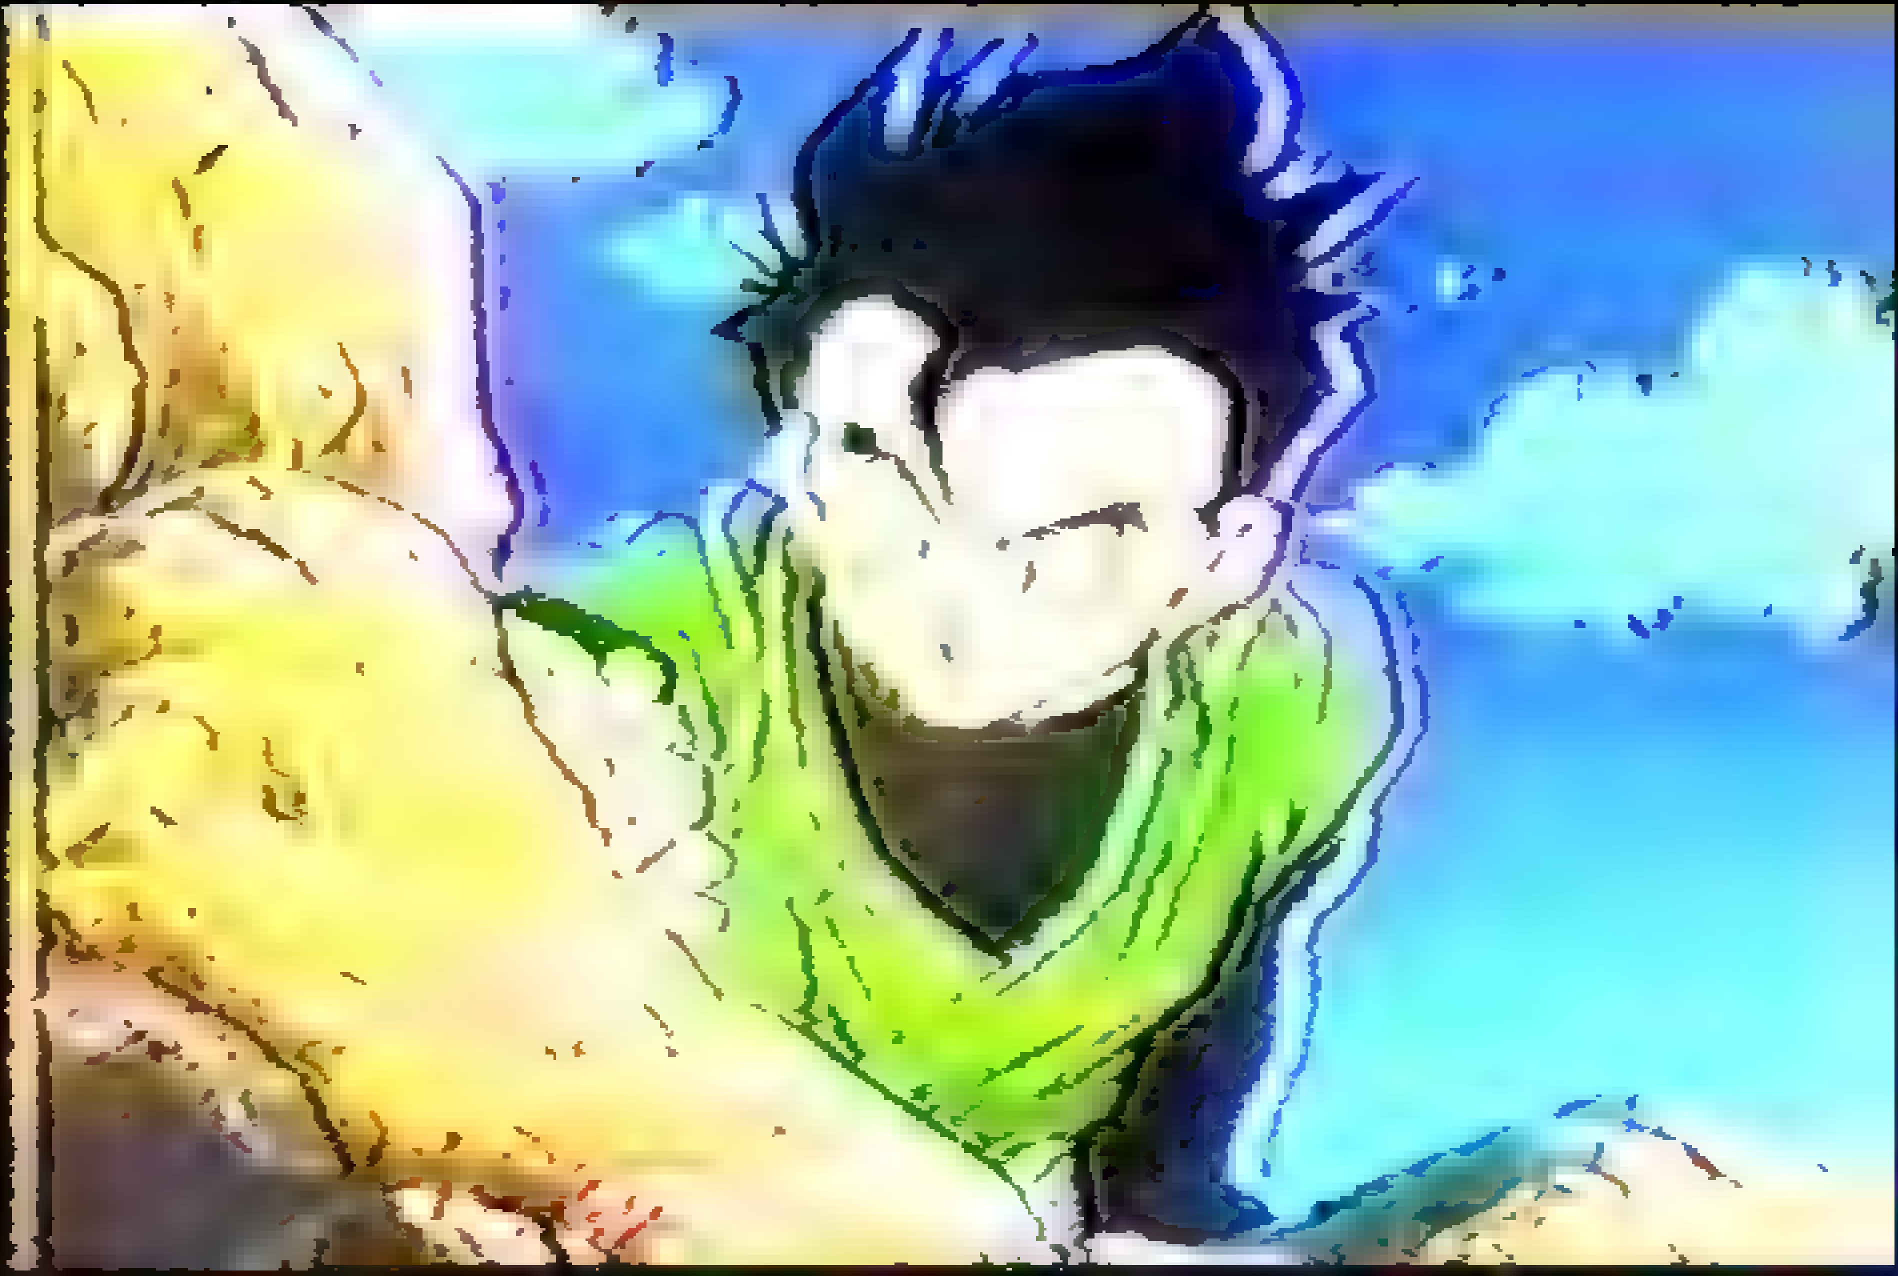

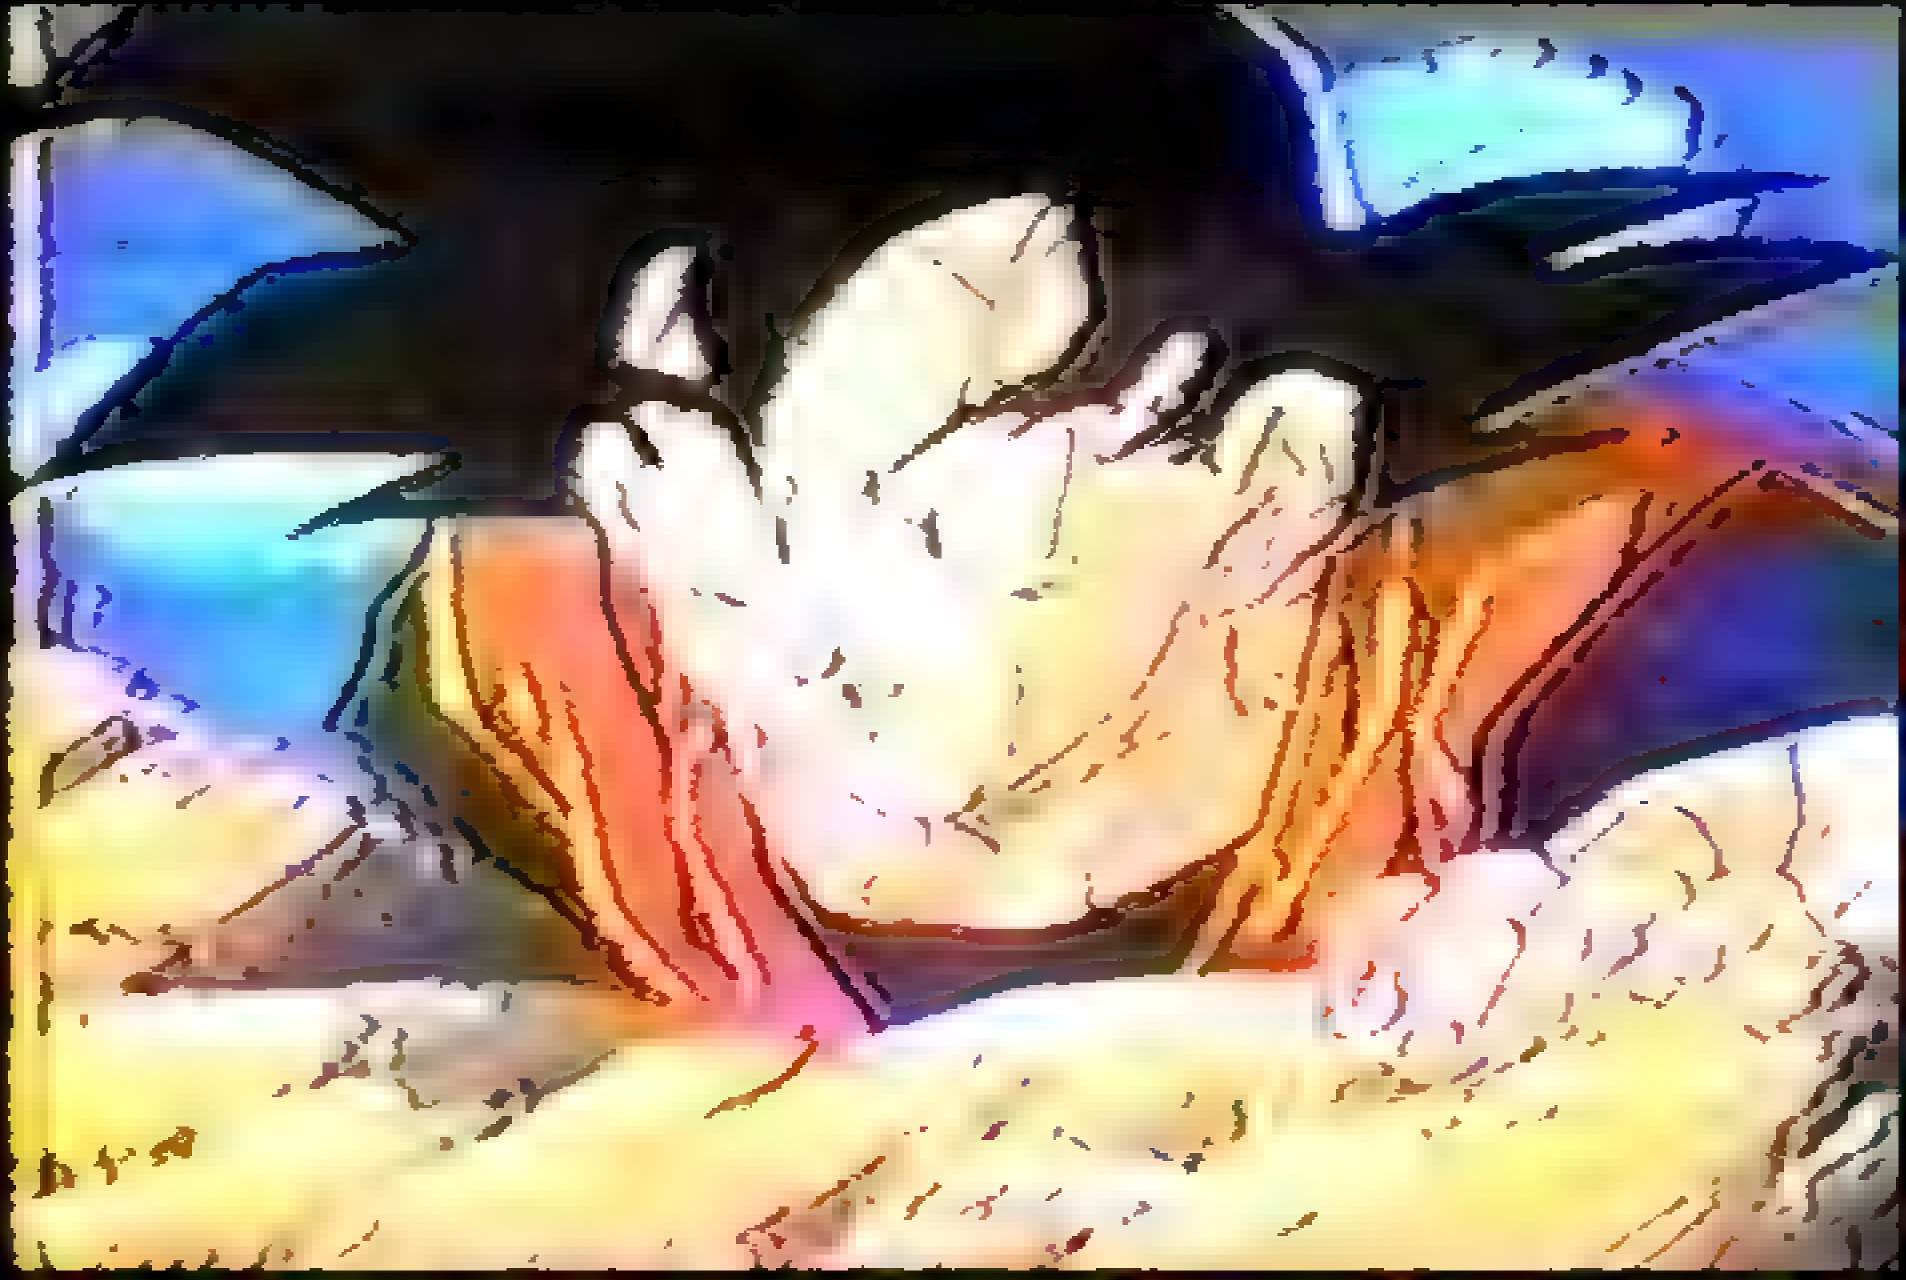

Okay everyone, all your power

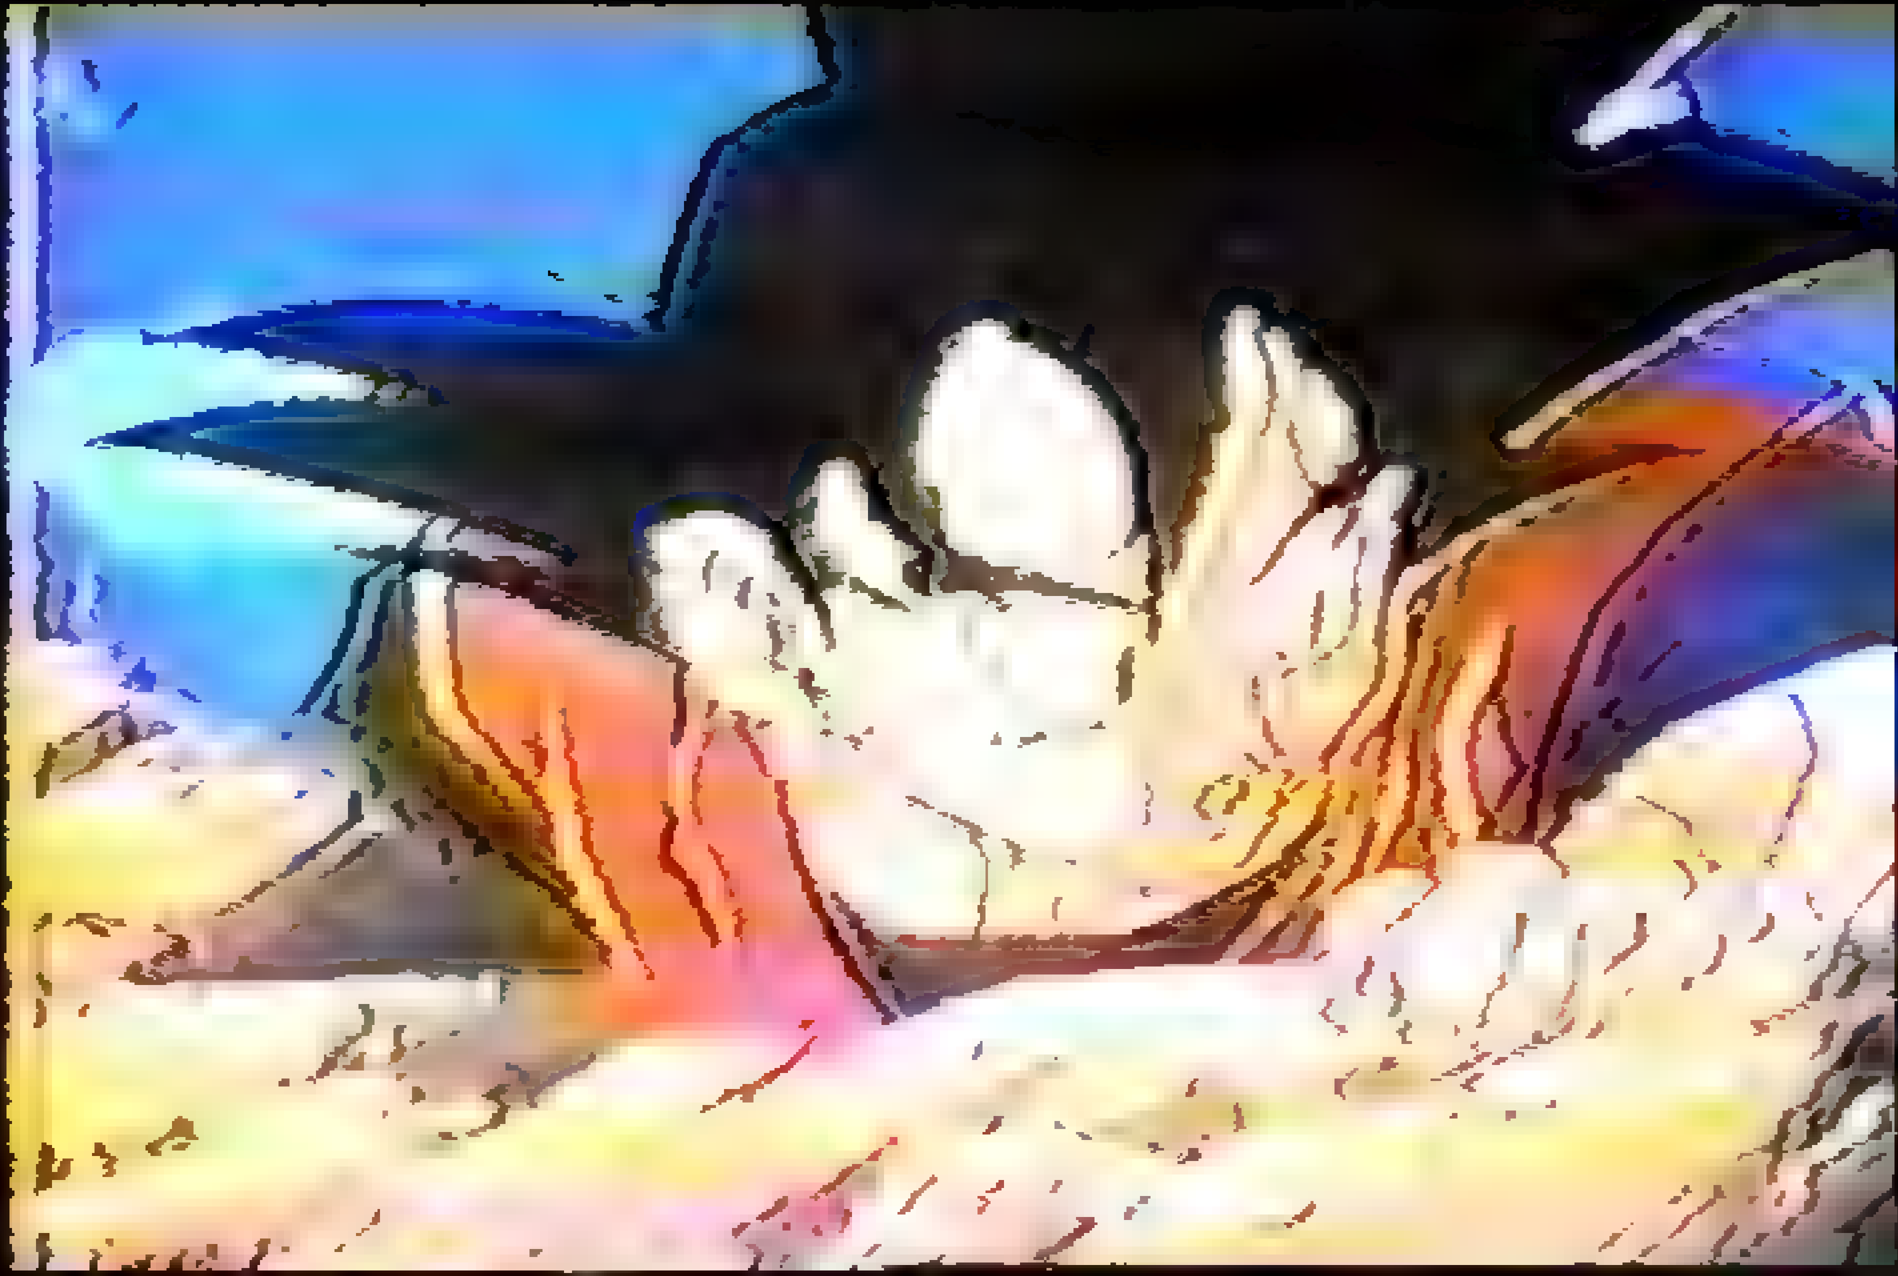

It's probably one of his disciples

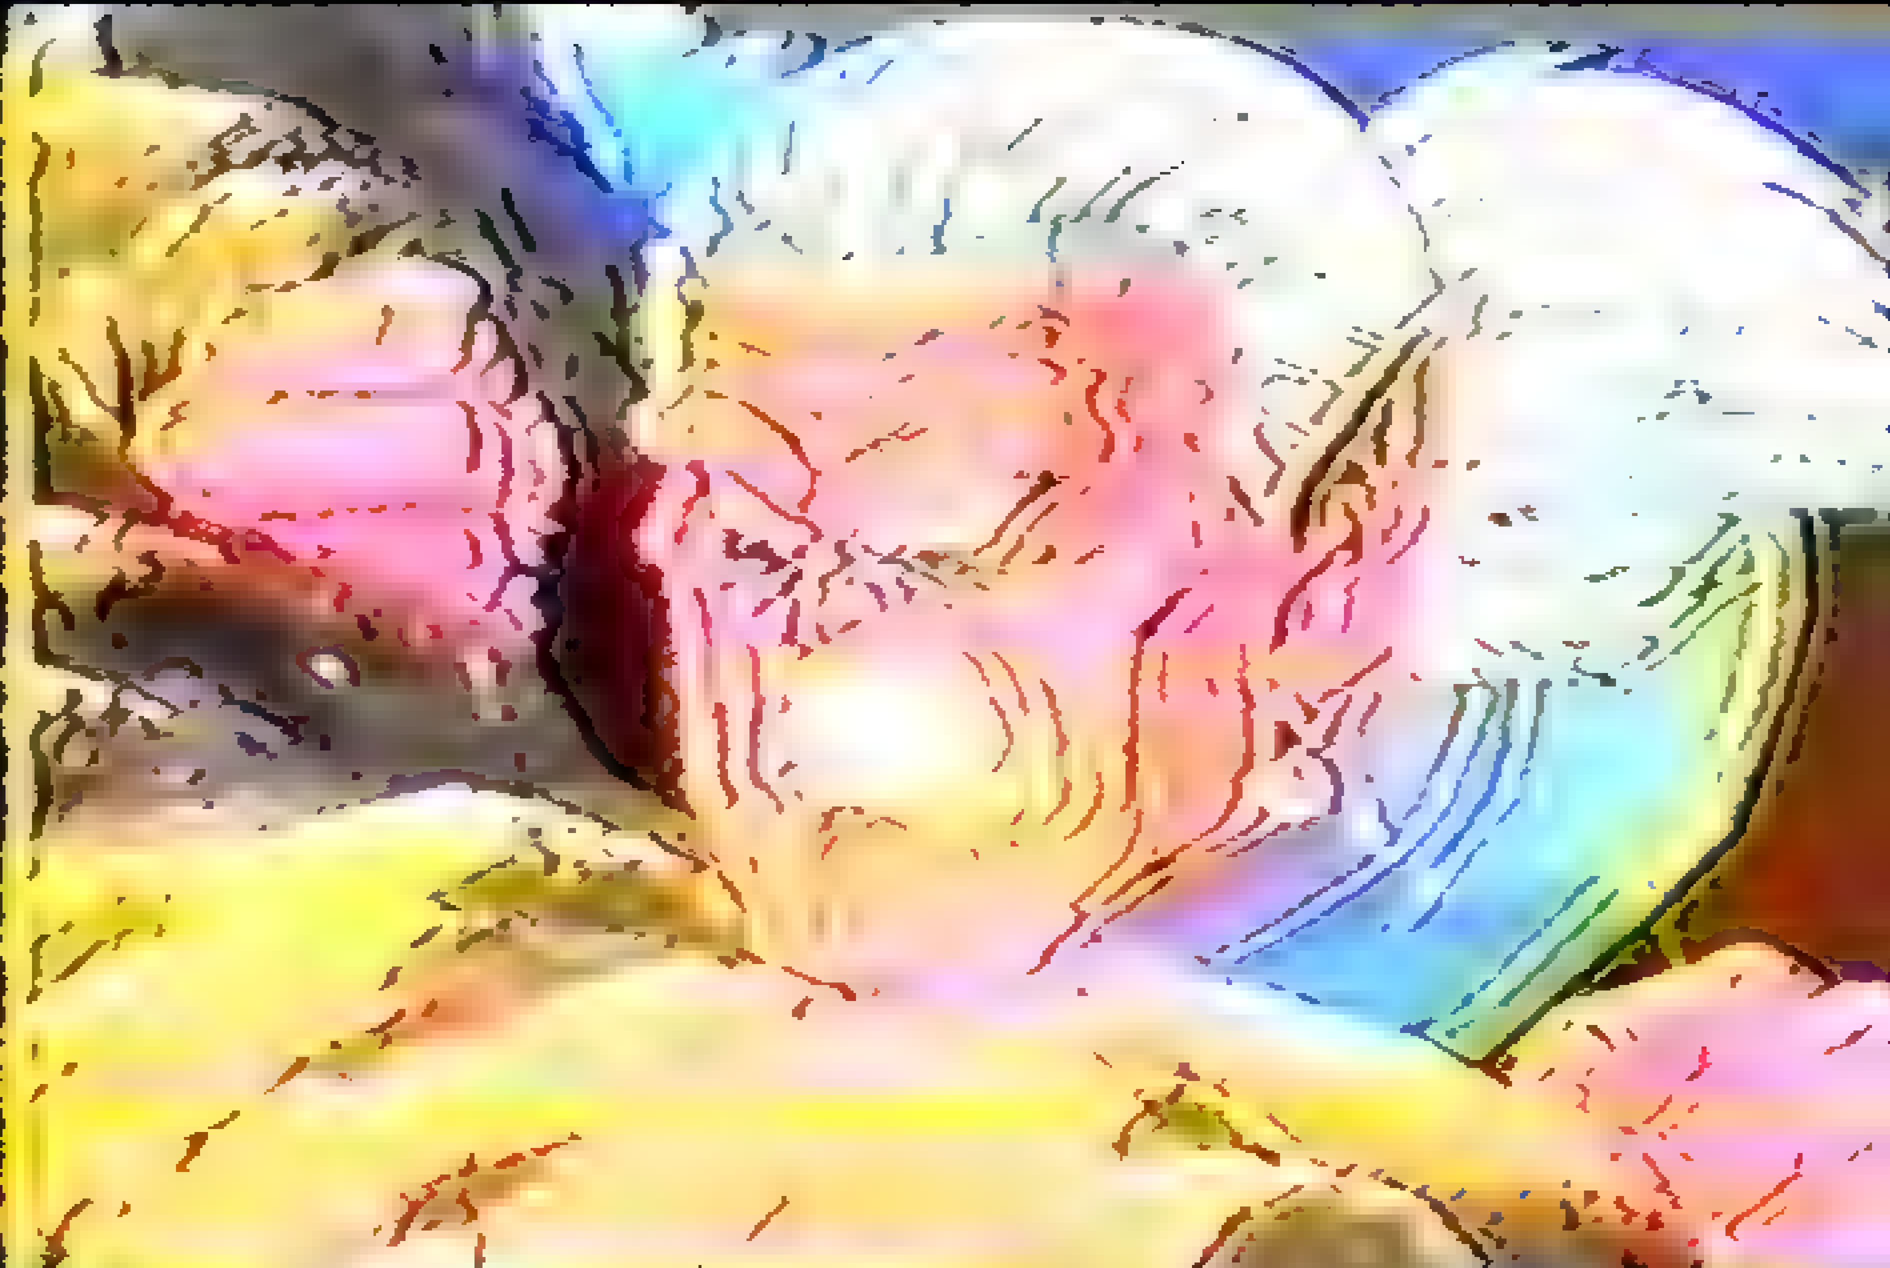

The ground around here
looks strange, it looks dug up

If we didn't know there'd be no reason to hide

If he didn't know there'd be no reason to hide

Let's hurry up and attack!

They're going to use the energy they
stole from Gohan to bring back Majin Buu!

They're going to use the energy they

Don't worry, they'll resurrect Majin Buu on
the surface so that he won't destroy the ship.

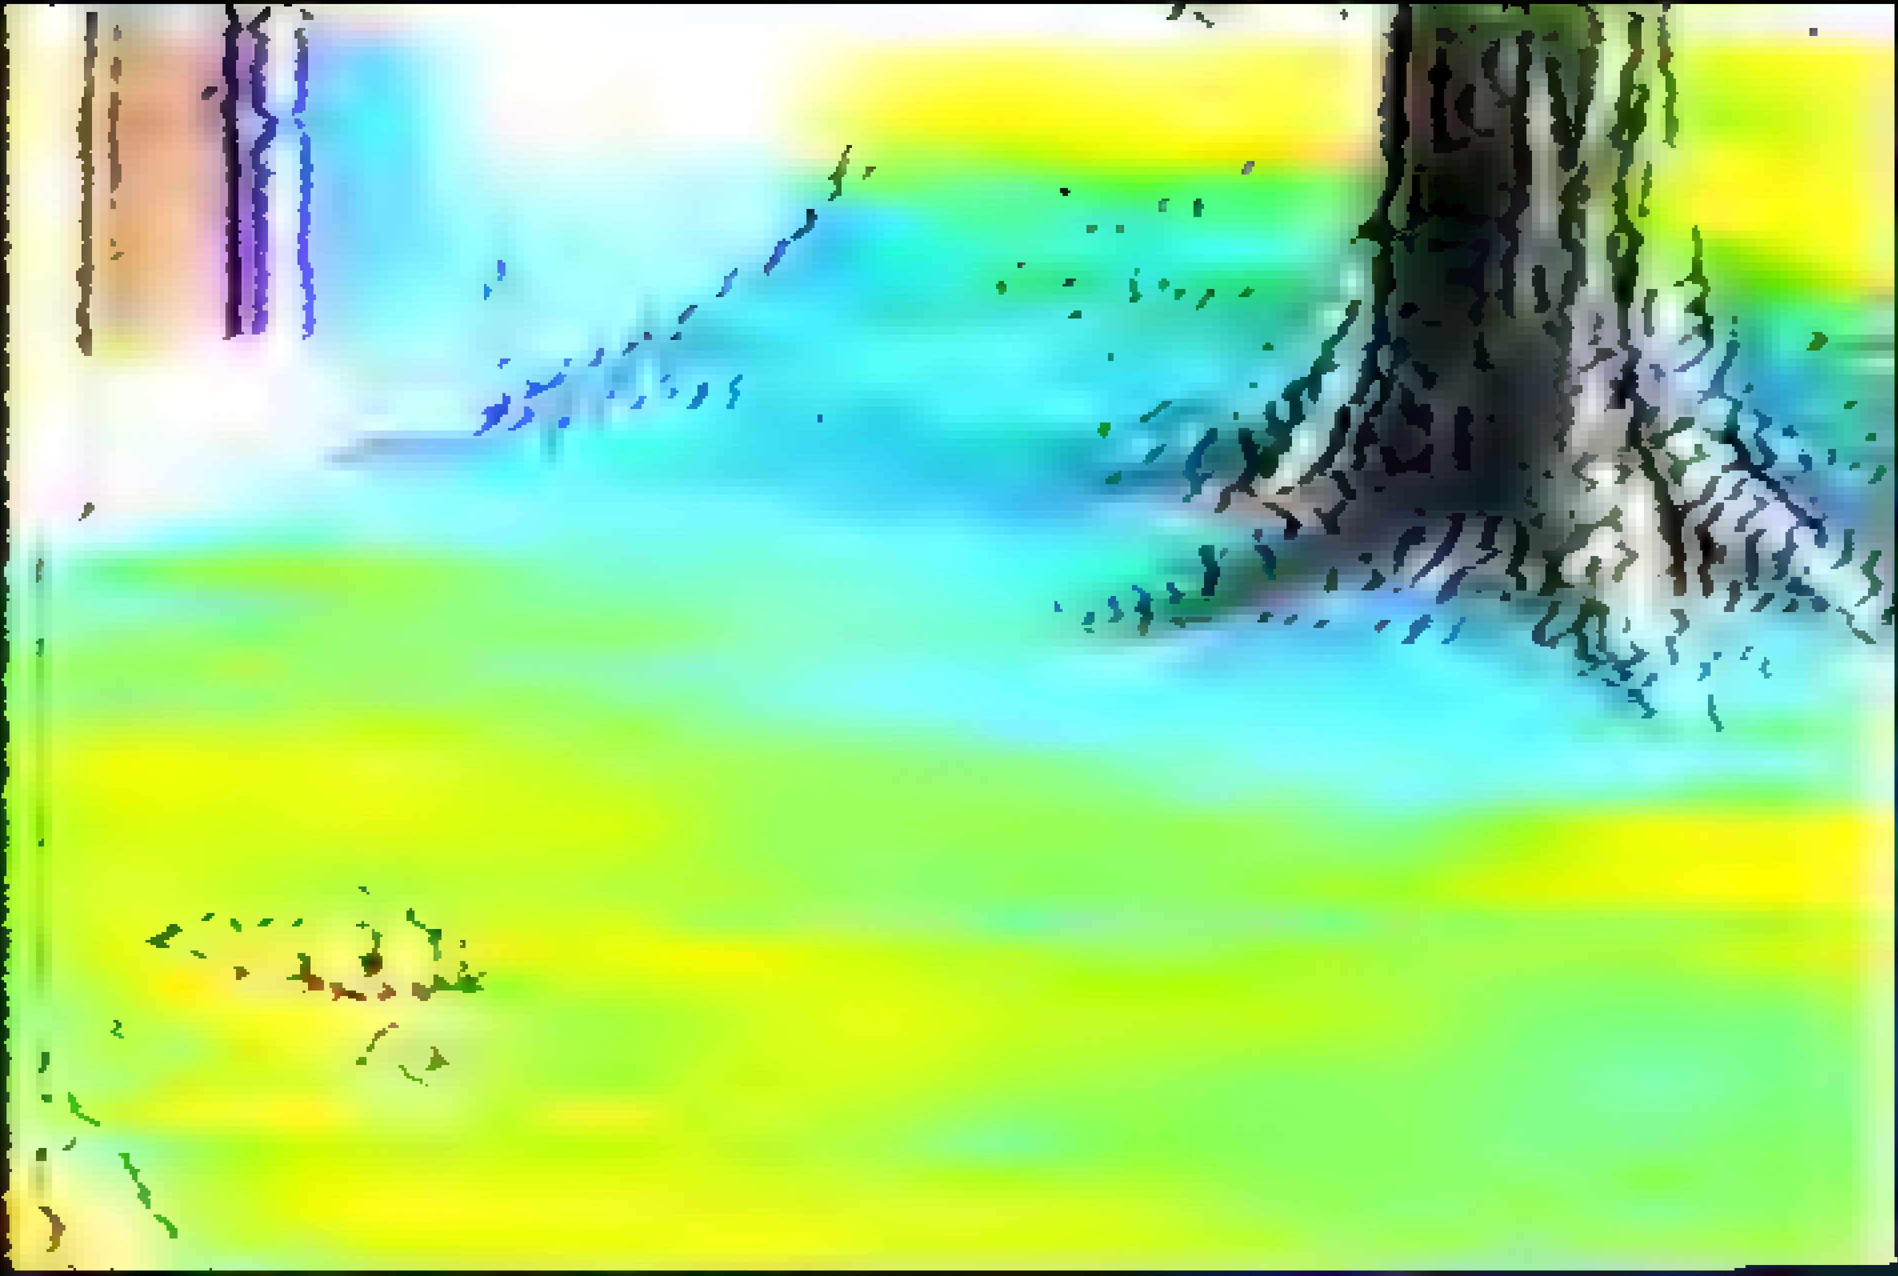

Let's watch a little more,
and wait for our chance

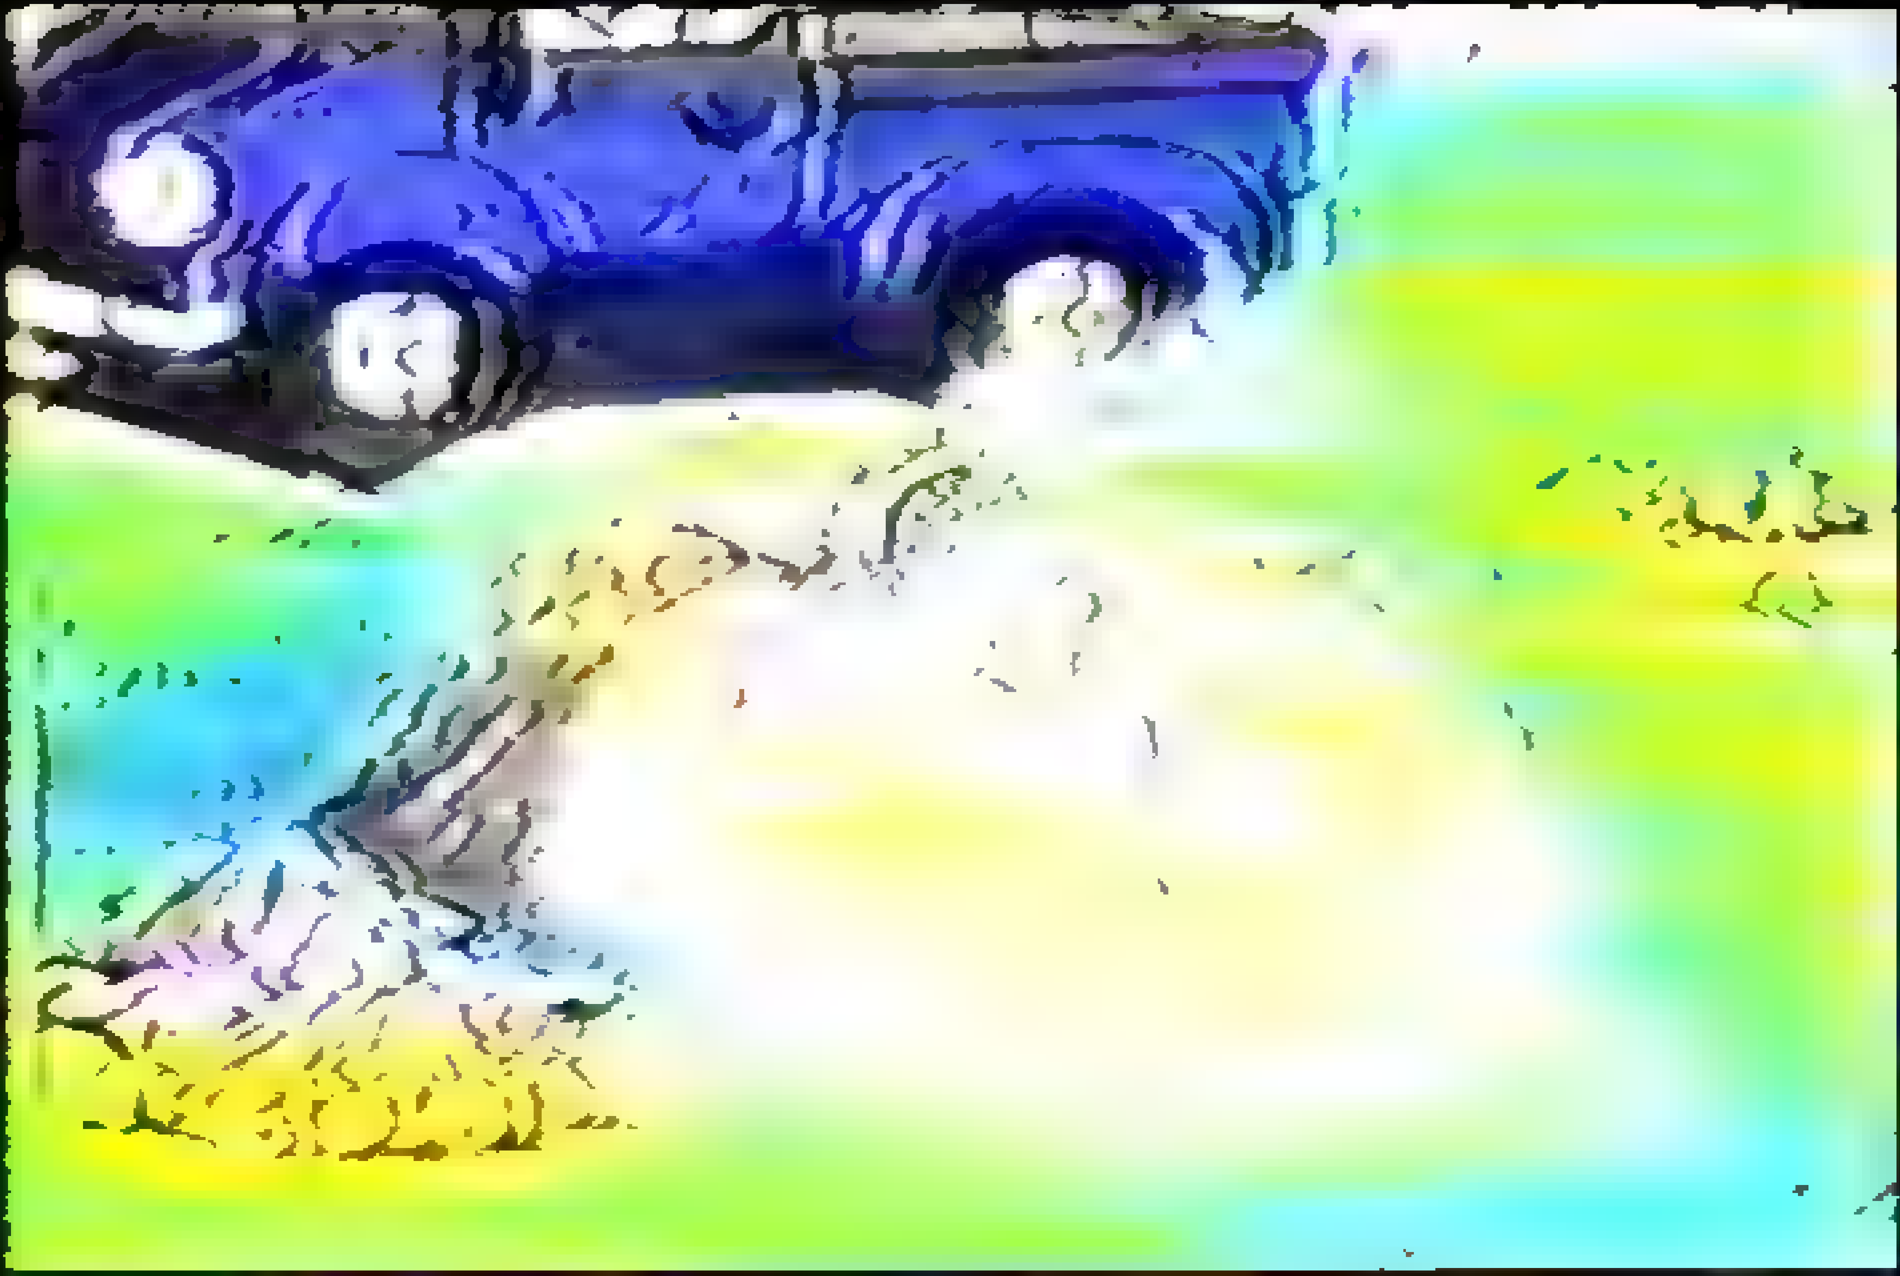

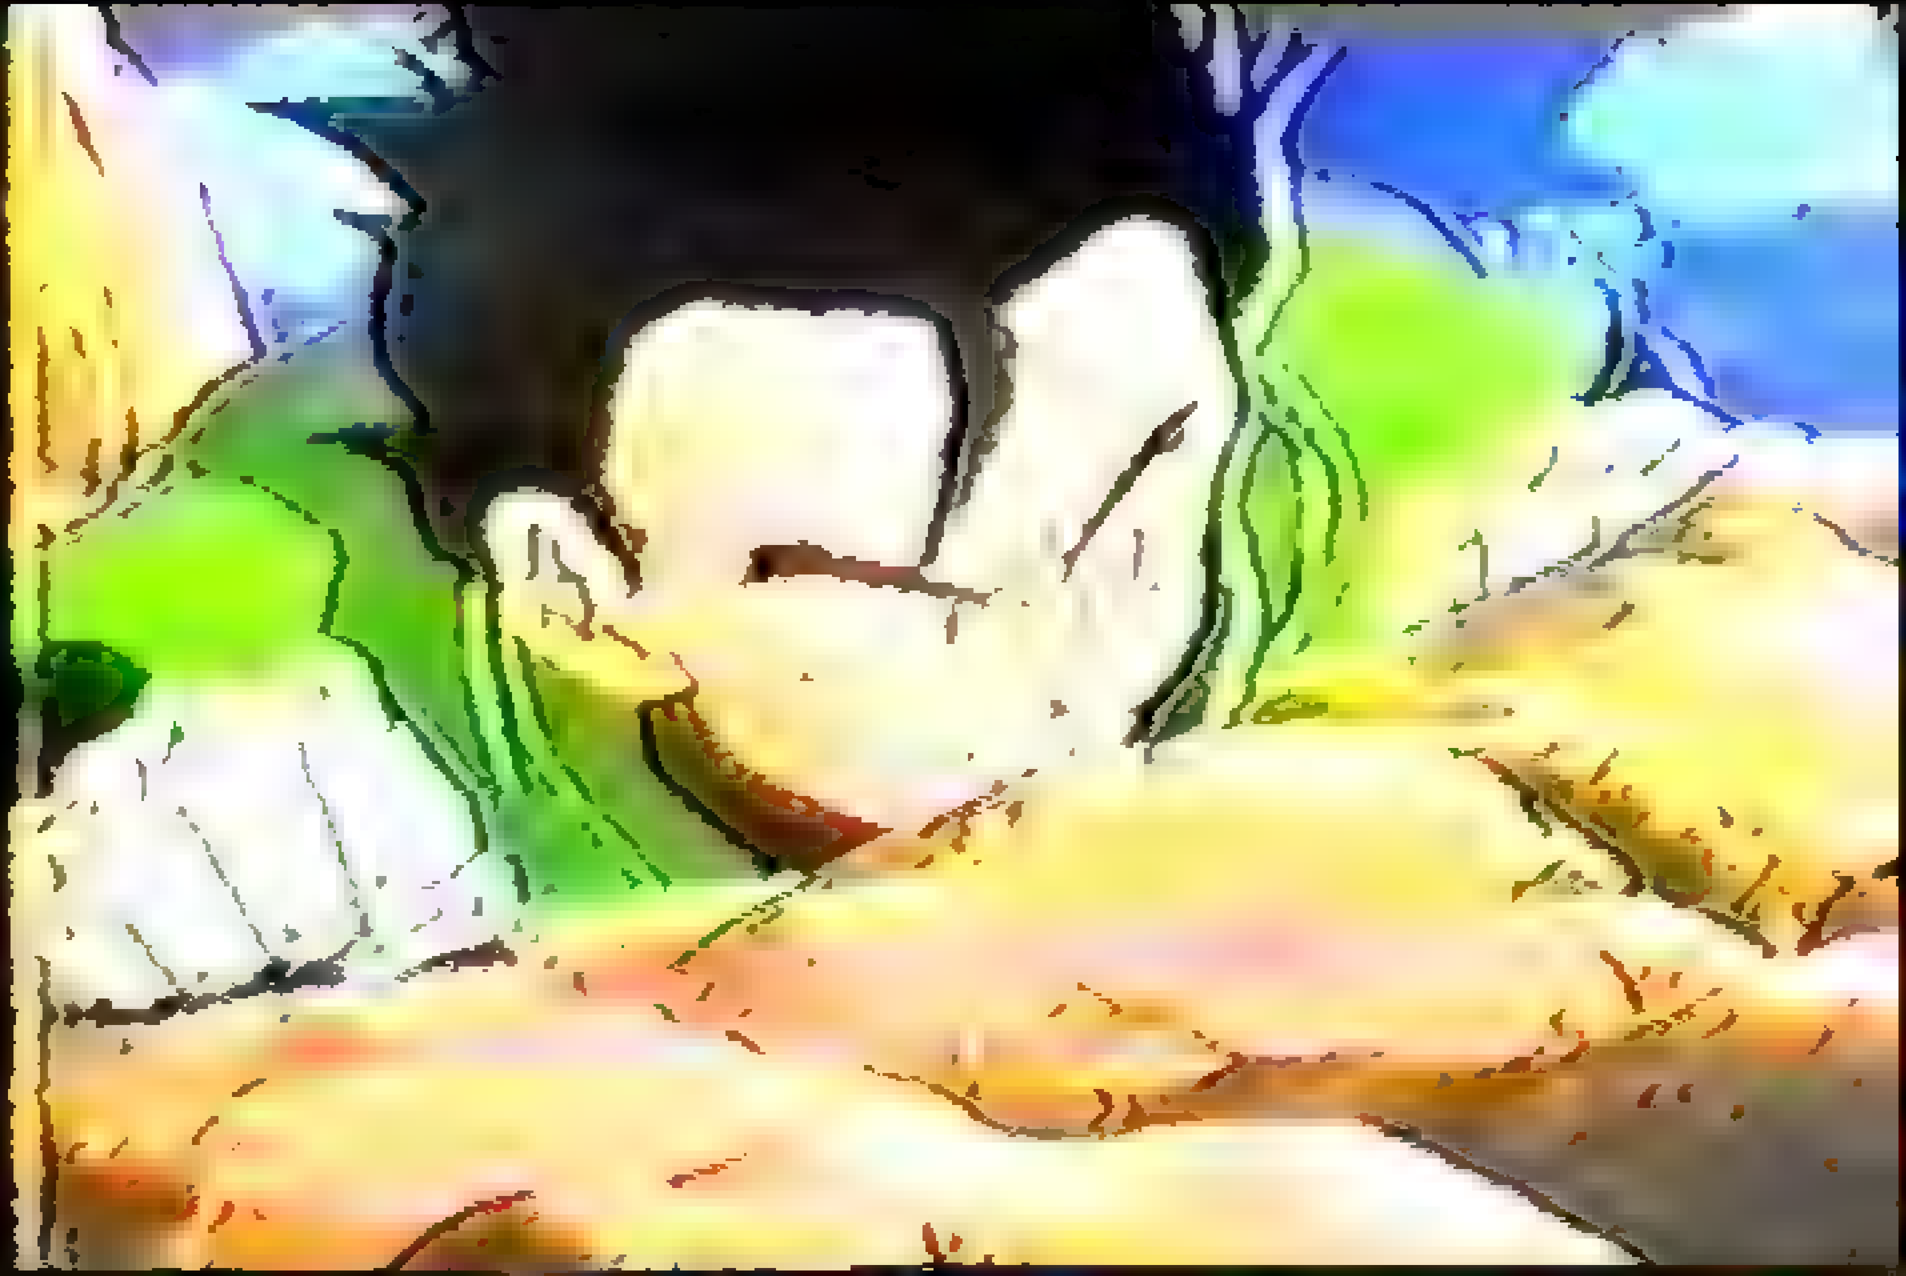

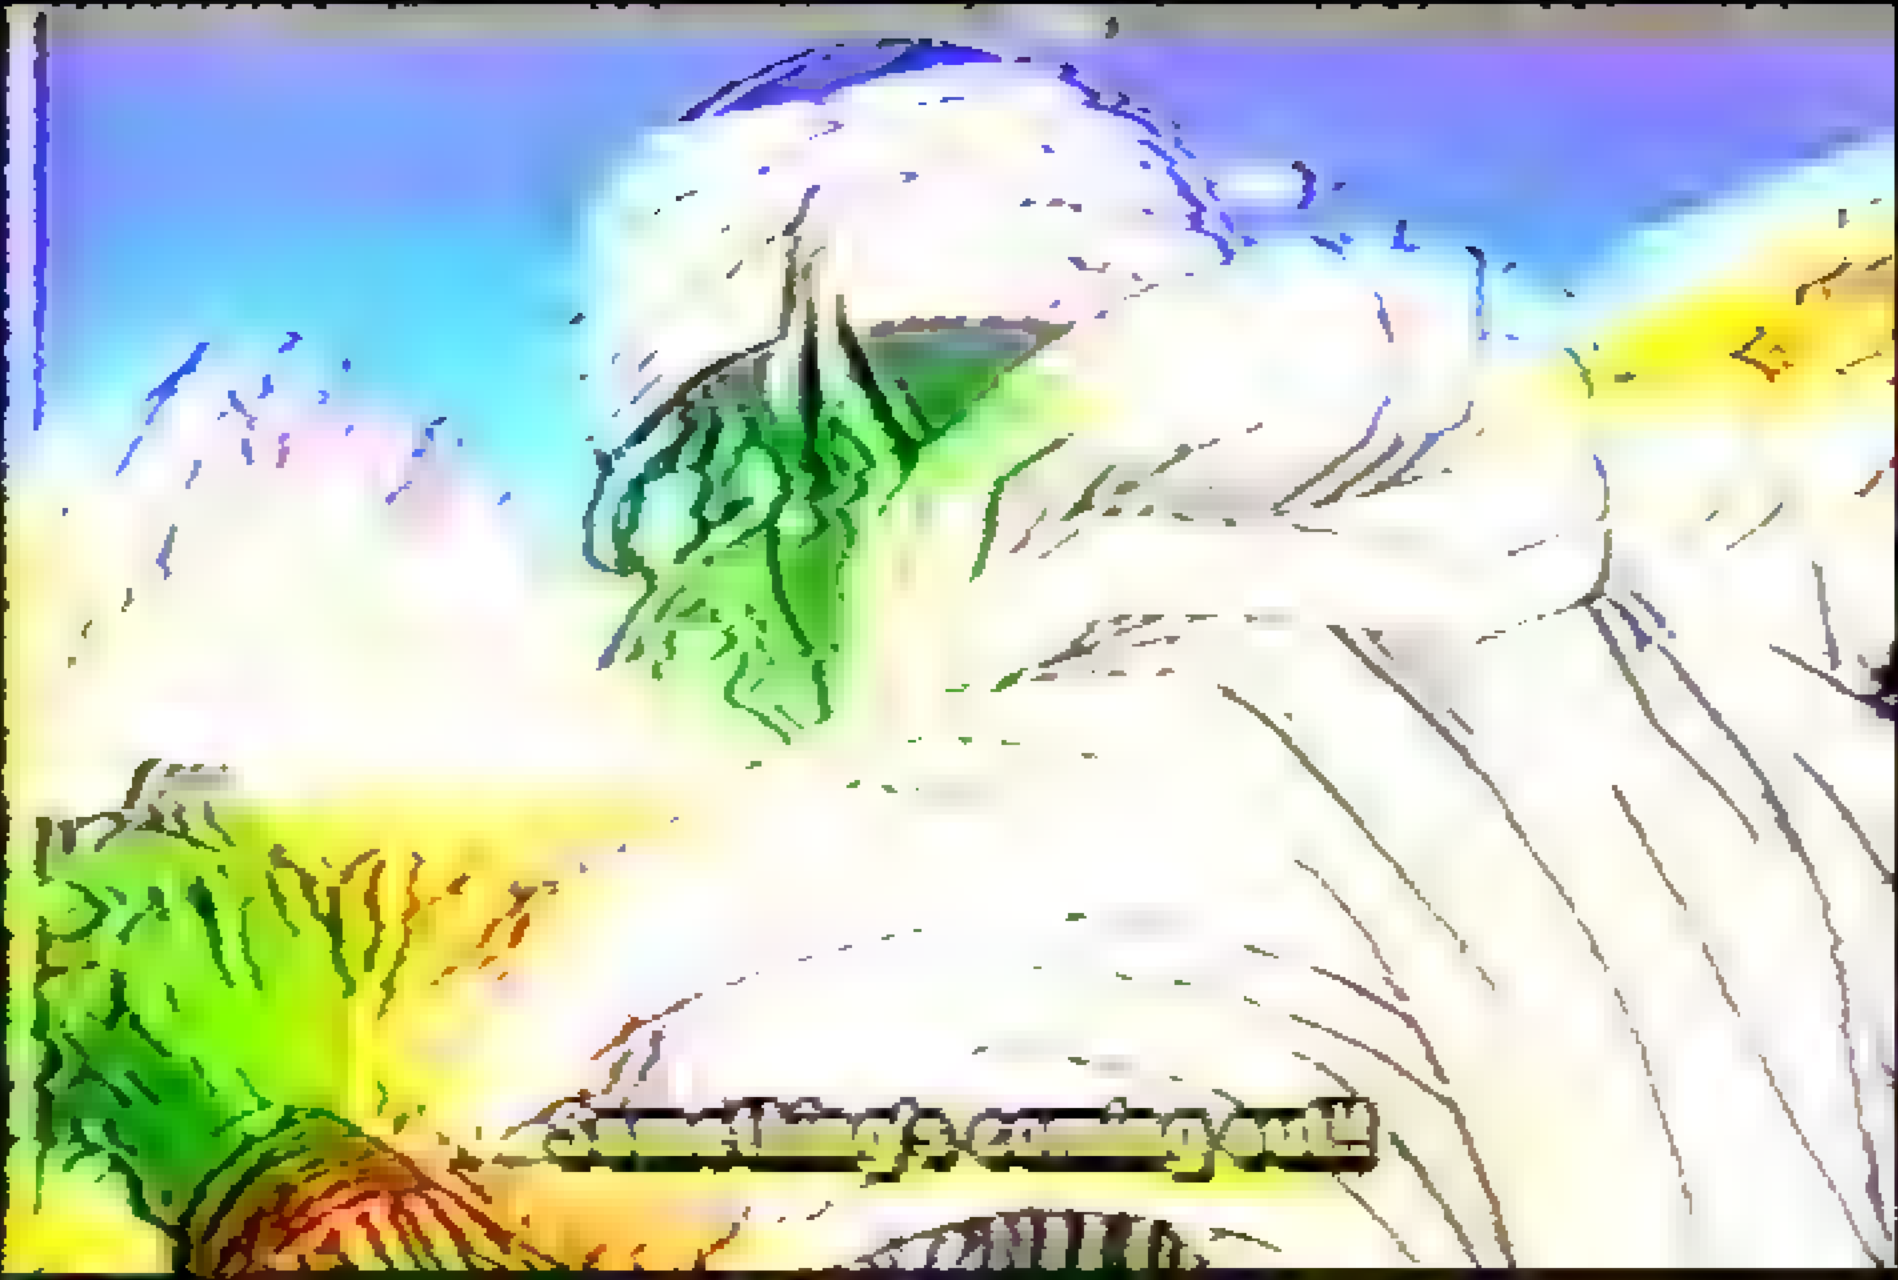

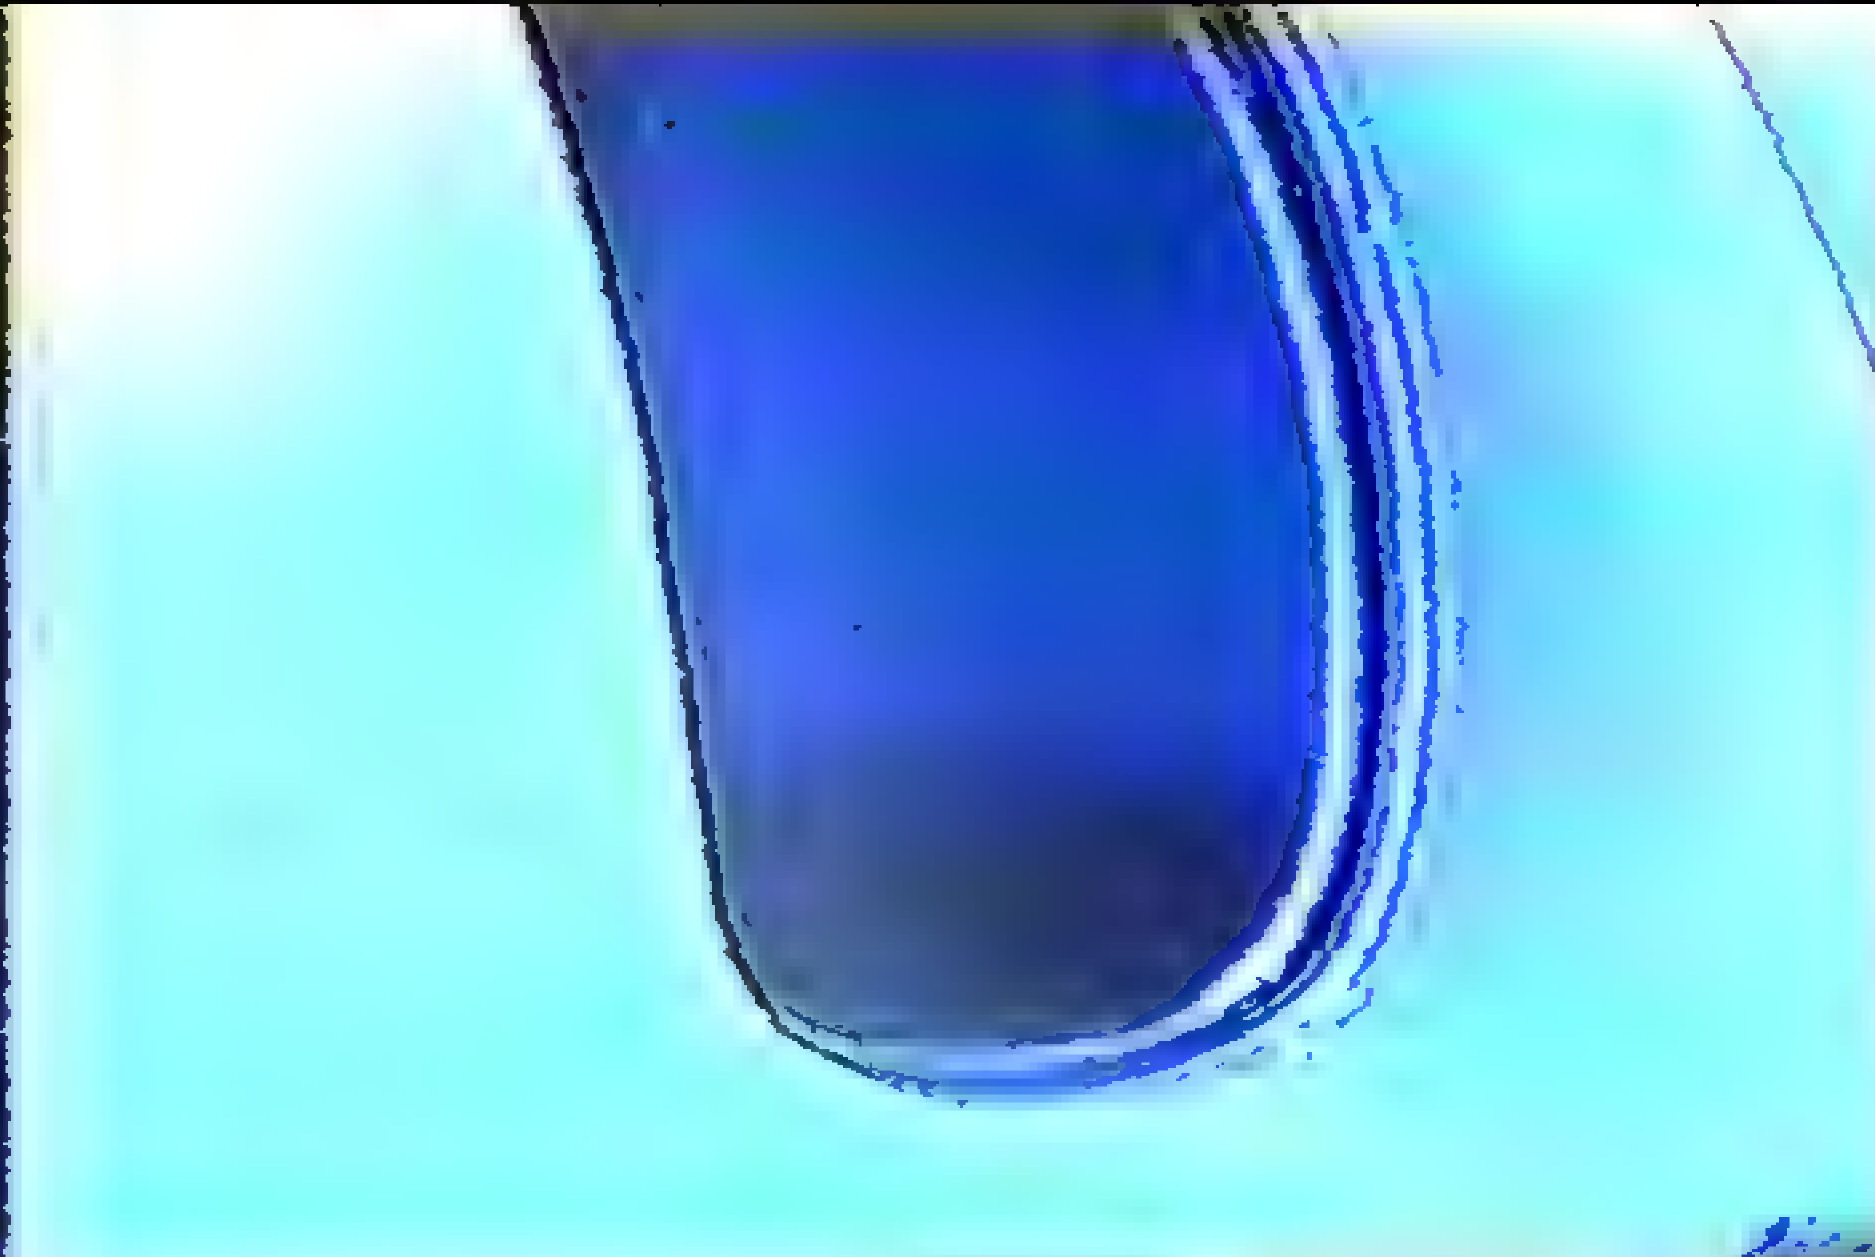

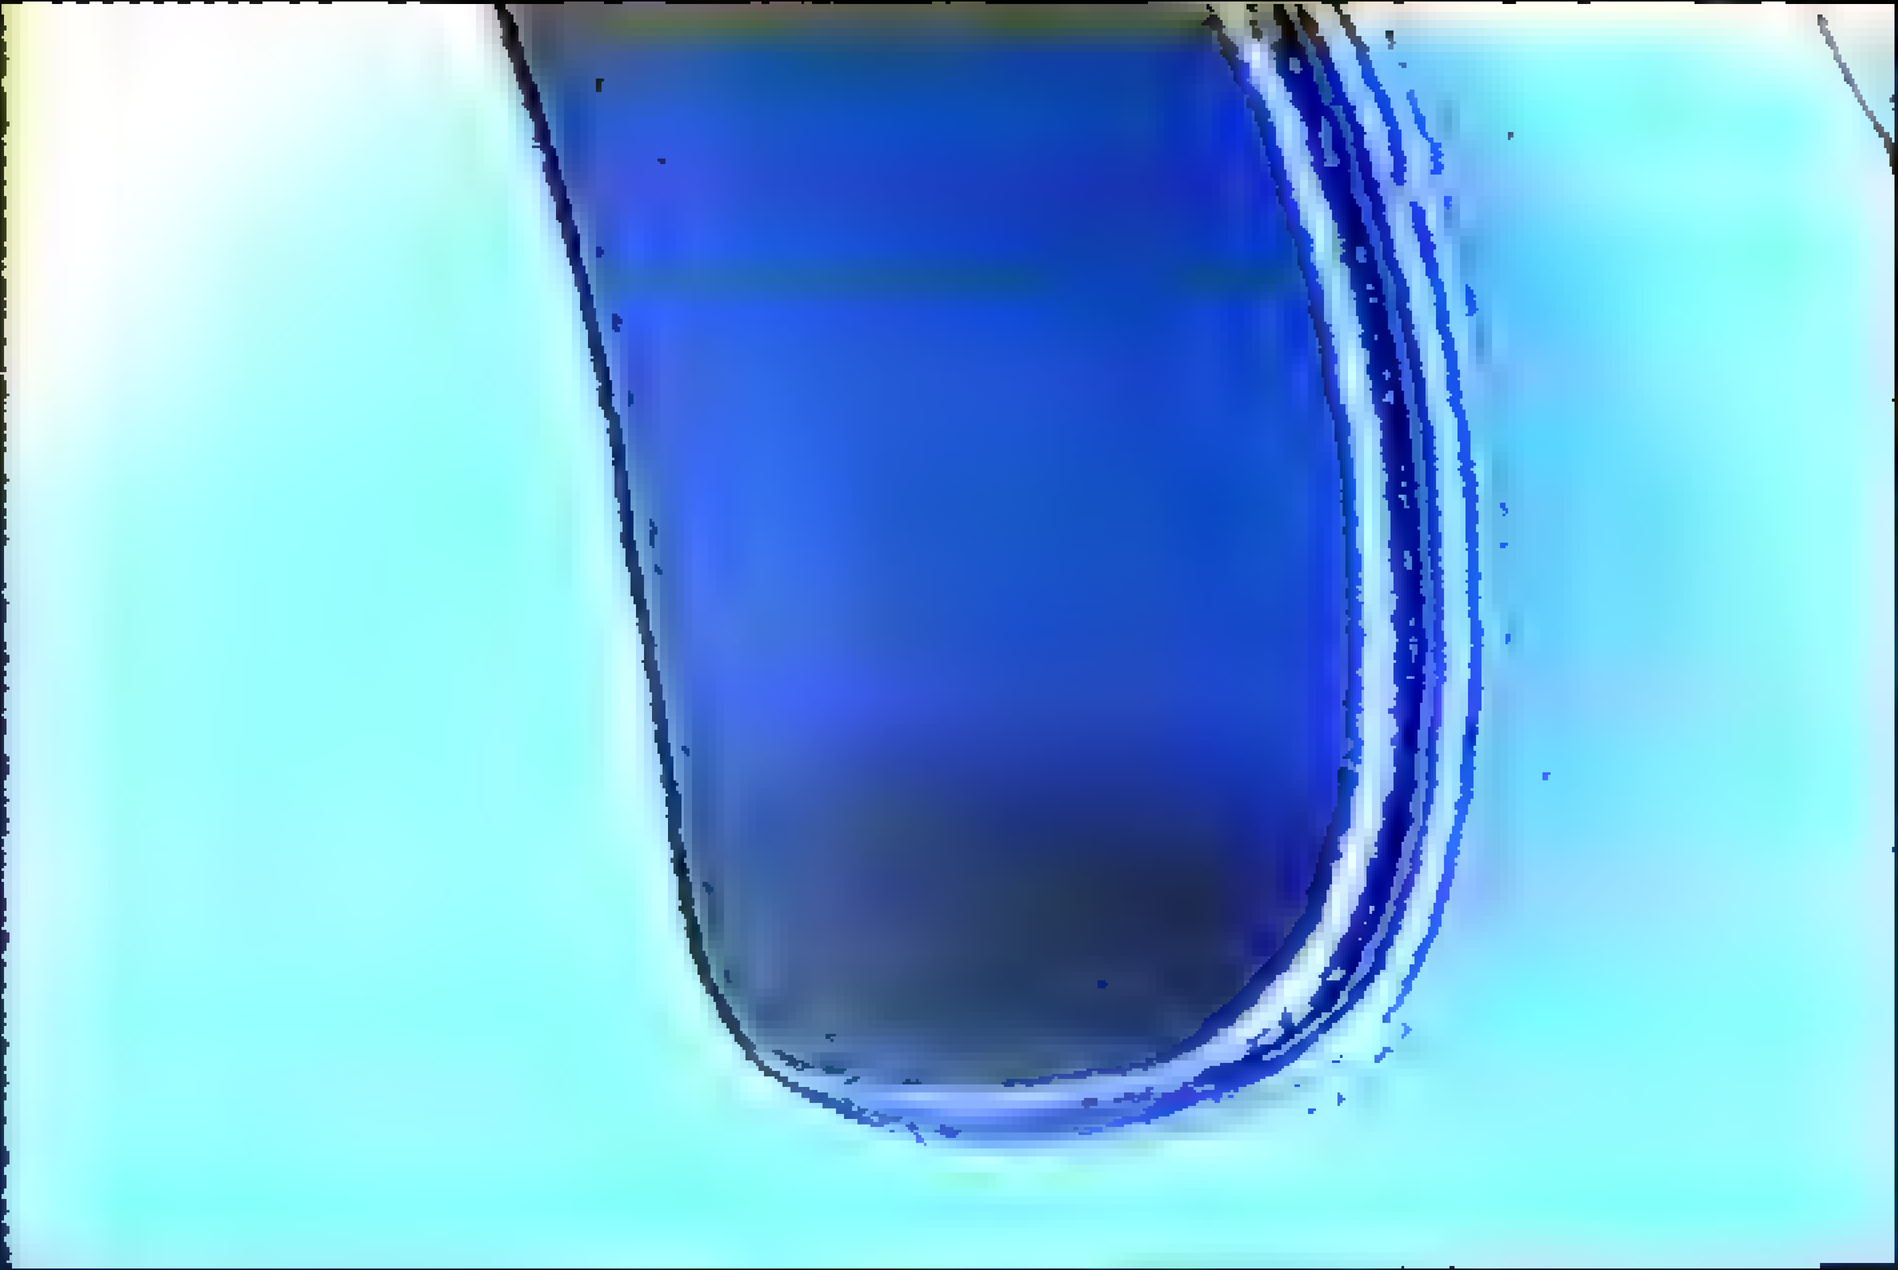

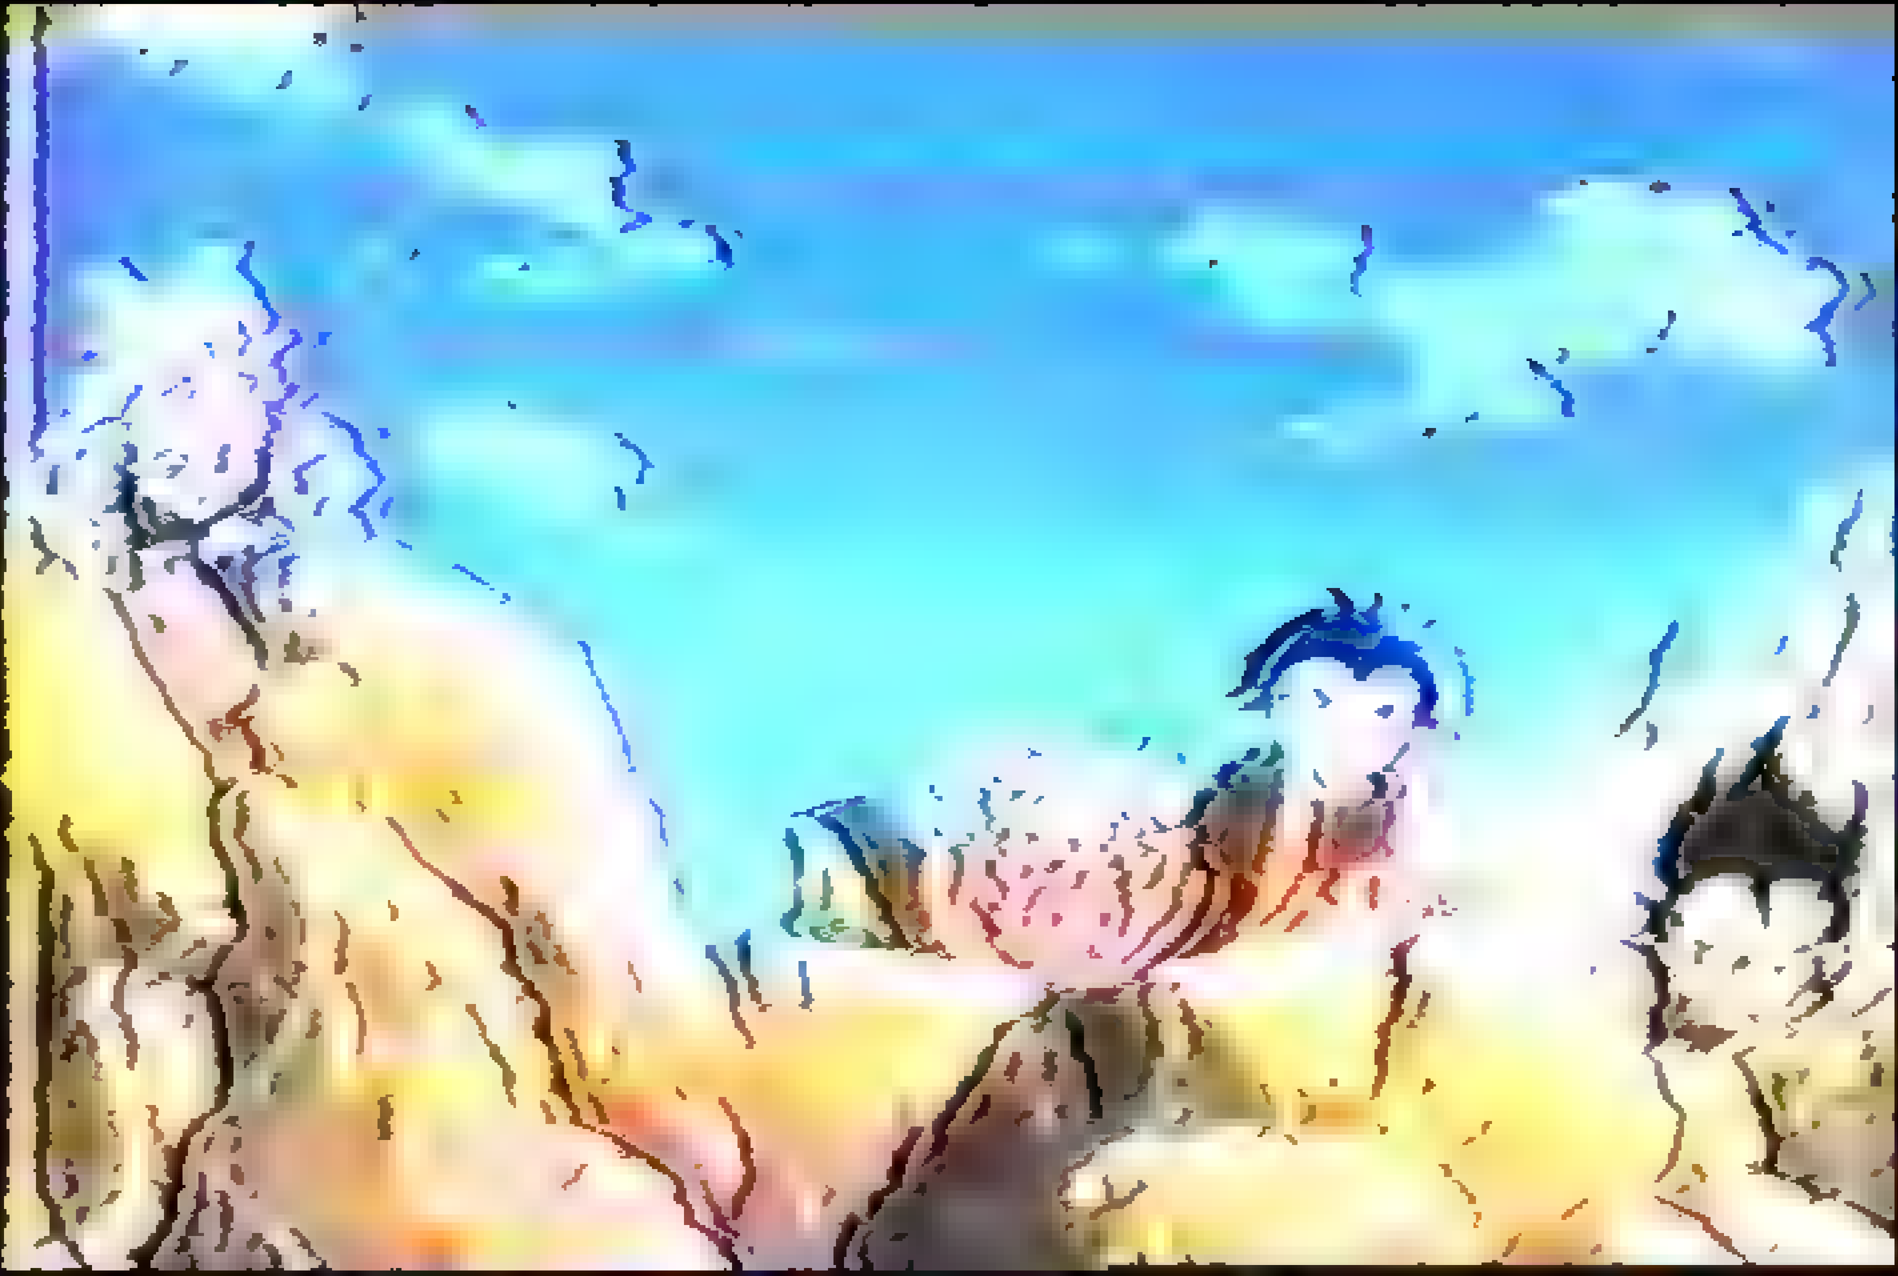

Something's coming out!

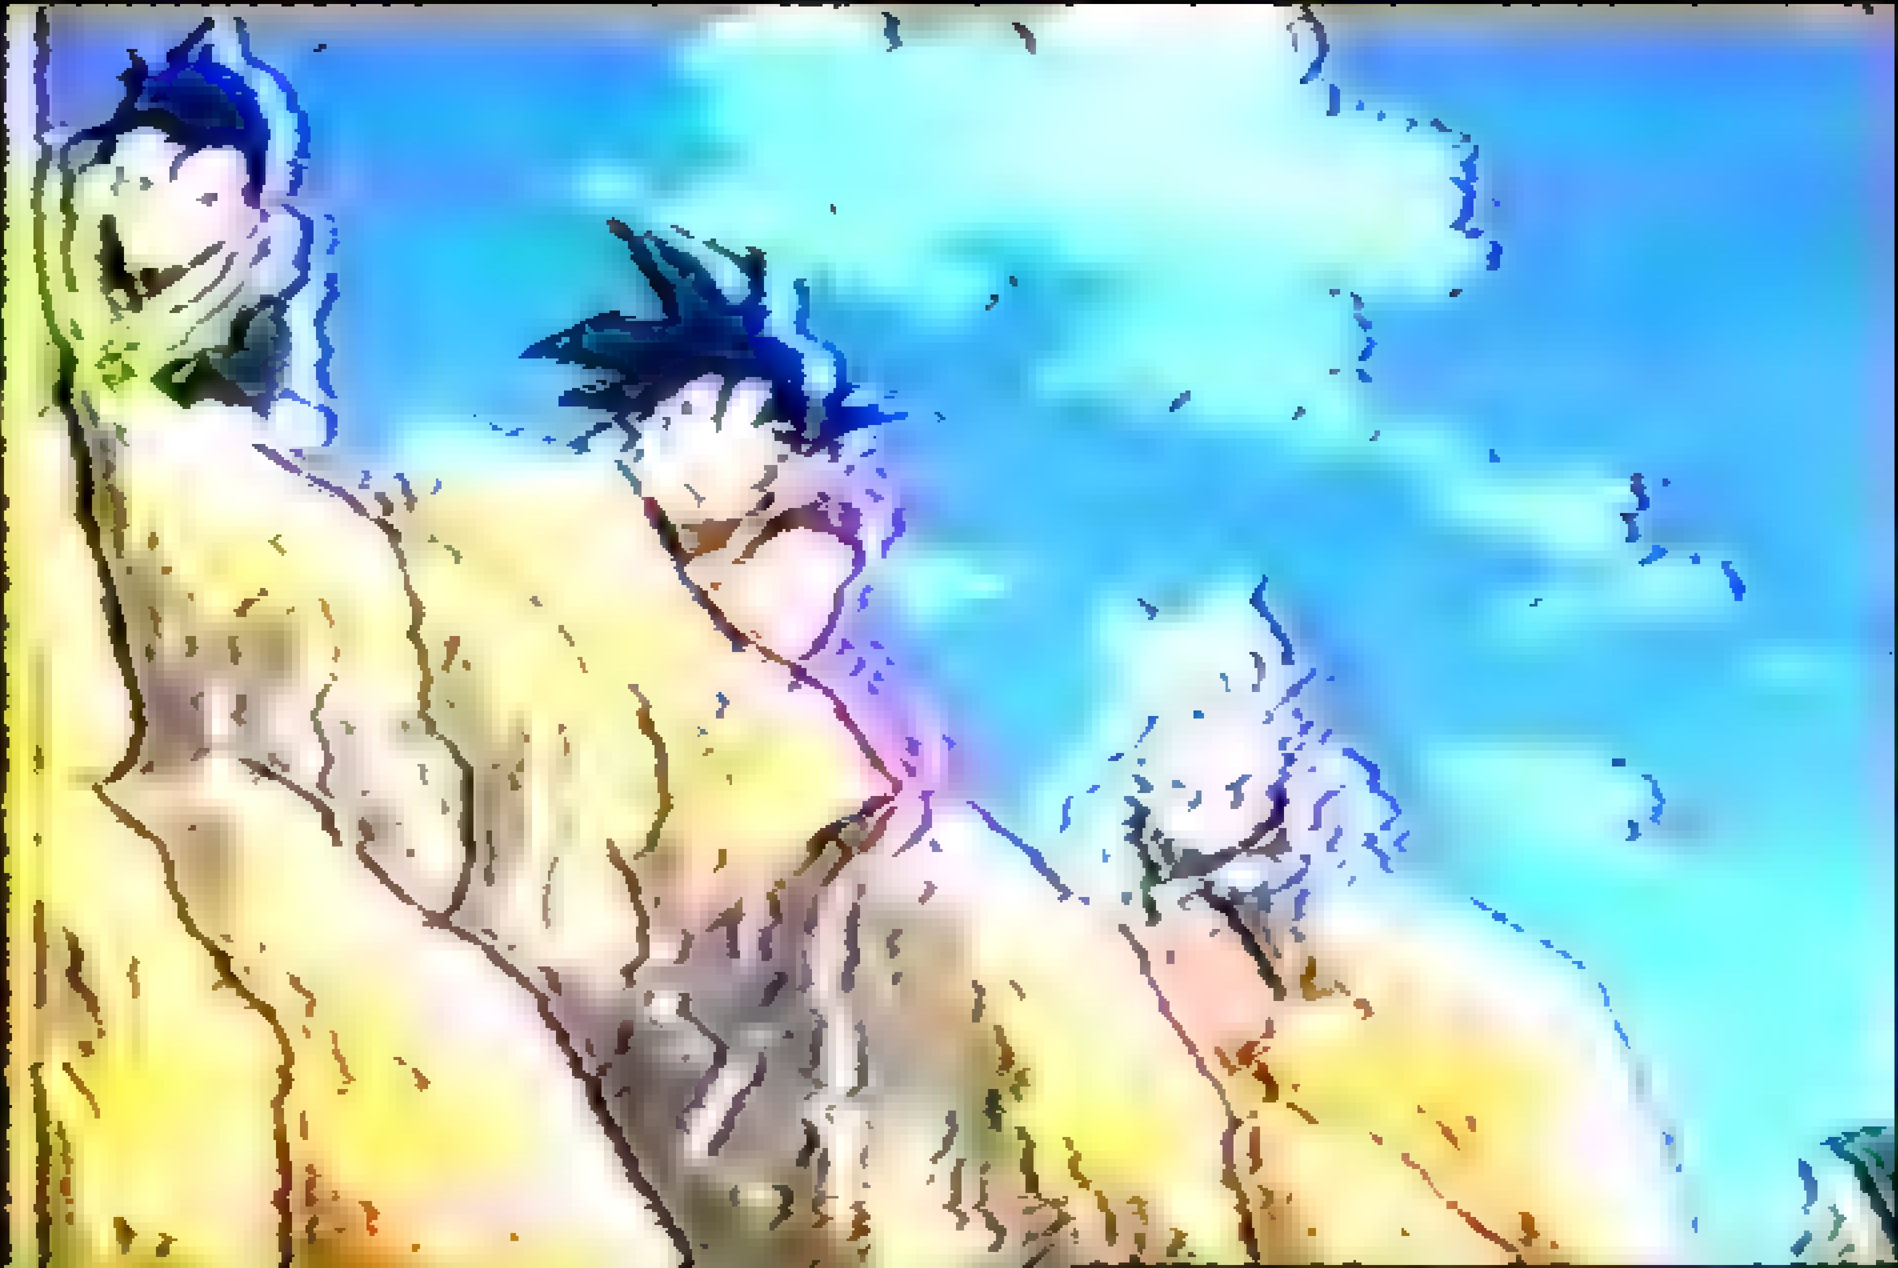

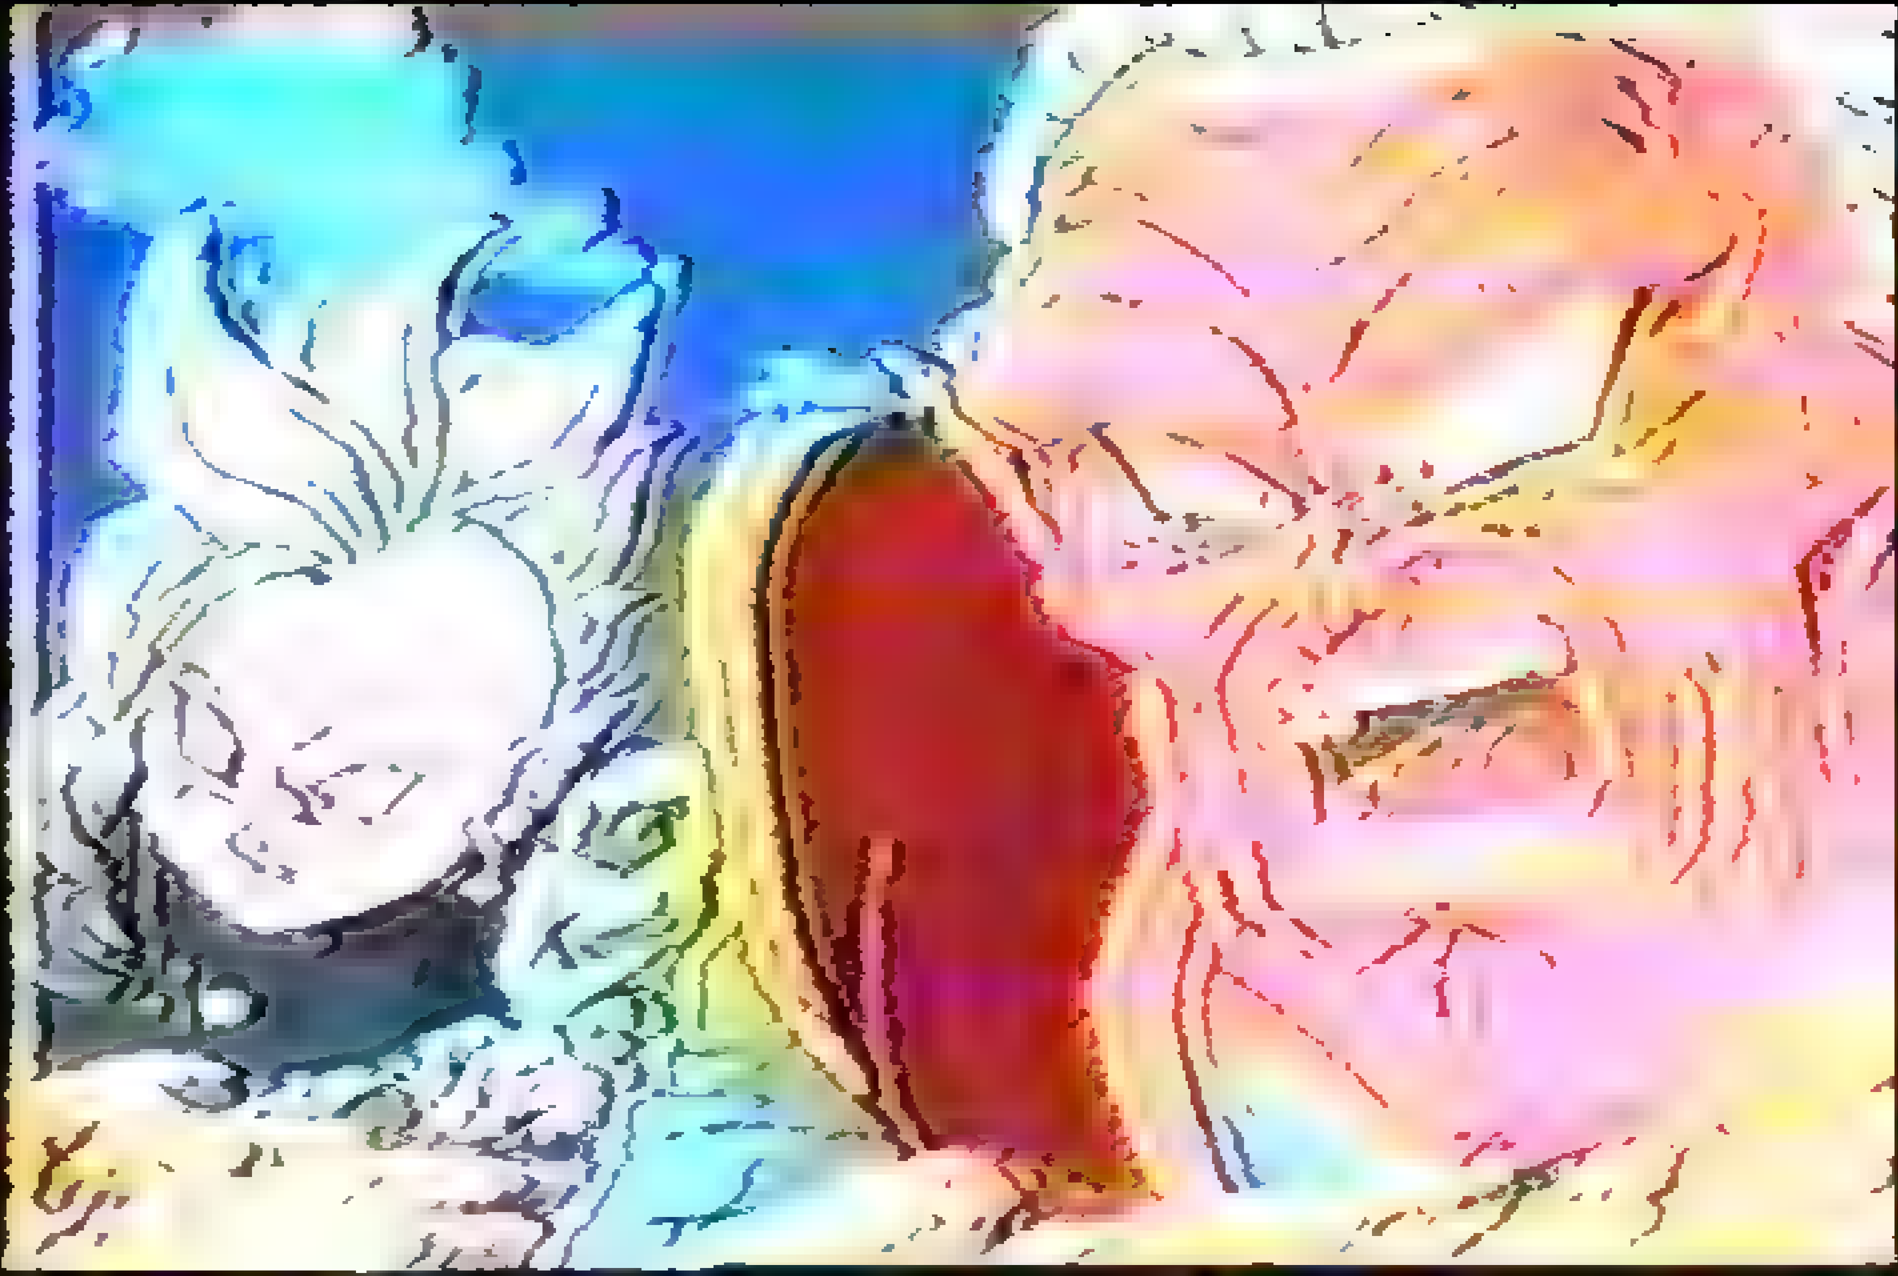

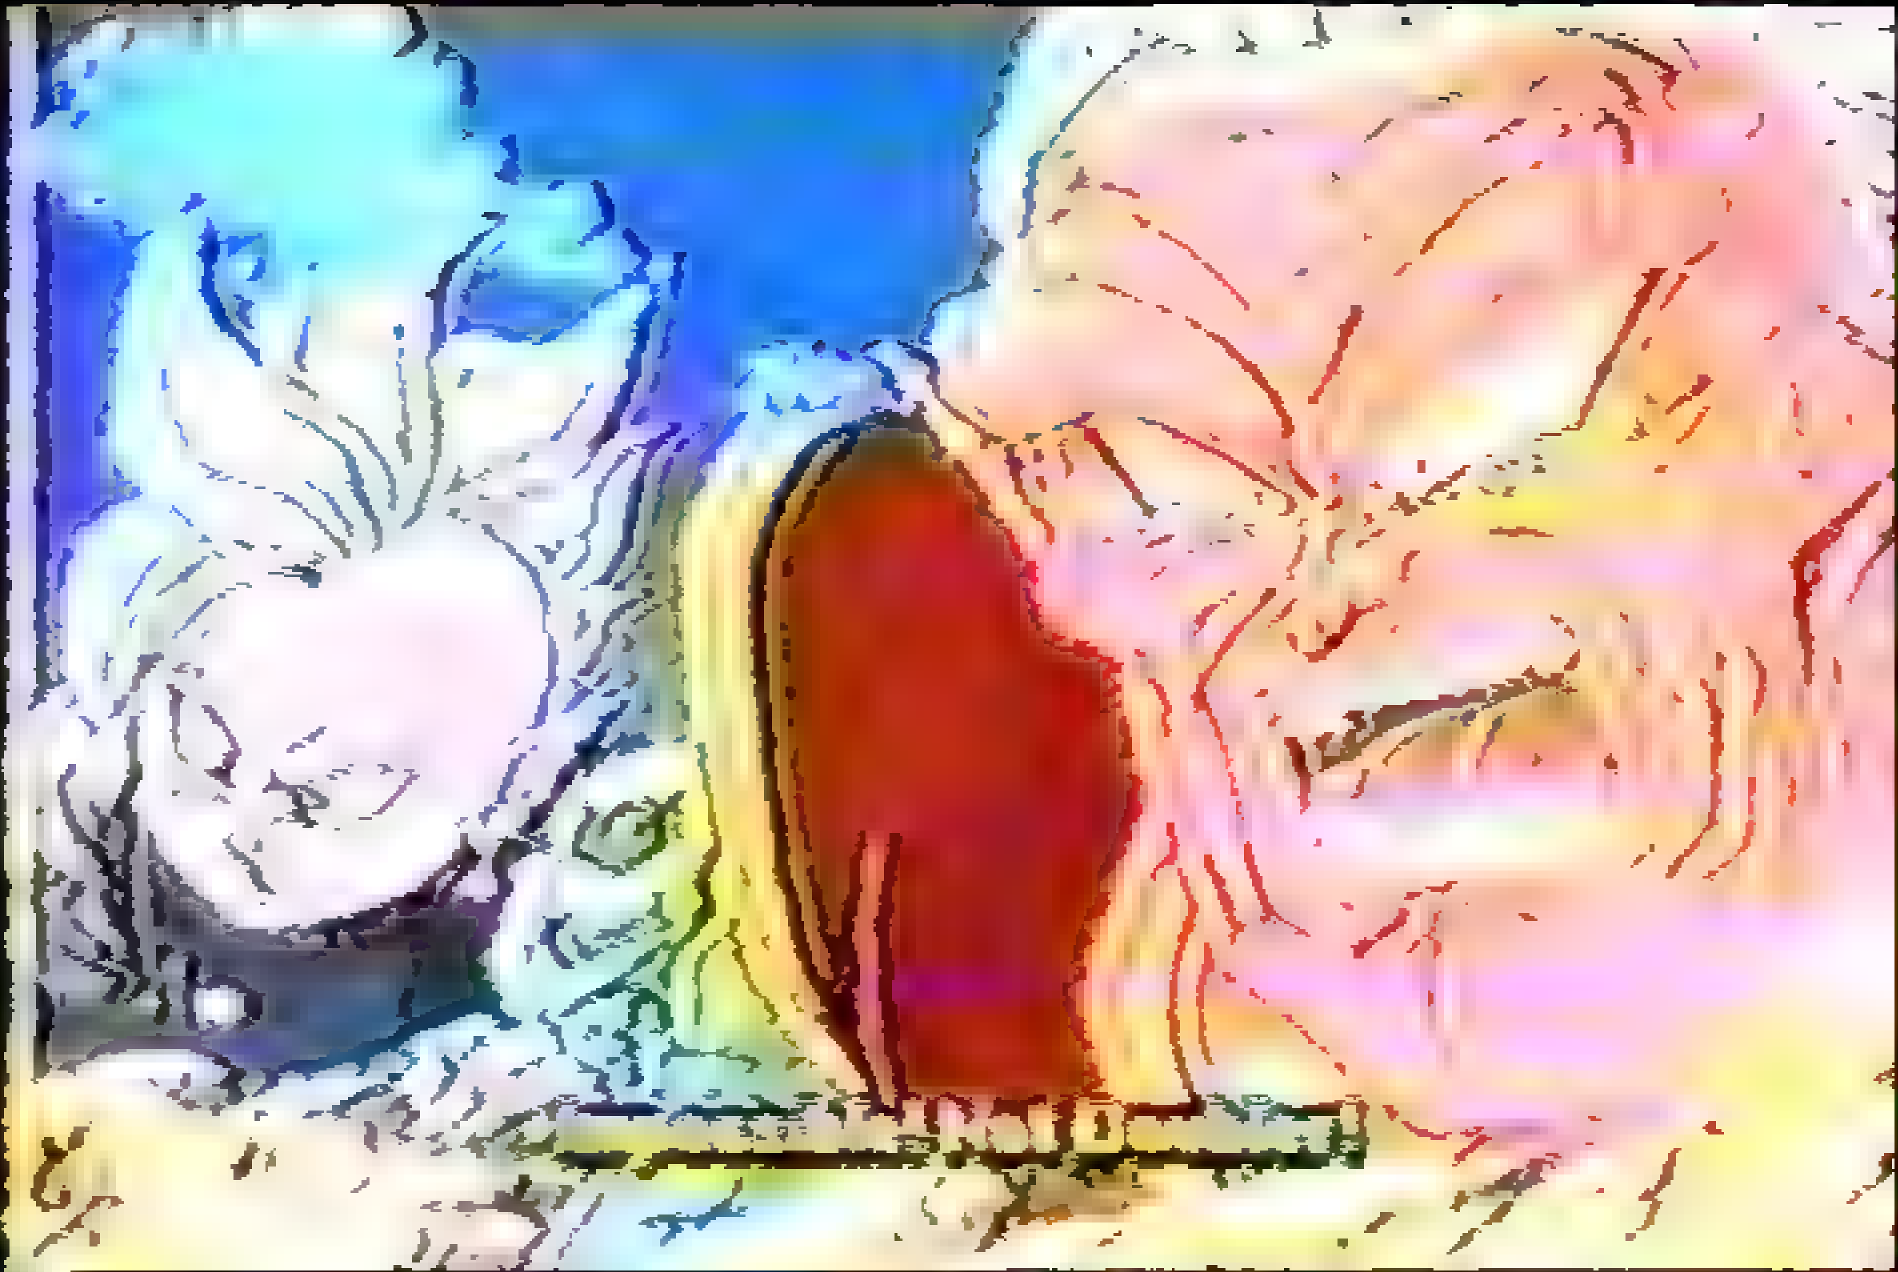

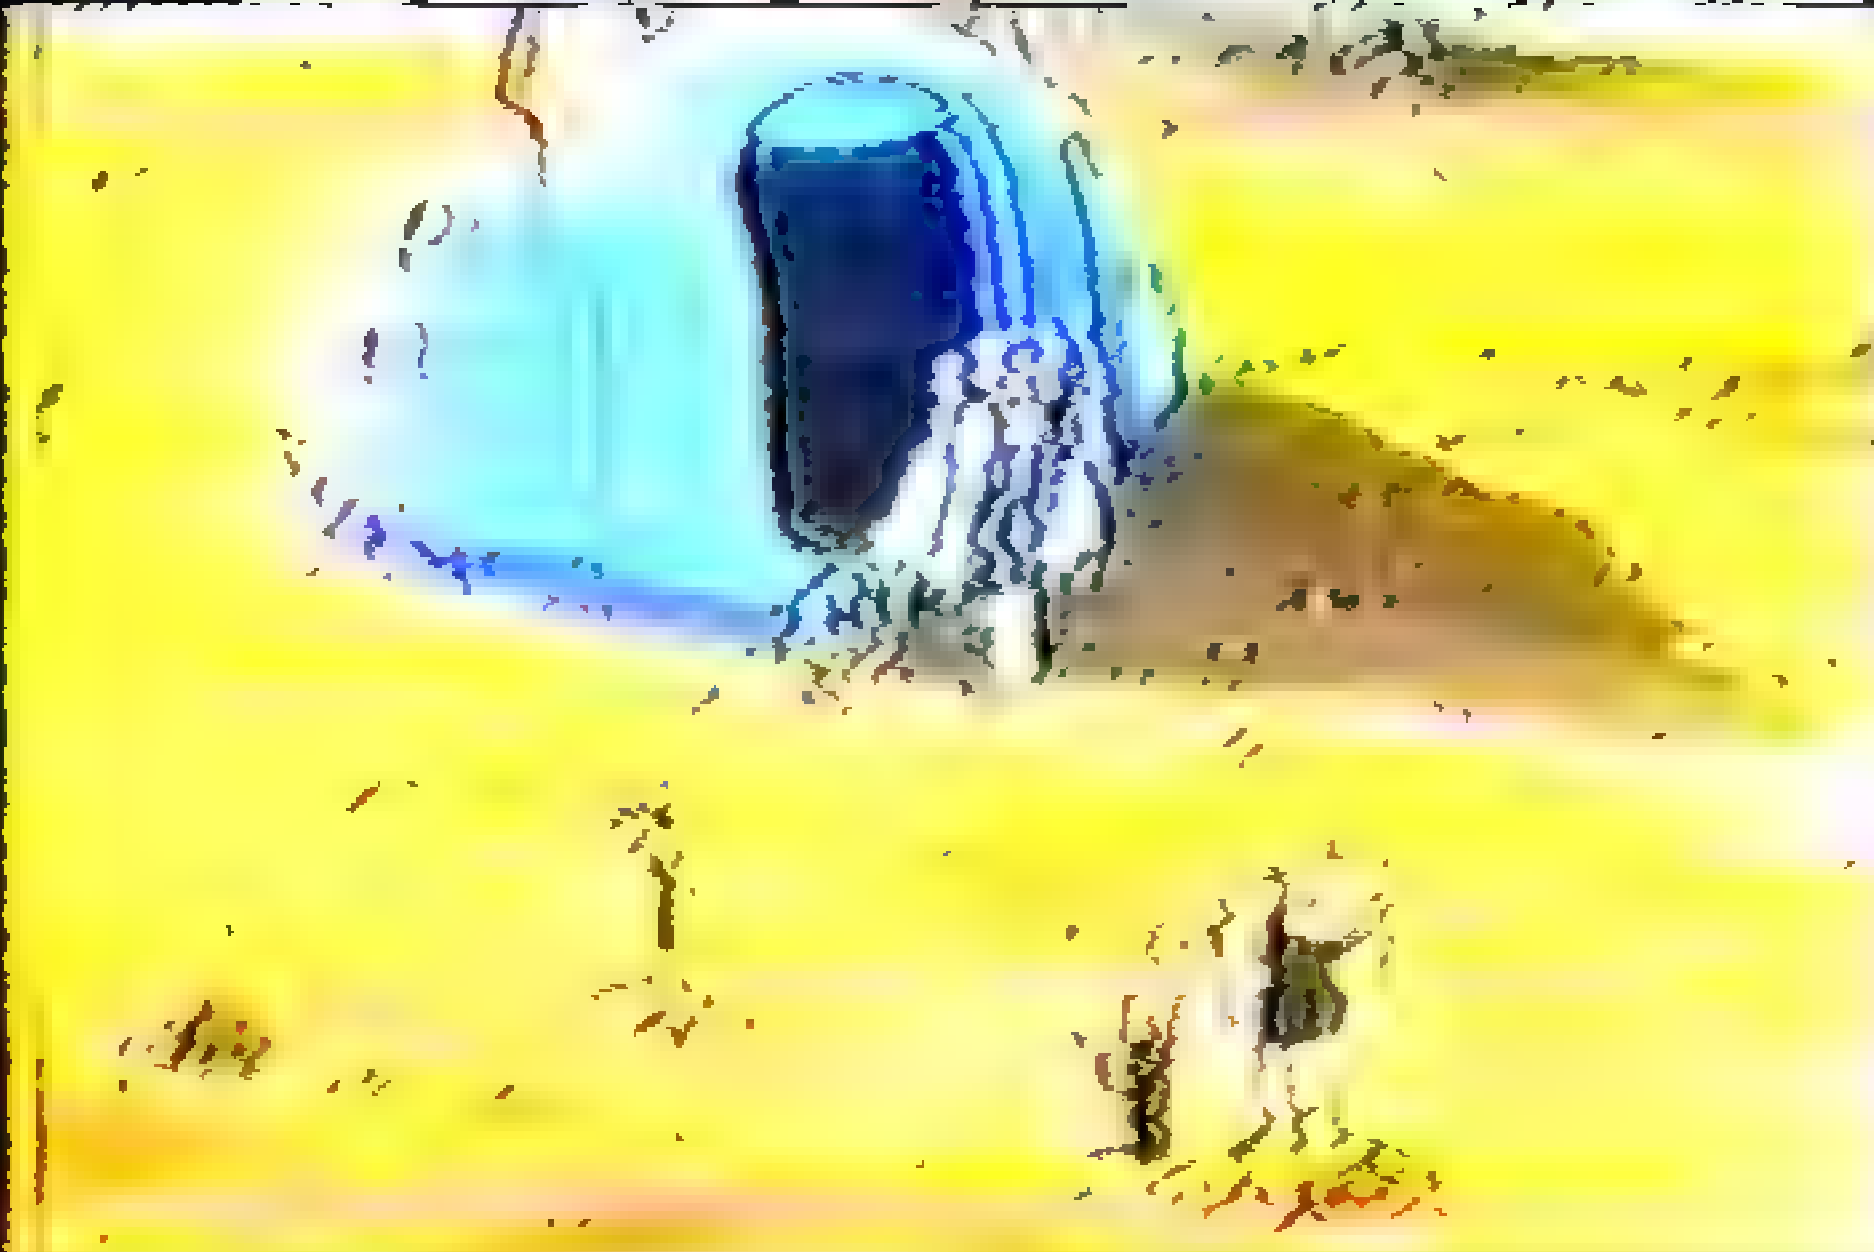

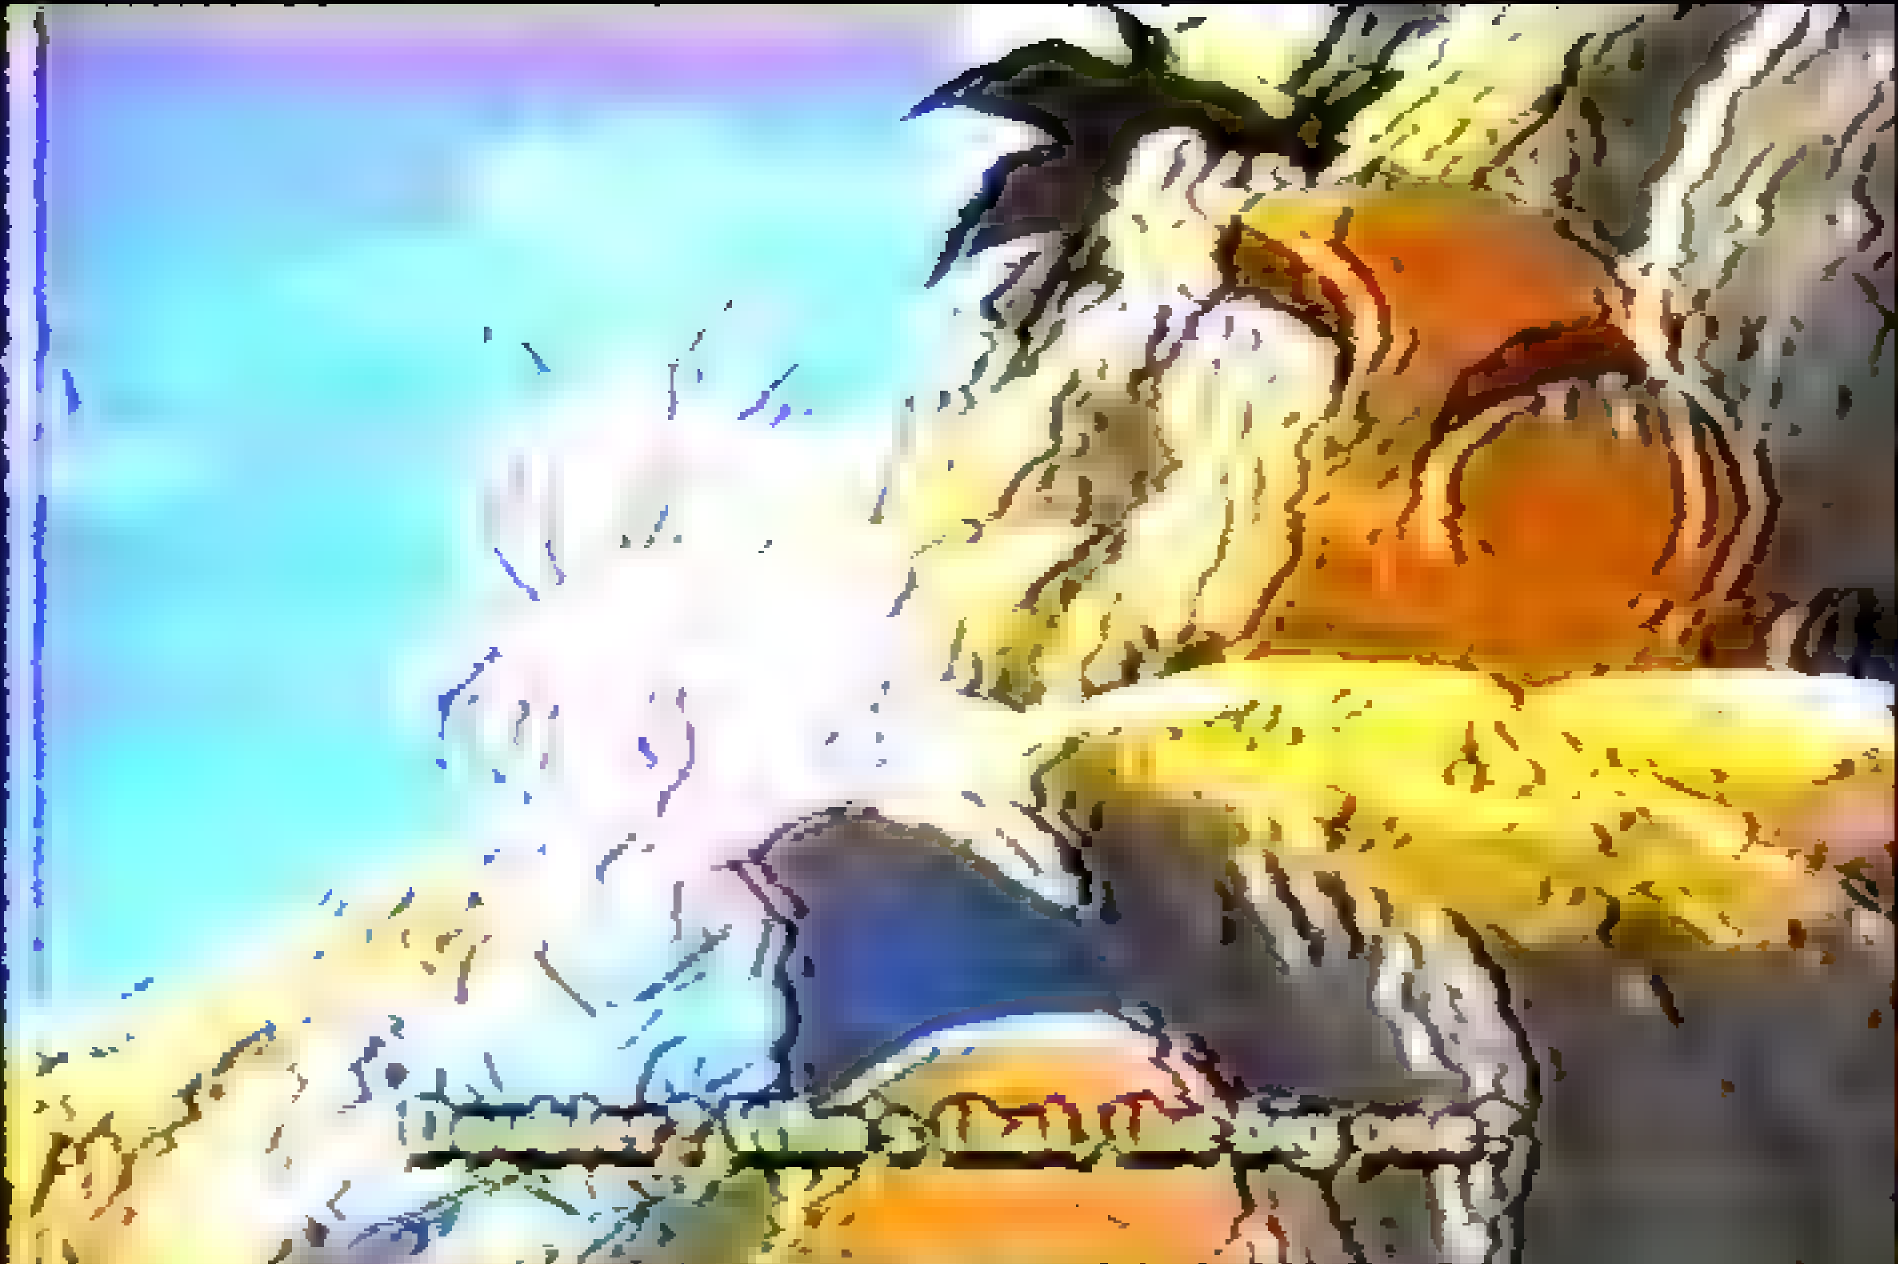

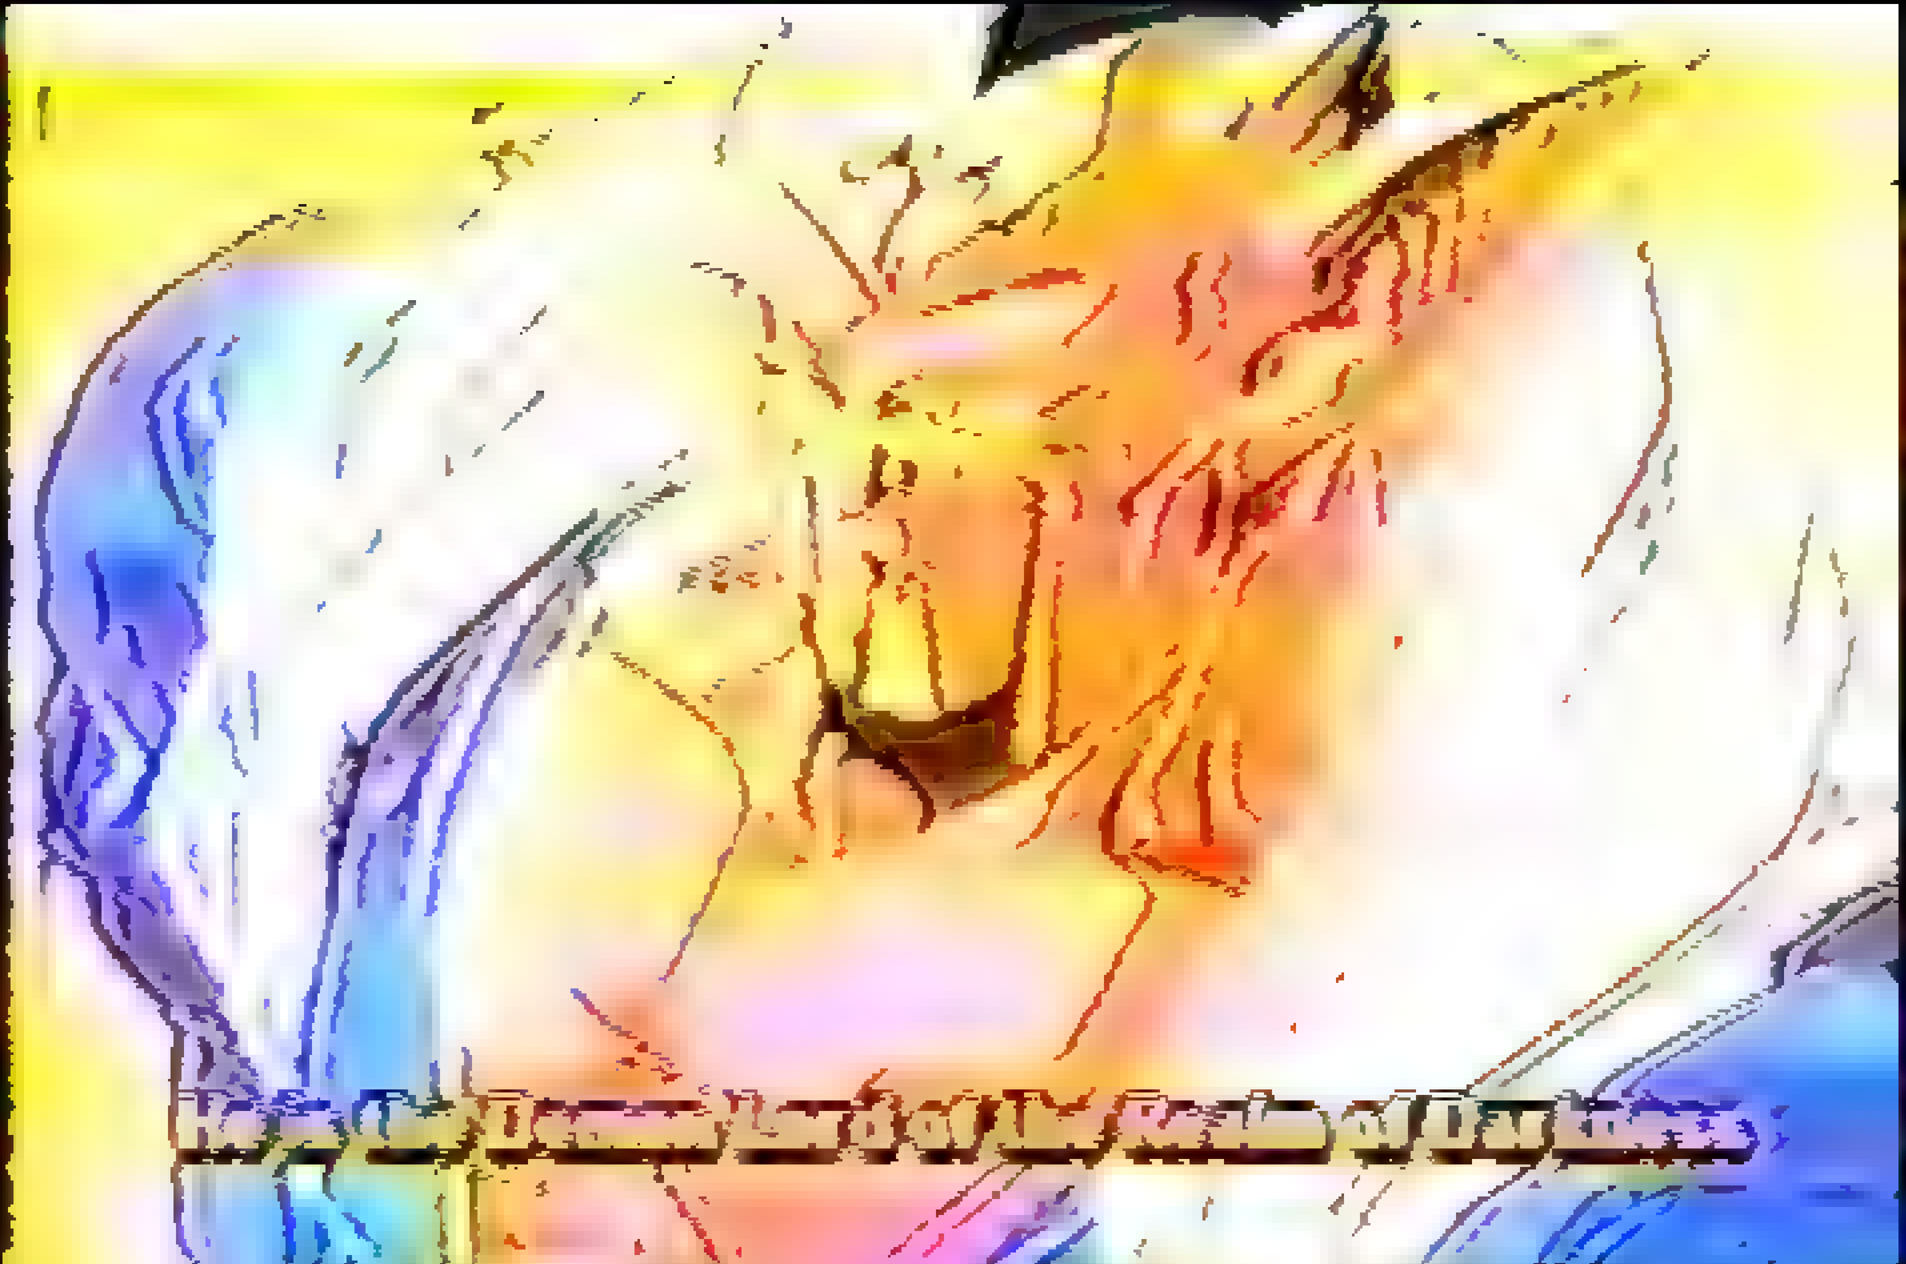

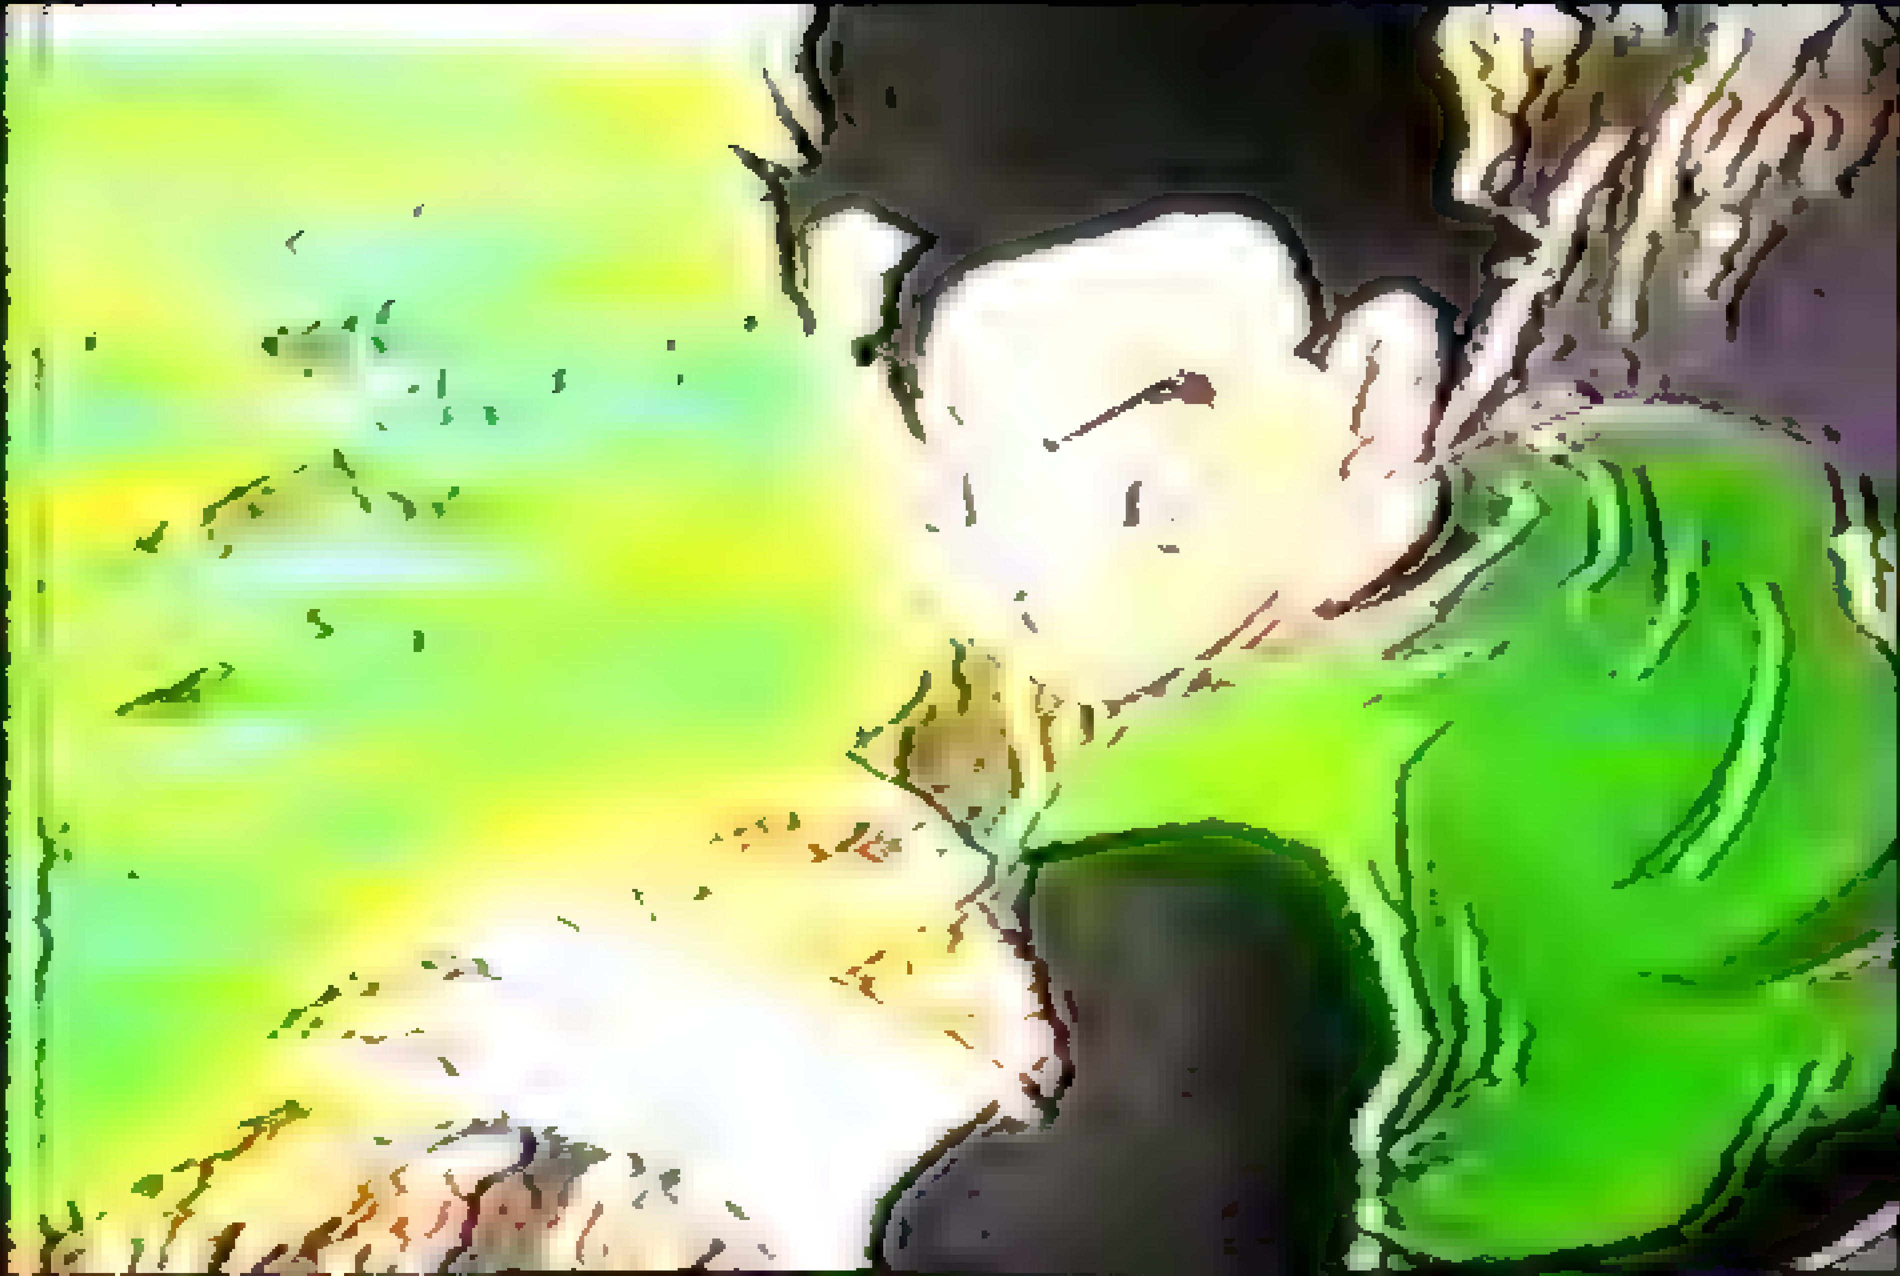

Is he strong?

Of course...

That is Babi Dee's most powerful magic.

So if Majin Buu or whatever he is,

I won't let that happen. I'd
never lose to anything like them

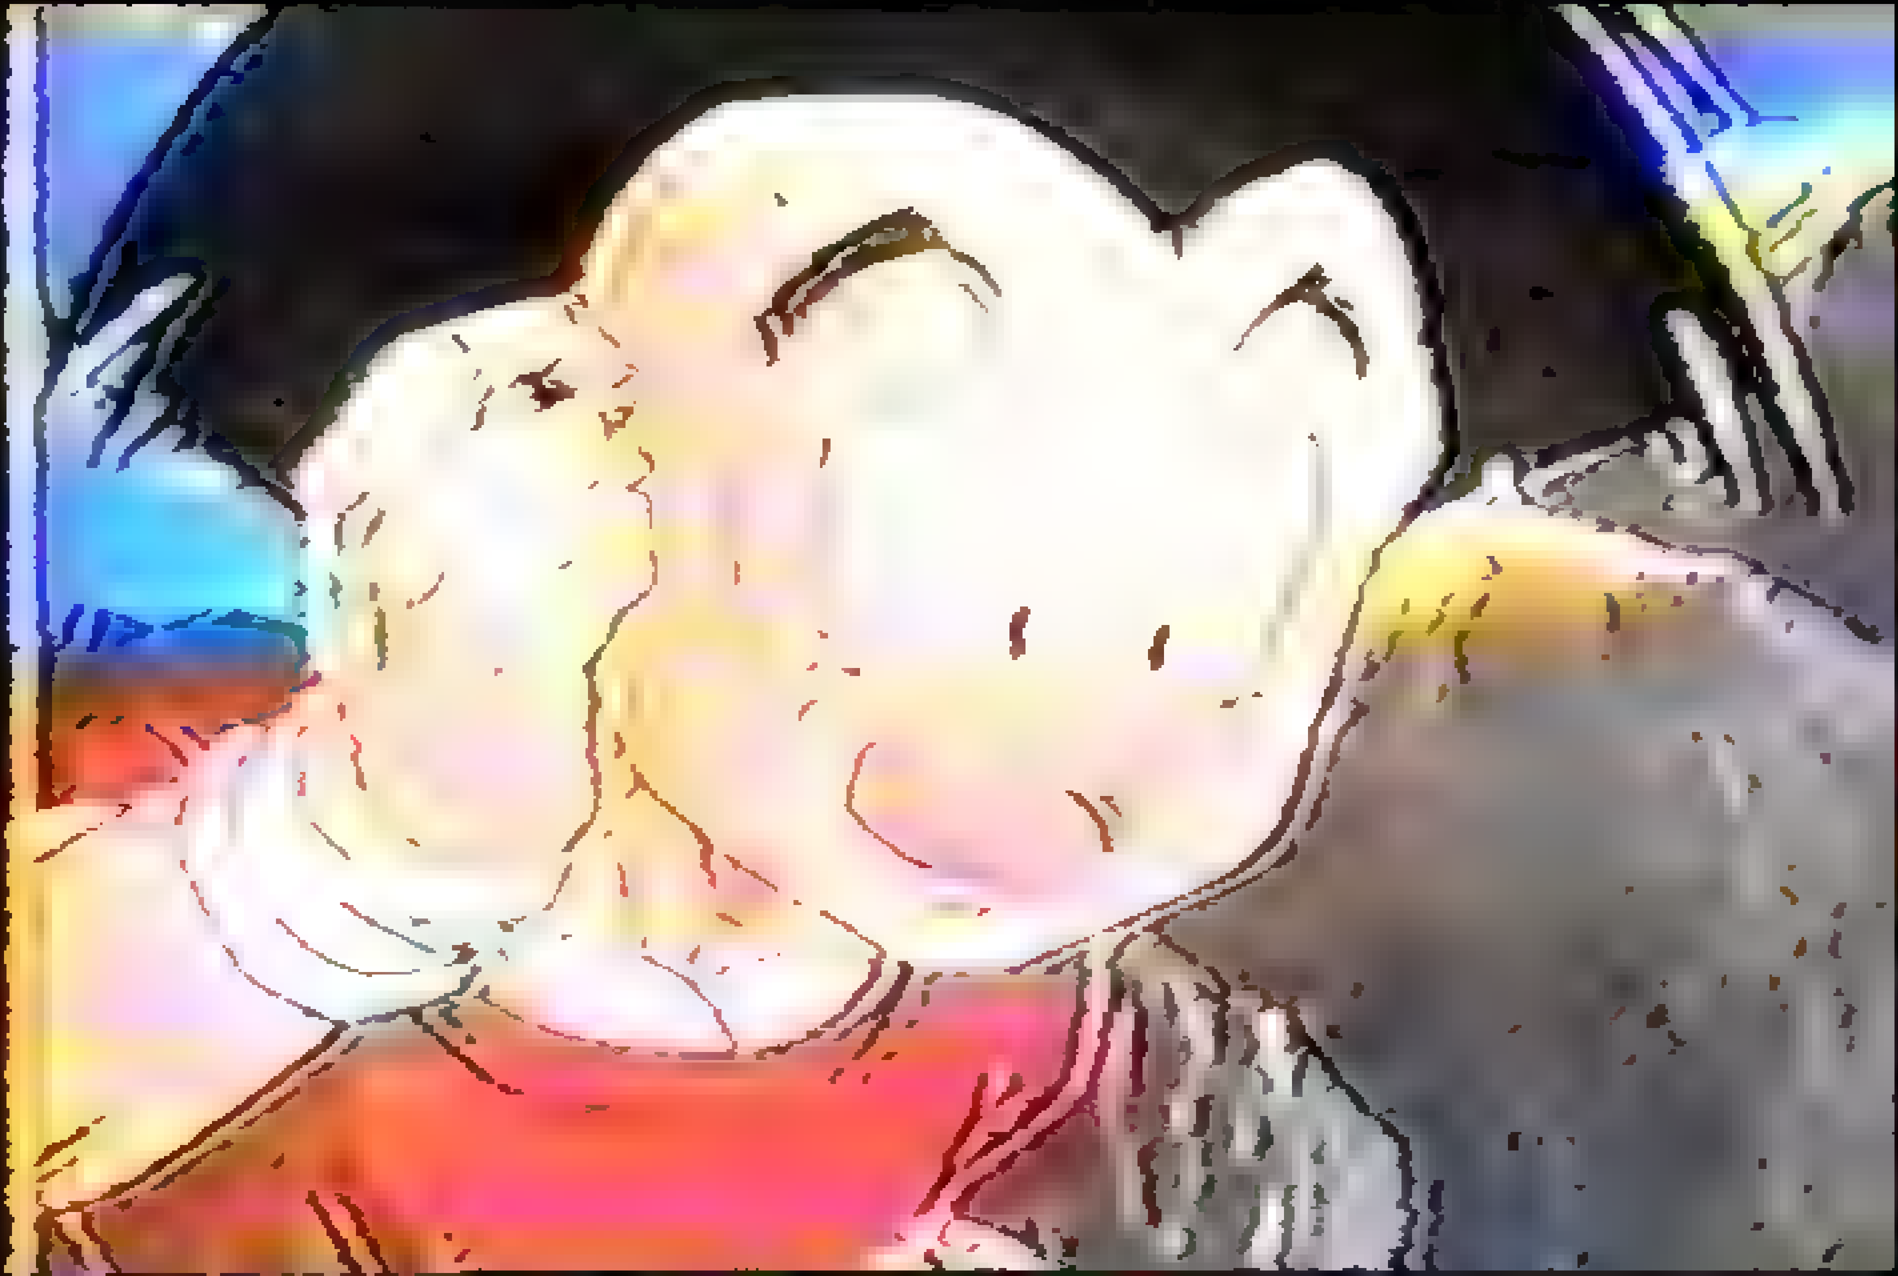

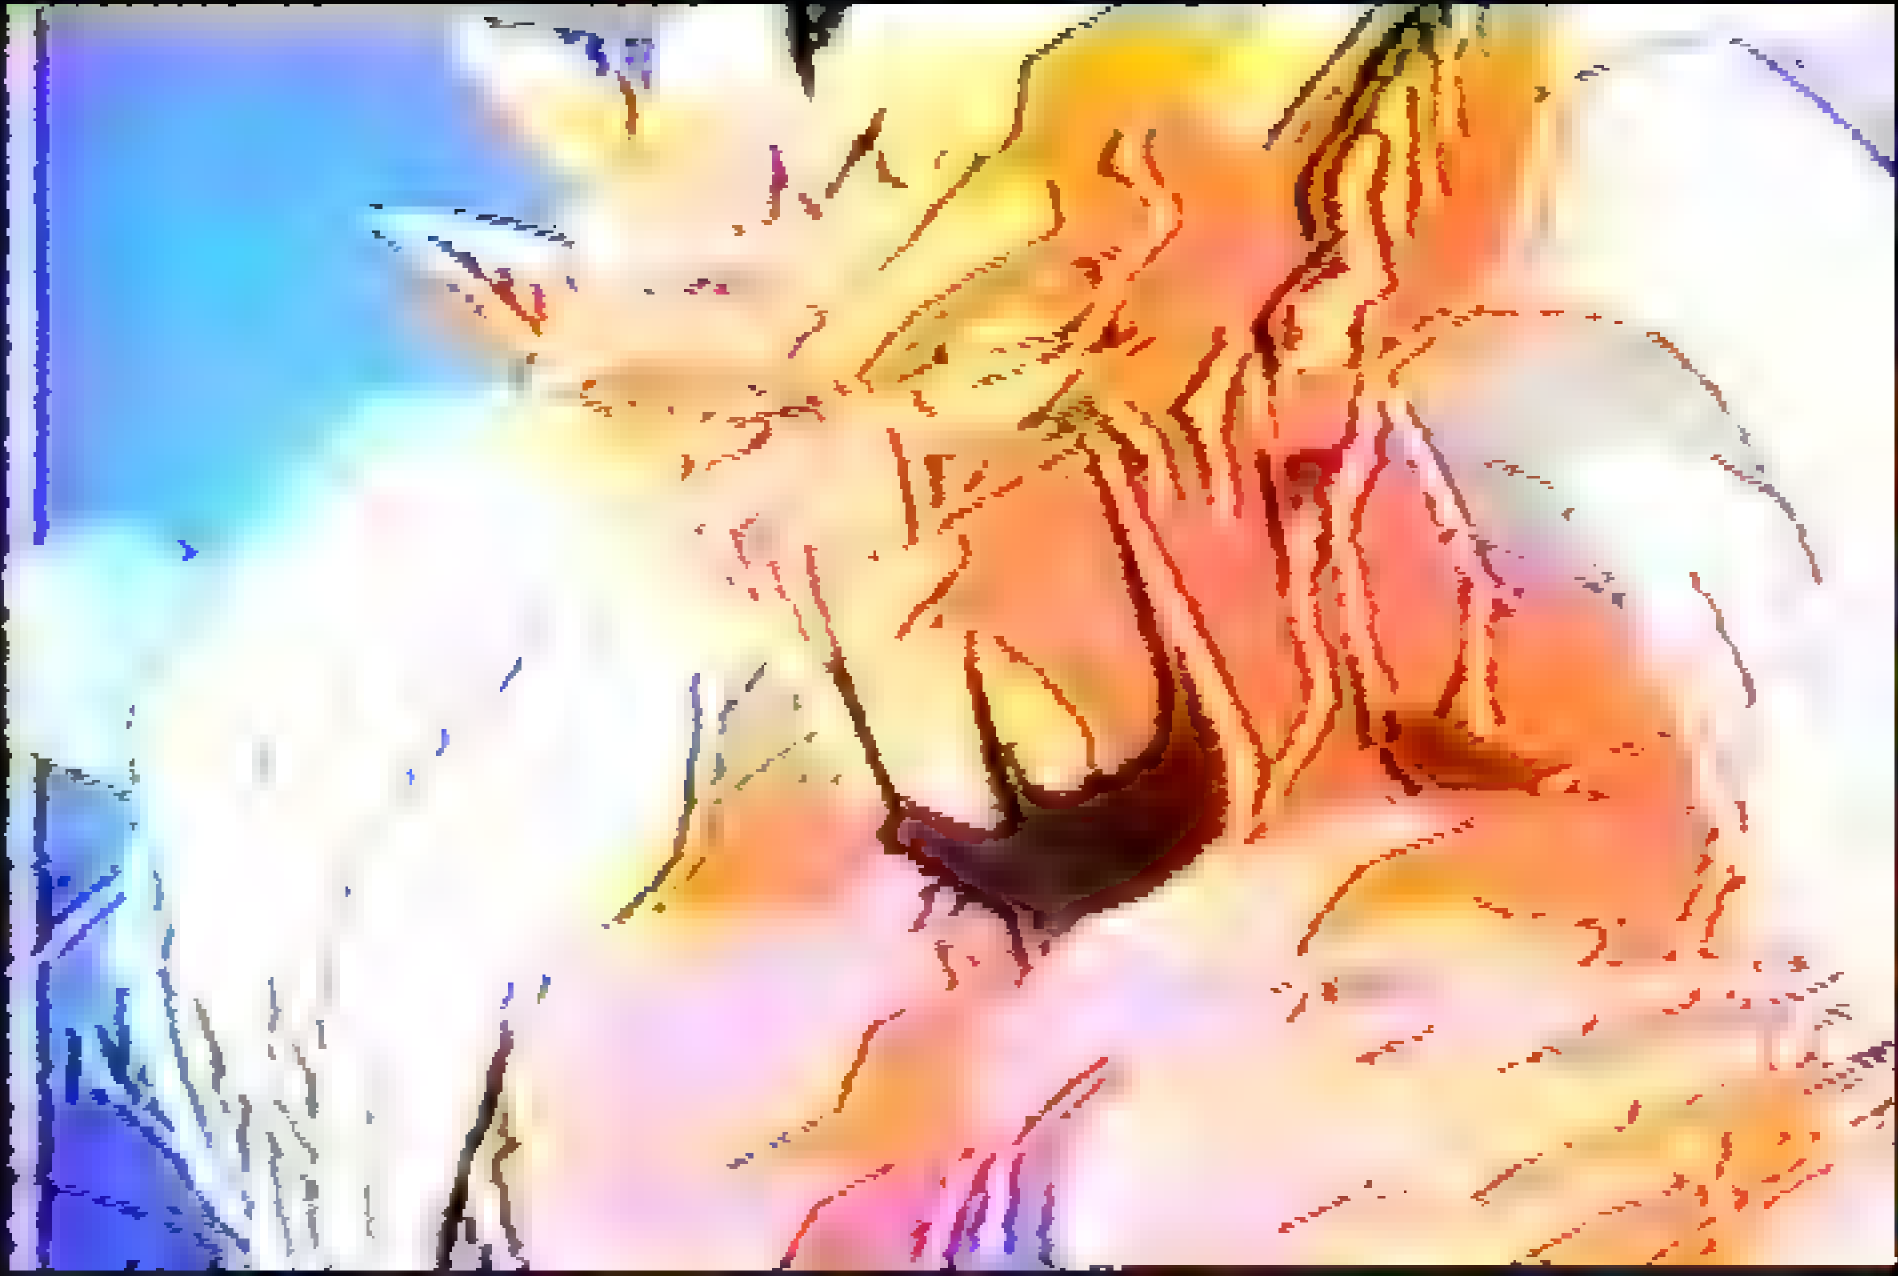

Sorry—

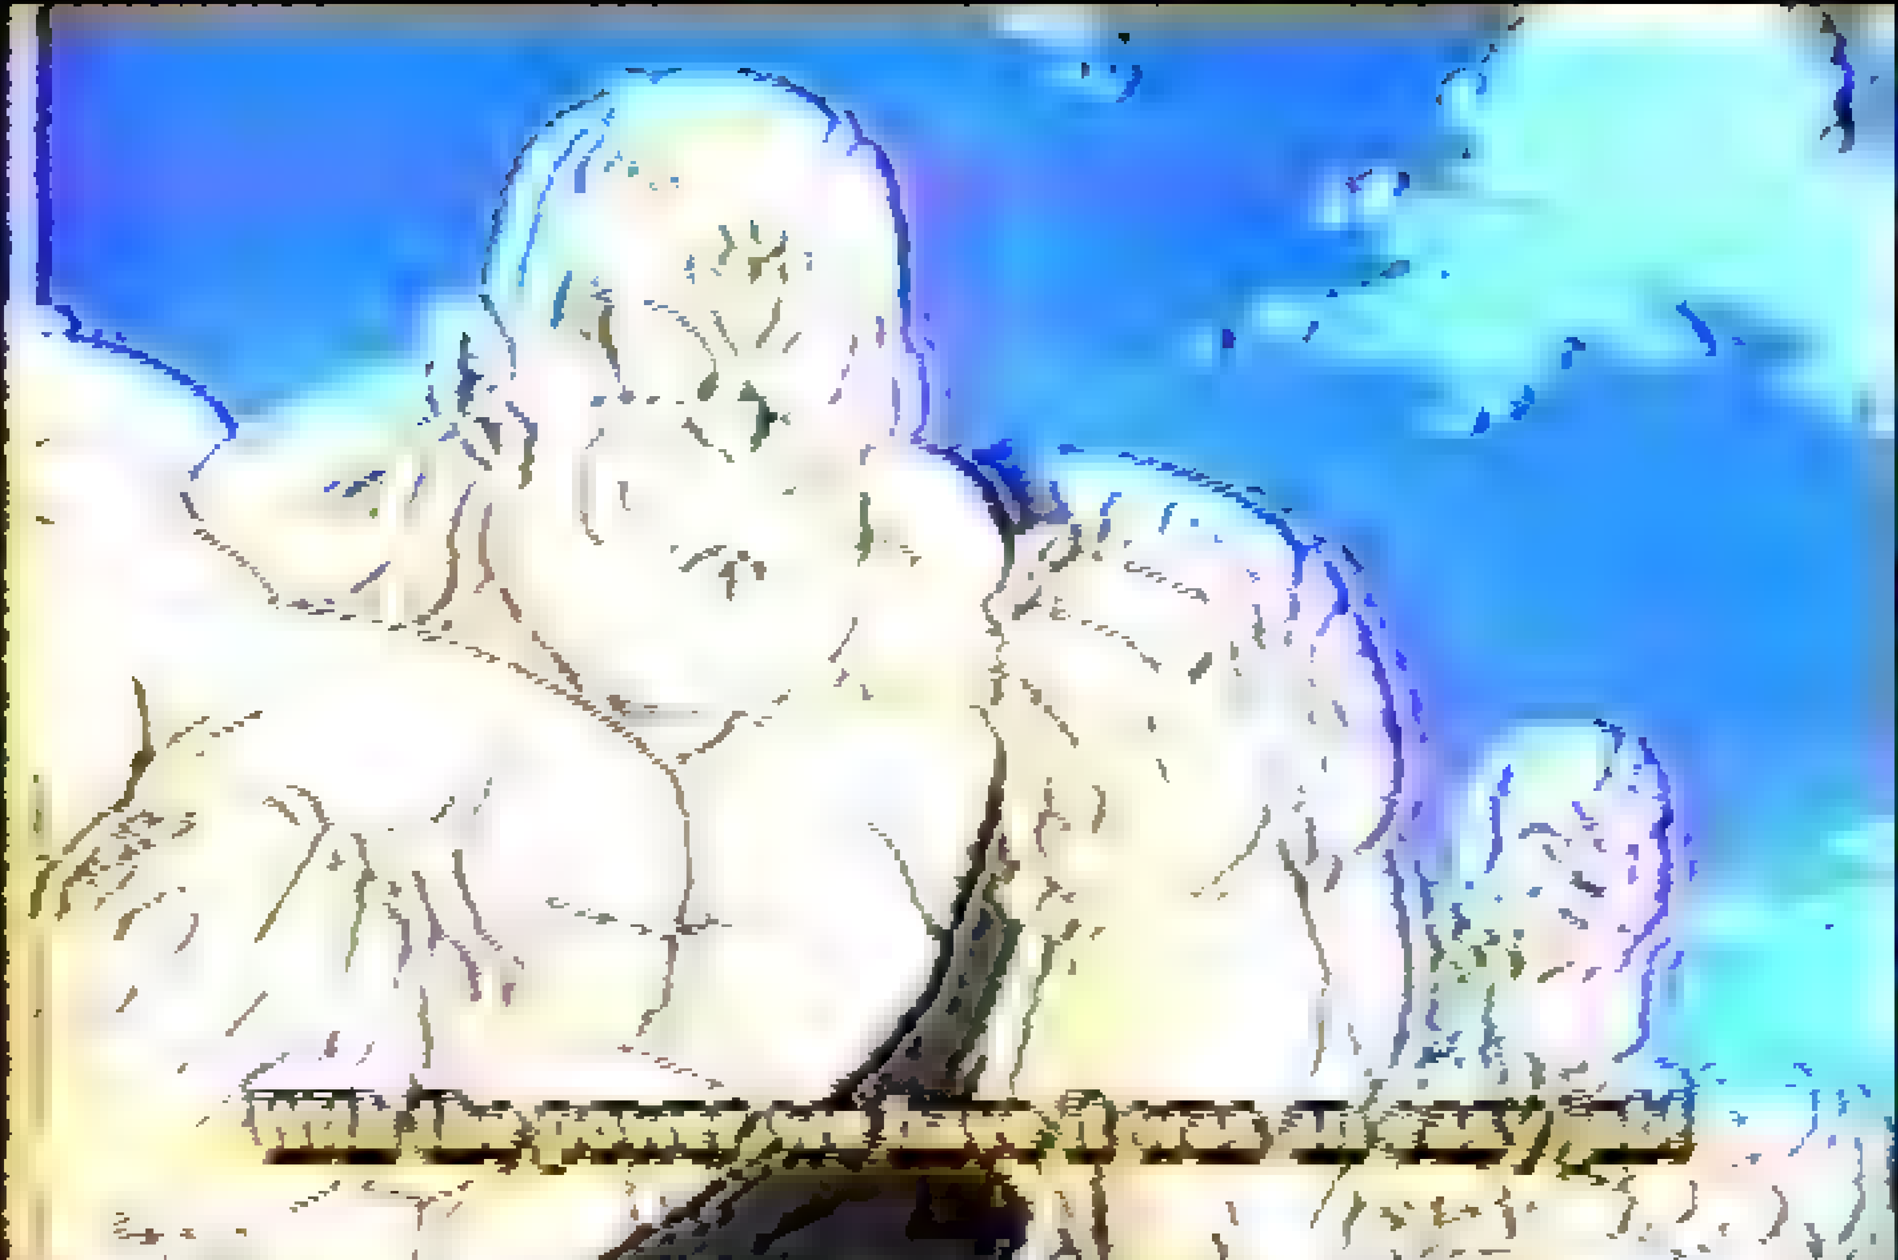

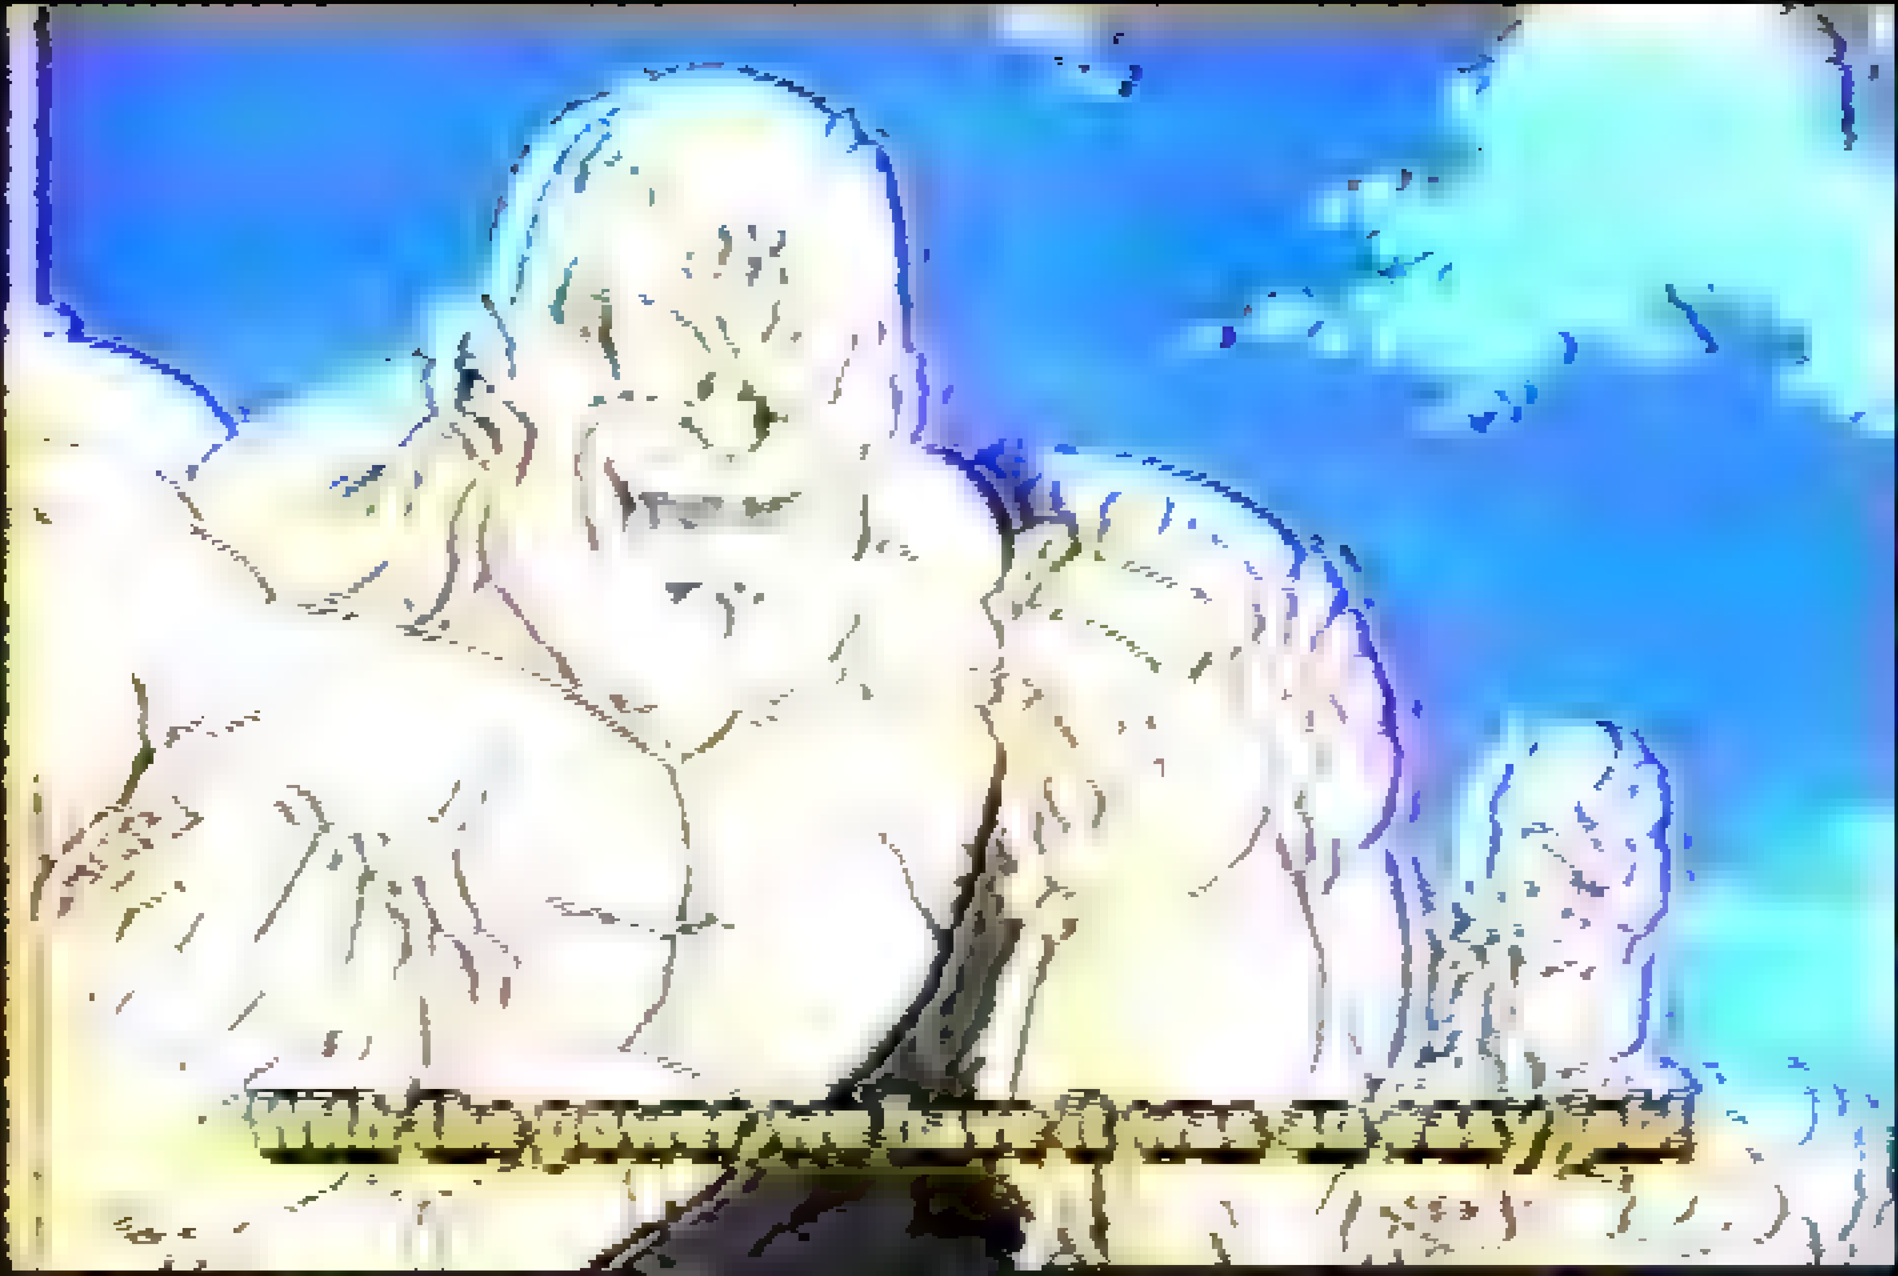

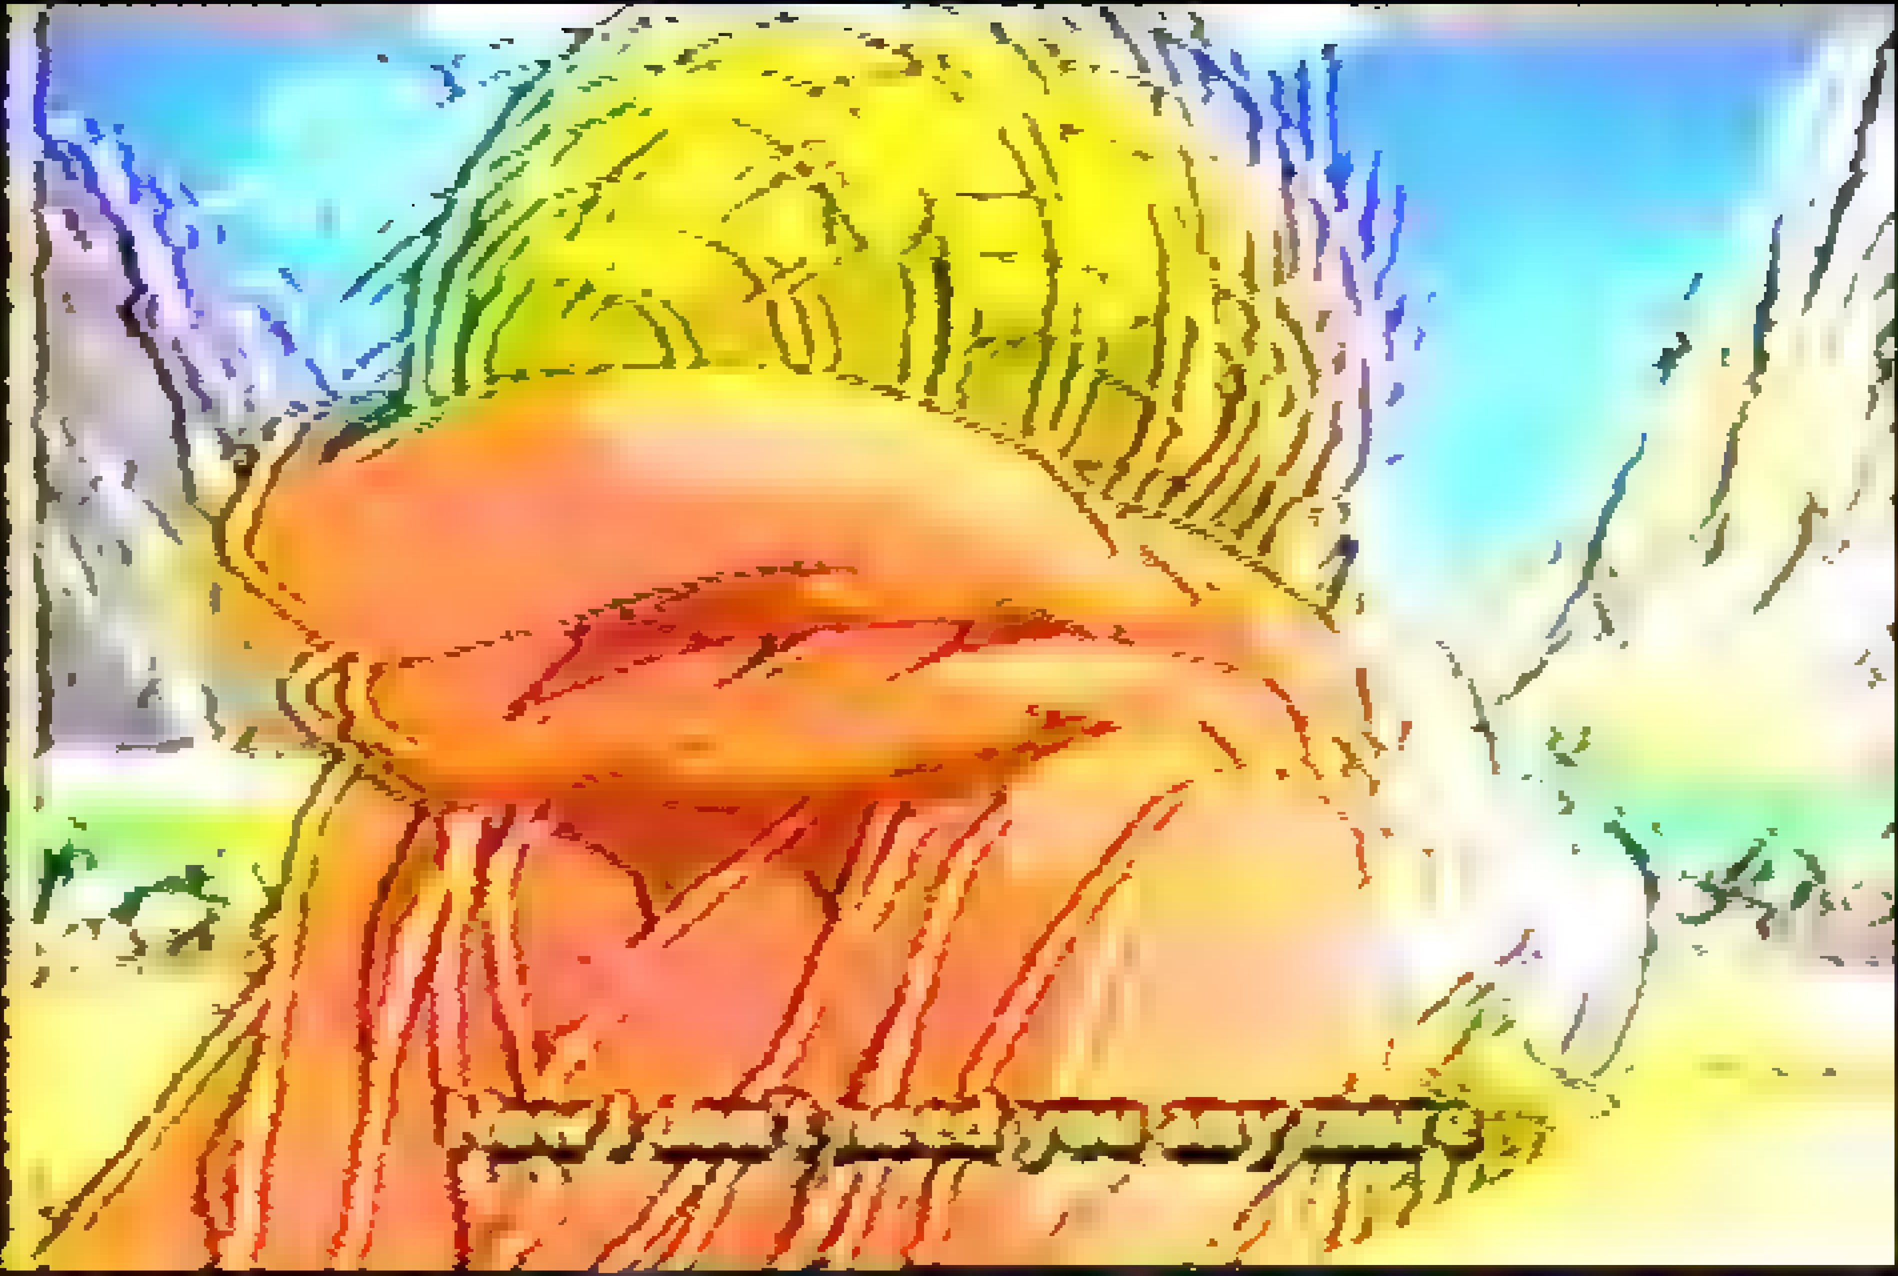

You did a good job. This brings the
resurrection of Majin Buu a lot closer

And he's with the Demon
Lord of Darkness, Daddy!

Lord of Darkness,

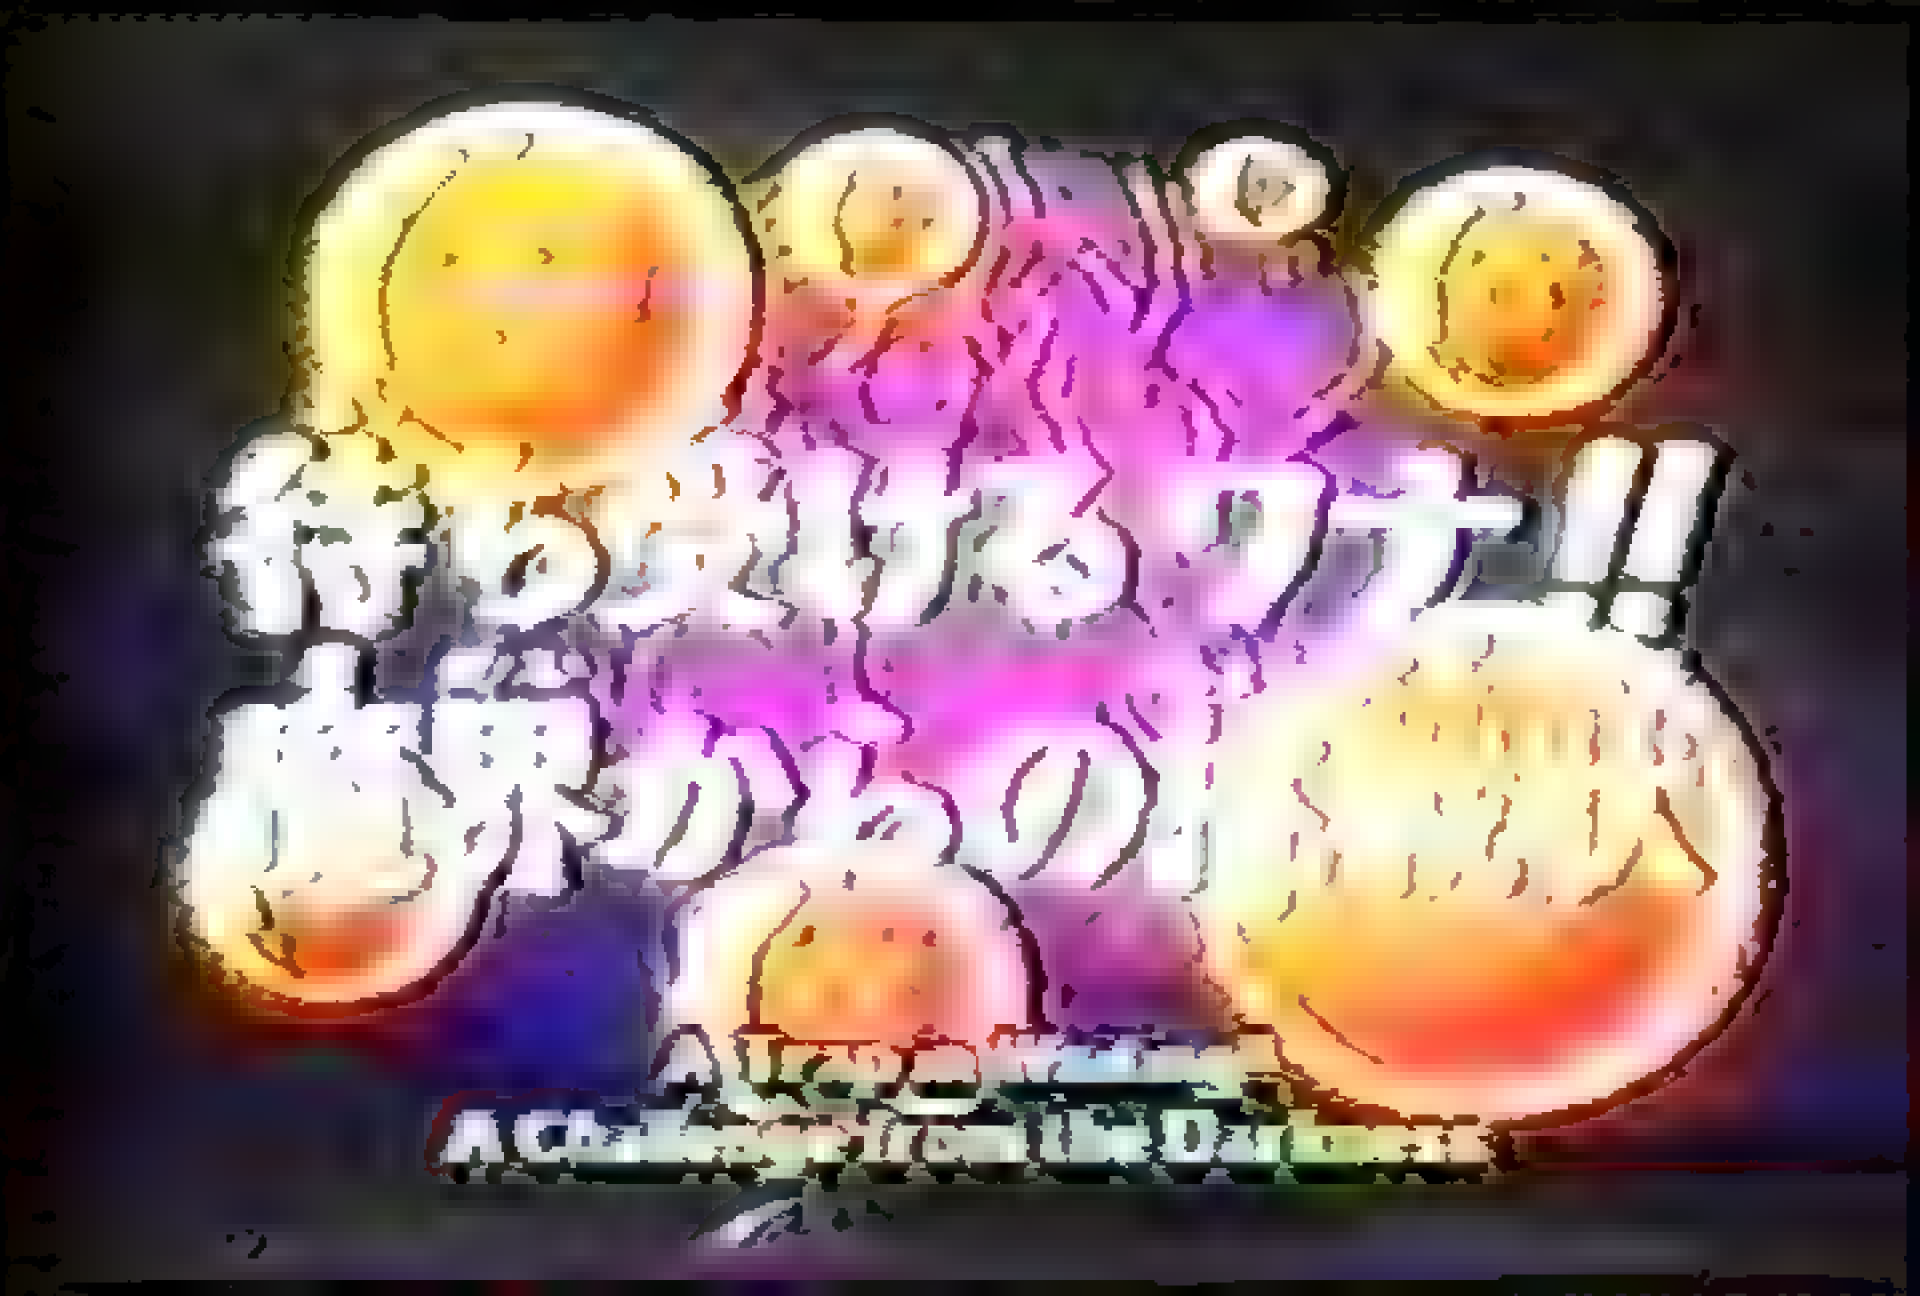

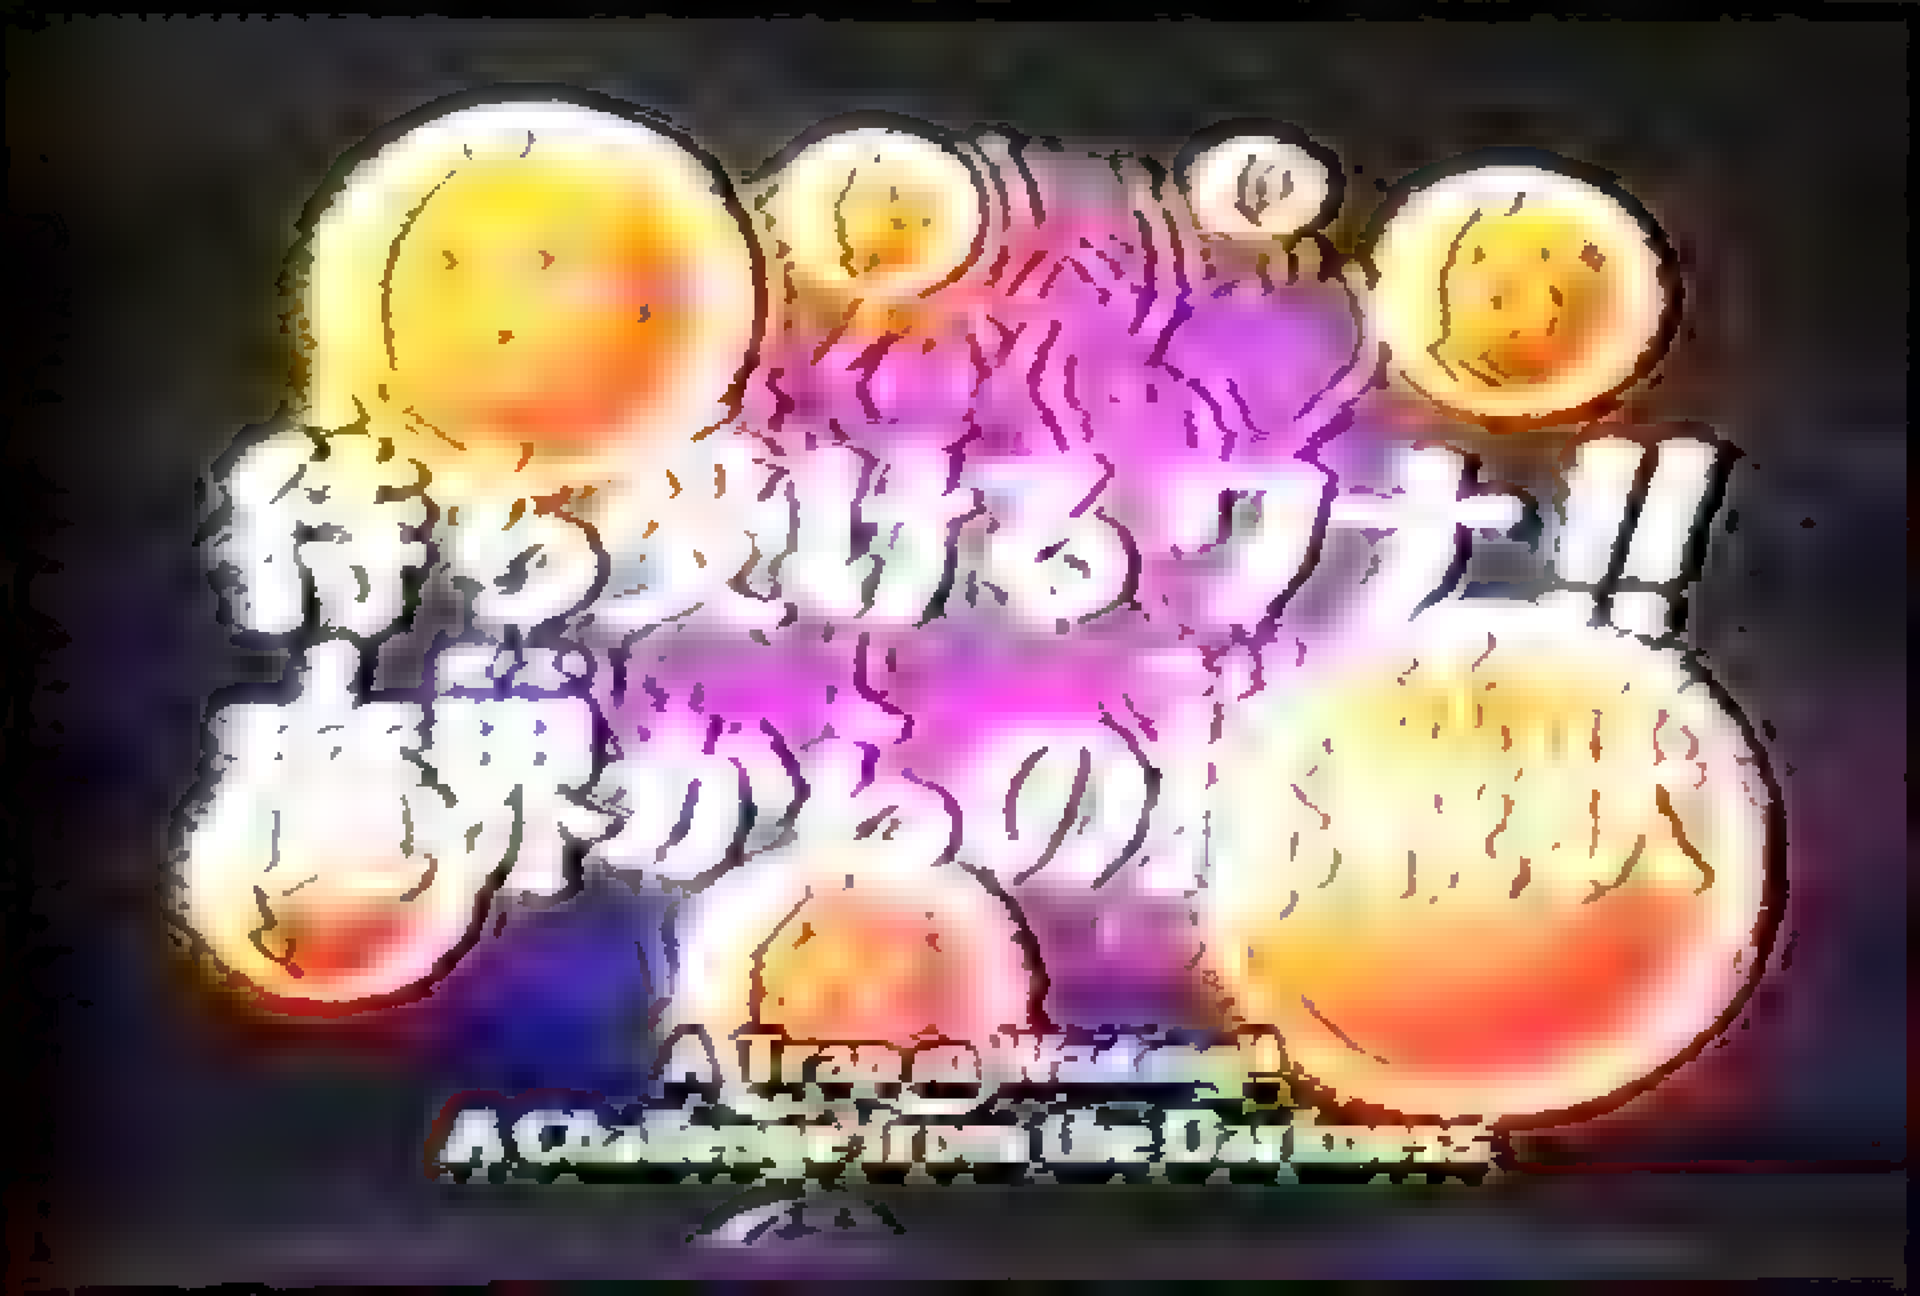

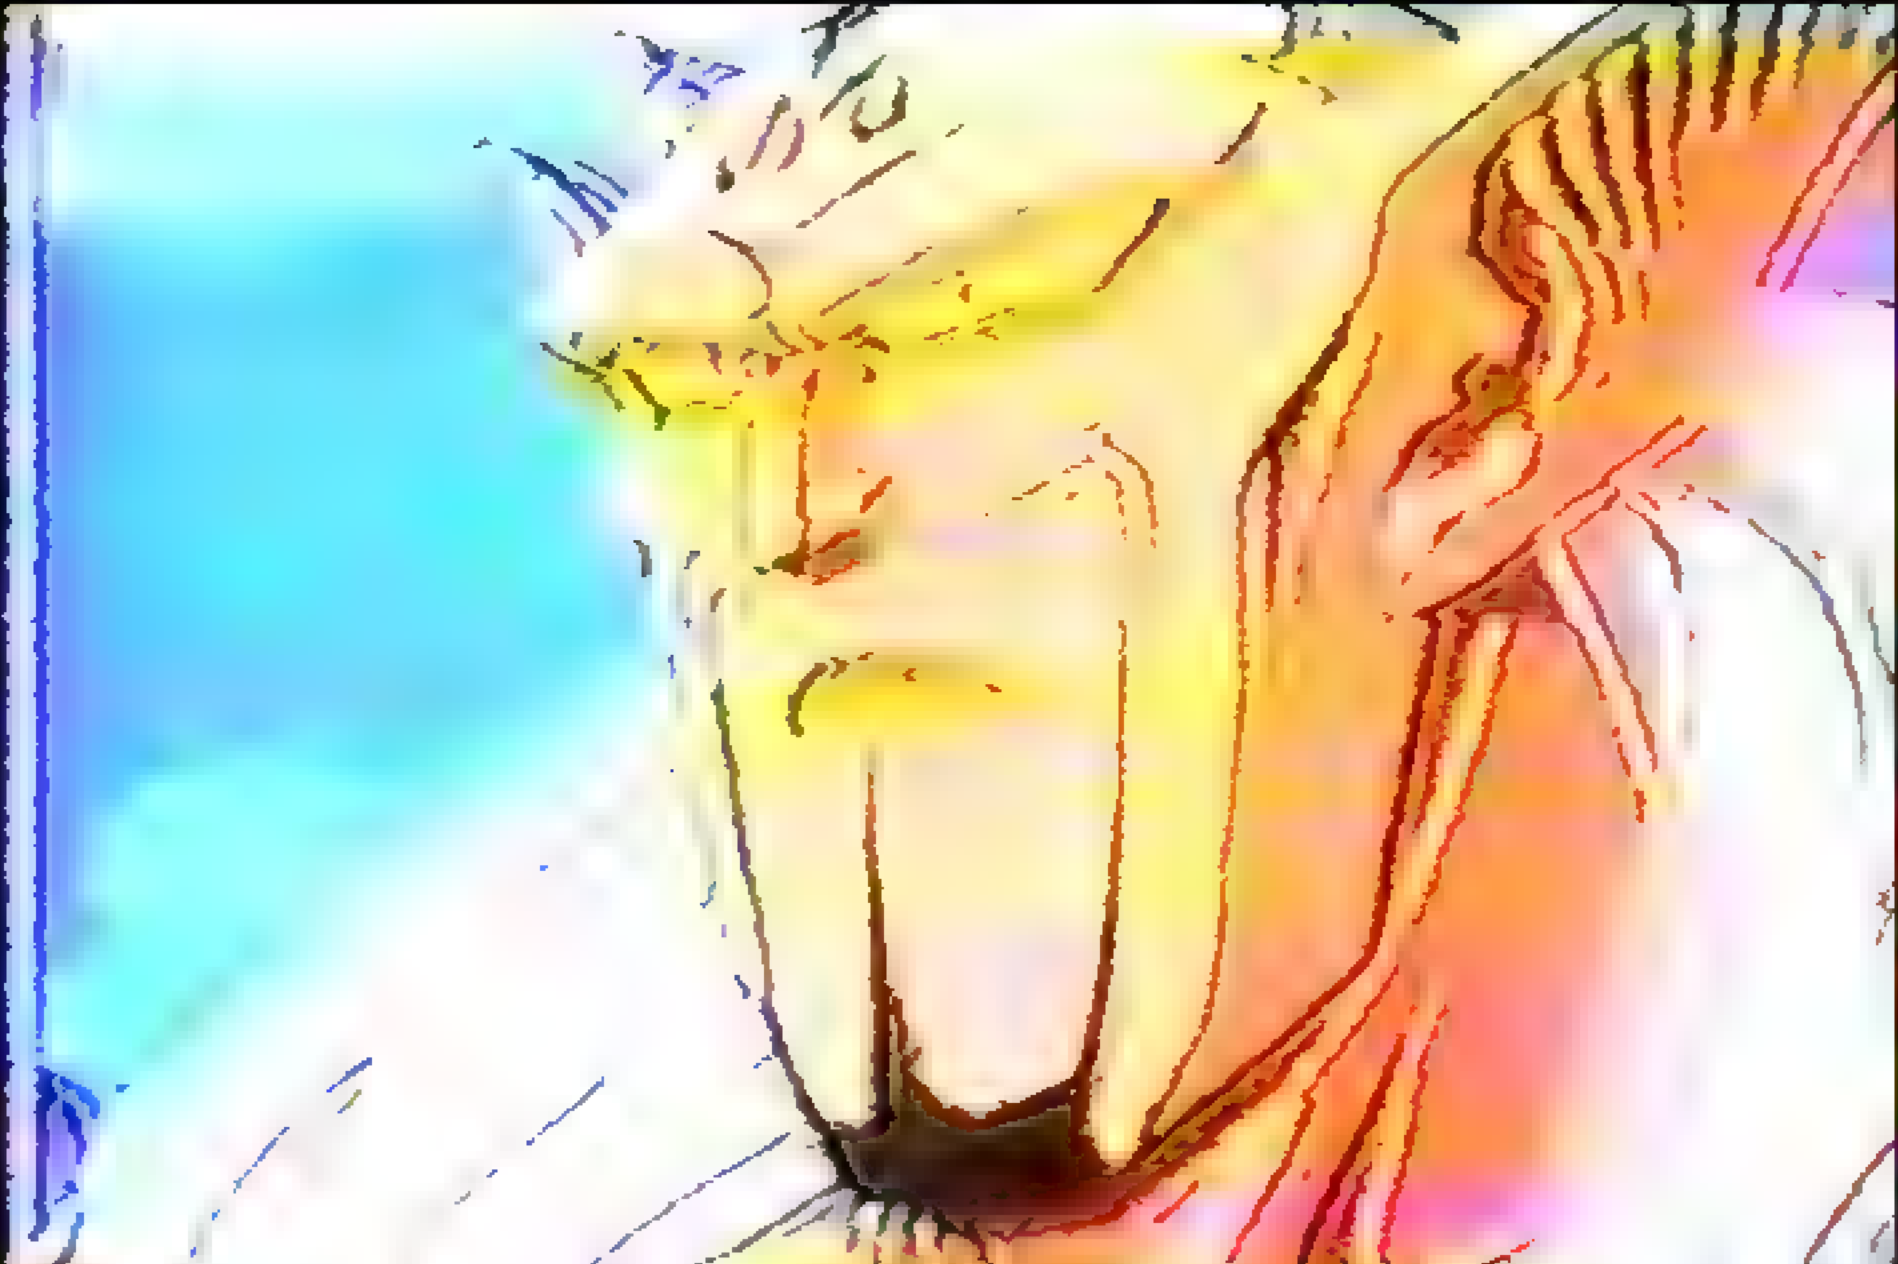

That was very

That was very daring—

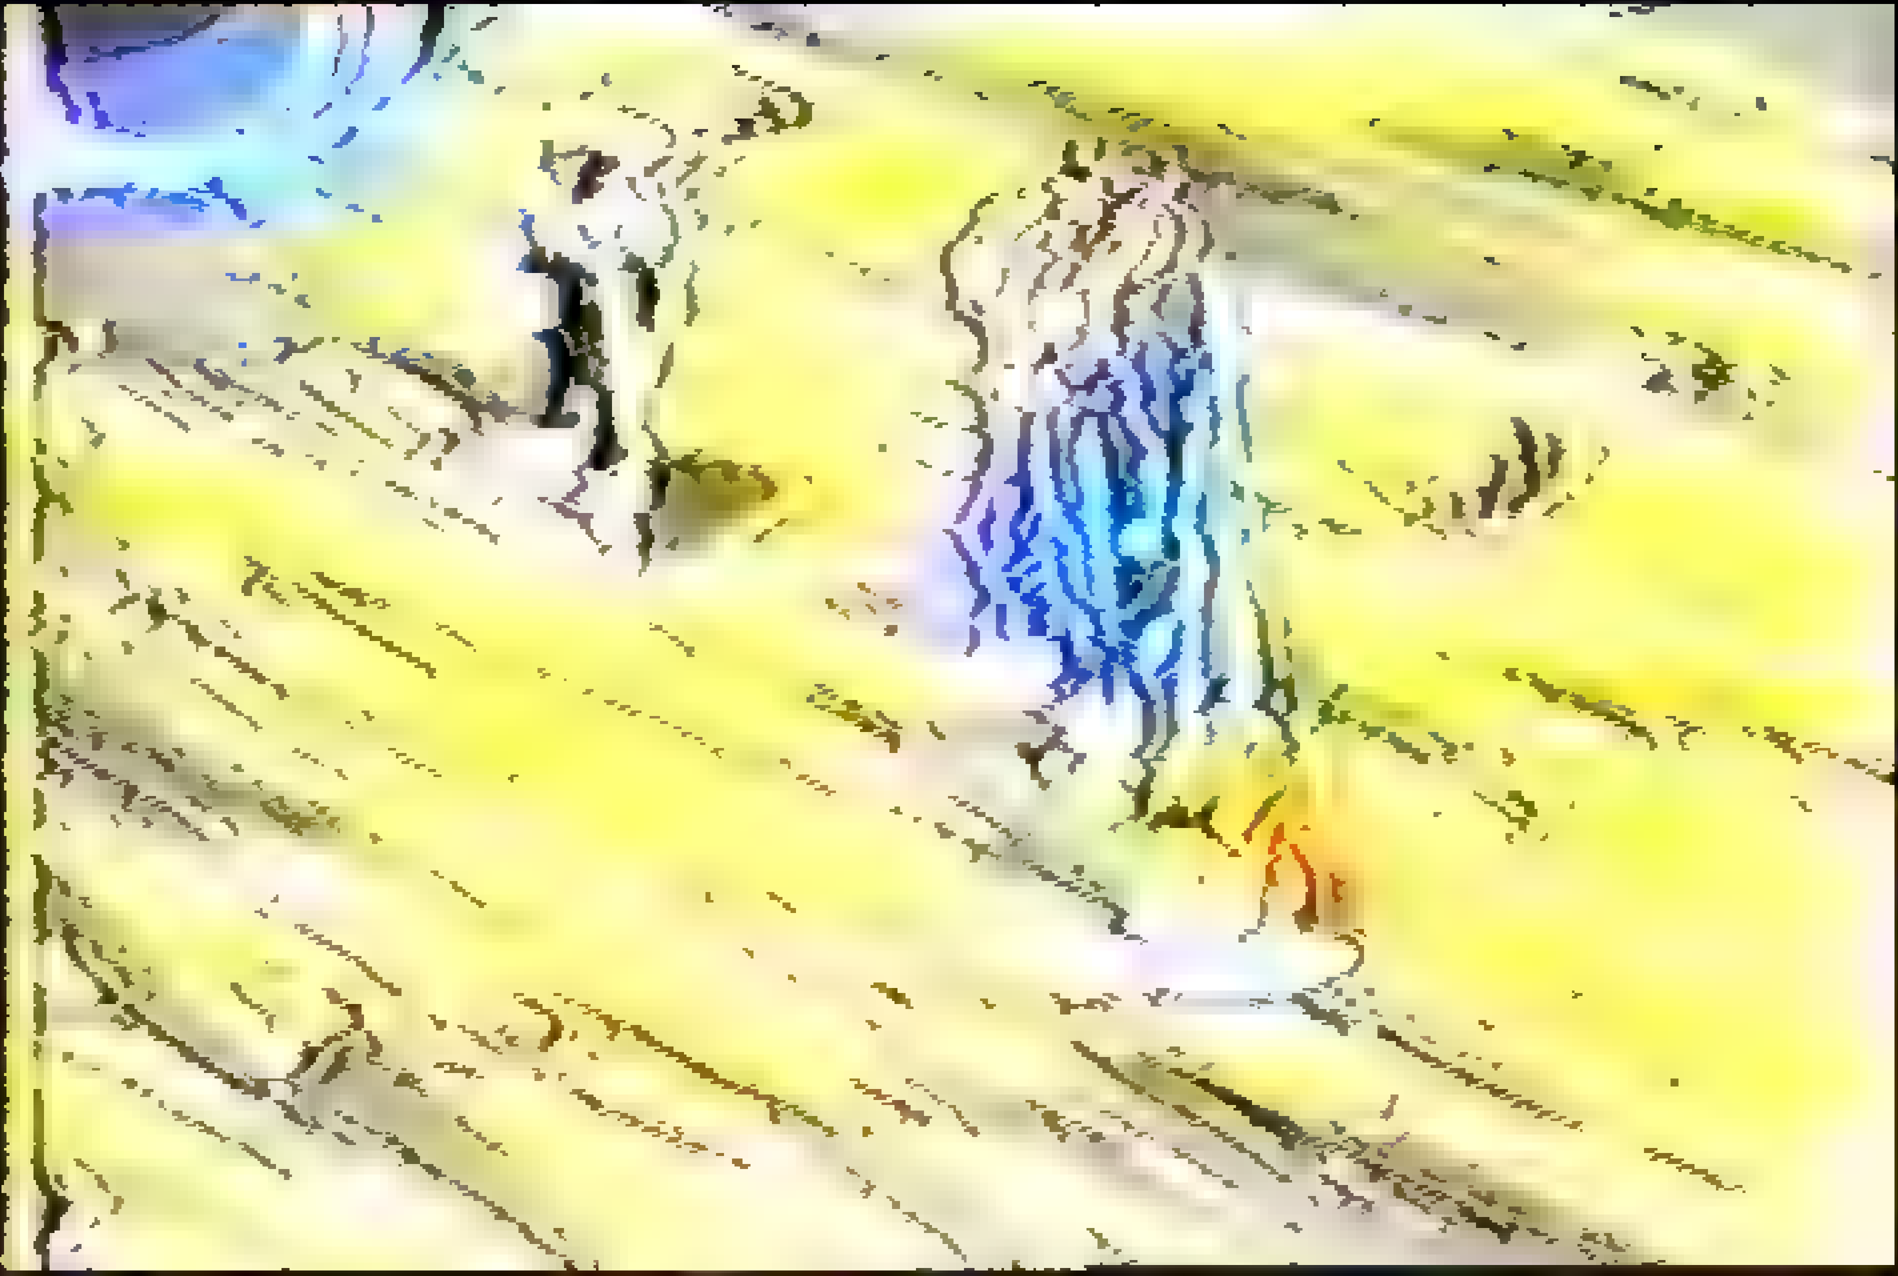

We'll see many faces like that on this Earth

We'll see many faces like that

That's how Baki Dee operates

First he uses his magic to possess them...

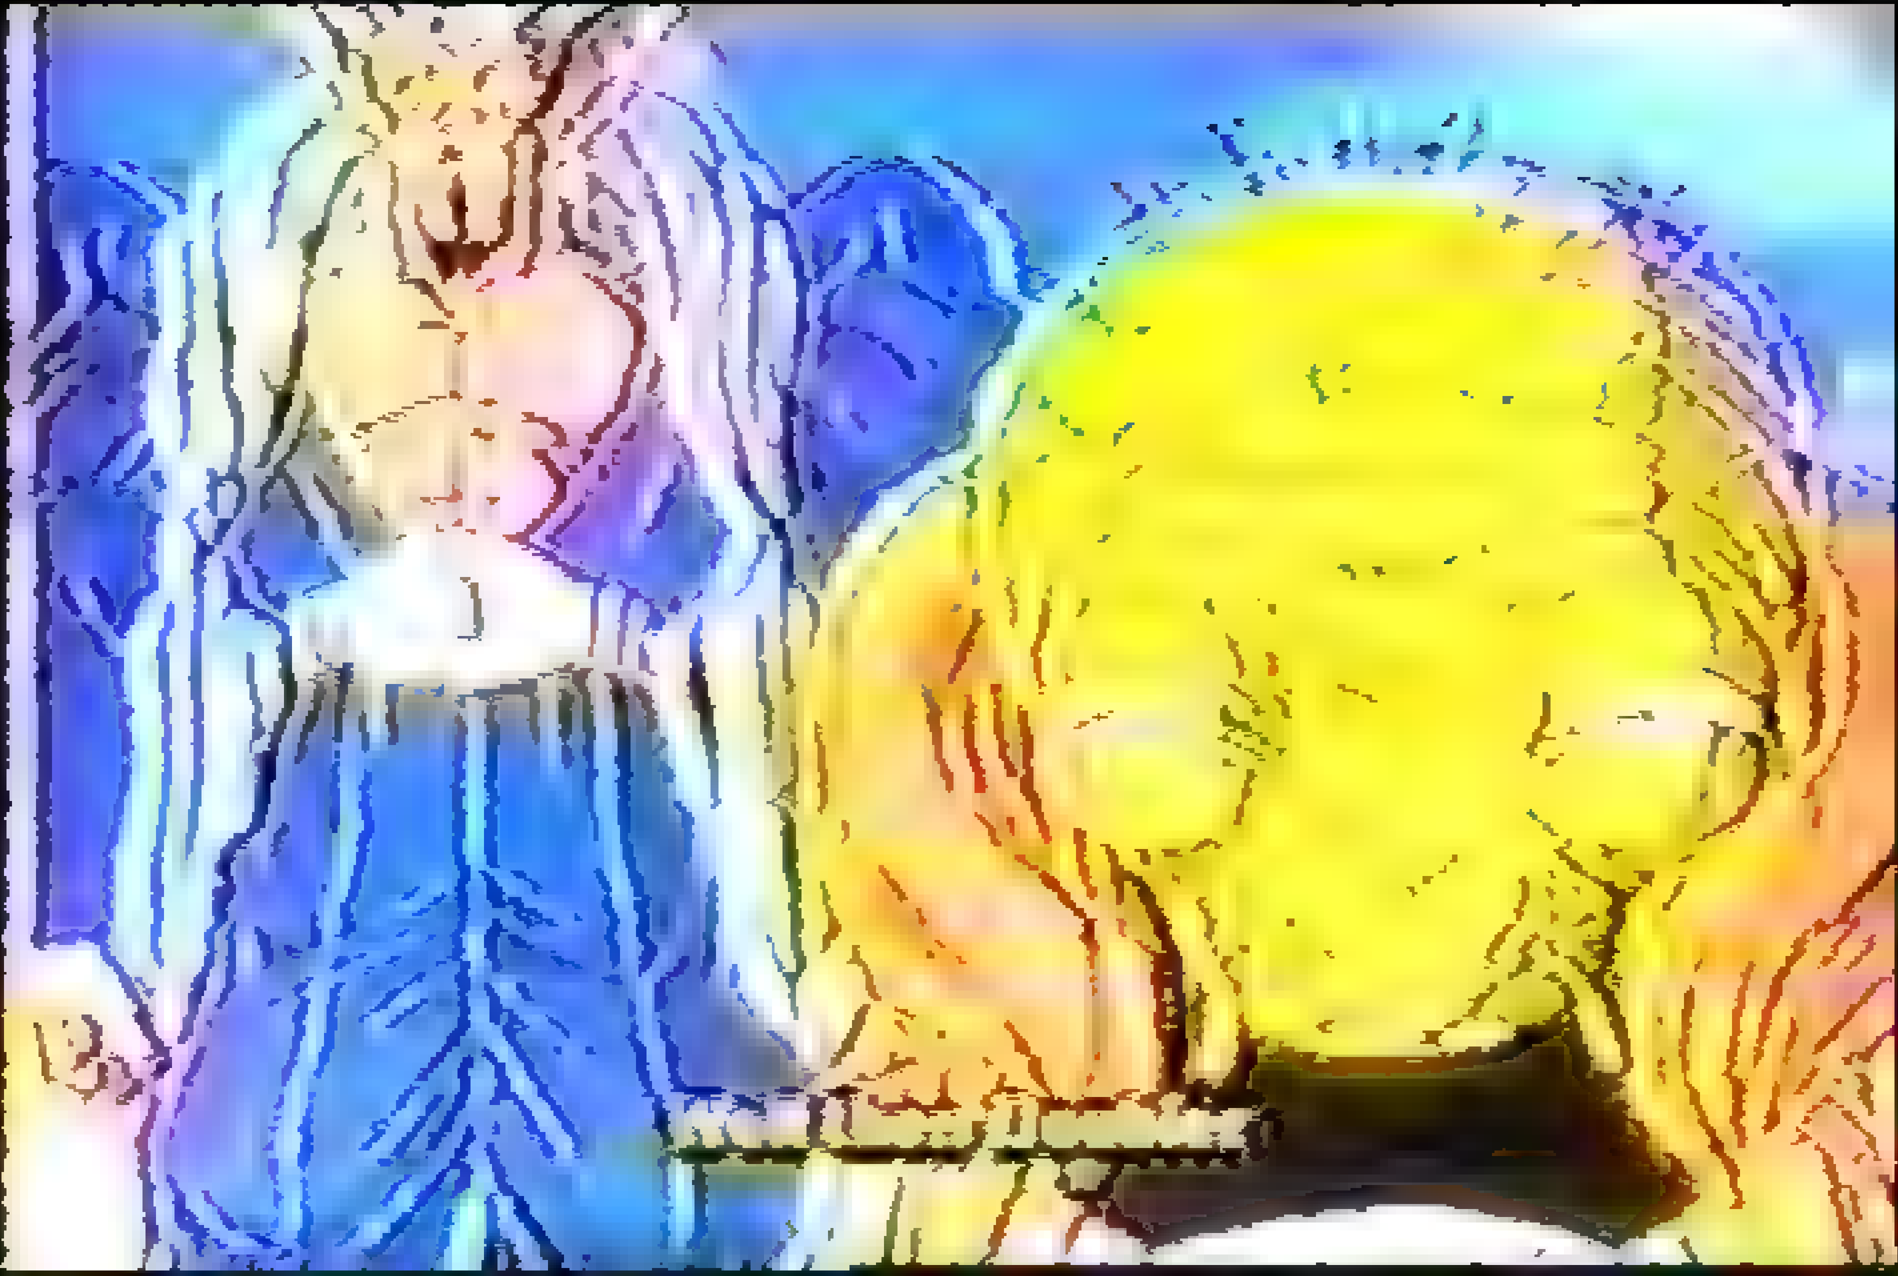

He's going to continue doing that to gather
energy so that he can ressurect Majin Buu

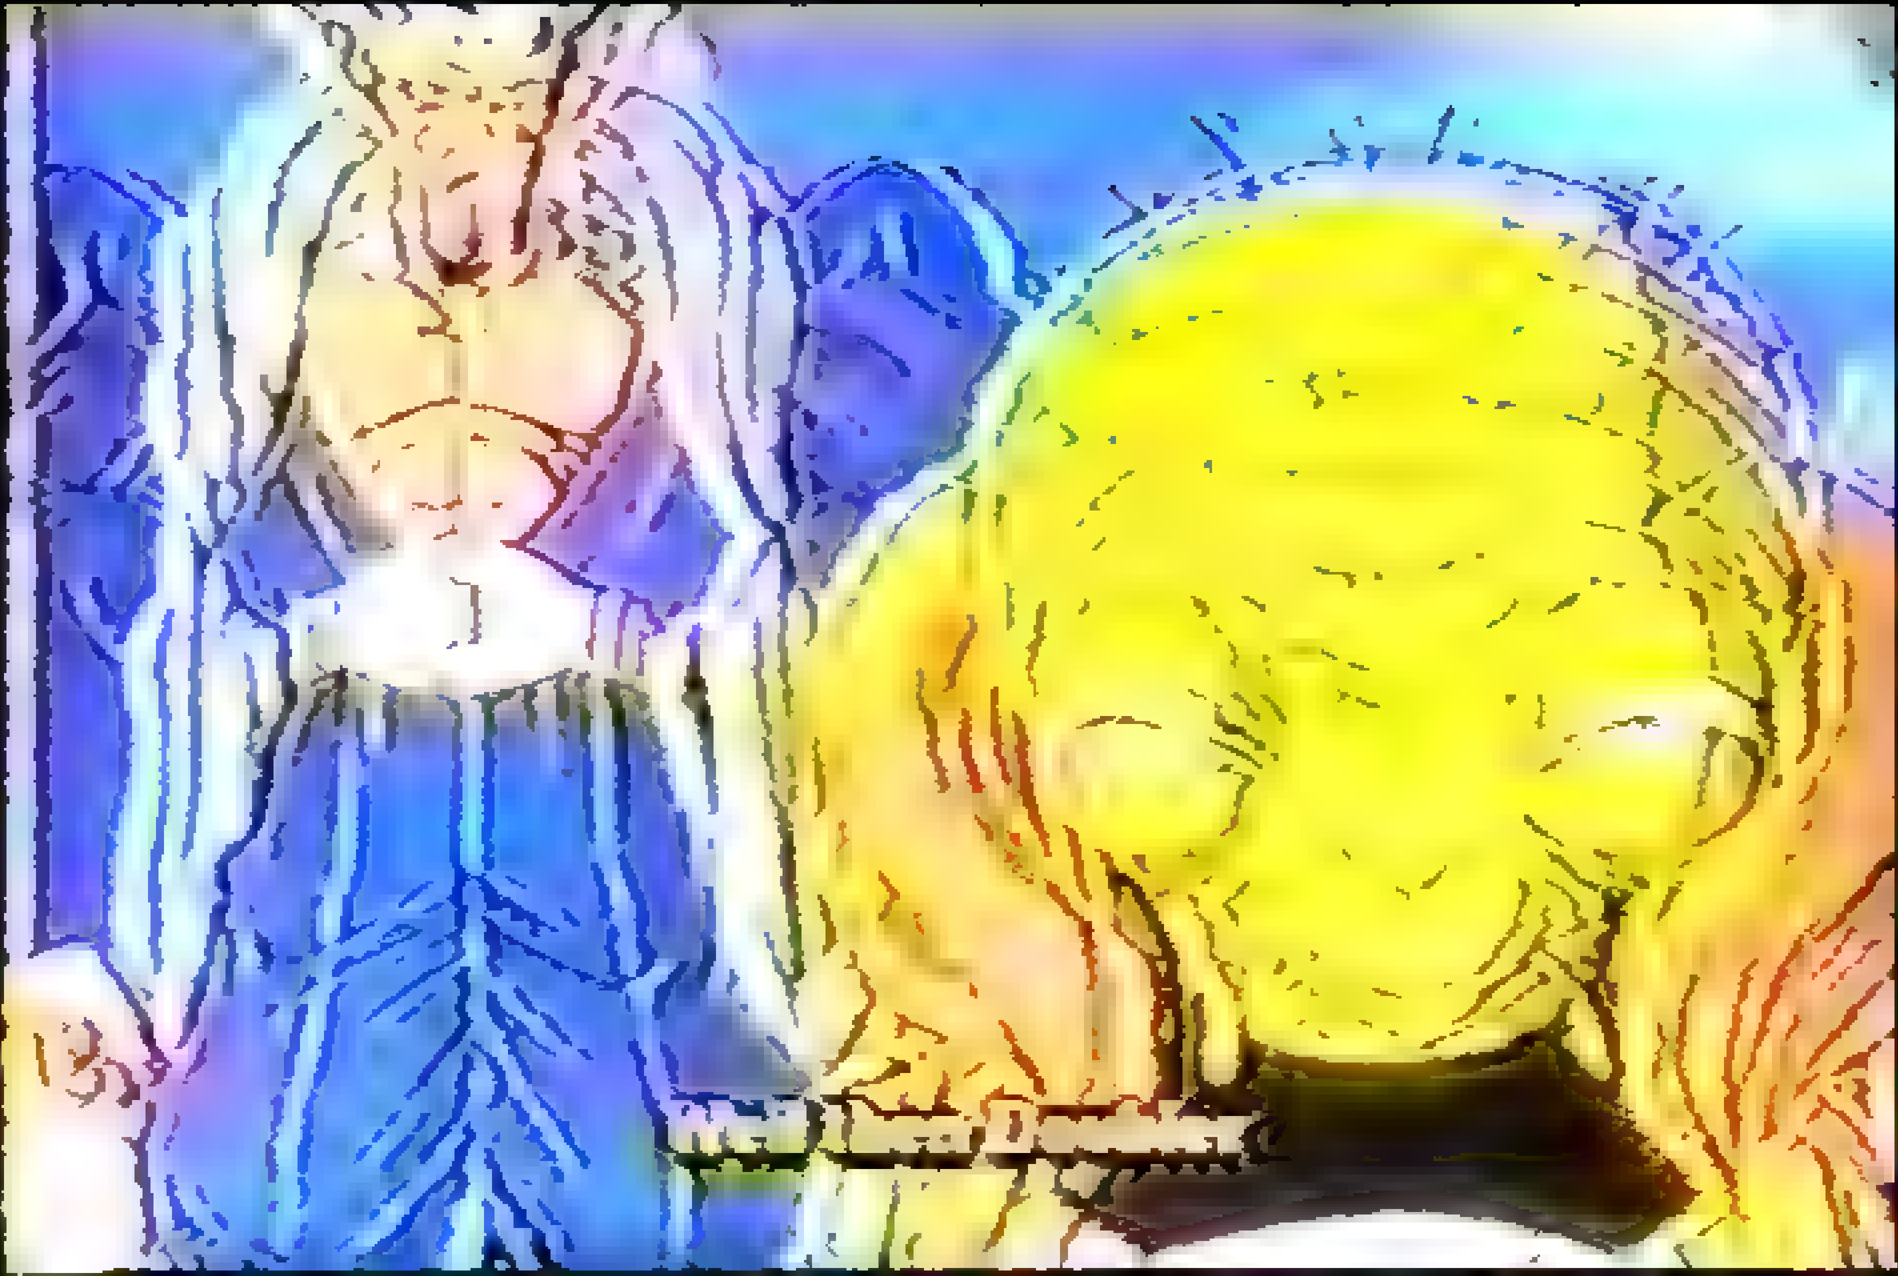

He's going to continue doing that to gather

He's going to continue doing that to gather

We can't use Kai-Oo-Shin or Kibit

With these three, there should be more
than enough to bring back Majin Buu

But Kaz-Do-Shu probably
won't allow them to do that.

I want to take my time killing him later

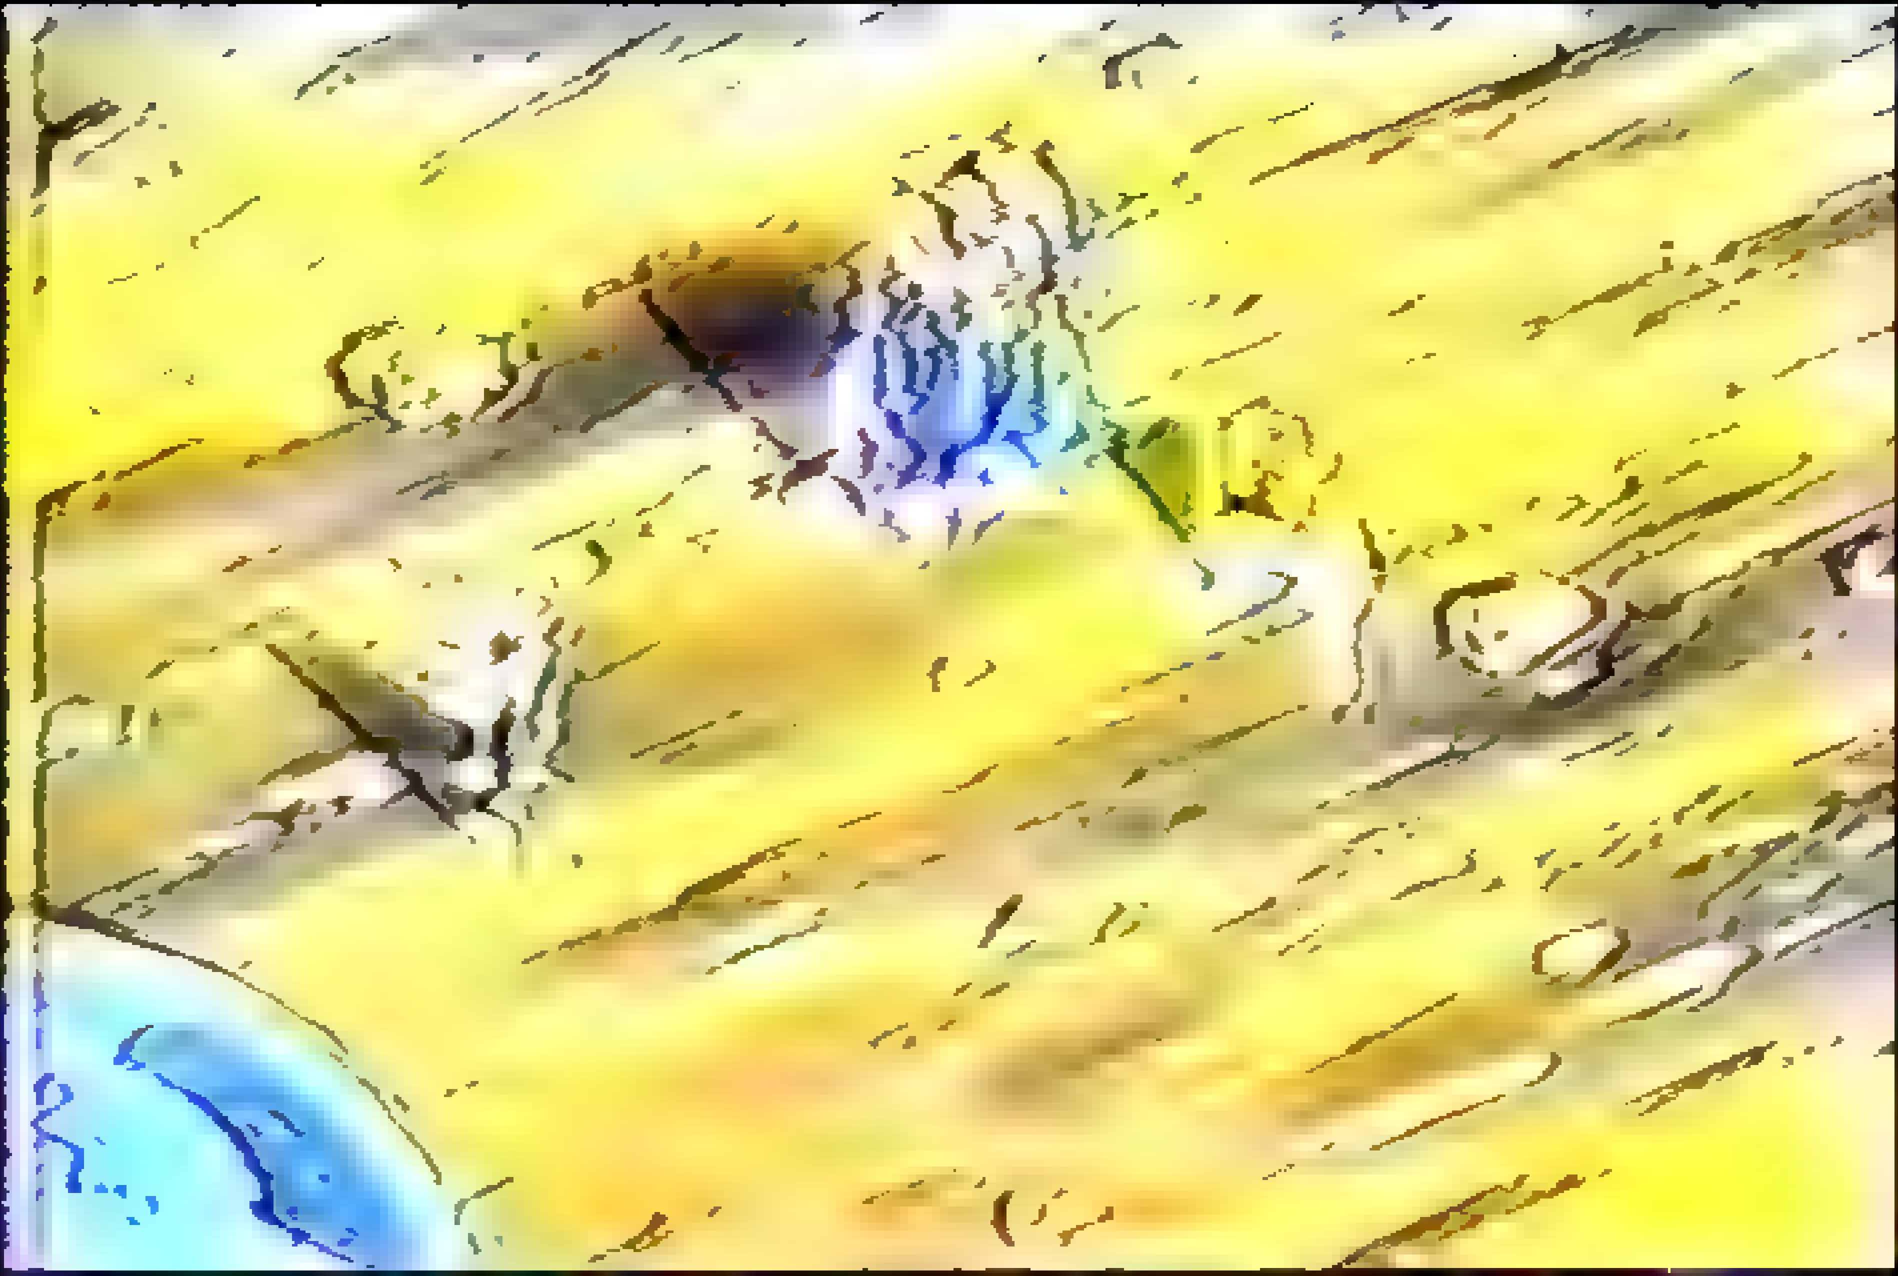

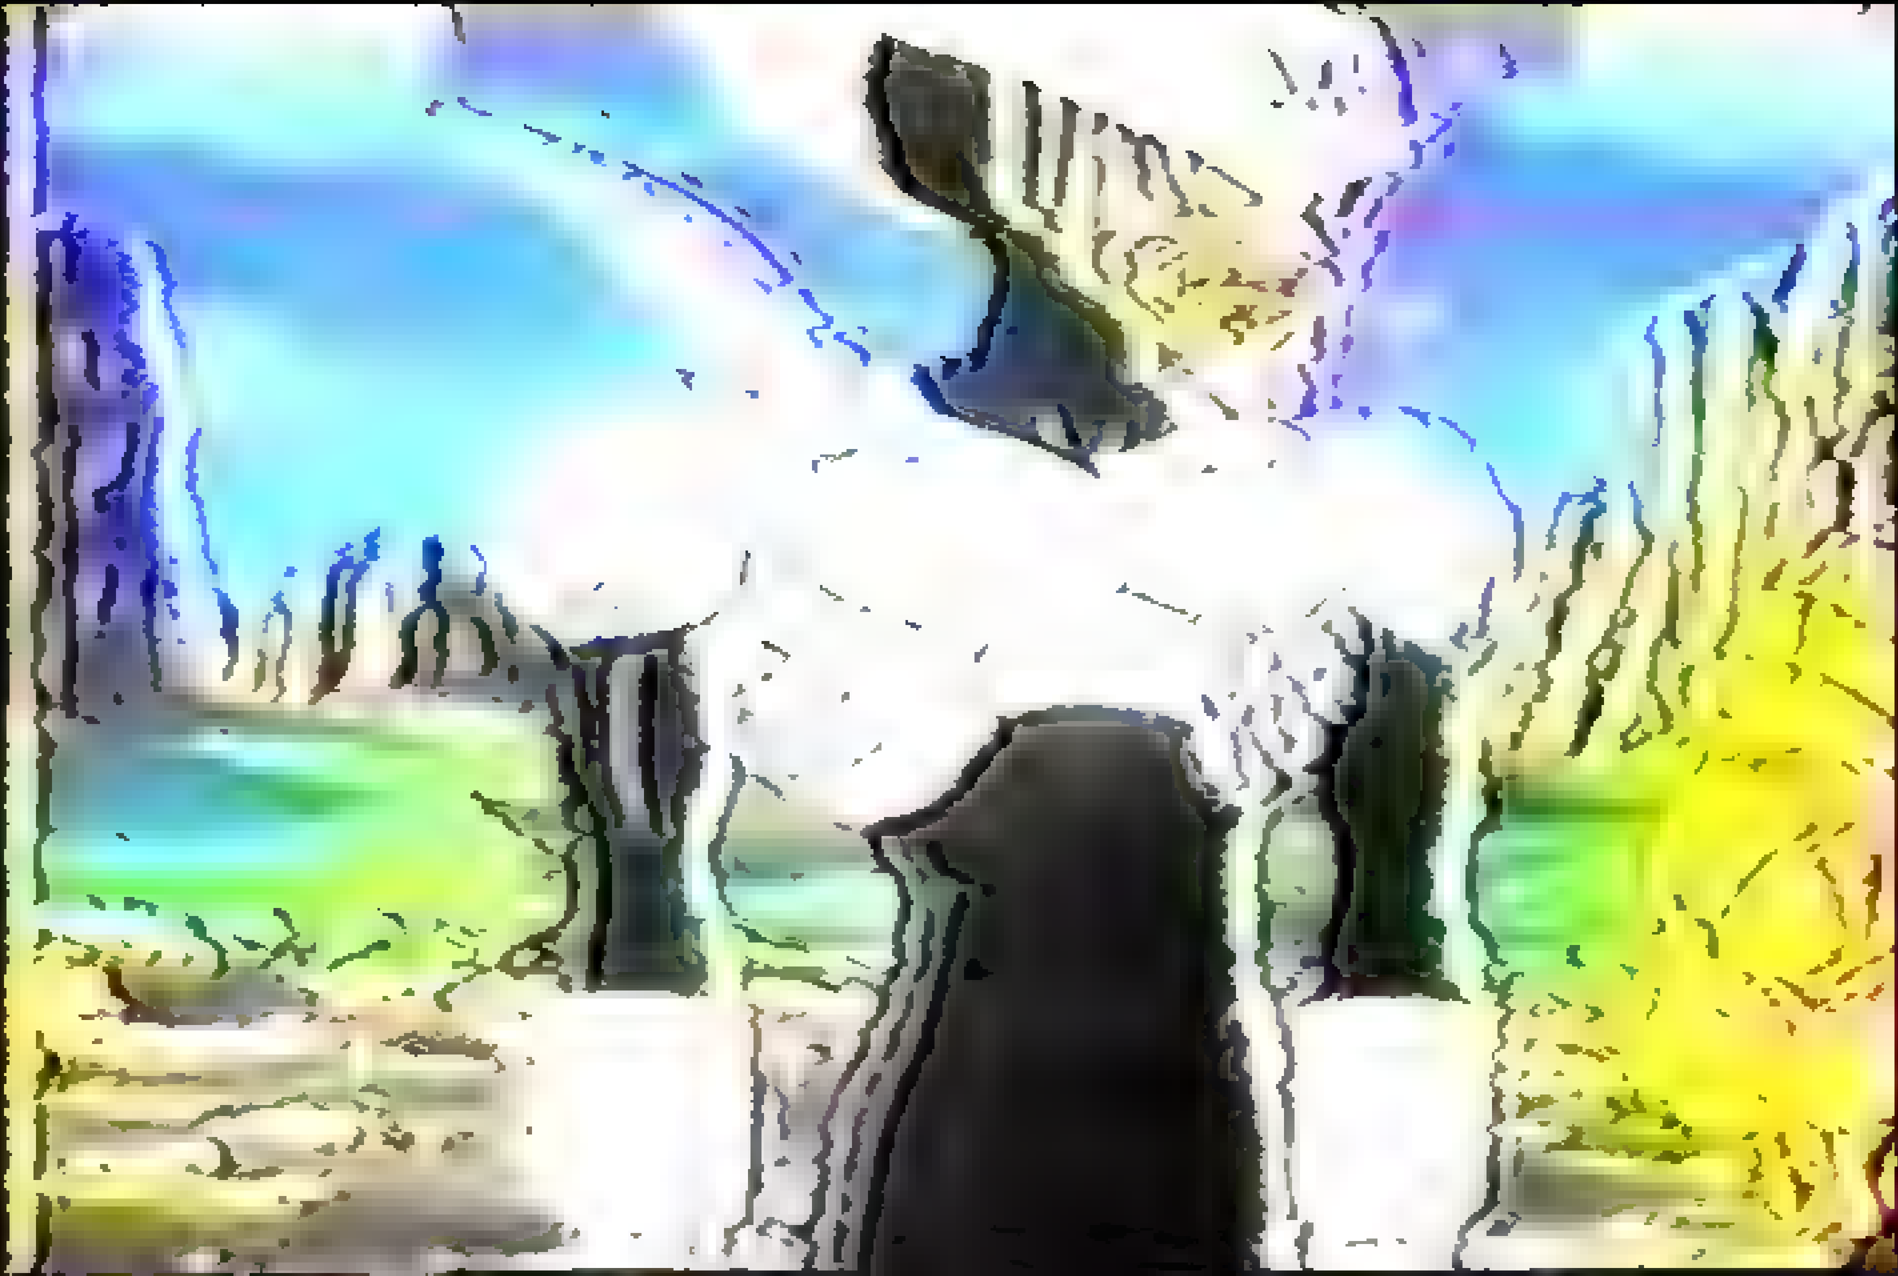

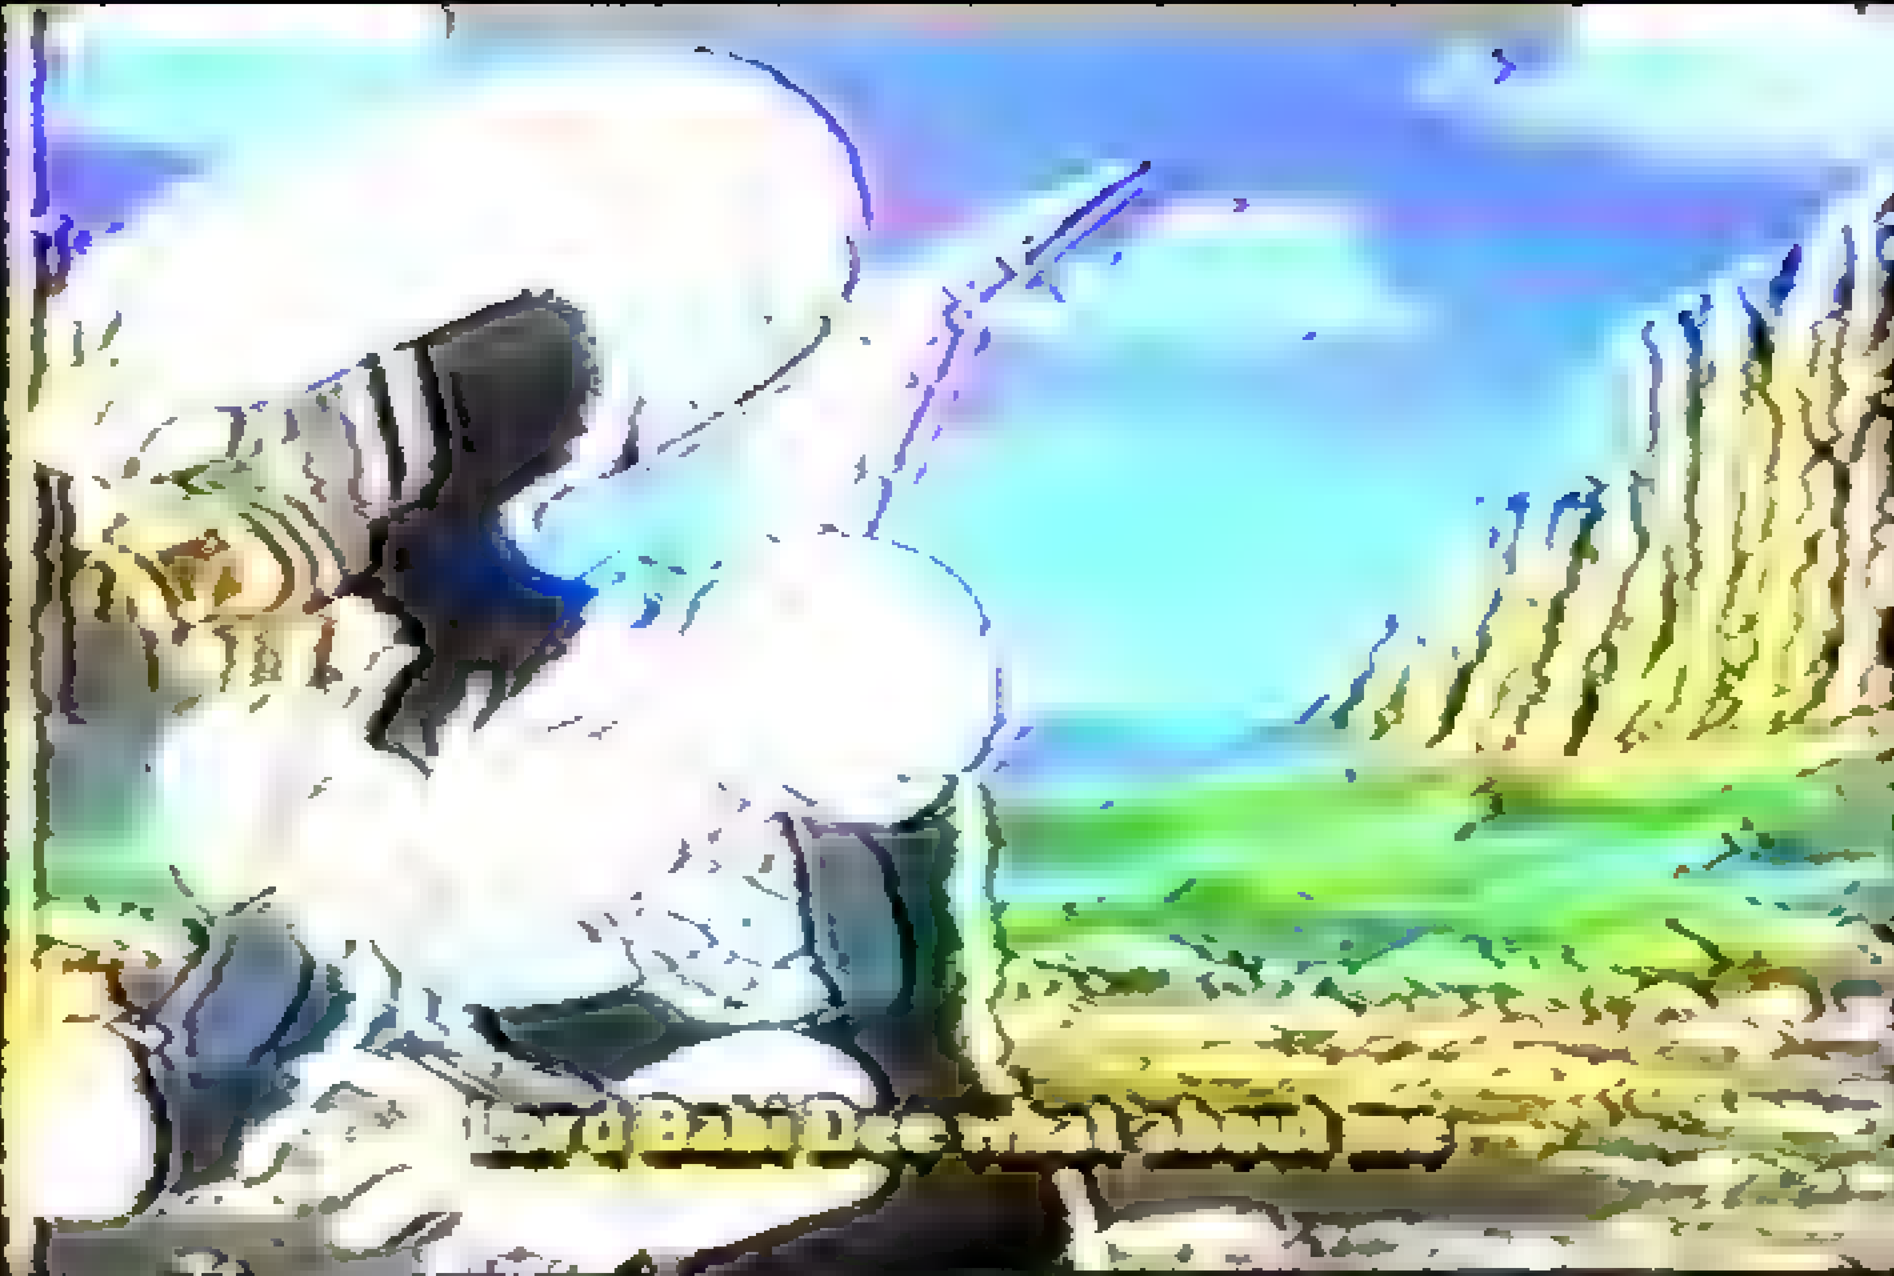

I'll leave the rest up to you

I'll leave the rest up to you

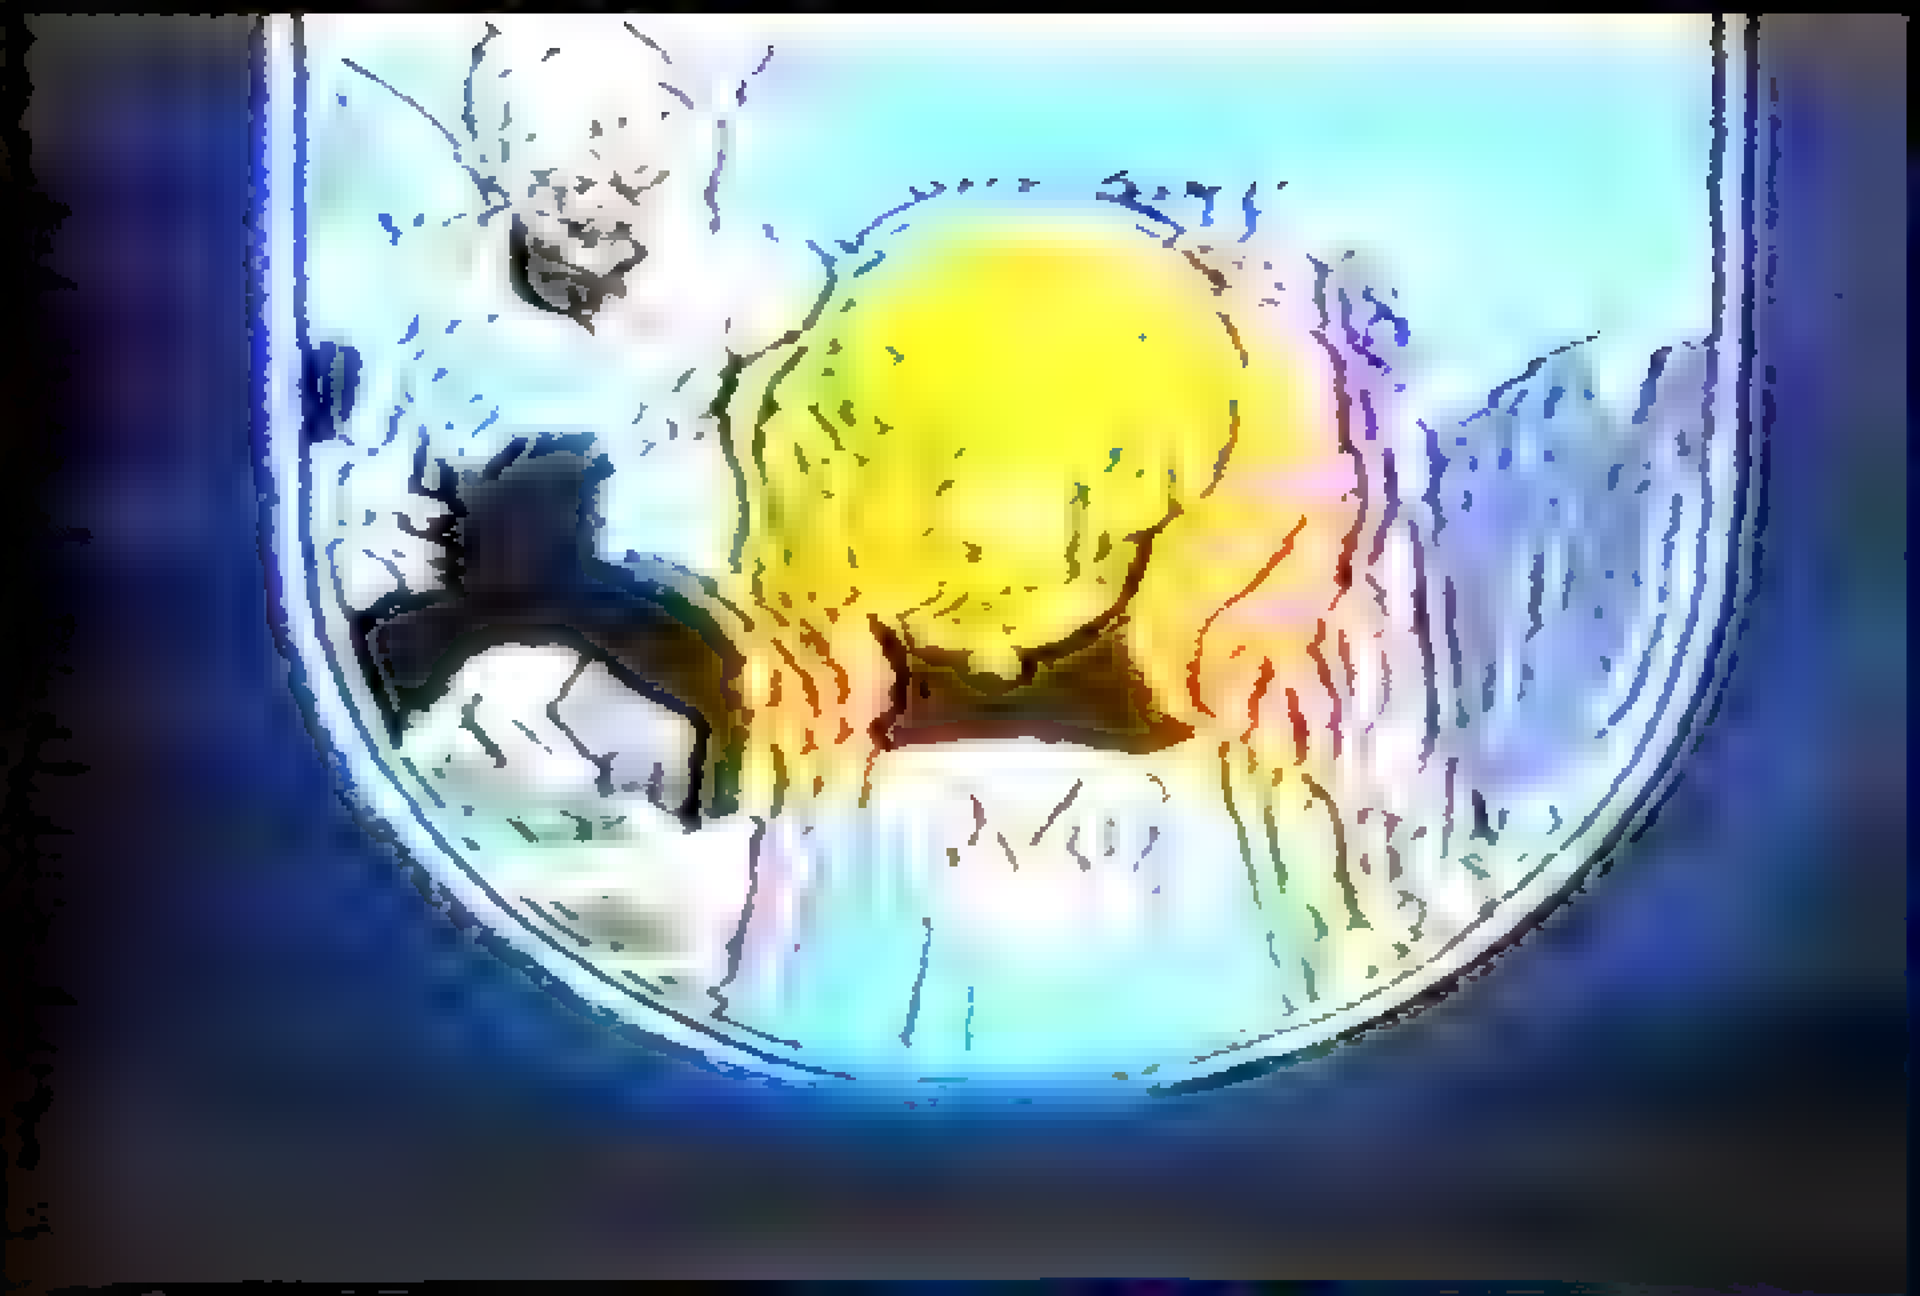

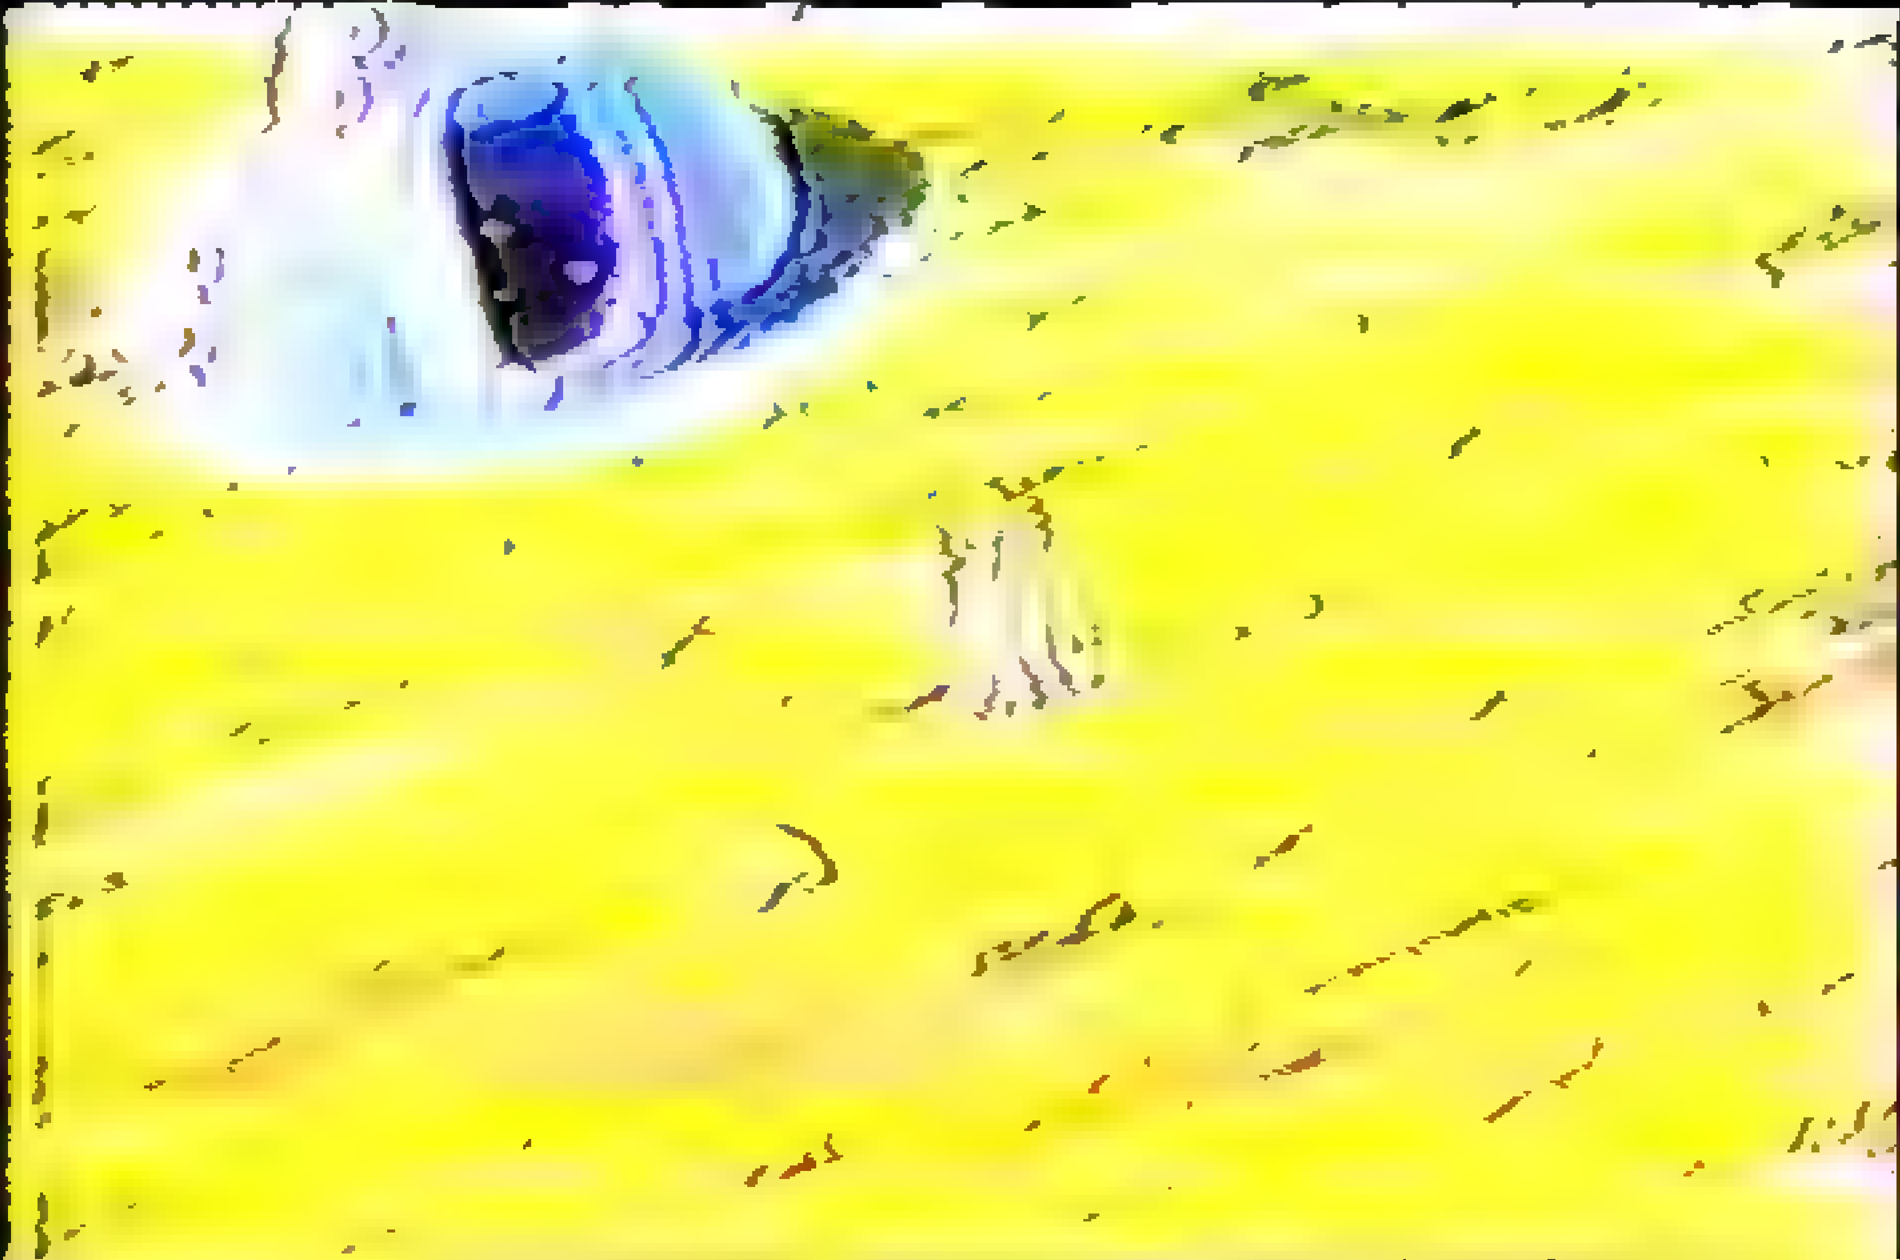

Come inside, you'd fight them in the first stage.

Come inside, you'll fight them in the first stage.

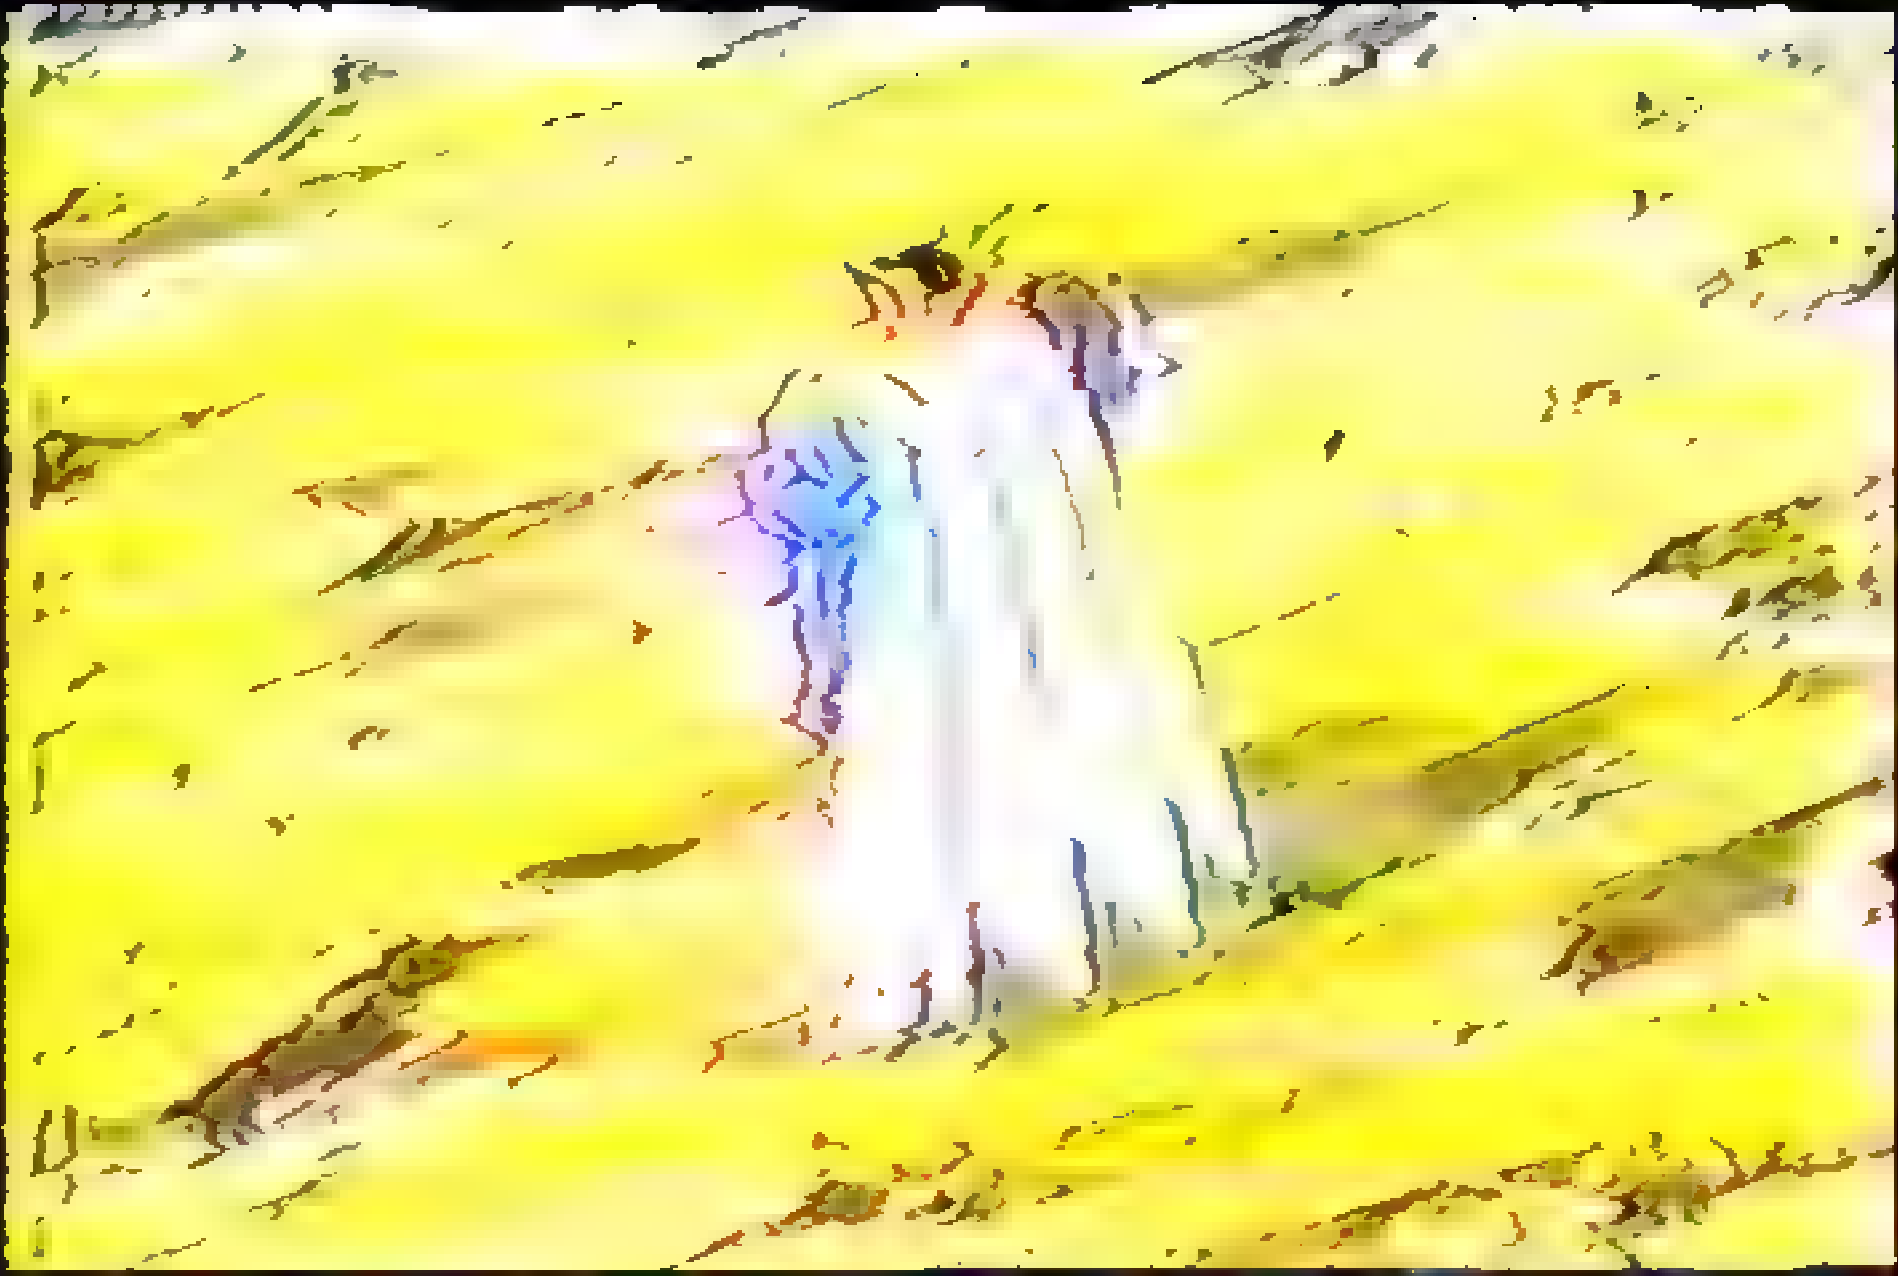

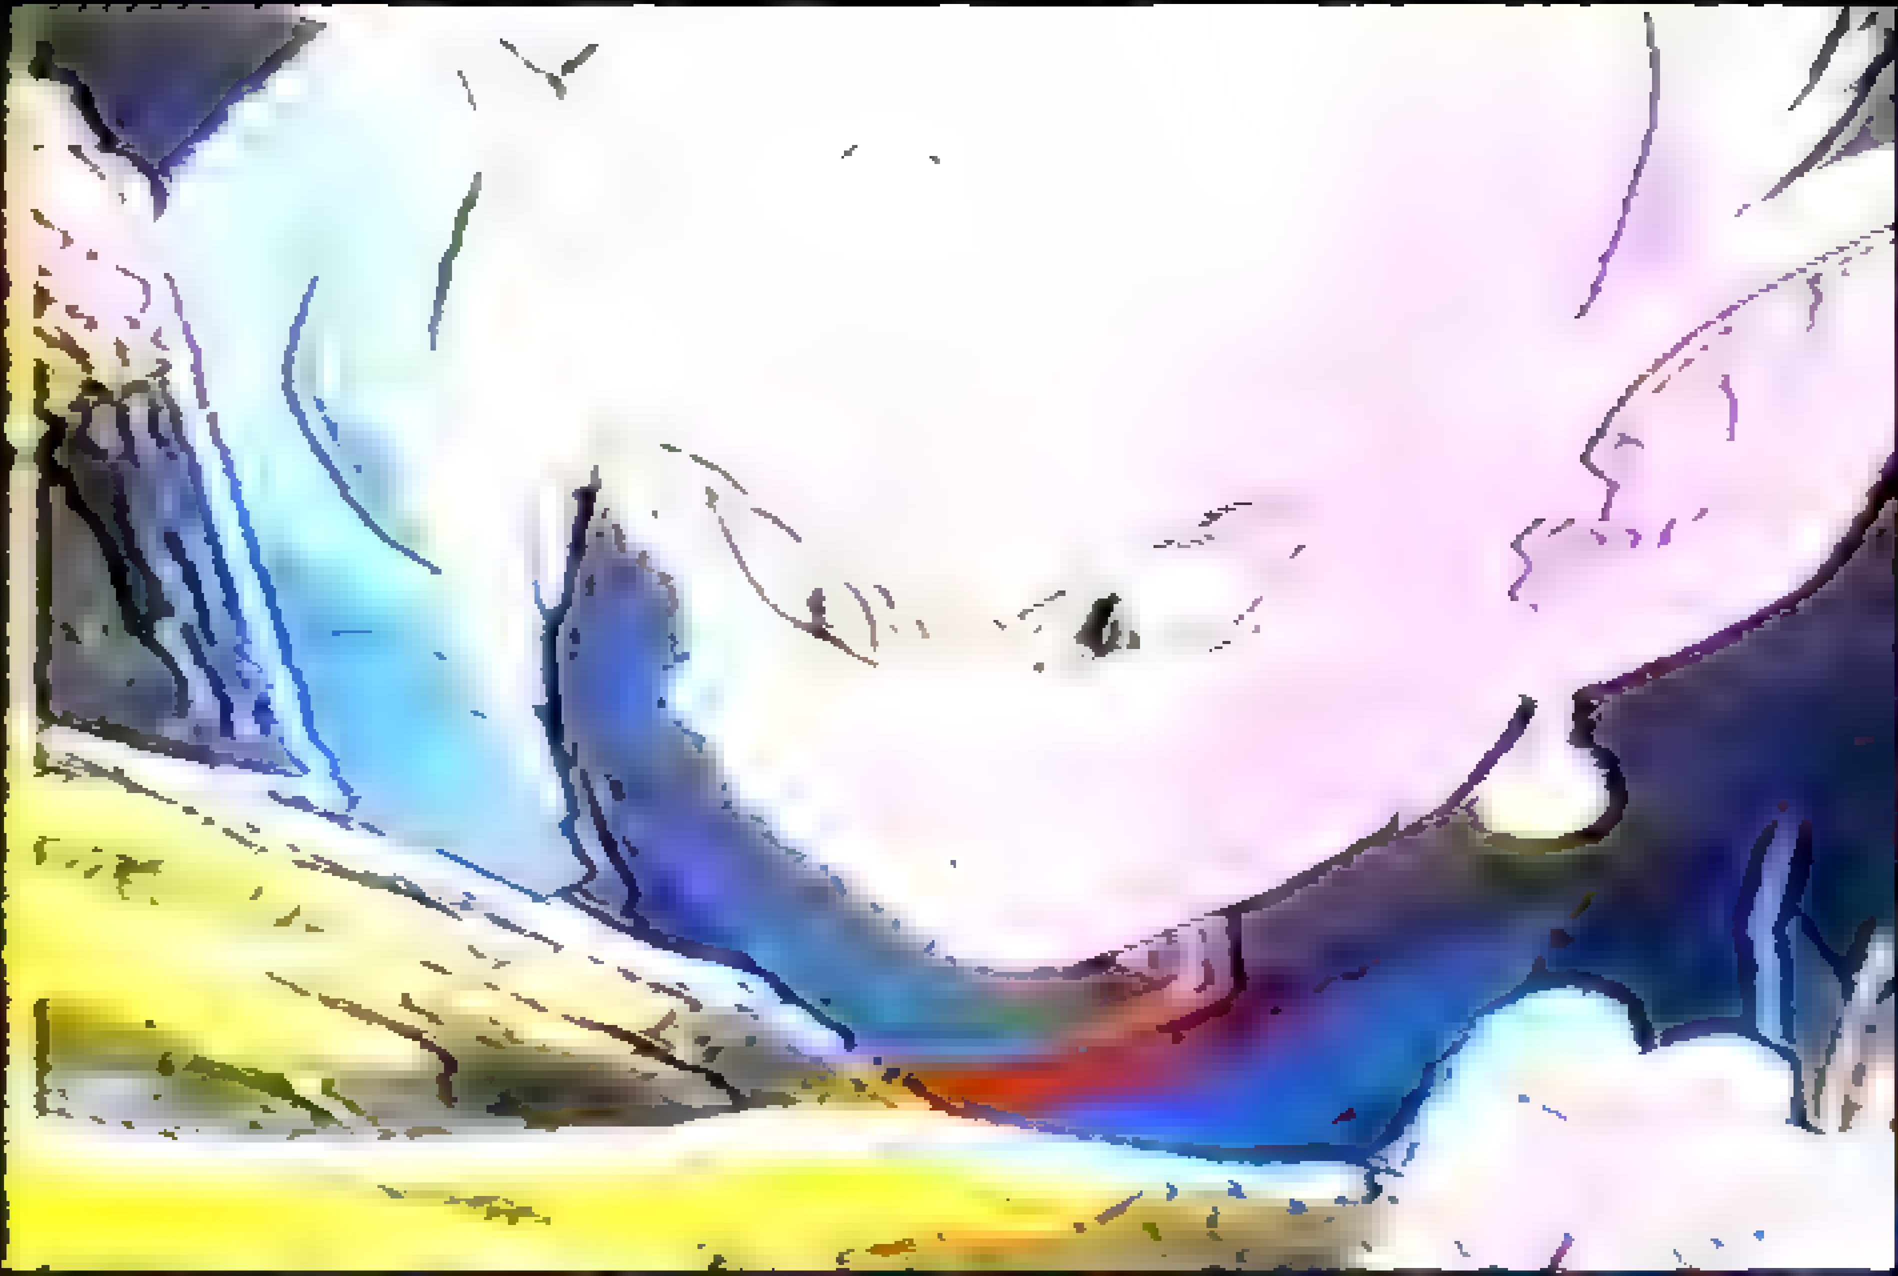

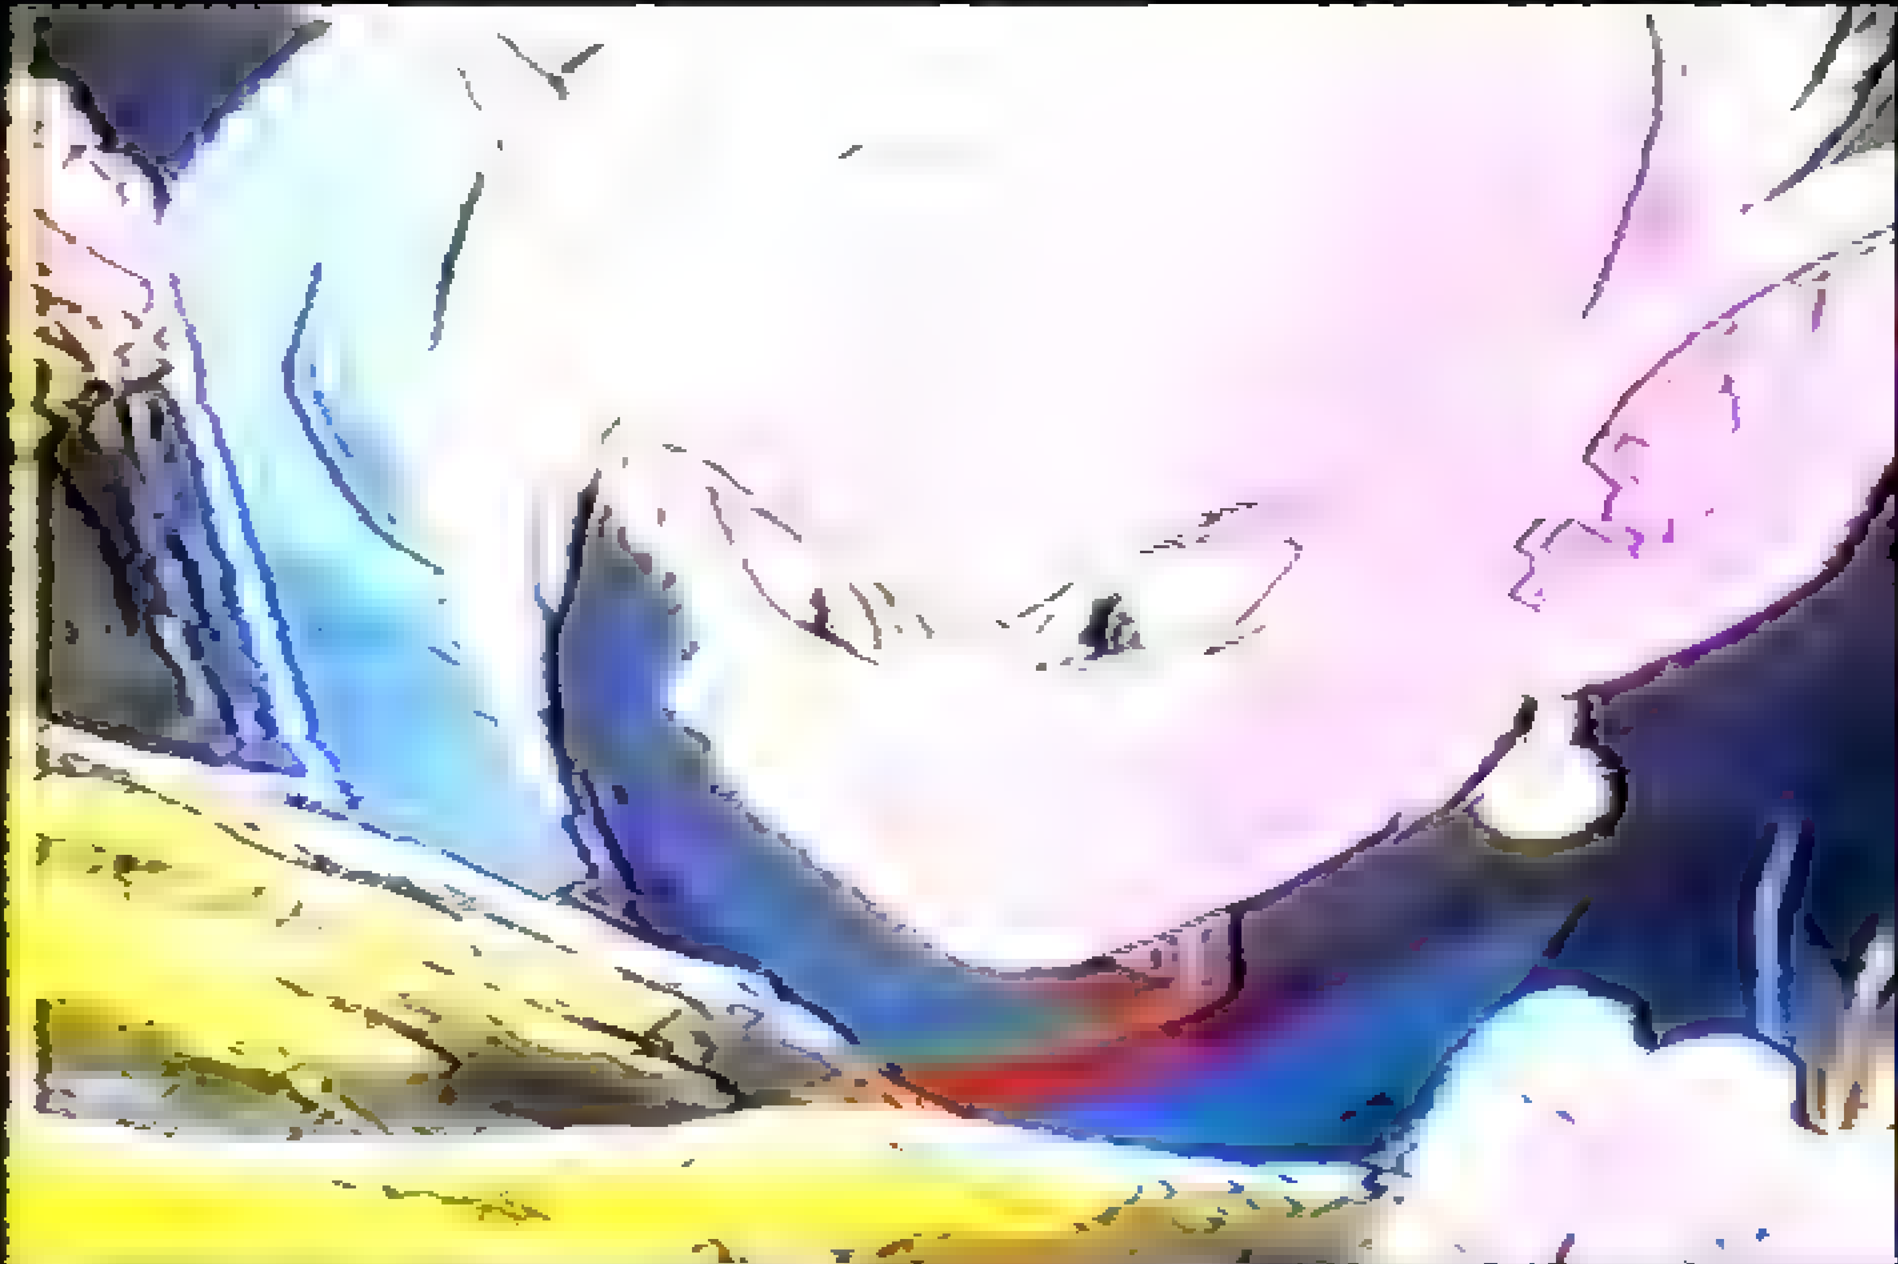

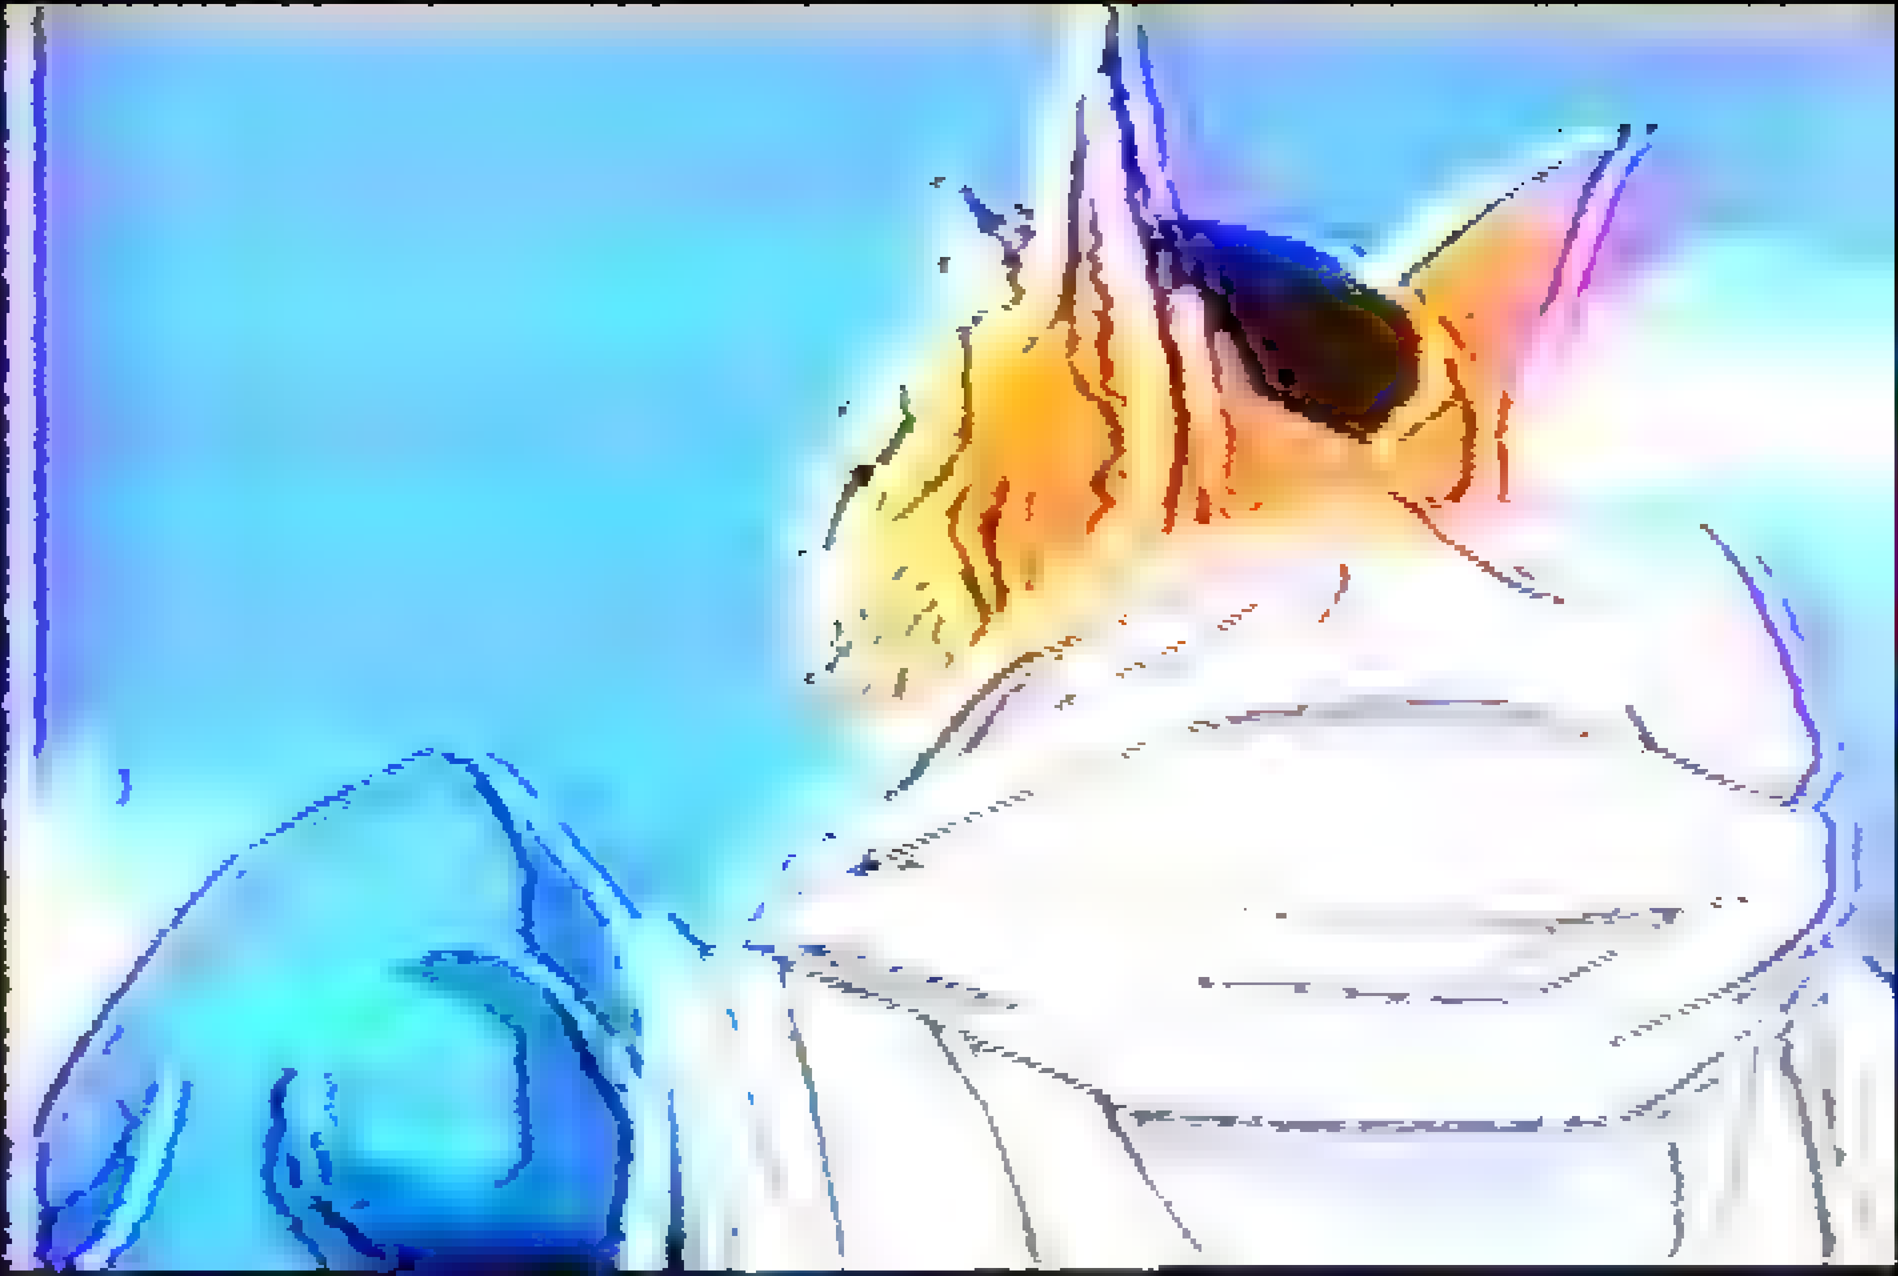

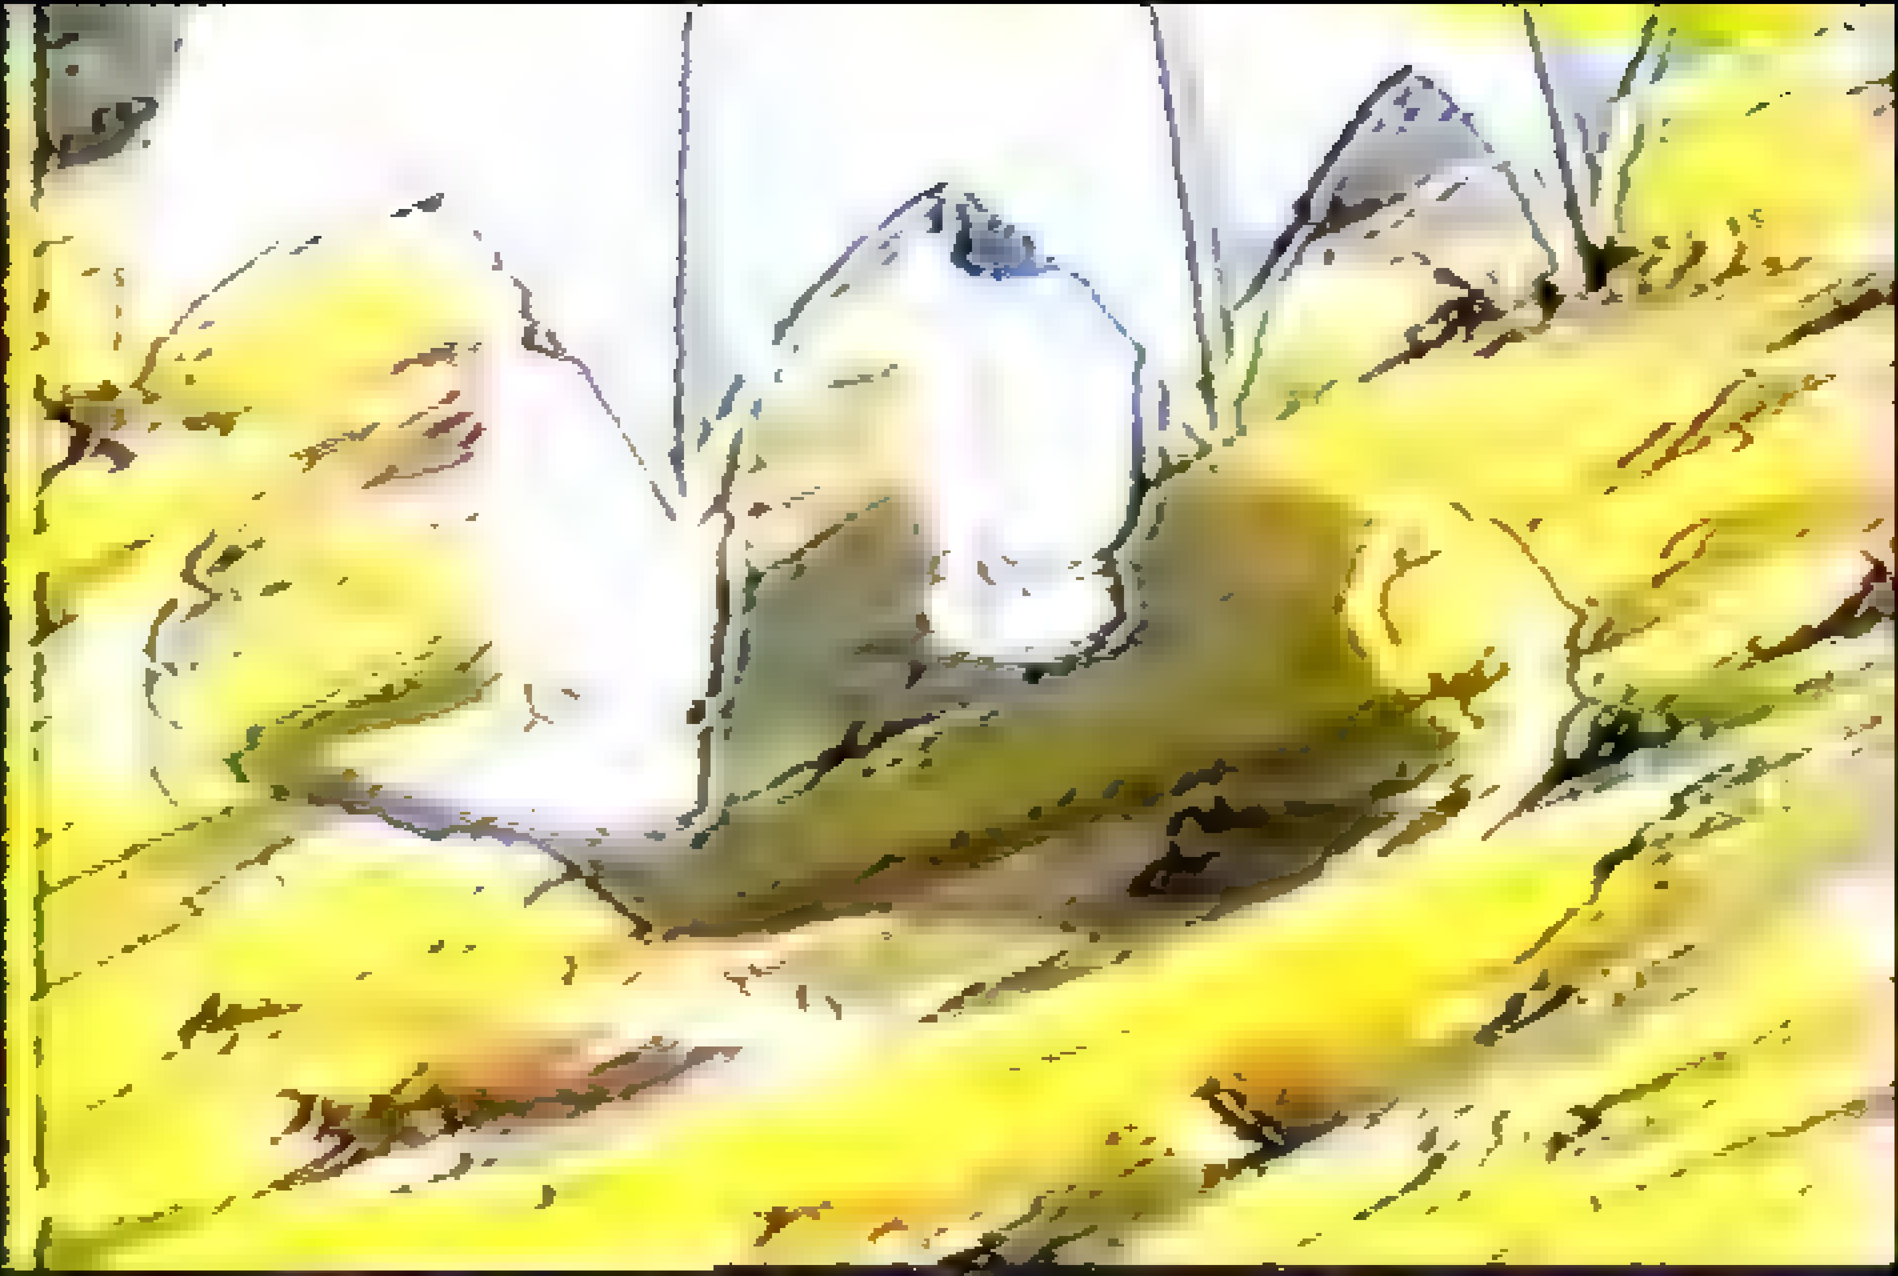

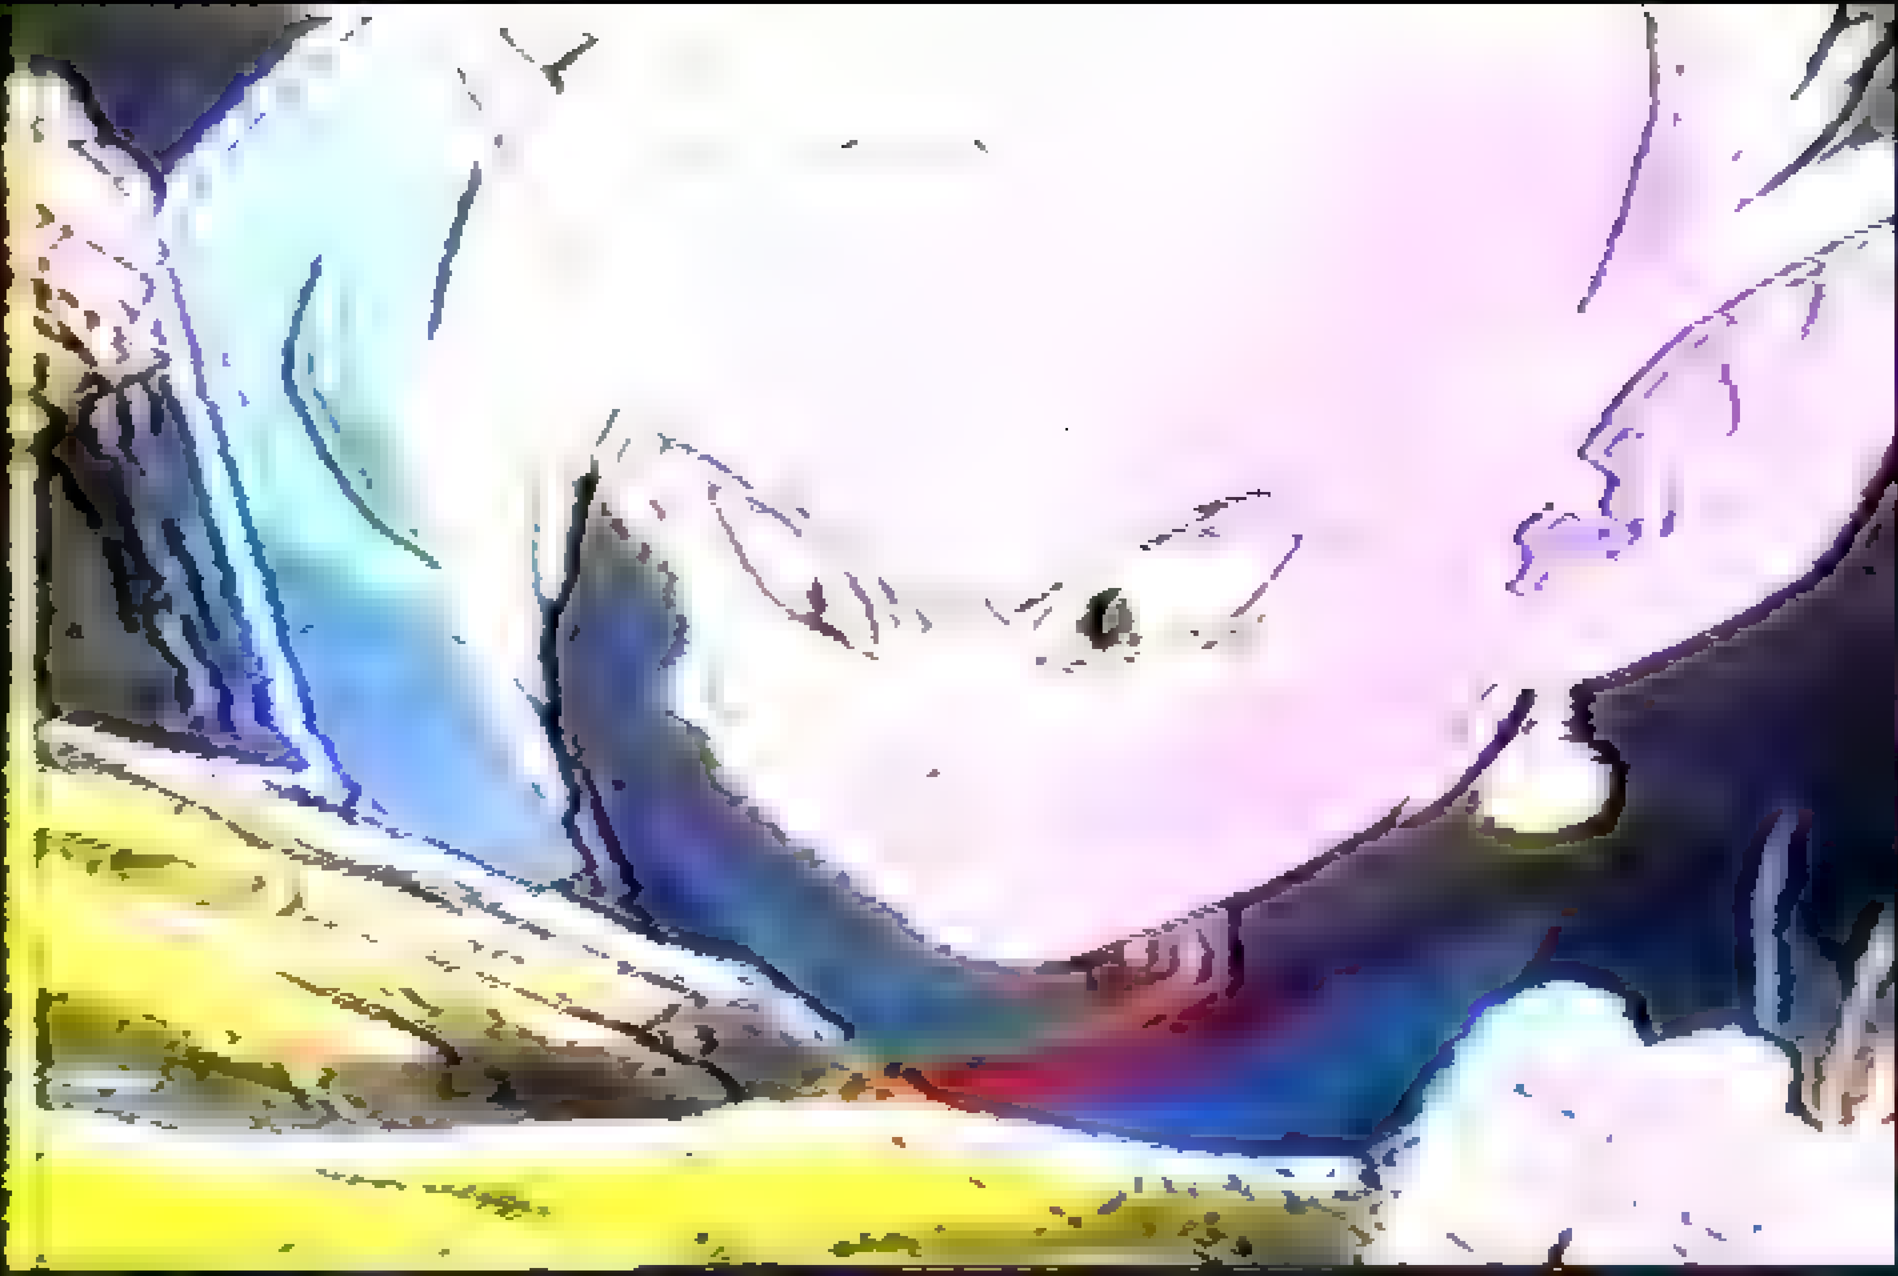

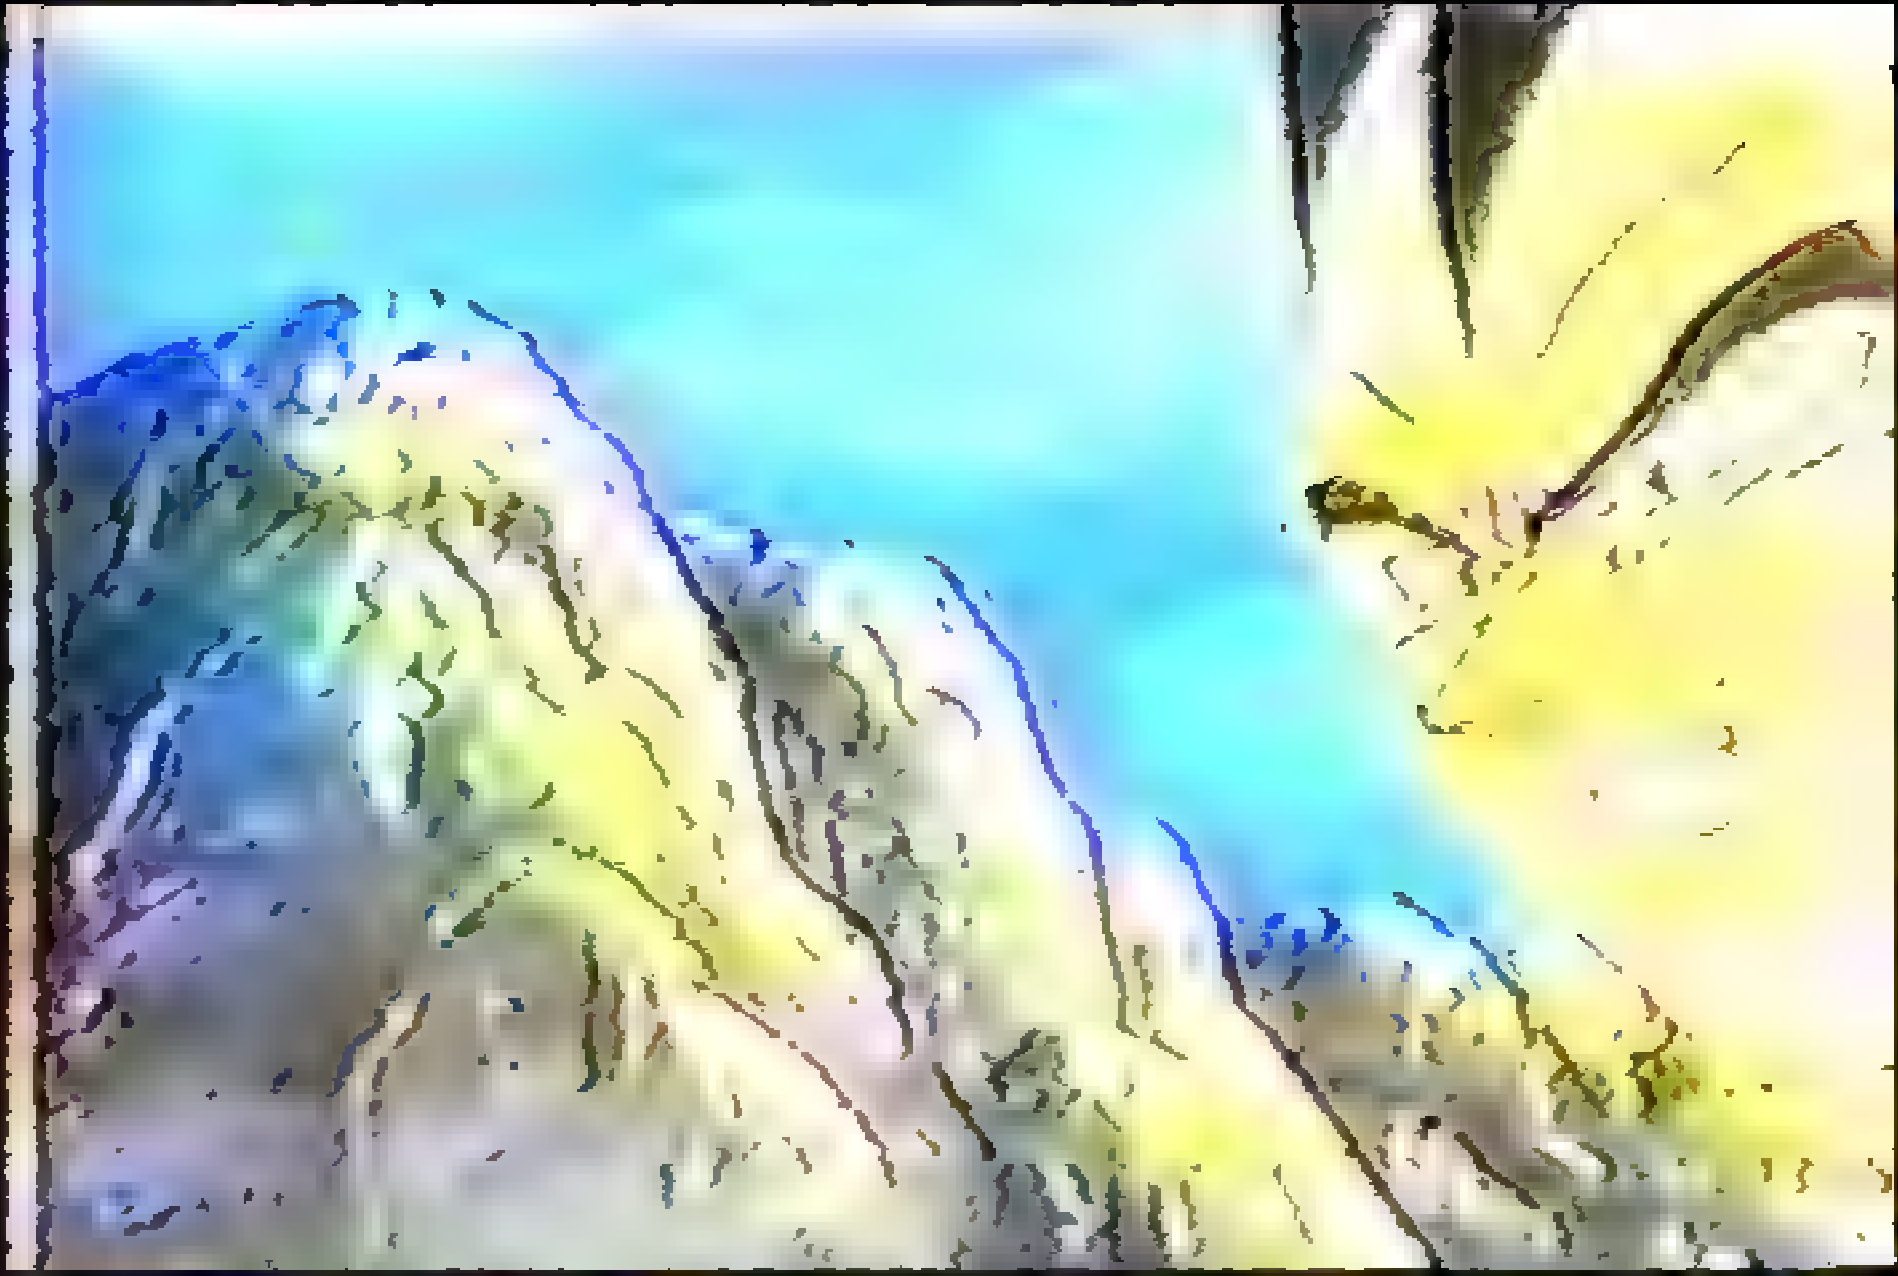

Let's do it...

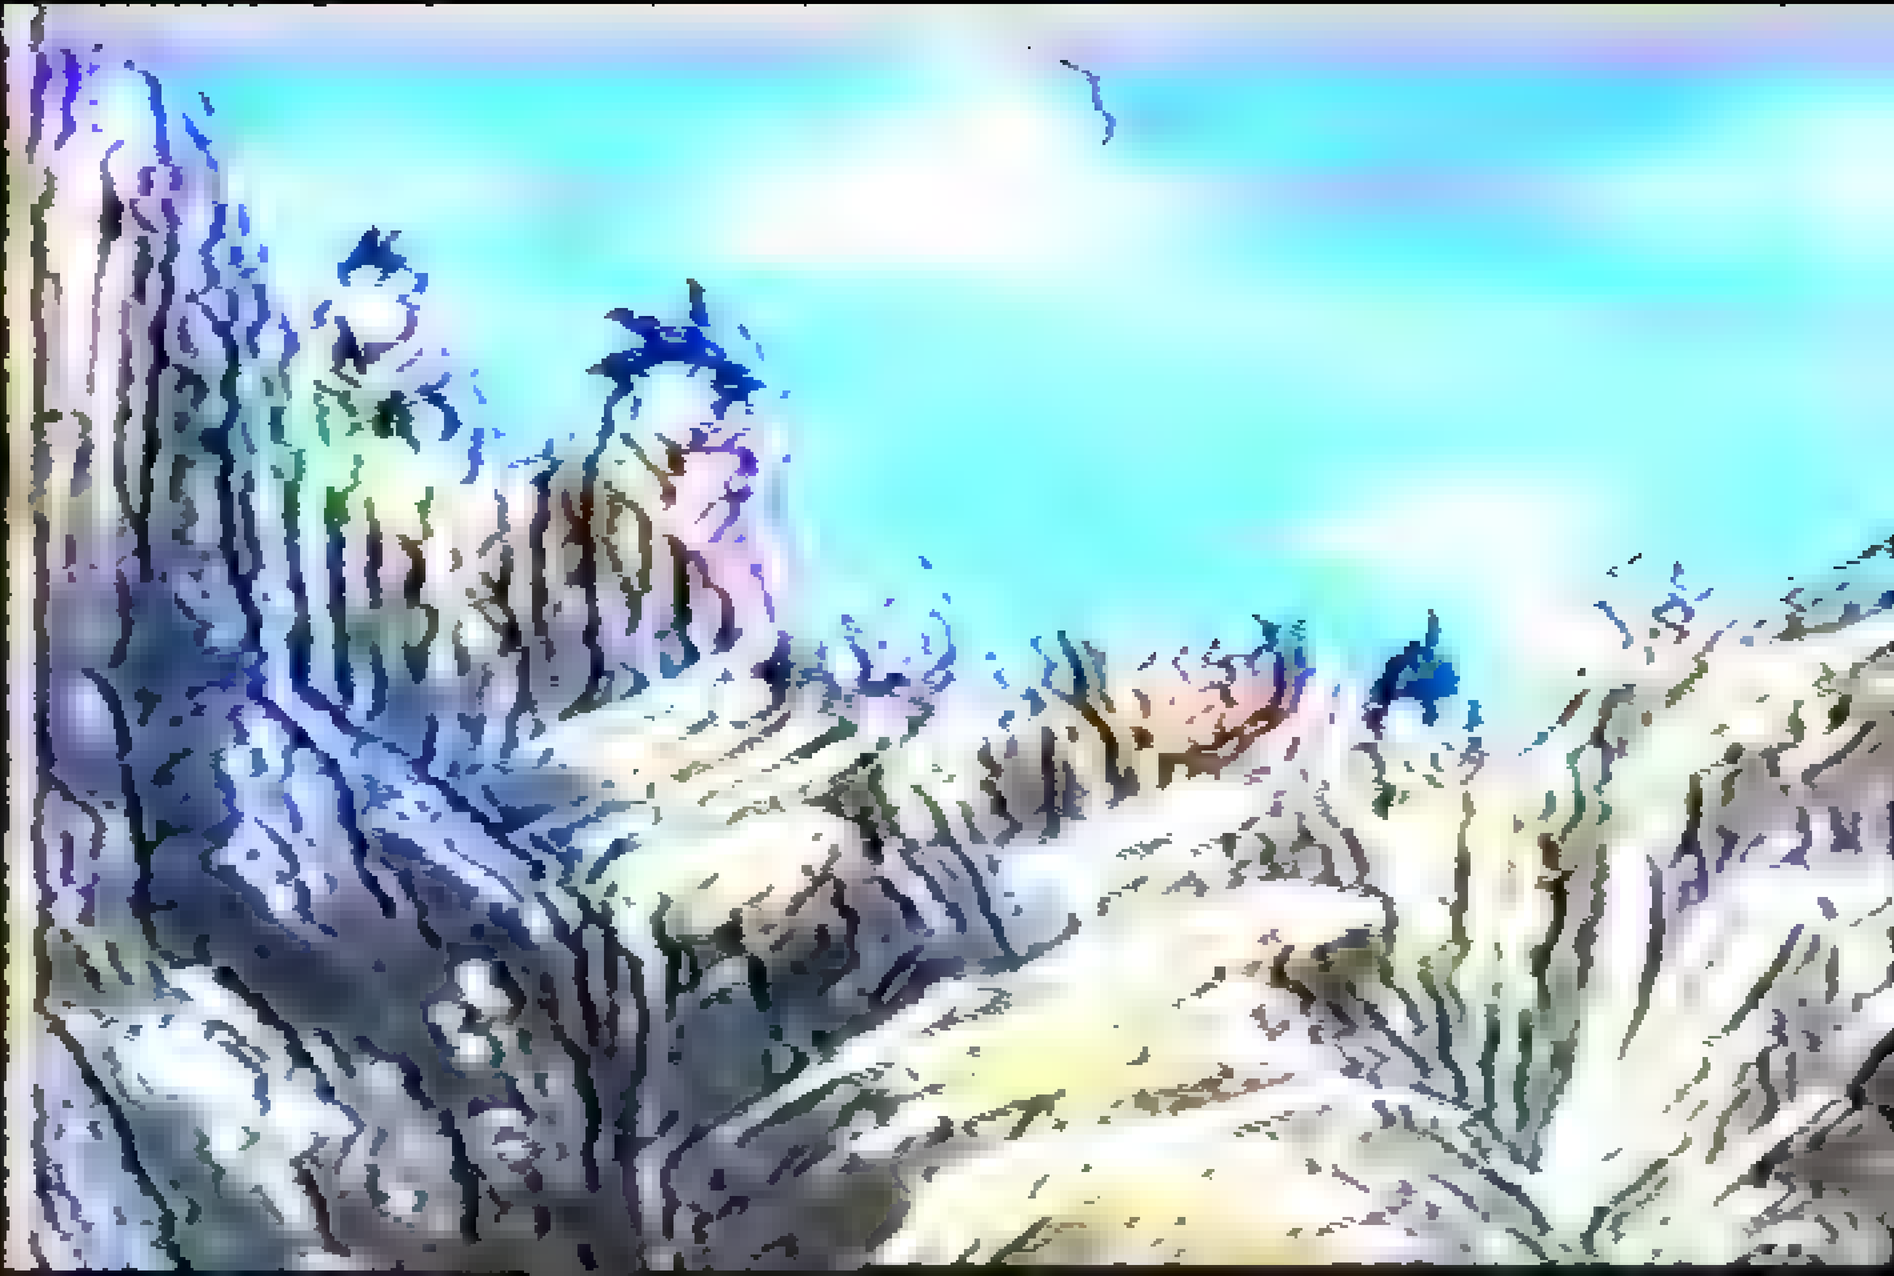

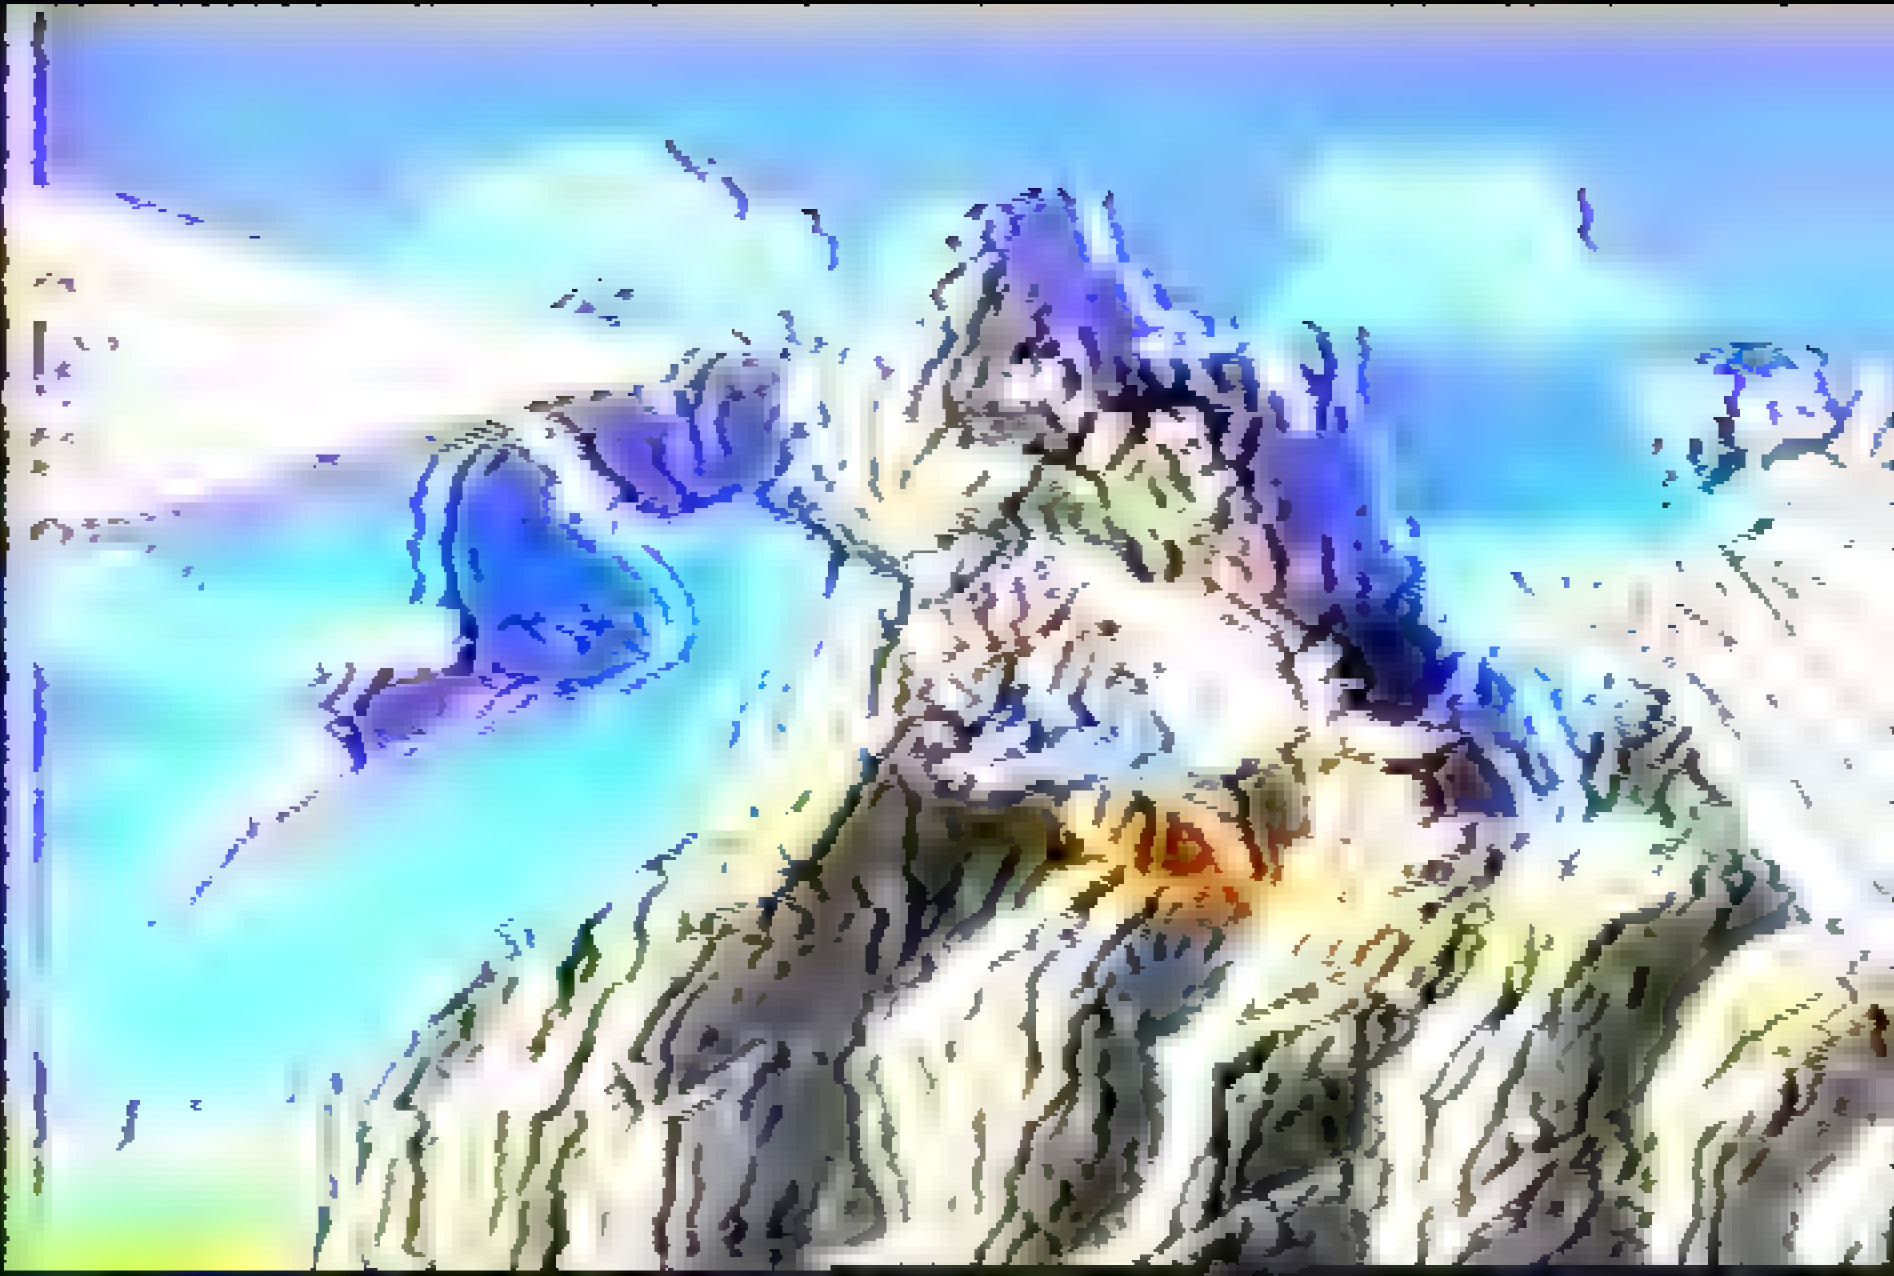

They know about us!!

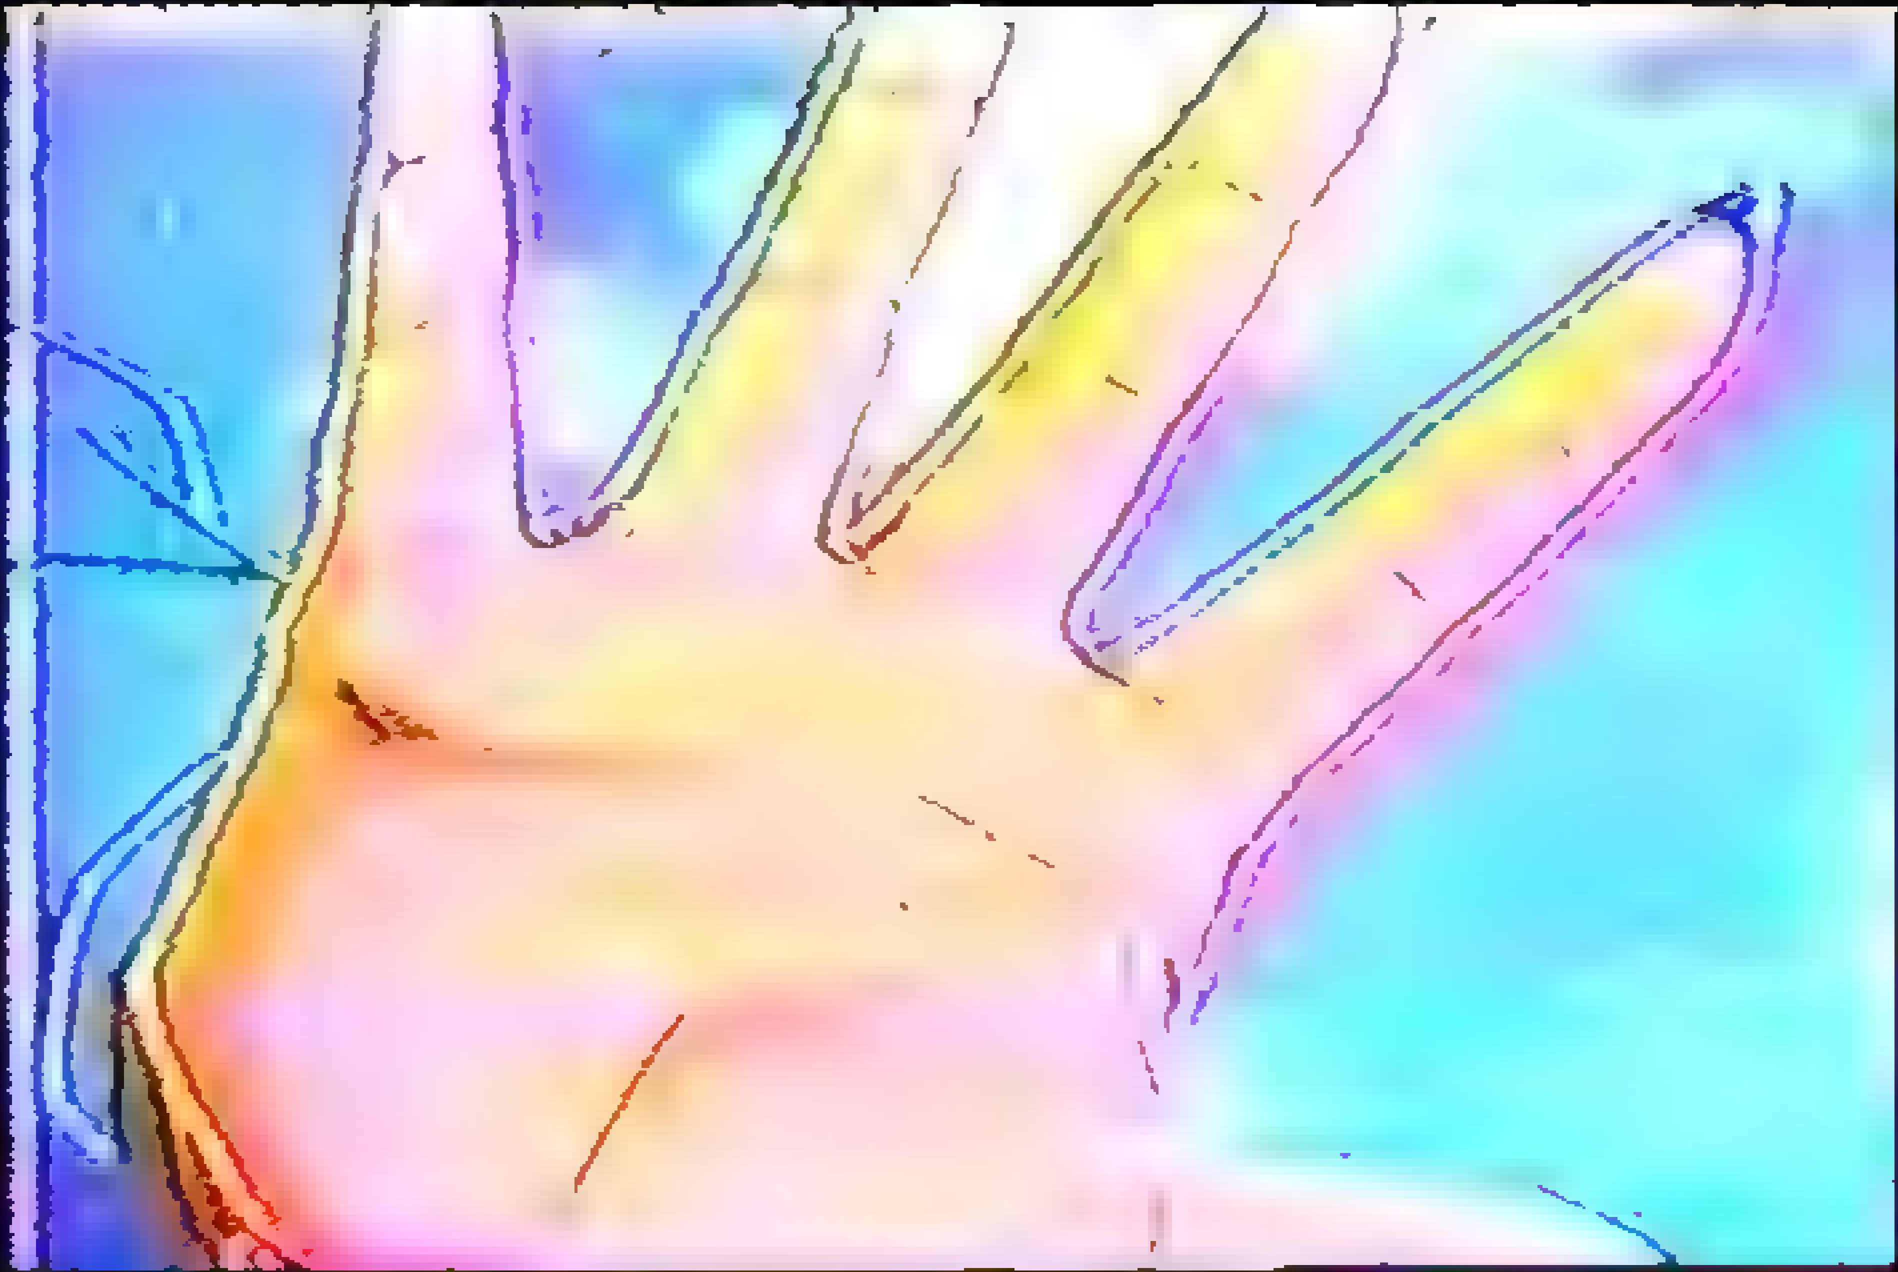

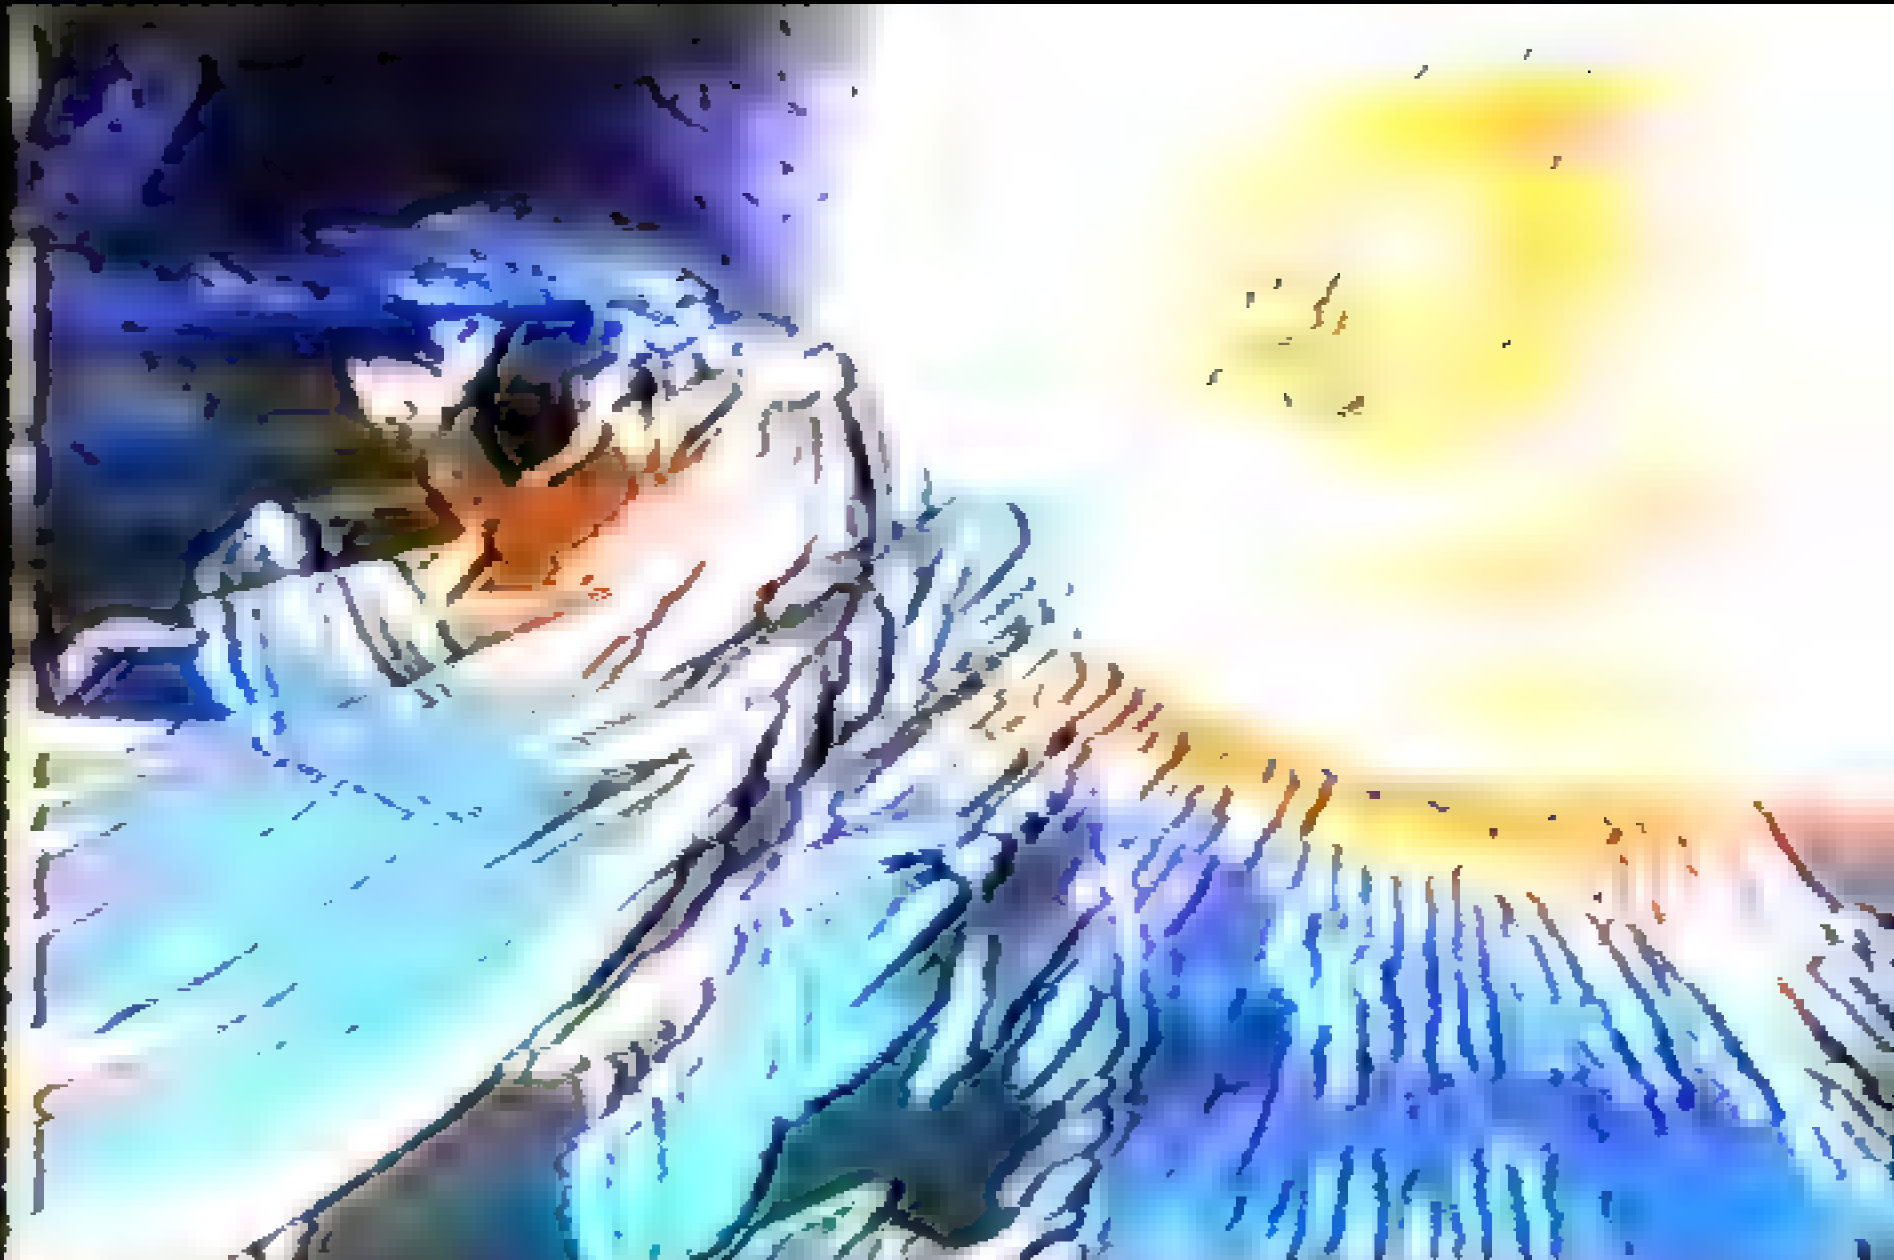

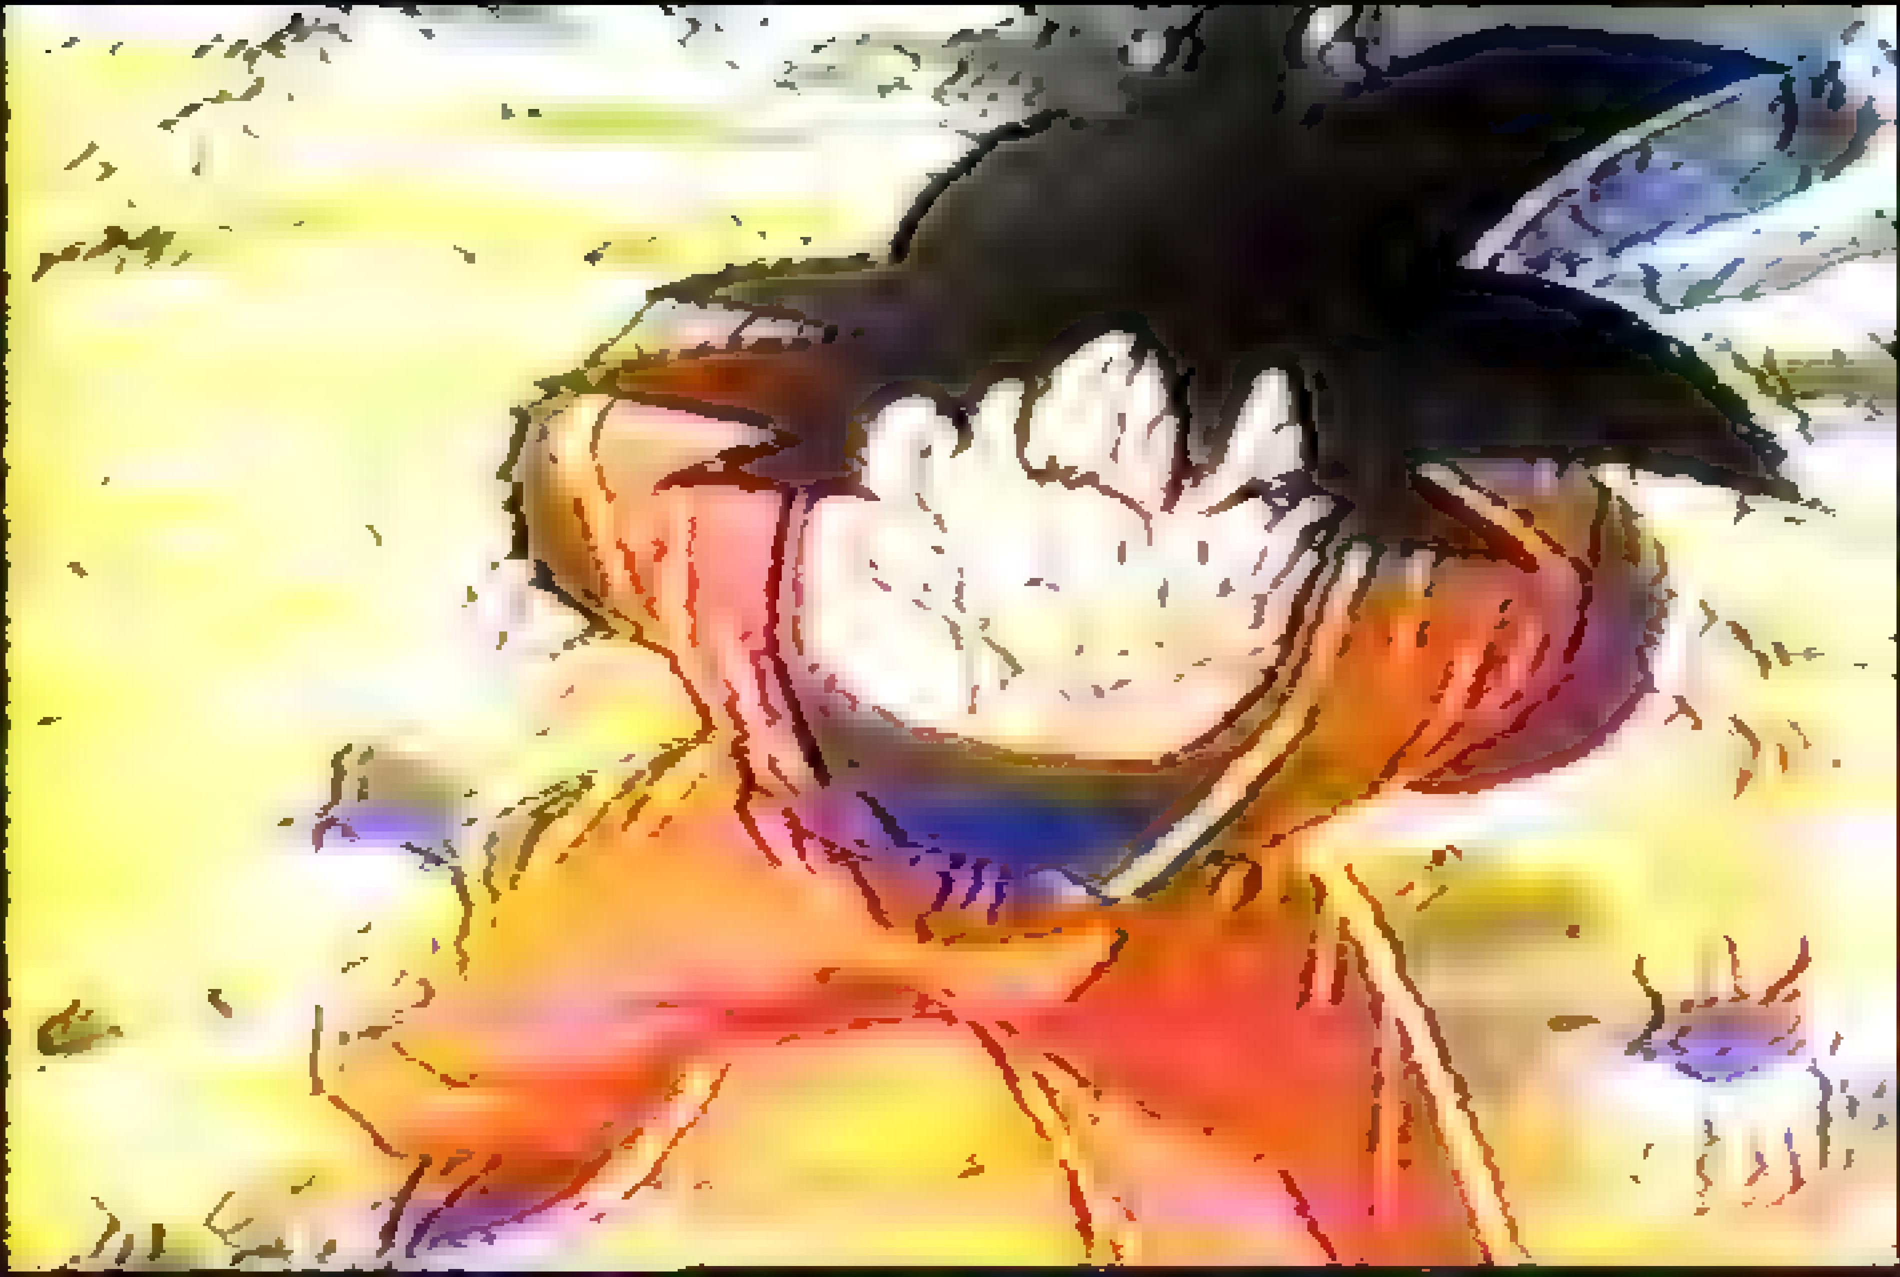

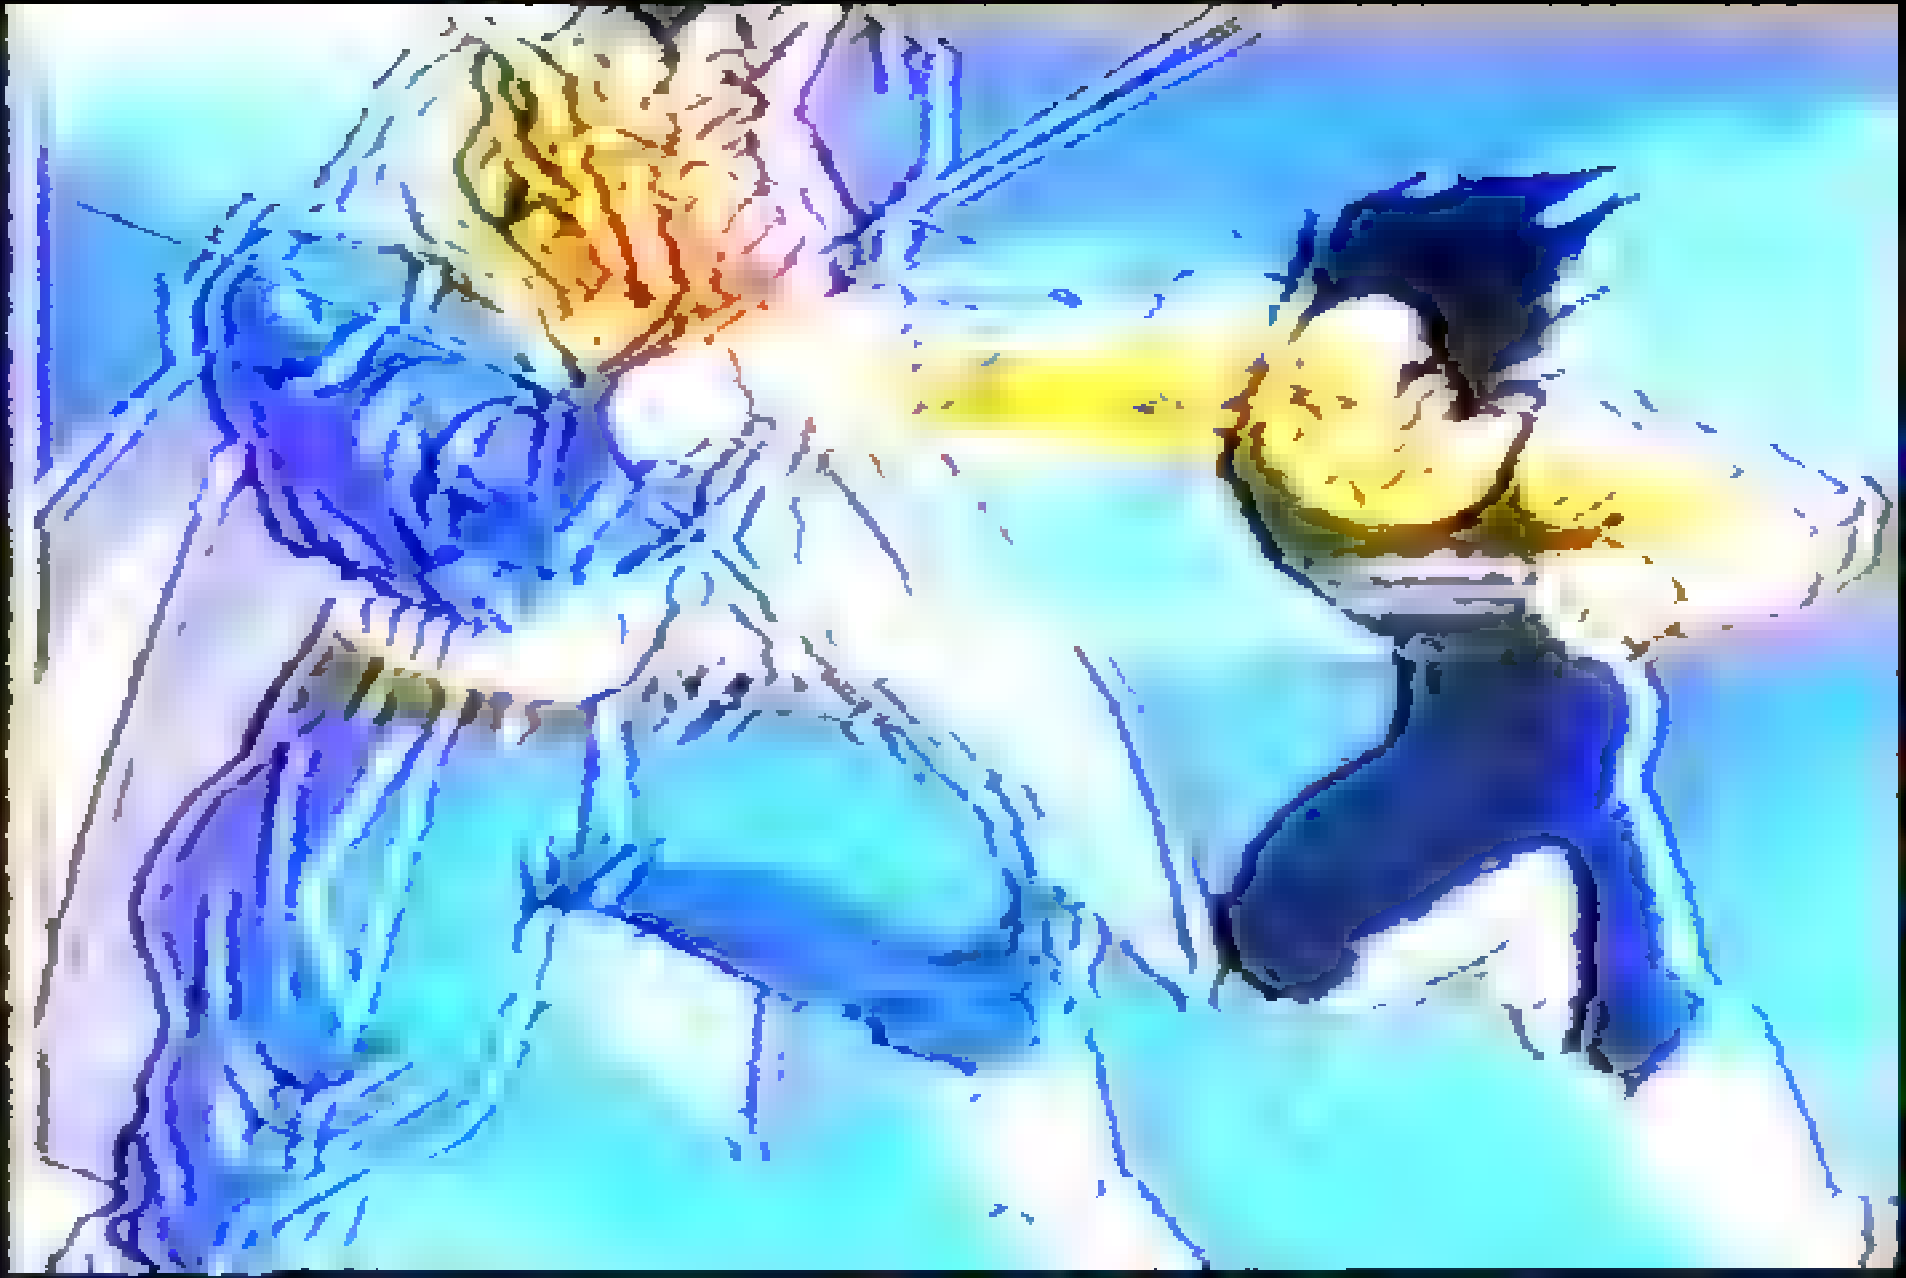

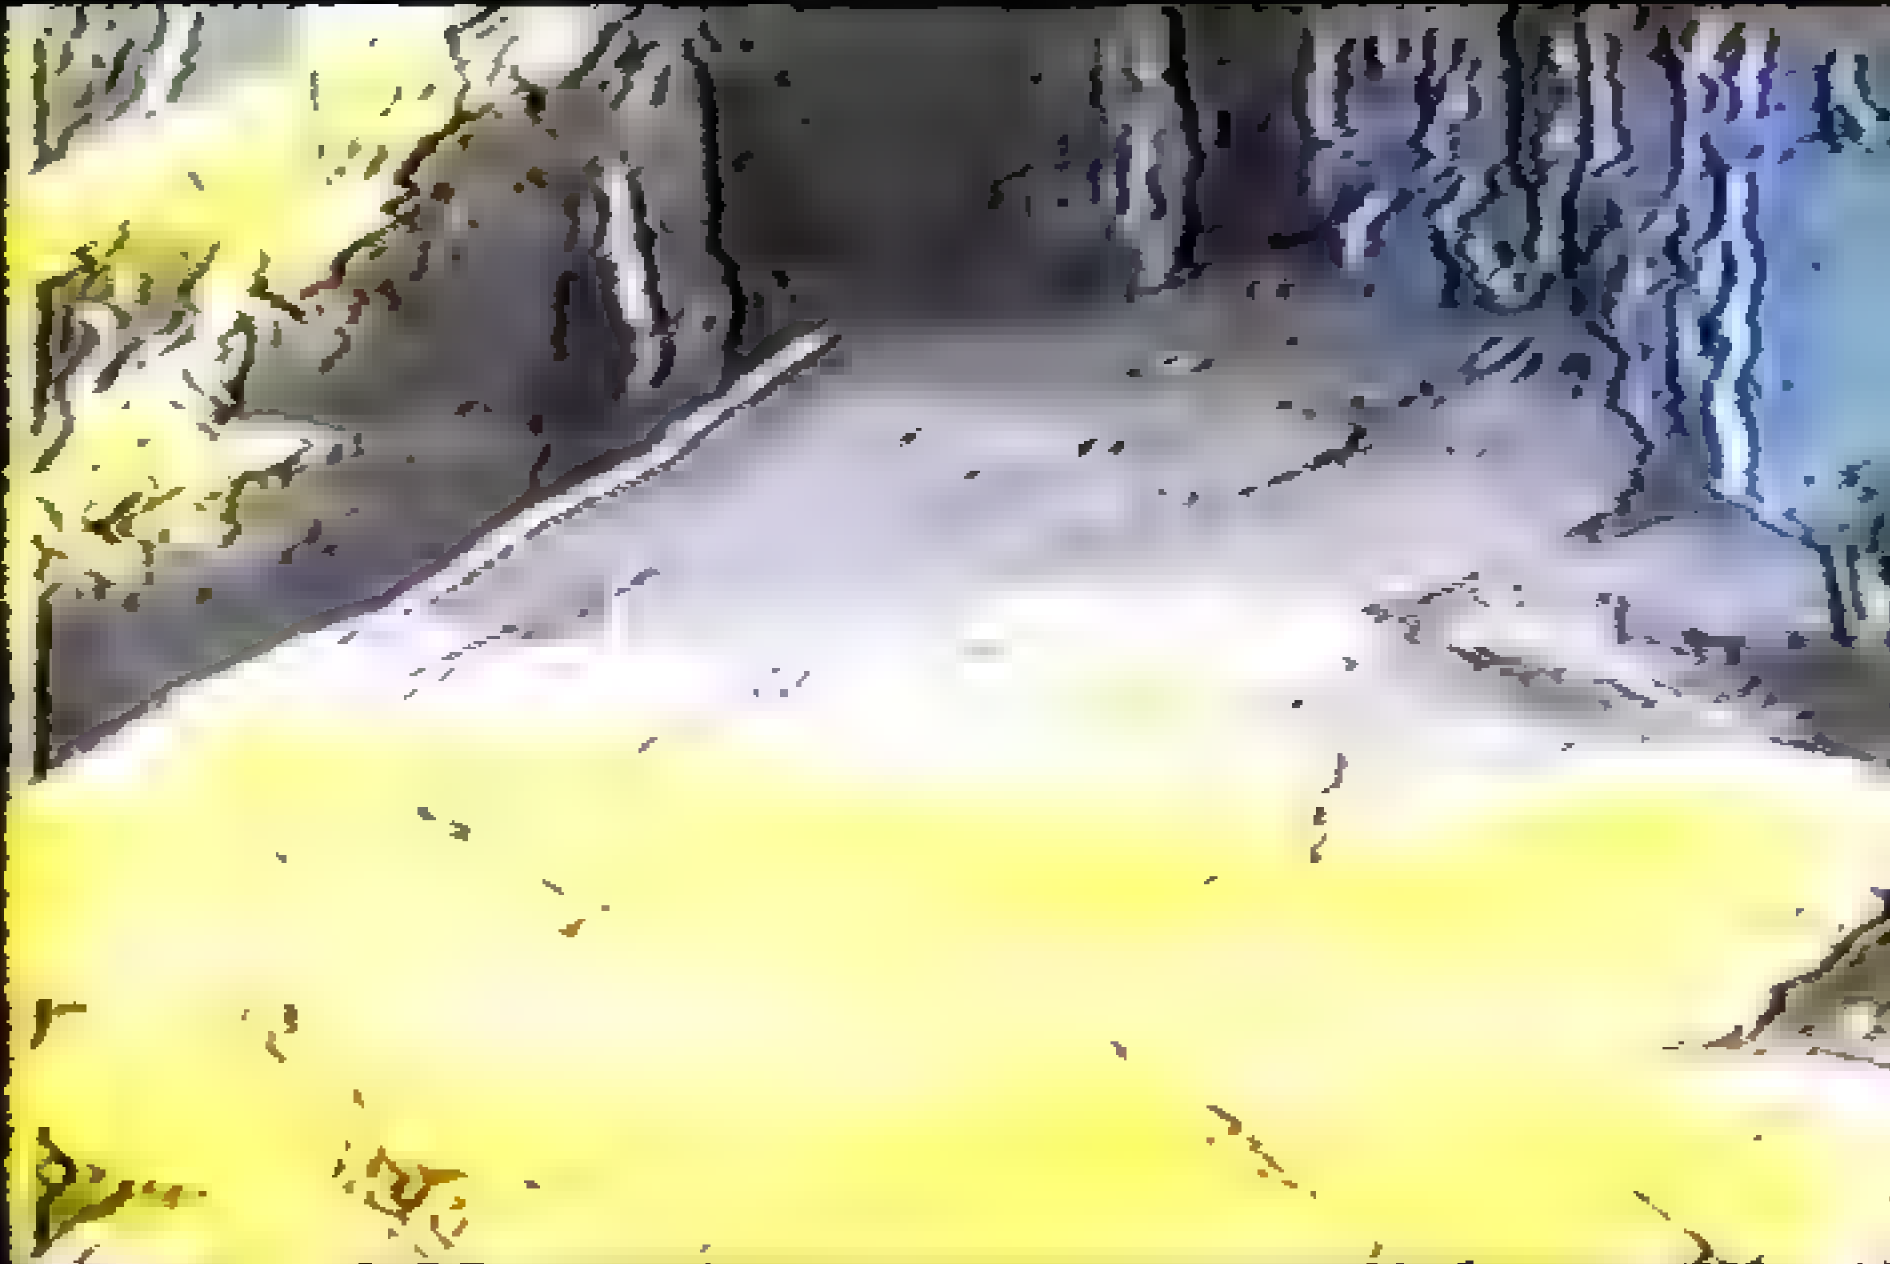

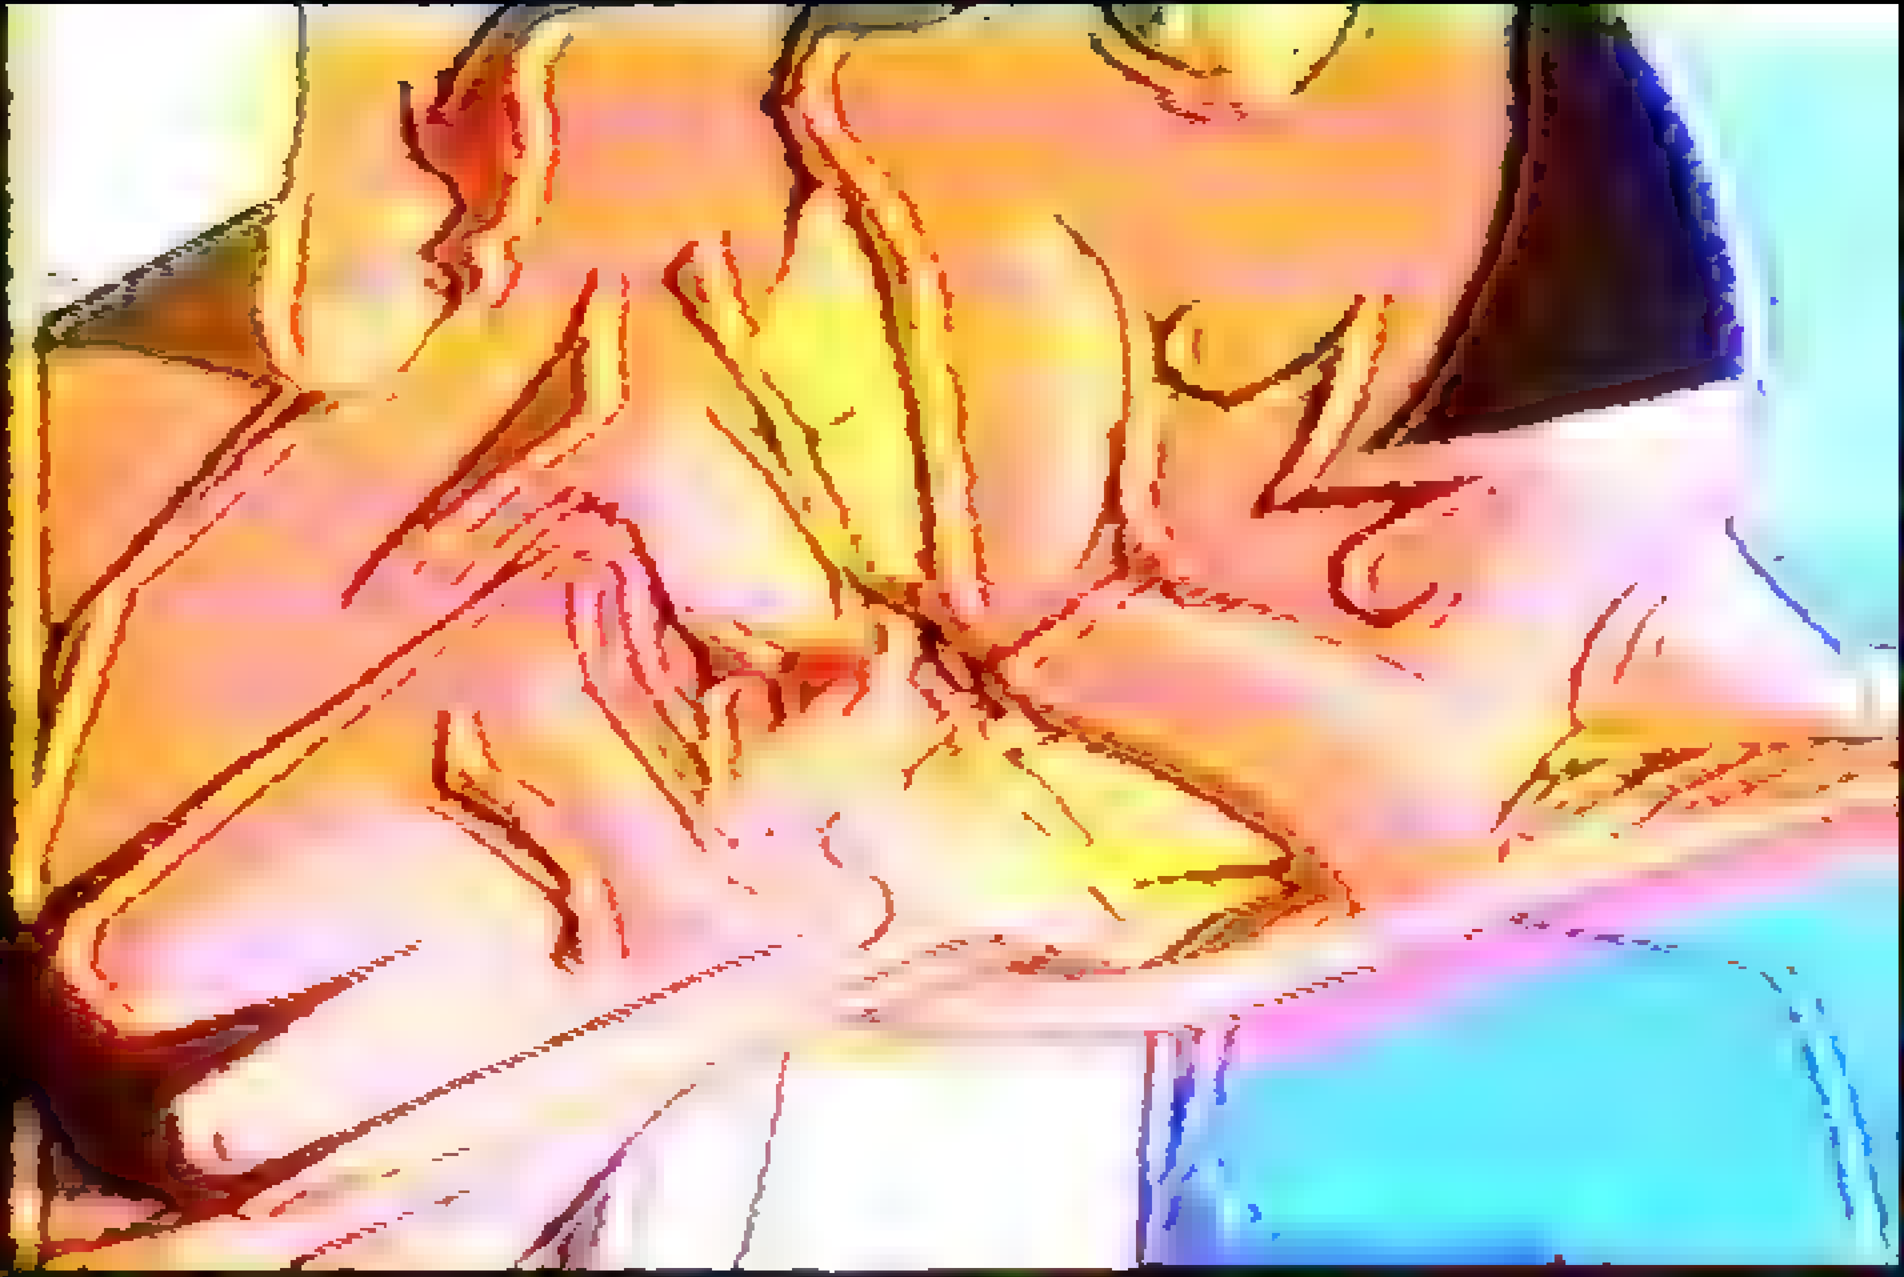

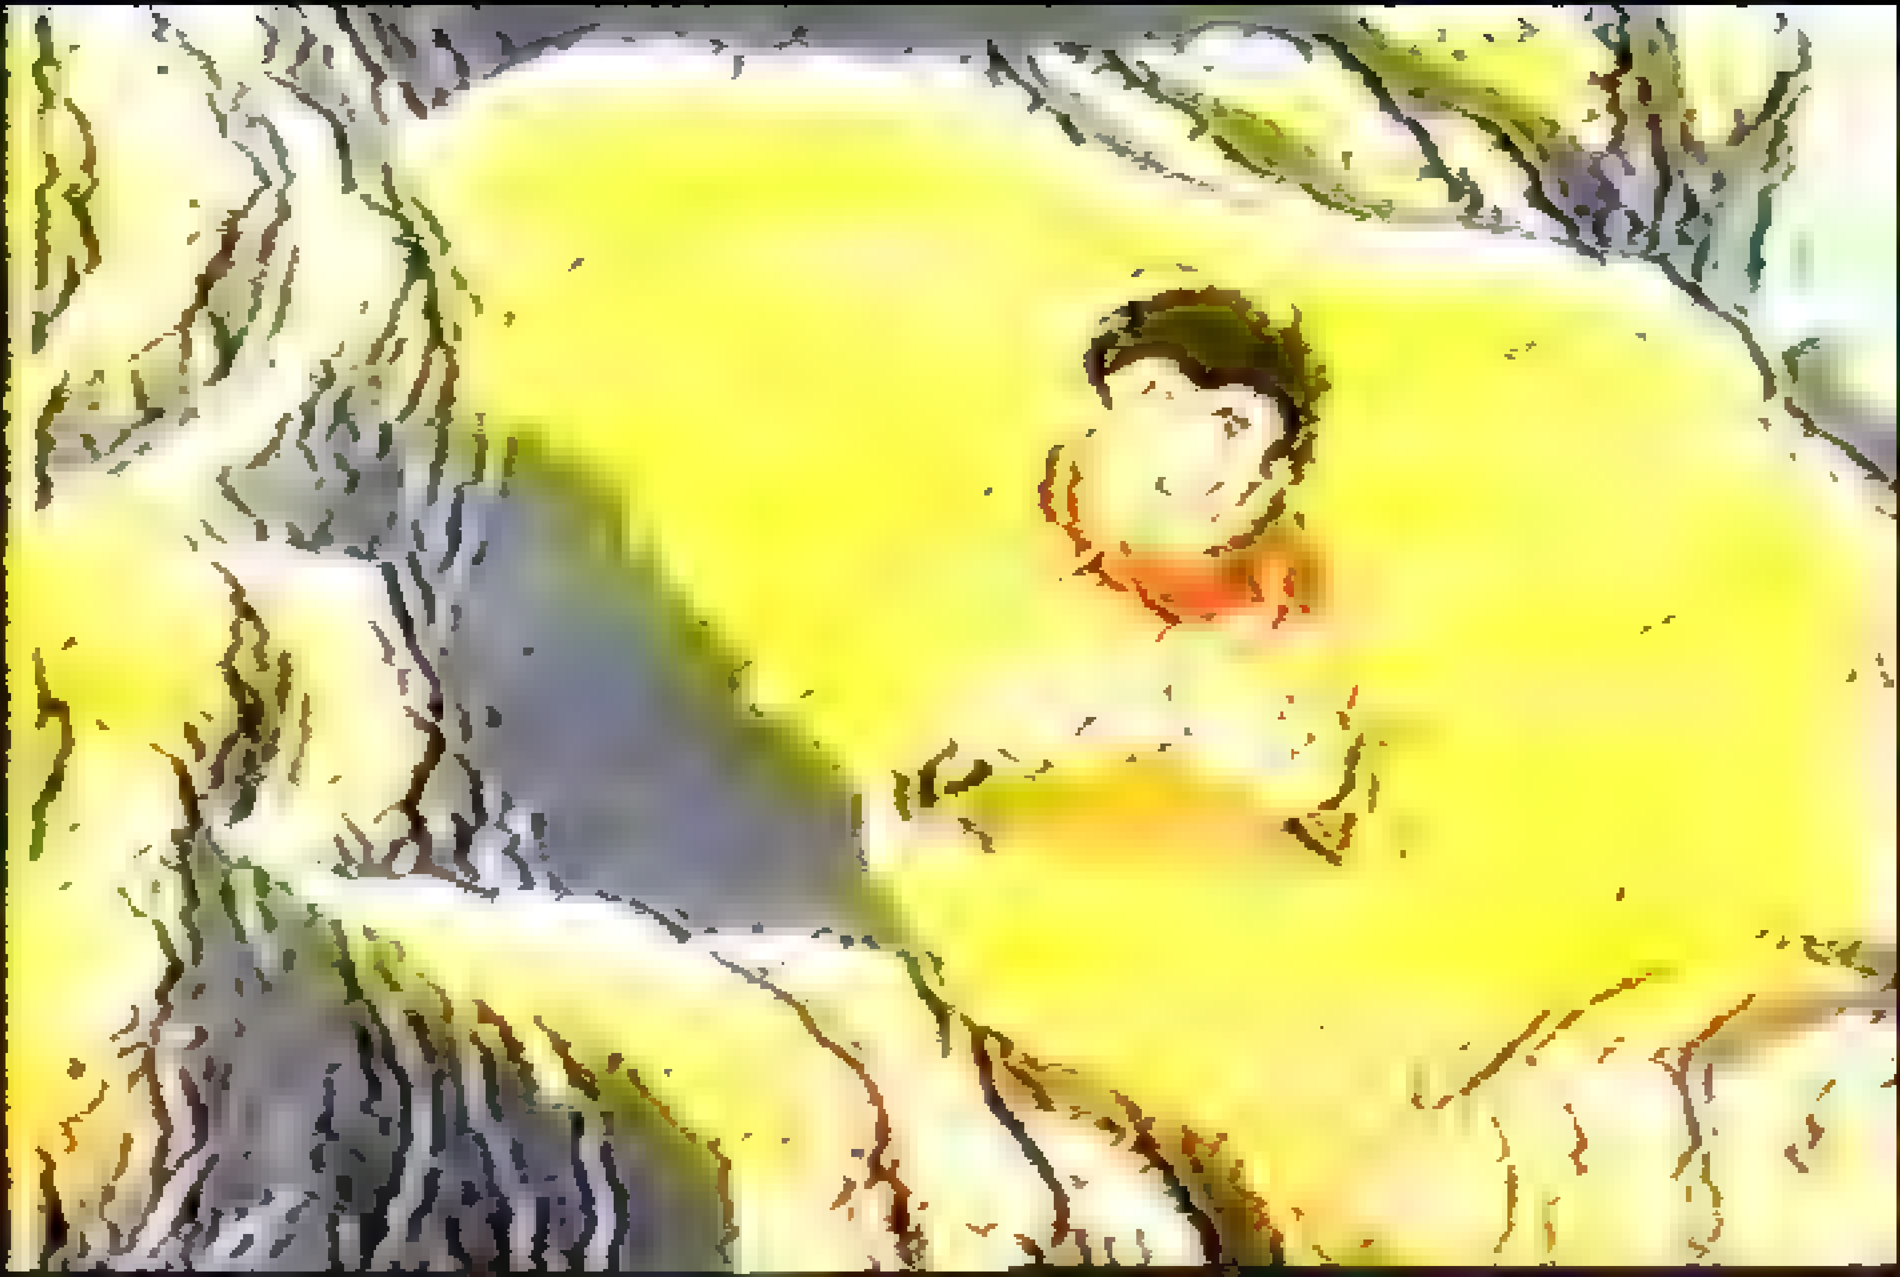

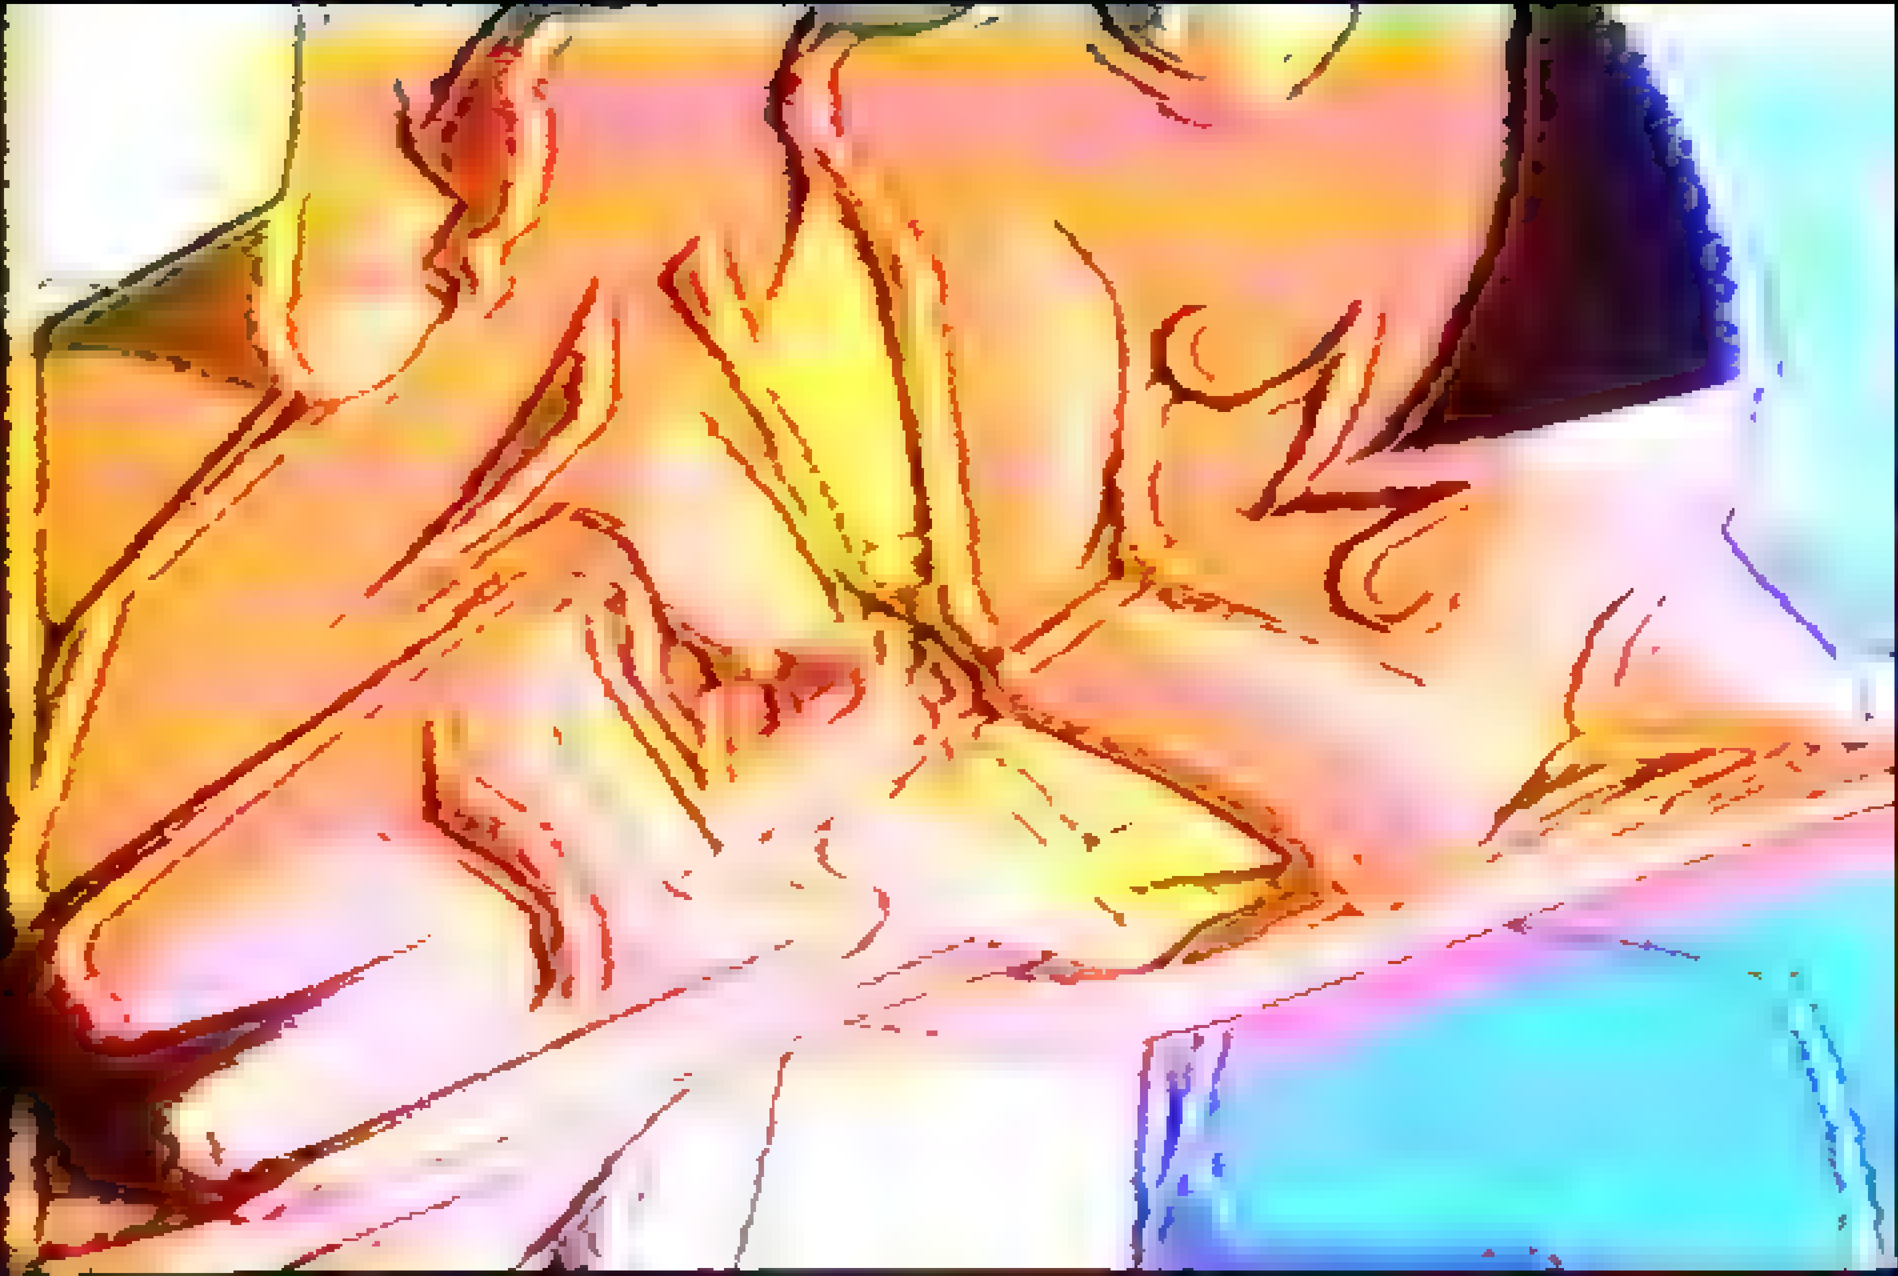

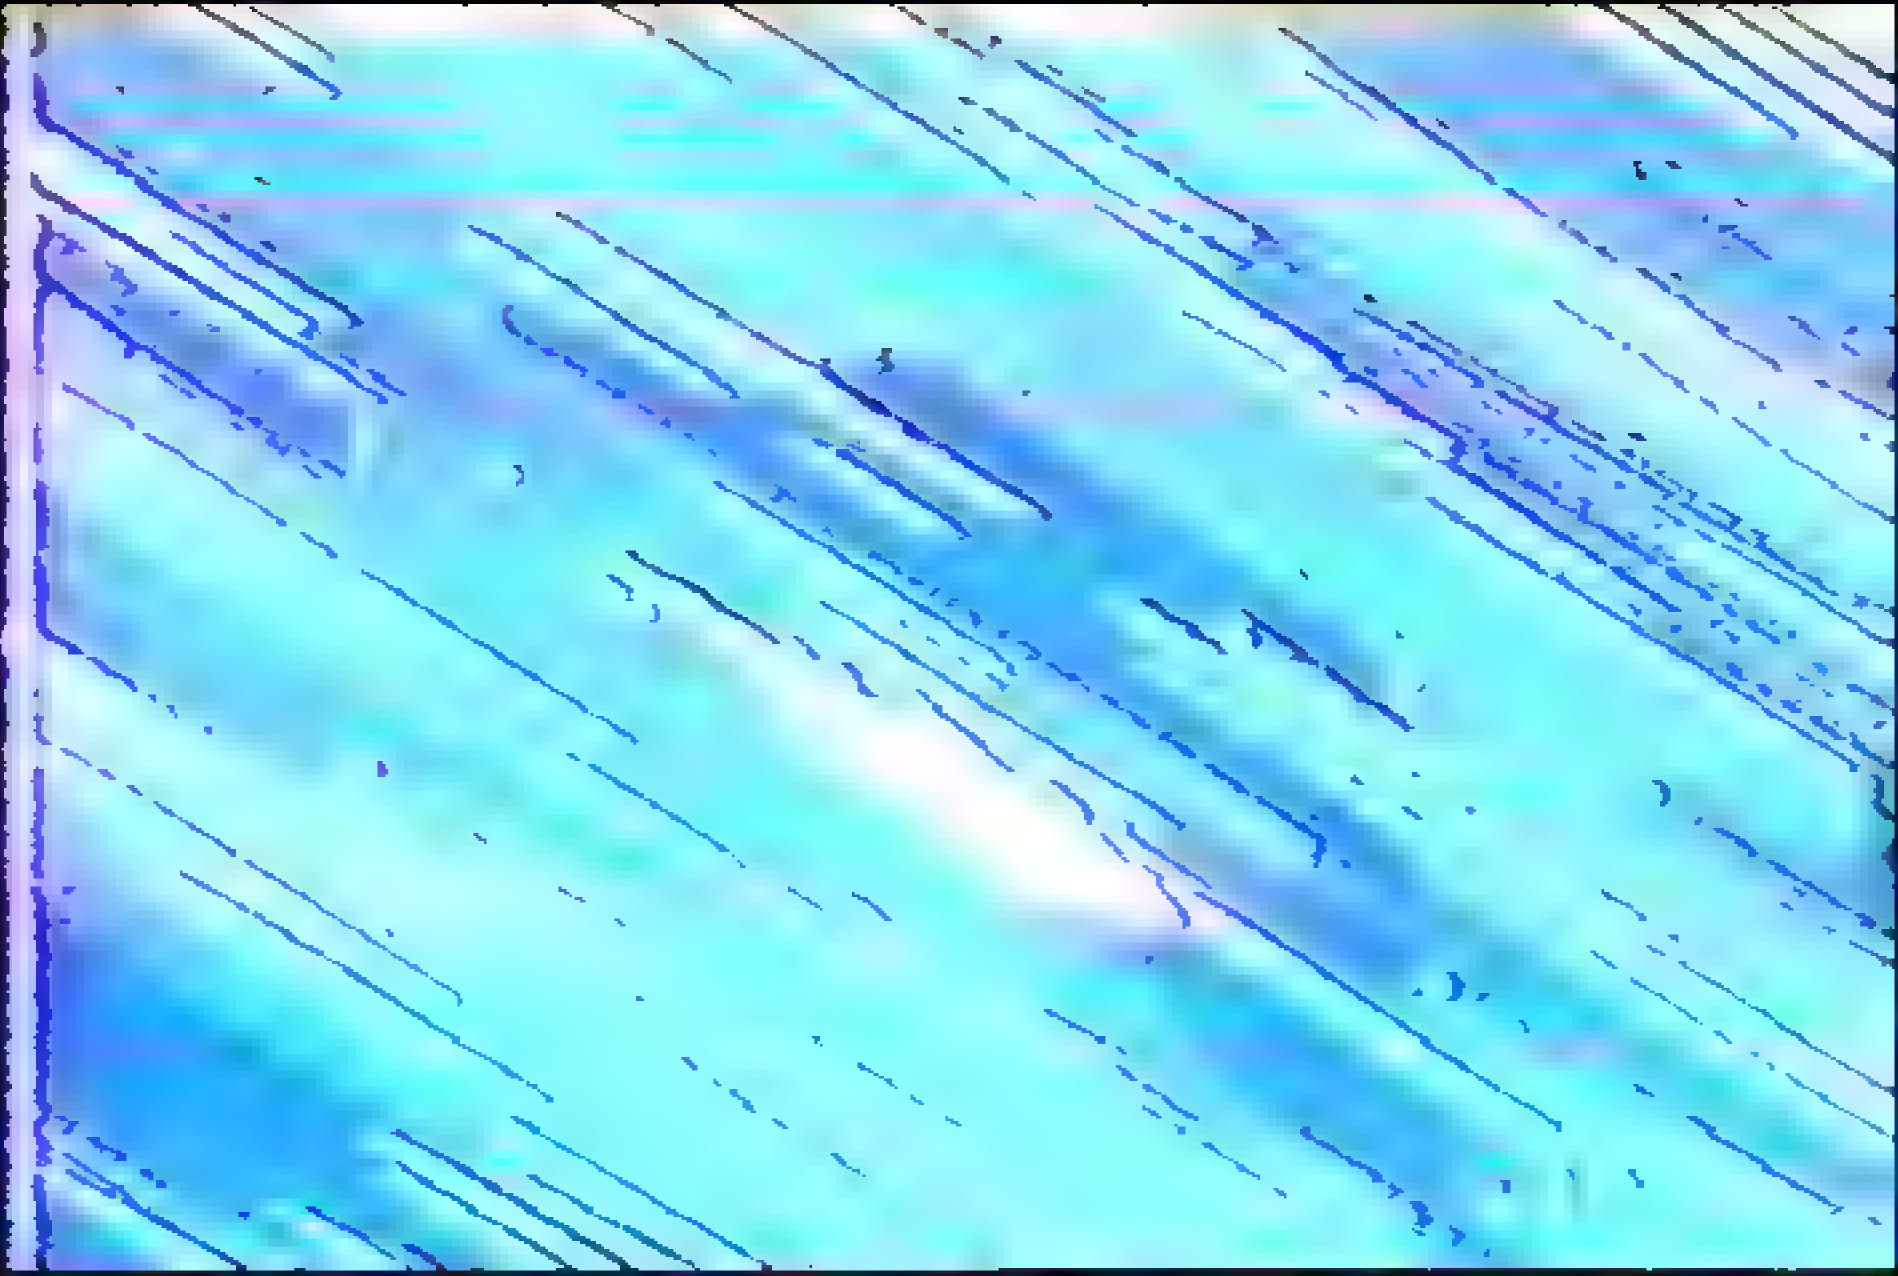

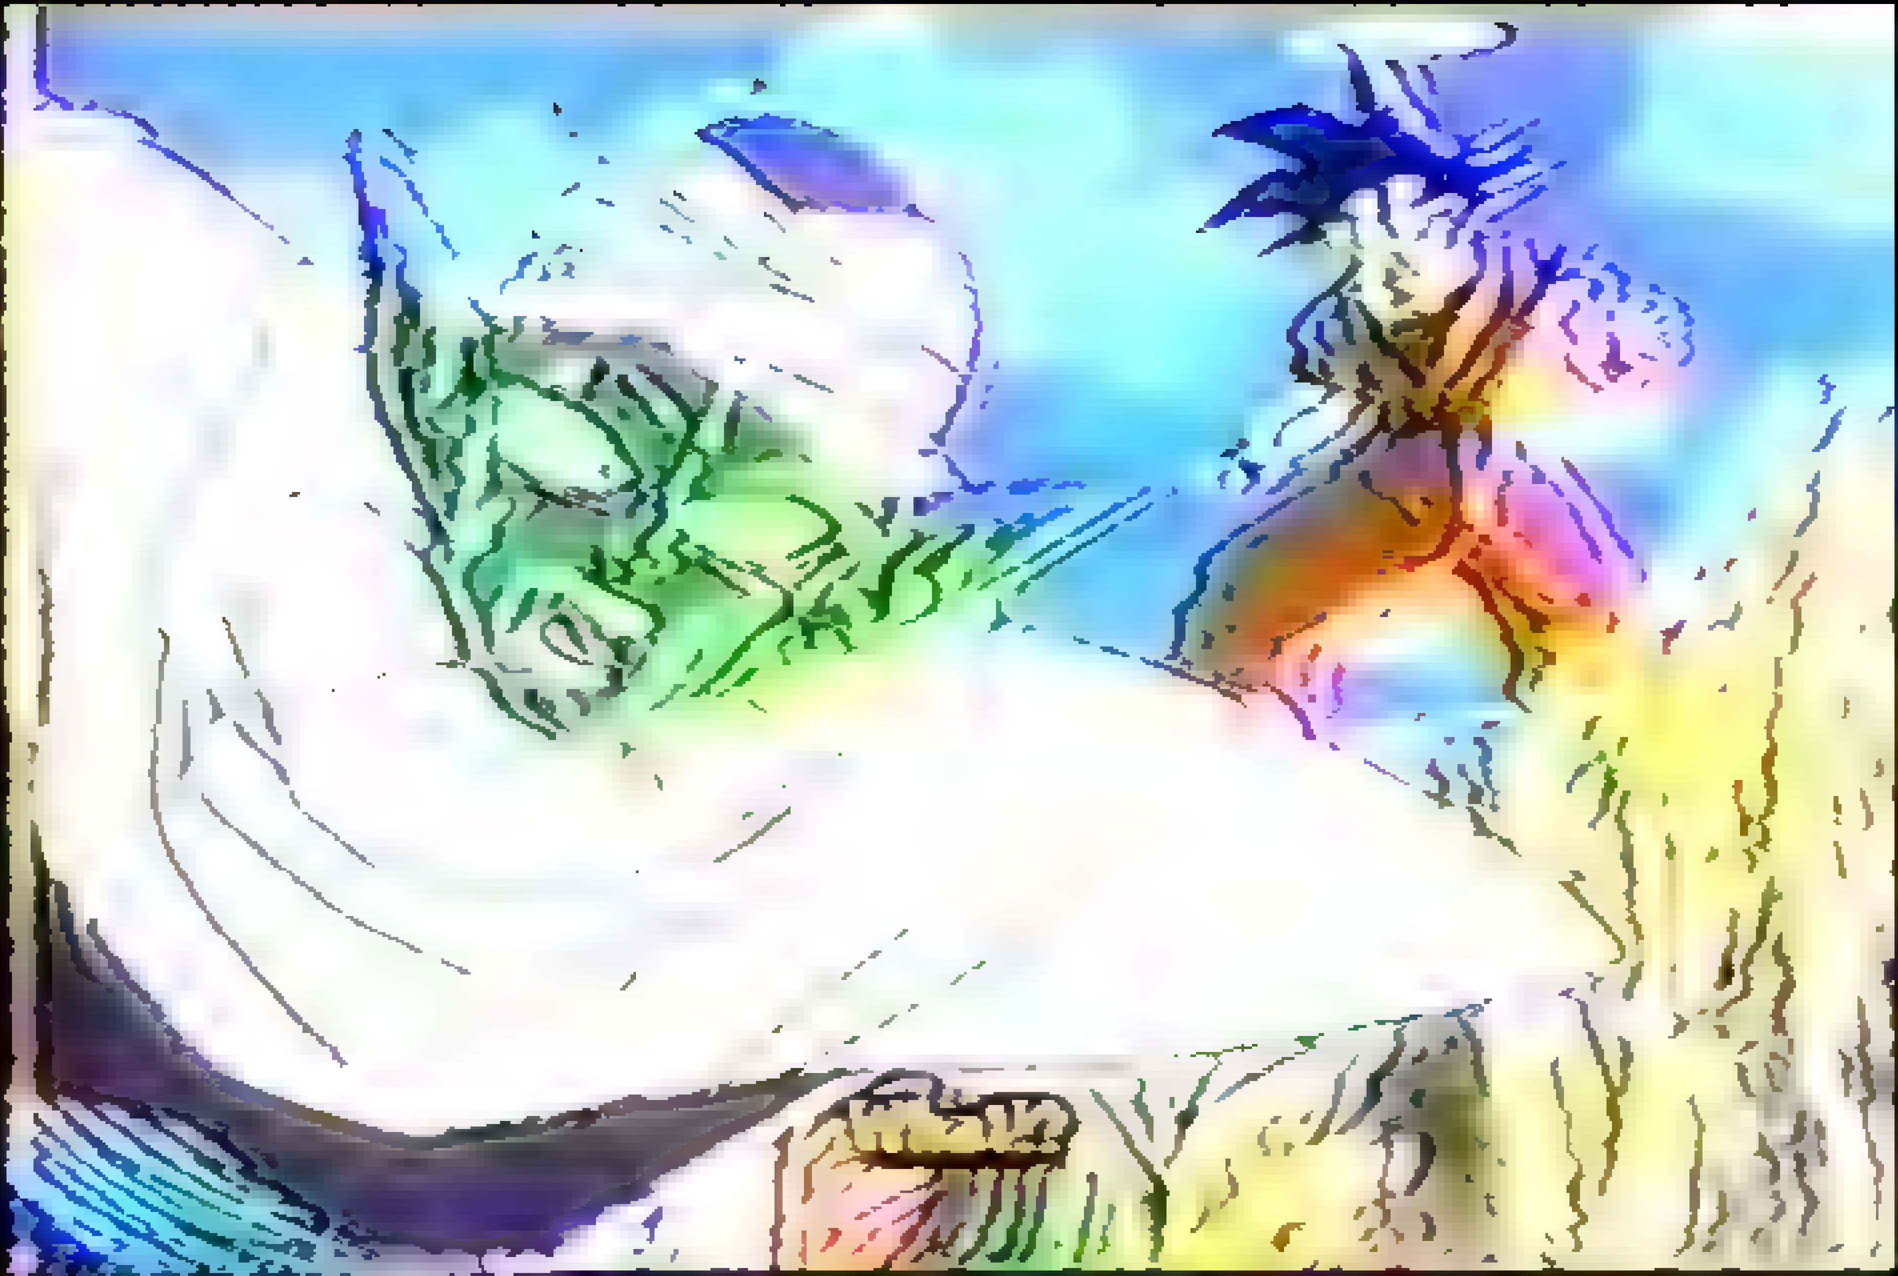

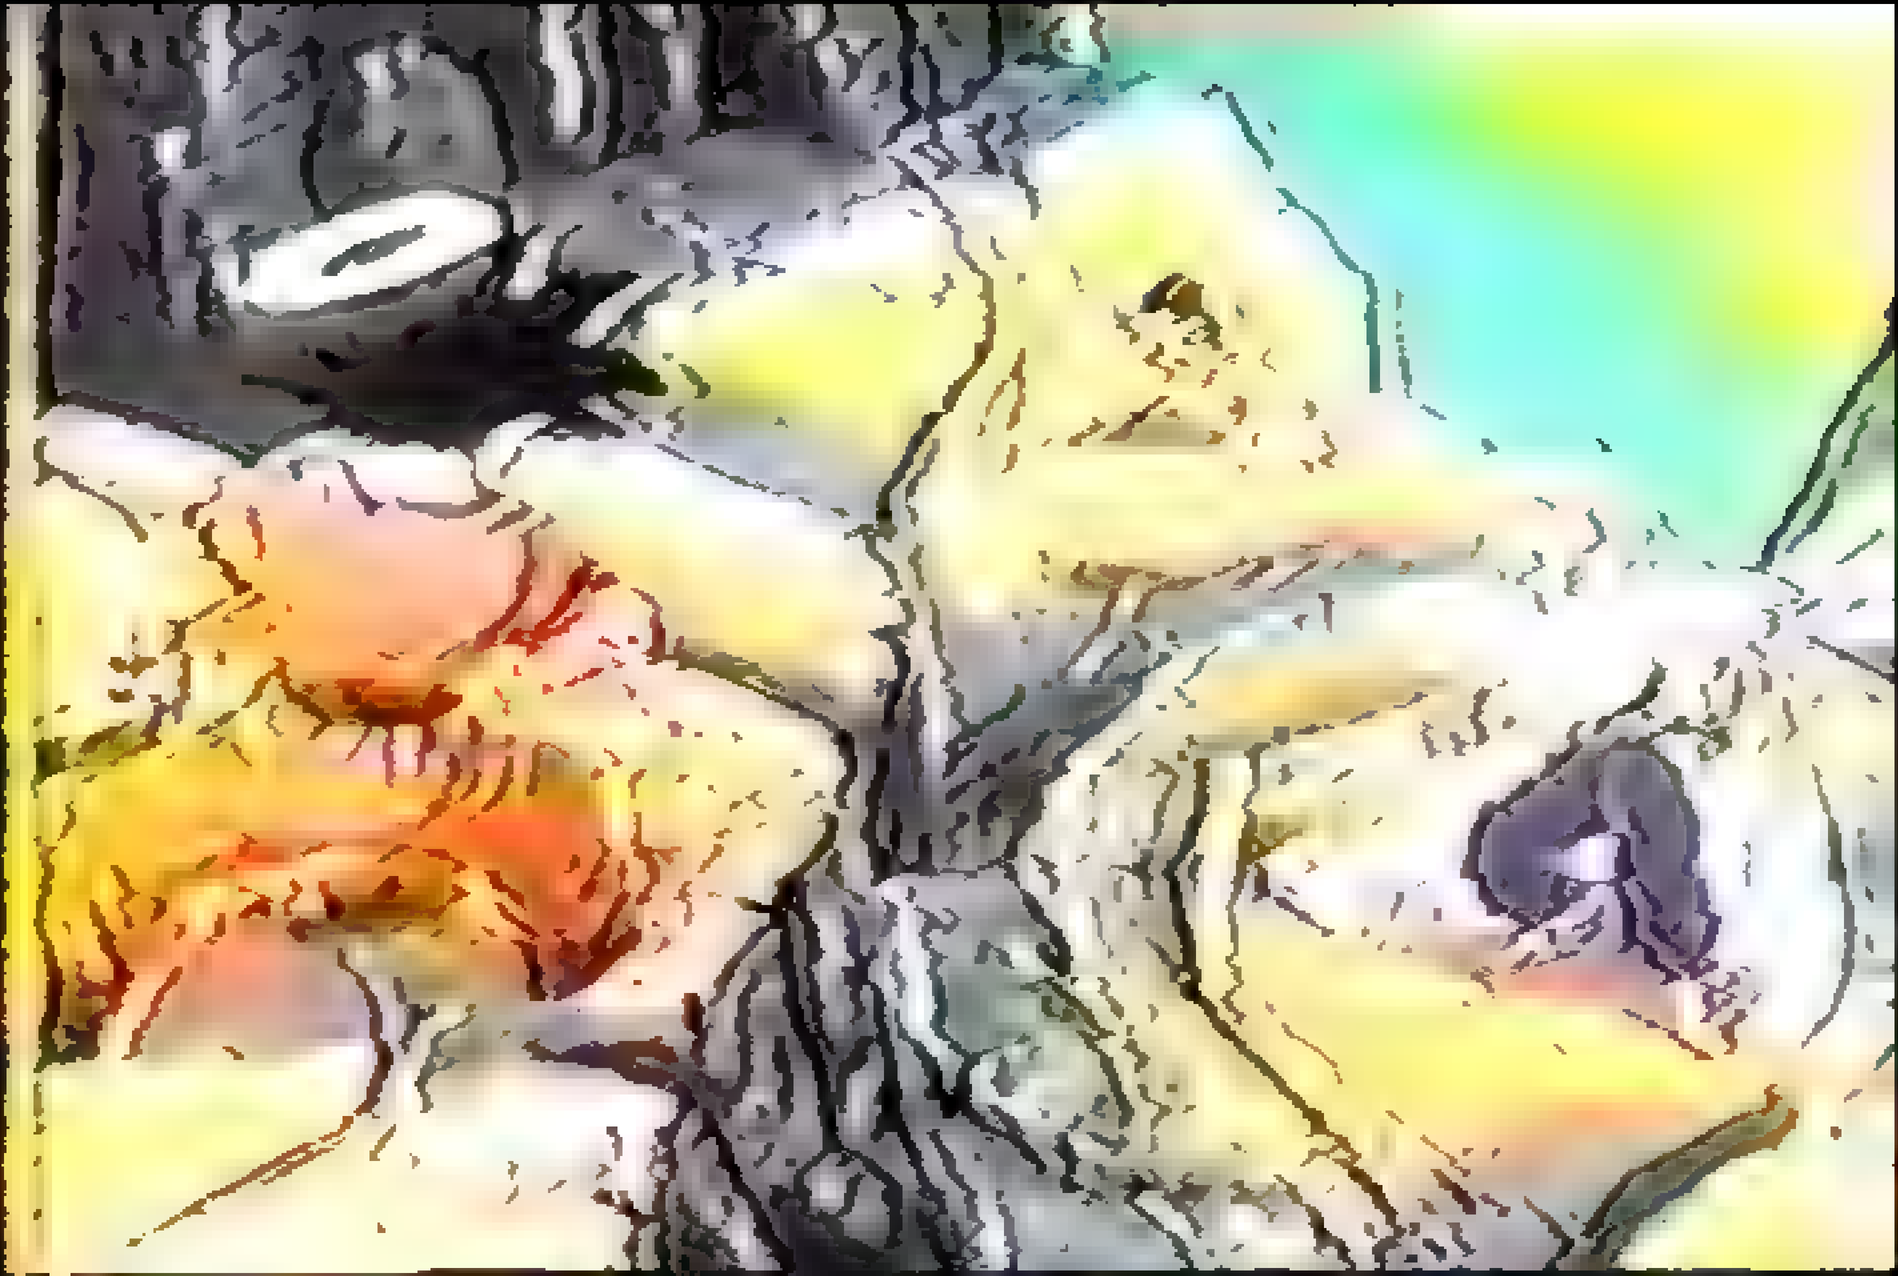

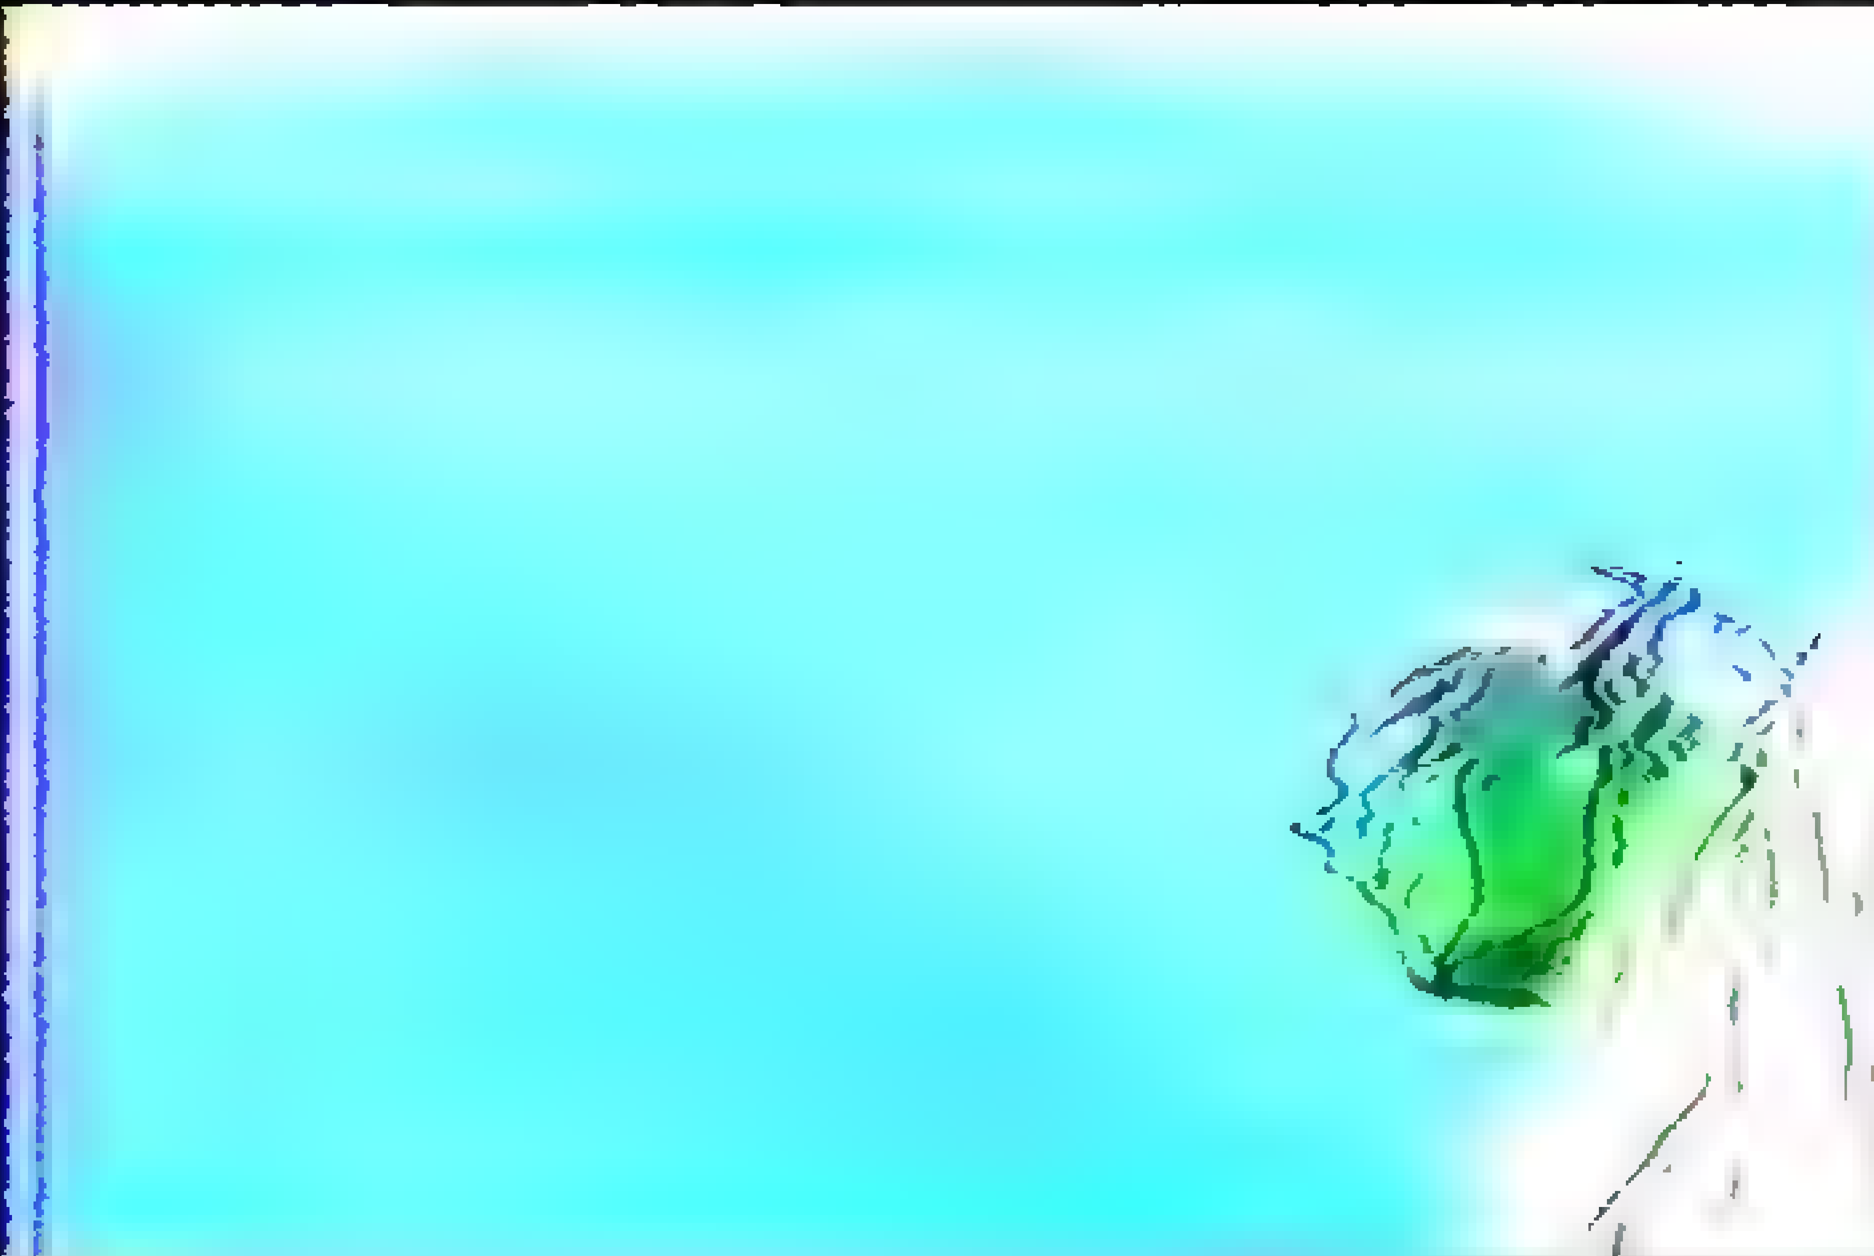

Watch out

They've been changed to stone...!!

If you touch them and break them they'll
